This record indicates that Susan (Campbell) (Marker) (Hipp) Wilson was born in April 1862 and that Charles A. Hipp was born in September 1861. Although her birth was listed as in 1862, the listing of her birth in April may indicate that Susan was simply shaving some years off her age. The listing of them as married for 13 years is inconsistent with the marriage record and may reflect the date of Charles A. Hipp's first marriage, which the census taker assumed applied to his current marriage to Susan. The places of birth of the children as in South Carolina makes clear that they were from a prior marriage of Charles A. Hipp.

This record indicates that Thomas Jefferson Moore was born in about 1831 and that his second wife Anna Elizabeth (Lochlin) Moore was born in about 1841. Although the children were listed as born in Tennessee, this was indicated by way of ditto marks and the census taker apparently failed to list Texas as the place of birth of the first child and then incorrectly used ditto marks underneath the mother's place of birth of Tennessee.

The 1880 Census for Lee County, Texas, listed T. J. Moore with the following household on June 22, 1880:

Texas, Death Index, 1903-2000, available from Ancestry.com, listed the death of Emma Moore Griffith on November 18, 1912, in Milam County, Texas:

"Name:	Mrs. Emma Moore Griffith
Death Date:	18 Nov 1912
Death County:	Milam
Certificate:	26008"

Findagrave.com listed the gravestone of Emma Etta Moore Griffith in the Pleasant Hill Cemetery, Milam County, Texas:

"Emma Etta Moore Griffith

Birth	27 Sep 1858
Death	18 Nov 1912 (aged 54)
Burial	Pleasant Hill Cemetery Milam County, Texas, USA
Memorial ID	136838738 · View Source"

However, no photograph of the gravestone was provided.

The inconsistencies in the date of birth of Emma Etta (Moore) Griffith create an uncertainty about the identity of her mother. If the date of birth from the 1880 Census and the gravestone are correct, then Emma Etta would have been the first child of Mary Jane (Montgomery) Moore and Thomas Jefferson Moore. But if the date of birth from the 1870, 1900, and 1910 Censuses and the death certificate are correct, then Emma Etta would have been born after the death of Mary Jane (Montgomery) Moore in October 1859 and would have been the daughter of Thomas Jefferson Moore's second wife Anna Elizabeth (Lochlin) Moore, as set forth in the death record. In addition, although the 1870 and 1880 Census records listed Emma Etta as a daughter of Thomas Jefferson Moore, she may have been a daughter of Anna Elizabeth (Lochlin) Moore by a prior marriage or relationship and, therefore, was a step-daughter rather than a biological daughter.

Further research will be required to confirm or deny the identification of Emma Etta (Moore) Griffith as a daughter of Mary Jane (Montgomery) Moore.

ii. George L. Moore

George L. Moore was a son of Mary Jane (Montgomery) Moore and Thomas Jefferson Moore. (1825 Achilles¹, Mary², Matilda V.³, Mary Jane⁴)

The 1860 Census for Coryell County, Texas, listed Jefferson Moore and George L. Moore in the Jonathan L. Montgomery household on July 24, 1860, and George L. Moore's age as 1 and born in Texas, indicating a date of birth in about 1859.

The 1870 Census for Burleson County, Texas, listed Thomas J. Moore with the following household on September 16, 1870, and his age as 11 and born in Texas, indicating a date of birth in about 1859.

George L. Moore has not as yet been located in the 1880 or 1900 Census.

b. Eliza Ann "Caly" (Montgomery) (Harcrow) Freeman, Her Husbands J. C. Harcrow And Harrison B. Freeman, And Her Descendants

Eliza Ann (Montgomery) (Harcrow) Freeman was a daughter of Matilda V. (Campbell) Montgomery and John L. Montgomery. (1825 Achilles¹, Mary², Matilda V.³)

As set forth below, Eliza Ann (Montgomery) (Harcrow) Freeman's second husband was Harrison B. Freeman. U.S. Compiled Military Service Records for American Volunteer Soldiers, Mexican War, 1845-1848, available from Ancestry.com, listed Harrison Freeman as a Private in the Second Infantry Regiment on June 18, 1846, in the Mexican American War:

"Name:	Harrison Freeman
Enlistment Place:	Hamilton Co Tenn
Service Date:	18 Jun 1846
Residence Place:	Tennessee, USA
Rank:	Private
Unit:	Second Infantry"

The 1850 Census for Henderson County, Texas, listed Elizia Ann Montgomery in the John L. Montgomery household on September 3, 1850, and her age as 8 and born in Missouri, indicating a date of birth in about 1842.

The 1850 Census listed two John Harcrows, one in the James Harcrow

household in Randolph County, Alabama, on December 17, 1850, age 13 and born in Alabama, and the second in the Mary Harcrow household in Randolph County, Alabama, on October 16, 1850, age 16 and born in Georgia. The first John Harcrow was probably 1892 John Calvin Harcrow of Harrison County, Texas, who married Martha Emma Walton in 1864 in Harrison County, Texas. The second John Harcrow was possibly the J. C. Harcrow who married Eliza Ann Montgomery in 1861 in Coryell County, Texas, but further research will be required to confirm this identification.

The 1850 Census for Harrison County, Texas, listed H. B. Freeman with the following household on October 5, 1850:

The inconsistency between these two records regarding the surname of the husband and the date of marriage indicate that the handwriting of the original record was probably difficult to decipher and the surname should be read as Harcrow.

Montgomery, thereby identifying Caly Harcrow of this record as the daughter of Matilda V. (Campbell) Montgomery and John L. Montgomery who was born in 1842 and the Eliza Ann Montgomery who married J. C. Harcrow and thus as Eliza Ann (Montgomery) (Harcrow) Freeman.

The Nut Grower, Volume III, Number 1, August 1904, available at Google Books, included the following report on the Post Pecan:

"Post Pecan.

The original tree of the Post Pecan is a wild seedling on the farm of Mr. H. B. Freeman, on the Colorado river bottom, in San saba county, Tex., near Milburn, McCulloch county. The farm was formerly owned by a Mr. Post, by whose name the variety was locally known prior to 1891, when Mr. Herbert Post, of Fort Worth, Tex., began purchasing the crop and advertising it and other pecans widely under the trade name "Post's Select." Little effort appears to have been made to perpetuate the variety by grafting until a comparatively recent date.

When examined by the writer in November, 1903, the original tree was in fairly thrifty condition, and had a circumference of 9 feet 8 inches at 18 inches from the ground. Its crop has varied from 1 ½ to 11 bushels per annum in recent years.

Nancy Letha (Campbell) (Hunt) Adams was a daughter of Mary (Wright) Campbell and Tandy Campbell. (1825 Achilles¹, Mary²)

The Doak & Doak Family Tree, compiled by drumwinds2 and available from Ancestry.com, included a copy of the Family Bible of Alexander Aikin Doak which provided as follows:

In her letter dated February 12, 2018, Phyllis Pengilly enclosed a copy of a nomination dated December 14, 1845, by some of the heirs of Tandy Campbell of Charles T. Ustick to act as administrator of the estate of Tandy Campbell and which listed John B. Hunt as one of those heirs:

"To the honorable County Court of Lafayette County or Clerk in vacation, the undersigned Widow & heirs & legal representatives of Tandy Campbell, deceased, who are by law entitled to preference to administer on the estate of the said deceased, do hereby renounce our preference to administer on said estate and request the Court or Clerk to grant letters of Administration to C. In her letter dated February 12, 2018, Phyllis Pengilly enclosed a copy of an application dated January 2, 1846, by Charles T. Ustick to act as administrator of the estate of Tandy Campbell and which listed Nancy Hunt as one of the heirs of Tandy

Campbell:

"Charles T. Ustick applicant for letters of administration on the estate of Tandy Campbell deceased makes oath and States to the best of his knowledge and belief that the names of the heirs of said deceased and places of residence are as follows to wit - Mary Campbell Widdow Jefferson Campbell Susan(?) Hall James R Campbell Wilson Campbell of Lafayette county Peter Campbell Nancy Hunt Maryann Doke of Johnston County & Nicolas Campbell of Benton County Matilda Montgomery Resadance unknown that said deceased died without a will that he will make a perfect inventory of and faithfully administer all the estate of said deceased and pay the debts as far as the assets will extend and the law direct and account for and pay all assets which shall come to his possession or knowledge

Charles T Ustick

Subscribed and sworn to before me the undersigned clerk of Lafayette County Court January 2d 1846

William Spratt Clerk"

In the document the name Nancy appears to be written over the name John and as in the case of Susan Hall, the scrivener may have written the name John B. Hunt as the heir and then realized that he was the husband of Nancy Hunt who was the heir and corrected the listing by writing Nancy over the name John.

