PEOPLE

As we focus our 1966 ACORN on PEOPLE, we try to visualize the people around us in all phases of their school life. We begin to realize that there is more to life than the social aspect. We realize that there are teachers who are trying to teach us the basic things we should know. They know we must fulfill our potential, or life will be very meaningless. Increased contacts with our classmates enrich each student's life; by serving our school's societies, and by learning from those around us, we the members of the student body become more fully developed as individuals. This enables us to be better equipped to cope with the myriad challenges life presents.

Mr. Wilson rests himself and enjoys the beautiful scenery after the trip to the University of Virginia with the Science Club.

When a person has devoted so much of their life to the service of country and community, and we think of Jefferson especially here, it seems we owe that person a special thank you.

We take this opportunity to express our gratitude to one who has been a friend and an outstanding example as well as a teacher.

Tribute is due one who devotes time to regular school activities as well as extra teaching duties in night school and at one of our local hospitals. One who leads the Science Club and has a keen interest in all that goes on at Jefferson.

As an officer in the military service he spent much time in Washington working with officials at the Pentagon.

Because of your loyalty, your overwhelming school spirit and your deep and abiding love and concern for Jefferson we dedicate the 1966 Acorn to you—Mr. ROBERT WILSON.

Much planning and concentration went into the preparation of daily assignments for all of Mr. Wilson's classes.

Mr. Wilson and Mr. Sizer were often found chatting in the hall between classes or during lunch break.

We, the students of Jefferson High School, believe in purity of living, obedience to authority, courteous manners, achievement through effort, loyalty, service, and integrity of character. We believe in living up to the best that is within us at all times, whether alone or with many, and in keeping the faith with ourselves, our homes, our school, city, country, and our God.

To Thee, our Alma Mater,
Our hearts will e'er be true;
And so with lifted voices,
We sing our praise to you.
Still thru thy halls we wander,
Our friend You'll always be,
Forever we'll be faithful,
Dear Jefferson, to Thee.

Hail to our Alma Mater,
To us You'll always be,
A symbol of our happy days,
Our heartaches and our glee.
Within your walls fond mem'ries,
Grow dearer day by day,
All hail our Alma Mater,
Grant us courage on life's way.

Mr. Jerald White, Principal

It seems appropriate that Mr. White was born on July 4th, for he has been a true American. Educated in the public schools of his native home, Oklahoma, he received his bachelor's degree at the University of Virginia. He is a Scottish Rite Mason, a member of the Kiwanis Club, and a deacon at Calvary Baptist Church. He served his nation during World War II in the Army Special Services, stationed in Hawaii.

Jefferson High School has maintained its traditional high standards under Mr. White's administration. The teachers and students who work and study under his supervision appreciate his fairness and wise guidance.

Mr. White is in conference with the student leaders about the calendar of events for the coming month.

Mr. Houston Sizer, Assistant Principal

Mr. Sizer recalls his days on the football team by joining several students as they pass the ball.

Mr. Sizer has worked in many capacities for the welfare of Jefferson High, and has devoted the greater part of his life to our school.

Mr. Sizer is a native of Roanoke and a graduate of Jefferson. Mr. Sizer continued his educational career at the University of Richmond where he also held the position of co-captain of the football team. He continued further study at the University of Virginia.

Mr. Sizer returned to Roanoke as a teacher at Monroe Jr. where he taught math and science. In 1952, he came to Jefferson as coach and physical education instructor. In 1958 he became activities director and assistant principal.

Mr. Sizer has many hobbies such as working in his yard, hiking, but his favorite is falling asleep while watching television.

In the activities office all the financial business of the school was taken care of. This office could be called the "general store." Such matters as rental of textbooks, payment of class dues and the sale of tickets to school functions were handled through this office. The activities office also sold school supplies such as pens, pencils, paper and gym suits.

All student activities were managed and scheduled through this office.

Mrs. Olinger sells Mr. Davis his ticket for the fall play "The Mousetrap."

Activities Office

Mr. Osborne sells school supplies to students as one of the daily routine jobs of the activities office.

We added to our Administration this year a new Activities Director, Mr. Barron Osborne, who came to us from Bedford. With all the many jobs to be done he, with Mrs. Olinger's help, kept business running smoothly and played an important role at Jefferson.

Attendance Office

Mr. Joe Byrd goes over a student's cumulative attendance record.

Mrs. Beverly Osterhoudt talks with a student's parents about an absence.

The people in charge of our Attendance office were Mr. Joe Byrd, Mrs. Beverly Osterhoudt, and Mr. Leeson Nucholls.

The Attendance office is a link between the school and home activities. Regular attendance on the part of each student is necessary for successful academic progress.

Mr. Leeson Nucholls checks into the attendance office each daily excuse.

