INTRODUCTION

Sorting Some Of The Wrights Of Southern Virginia is a multipart project. Each part will discuss a separate Wright family, beginning with the oldest known ancestor of that line. This work Grief Wright (Bedford County) is Part XIX of the project.

The material for this project is organized in four sections. The first is the text, the second is the descendants charts, the third is the sources, and the fourth is a set of appendices.

The text provides full and literal transcriptions of all documents and sources found for the individuals discussed, as well as explanations of the significance of documents and the evidentiary logic for conclusions that are not obvious on their face. Four generations of descendants are discussed. Every researcher has faced the frustration of an asserted identification without a source reference or explanation of the conclusion or with a source reference which when consulted turns out to say something different than what was claimed. By providing full transcriptions of sources, I hope to allow the reader to reach their own conclusions regarding the identifications given and avoid the need to search out the source, even though this adds considerably to the length of the text. When secondary sources are relied on, the person providing the information is listed.

The descendants charts are organized with the oldest ancestor in the first column and each descendant from that ancestor in the remaining columns, to the extent known. The basic data of date and place of birth, marriage, residence, and death are given for each individual. The sources for that information are also given for each individual, using code numbers to the source list.

The source list provides first a chronological listing of sources as they were found or consulted and second a listing by geographic area and type of source, such as birth records or death records. The chronological listing evolved from my early years in research and mistaken efforts at coding the source. By the time I realized the inappropriateness of the coding format, there was too much information in a pre-computer era to correct the early references. The reader is left with the result and my apology.

The appendices list all of the known Wright documents for a particular type of record for a county in chronological order and include an identification of the Wright named in the record. These appendices have been published separately by Heritage Books, Inc., and to date have included Wright birth, marriage, personal property tax, census, deed, land tax, death, cemetery, and probate records for Amherst, Appomattox, Bedford, Botetourt, Campbell, Cumberland, Essex, Franklin, Montgomery, Nelson, Prince Edward, Roanoke, and Rockbridge Counties, Virginia, the City of Lynchburg, and the City of Roanoke, Virginia. Other counties will follow in the future. The appendices allow a cross referencing of the known records to the person discussed. This is to avoid having the same record cited for two different persons who happened to have the same name and to provide a list of documents that have not

been associated with any person and which might be inconsistent with asserted identifications.

The numerous Wrights found in the same geographic areas necessitated an identification system to keep their identities separated. The system selected early on was to list a person by their year of death and county of residence at death, when known. For example, "1776 Augustine Wright of Amherst County" indicates that this was the Augustine Wright who died in 1776 in Amherst County. If no state is listed after the county, the state is Virginia; counties in states other than Virginia have a state listed after the county, as in "1825 Achilles Wright of Oldham County, Kentucky". A parenthetical after the name indicates an identification of the person when a place of death is not yet known, as in "John Wright (Goochland County Carpenter)." A county in parentheses after the name indicates the county with which that person was most identified when no evidence of the place of death has yet been found, as in "William Wright, Sr. (Bedford County)."

No work of this size is done without help. My friend Diane Smith has typed and revised over 100,000 pages of documents, text, and descendants charts, often from barely readable copies and nearly indecipherable handwriting. Together we have gone through almost every iteration of word processing program and media, including IBM, Wang, and Word Perfect, magnetic cards, 6½" floppies, 3½" floppies, flashdrives, and DOS. The evolution of technologies that are incompatible or no longer accessible supports my faith in the printed word.

Numerous other researchers have shared their records and research, often providing the breakthrough which permitted the identification of a person. I have attempted to recognize those fellow researchers by identifying their contributions in the text and source list. The quotations from published works are made with the permission of the author.

And my wife has patiently accepted the piling up of boxes of documents, notebooks filled with documents, text, descendants charts, and appendices and a work table piled with work to be done.

Thank you to all for your help and patience and I hope the reader finds that this work justifies the effort.

This is a work in process and I would be most interested in receiving additional information about any of the persons identified in these records in order to correct any errors or expand on the information given.

XIX. Grief Wright (Bedford County), His Possible Wife Sally (Candler) Wright, His Wives Nancy () Wright, And Leanna () (Hanes) Wright, And His Descendants

The parents of Grief Wright (Bedford County) have not as yet been identified. Two lines of research have been pursued to identify those parents.

The first line of research involves a possible identification suggested by David Alsup. In his emails dated December 24, 2011, and October 14, 2014, David Alsup noted that Margaret (Yarborough) Wright's father was Alsup Yarborough and Grief Wright named his third son Alsup Wright and one of Alsup Wright's sons was named James Alsup Wright. These common family names suggest that Grief Wright might have been a son of Margaret (Yarborough) Wright.

In his email dated December 25, 2011, David Alsup stated that Land Grants And Patents Of Hanover County, Virginia (1721-1800), by Charles P. Blunty, listed a grant dated November 10, 1757, in P.D. 33/419 to John Lawrence of 39½ acres of land adjoining Alsup Yarbrough. This record indicates that Alsup Yarborough was probably born before about 1736.