"WILLIAM ADAMS, farmer, section 6, is the only child of John and Margaret (Durr) Adams, the former a native of Kentucky and the latter a Virginian by birth. William was born in Mercer County, Kentucky, January 4, 1817. He was there brought up by his grandfather, Durr, on a farm and has followed the same occupation during life. In 1842 he came to Cass County, Missouri, and here has since resided, except for a short time during the war, when, on account of Order No. 11, he went to Johnson County, Missouri. His landed estate contains 233 acres, which will compare in improvements with any of the township. Mr. Adams was married in September, 1840, to Miss Elizabeth Black, a native of Kentucky, who died in 1866. They had fourteen children, ten of whom are living Margaret C, John H., A. M., Laura B., Ellen A., William T., James A., Sarah V., Mary A. and Robert. April 7, 1867. Mr. A. was married to his second wife, Mrs. Nancy L. a. Mary Ann (Hunt) Woollard, Her Husband Isaac James Woollard, And Her Descendants

Mary Ann (Hunt) Woollard was a daughter of Nancy Letha (Campbell) Hunt and John B. Hunt. (1825 Achilles¹, Mary², Nancy Letha³)

The 1850 Census for Johnson County, Missouri, listed Mary A. Hunt in the John D. Hunt household on October 19, 1850, and her age as 7 and born in Missouri, indicating a date of birth in about 1843.

The 1857 Kansas State Census listed Isaac Wollard in Lykins County, Kansas, in March 1857 with two males and five females in his household. Isaac James Woollard was probably the second male listed in that household, since he was too young in 1857 to have his own household.

The 1859 Kansas State Census listed Isaac Wollard in Lykins County, Kansas, in 1859 with two males and three females in his household, three of whom were minors, and his settlement in Kansas in March 1855. Isaac James Woollard was probably the second male listed in that household, since he was still a minor in 1859 and too young to have his own household.

The 1860 Census for Cass County, Missouri, listed Mary Ann Hunt in the John B. Hunt household on June 6, 1860, and her age as 16 and born in Missouri, indicating a date of birth in about 1844.

The 1860 Census for Lykins County, Kansas Territory, listed Isaac J. Woollard in the Isaiel Woollard household in 1860, his age as 16 and born in Missouri, and his occupation as laborer.

First, the address is the same as that listed for Isaac James Woollard in his obituary set forth below. Second, his wife is correctly listed as Sarah. And third, the length of their marriage is listed as 7 years and they were married late 1902. This record indicates that Isaac James Woollard was born in about 1845.

Newspapers.com listed the following obituary for I. J. Woolard dated August 10, 1916, from The Olathe Mirror, Olathe, Kansas:

"Death of I. J. Woolard.

In our last issue we made mention of the death of Mr. I. J. Woolard of Olathe, but as it was so near press time, we were unable to get a suitable obituary.

Mr. Woolard's death occurred at 6:30, July 31, the funeral service being held at the residence, 519 N. Chesnut street at 5:00 o'clock Wednesday afternoon, the service being conducted by Rev. Culpepper. At the cemetery, service was in charge of the G. A. R.

Mr. Woolard was born in Harrisonville, Mo., Feb. 11, 1844, and moved with his parents to Shelby Co., Ill., in the fall of 1853. From there he went to Miami Co. in the spring of '54 and on the 29th day of July 1863 enlisted in Company C, 15th Kansas Calvary, where he did valiant service until the close of the war.

In 1869 he moved back to Mo., where he made his home until 1884, when he moved to Olathe. In 1896 the family moved to Bentonville, Ark., moving back to Olathe after living there two years, and Olathe has been his home ever since.

He was united in marriage to Mary Ann Hunt in Feb. 22, 1863 and to this union were born 6 children, 3 of whom survive, namely, Isaac C. of Olathe, Wm of Los Angeles and Ida May of East Lynn, Mo.

In Feb. 21, 1884, he was united in marriage to Martha Smith and to this union 3 children were born, 2 of whom survive, Mrs. Margaret Cunningham of Olathe, Mrs. Laura La Rock of Los Angeles.

He was married to Sarah Fore, December 7, 1902, her death occurring December 21, 1913. He is also survived by 4 grandchildren.

Olathe will miss Mr. Woolard, who tho' totally blind, has been a familiar figure on our streets for many years, as he was guided about by some member of the family. The past few months his health has been so he could not get up town. His eye sight was lost during the Civil War, but this in no way affected his cheery disposition. He was able to recognize his close friends and often those whom he met only occasionally by their voice and never was he known to complain of his afflictions. Mr. Woolard was a man of his work, which was just as good as a bond. He was essentially a good citizen."

Findagrave.com listed the gravestone of Isaac J. Wollard in the Olathe Memorial Cemetery, Olathe, Johnson County, Kansas:

In her letter dated June 24, 2002, Phyllis Pengilly enclosed family group sheets which stated that Mary A. Hunt was a daughter of Nancy Letha (Campbell) Hunt and John B. Hunt and was born in about 1843.

This record indicates that Matilda Cansada (Hunt) Wall was born in about 1846.

Newspapers.com listed the following news article regarding Matildia C. (Hunt) Wall dated February 14, 1935, in The Clinton Eye, Clinton, Missouri:

"Mrs. Wall 89

"Aunt Can" Wall, north of Blairstown, celebrated her eighty-ninth birthday last Friday. The celebration was quiet because Mrs. Wall has been ill the past few weeks. Her children and several neighbors called to wish her happy returns of the day and that she would soon regain her usual goodhealth.

Her maiden name was Matildia C. Hunt, and she was born in Johnson County, Mo., February 8, 1846, the daughter of John B. and Nancy L. Hunt. Her home has been in Johnson and Cass Counties, and she now lives just across the line in Johnson County.

Mrs. Wall attended Rose Hill school. It was an old log building with home made seats, but the education she received was good. She has continued learning since her school days by reading and studying. Her favorite book is the Bible, and she also reads the daily newspapers and magazines.

Pioneer life in Missouri was often a thrilling experience. In the time of the Civil War, Mrs. Wall's family was driven from their home in Cass County and everything was taken from them. They found refuge in Johnson County.

December 20, 1864, Matildia C. Hunt and Adrian M. Wall were united in marriage and they began their married life in Johnson County on a farm north of Blairstown. That first home of theirs was a one-room log house where they spent their first year. Next year they had a larger and more comfortable log cabin where they lived several years. The third home Mr. Wall built seemed a mansion with its four large rooms. Mr. Wall was an inveterate hunter and brought home much wild game from this hunting trips which provided meat for the table. Mrs. Wall vividly recalls seeing herds of deer as she stood in the doorway of their primitive home.

Despite privations and hardships of pioneer life, Mrs. Wall remembers those early days as the happiest of her life.

Mr. and Mrs. Wall had ten children to bless their union. Mr. Wall and three children have preceded Mrs. Wall to that happier land, Mr. Wall going December 30, 1902. The children who are living today are John R., Oliver W., Robert A. Wall and Mrs. Maude J. Atkins of Blairstown; Addison M. Wall on a farm north of Blairstown; and Rufus and Ben Wall at home with their mother.

There are five living generations today who are descendants of Mrs. Wall. She has 13 grandchildren, 10 great grandchildren and a great great grandson.

Mrs. Wall is a real home-maker, loving the simple duties and responsibilities of rearing her babies to sturdy maturity and of making a home for her husband. She pieces quilts and does lovely knitting and crocheting. However, strong as her home ties have been, Mrs. Wall has always enjoyed visiting her friends and children. Her jolly good nature makes her welcome in every home she visits, for a chat with Aunt Can is always a sure tonic for the prevention or cure of an attack of "blues." She has enjoyed fine health until this present illness came.

Mrs. Wall belongs to the Presbyterian church at Blairstown and is a sincere Christian worker, putting the love and hopefulness that is prompted by Christianity into her daily life.

Because she lacks only a year of being 90 has not kept her from keeping step with the world. She considers modern methods of transportation, including airplanes, are a great improvement over the old ways of traveling. Modern entertainments, although quite different from the olden days, are all right in her estimation, and having seen both the old and the new, she should be a capable judge. Young people of today are all right and she believes the way they dress is sensible."

