As set forth below, there was a marriage bond for 1814 John Wright's son William Wright and Huldah Pullen, daughter of Thomas Pullen, on January 28, 1792, at Bedford County, Virginia, with John Edgar as surety and the marriage on February 4, 1792. 1814 John Wright's son 1826 John Wright would qualify as the surety on the Sally Pullen bond. 1826 John Wright was married to Susannah (Hudnall) Wright who had a brother John Hudnall, who would qualify as the second surety on the bond. Therefore, the marriage of Thomas Wright and Sally Pullen was probably the second marriage of Thomas Wright, the son of 1814 John Wright.

Over The Mountain Men. Their Early Court Records In Southwest Virginia, compiled by Ann Lowry Worrell, Geneological Publishing Co., Inc., Baltimore, Md., 1976, (originally published 1934) listed the marriage bond of Thomas Wright and Betsy Pullen on March 31, 1785, at Bedford County by Nathaniel Shrewsbury and stated that it was one of a list of marriage bonds not published before 1934. However, the original source for this was a list of marriages filed by Nathaniel Shrewsbury in Bedford County, Virginia, Marriage Book 1/215 that did not list the year of marriage. The list was just before other lists by Nathaniel Shrewsbury that were dated in 1785, 1786 and 1787, and then 1789 and 1790. Ms. Worrell apparently assumed that the placement of the list meant the years were in 1785 and so reported them. However, immediately below the entry for Thomas Wright in that list on page 215 was the listing for the marriage of William Watts and Ann Wright on July 26. The marriage bond for that couple was dated on July 23, 1792, indicating that at least one marriage on the list was in 1792. In handwriting different from that of Nathaniel Shrewsbury are dates of 1791 and 1792 listed after most of the marriages. The conclusion seems fair that this list was properly from 1791 and 1792, not 1785. Given the marriage bond of Thomas Wright and Sally Pullen on March 26, 1792, the marriage listing for Thomas Wright and Betsey Pullen on March 30 would clearly be the same marriage. The difference in the bride's name between the marriage bond and the marriage record indicates that her name was probably Sarah "Sally" Elizabeth "Betsey" Pullen. In addition, as will be set forth below, Thomas Wright and Sarah Elizabeth (Pullen) Wright's first child Margaret (Wright) Mahan named her two of her children Thomas Wright Mahan and Sarah Pullen Mahan.

This deed was probably from 1814 John Wright of Bedford County to his son 1845 Thomas Wright of Pittsylvania County. There were only two John Wrights in Bedford County in 1794 with sons Thomas Wright old enough to own land and those were 1814 John Wright and 1803 John Wright of Bedford County. However, since 1803 John Wright's son's name was Tommey Wright and not Thomas Wright, it follows that this deed was from 1814 John Wright and not 1803 John Wright.

John Wright T.W.	230	4.3	48.17.6	14.8-3/4

This is the only 230 acre parcel listing for a Wright in 1796 and the "T. W." listed after the name probably stands for Thomas Wright, as the one occupying the land on behalf of John Wright who, as will be seen below, repurchased the land from Thomas Wright.

On September 19, 1796, at Pittsylvania County, Virginia, D.B. 10/426 Thomas Wright resold to John Wright the 230 acres of land purchased by Pittsylvania County Deed 10/120:

This deed was for the same land as in Pittsylvania County Deed 10/120. Since both Thomas Wright and John Wright were described in the deed as of Bedford County, this indicates that the seller was 1845 Thomas Wright and the buyer was his father 1814 John Wright of Bedford County.

The Virginia Genealogist, Vol. 22, No. 1, page 27, listed the following entry from a report of Christopher Clark dated June 2, 1801, regarding British mercantile claims after the Revolutionary War:

"Thomas Wright. £8.13.1-1/2, judgment, Bedford Store. Lives in Bedford County, wealthy and reputed honest."

Since 1803 John Wright's son was known as Tommey Wright, 1815 Joseph Wright's son 1849 Thomas was residing in Franklin County, and 1779 John Wright's son Thomas was residing in Campbell County, this reference was probably to 1814 John Wright's son Thomas. The only other Thomas Wright in Bedford County at this time was 1839 Thomas Wright of Highland County, Ohio, the son of 1831 Joseph Wright of Columbiana County, Ohio, and since he was born in 1779, he would have been too young to have incurred a debt during or shortly after the Revolutionary War.

On June 22, 1801, at Bedford County, Virginia, D.B. 11/382 Thomas Wright and his wife Sarah sold their 233 acres of land to Josiah Auld:

Apparently 1845 Thomas Wright sold the same land twice, once by Bedford County Deed 11/355 to Wayman Sinclair and then again by Bedford County Deed 11/382 above. The proximity of dates of the two documents suggest that the first sale was cancelled even though the deed had been recorded or that Wayman Sinclair assigned

his right to the land to Josiah Auld and the second deed was to clarify title in the ultimate owner. The issue is somewhat confused, because 1845 Thomas Wright's nephew, 1839 Thomas Wright, married Latitia Sinclair on March 23, 1801, but there is no record of 1839 Thomas Wright owning land before December 22, 1801, the date of Deed 11/355, and that would be unlikely since he was born in 1779. The result is to confirm the identity of the Thomas Wright of Bedford County Deed 11/355 as 1845 Thomas Wright.

On March 1, 1802, at Pittsylvania County, Virginia, D.B. 13/336 Thomas Wright purchased 221 acres of land from John Smith:

Thomas Preast was appointed ensign in the place of Thomas Wright:

"Ord that Thomas Preast be recomd as ensign in the 1st Batn & 91st regt in the

This appointment of a replacement was consistent with the move of Thomas Wright  
Sarah (Pullen) Wright from Bedford County.

The identification of this Thomas Wright as of "H. Crk" identifies him as the Thomas Wright who purchased 221 acres of land on Harpen Creek by Pittsylvania County Deed 13/336 and, as will be set forth below, as 1845 Thomas Wright of Pittsylvania County.

However, there were two Thomas Wrights in the 1801 Personal Property Tax List for Bedford County, the second of whom was 1845 Thomas Wright's nephew 1839 Thomas Wright of Highland County, Ohio, and this Thomas Wright's household in 1802 more closely fits that of 1839 Thomas Wright in 1801 than it does the household of 1845 Thomas Wright in 1801, and so this Thomas Wright was probably 1839 Thomas Wright and not 1845 Thomas Wright.

The 1802 Land Tax List for Bedford County, Virginia, did not list a Thomas Wright.

In her letter dated August 23, 1988, Mrs. Gail Wright provided the connecting information which linked Thomas Wright, the son of 1814 John Wright, to 1845 Thomas Wright of Pittsylvania County. In that letter she listed a death certificate for John P.

Wright, the son of 1845 Thomas Wright, in Pittsylvania County Death Register 1853-1896, page 28, which listed his birth in approximately 1799 in Bedford County:

"John P. Wright - white/male

 Cause: Billous Attach  
 Age: 57  
 Father: Thomas S. Wright  
 Where Born: Bedford

This record is consistent with the marriage of Thomas Wright and Sarah "Sally" Pullen in 1792, their purchase of land in Bedford County, their sale of that land in 1801, and a move from Bedford County to Pittsylvania County thereafter.

After the death of 1845 Thomas Wright litigation arose regarding his estate. His daughter Nancy (Wright) Watson sued in Pittsylvania County, Virginia, Chancery Court, no file number, for the share of the estate due to her under the will and not fully paid:

"To his Honor the Judge of the Circuit Court of Pittsylvania in Chancery sitting

The bill of complaint of Your Orator & Oratrix Joab Watson & Nancy his wife would respectfully represent that in the year 1845 Thos. Wright the father of Your Oratrix died, having first made & published his last will & testament which has been admitted to probat in the County Court of said County a copy of which is herewith filed marked A made a part of this bill - they further represent that that John P Wright Christopher Wright & William B Wright three of the Executors named in said will qualified & in that character took possession of the estate of the testator both real & personal, it will appear by reference to the 6" clause of said will that the said testator loans to his Executors for the use & benefit of Your Oratrix one thousand dollars the interest of which is to be paid to her annually as long as she lives & at her death the said sum to be paid to the heirs of her body provided she should leave any child or children then living, but if she dies leaving no such child or children then he gives the said one thousand dollars to be equally divided between John P Wright Christopher Wright Joseph Wright & William B Wright & their heirs forever.

Your Orator & Oratrix further represent that assets more than sufficient to pay the said legacy came to the hands of the said Executor - that the said John P Wright and Joseph Wright have paid to Your Orator the sum of \$500 - to be held by him in right of your Oratrix during her life under the said 6th clause of said will that the said Christopher Wright paid to Your Orator annually up to the \_\_ day of \_\_\_\_\_ the sum of fifteen dollars being one fourth part of the annual interest on the sum of \$1,000 & that the said Wm B Wright has never paid them or either of them anything that they never have recieved any part of said legacy except as before stated

Your Orator & Oratrix further represent that all the other legacies & devises in said will have been satisfied that the said Wm B Wright has died and Reuben Witcher has qualified as his admr. with his will annexed that the said Christopher Wright has died also and Allen T Wright has qualified as his Executor - & that assets to a considerable amount have come to the hands both of the said Reuben Witcher & of the said Allen T Wright more than sufficient to satisfy said legacy -Your Orator & oratrix are advised that upon the premises they are

entitled to the interest on the said sum of \$1000 -annually that the said Executors having elected to take under the said will & having appropriated to their own use the devises & legacies to them & having retained the residuum of the estate will not be permitted now to withhold from Your Orator & Oratrix any part of their legacy to the end therefore that justice may be done they say that John P Wright & Joseph Wright in their own right & as Executors of Thos. Wright decd: and Reuben Witcher administrator of William B Wright decd with his will annexed: and Allen T Wright Executor - of Christopher Wright decd be made defts. to this bill & compelled to answer the allegations thereof on oath, may all necessary accounts be directed & finally may your Honor decree that the legacy aforesaid be paid to Your Orator & Oratrix or the interest thereon according to the provisions of said will & finally may Your Honor grant such other & further relief as to Equity may seem meet & the case require grant process &c

Geo H & Jno Gilmer for Comps."