Virginia, Spotsylvania County Records, 1721-1800, edited by William Crozier, listed a deed dated June 1, 1761, at Spotsylvania County, Virginia, D.B. F/233 to Alsup Yarbrough of Hanover County from William and Elizabeth Garrett for 600 acres of land in Spotsylvania County:

"
June 1, 1761. Wm. Garrett and Elizabeth, his wife, of Spts. Co., to Alsup Yarbrough of Hanover Co. £135 curr. 600 a. in Spts. Co. Wm. Garrett, junr.; Wm. Taylor, Lewis Day. Sept. 7, 1761.
. . . ."

The Douglas Register, by Reverend William Douglas and transcribed and edited by W. Mac. Jones, listed the marriage of Alsup Yarborough and Sarah Macnemara on April 16, 1768:

"Marriages Of Record
. . . .
Yarborough, Alsup, in Hanover, & Sarah Macnemara, in Albemarle 1768 Ap: 16 p. 10
. . . ."

Since as set forth above, Alsup Yarborough was probably born before 1736, this 1768

marriage of Alsup Yarborough when he was in his late 30's was probably a second marriage for him.

As more fully set forth below, Grief Wright was born in the period 1775 to 1779. If Grief Wright were a son of Margaret (Yarborough) Wright, then Margaret (Yarborough) would have been born before Alsup Yarborough's 1768 marriage and thus would have descended from Alsup Yarborough's unnamed first wife.

Hanover County, Virginia Deeds 1783-1792, transcribed by Rosalie Edith Davis, listed the following:

"p. 507 4 May 1786 Margaret Wright of Hanover Co. to John Thornton of same; £67-10; tract on the New Found river adj. Capt. Thomas Price & Edmund Taylor; part of Alsup Yarboughs Dece'd. tract of land left to his daughter Margaret Wright. 22½ a."

This record indicates that Margaret (Yarborough) Wright was married before May 4, 1786, which would be consistent with the birth of Grief Wright as her son in the period 1775 to 1779.

While this information is very suggestive, further research will be required to confirm this possible identification. Hanover County is a burned record county and so further documentation regarding this possible identification may be difficult.

The second line of research for the identification of Grief Wright's parents has been through Y-DNA sequencing.

Richard Nichols Wright was a male Wright descendant of Grief Wright as follows:

- 1) Grief Wright (Bedford County, Virginia),
- 2) 1877 Bartlett Wright of Bedford County, Virginia,
- 3) 1932 Raymond Wright of Bedford County, Virginia,
- 4) William Crawford Wright,
- 5) William Nichols Wright, and
- 6) 2018 Richard Nichols Wright of Anchorage Borough, Alaska.

Richard participated in the Wright DNA Project and his kit is #831003. His Y-DNA sequence is Haplogroup R-M269 and is set forth in the Results page for the Project at:

<https://www.familytreedna.com/public/Wright?iframe=yresults>.

Unfortunately, Richard's Y-DNA sequence is grouped with those results for which there are no meaningful matches.

Jack Brazier Wright is also a male Wright descendant of Grief Wright as follows:

- 1) Grief Wright (Bedford County, Virginia),
- 2) 1877 Bartlett Wright of Bedford County, Virginia,
- 3) 1932 Raymond Wright of Bedford County, Virginia,
- 4) 1965 Berry Thurman Wright, Sr., of Washington, District of Columbia,
- 5) 1997 Berry Thurman Wright, Jr., of Frederick County, Maryland, and
- 6) Jack Brazier Wright.

Jack has also participated in the Wright DNA Project and his kit is #892096. His Y-DNA sequence is also Haplogroup R-M269 and is set forth in the same Results page and is also grouped with those results for which there are no meaningful matches.

But more importantly, there are 18 out of 37 differences between the Y-DNA sequence of Richard and that of Jack. Such a large number of differences indicates that they do not have a common male Wright ancestor, which leaves the Y-DNA sequence of Grief Wright unresolved.

So further participants will be needed for the Wright DNA Project to find a match among male Wright descendants of Grief Wright to help determine his Y-DNA sequence.

The remainder of this work sets forth the documentation that has been found for Grief Wright, his wives, and his descendants.

On January 27, 1803, at Bedford County, Virginia, County Court Loose Papers a summons was issued against Grief Wright to answer the complaint of William Terry for breach of a contract to serve Terry as an overseer:

"The commonwealth of virginia to the sheriff of Bedford county greeting we command you to take Grief Wright if he be found within your bailiwick & him Safely keep so that you have his body before our Justices of our court of our said county at the courthouse thereof on the fourth monday in this month next to answer William Terry of a plea of Trespass on the Case, Damage Two hundred

As set forth above, the jury found for the plaintiff William Terry in the sum of \$8 with \$70 damages.

The marriage bond of Grief Wright and Sally Candler, daughter of Zedekiah, was dated May 16, 1803, at Bedford County, Virginia, with William Crowder as surety:

Although the marriage bond was filed with the county court clerk, this marriage may never had been solemnized.