Newspapers.com listed the obituary of Matildia C. (Hunt) Wall dated February 21, 1935, in The Clinton Eye, Clinton, Missouri:

"MRS. ADRIAN M. WALL DEAD

The soul of "Aunt Can" Wall, Johnson County Pioneer whose home was north of Blairstown, entered eternity Sunday night after Mrs. Wall was ill for several weeks. February 8, Mrs. Wall passed her 89th milestone, but the celebration in honor of the event was quiet for she was ill and unable to participate in any merrymaking.

Matildia C. Hunt, daughter of John B. and Nancy L. Hunt, was born in Johnson Country, February 8, 1846. During the Civil War the family fled from their home in Cass County when everything was taken from them and Johnson County became their home. She was married to Adrian M. Wall, December 20, 1864. Their married life was spent on the farm north of Blairstown.

Mrs. Wall was a true pioneer, raising her family in the midst of privations and hardships common to pioneer life, but meeting each duty bravely and looking always to the future of her children. Her tales of pioneering were told to her children, then passed on to her grandchildren and other descendants, just as she gave them hardiness of body and moral stamina. She was fun-loving and happy, always ready to lend her assistance in any trouble and ever cheerful and

contented. Until her last illness, she was active and busied her fingers with handiwork – sewing, crocheting, and knitting.

She was a member of the Blirstown Presbyterian church and took an active part in the church work. Her loved ones mourn her passing, but realize that in their loss she is now happy in her reunion with her loved ones and the meeting of her Savior.

Her husband preceded her in death in 1902, and three children are also dead. The seven living ones are John R., Oliver W., Robert A. Wall and Mrs. Maude J. Atkins of Blirstown; Addison M. Wall, north of Blirstown, and Rufus and Ben Wall at home. There are also 13 grandchildren, 10 great grandchildren and a great great grandson.

Funeral services were held at the Presbyterian church in Blirstown Tuesday afternoon. Rev. S. G. McCluney, former pastor of the church, but now of Knob Noster, conducted the service. Burial was in the Wall family cemetery north of Blirstown."

Obituaries, Henry County, Missouri, available from Henry County, Missouri, GenWeb, listed the following obituary for John Richard Wall, no date or newspaper listed:

"WALL, John Richard
1867-1938

Henry Co, MO - Henry County lost one of its most prominent stock men and respected citizens at 8:10 a.m. Tuesday, July 19, when John R. Wall of Blairstown closed his eyes on mortal scenes to wake on shores eternal. A heart condition and complications had kept him bedfast six months, though since last fall his health and been steadily growing worse. The last of the week his nephew, Edgar Atkins, took him to St Joseph's hospital in Boonville, where the doctors, realizing they could not benefit him, said he would be happier at home. He returned in an ambulance about 8:00 p.m. Monday. He talked along the way and was entirely conscious, but when he got in his own bed he seemed to let slip the barriers and death drew near. A few days before his brother, Ol, said he thought he would go outside to cut some weeds, but J. R. (Bud) replied, "Let someone else do that, it's about over for me." John Richard Wall was born August 10, 1867, the son of Adrian M. and Matilda Consada Hunt Wall, pioneers of Johnson County who gave to the new west a pride of lineage and splendid character that they passed on to succeeding generations, making them respected and worthy citizens. The old Wall homestead, 2 miles north of Blairstown, and the original house that became a landmark in 1839, is now gone, and in the Wall cemetery nearby rest those first settlers by whom another son will be placed today. The Wall family have made some of Henry and Johnson Counties' finest traditions and brought to Missouri a pure southern family. Dr. R. Z. R. Wall of North Carolina, grandfather of the late J. R. Wall, and founder of a real Missouri dynasty, came here in 1839 with a wagon caravan of 700 family connections and slaves, following a kinsman who came to Missouri in 1837. They settled in Johnson and Henry Counties. Dr. Wall was a young physician and entered several thousand acres of land between Bear Creek in South Johnson and north Henry County, buying more at 25 cents an acre, until his holds reached some 7000 or 8000 acres. Dr. Wall was for many years the only physician in the county and was called on long trips to surrounding farms where illness sometimes kept him for days, or other sick people in the neighborhood required his attention. He took an old blanket across his sturdy pony with his medicines and instruments and when dark overtook him, would get off, build a fire, and make his bed for the night. Dr. Wall, grandfather of John R. (Bud) Wall, was a typical Southerner and in his children to the third generation, linger the traditions that were engendered by those early days. The "quarters" were north of the old house and the children would often slip away from family prayers, lured by the strumming banjos, the natural melodious voices and shuffling feet of the darkies in the evening, where, by moonlight or a sooty cabin lantern, they relaxed after a long day's work in the field or at the "big house." The war brought its changes, but for years many of the faithful blacks lingered in the community, staying with some of the children or following freedom's paths to different lines. Of the 13 children of Dr. and Mrs. Wall, 10 were reared to manhood and womanhood, to marry and in turn have large families of their own, an average of 9 each. To every son and daughter at marriage, Dr. Wall gave 500 acres of land, a few slaves and some household equipment. Thus, his family grew about him and the strength of the family ties not lessening by growing with the years. They helped build the old Sardis church, south of Leeton, and have always stood

in the county for things cultural, religious, good and democratic. Three of the Wall sons, Edgar H., deceased, in 1939; O. W. and John R. came to Henry County on the north side of Blairstown in 1908 to the large house where they "batched" finding in their busy, full lives interesting and absorbing occupation – land owners, successful business men, stockmen, known over his and adjoining counties. The gentle touch of a woman's hand and love was given them by their sister, Mrs. Maude Atkins, who lives in an attractive home just across the road and where they enjoyed all their meals. They were especially congenial, their interests mutual, their business the same. Everything was a partnership, even to their pocket change. This close fraternal triumvirate was first broken when death called Edgar to his long rest eight years ago, strengthening the bonds of perfect brotherhood between Ben and Ol, as they were called by those who know them best. Prominent stockmen, with mule buying, their chief interest, they bought and sold together, O. W. making most of the deals and John R. making final arrangements. They were less active in their mule buying however, after the loss of the youngest brother, their sorrow adding to accruing years. John R. (Bud) was vice-president of the Farmers Bank of Blairstown where he had been a stockholder and director for 27 years and was a loyal Democrat. He united with the Blairstown Presbyterian church in 1894 during the ministry of Rev. Z. T. Orr. His life was consistently one of honor, integrity, and sunshine. He recognized the good in his fellowmen, taking little note of human failings. He was Past Master of the Masonic Lodge No. 557, of which he was treasurer at his death. His protracted illness had kept him from his usual activities for the last 6 months, and though his accustomed seat in the church and his chair in the Lodge had been vacant, his interest in these affairs never waned. He was a conservative, solid businessman of sound judgment that was honestly given to others and shrewdly directed his personal dealings. He was the sturdy type of early Missourian, hospitable and friendly – an interesting talker and visitor, who was always glad to see his friends and always had time for them. In his passing, Blairstown loses one of its most solid citizens, the man whose like is seldom found in duplicate, and who is deeply mourned. Surviving Mr. Wall are his sisters and brothers, O. W., Robert of Blairstown; and Addison M. of north of Blairstown; Rufus and Ben of the home place in Johnson County. The funeral services will be today (Thursday) at the Blairstown Presbyterian Church."

Newspapers.com listed the following obituary for Robert Adrian Wall dated September 23, 1954, in The Clinton Eye, Clinton, Missouri:

"Robert Wall Dies Of Heart Attack

Lifelong Resident of Blairstown Community Was Fine Stockman and Farmer - Services Were at Presbyterian Church

Blairstown lost another of its outstanding citizens this week when Bob Wall, as he was familiarly known to friends and neighbors as well as his family, succumbed to a heart attack, suffered about 6:30 Monday morning, Sept. 20, at Delmar where he had gone for some horses he had bought over the week-end. Glen Newman drove him to Delmar where they met Mr. Zehnder from whom the horses had been bought. When the attack came on, Mr. Newman brought Mr. Wall to Clinton as fast as he could travel, but death claimed him before they arrived at the hospital.