On October 22, 1852, John P. Wright and Joseph Wright filed their joint answer to the complaint in Watson v. Wright alleging that there were insufficient assets in the estate to pay the legacy and that they had voluntarily paid Nancy more than she was entitled to:

"The joint answer of John P Wright and Joseph Wright as Executors of Thomas Wright and in their own right to a bill exhibited against themselves and others in the Circuit Court of Pittsylvania county by Joab Watson and Nancy his wife:

These Respondents saving &c for answer say, that they admit the death of the said Thomas Wright, that it occurred in the year 1845, that he published his will which was regularly admitted to probate in Pittsylvania county court & that a true copy thereof is exhibited with the plaintiff's bill. They admit the qualification of the executors as stated in the said bill. They admit that the 6th clause of the testators will is correctly stated in the plts bill. They deny that assetts properly applicable to the payment of the legacy to the female plaintiff ever came to their hands for the entire property embraced in the said will was necessary to answer the specific legacies & devises & the testator's debts. These Respondents are advised that the legacy to the said female plt is pecuniary and that it must be postponed to the specific legacies & the testator's debts. These Respondents aver that had the expectations of the testator been realized as to the value of the crops &c: which it is evident he intended to raise the said legacy out of, the same might have been discharged without calling on the specific legacies or the fund set apart for payment of his debts, but he proved to be mistaken in the value of the said property, particularly in the extent of his crop made the year of his death, for an unusual drought occurred that year, and the account of sales will shew how little money was realized from the sale of crops & other property left for sale. These Respondents admit that they have paid money to the plts on account of

the legacy aforesaid, but they aver that it is more than \$500. The Respondent & Joseph Wright on the 11th day of November 1848 paid \$295.00 to the plts on account of the said legacy as will appear from a receipt given therefor, herewith filed marked "1." The same is made up of \$250 the fourth part of the said legacy, with interest thereon from the \_\_ day of October 1845, the time of the division of the testator's estate. The Respondent John P Wright on the \_\_ day of August 1849 paid to the plts the sum of \$306.87 being one fourth part of said legacy with interest on it from the time aforesaid, down to the time of payment. The payments aforesaid were merely gratuitous, these Respondents doubting whether the law would subject the specific legacies to payment of the legacy aforesaid (without which it could not be paid out of the assets) but being willing to contribute voluntarily towards the money paid as aforesaid, made the said payments, without any contract to that affect, and without means of doing it, except out of their own means, which they are advised could not have been thus applied, without their voluntary gift of them. The accounts current settled by these Respondents, herewith exhibited marked 3 will shew that they have disbursed all the assets of their testator, and as they only have duly & legally disbursed them & the said accounts will shew that there is no fund to which the plt can resort for payment of their said demand. These Respondents admit the payment of the other legacies mentioned in the testators' will, and these Respondents having fully answered all the allegations of the plts bill, which it concerns them to answer, pray to be hence dismissed with there cost &c:

On October 22, 1852, Reuben Witcher filed a similar answer in the case of  
Watson v. Wright:

"The answer of Reuben Witcher administrator with the will annexed of William B Wright decd to a bill exhibited against himself and others by Joab Watson & Nancy his wife in the Circuit Court of Pittsylvania county:

This Respondent serving &c: for answer says that he admits the death of Thomas Wright, the publication and probate of his will and that a copy of the said will is filed with the complainants' bill. He admits that the persons mentioned in the said bill did qualify as the Executors of the said Thomas Wright, one of whom was William B Wright, the testator of this Respondent: This Respondent does not admit but denies that the said William B Wright did take possession of the testator's estate, either real or personal or had anything to do with the administration of it, except to the limited extent hereinafter mentioned. As to the legacy of \$1000 to the female complainant contained in the 6th clause of the testator's will, this Respondent is advised that it is a pecuniary legacy merely, that none of the specific legacies contained in the will can be made to abate in order to pay it or the annual interest upon it and that in default of means not otherwise appropriated to pay the same the said legacy and its interest must go unsatisfied. This Respondent denies that assets sufficient to pay the same, after payment of the testator's debts & the satisfaction of the specific legacies and devises, did come to the hands of the said William B Wright nor to the hands of this Respondent his admr. nor does he admit or believe that such assets came to the hands of all or either of the other executors of the said Thomas Wright. This Respondent is advised that all the real & personal estate of the said testator was specifically disposed of by the will of the testator unless it be that his crops; stock of horses, cows, sheep & hogs, his household & Kitchen furniture & the his other personal estate not before mentioned in his will were not so disposed of or available to the payment of the complainants demand neither of which pretensions is admitted. If liable, they were first bound for payment of the testator's debts and documents herewith filed & marked 1 & 2 being settlements of the Executors accounts will shew, that the funds aforesaid were inadequate to pay the said debts & that if the demand of the complainants should be paid, it can only be done out of the specific legacies and devises. The testator of this Respondent had very little to do with administering the estate of Thomas Wright decd his health becoming bad, it was agreed between him and the other Executors of the said Thomas Wright, that the said William B should account to them for such assets as he had received & relinquish to them the full management & control of the testator's estate. Accordingly a settlement was made as will appear from document herewith filed marked C, on which the said William B fell in debt to the estate \$4:87 being the balance of the assets of his testator then in the hands of the said WmB. & which balance was paid to the defendant John P Wright as Executor of the said Thomas, as will appear from his receipt for the same herewith exhibited as a part of this answer marked "C." The purchases of personal estate made by the said William B Wright at the sale of Thomas Wright decd amounts to \$300.45-1/4 as will appear from an extract from the account of sales herewith filed as a part of this answer marked "D" and

in the same account it is stated that the four exors purchased the Tomahawk land at \$850.00, so that the amount of assets so received by the said Wm. B. Wright is \$512.50 & these along with the assets heretofore specified in the account current of the said Wm B Wright, are the only assets of his testator that this Respondent has any reason to believe ever came to the hands of the said Wm B Wright and exor of Thos Wright. When it was agreed that the said Wm B should no longer act as exor of the said Thomas, it was arranged as before stated that he should account to the other exors for all assets he had received and pass them over to them, accordingly he executed to them two bonds herewith exhibited marked "E" & "F" in part satisfaction of the said assets, which bonds have been paid and this Respondent as admor of the said Wm W Wright, since the death of the said Wm B has paid to the said Exors the several sums mentioned in exhibits herewith filed marked "G" "H" "I" in full discharge & beyond it of all the assets aforesaid. the payments aforesaid amount to the sum of \$572.61. It thus appears that all the assets received by the said Wm B Wright have been accounted for & indeed a greater amount than he received. This Respondent has reasons to suspect that in the said settlement the said Wm B Wright was charged beyond his liability, but this being a matter not between himself & the coplts it is not necessary to follow it further. This Respondent admits that neither his testator nor himself has paid any part of the interest on the legacy to the female plt, for the reasons above stated and he does not believe that there is any thing in the hands of either of the other Exors properly applicable to the said payment, and having fully answered he prays to be hence dismissed &c:

On October 23, 1852, in Watson v. Wright, John Z. Ramsey, as administrator of Christopher Wright, filed a similar answer to the complaint:

"The answer of John Z Ramsey admor de bonis non with the will annexed of Christopher Wright decd to a bill exhibited against himself and others by Joab Watson & wife in the Circuit Court of Pittsylvania county:

This Respondent answering says that he is the admor with the will annexed of such effects belonging to the estate of Christopher Wright dec, as were unadministered by Allen T Wright his exor & who is now dead. That this Respondent Knows little of the transactions of his testator as exor of Thomas Wright decd & presumes that his accounts current which have been settled & recorded in Pittsylvania county court are correct, he relies upon them as shewing the manner in which his testator has disposed of the assetts of his testator which came to his hands. This Respondent's testator has paid \$35.90 & \$15 to the plts on account of the interest due on the legacy stated in the bill, which is in full of one fourth part of said interest down to the first of November 1850, as will appear from documents herewith filed mark "C". This Respondent submits to the court the question, whether the said legacy is chargeable on any other fund than the crops, stock of horses, cows sheep & hogs, household & Kitchen furniture & the other personal estate of the testator not specifically disosed of by his will, if indeed it is chargeable on that fund. and this Respondent relies that the said fund was not more than equal to the payment of the testators' debts: and this Respondent having fully answered prays to be hence dismissed with his cost:

This day the above named Jno. Z. Ramsey appeared in open court & made oath that the statements contained in the foregoing answer so far as they are made on his own information are true & so far as they are made on the information derived from others, he believes them to be true. Given under my hand this 23d Oct 1852.

The court in Watson v. Wright then ordered an accounting for the estate by the commissioners:

"Watson & wife

Wright Exors &c

This cause came on this day to be heard upon the bill, the answers of John P Wright & Joseph Wright, and the answer of Reuben Witcher administrator with the will annexed of of William B. Wright decd, the exhibits filed and was argued by Council, and the subpoena awarded against Allen T. Wright executor of Christopher Wright decd having been duly executed and he still failing to answer the bill, the same is taken for confessed as to him - and the court being of opinion that the bequest of the interest on the \$1000:00 as an annuity to the female plft by the will of the testator is, by a fair construction of said will properly chargeable upon the residuum of the estate which by the will was bequeathed to the executors; and it appearing from exhibits filed that the plaintiffs have received a sum beyond the interest now due, and the Court not being satisfied whether the payments made by the Executors were intended as a part of the

principal sum which was to remain in their hands at interest, doth order that an account be taken by one of the commissioners of this Court to ascertain, what amount has been paid to the plfts, by whom paid, whether the payments are intended to extinguish any part of the principal sum. If so how much calculating interest upon the principal from

. . . . [Missing bottom part of page] . . . .

On the 10th day of November 1851 The foregoing account of Sales was returned to the Clerks Office of Pittsylvania County Court, and admitted to record

Teste  
Wm. H Tunstall Clk"

After the death of Christopher Wright and before October 23, 1852, Nancy (Wright) Watson sued the estate of Christopher Wright for the share of the estate of 1845 Thomas Wright due to her.

On October 23, 1852, John Z. Ramsey, as administrator of Christopher Wright, filed an answer to the complaint:

"The answer of John Z Ramsey admor de bonis non with the will annexed of Christopher Wright decd to a bill exhibited against himself and others by Joab Watson & wife in the Circuit Court of Pittsylvania county:

This Respondent answering says that he is the admor with the will annexed of such effects belonging to the estate of Christopher Wright dec, as were unadministered by Allen T Wright his exor & who is now dead. That this Respondent Knows little of the transactions of his testator as exor of Thomas Wright decd & presumes that his accounts current which have been settled & recorded in Pittsylvania county court are correct, he relies upon them as shewing the manner in which his testator has disposed of the assetts of his testator which came to his hands. This Respondent's testator has paid \$35.90 & \$15 to the plts on account of the interest due on the legacy stated in the bill, which is in full of one fourth part of said interest down to the first of November 1850, as will appear from documents herewith filed mark "C". This Respondent submits to the court the question, whether the said legacy is chargeable on any other fund than the crops, stock of horses, cows sheep & hogs, household & Kitchen furniture & the other personal estate of the testator not specifically disosed of by his will, if

indeed it is chargeable on that fund. and this Respondent relies that the said fund was not more than equal to the payment of the testators' debts: and this Respondent having fully answered prays to be hence dismissed with his cost:

This day the above named Jno. Z. Ramsey appeared in open court & made oath that the statements contained in the foregoing answer so far as they are made on his own information are true & so far as they are made on the information derived from others, he believes them to be true. Given under my hand this 23d Oct 1852.