In her email dated December 4, 2002, Beki Williams noted that on April 15, 1806, at Bedford County, Virginia, D.B. 12/151 Sally Candler sold her interest in a slave to William Dickerson and that this was her entire interest in the estate of Anna Candler, an heir of Zachariah Moorman, who had married Zedekiah Candler.

In addition, Marriage Bonds of Franklin County, Virginia, 1786- 1858, by Marshall Wingfield, listed the marriage bond of Sally Candler and Thomas Holland on September 25, 1806, in Franklin County, Virginia, with Zedekiah Candler as surety:

"Holland, Thos. and Sally Candler, Sept. 25, 1806. Sur. Zedekiah Candler."

Finally, as set forth below, the 1810 Census listed Grief Wright with no other persons in his household.

These records taken together indicate that the marriage of Grief Wright and Sally Candler probably was not solemnized.

Grief Wright was not listed in the Bedford County, Virginia, Personal Property Tax Lists for 1803, 1804, 1805, or 1806.

The explanation of this listing of Grief Wright with no one else in his household may be that Sally (Candler) Wright had died with no children or that she was not living with Grief Wright at this time or that the census was just wrong. This record would place his date of birth between 1765 and 1784.

The age for the oldest male indicates a birth date for Grief Wright between 1775 and 1794, which in conjunction with the 1798 Tax List would place his birth date between 1775 and 1778.

The oldest female in the household could not be Sally (Candler) Wright or she would have been 9 years old at her marriage. Since all of the four children were under ten years of age, this record indicates the death of Sally (Candler) Wright before the 1810 Census and a second marriage of Grief Wright after 1810 to a wife born between 1794 and 1804. A second record supports this conclusion. As set forth more fully below, the death record of Bartlett Wright dated May 6, 1878, at Bedford County, Virginia, listed his parents as Grief and Nancy Wright and his age as 59 years and 4 months, indicating a date of birth of December 1818 or January 1819, with the informant as Bartlett's wife.

This record indicates that Grief Wright was born in about 1779.

There was no probate proceeding in Bedford County or Franklin County for Grief Wright and his date and place of death are not yet known.

Genealogy Of John J. Wright Of Virginia, Indiana and Kansas by John Calvin Wright stated that Grief Wright was a son of 1845 William Wright of Franklin County and ____ (____) Wright. No evidence to support this assertion was provided other than proximity to a William Wright in the tax lists of Franklin County. The William Wright in those tax lists was not 1845 William Wright of Franklin County, but 1854 William Wright of Campbell County. And three of the other children identified as of the marriage of

1845 William Wright were children of 1854 William Wright of Campbell County. The result is that this identification of the parents of Grief Wright is without any credible evidence.

From the evidence set forth above and additional evidence set forth below, the children of Grief Wright and Nancy (____) Wright can be identified as follow:

- 1) Sally (Wright) Kasey, born on December 11, 1811, or in about 1812 in Virginia,
- 2) ____ Wright, a son, born between 1810 and 1820,
- 3) Bartlett Wright, born on July 1, 1817, or possibly in December 1818 or January 1819 in Bedford County, Virginia,
- 4) Alsup or Alsop Wright, born in about 1818 or 1820 or 1821 or 1823 in Virginia,
- 5) Probably N. Emeline (Wright) Carter, born in about 1823 or 1828 in Virginia,
- 6) Narlena Catharine (Wright) Robinson or Robertson, born on January 14, 1829, or in about 1830 in Virginia, and
- 7) Nancy A. (Wright) Baker, born in about 1831 or 1832 or 1833 in Bedford County, Virginia.

Sally (Wright) Kasey was a daughter of Grief Wright and Nancy (____) Wright. (Grief¹)

"To the Honorable J. D. Horsely, Judge of the Circuit Court of Bedford County: In chancery sitting.

Humbly complaining shew unto your Honor, your Oratrices Hannah A. V. Wright and Maomi Martin; that Clementina Kasey, late of said County departed this life intestate, unmarried and without issue, seized and possessed of a certain tract of land containing 118 acres, lying and being on the south side of said County; that said land was conveyed by Jno. Your Oratrices further shew that the said Clementina left surviving her, as her only heirs at law, your Oratrices Hannah A. V. Wright and Maomi Martin, sisters of the said Clementina; John W. Kasey and Mollie Cunningham, children of Newton Kasey, deceased, who was a brother, & the heirs of Jno N Kasey, a deceased brother and whose names are unknown and the children of Polly Freeman, deceased, a sister, and whose names are unknown.

On about February 9, 1893, Hannah A. V. Wright filed a complaint in Bedford County, Virginia, Chancery Court, File 6379, against her daughter-in-law Jessie Wright, the wife of Oscar Wright, for a conveyance of certain real property previously deeded to

her but which deed had not been recorded:

"To the Honorable J. A. Dupuy, Judge of the Circuit Court of Bedford County, in Chancery sitting.