Mr. Wall had always enjoyed exceptional health until a heart condition developed a year ago last March when he spent some time in the Clinton Hospital. After

improving he returned home, refusing to pamper himself, as he said, and insisted on following his regular routine as much as possible. Never happier than when he was about the affairs of his land and livestock, his family accepted his determination to follow his accustomed patterns, and even when the end came, while so doing, they knew that it was better for him that he had done so.

Robert Adrian Wall was born Jan. 18, 1878, the son of Adrian Marcellus and Matilda C. Wall, at the old home place, as it is called, 2½ miles north of Blairstown. There he was reared, attended the old Lively and Carrington Schools, and was brought up in the Presbyterian Church at Blairstown, next door to which he lived many years after moving to town.

Oct. 2, 1901, Miss Anna Lida Davis became his wife, a lovely, charming woman who graced his home through happy years together. Four children were given to them, three sons and a daughter, but only the daughter, Lillian, Mrs. Everett Giltner of St. Joseph, and the son, John, survive with their bereaved mother. The two youngest boys died in childhood, Robert in 1908 and Roy William in 1917. One grandson, John Robert Giltner, a sister, Maude J. Atkins of Blairstown and a brother Rufus Wall of Deepwater, also survive.

Known as a fine person who exemplified all the manly virtues, Mr. Wall was many years an active Mason, a lifelong active Democrat, and a devoted member of the church. He believed in community service and neighborly kindness to bring the greatest satisfaction life offered. A stalwart, firm character, he lived fully, feeling that he followed his destined plan.

Funeral services were held Wednesday afternoon at the Blairstown Presbyterian Church, Rev. Clyde Miller, pastor, in charge. The choir sang "Rock of Ages" and "The Old Rugged Cross," and Mrs. Edgar Atkins, sang "Going Down the Valley." Mrs. Fred Tubbesing was at the piano. Burial was in the Wall Cemetery beside his distinguished forebears. Pallbearers were Dan Gilliam, Bunt Roberts, Glen Newman, H. C. Whitaker, F. D. McIntire and Bunney Fox of Urich."

Newspapers.com listed the following obituary for Anna Lida (Davis) Wall dated August 12, 1958, in The Clinton Eye, Clinton, Missouri:

"Mrs. Robert Wall Service Today

Mrs. Robert Wall, prominent and well known resident of Blairstown, died unexpectedly on Sunday, Aug. 10, while en route to the hospital at Holden, Mo., where her son, John Wall, was taking her after she became ill that morning at 6:30.

Mrs. Wall had planned to leave that day with Mr. and Mrs. John Wall for St. Joseph, Mo., for a visit with her daughter Mrs. Everett Giltner and Mr. Giltner.

Funeral services will be held at 2:00 p.m. Tuesday, Aug. 12, at the Blairstown Presbyterian Church, with the Rev. William Walter, pastor, officiating. The church choir will sing "Rock of Ages" and "The Old Rugged Cross" and Mrs. Jens Kirkegaard, soloist, "Going Down the Valley," accompanied by Mrs. Edgar Atkins.

Pallbearers will be Don Walker, Clinton, James Fox, Urich, H. Don Cochran, Homer Wall, Ronald Atkins and Virgil Lowrey, Blairstown. Interment will be in the Wall Cemetery at Blairstown by the side of her husband, under the direction of Cook Funeral Service of Chilhowee.

Anna Lida Davis was born Apr. 15, 1881, at Blairstown, Mo., the daughter of Daniel and Margaret Hill Davis. On Oct. 2, 1901, she married Robert Adrian Wall. this union was blessed with four children, two of whom, Eugene and Roy,

preceded her in death. As did her husband in September of 1954.

As a small child she united with the United Brethren Church, the building for which had been erected on her father's farm.

With her husband, she later united with the Blairstown Presbyterian Church of which she remained a most faithful and loyal member. Through the years she continued to live at Blairstown which they had chosen for their home at the time of their marriage.

Mrs. Wall is remembered for her sunny, cheerful disposition, for her deep interest in community and current affairs, and for her genuine concern for her fellow-man.

Devoted to her family and home, she was especially happy with her children and her only grandson, John Giltner.

A studious person and an avid reader of the Bible, she was never happier than when discussing the Holy Word with her friends and callers.

She leaves her daughter, Mrs. Everett (Lillian) Giltner and husband, St. Joseph; the son and wife, Mr. and Mrs. John Wall, Blairstown; the grandson, John Giltner; a sister, Mrs. Bertah Jackson, Holden, Mo.; a brother, Aps Davis, Temple City, Calif.; other relatives and many close friends."

"- Apr 26 1949 - Capsized Boat Fatal to Ben F. Wall - Benjamin F. Wall, 63 years old, a farmer living north of Blairstown drowned about 11:30 Tuesday night April 26 when a boat containing himself and two stepsons overturned on Big Creek. The accident occurred near the village of Marine in Henry County. The body was recovered about noon Wednesday within 100 feet of the scene of the accident. Mr. Wall accompanied by his stepsons Ike and Eddy Simpson and a neighbor Guy Wilcockson all of Blairstown were returning from a fishing trip. Mr. Wilcockson had tied the boat to a tree and stepped back when the boat overturned, throwing the three occupants into the water which was estimated to be 15 feet deep. While Mr. Wall was said to be a good swimmer, the current was very strong. Eddy dived into the water twice, obtained a hold on his stepfather but was unable to pull him to the shore because of the swift current. A rise of three feet in the creek hampered dragging operations which began about 3 o'clock Wednesday morning under the direction of John A. Rick of the state highway patrol. A large group assisted in the operation to recover the body. Funeral services will be held Friday afternoon at the Blairstown Presbyterian Church. Burial will be in the Wall cemetery near Blairstown. Mr. Wall was born and reared in the Blairstown community. In addition to his two stepsons he leaves his wife, another stepson, Kenneth Simpson of Garden City Kans., a sister, Mrs. Maude J. Atkins and three brothers, Rufus, O.W., and Robert Wall all of Blairstown."

Newspapers.com listed the following news article regarding the death of Benjamin F. Wall dated April 28, 1949, in The Clinton Eye, Clinton, Missouri:

"Farmer Drowns While Fishing

Lifeless Body of Benjamin F. Wall Recovered Wednesday Noon - Boat Capsized Causing Tragedy.

The body of Benjamin F. Wall, 63, prominent farmer of north of Blairstown, who drowned at 11:30 Tuesday night when the boat in which he was fishing overturned in Bi Creek, one mile south of Maurine, was recovered Wednesday noon about 100 feet east of the scene of tragedy. Cecil Wisdom and Walter Willcockson discovered the body, which was caught in a snag and was brought to the surface with grappling hooks. A hundred neighbors aided in the search.

Dragging of the creek began at 3:00 a.m., with R. M. Eberting, sheriff, Robert Stone, deputy, and John Rick, highway patrolman, aiding in the search until after daylight when the hunt was continued with three boats and the neighbors.

Guy Willcockson, Mr. Wall and stepsons, Ike and Eddie Simpson, had all been in the boat and had just returned from fishing. Willcockson had stepped to the bank to fasten the chain to a tree when Mr. Wall stood up in the boat to step ashore, causing it to capsize. All three were good swimmers and Eddie made two attempts in an effort to rescue his stepfather. Although he caught hold of

him both times, the swift current of the fast-rising creek prevented the rescue.

The tragedy was reported to Mr. Rick and Mr. Eberting at 1:00 a. m., by the rest of the party, who had to travel seven miles in their car to reach the nearest telephone which was at Norris.

Due to the deep mud in that area, the body was taken by wagon to Maurine, where it was transferred to a truck which took it to Norris, and where Dr. G. S. Walker, acting as coroner, pronounced death to have resulted from accidental causes. No inquest was held. The body was taken to a Chilhowee funeral home.

The water was 14 feet deep in the region where the boat capsized and between 10 and 14 feet at the place where the boat capsized and between 10 and 14 feet at the place where the body was recovered. The creek had risen about three feet during the dragging attempt.

Left to mourn his passing re his wife and the following step-children: Miss Wanda Simpson, Mrs. Russell Kerr, Warrensburg; Mrs. Jimmy Runner, West Riverside, Calif.; Kenneth Simpson, Garden City, and Eddie and Ike, aforementioned, of and near the home; also a sister, Mrs. Maude Atkins, Blairstown; brothers, O. W., R. A., and A. M. Wall, Blairstown; and Rufus Wall, of the home. He was an uncle of John Wall.

No funeral arrangements had been made at press time."