On or before July 5, 1875, a suit was filed in Pittsylvania County, Virginia, Circuit Court regarding the estates of Christopher Wright and his son William H. Wright:

"To the Hon. Wm. M. Tredway judge fo the Circuit court of Pittsylvania county.

Humbly complaining show unto your Honor your orator and oratrices Nannie J. Wright and Christopher C. Wright an infant under 21 years of age who sues by his next friend Nannie J. Wright, Betty C. Wright and Alice M. Wright an infant under 21 years of age who sues by Betty C. Wright her next friend, that a certain Christopher Wright departed this life in the year 1851 having made and published his last will and testament which was duly admitted to probat in the county court of Pittsylvania at the Aug term thereof 1851 a certain Allen T Wright one of the executors therein named duly qualified as such and soon afterwards departed this life and a certain John Z. Ramsey qualified as admr. de bonis non with the said will annexed. The testator by his said will required his executor to make sale of his lands as well as personal property all of which will more fully appear by reference a copy of said will the clerk's certificate thereto appended and a copy of the order appointing the said Ramsey admr as aforesaid herewith exhibited as part of this bill marked "A" and "B". The said Ramsey himself became the purchaser of 400 acres of said land for which he failed to pay. A certain William H. Wright who departed this life some time in the year 1870 the husband of your oratrix Nannie J. Wright and the father of your orator Christopher C. Wright a certain A. W. Wright who departed this life some time in the year \_\_\_\_\_ the husband of your oratrix Betty C. Wright and the father of your oratrix Alice M. Wright and a certain Abitha Yates formerly Wright the wife of one John R. Yates were all three children and devisees of the said Christopher Wright decd. The said Ramsey as admr. as aforesaid being largely indebted to the said Wm. H and A. M. Wright and to the said Abitha Yates executed to them a deed conveying the said 400 acres of land which is herewith exhibited as a part of this bill marked "C". The said Wm. H. Wright in his lifetime and the said Yates and wife cut off and assigned to the said A. M. Wright in his lifetime 100 acres of the said 400 acres and paid to him the difference in value between the said 100 acres and one third of the 400 acres. About the year 1872 the said

Wm. H. Wright in his lifetime sold to the said John R. Yates his interest in the said tract of land for the sum of \$900 and put said Yates in possession of the same but there was no memorandum of said contract in writing and said Yates has paid no part of the said purchase money. Your oratrices and orator are willing that said contract may be annulled upon said Yates accounting for reasonable rents during the time he has held said interest in said land. The interests of your oratrices & and orators require a partition of said land and or sale of the slave owned by the said Wm H Wright. In consideration whereof and for as much as your oratrices and orator are remediless in a court of law and relievable only in equity where matters of this kind are properly cognizable & relievable to the end that justice may be done may the said John B Yates and Abitha his wife be made parties defendant to this Bill and compelled to answer the allegations thereof on oath. May the said land be divided between your oratrices and orator & the said John B Yates according to their respective rights May your oratrices Nannie J Wright & Betty C Wright be decreed their dower rights in the same. May the share of the said Nannie J & Christopher C Wright be sold and finally may your Honor grant to your oratrices and orator such further & other relief as to your Honor may seem meet & the nature of the case requires. Christopher Wright:

- Children:     1)     William H. Wright,  
                  2)     A. W. Wright, and  
                  3)     Abitha (Wright) Yates.

On September 2, 1875, at Pittsylvania County, Virginia, Chancery Court Loose Papers, Wright v. Yeatts, no file number, John R. Yates or Yeatts and Abatha Yeatts, his wife, filed their answer to the complaint of Nannie J. Wright:

"The joint answers of John R Yates and Abatha his wife to the bill of complaint exhibited against them in the Circuit Court of Pittsylvania County by Nannie J Wright Christopher C Wright by &c & others.

These defendants saving and reserving to themselves the benefit of all just exeptions to the said bill of complaint for answer thereto say they admit the death of Christopher Wright, the probate of his will the qualifications of his personal representatives as stated in the bill - that a true copy of said will is exhibited with the bill. That John Z Ramsey admit de bonis non of said Christopher Wright became the purchaser of a portion of the land devised by said will, containing nearly 400 acres (about 398 acres) and failed to pay for the same that said Ramsey was largely indebted in his capacity as admor of said Christopher Wright to these defendants and the said Wm H & A M Wright and executed to them a deed conveying the said land. These defendants further admit that they and the said Wm H Wright in his lifetime cut off and assigned to the said A M Wright in his lifetime about 100 acres of land, the tract so cut off containing as they believe 98 acres a part of the said tract of 398 acres and paid to him the difference in value between the said 98 acres & one third of the value of the said 398 acres. They further admit that about the year 1872 the said Wm H Wright sold to the deft John R Yates his interest in the said tract of land for the sum of \$900.00 and put him in possession thereof that there was no memorandum in writing of said contract, and that he paid no part of the purchase

money. These defendants are wiing that said contract may be annulled and to account for reasonable rents for the use and occupancy of said land from the date of the death of said Wright H Wright to which times the said rents were settled, provided a reasonable compensation be allowed to the deft John R Yates for the permanent improvements put on the said interest so purchased by him since the date of said purchase. These defendants have no objection to the prayer of the bill being granted and having fully answered they pray to be hence dismissed

John R. Yeatts

Pittsylvania county to wit

This day the above named John R Yates personally appeared before me a Justice of the peace in and for the county aforesaid and made oath that the statements contained in the foregoing answer so far as they depend upon his own information are true and so far as they depend upon information derived from others he believes them to be true. Given under my hand this 2nd day of Sept 1875

On September 16, 1875, at Pittsylvania County, Virginia, Chancery Court Loose Papers, Wright v. Yeatts, no file number, the deposition of C. R. Owen was taken:

"The depositions of C R Owen & others taken before me Ross Carter a Comr in chancery of the Circuit Court of Pittsylvania County at the Court House of said County at the Office of the said Comr on the 16 day of Sept 1875 by consent of all parties Pltffs & Defts to be read as evidence in behalf of Pltffs on the trial of a certain suit in chancery depending in the Circuit Court of Pittsylvania County between Nannie Wright &c by &c Pltffs & Jno R. Yeatts & wife Defts.

The said C. R. Owen introduced as a witness by the Pltffs being first duly sworn deposed & saith

Question by Counsel for Parties - State whether or not you are acquainted with the tract of land in the bill mentioned supposed to contain about 398 acres, if so, how long have you known it & how far do you live from it?

Answer - I have known the land for about twelve or fourteen years - have lived on it for as much as four or five years, & live now within half a mile of it.

By Same - State whether or not you are acquainted with the heirs at law of Wm H. Wright

Answer - I am acquainted with them.

By Same - State whether or not in your opinion it would be more conducive to the interest of said heirs & each of them, to hold their interest in said land in 'kind' or to sell the same -

Answer - I think it would be to the best interest of the parties & each of them to sell the said land

By Same - Has or has not the said land willed to the heirs of said W H Wright any profit, if so, what profit, since the death of the said W. H. Wright, which occurred some two years since

Answer - If they have ever gotten anything from said land I dont know it, & my impression is that they have never gotten anything.

By Same - State whether or not you ever heard the said W H Wright in his lifetime speak of having purchased a portion of the land belonging to the heirs of Jno. D. Hunt decd which was sold under a decree of the Circuit Court of Pittsylvania County.

Answer - I heard Mr Wright speak of having bought a tract of land on Stright Stone creek in conjunction with Maj Chas W. Yeatts & that he Wright had a payment of about \$1000.00 to make on said land, within a very short time, probably in the course of a week & this conversation took place sometime about a year before his death.

And further this deponent saith not.

On October 1, 1878, in the case of Wright v. Yeatts the deposition of Jonathan R. Yates was taken:

"The depositions of Jno. R. Yates & others taken before E. S. Reid one of the Comr's in Chancery of Pittsylvania Circuit Court at his office at the Courthouse of said County on the 1st day of Octo. 1878, to be read as evidence in relation to certain matters of accounts directed to be taken by said Comr. under a decree of said Court rendered at its August term last in the suit in Chancery therein pending of "Wright vs Wright" & "Wright vs. Yates"

Said Jno. R. Yates being first sworn deposed & saith:

Question by Comr.

State if you are acquainted with the real estate of which Wm H. Wright died seized & possessed, and if so state if you know of any real estate now belonging to said Wrights estate & which has not been sold in either of the above stated suits subject to the payment of said Wrights debts:

Ans: I think I am acquainted with all the real estate & interest in real estate which Wm. H. Wright owned at his death. The said Wright & myself owned a tract of land jointly at his death & his interest in this land has been sold & purchased by me. He also owned an interest in a Store house built by himself & Joab Watson on Joab Watsons land which interest has also been sold & purchased by B. A. Pullen - The said Wright also owned a one half interest in a tract of 700 & odd acres of land purchased by him & C. W. Yates - This land was divided, I think before Mr. Wrights death & has never been sold - And I have understood that a considerable amt of the purchase money for the land is still due - It was purchased of Jno L. Hunt Comr in the suit of "Graves vs Hunt"

By Same: State if you are acquainted with said last mentioned tract of land, & if so what in your opinion is it worth per acre?

Ans: I am not very well acquainted with it have been over though - & I would not suppose that the land would sell for more than \$6.00 or \$8.00 per acre. Some of it is very fine land

By Same

Do you know whether or not the widow of said Wm H. Wright is now living & if so state if you know whether or not she has ever been assigned dower in his real estate?

Ans: She's living. I don't think dower has ever been assigned her - I have never heard of any being assigned her

By Same

Who is now in possession of the tract of land purchased by said Wright & Yates of Jno. L. Hunt Comr.?

Ans. Mrs. Wright, the widow, and said Yeatts live on the land and are in possession of it

And further this Deponent saith not

John R. Yeatts

The foregoing deposition of Jno R Yeatts was duly taken, sworn to & subscribed before me at the time & place aforesaid.

Teste

This record indicates that Allen T. Wright had died before September 19, 1859.

On or before July 5, 1875, a suit was filed in Pittsylvania County, Virginia, Circuit Court regarding the estates of Christopher Wright and his son William H. Wright:

"To the Hon. Wm. M. Tredway judge fo the Circuit court of Pittsylvania county.