Humbly complaining, showeth unto your Honor your orator Hannah A. V. Wright, that on the 25th of January, 1892, one Oscar Wright, who was then a married man, conveyed to H. N. Howell three certain tracts of land in the County of Bedford, on the South side of said County and certain personal property, by deed dated as of that date, for valuable consideration, which said deed was duly admitted to record in the Clerk's office of the County Court of Bedford County, a copy of which deed duly certified is herewith filed, marked "O.W."; that, although he was married and his wife was living, towit: Jessie Wright, yet by an oversight she failed to convey her right of dower in said land to said H. N. Howell, although she agreed to do so; that afterwards, towit, in October, 1892 your oratrix purchased of Mrs. H. N. Howell, the whole of the land and all right title and interest therein that was conveyed to her by the said Oscar Wright, and then it was discovered by your oratrix that Mrs. Oscar Wright had not signed and acknowledged the deed to H. N. Howell, and therefore she was requested to sign and acknowledge a deed to your oratrix; that your oratrix paid Mrs. Howell in full for said land, towit; the sum of ____ dollars, and had a deed of conveyance, which said deed was duly signed and acknowledged by said Oscar Wright and Jessie his wife, and that said deed was then delivered to your oratrix, and your oratrix being a woman and living some distance from Bedford City, sent said deed to Bedford City to be admitted to record, and by some means the deed was delivered to Oscar Wright, by him to be conveyed to the Clerk's office and there recorded. Your oratrix alleges that she until the last few days thought it was duly admitted to record, when she discovered that the deed had either been lost or destroyed and never admitted to record. Your oratrix alleges that H. N. Howell signed and acknowledged this deed, and Oscar Wright, and Jessie Wright the wife of Oscar Wright both signed and acknowledged this deed, and especially had the said Jessie Wright joined in this deed with the express intention and desire to convey her contingent right of dower in order to complete the title to your oratrix, who was unwilling to take said conveyance until said deed was so signed and acknowledged by said Oscar Wright and Jessie Wright. You oratrix is informed now that said Jessie Wright declines to sign another deed in place of the one that is lost, although Oscar Wright and Mrs. H. N. Howell are both willing to sign another, and she is informed that said Jessie Wright alleges that she never signed and acknowledged said deed to your oratrix. She is informed now that she has a right in a court of chancery to set up the lost or destroyed deed and to have a commissioner appointed by the Court to convey said land to here on behalf of said Oscar Wright and Jessie Wright and on behalf of Mrs. H. N. Howell also. She is informed, though she does not know of her own knowledge that it is true, that this deed fell into the hands of Jessie Wright, and was by her mislaid or destroyed. She is informed and believes that said Oscar Wright and his wife Jessie have had some disagreement among themselves and have separated, and that Oscar Wright has declared his intention of leaving this state and has left it, so far as your oratrix knows, never to return; and that said

Jessie Wright has now declared her intention never to sign this deed relinquishing her dower, although she once agreed to do so, and did sign and acknowledge such a deed.

Being without remedy save in a Court of equity, she comes into this honorable Court and prays that H. N. Howell, Oscar Wright and Jessie Wright made by made parties defendant to this bill, that each of them be required to answer the same under their corporal oath, and that especially Jessie Wright shall answer and say under oath, whether she did not sign and acknowledge said deed, whether said deed did not afterwards come into her possession, whether she did not destroy it or had it still in her possession, and to say further, all she knows about said deed and where it is; that, if necessary, an order of publication be awarded against Oscar Wright; that a Commissioner be appointed by this Court to convey said land to your oratrix on behalf of said Oscar Wright and Jessie Wright and on behalf of Mrs H. N. Howell; Grant the Commonwealth's writ of summons, commanding, &c., and any and all further and necessary relief as the nature of her case demands and to equity is meet and just, and as in duty bound, your oratrix will ever pray, &c."

"To the Sheriff of Bedford County Greeting:
In the name of the Commonwealth of Virginia:

We command you that you summon Oscar Wright and Jesse Wright his wife and H. N. Howell to appear before the Judge of our Circuit Court, holden for Bedford County, at the rules to be held in the Clerk's Office thereof, on the first Monday in March next, to answer a Bill in Chancery exhibited against them in the said court by H. A V. Wright

And have then there this writ. Witness, John M. Speece, Clerk of our said Court, at the Court House, the 9th day of February, 1893, in the 7th year of the Commonwealth.