Newspapers.com listed the following obituary for Helen Loretta Hindman on January 28, 1954, in The Clinton Eye, Clinton, Missouri:

"Mrs. Helen Hindman, 92, Dies at Blairstown

Helen Loretta Hindman, daughter of Benjamin J. and Eliza Girdner Farnsworth, was born Jan. 5, 1862, and died suddenly at the home of her son, Roy F. Hunter, Blairstown, Mo., Jan. 29, 1954. The circumstances of her death are as she would have wished.

She was first married to Samuel Wilson Hunt and to this union were born three children. Mr. Hunt died in 1887. Later she was joined in marriage to John F. Hunter, to which union were born two children. In 1908, she became the wife of Andrew J. Hindman, who died in 1915.

At an early age she professed Christ as her personal Saviour, and became a member of the Christian Church at Blairstown, Mo., later transferring her membership to the Christian Church at Quick City, Mo., where she was as long as her health permitted, in active service. In later years, although unable to participate, she had a genuine concern for the welfare of the church, and shared in its fellowship.

She experienced the progress of almost a century, and to the last retained a keen interest in every phase of life. In spite of her frailty because of advanced years, she enjoyed all the activities of her family and friends and required little assistance in her own home, or from those in whose home she lived. She was an inspiration to those who met her, and to many was intimately known as "Aunt Helen." Her memory will be cherished by her family, relatives and friends.

Surviving are: One sister, Mrs. Georgia Davidson, Richland, Wash.; four children, Mrs. Pearl Hands, Bozeman, Mont., Mrs. DeWitt Hughes, Nell Hunter and Roy F. Hunter, all of Blairstown, Mo.; eight grandchildren, 14 great-grandchildren, many near relatives and warm friends. One son, Clarence Wilson Hunt, preceded her in death. Her loved ones will miss her smile, the words of encouragement, the hand clasp, but there remain memories to encourage and

uplift.

Funeral services were held in the Quick City Christian Church on Friday, Jan. 22, 1954, with burial in the Farnsworth family cemetery near Blairstown, Mo. The services were conducted by Rev. James D. Still, of Lexington, Mo. Mrs. Edgar Atkins, accompanied by Mrs. Fred Tubbesing, sang two songs, "In the Sweet Bye and Bye," and "Goin' Home." Pallbearers were C. W. Yoder, J. R. Atkins, J. R. Wall, J. J. Counts, H. E. Wakeman and K. R. Farnsworth."

Findagrave.com listed the joint gravestone of Helen Loretta Farnsworth and Samuel W. Hunt in the Farnsworth Cemetery, Johnson County, Missouri:

"Helen Loretta Farnsworth Jan. 5, 1862 Jan. 20, 1954	Wife Of	Samuel W. Hunt Oct. 14, 1850 Feb. 16, 1887"
---	---------	--

In her letter dated June 24, 2002, Phyllis Pengilly enclosed family group sheets which stated that Samuel Wilson Hunt was a son of Nancy Letha (Campbell) Hunt and John B. Hunt and was born in about 1850.

From the evidence set forth above and additional evidence set forth below, the children of Samuel Wilson Hunt and Helen Loretta (Farnsworth) (Hunt) (Hunter) Hindman were the following:

- 1) Pearl Alice (Hunt) (Orr) Hanks, born on June 23, 1882, or in about 1883 in Blairstown, Henry County, Missouri,
- 2) Clarence Wilson Hunt, born on June 27, 1884, or in about 1885 in Missouri, and
- 3) Florence Retta (Hunt) Hughes, born on June 2, 1886, or in about 1887 in Missouri.

In their email dated April 3, 2018, Gary and Bobbie Biermann enclosed a copy of
an obituary for Louisa Josephine Hunt Coke, no date or newspaper listed, but which
had been preserved by Gertrude Elizabeth (Gregg) (Peden) (Coke) (Epps) Smith
among family records since 1937 and given to them by a daughter of Eugene K. or Carl
Coke:

"Mrs. L. J. Coke

Mrs. Louisa Josephine Hunt Coke, daughter of John and Nancy Hunt, was born
in Johnson county, Missouri, June 11, 1854 and passed away at her home in
Creighton, March 26, 1937, age 82 years, 9 months and 15 days. She was in
good health for a person of her age. Wednesday evening she ate a hearty
supper and was drying the dishes when she suffered a stroke from which she
never rallied.

She was married to Benoni Coke, October 6, 1870. To this union twelve children
were born, two passed away in infancy. Her husband preceded her in death
June 26, 1908.

In 1910 she moved to Creighton where she spent the remainder of her life. She
united with the Christian church of Creighton in 1921. She was a kind and loving
mother, a good neighbor and will be sadly missed by all.

She leaves to mourn her passing, ten children, 46 grandchildren and 28 great
grandchildren and other relatives and a host of friends. The children are Artie W.
Coke of Yale, Oklahoma; David and Leondas Coke of Marissa, Illinois; Mrs.
Leota May of Knoxville, Illinois; Mrs. Veda Long of Adrian; Mrs. Ethel Stollings of

Clinton; Mrs. Nettie Wise of Dayton; Walter and Hugh Coke of Creighton and John Coke who lived with his mother.

The pall bearers were grandsons, Willie Coke, Paul Coke, Roy Long, Sylven Long, Charles Jones and Carrol Adams. The flower girls were granddaughters Amy Coke, Fay Coke, Maxine Long and Josephine Coke.
. . . ."

In her letter dated June 24, 2002, Phyllis Pengilly enclosed family group sheets which stated that Louisa Josephine Hunt was a daughter of Nancy Letha (Campbell) Hunt and John B. Hunt, was born on June 11, 1854, in Johnson County, Missouri, and died on March 26, 1937, at Creighton, Cass County, Missouri.

From the evidence set forth above and additional evidence set forth below, the children of Louisa Josephine (Hunt) Cocke or Coke and Benoni J. Cocke were the following:

- 1) Arthur "Artie" Wilson Cocke, born on August 20, 1871, or in about 1872 or 1873 in Missouri,
- 2) John Jester Cocke or Coke, born on May 6, 1873, or in about 1874 in Holden, Johnson County, Missouri,
- 3) Hugh L. Cocke or Coke, born on July 30, 1874, or on July 30, 1875, or in about 1876 in Holden, Johnson County, Missouri,
- 4) Nattie May (Cocke) Wise, born on September 6, 1877, or in about 1878 in Creighton, Cass County, Missouri,
- 5) William Walter Cocke or Coke, born in September 1879 or on November 12, 1879, or in about 1880 in St. Clair County, Missouri,
- 6) possibly Mary Alberta Coke, born on May 7, 1881, in Missouri,
- 7) David Phipps Coke, born on March 29, 1884, or in about 1885 in Creighton, Cass County, Missouri,
- 8) Nancy "Nannie" Ethel (Cocke or Coke) (Long) (Land) (Pierce) Stollings, born in about 1885 or on May 8 or 9, 1885, or in about 1887 in Creighton, Cass County, Missouri,
- 9) Leonidus "Lon" Tandy Cocke or Coke, born on July 24, 1888, or in about 1889 in Creighton, Cass County, Missouri, or in Henry County, Missouri,
- 10) Leota E. (Cocke) May, born in June 1890 or in about 1891 or 1892 in

Missouri,

11) Veda Canzada (Cocke) Long, born on March 7, 1894, or in about 1897 or 1898 in Bates County, Missouri, and

12) _____ Cocke, died in infancy.

- i. Arthur "Artie" Wilson Cocke Or Coke, His Wives _____ (Compton) Coke And Lenna May (Tucker) Coke, And His Descendants

Arthur "Artie" Wilson Cocke was a son of Louisa Josephine (Hunt) Cocke or Coke and Benoni J. Cocke. (1825 Achilles¹, Mary², Nancy Letha³, Louisa Josephine⁴)

The 1880 Census for Chilhowee, Johnson County, Missouri, listed Artie W. Cocke in the Benoni Cocke following household on June 9, 1880, and his age as 8 and born in Missouri, which indicates a date of birth in about 1872.

In his email dated March 8, 2018, Gary Biermann stated the following with regard to Arthur Wilson Cocke:

"During the time he [Benoni J. Cocke] operated the store a "traveling wrestler" came through the area offering to fight anyone for prize money. I'm pretty sure this was in the very early 1890's.