Humbly complaining show unto your Honor your orator and oratrices Nannie J. Wright and Christopher C. Wright an infant under 21 years of age who sues by his next friend Nannie J. Wright, Betty C. Wright and Alice M. Wright an infant under 21 years of age who sues by Betty C. Wright her next friend, that a certain Christopher Wright departed this life in the year 1851 having made and published his last will and testament which was duly admitted to probat in the county court of Pittsylvania at the Aug term thereof 1851 a certain Allen T Wright one of the executors therein named duly qualified as such and soon afterwards departed this life . . . ."

This record indicates that Allen T. Wright died after August 18, 1851, and probably in 1851.

ii. John P. Wright

John P. Wright was a son of 1851 Christopher Wright of Pittsylvania County and Elizabeth "Betsy" (Debo) Wright. (John<sup>1</sup>, 1814 John<sup>2</sup>, 1845 Thomas<sup>3</sup>, 1851 Christopher<sup>4</sup>)

Winston Dalton's Register in the William and Mary Quarterly, Volume 14, stated that:

"Wright, John P., son of Christopher & Elizabeth, born 15 Jan. 1825. . . ."

The 1850 Census for Pittsylvania County, Virginia, listed John Wright in the Christopher Wright household and his age as 25 and born in Virginia, indicating a date of birth in about 1825.

On March 20, 1854, at Pittsylvania County, Virginia, Acc. Cur. Book 19/578 Joab Watson filed an accounting for the estate of Allen T. Wright which listed the legatees of that estate as the children of Christopher Wright and John P. Wright was not included in that list. This record indicates that John P. Wright had probably died before his brother Allen T. Wright, that is, before April 8, 1852.

iii. Ardinna Or Ardena (Wright) Smith And Her Husband Ralph Smith

Ardinna or Ardena (Wright) Smith was a daughter of 1851 Christopher Wright of Pittsylvania County and Elizabeth "Betsy" (Debo) Wright. (John<sup>1</sup>, 1814 John<sup>2</sup>, 1845 Thomas<sup>3</sup>, 1851 Christopher<sup>4</sup>)

Winston Dalton's Register in the William and Mary Quarterly, Volume 14, stated that:

"Wright, Ardinna, dau. of Christopher & Elizabeth, born 14 Jan. 1827 . . . ."

The marriage bond of Ardena Wright and Ralph Smith was dated on December 5, 1843, at Pittsylvania County, Virginia:

"Know all men by these presents, That we Ralph Smith and Christopher Wright are held and firmly bound unto the Commonwealth of Virginia, in the sum of one hundred and fifty Dollars, to the payment whereof, well and truly to be made, we bind ourselves, our heirs, Executors, and Administrators jointly, and severally,

firmly by these presents, sealed with our seals, and dated this 5th day of December 1843

The condition of the above obligation is such, that whereas a marriage is intended to be solemnized between the above bound Ralph Smith and Ardena Wright of Pittsylvania County. Now if there be no lawful cause, to obstruct the said marriage, the the above obligation to be void, else to remain in full force and virtue.

Witness,  
Wm. H. Tunstall

Ralph Smith  
Christopher Wright"

The will of Christopher Wright dated June 17, 1851, and probated on August 18, 1851, at Pittsylvania County, Virginia, W.B. 2/124 appeared to identify Ardena (Wright) Smith, the wife of Ralph Smith, as one of his children:

". . . . 5th It is also my further will and desire that my children be made equal in my estate and that those that I may have given of any thing heretofore I wish the amount deducted from their part.

6th It is my will and desire that Ardena Smith the wife of Ralph Smith be charged with sixty five dollars and the same to be deducted from the amount going to Ralph Smith . . . ."

iv. Sarah Ann (Wright) Ramsey, Her Husband John Ziegler Ramsey, And Her Descendants

Sarah Ann (Wright) Ramsey was a daughter of 1851 Christopher Wright of Pittsylvania County and Elizabeth "Betsy" (Debo) Wright. (John<sup>1</sup>, 1814 John<sup>2</sup>, 1845 Thomas<sup>3</sup>, 1851 Christopher<sup>4</sup>)

Winston Dalton's Register in the William and Mary Quarterly, Volume 14, stated that:

"Wright, Sarah Ann, dau. of Christopher & Elizabeth, born 25 Oct. 1828 . . . ."

The marriage record of Sarah Ann Wright and John Ramsey was dated on September 9, 1850, at Pittsylvania County, Virginia.

"Know all men by these presests, That we are held and firmly bound unto the Commonwealth of Virginia, in the sum of one hundred and fifty dollars, to the payment whereof, well and truly to be made, we bind ourselves, our heirs, Executors, and Administrators jointly, and severally, firmly by these presents, sealed with our seals, and dated this 9th day of September 1850

The Condition of the above obligation is such, that whereas a marriage is intended to be solemnized between the above bound John Z. Ramsey and Sarah Ann Wright of Pittsylvania County. Now if there be no lawful cause, to obstruct the said marriage, then the above obligation to be void, else to remain in full force and virtue.

Witness,"

The will of Christopher Wright dated June 17, 1851, and probated on August 18, 1851, at Pittsylvania County, Virginia, W.B. 2/124 appeared to identify Sarah Ann (Wright) Ramsey, the wife of John Ramsey, as one of his children:

". . . . 5th It is also my further will and desire that my children be made equal in my estate and that those that I may have given of any thing heretofore I wish the amount deducted from their part. . . .

9th It is my will and desire that Sarah Ann Ramsey the wife of John Ramsey be charged with Thirty five dollars. . . ."

In her letter dated March 30, 2000, Joanna Ramsey enclosed family group sheets which stated that the Pittsylvania County, Virginia, Death Index listed the death of Sarah Ramsey on March 20, 1853, at Pittsylvania County, Virginia. However, in that same letter Joanna Ramsey enclosed a photograph of a tombstone at Hebron Cemetery, Grayson County, Texas which listed the following:

"Sarah A. wife of J Z Ramsey born Oct 25, 1828 Buried in Virginia 1852"

In addition, The History of Grayson County, Texas by Grayson County Frontier Village, 1979, included an article by Faye Norton Bock regarding John Ziegler Ramsey which stated that:

". . . . His first wife was Sarah Ann Wright whom he married in Virginia and lost through death in 1852, a year after the birth of their only child, my grandmother Esther Elizabeth Ramsey. . . ."

The death of Sarah Ann (Wright) Ramsey was, therefore, either in about 1852 or on March 20, 1853, at Pittsylvania County, Virginia.

On July 15, 1855, at Pittsylvania County, Virginia, Acc. Cur. Book 20/484 John Z. Ramsey filed his accounting as guardian for the minor children of Christopher Wright:

This record indicates that John Z. Ramsey had remarried after the death of Sarah Ann (Wright) Ramsey and had two additional children. The William Wright of the household was Sarah Ann (Wright) Ramsey's younger brother William H. Wright.

In her letter dated March 30, 2000, Joanna Ramsey enclosed a photograph of the tombstone of John Ziegler Ramsey at Hebron Cemetery, near Bells, Grayson County, Texas, which stated:

"John Z. Ramsey  
Born May 9, 1828  
Died Mar 22, 1906"

In her letter dated March 30, 2000, Joanna Ramsey enclosed an article from The History of Grayson County, Texas by Grayson County Frontier Village, 1979, regarding John Ziegler Ramsey by Faye Norton Bock which stated that:

"Ramsey, John Ziegler  
by Faye Norton Bock

John Ziegler Ramsey was my mother's mother's father, and I never knew him; but my mother was devoted to him and I have often heard her talk of her joy when as a child she visited him in his farm home near Bells, and particularly of the year after she was a young lady when she lived with him and taught in a small country school nearby.

John Ziegler Ramsey was born in Virginia on May 9, 1828, the youngest of the twelve children of Hailey S. and Esther Ziegler Ramsey. His first wife was Sarah Ann Wright whom he married in Virginia and lost through death in 1852, a year after the birth of their only child, my grandmother Esther Elizabeth Ramsey. She was born in Pittsylvania County, Virginia on August 23, 1851 and after her mother's death lived with her paternal grandmother, Esther Ziegler Ramsey, until her 15th year.

During these intervening years, probably around 1855, John Ziegler Ramsey remarried, his new wife being the former Judith E. Gilbert. Four of their ten children were born in Virginia: Gustavus Adolphus, Feb. 24, 1857; Mittie E., Dec. 4, 1859; Missie, Oct. 23, 1861; and Lucy L., Aug. 23, 1863.

In 1866 at the close of the Civil War when many families were leaving the devastated regions of the Old South, the John Ziegler Ramsey family, including the daughter of his first marriage, migrated by wagon train to Texas settling first at Honey Grove in Fannin County, but later moving to a farm in Grayson County near Bells. In and around Honey Grove and Bells, the last six children were born: John S., Jan. 6, 1867; Archer D., Sept. 16, 1869; Kate, July 7, 1871; Loudeema, Oct. 11, 1873; Thomas H., July 11, 1876; Henry A., Nov. 21, 1878.

John Ziegler Ramsey died on March 22, 1906 and is buried at Hebron, a country church graveyard near Bells in Grayson County. On his tombstone is a memorial to his first wife, Sarah Ann Wright Ramsey, who is buried in Virginia. His second wife, Judith E. Ramsey died on August 28, 1900 and is buried beside him.

All of the immediate descendants of John Ziegler Ramsey lived and died in or near Grayson County, and their spouses were members of early families of this area. Most of them engaged in farming. His eldest daughter, however, was the only one who lived in Denison and played a part in that city's earliest days. Esther Elizabeth Ramsey married James Preston Bell (q.v.) on Dec. 26, 1872. At the first sale of lots in Denison James P. Bell bought ground at 911 West

Sears where he build his home and brought his bride. The couple lived there until his death on May 13, 1909, and "Betty" Ramsey Bell continued to live in the family home until her death on August 20, 1927. Their two daughters, Lola and Lida, also maintained a close connection with Denison throughout their lives.

Lola Montez Bell was born in Denison on Sept. 19, 1874. She was married on June 3, 1894 to Dr. Madison M. White, a doctor and long-time druggist in Denison. The first years of their married life were spend in Linden, Indiana, but they returned to Denison before 1906 and remained there until their deaths. They were the parents of two sons and two daughters: Clarence, born Nov. 22, 1895, died Dec. 18, 1903; Harold Preston, born July 6, 1897, died Feb. 27, 1932; Esther Lida, born June 30, 1906; and Maxine Elizabeth, born Oct. 17, 1910, died July 20, 1927. Dr. White died on Feb. 10, 1929, and his wife, Lola Bell White, died on April 12, 1959. Both are buried with two of their children in Fairview Cemetery in Denison.