The Guidance Department

The doors of the guidance offices were always open this year to any student needing counseling. Miss Margaret Brown, coordinator of the guidance department, also served as Senior counselor. She has seen each senior at least once to give aid and encouragement toward making plans for the future after graduation. There were numerous catalogs and pamphlets available concerning college applications, scholarships, and business opportunities.

Mr. Barron Osborne, junior counselor, helped Miss Brown with the Preliminary Scholastic Aptitude tests and the STEP-SCAT tests that all juniors must take.

Mr. Randolph Nicholls served as sophomore counselor and assisted the sophomores who took the National Education Development tests this year.

Secretaries

Miss Edna Chesney talks with Pam Wingfield about sending transcripts of her grades to various colleges.

Our secretaries, Miss Edna Chesney and Mrs. Lucy Doud, worked closely with the students and faculty. They answered the phone, typed letters, kept school records, and assisted in administrative functions.

Mrs. Doud confers with Mr. Osborne concerning future activities of our school.

Library

Mrs. Stevenson and Mrs. Palmer talks about new books added to our library.

Mrs. Stevenson and Mrs. Palmer as librarians gave aid, at one time or another, to most of Jefferson's people whether they were students or faculty members. They were always ready with suggestions for research themes, oral reports, or reading for pleasure.

The library contained approximately 11,300 books. Many magazines and daily newspapers were also a part of the collection. Students found leisure time well spent here in the library.

Cafeteria Staff

Mrs. Christain, Mrs. Dellis, Mrs. Dixon, Mrs. Karnes, Mrs. Sutliff, Mr. Hicks, Mrs. Stewart.

Under the direction of Mrs. Dixon, the well-qualified cafeteria staff worked to prepare for us well-balanced meals. The staff was certainly an essential part of Jefferson.

After a busy morning of various school activities we looked forward to our noon meal that would provide us the nourishment we needed.

Mrs. Mary Dixon

Mr. Woodford Flowers

Custodial Staff

We came back last fall to a freshly painted building. The custodial staff, under the direction of Mr. Flowers, worked to see that our building was kept clean, well-heated, and that repairs were made quickly and efficiently.

The appearance of the building gave our morale a boost and helped the school day go more pleasantly.

Mr. Flowers went over work plans with Mrs. Coleman and Mr. Guthrie.

Jefferson's Parent Teacher Association worked conscientiously in planning and carrying out various projects again this year which made possible many forward steps at Jefferson.

Jefferson Festival, a fund raising project which is an annual event, was held in February. Our PTA also took part in the tapping ceremony of the National Honor Society by presenting keys to seniors and scholastic letters to juniors with a 4.2 or better average.

The PTA, as a definite link between home and school, promoted the welfare of children and youth in the home, school, church, and community.

It is our hope that the PTA will have continuous success in its tremendous work at Jefferson.

The English Department

Miss Goodwin, Mrs. Cooper, Mrs. Walden, Mrs. Baird, Mrs. Honaker, Mrs. Edwards, Mrs. Staton, Mr. Johnson, Mrs. Osterhoudt, Mr. Davis and Mrs. Whitley reviewed many books for use in the department this year.

The English Department under the guidance of Mrs. Walden, Mrs. Cooper, Mrs. Staton, Mrs. Edwards, Mrs. Honaker, Miss Goodwin, Mr. Johnson, Mr. Davis, Mrs. Baird, and Mrs. Osterhoudt again this year provided well rounded English courses. Keeping in mind the needs of the students, the English Department was in the process of changing the present course of study. The philosophy of the school and English Department were emphasized in the different English courses this year.

More emphasis was put on the commutative skills such as reading, writing and speaking. Under the direction of Mrs. Staton, a course in the Humanities was offered to Jefferson students.

The Fine Arts week was again this year sponsored by the English Department. That week provided the students with knowledge of the finer arts which are necessary for a complete and well rounded education.

The Fine Arts Department which consisted of the band, choir, dramatics, and home economics composed an important part of our school this year as every year. The department's main goal was to allow each Jefferson student an opportunity to acquire a more knowledgeable insight to the fine arts. This goal was brought about by presenting art exhibits, plays, child care experiments in Home Economics, the band's school spirit at football games, and the choir's holiday assemblies.

The boys' physical education activities offered a real potential for contributions to general education through maintaining a condition of personal good health and fitness. This was done by a varied offering of activities giving every boy the opportunity to participate and to achieve at his own rate.

Boys' Physical Education

Mr. Hamrick taught health education to his students as well as physical education.

Mr. James Jones
Drivers Education

Students of driver education were better prepared this year with the use of the new driving simulator. Each student received 15 hours of simulator training which included films featuring all types of driving situations. Following the simulator training each student received 3 hours of actual behind-the-wheel training. Every sophomore at Jefferson had the chance to take driver education. Miss East, Mrs. Simmons, and Mr. Hambrick instructed the behind-the-wheel driver education program. Mr. Jimmy Jones instructed in the driving simulator for Jefferson and Patrick Henry High School. In the future we hope that the behind-the-wheel phase of the program can be offered all six periods of the day.