Arthur, his oldest son worked in the store and told Benoni that he wanted to challenge this wrestler but old Ben said "NO, you gotta work in the store." They had a big argument over it and Art ended up tied to a post in the store so he could not leave. At some point he was free from the ropes when he gathered his belongings and ran away to Kansas.

.....
Arthur participated in one of the first two Oklahoma Land Runs getting as far as a place that became Quay, Oklahoma where he settled and married Lenna May Tucker in 1901. They raised 8 children and Arthur played a big part in laying out the nearby town of Yale."

The marriage record of Arthur Wilson Cocke or Coke and his first wife has not as yet been located. However, the 1900 Census for Mingo, Bates County, Missouri, listed his first child Beulah Coke in the James L. Compton household on June 8, 1900, her relationship as granddaughter, and her birth in November 1894 in Missouri. This record indicates that the first wife of Arthur Wilson Coke was _____ (Compton) Coke and that they were married before November 1894. The 1880 Census for Bates County,

Missouri, listed James L. Cumpton on June 11, 1880, with four daughters: Izora J., age 18, Martha L., age 15, Mary E., age 12, and Dovey L., age 4. But the 1900 Census for Bates County, Missouri, listed James L. Compton on June 8, 1900, with two daughters: Josie I. Compton, age 38, and Mary E., age 43. These two records indicate that Martha L. Compton may have been the daughter of James L. Compton who was the mother of Beulah D. (Compton) Coke, but further research will be required to confirm this identification.

The 1910 Census for Pawnee County, Oklahoma, listed Wilson A. Coke with the following household on April 15, 1910:

Findagrave.com listed the following letter from D. P. Coke to his daughter Alice M. (Cocke or Coke) Stone dated April 26, 1938:

"4-26-1938

Well will try and add a little to my letter, will give my moving history from my birth until the present day. To begin with I was born on March 29, 1884 on what is or was known as Old French Fulton Place, 4 1/2 miles north and west of Creighton MO, Cass Co. on a farm. Moved from there to Grant, Cass Co., MO, an old inland town about three miles north of Creighton. Here my father run a General Store and from there we moved to Creighton, MO, store building and all, which was the first store in Creighton, MO. This store Dad traded to Renick McCoy for his farm in Henry Co. about 5 miles northeast of Creighton. On this farm is my first rememberence. This farm is now known as the Weymeyer Farm. Here is where my brother Lon Coke was born, July 24, 1888. From this farm we moved back to Creighton, MO in the spring of 1889 to a house known as the Dall Stall Place. Here my father was again engaged Store Business (grocery store). Next

moved to Bates Co. MO in the fall of 1889 or 1890. The place was bought from a man by the name of Wm Stayton, the farm was called by us (the Coke family) as the Peter Creek Farm. We lived on this place until the fall of 1897 then moved to St Clair County MO to a town named Vestas MO. Here my dad again engaged in the mercantile business. Was in Vestas, MO until the fall of 1899. Then moved back to Creighton, MO on a farm 3 miles west of Creighton in a log house. They were two houses on the farm. In the spring of 1900 we moved to the box house on the south 40 acres of this farm. From there we moved back to the north 40 acres, moved house and all. Here is where my father died in 1908 in June. Alice was then about 18 months old. I was married in 1905 on Dec. 26 to Gertie Elizabeth Gregg. Started to keeping house in Creighton, MO in what was known as the old Joe Crawford Place. Not where he lived but a place he owned. From this place we moved to the Green House in the the east part of Creighton, MO in the Jinkin house, from this place we moved to a farm called the Lucy Creighton Farm. Here I worked 23 days and moved back to Creighton in the Green House again. Where we left all the straw that was under the carpet and had to clean it up myself. This is the house where Alice was born in Jan. 20 1907. Then in April of 1907 we moved to Windsor, MO in the Bowen Rowe (Roe). Stayed there 10 days and moved to the Coal Camp of Bowen, MO in String Town up by the Old No. 2 Mine. Lived there a little over 2 years and moved to a 8 acre farm west of Bowen, MO in Johnson Co. Bowen was the county line of Johnson and Henry County. On this farm is where Lucille was born April 9, 1909. We lived there about seven months and moved back to Bowen, MO in a place I bought from Bert Stichrod. This place was in Henry Co. of the "Camp". This is the place where Eugene was born Oct. 23, 1911 and from here we moved back to Johnson County side of the Camp in 1/2 of the Bowen Boarding House, of Joe Welhout (Wilhite) and from there we moved to lola, Kansas in the fall of 1912 or early winter of 1913. I think it was winter of 1913. We lived at 811 Walnut Street in lola, Kansas. This place I bought also. In June 1913 I moved back to Bowen, MO in the Miller (Roe) Row, lived there a month and moved to a farm east of Southerland, MO in Johnson County. Here we lived from the 8th day of July 1913 to the 8th day of February 1914, then we moved to Windsor, MO Feb. 8, 1914. Ora and Lee Jones moved me. It was really cold. We moved in a house rented from Thompson the feed store man. Here is were I raised the half or 3/4 acre of cain I did not get to harvest. From this place we moved to the Wesner place next to the Wesner place next to old man Wesner. Here is where Kenneth was born Sept. 2, 1914. Next we moved just one house south on the corner where we had a barn for the pony I drove to work at Bowen, MO No. 5 Mine. This is the pony I had to kill or did kill accidently. And from this place we moved back to Creighton, MO on July 29, 1915. We went to house keeping in the place we rented from Joe Crawford. This is the year I went to North Dakota to work in the harvest field. From Creighton, MO we moved to Lexington, MO in a house with Fred Robinson on the bluff south of the Missouri River, lived here from Dec. 18, 1915 to some time in March 1916 and then moved to Huntsville, MO (Randolph County) lived in Huntsville about 5 months, lived first next to a Italian store keeper named Jim and his wife was named Mary.

We moved from this house in south Huntsville, MO to a house over by the cemetery in the north west part of town and from there we moved back to Myrie at the foot of Irish town hill. Myrie is a part of Lexington, MO where the rail, the M.O.P. had a branch road which go over to Sedalia, MO. We moved to Myrie in the fall of 1916. Here we lived in a big boarding house again with Fred Robinson and rented the upstairs to a guy named Hanson. And we moved back to Windsor, MO in April 1917. That spring we visit Kansas and I went to my brothers Art Coke at Yale, OK for a while and then came back to Windsor, MO. Then went to Illinois in May 1917 and worked at O'Fallon, IL and Rentsler, IL and came back to Windsor, MO and went back to Lexington, MO to look for work and then went back to Illinois and got a job at the Tin Can Mine at O'Fallon, IL sinking a mine, rented a house in Lebanon, IL, where I and Pete Scott lived together, lived in Lebanon, IL. Just a month and moved to Vinegar Hill farmplace. Just a mile from Lenzburg, IL. Here is where Benoni was born Oct 9th 1919. Lived here from Sept. 24, 1917 to Oct 19, 1919. Old Ed Jones of Marissa, IL moved me from the Vinegar Hill place to Marissa, IL in the old man Charley Steward place just back of the Baptist Church and from that place we moved to Reppel Place next to Old Town Marissa. From this place we moved to a place I bought off of Wm. K Lyons at 320 South Hamilton Ave. in July 1920. Here is where Josephine was born Oct. 21, 1922 and Minnie Lee Oct. 10, 1925. From here we moved to Taylorville, IL. All on L. E. Nagel truck by Ernest Sauerwine to a place on Franklin Street. Paid \$25.00 a month rent and from that place we moved to a place on Poplar Street in 1926, lived at this place 33 days paid \$30.00 a month rent and moved to Heistville, IL next to Mine No. 58 in the edge of Taylorville, IL from this place we moved back to Marissa, IL 320 South Hamilton Ave. Here is where Ernest was born Jan. 29, 1929. And there in August 30, 1937 we had a public sale of house goods and started for Rock Springs, Wyo. and moved in a place. I said moved, we only moved a sewing machine and two boxes of bedding and a mattress, to Tony Rudolph's on H Street 361 Rear Alley. We drove from Marissa to Rock Springs, Wyo. in an old delapidated 1930 Chevrolet Sedan car. Lucille made the trip and stayed about 6 weeks with us. From Tony Rudolphs place we moved to 407 Walnut Street, Rock Springs on the 24 day of April 1938. Alice come and see us when you can, your Ma is washing today and she will write next time. The kiddies are all in school now, Benoni is working, Kenneth is out scouting around for a days work. He got a days work Sunday from the lumber yard man cementing a basement. Today is another pretty day, sun shining bright and just warm enough to make it pleasant. Well you may not be interested in my moving history but it will give you something to read. Save it for Lucille when she comes down, your Ma said to tell you she sure likes her house where we are now making our present domain. The house has new paper on it just papered 2 days before we moved in and the kitchen and dish closet were Kaloomised also the kitchen has green painted oil cloth like wainscoating up 5 feet high and the ceiling is 10 1/2 feet high. This makes spring house cleaning over with. Well will close this epistle with love and best wishes to everone of youse. From your dad, D. P. Coke address as P.O. Box #369 Rock Springs, Wyo."

