PRESENTED TO
RUBINETTE MILLER 1963

"Yo RubINETte"

Our new agent, Miss Miller, we met—
But it wasn't long until you were

"RubINETte"

Your time and your talents in the past
four years —

Have given us memories to hold to us dear.

Experiences were many and some of them new,

But unpleasant ones — we hope they were few.

We give you our good will and God Speed,

And all the good ~~L~~uck that you might
need.

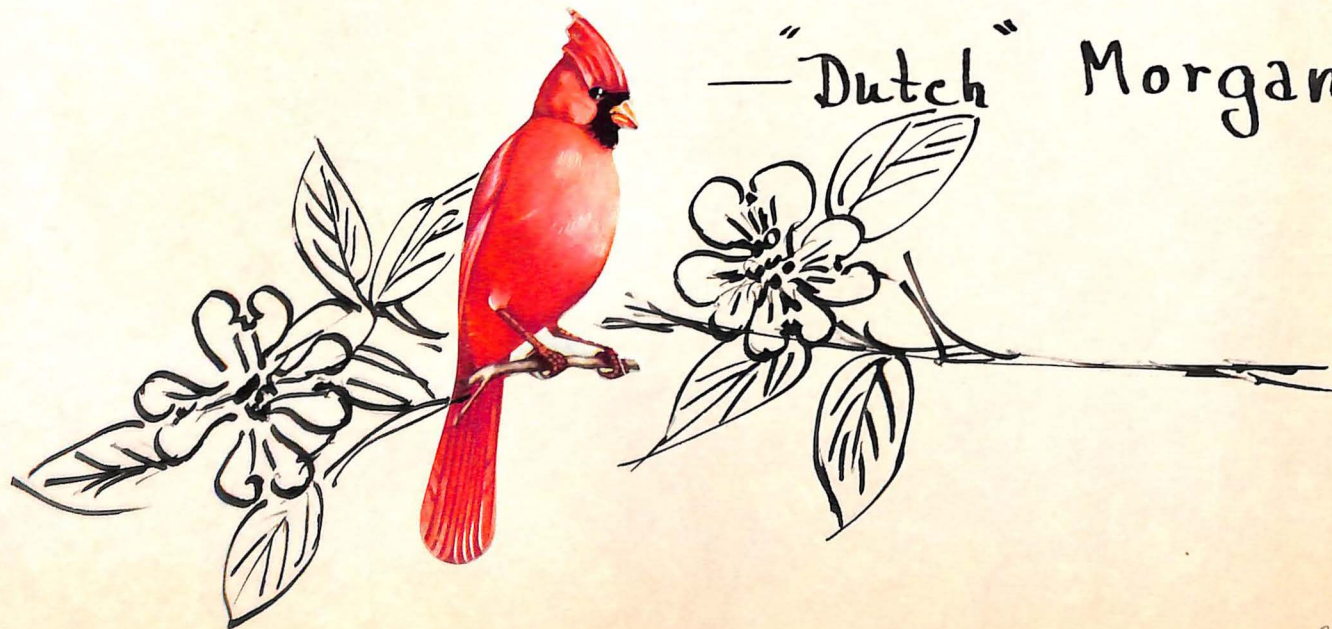

So as you turn the pages of this book,
We hope you will pause, take a good look;

Read the names, and while you reminisce

Remember how very much you will be
missed.

Our Emblem

Our emblem is composed of three concentric circles, which typify the home, the state, and the nation.

The hearth fire in the center symbolizes the home, and expresses the spirit of the finer attributes of the home, such as fellowship, hospitality, comfort, peace, and protection.

The oak leaf symbolizes the strength of the home.

The lamp of knowledge, the wisdom with which a home and family must be created.

The wheat, productivity and richness of family and community life.