Girls' Physical Education

The girls' physical education department under the direction of Miss Virginia East and Mrs. Donna Simmons participated in many intramurals and varsity sport activities. Two state competitive sports, tennis and gymnastics, were held in the Roanoke area for the first time. The varsity sports program included the following competitive activities: volleyball, basketball, gymnastics, tennis, softball, and a regional track and field meet.

The intramural program offers competition for all girls in all areas of the sports program. The runner-up and winning intramural teams from each grade level compete in a city-wide tournament.

The girls' physical education classes participated in a nationwide physical fitness program with awards being given to students who are above the fifty percentile on all test items.

Miss East and Mrs. Simmons were ready for a day of teaching driver education.

Miss Virginia East
Physical Education

Miss East and Mrs. Simmons also taught driver's education. Among the required courses a student must have to graduate from Jefferson are four years of physical education. Our physical education department has three main objectives: to provide opportunities for participation in physical activities that will result in educational experiences; to develop the organic systems of the body so that each student may live at his highest level; and to develop skills in activities with favorable attitudes toward play that will carry over into future careers and leisure hours.

CLASS OF '66

Melvin Anderson, Treasurer; Terry Powers, President; Sherry Wilson, Secretary; Brenda [Name], Vice-President.

We the Senior Class of 1966, leave Jefferson looking forward to our future, but also remembering the many fond experiences of our high school days.

Our senior year was filled with many activities. This year we sponsored the homecoming hop after the annual homecoming game and used the money to buy new furniture for the Senior Study Lounge. The business of our class

was carried on in Senior Steeple Committee and brought before the Senior Class Senior Home-room.

Leaving assemblies first, Senior Day and the long awaited Senior Senior Prom highlighted our year.

As graduation brought our high school days to an end, our minds were filled with thoughts of the future.

Girls' State

Last summer during the week of June 21-26, Jefferson was represented at Virginia's Girls State sponsored by the American Legion. Our delegates to Girls State, which was held at Radford College, were Becky Cassell, Toni Lantz, and Julia Mitchell. They spent an active, educational week on the campus learning the procedures of state elections, attending lectures, campaigning for their nominees in the mock election for Governor, Lieutenant Governor, and Attorney General. Their busy week also included dividing into cities, electing city officials, and holding a political rally and parade toward the end the week. Graduation was held on Saturday and thus ended an experience they will always remember.

John Smith, Mike Andrews, Robert Kahle, and Glenn Dillon reminisced about the good times they enjoyed while attending Boys State.

Toni Lantz, Becky Cassell, and Julia Mitchell search their Girls State folders for information to use in government class.

Boys' State

Our delegates to Boy's State, which was held during the week of July 11-17 on the campus of William and Mary College, were Mike Andrews, Glenn Dillon, Robert Kahle, and John Smith.

Boy's State was divided into 12 cities named after famous American Generals. The different cities competed in athletic and other contests for top ratings. The cities also elected their own city officials and each held a city caucus.

Some of the main events of the week were election of state officers, lectures, parades, and a graduation ceremony which highlighted the week with Lieutenant Governor Mills Godwin as guest speaker. Another outstanding speaker during the week at Boy's State was Representative William Jennings Bryant Dorn from South Carolina.

The boys obtained a better understanding of the operations of American democracy and governmental procedures.

Junior Class

Last year, 1964-65, as sophomores we elected officers that would serve during the coming junior year. This year a junior class steering committee was chosen and the first meeting of the class was held early in the year.

At the beginning of the football season in September a picnic and pep rally was held in South Roanoke Park. In the month of October a Halloween Dance was sponsored by our class. A money raising project, selling hand lotion, helped us carry out the activities planned by our class. In May the Junior-Senior prom was the highlight of our year.

Next year we look forward to becoming seniors, with all the joy and happiness that this will bring, and above all our responsibility to maintain the high standards of Jefferson.

Sophomore Class

We, the sophomore class of 1965-66, took pride in all our duties and accomplishments. With the aid of our advisor, Mr. James Comer, we sponsored a candy sale, organized the sophomore steering committee, sponsored a powder-puff football game and also sponsored a dance-party at Easter.

We now feel more secure, after a year of both work and fun, and hope to live up to the title of the "Jeffites." We are now looking forward to our junior year.

People On . . .

"Who said that!" Mrs. Carol Edwards wants to know.

"Wow, 13 words a minute and only 14 mistakes!" exclaimed Linda Brooks.

Always on the go, Cathy Hurst, a junior and Jozan Garst, a senior, represented Jefferson on the Heironimus Deb Council as teen models.