Newspapers.com listed the following news article regarding the death of Riley Land dated September 5, 1929, in The Clinton Eye, Clinton, Missouri:

"Riley Land And George Foster Died In Well

Saturday, August 31, Below is the testimony of the witnesses and the verdict of the coroner's jury at the coroner's inquest.

Testimony of J. B. Eckert

Witness lives five miles west of Clinton on the A. C. L. Highway. He did not know Riley Land until the latter came to work on a well at his place. Thursday morning he employed George Foster to dig a well and Foster employed Land to help him. The well is to the north of the highway, opposite from the house. Land and Foster on Saturday afternoon put in a shot of dynamite to form pocket underneath rock. They (Foster and Land) put in a shot to blow the rock out and went down into the well immediately after the shot went off. Mr. Young and the witness tried to get them not to go down so quickly. Mr. Foster went down first and was almost immediately overcome with gas. The witness and Mr. Young tried to pull him out as he yelled to them to get him out. They got him near the top when he was overcome by gas and his hold gave way and he fell back into the well. The well was about 15 feet deep. They lowered Riley Land down to put a rope under Foster's arms to hoist him out and Land was also overcome

with gas. They started to pull him out and he fell back the same as Foster. They got help as quickly as they could, but when they got the two out of the well Land was dead and Foster almost dead. They called Dr. S. W. Woltzen, of Clinton.

Testimony of J. S. Young

Witness is 60 years old, lives in Clinton. He was working with Foster and Land digging the well on Mr. Eckert's place five miles west of Clinton, on the A. C. L. Highway, August 31, 1929. About 3 p.m. Foster and Land put the pocket in the well with dynamite then filled with black powder and tamped it well, pulled the tools out. Foster came out; Land lit the fuse, then they pulled him out and they all went away for a few minutes till the blast went off, then returned to the well. They waited a few minutes and Mr. Foster said "Give me the rope, I will do down and see what it done." They let him down. Mr. Eckert and the witness had got him about half way down when he hollowed for them to bring him out. They started back to the top with him, but he turned loose his hold and fell back into the well. Mr. Land got on the rope to go down after Foster, but he hollowed to pull him out, and he turned loose his hold and fell the same as Foster. They lowered Mr. Frazier down by tying the rope around him, but had to pull him back immediately. They then took hooks to pull up the feet of the men and dropped nooses over the feet to pull them out. When they got them out Land was dead and Foster almost dead. The well is about 15 feet deep.

Testimony of Dr. S. W. Woltzen: Witness is a practicing physician of Clinton, Mo. On August 31, 1929, about 3:30, was called to come to the Eckert farm, that some one was hurt in a well. He reached the scene about 4 o'clock and found Foster and Land still in the well. They got them out with ropes and hooks. Land was dead; Foster was still breathing but unconscious and bleeding and frothing at the mouth. The witness knew both Foster and Land, and had known them for about four or five years.

Verdict of Jury

We, the undersigned jurors, impaneled and sworn on the 31st day of August, 1929, in the county of Henry, by Dr. G. S. Walker, coroner, to diligently inquire and a true presentment, make how and by whom Riley Land, whose body was found dead on the 31st day of August, 1929, came to his death, having viewed the body and heard the evidence, do find that the deceased came to his death by going into well too soon after he had set blast in well and that the gas from the blast overcame and killed him.

GenealogyBank.com listed the following news article regarding Lon Coke dated on December 19, 1930, in the Belleville News Democrat:

"Man Jailed As Drunk Tears Up Mattresses in Cell and Is Now Charged With Felony Offense

Lon Coke and a companion, both of Marissa, went on a spree December 9 and were duly arrested and locked up in the Villag Jail at Marissa by Marshal Devitt.

The next day the two men were arraigned before a justice of peace and on their pleas of guilty were fined. Coke was committed to County Jail in default of the payment of the fine but the companion was released when his friends came to his succor and paid the penalty and the court costs.

Coke sat out his fine in the Hotel de Munie and today was surprised when a deputy sheriff served another warrant on him.

"What's the charge?" the surprised prisoner asked.

"Malicious destruction of property and it looks like the big house for you, my boy," the deputy replied.

Coke scratched his head. Just what property could he have destroyed that belonged to the Village of Marissa? The warrant said that the offense was committed the night of December 9.

So Mr. Coke pondered and racked his brain. But soon a deputy came and took him before Justice of Peace Walter G. Grossman.

"You are charged, Mr. Coke, with the malicious destruction of Property," the court announced. "What have you to say?"

"I don't know what it is all about, judge," the prisoner replied.

"Well, The Village of Marissa alleges that while you were locked up in its jail you and your companion tore up two mattresses and some bed clothing."

Coke could not remember. He refused to waive preliminary hearing and will be given a hearing before Justice Grossmann at 1 o'clock Monday afternoon. He is a prisoner in the Munie Hotel in default of a \$300 bond and his companion is being sought."

Portrait And Biographical Record Of Johnson And Pettis Counties, Missouri

published in 1895 stated in a biography of Wilson A. Campbell that:

"Wilson A. Campbell, of Holden, was born in Lafayette County, this state, November 10, 1830, and is a son of Tandy and Mary (Wright) Campbell, both of whom were natives of Virginia, where they were married and where three children were born. From Virginia the family removed to Warren County, Ky., soon after the War of 1812, in which the father was a soldier. From Kentucky the family removed to Lafayette County, Mo., in 1828, and were thus numbered among the pioneers of that county. Here Tandy Campbell entered land from the

Government, and here the family lived until the death of the father, in 1845, at the age of sixty-five years. There were ten children, one of whom died in infancy. Of this number all had left the parental home except two at the death of the father, our subject being one of those.

Soon afterward Wilson A. Campbell commenced life for himself, working on a farm for the sum of \$7 per month. With part of his wages he purchased books, and in winter he attended school, paying his tuition and working for his board until he was eighteen years of age. He then entered forty acres of land in Johnson County, for which he paid the Government price of \$1.25 per acre. The purchase money he earned by working by the month. On securing his land, he at once commenced its improvement, but in the spring of 1850 he sold out and made the trip overland to California, fitting out an ox-team with the money he received for his land. He was five months and thirteen days on the way.

On arriving at California our subject at once commenced mining at Diamond Springs, and continued during the first winter. He had fair success, and the next spring went to Georgetown, Cal., where he also engaged in mining for a few months, and then went to Horse Shoe Bend, on the American River, where he bought some claims, which took all his money. He was unsuccessful in this region and was compelled to abandon the claims. Going down the river to Yankee Slide, he remained in that vicinity for four months, and there made some money. He then went to Weaver Creek, at a place called Coon Hollow, though sometimes called Hangtown. He soon afterward left for San Francisco, and from there started home by the Panama route. They were shipwrecked at the Gulf of Tehuantepec, and blown from land out into the ocean five hundred miles, losing nearly everything they had to eat or drink. The ship's pumps would not work and the entire crew and passengers were compelled to bale the water out of the vessel. They finally drifted back and landed in Central America. They crossed the country by jack mules to Lake Nicaragua, from where they took ship for Havana, thence to New Orleans, and from there home by way of St. Louis. They were fourteen days making the trip from New Orleans to St. Louis, and seven days from the latter place to Lexington.

On arriving home, Mr. Campbell was in possession of \$1,100, his trip costing him \$500. He was then in his twenty-second year. Before settling down to business, he made a trip through the Indian country on horseback, being gone from home about three months. On his return to Johnson County he purchased one hundred and twenty acres of land, on which he made his home. On the 13th of March, 1853, he was united in marriage with Miss Louisa Hodges, of Johnson County, but a native of Lincoln County, Ky., and a daughter of Capt. Moses and Nancy (Wright) Hodges. Her father was a native of Georgia, and had served as a Captain in the War of 1812. Her mother was born in Virginia. Her father went to Kentucky soon after the War of 1812, where he married and lived until 1845, when the family moved to Johnson County, Mo.