The surviving daughter of Lola Bell and Madison M. White, Esther White Harshaw still lives in Denison. On Oct. 4, 1936 she married Julius Claude Harshaw, also of Denison, who died on July 21, 1964. Their only child, Linda Jo, married James C. Wilson of Denison on Oct. 10, 1964. They have two children Jolinda Anne, born Jan. 19, 1971 and James C., born Jan. 29, 1974. The family lives in Denison.

Lida Ethel Bell was born in Denison on June 3, 1878. She married Floyd Ligon Norton, Sr. (q.v.) in Oklahoma City on August 17, 1908. He had previously lived in Denison and after two years during which he served as superintendent of schools in Roff, Oklahoma, the couple returned to Denison where they made their home for most of the years until Floyd Ligon Norton's death in Denison on Feb. 8, 1954. After her husband's death, Lida Bell Norton lived in Austin, Texas with their only child, Faye Norton Bock, and her family until her death on Feb. 9, 1970. Both are buried at Fairview Cemetery in Denison.

A fitting tribute to John Ziegler Ramsey and the family he established in Texas is the epitaph recorded by one of his descendants in the Ramsey family Bible: "Our Father, After having been afflicted for years God said 'Tis enough, come up higher', and John Z. Ramsey's spirit took its flight . . ."

In her letter dated March 30, 2000, Joanna Ramsey also enclosed family group sheets which stated that Sarah Ann Wright was born on October 25, 1828, at Pittsylvania County, Virginia, married John Ziegler Ramsey on September 9, 1850, at Pittsylvania County, Virginia, died in 1852 or March 20, 1853, at Pittsylvania County, Virginia, and was buried in Virginia, that John Ziegler Ramsey was born on May 9, 1828, at Danville, Pittsylvania County, Virginia, married second Judieth Edwards Gilbert

1) Esther Elizabeth Ramsey, born on August 23, 1851, at Pittsylvania County, Virginia.

The 1860 Census for Pittsylvania County, Virginia, listed Esther E. Ramsey in the John Z. Ramsey household on July 21, 1860:

"Bell, James and Esther  
by Linda Wilson

My great grandfather, James Preston Bell, was born in Franklin County, Virginia on Jan. 22, 1841. James left Virginia just before the start of the Civil War for Missouri, arriving in Portland, Mo. Christmas day 1858. He entered the service of the Confederacy at the beginning of the War and served the entire four years. During the War, James became a Mason bearing the distinction of a special dispensation whereby, owing to the exigencies of the War, he received all the degrees within one week. At the time these degrees were conferred, the Confederates were encamped at or near Vicksburg, while a Union gunboat was anchored in the river. By invitation the officers of the boat, who were Masons, met with the Confederate Masons and themselves conferred these degrees upon the Confederate soldiers.

After the war, James joined a wagon train from Virginia during one of its stopovers in Missouri. It was on this wagon train headed to Texas that James was to meet his future bride, Esther Elizabeth Ramsey.

Esther was travelling with her father, John Ziegler Ramsey, her stepmother, and several half brothers and sisters. Esther was born in Pittsylvania County, Virginia on Aug. 23, 1851. The wagon train arrived in Texas in 1866. The Ramseys settled near Bells, and James settled near what was to be Denison. James was present when the town was laid off and bought a lot at the first sale in 1872. On this lot, located at 911 W. Sears, he built a home to which a few months later he would bring a bride. James and Esther were married in Honey Grove, Tx. on Dec. 26, 1872, by the Rev. Piner.

James was a master carpenter and cabinetmaker. He was a member of the Methodist Church, an honored member of the Lone Star Lodge A.F. & A.M. No 403, and a charter member of the Denison Chapter No. 138 R.A.M.

James and Esther had two daughters, Lola Montez, my grandmother, born Sept. 19, 1874, and Lida Ethel, born June 3, 1878. Both girls were born in the Bell home, which remained in the possession of the family until Esther's death on Aug. 20, 1927. Esther, a dressmaker, was a charter member of the First Baptist Church and is buried next to her husband in Maple Grove Cemetery (now Fairview Cemetery) in Denison. James died on May 13, 1909. His services were conducted by the Rev. A. J. Kincaid under the auspices of the Masons.

Lola Bell married Dr. Madison White on June 3, 1894. Their only surviving child, Esther, was born June 30, 1906 in the Bell home. Esther married J. C. Harshaw Oct. 4, 1936. They have one daughter, Linda Jo, born Oct. 30, 1944. I am married to James C. Wilson. We live in Denison, Tx. and have two children, Jolinda Anne, born Feb. 19, 1971 and James C., born Jan. 29, 1974. Lola died

in Denison on April 12, 1959, and is buried in Fairview where Dr. White is also buried

Lida Bell married Floyd L. Norton Aug. 17, 1908. Their daughter, Faye, was born Jan. 31, 1917. Faye married Granville H. Bockor Jan. 2, 1943. They have one child, Anne Ligon, born April 4, 1944. Anne is married to James A. Cloar and is living in Dallas, Tx. They have two daughters, Tracy Anne, born June 28, 1971 and Jennifer Leigh, born Nov. 13, 1973. Lida died in Austin, Tx., where her daughter lives, on Feb. 9, 1970 and is buried in Fairview Cemetery, Denison, Tx. as is her husband, Floyd Norton."

Question 1st by deft, State what was your opportunity of knowing the condition of the estate of William Jefferson decsd at the time of his death and also what the condition was

Answer I was living year Wm Jefferson at the time of his death. I was also at the sale of his property after his death and to the best of my recollection said sale amounted to about one hundred and seventy dollars. There was also a small negro girl which was not sold at said sale. This I think was all the effects left by said Decdt. I managed the affairs of the estate for a time and was not able to recover any money on account of any papers left by said Jefferson

Question 2nd by same State who made the coffin of said Jefferson and also its price & value

Answer Myself & Benjamin Simonas made the coffin case and charged the estate the sum of twelve dollars which sum was paid by the Exr

Question 3d by same State whether or not you think I was Justifiable in attempting to break the last will and testament of Field Jefferson and also your reason for said opinion

Ans I certainly think you were Justifiable in attempting to break said will. Ansr If there was any difference I do not know it.

By same. Do you or not know, what was the age of plff when she first came to live with the deft.

Ansr I do not.

By same. Can you or not from some idea of her age at the time she first came to defts house to live, & if so state your opinion as to what her age was

Ansr. I suppose she was some five six or seven years old

By same Do you or not suppose that a child of 5 years of age, taken into a family such as the defts, boarded, clothed & well taken care of in every respect as you before stated, is worth the expense of such attention treatment or, in rendering service or labor thereby

Ans. I think she was worth the treatment &c that she received

By same. Would you or not be willing to take into your own family the child of another person, only 5 years old, & support & treat it well, as though it was a member of your own family, for its service

Ansr. It might have been several years after that, that she learned to do all this business that I have seen her doing.

Question by counsel for plt. State if you are well acquainted with the plt. Eliz: B Wright, & if so how long. When did you first form her acquaintance & where did she live from that time to the date of her marriage - when did said marriage take place

Ansr. I have been acquainted with her for some ten or twelve years. I knew her when she was a small girl when she moved over to the poplar house near Cooks mill. She lived at the mill (Ramseys mill) when she married. She married in September \_\_\_\_ in 1854 or 55.

By same. With whom did she live from the time you first knew her to her marriage

Ansr. With the deft Henry Ramsey

By same. State if you were acquainted with the deft & family during said time & if you were in the habit of visiting at his house.

By same. State the character of sd. plt. during the period of your acquaintance with her, for industry & attention to business.

Ansr. I always took her to be an industrious girl & attentive to her business

The foregoing question is objected to by the defts counsel upon the ground that it is irrelevant and relates to character when the witness has not been asked whether she knows the general character of the plff or not

By Same. State the age of sd. plt. when you first formed her acquaintance.

Ansr. I suppose she was some seven or eight years old perhaps not quite so much, she was a small girl

By Same. State what the services of sd. plt., such as you have stated her to have been in the habit of rendering to the deft., were worth annually from the time you first knew her to her marriage

Ansr. I think her services were worth her board & clothes from the time she first went to Mr. Ramseys to live, up to the time of her marriage

By same. State what her services were worth during the years 1853 & 1854

Ansr. I have to think they were worth some \$15.00 or \$20.00 pr year or as much as a negro girl

Ralph Smith appeared before the Com'r and being duly sworn deposed & saith:-

Q by Comr. You are herewith shown a paper filed as a exhibit in this cause by M. A. Wrights Exe'x and marked "A" purporting to be a due bill executed by W. H. Wright to A. M. Wright on the 1<sup>st</sup> of April 1873 for \$100.00 please examine the same and state whether or not the signature thereto is the genuine signature of the said W. H. Wright? State also what opportunities you have had of becoming acquainted with his handwriting?

Ans. I have examined said paper and the signature thereto I believe to be the genuine signature of the said W. H. Wright He lived with me about 4 years and I saw his handwriting frequently and in that way became acquainted with it

Q. by same. You have filed with the papers in this cause as an exhibit and marked "B" a bond purporting to have been executed by the said W. H. Wright to Ralph Smith and the said A. M. Wright on the 13 of March 1873 for \$350.00 & due on demand please state whether said bond or any part thereof has been paid?

Ans. No part of said bond has ever been paid - said bond was executed to me and the said A. M. Wright for a bond due from the said W. H. Wright to Jno. W. Reynolds and paid off by us as his sureties. The said A. M. Wright paid \$75.00 of said bond and I paid the balance. I have said bond in my possession & will file it with the Com'r in a few days.

Q by same. State whether or not the said W. H Wright died seized and possessed of any real estate, or interest in any real estate? If so state the quantity, value & location of the same.

Ans. He owned an interest in the estate of his father Christopher Wright dec'd jointly with his sister Abitha Yeatts containing about 300 acres, located in the Western part of the County on the waters of Harping Creek. It adjoins the land of Wm Jefferson & others. said land since his death has been divided & sold under decree of Pittsylvania Cir. Court - He also owned an interest in some land, to what amt I do not know, on Stright stone Creek in the North Eastern part of the Co known as "Hunts old place" said Wrights interest in the tract of land derived from his father was worth about \$800.00 He also owned a one third interest in a store house located at "Rorers old place" held jointly by him & Joab

Watson I suppose said Wrights interest in said house is worth some where about \$100.00 And further this deponent saith not

Bruce A. Pullen appeared before the Com'r and being duly sworn deposed & saith:

Q. by Com'r. State whether or not Wm H. Wright died seized & possessed of any real estate, or had any interest in any at the time of his death? If so state the quantity, value & location of the same.