"Hamlet, Romeo, and . . . Terry" Sherry Wilson sighed.

"Ah-come on!" Phyllis Mitchell coaxed Sherry.

"What time does the bell ring?" Sherry wondered.

What a way to spend your time in the Senior Lounge! but Harold Castleman and Jackie Pierson seemed to enjoy the checker game.

. . . The Go

One could never be sure where the camera would be at work next. Here Dianne Peebles was caught unaware as she placed a ballot in the ballot box.

People Still . . .

"Um-m-m, tastes good-like ice cream should!" said Libby Nackley.

"Thirsty or not - try water through a straw." Phyllis Mitchell and David Stanley recommended.

Ronnie England evidently had not read the following notice.

NOTICE TO ALL STUDENTS

It has come to our attention that students have been dying on the job and either refusing, or neglecting, to keel over. This practice must stop. Any student found dead on the job, whether in an upright or prone position, will immediately be dropped from the class.

"Altogether now. 1-2-3," as the football team composed of Carol Chittum, Carol Hall, Sandra Blount, Sharon Cronise, Joyce Graybill showed their leg power while coaches Steve Church and Dickie Bailey looked on.

Mike Reedy found time to study while watching his monitor post.

Our photographer was on hand to get a picture as the students marched out for a fire drill.

"Gee, I hate to give up my hard earned nickel!"

... On The Go

"I think you are going to like this picture."
Miss Ledford exclaimed.

"Help, I'm stuck!" Mr. Johnson waits.

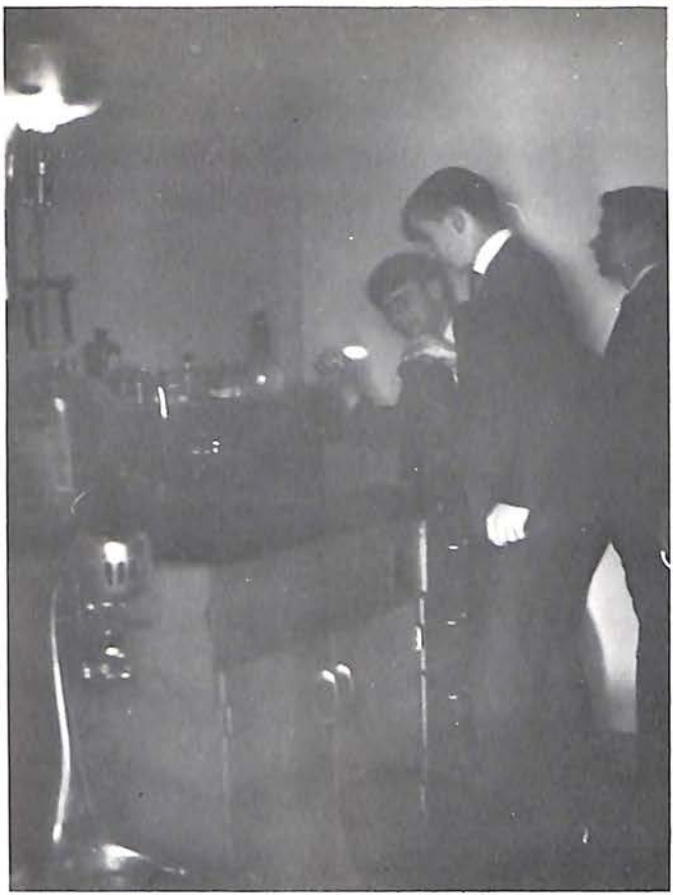

CLASSES

The Marching Magician Band was an intricate part of the spirit of Jefferson High School. They were shown here marching in the Annual Shrine Bowl Parade on October 30, 1965.

Mr. Frank O. Smith lectured to his First Period Government Class.

Randy Agnew and Frank Caldwell were assisted by Mr. Layman in a physics experiment.

Our dramatics organizations were active throughout the year. This scene was from the presentation, "Theatre of the Soul," the one act play judged in district competition in Danville in March. Brenda Duff and Sue Jackson, who played major roles, are shown just as they began an argument.

Student Cooperative Association

This was the second year the Student Government, operated under the new constitution, with the Student Forum and Activities Forum working under the leadership of the Executive Council. These two branches acted as a liaison between the student body and the executive council. Communication between the students and the Student Government was also maintained by weekly announcements over the intercom. Also, the monthly meetings with Mr. White helped to iron out problems.

Some of the major events sponsored by the Student Government this year were: a faculty tea, the installation assembly, Homecoming, publication of the Student Directory, the Christmas dance and the Spring Project, Clean Sweep Week, and all elections including those for the Brotherhood Award and Teacher of the Year.

Some new projects for this year's Student Government were a series of hops in the fall, the selling of Jefferson buttons, entering a float in the Christmas parade, and serving as Co-host of the Southern Association of the Student Councils Convention.