At the time of the breaking out of the Civil War, Mr. Campbell was possessed of four hundred and forty acres of land, which he was farming. In November, 1861, he was taken prisoner by James H. Lane and his followers, and stripped of nearly all his personal property. After keeping him prisoner for a time they turned him loose, and he then went South and joined General Price, and was with him at the battle of Springfield, then south to Tennessee. He served in the commissary department, with the rank of Captain. He was in all the engagements of his regiment, including Pea Ridge and Bentonville. His regiment being united with others, the General, with his staff, were ordered to report to General Raines at Little Rock, Ark., from which place they went to Ft. Smith, then back to Missouri to hold a crossing on the Missouri Rivers, but got into a fight at Lone Jack, after which the recruits returned to Arkansas, where the regiment was reorganized as an infantry regiment under General Parsons, and served under him until the close of the war. Mr. Campbell took part in all the engagements in the trans-Mississippi region, including Perry Grove, Helena, Pleasant Hill, La., and Jenkins' Ferry. He was at Freeport, La., when his regiment surrendered to the Ninety-ninth Illinois Infantry, some time after Lee's surrender. The division of which his regiment formed a part was the last to surrender.

On being paroled, Mr. Campbell returned to his home, having been absent and not seeing his wife for three and a-half years. Soon after his return he sold one hundred and sixty acres of his land in order to secure money with which to commence life again. He continued to operate his home farm until 1875, when, in partnership with J. D. Parks, he purchased a sheep ranch in Cowley County and Chautauqua County, Kan. He also bought and sold mules, and in the two lines of business made considerable money. He closed out his business there in 1880.

Since the ar Mr. Campbell has added to his farm land, and now owns over six hundred acres. In 1883 he removed to Holden, where he now resides, and where he has a lively home. Politically he is a Democrat, and cast his first Presidential ballot in 1852 for Franklin Pierce. He has served as delegate to district and congressional conventions a number of times, but has never held office. He and his wife are members of the Cumberland Presbyterian Church, to which he has belonged since 1859. He has served as Elder, and formerly was an active Sunday-school worker. In the fall of 1891 he took a trip to California, and there remained during the winter following. They also visited the World's Fair in Chicago, and also the New Orleans Exposition. They take a trip occasionally and try to get some enjoyment out of life."

Elizabeth (Wright) Martin was a daughter of 1825 Achilles Wright of Oldham County, Kentucky, and Nancy (___) Wright. (1825 Achilles¹)

The marriage record of Elizabeth Wright and Cornelius Martin was dated on August 4, 1806, at Amherst County, Virginia, with their fathers Achilias Wright and Micajah Martin as sureties:

"Micajah Martin made oath before me that Cornelius Martin is 21 years of age. Given under my hand this 4th day of August 1806

S. Garland DC

Mr Sptswood Garland

Whereas Cornelious Martin and Elizabeth Wright has Consented together in Matrimony We the parients of the said Elizabeth Wright do give a free Consent to thiere Marriage Given under our hands this 4th of August 1806

Micajah martin	X	Achilias	X	Wright
James Wright				

Know all men by these presents that we Cornelius Martin & Micajah Martin are held and firmly bound unto Wm H Cabell Esquire the Governor or cheif Magistrate of the commonwealth of Virginia for the time being and to his successors in office for the use of said commonwealth in the sum of one hundred and fifty dollars current money to which payment well and ruly to be

made we bind ourselves our heirs &c jointly and severally firmly by these presents. Sealed with our seals and dated this fourth day of August 1806 The condition of the above obligation is such that whereas there is a marriage intended shortly to be had and solemnized between the above bound Cornelius Martin and Elizabeth Wright (Spinster) now if there should be no legal cause to obstruct said marriage then the above obligation to be void; otherwise to remain in full force and virtue

Signed and acknowl-) Cornelious Martin
 edged in presence of) Micajah Martin
 J. B. Edwards"

This record indicates that Elizabeth (Wright) Martin was born probably before 1791.

The 1810 Census did not list a Cornelius Martin in Virginia, but did list a Cornelius Martin in Albany County, New York, in New Castle County, Delaware, and Dutches County, New York.

The 1820 Census listed a Cornelius Martin in Dutchess County, New York, and a second in East Baton Rouge, Louisiana, with the following household:

<u>Names of Heads of Families</u>	<u>Free White Males</u>	<u>Age</u>	<u>Free White Females</u>	<u>Age</u>	<u>Foreigners</u>
Cornelius Martin	1	26-45	1	26-45	
	2	0-10	2	0-10	

<u>Number in Agriculture</u>	<u>Number in Commerce</u>	<u>Number in Manufacture</u>	<u>Slaves Male</u>	<u>Age</u>
1				

<u>Slaves Female</u>	<u>Age</u>	<u>Free Colored Males</u>	<u>Age</u>	<u>Free Colored Females</u>	<u>Age</u>	<u>All other Persons</u>

This record indicates that Cornelius Martin was born between 1775 and 1794, which would be consistent with a marriage in 1806, but further research will be required to confirm that this was the Cornelius Martin who married Elizabeth Wright.

The will of Achilles Wright dated January 17, 1824, and probated in September 1825 at Oldham County, Kentucky, W.B. 1/34 listed Elizabeth Wright as one of his

children:

". . . . Item first. My will and desire is that my son Samuel and my daughters Nancy and Elizabeth have no more of my estate because they have had their equal portion each of them having had two negroes each. . . ."

The 1830 Census for East Baton Rouge Parish, Louisiana, listed Cornelius Martin with the following household:

<u>Names</u>		<u>Free White Males</u>		<u>Free White Females</u>	
<u>Heads of Families</u>			<u>Age</u>		<u>Age</u>
Cornelius Martin		1	40-50	1	20-30
		1	15-20		

<u>Slaves Male</u>	<u>Age</u>	<u>Slaves Female</u>	<u>Age</u>	<u>Free Colored Males</u>	<u>Age</u>	<u>Free Colored Females</u>	<u>Age</u>

<u>White Persons included in the foregoing</u>					
<u>Total</u>	<u>Deaf & Dumb Under 14</u>	<u>Deaf & Dumb 14 to 25</u>	<u>Deaf & Dumb 25+</u>	<u>Blind</u>	<u>Aliens - Foreigners & Naturalized</u>
3					

<u>Slaves and Colored Persons, included in the foregoing</u>			
<u>Deaf & Dumb under 14</u>	<u>Deaf & Dumb 14 to 25</u>	<u>Deaf & Dumb 25+</u>	<u>Blind</u>

This record indicates that Cornelius Martin was born between 1780 and 1790, which again would be consistent with a marriage in 1806. If this record was for Cornelius Martin who married Elizabeth Wright, then it indicates that Elizabeth (Wright) Martin had died before 1830.

The 1840 Census for East Baton Rouge Parish, Louisiana, did not list a Cornelius Martin.

The 1850 Census for East Baton Rouge Parish, Louisiana, listed Cornelius Martin in the Joseph Borskey household on October 16, 1850, and his age as 69 and born in Virginia, indicating a date of birth in about 1781.

No further records for this Cornelius Martin have as yet been found and so further research will be required to determine if he was the same Cornelius Martin who married Elizabeth Wright, the daughter of Achilles Wright.

In her letter dated June 10, 1988, Virginia H. Kornes enclosed family group sheets which stated that Elizabeth Wright was a daughter of 1825 Achilles Wright of Oldham County, Kentucky, and Nancy (____) Wright.

In her letter dated June 28, 1988, Mary H. Williams enclosed family group sheets which stated that Elizabeth Wright was a daughter of Achilles Wright and Nancy (____) Wright and married Cornelius Martin on August 4, 1806.

In her letter dated September 21, 1991, Mary V. Giera enclosed family group sheets which stated that Elizabeth Wright was a daughter of Achilles Wright and Nancy (____) Wright and married Cornelius Martin on August 4, 1801, at Amherst County, Virginia.

The Wright Family Workbook, Volume 9/1, stated that Elizabeth Wright was a daughter of Achilles Wright and Nancy (____) Wright and married Cornelius Martin on August 4, 1806, at Amherst County, Virginia.