Around these symbols are the words:

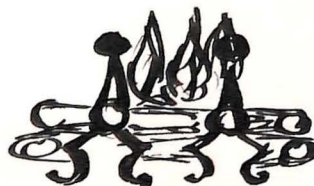

HOME

FAMILY

COMMUNITY

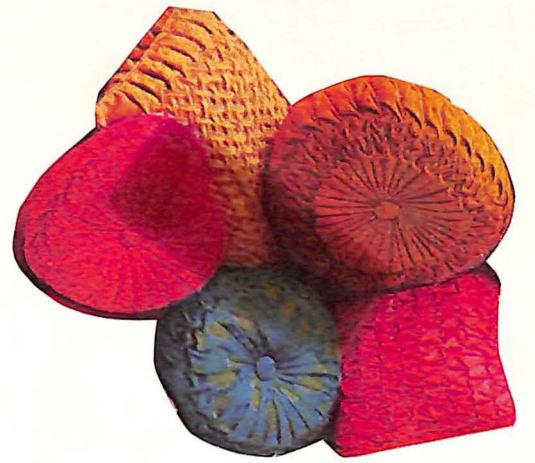

with

"Cooperative Extension Service" in the outer circle—designating the co-operation of the county, state, and nation in the Extension Program.

New Friends and Old Friends

Make new friends, but keep the old;
Those are silver, these are gold.
New-made friendships, like new wine,
Age will mellow and refine.
Friendships that have stood the test—
Time and change—are surely best;
Brow may wrinkle, hair grow gray,
Friendship never knows decay.
For mid old friends, tried and true,
Once more we our youth renew.
But old friends, alas! may die,
New friends must their place supply
Cherish friendship in your breast—
New is good, but old is best;
Make new friends, but keep the old;
Those are silver, these are gold.

Rubinette Miller

Rubinette Miller is truly a friend,
On her all H. D.'s did depend.
We know that since her happy
birth
She has proven to be a young
woman of worth.
Here is a winning smile and
gracious personality,
Always happy and full of vitality.

Praise is deeper than lips you know,
Among her friends good works
she did sow.
In closing, let us say
when you're away -

The Making of Friends

"If nobody smiled and nobody cheered
And nobody helped us along,
If each, every minute looked after herself
And the good things all went to the strong;
If nobody cared just a little for you,
And nobody thought about me
And we stood all alone in the battle of life,
What a dreary old world this would be.
Life is sweet just because of friends we have made,
And the things which in common we share,
We want to live on, not because of ourselves
But because of the people who care;
It's giving and doing for somebody else —
On that all life's splendor depends,
And the joy of the world
When it's all added up,
Is found in the making of friends."

When You Are The Center

When you are the center of your little world,
Your universe is often very small;
Your horizon reaches not an inch beyond
Yon leafy hedge or rough stone garden wall.

But in this little space that you call yours,
Is found a cluttered multitude of things;
Worn-out opinions, half-truths and petty whims
And ideas with weak and wilted wings.

It is only when you move your fences back,
And lift your eyes above this petty whirl,
Forget the aches and doubts you once possessed,
That you view the far horizons of this world.

My Wish

If I could make a wish for you
 And then could make that wish come true
 I'd wish that you might always be
 A blessing to humanity
 That you might have less loss than gain
 More days of happiness than pain
 That in the years that are to come
 You'd always have a happy home.
 When trials come as come they must
 You'd face them with a steadfast trust,
 For they who battle for the right
 Are sure to conquer in the fight.

Congratulations from South View

So - we have come to a crossroad - a parting of the way - and we reach this point in our relationship with you, Rubiette, with mixed emotions. We are so very proud that you have received the honor bestowed upon you in receiving the National 4-H Club grant that will enable you to go farther in your chosen field of endeavor. On the other hand - we feel tugs at our heartstrings at the very thought that you are leaving us. Your radiant personality, and dedication to your work in Home Demonstration - your guidance and encouragement in so many of our projects - will always be remembered by your friends of the South View Club.

One of the "red letter" events of our club was our Seventh Birthday Anniversary Luncheon last October (1962). We were so happy to have you with us to cut the cake!

We will especially remember our sewing classes - first the "guinea pig" class for beginners, and later our class for more advanced sewing - both of which were so beneficial to our members.

We wish you Godspeed on the next lap of your journey toward your life's goal. If at any future time you have an opportunity to return and visit with us - remember, the latch string is on the outside!