This year's Student Government was strengthened by the addition of three more Senators and a Projects Chairman.

Class senators were: Kathy Wright, Sophomore; Carl Mullins, Senior; Mike Andrews, Senior; Julia Mitchell, Senior; Kathy Hurst, Junior; Steve Church, Junior; Carlton Andrews, Sophomore; Kathy Carrington, Sophomore. **Not pictured:** Dickie Bailey, Junior.

The Acorn Yearbook

Sandra Blount, Ann Croft, Brenda Hannon, Tommy Throckmorton, Bobby Aylor and Joyce Graybill checked names and pictures as they prepared the index of the yearbook.

Robert Kahle
Editor

The Acorn. This is an appropriate name for our annual because just as an acorn grows into a sturdy oak, the students who worked many hours on this yearbook have grown to be better and more well-rounded students. They have gained from this experience of writing copy, drawing layouts, and proofreading material, a useful and practical understanding of journalism, which will help them throughout their school days and in later life.

The pattern and layout of the book were altered to give the students more meaning and significance. We feel that the same Jefferson tradition and spirit are still a part of the book to insure the best possible yearbook for the school, and so with pride, we present this, the 1966 ACORN to you, our fellow students.

These senior members of the staff, Carolyn Graham, Jozan Garst, Sherry Wilson, Julia Mitchell, Jimmy Glass, Glenn Dillon, Anna Croft, Phyllis Mitchell, Barry Capito and Wayne Deel were proofreading material which had to be sent back to Delmar.

Robert Kahle, Editor, and Miss Ledford, the Sponsor, check and put into the envelopes material that has been prepared for the December 15 deadline.

Jefferson 1966

Brenda Hannon, Jozan Garst, Carolyn Graham, Bobby Aylor, Sherry Wilson, Barry Capito, Anna Croft, Miss Ledford, advisor; Joyce Graybill, Sandra Blount, Glenn Dillon, Julia Mitchell, Robert Kahle, Jimmy Glass and Phyllis Mitchell were interrupted by the photographer while carrying on the daily routine of drawing layouts, writing copy, identifying pictures and proof-reading material.

Our Delmar photographer, Mr. Overby, often found himself in unusual positions while taking pictures for our yearbook.

Tommy Throckmorton and Wayne Deel, our school photographers, took a moment out of their busy shooting schedule to pose for a picture themselves.

The Jefferson News, written and edited by the students, was published sixteen times during the school year.

The paper included editorials campaigning for a parking lot and a new gym. It also contained articles on all school events and student organizations.

These articles and editorials served as a link between the school and the students by making all the information concerning current events available.

The training the students received in journalism while working on the newspaper gave them knowledge and experience which will be to their advantage later in life as they go to college or work in clubs in the community.

The staff of the Acorn magazine was the primary source of its literary composition, but contributions were accepted from any talented student.

Last year the magazine won first prize in the Southern Interscholastic Press Association and second place in the Columbia Scholastic Press Association.

Norman Wilfong, art editor, and Donnie Gunter, editor, planned layouts for the Acorn Magazine.

Library Club

The Jefferson High School Library Club was a group consisting of students who worked in the library one period a day. The student assistants volunteered their time during study halls and worked after school.

The members met once a month. They discussed the various phases of library procedure,

discussed some everyday problems, and learned the proper care of books. In December the Library Club had a Christmas party for the members and sponsors.

Under the guidance of the sponsors, Mrs. Mary Stevenson and Mrs. Sara Palmer, the Library Club had a successful year.

Linda Martin, Secretary; Joyce Sult, President; Robert Hill, Vice President.

Mrs. Stevenson, unaware that the photographer was near, straightened the book shelves.

Quill And Scroll

The Quill and Scroll was the literary honor society for students who participated in the magazine, yearbook, newspaper, or foreign language publications. To be a member of this literary society it was necessary to be in the junior or senior year and have a high M average. The students also had to be recommended for outstanding work by their publication advisors.

Club meetings provided opportunities for the members to participate in educational, social, recreational and vocational activities. These activities resulted in stimulating proper attitudes, building character, and developing those behavior patterns desired for a good productive citizen who is an asset to the community in which he lives.

Brenda Percell, Treasurer; Pam Blessard, Reporter; Betty Porter, Secretary; Charles Ward, Vice President; and Toni Lantz, President.

People have hobbies — some fish, some swim, some race, and some help others. Such is the case of the Red Cross.

This year Jefferson's Red Cross gave a variety show for the patients at the Veterans Hospital in Salem.

The Parent Teachers Association was entertained with a "hootenanny".

Jefferson sponsored the blood mobile, where friends and students alike were encouraged to donate the blood for the benefit of others. "Volun-Teens" worked in local hospitals keeping patients company or they helped in any way possible.