Ans. He held at the time of his death one third interest in a certain tract of land located in this County near Green pond church on the waters of Harping Creek, containing between three & four hundred acres. His one third interest in the same I suppose is worth about \$800.00 His father Christopher Wright died, seized & possessed of this land He also owned one half interest in the tract of land purchased jointly by him & Chas. W. Yeatts known as the "old Hunt place" containing about 800 or 1000 acres said land is located near Strait Stone Church in this Co. on the waters of Strait Stone Creek. I suppose the whole place is worth about \$6000.00 His interest in it, I suppose, is worth some \$3000.00 but there is a balance of the purchase money still due on said land, I do not know how much. The said Wright & Joab Watson under the firm & style of Watson & Wright built a store house on the land of the said Watson near "Rorers Old Place" worth at this time, I suppose, some \$300. Said wright owned one third interest in said house - and rec'd 2/3 of the rent of the same during his lifetime. Nothing has been paid to any one on account of his interest in said rents since his death

Q. by same When was said house built and how much has it rented for annually down to the death of said Wright?

Ans. It rented it for \$80.00 annually down to the death of said Wright. It was built in the Winter of 1867

Q. by same. Who has had possession of said house since the death of said Wright down to the present time?

Ans. It has been occupied by Watson & Pullen since April whether you consider said interest real estate or not. Said interest I suppose is worth some \$200.00.

The said Wright and my-self purchased jointly a tract of land on Strait Stone known as Hunts old place containing 795 acres. We divided said land before said Wrights death into three tracts. I took the home place containing about 400 acres & he took the other two tracts containing about the same quantity. We are both jointly bound for the purchase money amounting to the sum of \$4800.00. I have paid a little upwards of \$2000.00 on said purchase. I do not know how much said Wright paid on said place I think he paid \$600.00 before his death, and his Adm'r about \$400.00 since his death. The balance of said purchase money is still due.

Q. by same. How much do you think said land would sell for if sold on the usual terms

Ans. I do not think said land would sell for more than \$6.00 per acre.

Q. by same Of whom did you purchase said \_\_\_\_\_

\_\_\_\_\_ 1<sup>st</sup> 1874, for the 8 months preceeding this time it was unoccupied.

Q. by same. Who rented said house from the time it was built down to the death of said Wright?

Ans. I rented it down to the death of said Wright

Q by same. When did said Wright die?

Ans. About the 1<sup>st</sup> of Sept. 1873

Q by same. State if you know whether there was any agreement or contract between the said Watson & said Wright about the land upon which said Store house was built?

Ans I never heard of any.

Q. by same. How much do you suppose the rents & profits of said Store house have been worth annually since April 1<sup>st</sup> 1874?

Ans I own two thirds of said store house and am willing to take \$50.00 for the whole of said house annually. I think this is all it is worth. And further this eponent saith not

On October 1, 1878, at Pittsylvania County, Virginia, Chancery Court Loose  
Papers, in the case of Wright v. Wright, no file number, the deposition of Jonathan R.  
Yates was taken:

"The depositions of Jno. R. Yates & others taken before E S. Reid one of the  
Comrs in Chancery of Pittsylvania Circuit Court at his office at the Court house of  
said County on the 1st day of Octo. 1878, to be read as evidence in relation to  
certain matters of Accounts directed to be taken by said Comr under a decree of  
said Court rendered at its August term last in the suit in Chancery therein  
pending of "Wright vs. Wright" & "Wright vs. Yates"

Said Jno R Yates being first sworn deposed & saith:

Question by Comr. State if you are acquainted with the real estate of which Wm H. Wright died seized & possessed, and if so state if you know of any real estate now belonging to said Wrights estate & which has not been sold in either of the above styled suits subject to the payment of said Wrights Debts:

Ans: I think I am acquainted with all the real estate & interest in real estate which Wm H Wright owned at his death. The said Wright & myself owned a tract of land jointly at his death & this interest in this land has been sold & purchased by me. He also owned an interest in a store house built by himself & Joab Watson on Joab Watsons land which interest has also been sold & purchased by B. A. Pullen - The said Wright also owned a one half interest in a tract of 700 & odd acres of land purchased by him & C W Yates. This land was divided, I think before Mr Wrights death & has never been sold - And I have understood that a considerable amt of the purchase money for the land is still due - It was purchased of Jno L. Hurt Comr in the suit of "Graves vs Hunt".

By Same: State if you are acquainted with said last mentioned tract of land & if so what in your opinion is it worth per acre?

Ans: I am not very well acquainted with it, have been over though - & I would not suppose that the land would sell for more than \$6.00 or \$8.00 per acre. Some of it is very fine land

By Same Do you know whether or not the widow of said Wm H Wright is now living & if so state if you know whether or not she has ever been assigned dower in his real estate?

Ans: She's living I dont think dower has ever been assigned her - I have never heard of any being assigned her

By Same Who is now in possession of the tract of land purchased by said Wright & Yates of Jno L. Hurt Comr?

Ans. Mrs Wright, the widow and said Yeatts live on the land - and are in possession of it

And further this Deponent saith not

The complaint dated on or before July 5, 1875, in the case of Wright v. Yeatts, Pittsylvania County, Virginia, Chancery Court, no file number, identified Abitha (Wright) Yates as a daughter of 1851 Christopher Wright:

". . . a certain Abitha Yates formerly Wright the wife of one John R. Yates were all three children and devisees of the said Christopher Wright decd. . . ."

On October 1, 1878, the deposition of Jonathan R. Yates was taken:

"The depositions of Jno. R. Yates & others taken before E. S. Reid one of the Comr's in Chancery of Pittsylvania Circuit Court at his office at the Courthouse of said County on the 1st day of Octo. 1878, to be read as evidence in relation to certain matters of accounts directed to be taken by said Comr. under a decree of said Court rendered at its August term last in the suit in Chancery therein pending of "Wright vs Wright" & "Wright vs. Yates"

Said Jno. R. Yates being first sworn deposed & saith:

Question by Comr.

State if you are acquainted with the real estate of which Wm H. Wright died seized & possessed, and if so state if you know of any real estate now belonging to said Wrights estate & which has not been sold in either of the above stated suits subject to the payment of said Wrights debts:

Ans: I think I am acquainted with all the real estate & interest in real estate which Wm. H. Wright owned at his death. The said Wright & myself owned a tract of land jointly at his death & his interest in this land has been sold & purchased by me. He also owned an interest in a Store house built by himself & Joab Watson on Joab Watsons land which interest has also been sold & purchased by B. A. Pullen - The said Wright also owned a one half interest in a tract of 700 & odd acres of land purchased by him & C. W. Yates - This land was divided, I think before Mr. Wrights death & has never been sold - And I have understood that a considerable amt of the purchase money for the land is still due - It was purchased of Jno L. Hunt Comr in the suit of "Graves vs Hunt"

By Same: State if you are acquainted with said last mentioned tract of land, & if so what in your opinion is it worth per acre?

Ans: I am not very well acquainted with it have been over though - & I would not suppose that the land would sell for more than \$6.00 or \$8.00 per acre. Some of it is very fine land

By Same

Do you know whether or not the widow of said Wm H. Wright is now living & if so state if you know whether or not she has ever been assigned dower in his real estate?

Ans: She's living. I don't think dower has ever been assigned her - I have never heard of any being assigned her

By Same

Who is now in possession of the tract of land purchased by said Wright & Yates of Jno. L. Hunt Comr.?

Ans. Mrs. Wright, the widow, and said Yeatts live on the land and are in possession of it

And further this Deponent saith not

John R. Yeatts

The foregoing deposition of Jno R Yeatts was duly taken, sworn to & subscribed before me at the time & place aforesaid.

This record indicates that John P. Wright was born in about 1795.

After the death of 1845 Thomas Wright and before October 22, 1852, Nancy (Wright) Watson sued John P. Wright regarding the amount due to her from her father's estate.

On October 22, 1852, John P. Wright and Joseph Wright filed their joint answer to the complaint alleging that there were insufficient assets in the estate to pay the legacy and that they had voluntarily paid Nancy more than she was entitled to:

"The joint answer of John P Wright and Joseph Wright as Executors of Thomas Wright and in their own right to a bill exhibited against themselves and others in the Circuit Court of Pittsylvania county by Joab Watson and Nancy his wife:

These Respondents saving &c for answer say, that they admit the death of the said Thomas Wright, that it occurred in the year 1845, that he published his will which was regularly admitted to probate in Pittsylvania county court & that a true copy thereof is exhibited with the plaintiff's bill. They admit the qualification of the executors as stated in the said bill. They admit that the 6th clause of the testators will is correctly stated in the plts bill. They deny that assetts properly applicable to the payment of the legacy to the female plaintiff ever came to their hands for the entire property embraced in the said will was necessary to answer the specific legacies & devises & the testator's debts. These Respondents are advised that the legacy to the said female plt is pecuniary and that it must be postponed to the specific legacies & the testator's debts. These Respondents aver that had the expectations of the testator been realized as to the value of the crops &c: which it is evident he intended to raise the said legacy out of, the same might have been discharged without calling on the specific legacies or the fund set apart for payment of his debts, but he proved to be mistaken in the value of the said property, particularly in the extent of his crop made the year of his death, for an unusual drought occurred that year, and the account of sales will shew how little money was realized from the sale of crops & other property left for sale. These Respondents admit that they have paid money to the plts on account of the legacy aforesaid, but they aver that it is more than \$500. The Respondent & Joseph Wright on the 11th day of November 1848 paid \$295.00 to the plts on account of the said legacy as will appear from a receipt given therefor, herewith filed marked "1." The same is made up of \$250 the fourth part of the said legacy, with interest thereon from the \_\_ day of October 1845, the time of the division of the testator's estate. The Respondent John P Wright on the \_\_ day of August 1849 paid to the plts the sum of \$306.87 being one fourth part of said legacy with interest on it from the time aforesaid, down to the time of payment. The payments aforesaid were merely gratuitous, these Respondents doubting whether the law would subject the specific legacies to payment of the legacy aforesaid (without which it could not be paid out of the assets) but being willing to contribute voluntarily towards the money paid as aforesaid, made the said payments, without any contract to that affect, and without means of doing it, except out of their own means, which they are advised could not have been thus applied, without their voluntary gift of them. The accounts current settled by these Respondents, herewith exhibited marked 3 will shew that they have disbursed all the assets of their testator, and as they only have duly & legally disbursed them & the said accounts will shew that there is no fund to which the plt can resort for payment of their said demand. These Respondents admit the payment of the other legacies mentioned in the testators' will, and these

Respondents having fully answered all the allegations of the plts bill, which it concerns them to answer, pray to be hence dismissed with there cost &c:

On March 2, 1856, at Pittsylvania County, Virginia, Chancery Court Loose  
Papers, in the case of Dudley v. Simmons, no file number, Joseph Wright, Thomas  
Dudley, and the Pittsylvania Savings Bank filed a complaint to recover funds that John P.  
Wright had transferred to his children prior to his death:

"To the Honorable George H. Gilmer Judge of the Circuit Court of Pittsylvania  
County, humbly complaining shew to your honor Your Orators Thomas Dudley,  
Joseph Wright and the Pittsylvania Savings Bank (who sue for themselves and  
all other creditors of John P. Wright decd. who may choose to come in and  
participate in the expenses of this suit) that the said John P Wright who is now  
deceased in his life and before the fraudulent transfers and conveyances  
hereinafter mentioned were made contracted debts to sundry persons to a very  
large Amount and especially to your Orator Thomas Dudley a debt by bond due  
the 8th of October 1850 for 5000\$. no part of which or of the interest thereon has  
as yet been paid: to your Orator Joseph Wright a debt due by bond of about  
\$1100 & to your Orator the Pittsylvania Savings Bank - a debt due by note  
originally for about 4000\$ but which has been reduced since by payments to  
about \$1600 and to sundry other persons debts due by bond, notes & accounts  
amounting with the above debts of your Orators to between \$15000 & \$18000 -

That being so indebted and owning property barely sufficient if in truth it was sufficient to meet his liabilities - with a view as your Orators Charge of hindering & delaying his said creditors and of providing something from the wreck of his fortune for his children he afterward made large advances out of his estate to his children to wit to Wm T Wright his son, who is now deceased five negroes towit a negro woman named Caroline & her four children Hannah Priscilla Samuel & Scott and their future increase - to his son Lewis Wright a negro boy Mark and a negro named Lythe or Talitha, and to Sarah Cook his daughter who is the wife of Harman Cook a negro girl named Nancy - these negroes were all given to his children aforesaid by the said John P. Wright when he was greatly involved in debt; and subsequent to the time, when the liabilities to your orators were contracted; were wholly voluntary, and without consideration deemed valuable in Law; for the purpose of hindering and delaying your Orators & his other creditors in the collection of their dues; and within five years before the institution of this suit.

Your Orators further shew that the slaves aforesaid given Lewis Wright, have remained as they believe in the possession of the said John P. Wright until his death, or on the same plantation and with his family; and charge that the pretended gift also on that account is void - that the said Lewis Wright now has possession of them, either as Administrator or under the pretended gift aforesaid: That Harman Cook & Sarah his wife have possession of the girl Nancy aforesaid: and that William T. Wright on his death, which took place in feby 1853 bequeathed by his will the negroes given to him as aforesaid to his Wife Rebecca G. Wright, who after having taken possession of them under his said will, intermarried with Chapman J. Simons who now holds said slaves and their increase.

Your Complainants herewith file copies of the evidence of their debts & statements of the amount thereof and of the Will of Wm. T. Wright above mentioned as part of this their bill of complaint. Your Complainants are advised that under the circumstance the voluntary conveyance gifts & advancements aforesaid are wholly void vs the creditors of said John P. Wright & are in truth so far as they are concerned, to be held and treated in equity as still the property of said John P. Wright for the payment of their debts; & that the voluntary donees of said slaves have no right to sell dispose of or convey away said slaves or any part of them or of their increase until the debts aforesaid are discharged - that should they do so, it would hereafter be very difficult to ascertain the actual value of each of said slaves and whether in existence or not, at the rendition of any decree that may be hereafter made; and what proportional sum each donee ought to contribute to the payment of the debts of said John P. Wright. And your Complainants fear & believe that some of said slaves, (if not all) may be placed by the present holders beyond the jurisdiction of this Court unless restrained by injunction - Your Complainants have instituted proceedings in equity against the Administrators and the heirs of John P. Wright deceased in this honorable Court

to subject what personal assets have come to the hands of said Admrs. and the real assets which have descended to the heirs to payment of the debts in a due course of Administration, and only seek to subject the slaves in the hands of the voluntary donees aforesaid, to the payment of the balance due them, after all the assets real & personal aforesaid, shall have been exhausted - But from my careful estimates they are satisfied, that a very considerable amount of the debts aforesaid will remain unpaid, by said Admrs. & heirs.

In tender consideration of the premises & in as much as your Complainants are remediless therein except in this honorable Court, in Equity where matters of this sort are properly cognizable to the end therefore that Chapman J. Simmons Lewis Wright and Harman Cook, be made defendants to this your Orators bill of complaint and be compelled to answer the same and each and every allegation thereof on their corporal oaths as specially and particularly as if the same were here after repeated and they and each of them specially interrogated thereto - that the voluntary gifts and advancement aforesaid may be set aside, that the slaves aforesaid may be sold together with the increase of the females of said slaves or so many as may be necessary for the purpose and the proceeds applied in full discharge of the debts of your Orators and of such other creditors of said J. P. Wright as may come in under this bill or so much of said debts as may remain due after exhausting the real and personal estate of the said J. P. Wright remaining at his death and in the meantime that the C. J. Simmons Lewis Wright & Harman Cook may be enjoined and restrained from selling conveying away beyond the jurisdiction of this Court or in any manner disposing of the slaves or any of the slaves aforesaid in their and each of their possession respectively until the matters arising on the premises aforesaid may be fully heard and determined - And that your honor may grant such other and further relief as to equity may seem meet: May it please your Honor to grant the Commonwealths writ of Subpoena &c. &c

Tho J. & N. T. Green p.q.

On May 30, 1856, at Pittsylvania County, Virginia, Chancery Court Loose Papers, in the case of Dudley v. Simmons, no file number, Chapman J. Simmons filed his answer to the complaint:

"The answer of Chapman J. Simmons to a Bill of Complaint exhibited against himself and others in the Circuit Court for the County of Pittsylvania by Thomas Dudley & others.

This Respondent for answer to the said Bill or to so much thereof as he is advised is material for him to answer says: that the Bill of the said Complainants is demurrable on the face of it in several particulars, herein after stated and without waving the benefit of his demurrer relies upon the following causes of Demurrer as fully as if formally set out in a general Demurrer.

1. The administrators of John P. Wright ought to have been made parties defendant in said Bill to answer whether assets sufficient to pay the debts of John P. Wright have come into their hands to be administred, as the Conveyance of said Slaves was certainly valid between the parties & could in no view be void if said administrators had received other assets sufficient to pay the debts of their Intestate
2. The Bill admits that a creditors suit is instituted and the solvency of the estate of John P. Wright should be tested in that suit before this Respondent can be called upon under any circumstances to give up the said slaves.
3. The Representative of the estate of William T Wright should have been a party defendant.
4. The bill aforesaid admits a gift of said Slaves to William T. Wright, the death of said William - that said William bequeathed said slaves to his widow now the wife of this respondent, & said slaves have come into the possession of this Respondent in right of his wife Rebecca as aforesaid - which gives a good title to this respondent as a purchaser in Law for valuable consideration.

But this respondent being required to answer said further saith that he has no knowledge of the claims set up by the plaintiffs in said Bill; and if this Hon Court should entertain jurisdiction of said Creditors claims and all others who may come forward & prove their claims he requires legal proof of the claim of the plaintiffs & all others who may claim to participate in the benefits of said suit. Your Orator is not accurately informed of the condition of Jno. P. Wright's estate; but he beleives that the complainants in their Bill have overestimated their

amount, and he does not believe that under proper management that said estate is insolvent, or if there be a deficiency of assets to pay to debts, the deficiency will be inconsiderable.

This Respondent further answers that he denies that the said gift of the slaves in the Bill mentioned from John P. Wright to his son William T. Wright was made to hinder delay or defraud creditors - he is informed that at the date of the gift to said Wm. T. Wright said John P. had more than sufficient property to pay his just debts - and altho the want of success in his dealing in Tobacco & manufacturing the same and trading in slaves after the gift aforesaid & in other speculatives may have reduced the estate of said John P. Wright he was solvent when the said gift was made & gave off his property with no more liberally than most old men of his age. He expressly denies any fraudulent intent on the part of said John P. Wright and is advised that all the creditors whose claims originated subsequent to the said Gift cannot under any circumstances be permitted to impeach the said gift & set it aside as there was no fraudulent design on the part of said John P. Wright to injure his creditors & his estate was sufficient to pay his debts at the time said Gift was made. This distinction between subsequent & prior indebtedness your Respondent is advised can be early carried out as the fund claim in this suit if recovered would not be legal assets to be distributed, under the Law of Intestacy, to Creditors but equitable that could never come into the hands of the Administrators of John P. Wright, as the gift was between the Intestate and his administrators, & the donees & those claiming under them is valid. This Respondent denies the allegations in the Bill that the gift to William T. Wright of the slaves aforesaid was subsequent to the time when all the debts of the said John P. Wright were contracted. This respondent insists that he is a purchaser in Law for valuable consideration without notice - that it has been some many years since the said slaves were given to Wm T. Wright - that said Wm. T. held them under said gift or advancement in full possession for several years & at his death bequeathed them by his will properly recorded to his wife the said Rebecca G who received them during her widowhood into possession under the assent of the Representative of said Wm. T. Wright & this Respondent then intermarried with said Rebecca without the least suspicion of any claims of any creditor of said John P. to said slaves or of any fraud actual or constructive on the part of said original donor He is advised that his marriage with the said Rebecca places him upon the footing of a purchaser for value - that as between the parties & those claiming under them the said gift was valid, that the said Rebecca as universal legatee under Wm T. Wrights will had a complete title as against John P. Wright and his representatives & that the title thus acquired by Rebecca passed to this Respondent"

On October 29, 1856, at Pittsylvania County, Virginia, Chancery Court Loose Papers, in the case of Dudley v. Simmons, no file number, Lewis A. Wright filed his answer to the complaint:

"The Separate answer of Lewis A Wright to a Bill of Complaint exhibited in the Circuit Court of Pittsylvania by Thomas Dudley and others against this respondent and others.