On February 8, 1893, William P. Thurman filed a complaint in Bedford County, Virginia, Chancery Court, File 2740, to set aside the deed dated January 25, 1892, from Oscar Wright to his sister Hannah N. Howell as a fraud on his creditors:

"To the honorable J A Dupry, Judge of the Circuit Court of Bedford County, sitting as Chancellor:

Humbly complaining Sheweth unto your Honor your Orator William P. Thurman that in the month of September, 1890, probably about the fourth day of said month, your Orator paid and advanced for one Oscar Wright the sum of five hundred and twenty five dollars and subsequently the said Oscar Wright executed and delivered to your Orator his bond for said sum of money, which bond bears date on the day of September, 1890, and is herewith filed marked Exhibit A and prayed to be read as a part of this bill. Your Orator charges that no part of said bond has been paid Except the sum of \$83.52 paid June 23, 1891 but the whole of the residue is still due and unpaid

Your Orator further represents and charges that after said debt was contracted as aforesaid, and the said Wright had become bound for the payment thereof, he the said Oscar Wright without the knowledge of his wife & without her consent by deed bearing date on the 25th day of January, 1892, admitted to record on the 4th day of February, 1892, conveyed to his sister H. N. Howell all of his right, title and interest in and to four lots or tracts of land situated in the County of Bedford, Va, one tract containing fifty two acres, one tract containing one hundred and thirty acres, another tract containing one hundred and twenty five acres, and another tract containing sixty nine acres, and the following personal property, to wit: five head of cattle, three hogs, five sheep, six barns of tobacco, one mower and rake and one buggy. The pretended consideration of this deed was twenty six hundred and forty dollars, in hand paid. A duly certified copy of said deed is herewith filed marked B and prayed to be read as a part of this bill. The interest in the real estate conveyed by this deed was an undivided one half, the other one half being owned by Raymond Wright Your Orator charges that the provisions of said deed as to insurance Shews on its face that said Oscar Wright never intended to convey said property absolutely to his said sister, but that there was some secret arrangement between them whereby said Oscar Wright

was still to remain the owner thereof, although the legal title was to stand in her name.

Your Orator further charges that said deed was put to record by the said Oscar Wright; that the recording fees and the tax thereon were paid by or charged to the said Oscar Wright; that the said H. N. Howell did not pay \$2640 or any other sum cash as a consideration for said deed; that she was a poor woman, unable to raise any such sum of money, or to buy said land and personal property at any reasonable price, and that in fact she never bought them, and that said deed was and is without any consideration deemed valuable in law, or if any consideration at all passed for said deed it was so inadequate as to amount to a fraud on the rights of your Orator and other creditors of said Oscar Wright. Your Orator charges that said deed is a fraud on his rights and those of other Creditors of said Oscar Wright & that the same should be set aside and annulled as to said Creditors.

Your Orator further represents that the said Oscar Wright has deserted his family and left the County. When last heard from he was still in the state of Virginia, but whether he intends to remove or not is unknown to your Orator, and it is doubtful if he can be found by an officer to serve process on him.

In tender consideration therefore of the premises and for as much as your Orator is without adequate remedy at law, he prays that the said Oscar Wright and H. N. Howell and Raymond Wright be, by proper process, made parties defendants to this bill, and waiving an Answer under oath from each of said defendants that the deed aforesaid from Oscar Wright to H. N. Howell, be set aside and annulled, and the property therein and thereby conveyed be subjected to the payment of the debt aforesaid of your Orator: That all accounts necessary or proper be ordered and taken and such steps taken and proceedings had as may be proper to secure to your Orator the payment of his debt aforesaid. Grant unto your Orator the Commonwealth's writ of summons commanding &c and all such further and other aid and relief in the premises as Equity and good conscience may dictate and the nature of his case require, and as in duty bound he will ever pray &c

Findagrave.com listed the gravestone of Jessie K. Wright in Oakwood Cemetery, Bedford, Bedford County, Virginia:

"Jessie K. Wright
Feb. 20, 1868
Mar. 26, 1951"

The Bedford City/County Museum stated that the tombstone of Jessie K. Wright is located in the Oakwood Cemetery, Bedford County, Virginia, and listed the following information:

"Jessie K. Wright
February 20, 1868
March 26, 1951"

In his letter dated May 4, 1983, Mr. Charles W. Whitman enclosed family group sheets which listed Oscar Wright's date of birth as August 21, 1859, at Bedford County, Virginia, his marriage to Jessie Thurman, and his death in 1927.

In his letter dated October 28, 1987, Mr. Whitman enclosed a letter dated approximately 1972 from Deborah (Wright) Smallwood which stated that Oscar Wright was buried at the Bedford City cemetery, Bedford County, Virginia, and that he and his wife Jessie (Thurman) Wright adopted one daughter who died young and had no other issue.

In her emails dated April 15, 2000, Donna Thurman Howland stated that Oscar Wright married Jessie Key Thurman.

From the evidence set forth above and additional evidence set forth below, the only child of Oscar Wright and Jessie (Thurman) Wright was the following:

1) _____ Wright, a daughter, born on December 2, 1892, in Bedford County, Virginia.

a. _____ Wright

_____ Wright was a daughter of 1927 Oscar Wright of Bedford County and Jessie (Thurman) Wright. (Grief¹, 1877 Bartlett², 1927 Oscar³)

The birth record of _____ Wright was dated on December 2, 1892, at Bedford County, Virginia, and listed the following information:

"Name of Child:	_____ Wright
Date of Birth:	December 2, 1892
Sex:	Female
Place of Birth:	Staunton River District
Parents:	Oscar & Jesse E. Wright
Father's Occupation:	Farmer
Father's Residence:	Bedford
Informant:	Father"

The death record of _____ Wright, son of Oscar and Jesse K. Wright, was dated on December 30, 1892, at Bedford County, Virginia:

"Name in Full:	Infant Wright
Color:	White
Sex:	Male
Date of Death:	Dec 30, 1892
Place of Death:	Staunton
Cause of Death:	Unknown

Age: 20 Days
 Names of Parents: Oscar & Jesse K. Wright

 Designation of Informant: Father"

Although it is unclear whether the child was male or female, the age of the child at death makes clear that the same child was involved in both records.