Members met one Saturday of each month with Red Cross representatives from other schools.

Hi-Y

Carl Mullins and Gary Carter conducted the election of the two boys from the Hi-Y who would represent Jefferson at the Model General Assembly held in Richmond as Charles Biller, Barry Ousley and Ronnie Showalter made nominations from the floor.

The Hi-Y Club has been one of the most active organizations at Jefferson since 1926. This year's Hi-Y was no exception. The Club served as Host for the South-Western district Hi-Y Convention. President Carl Mullins acted as host for the convention while Robert Kahle presided over the business session as Vice President.

The two main service projects of the Hi-Y this year were the distribution of Christmas baskets and the annual Easter services. Some other events of this year's club were: the training of officers at Blue Ridge Assembly, the installation service and the Model General Assembly in Richmond.

The club worked under the guidance of Mr. C. F. Adams.

Jefferson's Future Teachers of America Club provided exploratory opportunities for all students who have decided to teach, or who are considering teaching as a vocation. Through social and business activities, prominent and successful educators presented their views of teaching from all levels; kindergarten, elementary, high school, college, and the administrative field.

Other club activities this year included the following: Miss Mary DeLong officiated at our Installation Service.

For American Education Week in November, we presented a special program and served coffee and cookies to faculty members.

Two club members and one sponsor attended the annual state convention held in Richmond.

Our December program was traditionally based on international relations. Miss Leila Stalker, chairman of the Mathematics Department, showed films with explanations of her travels in other countries.

This year we made a tour of the WDBJ Radio, Television and Newspaper offices.

Our annual Career Week was observed in April when each qualified member visited a school of his choice in the Roanoke City Public Schools where he learned from experienced teachers the art of teaching, scheduling, and everyday class-room activities. Also, this year interested members were permitted to visit West End Elementary School the second Wednesday of each month during the Activities period.

We enjoyed several informative films from the Guidance Department concerning college life, entrance, requirements, living conditions, schedules, courses, etc.

We worked out a "point" system for evaluating each member's contribution to Future Teachers of America during the year.

Future Homemakers Of America

Learning to live better today in order that our lives and those of our families may be better tomorrow was the theme adopted by the Future Homemakers of America for this year. They worked toward this goal keeping in mind that leisure time should be constructive time.

In carrying out this theme, they aided a needy family during the Easter season. Their club programs included skits, discussions, and guest speakers. Several meetings were devoted to needlework of interest to the members. In the spring, the group brought Future Homemakers of America week to a close with a Dutch treat dinner.

At Christmas the group held an ice skating party to which all club members were invited. The Future Business Leaders of America also sponsored many money making projects this year which were successful.

Distributive Education

Mr. James Mundy, coordinator of the Distributive Education Program had to prepare numerous reports throughout the year.

The Distributive Education Club, headed by Mr. James Mundy, was busy this year participating in school, state, and national activities.

The club attended the Fall Rally, in Bedford, Virginia, and also sponsored an "Ugly Man" contest in October. The highlight of the year came in November during National DECA Week, November 7 thru 13. During this time, the D.E. club sponsored two television shows and five radio ads and put up posters and signs in downtown stores and at school. They also had a float in the November 30th Christmas parade.

Representatives were sent to the Roanoke City DECA Competition in January and to the District 7 competition in February. State competition was held in Alexandria in April, and National Competition was held in Chicago in June.

In the fall, the dramatics students put on a three act mystery "The Mouse Trap."

The annual presentation of "Why The Chimes Rang" had special meaning this year as it was the thirtieth anniversary of this production.

The Thespians and Masquers had a Christmas party at Bradford Restaurant.

Jefferson participated in the One Act Play Festival. They put on the play "The Theatre of the Soul."

The dramatics department gave three programs at Belmont Elementary School. They also attended other school's plays.

In the spring, they ended a successful year by producing a musical play, "Once Upon A Mattress."

The annual Thespian banquet was held in May.

This year the choir gave concerts at the Rehabilitation Center, the Kiwanis Club and the Crossroad Mall. There was a combined choir and band Christmas concert, as well as a choir program and a chimes assembly.

A spring concert was planned for May and the choir participated in the graduation services. Also, a selected few sang with the Virginia All-State Choir.

Everybody loves a parade! A thrilling sight indeed was our Jefferson marching unit in the Shrine Bowl parade held on October 30, 1965. The annual parade and football game are held with

this traditional theme used: "Strong Legs Run That Weak Ones Might Walk."

Jefferson Band

Color Guard

Appearing with the band in the Harvest Bowl parade, the Shrine Bowl parade, the Christmas parade, the Dogwood Festival and the parade in Washington, D. C. in the spring was the color guard unit.

It was the responsibility of the color guard to advance the colors for the National Anthem at all home football games and to take care of the school flags, seeing that they were raised and lowered each day.

These girls marched in all parades and they attended many out-of-town functions.

The Magicianettes began their practice in the summer months, and worked this year under Brenda Truman, head magicianette.

Majorettes

The Jefferson High School Majorettes played an important part in all the activities in which the band participated. These activities included various parades, in and outside of the city, and all football shows.

Each majorette was a member in the band unit at least one year. In the absence of the field conductor each majorette had to be able to take over her duties. The drum majorette had many responsibilities. She led the band in all parades and football shows, and was to have complete control of the band at all times.

Recognition and success were two factors present during this school year at Jefferson. Both of these were achieved by the Jefferson band. The marching Magicians provided half-time entertainment for our football games. The band also performed at two college games. The people of Roanoke Valley saw them perform at half-time during the Harvest Bowl game. The performance was so well received that the band was asked to return next year.

Football season passed and basketball was here! There to add to the excitement and spirit of the games was the pep band.

The band represented Jefferson in the local parades as well as making numerous out of town appearances.

One of the main activities of the band was their trip to Washington, D. C. for the annual School Safety Patrol Parade. At this parade the band competed with bands from 30 states. In the past few years the band has placed high in every national appearance it has made.

Terry Powers inspired enthusiasm and school spirit in the students at the Pep assembly before the game with Lane High School of Charlottesville, Virginia as Glenn Dillon, S.C.A. President, cheered along with the rest of the student body.

HONORS

This was a very happy moment for Carol Sue Hall as she was tapped for membership into the National Honor Society by Cynthia Fisher.

An organization which promoted participation in athletics among girls at Jefferson was the Girl's Athletic Association. This year the club was under the leadership of Mrs. Donnalee Simmons. Each girls had to maintain 100 points a year in order to be a member. These points were earned by participating in varsity sports, intramurals and cheerleading.

Basketball, volleyball, badminton games and ping-pong tournaments were among the sports sponsored by the club.

The girls learned the rules and regulations of each game and were able to officiate themselves. Outside of school, the Girl's Athletic Association attended outings as a group.

Jefferson 47**Buena Vista 0**

The west side of Victory Stadium was in an uproar on the second of September. The reason? The Magicians had scored with only seconds left to defeat Parry McCluer by a fantastic 47 to 0 score.

The game was never a contest as the Magicians defense was able to contain the Fighting Blues while the offense scored the first time they had the ball.

Some of the stars of this game were Gary Thompson, Richard McGeorge, Brenson Long, Terry Powers, and Mike Andrews.

**Gary Thompson**

First team, All City-County; First team, All Western District; Second team, All State; Most Valuable Player Trophy.

**Gary Doss**

Second team, All City-County; Second team, All Western District; Honorable Mention, All State; Best Defense Player Trophy.

Jefferson 0**Patrick Henry 18**

Fumbles and pass interceptions are a coach's nightmare. Such was the case when Patrick Henry defeated the Jefferson Magicians by a score of 18 to 0. The Magicians lost five fumbles and had three passes intercepted. One pass was returned 101 yards for the first touchdown of the game.

The Magicians' offense sputtered a lot during the third quarter as fullback Gary Thompson sat out much of that period with a back injury. He returned in the fourth quarter to lead the Magicians to the Patriots three yard line twice where they failed to score.

Jefferson 3**George Washington 0**

It was the first time that it had been done in over thirty-five years and it sent the west side at Victory Stadium into pandemonium. What was it? It was the field goal that Terry Powers kicked with only a minute remaining to give Jefferson a 3 to 0 win over George Washington of Danville.

After the game was over Coach Hamrick said that when Powers was about to kick the field goal, "I tried to light a cigarette and couldn't do it. I just dropped it."

**Richard McGeorge**

First team, All City-County; Second team, All Western District; Third team, All State; City-County Lineman of the Year.

Jefferson 7**Lane 38**

As a rule you have to want a ball game to win one. The Jefferson Magicians found this out when Lane of Charlottesville handed them a decisive 38 to 7 set back. The Black Knights wanted this game to avenge a blot put on their record the previous week when Patrick Henry tied them by a 0 to 0 score.

The half ended with the Black Knights leading 31 to 0 after the Magicians defense completely collapsed and allowed five touchdowns. During the first half Lane amassed over a hundred yards on the ground and also over a hundred yards through the air.

The Magicians prevented it from being a total rout when they put a score on the board in the fourth period. Thompson climaxed a 52 yard drive when he twisted his way across from the three yard line.

Jefferson 7

Roanoke Catholic 0

The night was symbolic of the Roanoke Catholic spirit following the football game. It was raining and was a dreary night as Roanoke Catholic absorbed their first loss of the season. It came to a 7 to 0 defeat at the hands of the Jefferson Magicians.

In reference to the wet, rainy weather, Coach Hamrick said after the game, "I don't know who it hurt the worst, but I think it hurt us because we could have thrown against them."