This record indicates that Sallie G. (Smiley) Wright was born in about 1882 and that

James Alsup Wright and Sallie G. (Smiley) Wright had divorced before January 7, 1920.

The 1920 Census for Dubois County, Indiana, also listed James W. Wright in Patoka Township in the John McKimm household and seven households away from Sallie Wright on January 7, 1920, his relationship as lodger, his age as 45 and born in Virginia, and his occupation as foreman in a canning factory. This was probably James Alsup Wright, but the discrepancy in his middle initial and age mean that further research will be required to confirm this identification.

"Man Is Killed Sunday Near Arthur Junction

James A. Wright, 84, Winslow, a retired carpenter, was killed instantly at 7:40 p.m. Sunday when he was struck by a car and run over by three others on State Route 64, three-fourths of a mile west of the Arthur junction.

Death was the result of a fractured skull and other multiple injuries.

Mr. Wright, who live alone near the scene of the tragedy, was apparently standing on the highway when he was struck by a car driven by David Chesak, 30, Louisville, Ky.

His body was thrown to the opposite side of the highway and successively

passed over by cars driven by Maurice L. Hagemeyer, 30, Evansville; Robert Sovern, 20, Winslow Route 1; and Hubert E. Arnold, 65, Evansville.

The accident occurred just after dark and Chesak, blinded by lights of the oncoming cars, failed to see the elderly man, police said.

State police said the victim had previously been warned by both state and county police about walking on the highway. He had lived in the area for the past 20 years.

Surviving are four sons, Samuel of Santa Rosa, Calif., Charles, Ralph and Luther, all of Samuel, Ore.; a daughter, Mrs. Mary Mollett, Sublimity, Ore.; a sister, Mrs. Kemp, Roanoke, Va.; and several ste-children.

The body is at Lamb Funeral Home, Oakland City, pending completion of arrangements. The casket will not be opened."

N. Emeline (Wright) Carter was probably a daughter of Grief Wright and Nancy (____) Wright. (Grief¹)

In her email dated November 26, 2002, Rebecca Williams stated that Joel Carter was listed in the Personal Property Tax Lists for Montgomery County, Virginia, for the years 1839, 1840, and 1842 to 1848 and not thereafter. The 1839 listing indicates that Joel C. Carter was born before about 1818.

The marriage record of N. Emeline Wright and Joel C. Carter has not as yet been found.

The 1850 Census for Bedford County, Virginia, listed Joel Carter with the following household on November 29, 1850:

This record indicates that N. Emeline (Wright) Carter was born in about 1823 and that Joel C. Carter was born in about 1819. The presence of Grief Wright in the Joel Carter household indicates a family relationship and given the age differences, probably that of father and daughter.

In her letter dated April 14, 1997, Rebecca Williams stated that the birth record of William Washington Carter was recorded in Roanoke County, Virginia, and dated on May 12, 1855, with the birth in Bedford County, Virginia, and the parents listed as Joel Carter and N. E. Wright and Joel Carter's occupation as farmer. This record indicates that N. Emeline Carter's maiden name was Wright and is additional evidence in conjunction with the 1850 Census set forth above that she was a daughter of Grief Wright.

Joel C. Carter has not as yet been found in the 1860 Census.

The 1870 Census for Roanoke County, Virginia, listed Joel Carter with the following household on July 26, 1870:

3. Sarah Cathrine Carter, Her Non-Husband John Campbell, And Her Descendants

Sarah Cathrine Carter was a daughter of N. Emeline (Wright) Carter and Joel C. Carter. (Grief¹, Emeline²)

Sarah Cathrine Carter has not as yet been located in the 1860 Census.

The 1870 Census for Roanoke County, Virginia, listed Sarah C. Carter in the Joel Carter household on July 26, 1870, and her age as 16 and born in Virginia, indicating a date of birth in about 1854.

The 1880 Census for Roanoke County, Virginia, listed Sarah C. Carter in the Joel Carter household on June 16, 1880, her relationship as daughter, and her age as 24 and born in Virginia, indicating a date of birth in about 1856.

The 1900 Census for Roanoke County, Virginia, listed Sarah Carter in the Washington W. Carter household on June 22, 1900, her relationship as sister, her birth in February 1855 in Virginia, and her occupation as servant.

The 1910 Census for Roanoke County, Virginia, listed Sarah Carter in the Harvey Carter household on May 7, 1910, her relationship as sister, her age as 68 and born in Virginia, indicating a date of birth in about 1842, and her occupation as washer working out. As in the case of the listing of her brother's age as 78, this was apparently a subtraction error and her age should be listed as either 55 or 58.

In her email dated November 7, 2002, Rebecca Williams stated that the gravestone of Sarah Cathrine Carter was located in the Martin Memorial Cemetery, Roanoke County, Virginia, and listed the following information:

Sarah Cathrine Carter
April 8, 1918
Age 66 years

Daughter of Joel C. & Emiline Wright Carter

This record indicates that Sarah Cathrine Carter was born in about 1852.

From the evidence set forth above and additional evidence set forth below, the only child of Sarah Cathrine Carter and John Campbell was the following:

1) Rosser Lee Carter, born on June 13, 1873, or in March 1875 or in about 1880 in Roanoke, Virginia.

a. Rosser Lee Carter, His Wife Julia Carrol (Guthrie) Carter, And His Descendants

Rosser Lee Carter was a son of Sarah Cathrine Carter and John Campbell. (Grief¹, Emeline², Sarah Cathrine³)

The 1880 Census for Roanoke County, Virginia, listed Rosser Carter and Sarah C. Carter in the Joel Carter household on June 16, 1880, Rosser's relationship as grandson, and his age as 7 and born in Virginia, indicating a date of birth in about 1873.

The 1900 Census for Roanoke County, Virginia, listed Rosser L. Carter in the Washington W. Carter household on June 22, 1900, his relationship as nephew, his birth in Mary 1875 in Virginia, and his occupation as farm laborer.

The 1900 Census for Franklin County, Virginia, listed Julia Guthrie in the William Guthrie household on June 30, 1900, her relationship as daughter, and her birth in October 1890 in Virginia.

Virginia, Select Marriages, 1785-1940, available from Ancestry.com, listed the marriage of Rosser L. Carter and Julia C. Guthrie on January 23, 1908, in Franklin County, Virginia:

"Name:	Rosser L. Carter

The 1910 Census for Roanoke County, Virginia, listed Rosser L. Carter in the Harvey Carter household on May 7, 1910, his relationship as nephew, his age as 30 and born in Virginia, indicating a date of birth in about 1880, and his occupation as farm laborer working out. As in the case of the listing of his uncle's age as 78 and his mother's age as 68, the listing of his age as 30 was apparently an error and his age should be listed as 37.

The 1910 Census for Franklin County, Virginia, listed Julia C. Carter in the William Guthrie household on April 15, 1910:

This record indicates that Julia Carrol (Guthrie) Carter was born in about 1891. The separate listing of Rosser Lee Carter in Roanoke County and Julia Carrol (Guthrie) Carter in Franklin County indicates that they may have separated before April 15, 1910. Although Dora C. Carter was listed as a grandniece, her birth record indicates that she was the daughter of Rosser Lee Carter and Julia Carrol (Guthrie) Carter.

World War I Draft Registration Cards, 1917-1918, available at Ancestry.com, listed Rosser Lee Carter on September 12, 1918, with the following information:

This record indicates that George Lee Carter was born in about 1897 and that India W. or Frances (Carter) (Bell) Carter was born in about 1898. However, an 1897 date of birth for George Lee is inconsistent with all other records for his date of birth and 1898 date of birth for India would make her only 6 years old at the time of birth of her daughter Minnie. In addition, although the first two children were listed as Carter, they were actually children of India's first marriage and should have had the surname of Bell.

"J. L. Roberson was born in Somerset, Pulaski County, Kentucky, January 1st 1856 and died at his home near Red Rock, Noble county, Oklahoma April 17, 1916. He grew to manhood in the old Kentucky home and in 1877 moved with his parents to Bolivar, Missouri. Here he was united in marriage to Miss Margaret Selema Price. To this union eleven children were born, seven of whom survive the parents.

With his family he moved from Missouri to Sumner county, Kansas and lived there until the opening of the Cherokee strip when he homesteaded a claim near Tonkawa Kay county. Here the family lived for a time and selling the farm they moved to Labette county, Kansas. After three years they returned to Oklahoma taking up their home on a good farm near Red Rock. Here the children grew to manhood and womanhood. Mr. and Mrs. Roberson united with the Baptist church at Ceres and lived in the faith until the final summons came. The good wife died October 4th, 1906. The father lived to rear the family and his death is deeply mourned by the children with whom the ties of affection and devotion were unusually strong while the neighborhood grieves for the man who was ever faithful to community, advancement and the uplift of his fellow man. Besides the children, he leaves to mourn six sisters and one brother.

The funeral services conducted by Rev. John M Via, pastor of the Baptist church of Anthony, Kansas were held at the Christian church at Ceres Wednesday, April 19th. The body was laid to rest in the Ceres cemetery.

A large concourse of friends attended the last sad rites, a brother and two sisters being present from a distance. Mr. Roberson had been President of A. H. T. A. lodge No. 707 for many years and the members of the order attended in a body. They preceded the procession to the cemetery and after prayer by Rev. Via took charge of the services.