Jefferson 18

Cave Spring 7

Miscues and mistakes spelled misfortune for the Cave Spring Knights when they faced the Jefferson Magicians. Two of the Knight mistakes were converted to Magician touchdowns which helped the Jeffs to an 18 to 7 win.

In the second half the Knights got a couple of drives going but in each case the defense arose to prevent a score. On one occasion a fourth down play fell short and on the other occasion David Stanley intercepted a Worrell pass near the goal line.

Jefferson 7

E. C. Glass 34

Often it is said that there are more ways to score on defense than there are on offense. The E. C. Glass Hilltoppers proved this when they played the Jefferson Magicians in Lynchburg and won by a 34 to 7 score.

The Hilltoppers took advantage of three Magician miscues in the third quarter to run the score up on the Jeffs. They used a block punt, an intercepted pass and a fumbled punt in their defensive scoring. Actually the defense didn't score on the fumbled punt but set it up for the offense to score in two plays.

Jefferson 13**Andrew Lewis 26**

In the two football games before Andrew Lewis, the Jefferson Magicians seemed to have been unable to put four quarters of good football together. They usually played three quarters of real good football but just could not overcome that one quarter. That quarter was usually the third quarter. Such was the case in Salem when the Andrew Lewis Wolverines scored 13 points in the third quarter to turn the Magicians away with a 26 to 13 score.

The Magicians played the game without the services of their star fullback Gary Thompson and after the game Coach Hamrick said, "It always hurts when you don't have someone like Thompson, but we got a good effort from the rest of our backs."

Jefferson's Richard McGeorge reaches past Cave Spring's Barry Trent for a spectacular pass completion.

**Jefferson 14****William Fleming 13**

It was a big win for the Jefferson Magicians. With it they accomplished two things. They ended a two game losing streak for both this season and the series of games with Fleming, while they also assured themselves of the best season since the school split to make Patrick Henry. What was the win? Well, if you have failed to guess it was the 14 to 13 defeat of the William Fleming Colonels.

The score at the half was a tie with both schools having 7 points. The last time the Magicians had defeated the colonels the score was also tied but at that time the score was a 13 to 13 deadlock.

The Colonels had the ball and planned to bomb the Jefferson secondary with flying pigskin. Mike Shank put an end to this when he intercepted Greg Gendron's first down pass. There it was 1:11 left in the game. Fleming's two game winning streak was ended.

Gary Thompson drives around left end as Magician Frank Creasy throws a decisive block against a Cave Spring on-comer.

Jefferson 7**Graham 28**

Fumbles and pass interceptions continued to plague the Jefferson Magicians as they traveled to Bluefield to play the G-men of Graham High School. They returned to Roanoke on the short end of a 28 to 7 score.

The Magicians lone score came with 4:04 left in the game. They started on their own 22 and moved 78 yards in 9 plays for the touchdown. The tally came on a 9 yard pass from Mike Andrews to Richard McGeorge.

Although there were few bright spots in the game, David Stanley turned in a very good performance in his second offensive appearance of the season. He caught four passes for 49 yards and carried the ball three times for 22 yards.

As Frank Creasy cross the line of scrimmage for a sizeable gain a swarm of Andrew Lewis players attempt to bring him down.

Tommy Long shot over the outstretched hands of Ronnie Thrasher of William Byrd as Joe Smith, Jefferson, and Sherman Chisom, William Byrd teammate, await the outcome.

Richard McGeorge, Barry Edwards and Joe Smith go up for the rebound against Roger Holtman and Mel Kanode of Andrew Lewis.

Richard McGeorge, the Western District's leading scorer, goes in for a layup as Hal Johnston and Sam Weddle of Andrew Lewis and Mike Andrews, Jefferson, follow up this play.

We can be proud of the outstanding record our Jefferson basketball team achieved this year.

With Mr. Joe Byrd as coach and under the leadership of captain Richard McGeorge, the basketball season was one to be long remembered.

With four returning lettermen to provide the nucleus of a starting team, there was no difficulty in finding the additional men needed.

Mike Andrews and David Stanley were pleasant surprises as they did an outstanding job at guard positions.

Richard McGeorge was chosen for first string on the All-Western District and City-County teams. Tommy Long was chosen for second string honors in the Western District and third team City-County.

Won 7, Lost 6

The crowd watched as Mike Lester of Jefferson worked on the pin of his opponent from William Fleming.

Our Varsity J Club, an organization composed of outstanding athletes who have earned their letters and J club jackets, promoted strong school spirit.

The club's main money raising activities this year were sponsoring a dance and the selling of chances for a football jersey which was given as a door prize at the dance. Another important project of the club was the award given to a teacher and a student who contributed most to school spirit during the year.

The club advisor for this year was Mr. James Hambrick.