Rev Via took occasion to tender the thanks for the children, brother and sisters to all who have so kindly assisted then in their bereavement and distress"

"Obituary

Hazel Marie, daughter of Mr. and Mrs. Ned Robinson was born May 25, 1913, died September 23rd, 1928, age 15 years, 3 months and 29 days.

Hazel was born at the home of her maternal grandfather, J. L. Robertson of Ceres, Noble county, Oklahoma. She spent her short life in this neighborhood attending the Pleasant Valley school, which school her parents attended in their youth.

Sometime ago she confessed her faith in Christ and on her death bed she said "I love the Lord and pray to him each night."

She leaves to mourn her loss, her parents, one sister, Maxine Evelyn, age 3 years, three uncles, Clarence Robinson, of South West Missouri; Will Roberson of Billings; and Harry Roberson of Perry and their families; five aunts, Mrs. George E. Barnes of Rockyford, Colorado; Miss Alpha Roberson, Mrs. Ruth

Crittenden of Bakersfield, California; Mrs. Florence Elmore and Mrs. Myrtle Bishop of Pawnee; and a number of cousins and a host of friends.

Her parental grandparents, Mr. and Mrs. T. G. Robinson, formally of this neighborhood, live at Portland, Oregon. Short funeral services were held at the home 11 miles northwest of Perry at 3:30 Thursday afternoon and another service at 4 o'clock at the Baptist church at Ceres with Rev. Grantz of Ceres officiating.

Six school mates were her pall bearers. They were: Joe and Adolph Zavodny, Joe Scholtz, Clarence Foreman, Francis Greer and Walter Savold. Six girls of her graduating class were honorary pall bearers and carried her flowers. They were: Faye Moncrief, Ama and Libby Zavodny, Elva and Murreill Crane and Irene Foreman.

Hazel was loved by all and will be missed in her class at school, in the neighborhood as well as in the home. She was buried in the Ceres cemetery."

"Just Killed Hazel, Elderly Springfieldian Writes

Suitor Slays Bolivar Woman, Calls Mortuary, Shoots Self

"Just killed Hazel. Tried to kill self but gun snapped. Back to Bolivar to get shotgun in car."

Those words, taken from a note, help describe the events which ended in a "murder and suicide," according to authorities, at a home near Bolivar Sunday.

Dead are Alva A. Caldwell, 76, of 2256 North Howard, and Mrs. Hazel Howe, 51, Route 4, Bolivar. They were found at Mrs. Howe's home at Slagle, south of Bolivar, some time after 1 p.m.

Polk County Coroner Sidney Pitts said Caldwell evidently shot Mrs. Howe, then himself.

Mrs. Howe, shot in the head, was found lying on her back on a bed in a front bedroom of her home. Caldwell's body was found slumped by a divan in a den.

....

Flett said Caldwell and Mrs. Howe were seen together in her car Sunday morning after she went to church, and both apparently went to her home. Officers said they had been seeing each other for some time, but she reportedly had been trying to end the friendship. They may have argued about that before the shootings, officers theorized.

....

Flett said Caldwell, after shooting Mrs. Howe and trying to shoot himself,

evidently drove her car to his own, which was parked in Bolivar, and got his shotgun from it. He evidently returned to the house and called the funeral home, then shot himself while the attendants were trying to reach the home by phone from the service station.

. . . .

Caldwell, a World War I veteran, is survived by a step-daughter, Mrs. S. H. Harris, 2232 Roanoke, and a sister, Mrs. Bob Steedman, Long Beach, Calif. He was a member of Dale Street Methodist Church.

Funeral services for Caldwell will be at 2 p.m. Wednesday at the Klingner Chapel with the Rev. Charles C. Clark officiating. Burial will be in Greenlawn Cemetery."

Eleven members of a circuit court jury deliberated about 65 minutes Friday before ruling in favor of the three children of Mrs. Hazel Howe of Slagle, awarding \$15,000 for her wrongful death from a pistol bullet.

Mrs. Shirley Watson, 2743 North Broadway, one of the children, had sued as executrix of her mother's estate for \$25,000. The other children are Bob Howe, Springfield, Ill, and Norma Howe, Memphis, Tenn.

Mrs. Lena Woods, 82, Busy With Handicraft Hobbies

According to Mrs. Lena J. Woods, 82, resident of the King's Daughters home for old people, 628 E. Leebrick, just because a person is unable to get around normally is no reason to be resigned to a life of uninteresting inactivity.

Mrs. Woods, who has lived at the home nearly seven years, is partially crippled with rheumatism, and finds moving about difficult. But her hands are far from inactive, as she keeps busy with numerous handicraft hobbies.

.....

In her room at the KD home, she weaves baskets, trays, plaques. She knits, crochets, makes hot pads. She makes shellwork jewelry. And she hooks yarn rugs.

Mrs. Woods sells many of her objects of handiwork, gives many of them away. She also keeps her four children, four grandchildren and four great grandchildren supplied with hand-made clothing and gifts. During World Wars I and II she applied her hands to knitting sweaters, socks, helmet liners, afghans and wash cloths for servicemen.