This respondent saving to himself the benefit of all just exceptions to the said Bill for answer thereunto Says he admits that his father John P Wright in his life time contracted debts to a considerable amount the precise amount and the dates at which they were severally contracted this respondent can not state with certainty but he denies that the said John P Wright made advancements to his children with a view of defrauding or of hindering or delaying his creditors. He admits that the said John P Wright who was seized and possessed of a large estate real and personal made reasonable advancements to his several children as they became of age or married He made an advancement in negroes to his daughter Mary C upon her Marriage with Fleming Edwards, also to his daughter Sarah he made an advancement in negroes at the time of her marriage with Harman Cook and some years thereafter a further advancement of a negro girl named Nancy He also advanced to his son Wm T Wright a negro woman Caroline and some children and to this respondent after he had attained his full age he advanced a boy Mark and two girls Charity and Litha one of whom Charity is since dead. This advancement was made to this respondent on the 8th day of February 1853 and this respondent had the possession and controul of them from that time. It is true that he worked them on his fathers lands up to the time of his death. He admits that he now has possession of Mark and Litha and claims them as his property. He also admits that the complainants have another suit in this court to subject the personal & real assets of the said John P Wright to the payment of his debts. And having fully answered this respondent submits that the advancement made to himself is not more than those made to the intestates other children and is not unreasonable and prays to be hence dismissed &c

"The Separate answer of Lewis A Wright admr of John P Wright decd and in his own right to a Bill of Complaint exhibited in the Circuit Court of Pittsylvania by Thomas Dudley and others against this respondent and others

This respondent saving to himself the benefit of all just exceptions to the Said Bill for answer thereunto Says he admits that John P Wright departed this life in March 1856 in the County of Pittsylvania intestate, that he was in his life time indebted to the Complainants and others the amount of which indebtedness this respondent can not specifically state also to this respondent in the sum of \$1000 due 25" of Dec 1855 that the intestate at the time of his death was possessed of nine slaves and of other personal property but not sufficient to pay his debts, that the said intestate was also at the time of his death Seized and possessed of two tracts of land in the County aforesaid which this respondent thinks are worth at least \$4000. This respondent can not say with certainty whether the whole assets real and personal of the intestate will be Sufficient to pay his debts perhaps they may turn out to be insufficient. He admits that Vincent Witcher and himself are the administrators of the said intestate that himself, Sarah Cook, & Mary Edward are his only heirs.

This respondent is willing that the accounts prayed for in the Bill may be taken and that the estate may be administered according to law.

And having fully answered this respondent prays to be hence dismissed &c

On March 10, 1857, at Pittsylvania County, Virginia, Chancery Court Loose Papers, in the case of Dudley v. Simmons, no file number, the plaintiffs amended their complaint to name Lewis A. Wright and Vincent Witcher as defendants:

"To the Honorable Judge of the Circuit Court of Pittsylvania county, Thomas Dudley, Joseph Wright and the Pittsylvania Savings bank (who sue as well for themselves as all other creditors of John P Wright decd. who may come onto this suit & participate in the expences thereof) represent to the Court that they heretofore exhibited their bill in this Honorable Court against Chapman J Simmons, Lewis Wright and Harman Cook, setting forth among other things that the said John P Wright had died intestate, indebted to your orators in various sums of money specified in said bill and evidenced as therein mentioned - that besides these debts they had reason to believe that he owed between \$15000 & \$18000 at the time of his death and that his real & personal estate which had devolved on his heirs at law & come to the possession of his personal representatives was insufficient to pay the same. That the said John P Wright being so indebted & owning property barely sufficient, if indeed it was sufficient to pay his debts, with a view to hinder & delay his creditors, your orators among the rest, in collecting their debts & to provide for his children out of the wreck of his property, had advanced to a son of his, William T Wright certain slaves in said bill specified, that said William T took possession of said slaves under said pretended gift, that after having duly published & declared a last will & testament

bequeathing said slaves to his wife Rebecca G Wright, he departed this life - that said Rebeca G has since intermarried with the deft Simmons, who holds said slaves & their increase under the pretended gift aforesaid. That said decedent under the circumstances and with the views aforesaid had also made advances of slaves to his son Lewis, who however did not get possession thereof until after the decease of said John P Wright. That said decedent under the circumstances and with the views aforesaid made advances of slaves, as specified in said bill, to his daughter Sarah Cook, wife of Harman Cook. That your orators had instituted proceedings against the personal representatives and the heirs at law of said decedent to subject the personal & real estate of sd. decedent in the hands of his personal representatives & heirs at law to the payment of all his debts according to the statute and that a very considerable amount of debt they were satisfied would remain unpaid, after applying all the assetts real & personal in payment of the decedents debts. The bill therefore charges that the gifts aforesaid were fraudulent & void as to the creditors of said decedent, that the property attempted to be conveyed by them was liable to pay any deficiency remaining after applying the real & personal assetts to the payment of said debts & that said Chapman J Simmons, Lewis Wright, and Harman Cook defts to said bill, for reasons therein stated, be enjoined from selling, conveying away beyond the jurisdiction of this Court the slaves aforesd. or in any manner disposing of them until the matter of said bill be decided, and that enough of said slaves & their increase to meet any deficiency in the real and personal assetts of said decedent, may be applied in payment of his debts. All which will appear more fully from a copy of said original bill herewith filed as part of this bill marked "A". And now by way of amendment to said bill, your orators without relinquishing but insisting on every allegation thereof, charge that on the death of said John P Wright intestate, Vincent Witcher and Lewis Right took administration on his estate & have received into their possession such personalty as belonged to their intestate at the time of his death & have collected considerable debts due \_\_\_\_\_ him, but not insofar as your orators are informed to pay their said debts. To the end therefore that said Vincent Witcher and Lewis Wright admrs of John P Wright decd. be made defts to said original bill and required to answer its allegations - that they state distinctly all the personal esetate of their intestate which has come to their hands or knowledge that they state their accounts as admrs as aforesaid and after ascertaining that there is any deficiency in the assetts in their hands to pay the debts of your orators & any others that may be duly established that the same be paid by sale of the slaves in the hands of the donees aforesaid & that such other & further relief be extended to your orators as equity and their case require, May it please the Court &c.

On April 6, 1857, at Pittsylvania County, Virginia, Chancery Court Loose Papers, in the case of Dudley v. Simmons, no file number, the court confirmed the gifts to William T. Wright and set aside the gifts to Lewis A. Wright and Sarah Cook:

"Dudley Wright &c )  
vs )  
Simmons Wright &c)

This cause came on this day to be heard on the original and amended Bill and the answers of the defendants Chapman J. Simmons, Harman Cook, and Lewis A Wright & replications thereto examination of witnesses and exhibits\* and was argued by Counsel: On consideration whereof, it appearing by the evidence, that the slaves charged in the bill as being in the possession of Chapman J Simmons, are the slaves given by John P. Wright deceased in his life time to his son William T. Wright in his life time & their increase and were by the said William T. bequeathed to his widow Rebecca G. & that said Rebecca took possession of them with the assent of said William T's Executor and held such possession claiming them under said will up to the time of her intermarriage with said defendant Chapman J. Simmons (and that altho said John P. Wright was much indebted at the date of the gift made to his son as aforesaid) yet no actual fraud or fraudulent intent is shewn, in regard to said gift between the said John P. Wright & said William T., and it further appearing to the Court that no specific lien had attached in favour of any of the creditors of said John P. upon said slaves, before the said Rebecca G. intermarried with the said Chapman J, the court is of opinion that the gift being before good between the donor & donee, the title of the said Chapman J. Simmons to the said slaves in consideration of marriage & in right of his wife became complete on his marriage and said slaves cannot be subjected to the payment of the debts of said intestate John P Wright. The Court doth therefore adjudge order and decree that the bill of the plaintiffs as to the said Chapman J Simmons be dismissed with costs.

And the Court being further of opinion that the gifts made by the Intestate John P Wright in his life time to his Son Lewis A Wright of the slaves Mark & Tabitha, and to his daughter Sarah Cook of the girl Nancy were made when said Intestate, as appears by the evidence was greatly indebted and being purely voluntary are void as to the creditors of said John P Wright: and the court doth pronounce said gifts fraudulent in Law & void: and it appearing by the report of Commissioner Banks, taken in the creditors suit of Dudley &c. against Wrights administrators &c, which by consent of parties by Counsel is admitted as aforesaid as an exhibit in this cause, that the indebtedness of the estate of said John P Wright over & above the assets real & personal is of greater amount than the aggregate value of the slaves given to the said Sarah Cook & Lewis A Wright as aforesaid, the Court doth further adjudge order & decree that the defendants Lewis A Wright & Harmon Cook each deliver the slaves & their increase as aforesaid, that they respectively received from the said John P

Wright in his life time viz the defendant Harmon Cook the slave, Nancy & her increase if any born since the said gift by John P Wright to him, and the defendant Lewis A Wright the slaves Mark and Tabitha & her increase if any born since the gift to him by the said John P Wright to Vincent Witcher and the Court doth further adjudge order and decree that the said Vincent Witcher, who is hereby appointed a special commissioner for that purpose, do after having advertized the time and place of sale for four weeks successively at the Court-house of this County & in one of the Newspaper in Danville, sell at said Court-house on some court day by public auction, the said slaves for cash and deposit the proceeds of sale in the Pittsylvania Savings Bank

But the said Vincent shall not act under this decree until he shall have executed Bond with good security, in the penalty of five thousand dollars conditioned according to law"

On June 9, 1857, at Pittsylvania County, Virginia, Chancery Court Loose Papers, in the case of Dudley v. Simmons, no file number, the court ordered an accounting of the debts and assets of John P. Wright and the administration of his estate:

"Dudley &c.

v.

Wrights Admrs & heirs

This Cause in which the plaintiffs have proceeded by publication against the defendants Fleming Edwards and Mary his wife (who are not inhabitants of this Commonwealth) in the manner prescribed by law for proceeding against absent defendants and they still failing to appear and answer, on motion of the plaintiffs by counsel the bill as to them is taken for confessed, came on this day to be heard on the bill, and answer of Vincent Witcher Admr. & John P. Wright decd. Lewis Wright as Admr. of John P. Wright decd. and in his own right & the answer of Harman Cook & Sarah his wife, exhibits &c & was argued by Counsel in consideration whereof, and it being admitted that the personal assetts which came to the hands of said Admrs. will be wholly insufficient to discharge & satisfy the debts of the said John P. Wright decd the Court doth adjudge order & decree that Vincent Witcher who is hereby appointed Commissioner for the purpose, do make sale by public auction to the highest bidder, after reasonable public notice of the time and place of the real estate of which the said John P. Wright died seized or possessed on a credit of twelve months, taking bonds with ample security for payment of the purchase money and retaining also the title of said land until the further order of the Court - And that he refers his proceedings together with the bonds aforesaid to the Court.

And the Court doth further adjudge order and decree that Commissioner Banks do take the following accounts -

1. An account all the personal assets rights & credits debts due & demands which were of the said J. P. Wright deceased at the time of his death & which have come to the hands of his said Admrs. V. Witcher & Lewis Wright since his death stating the value thereof & if sold for how much, & what debts have been collected, which were due the said J. P. Wright in his life time - And what are still due to his estate, distinguishing such as are sperate from those which are believed to be desperate.

2. An account of the real assetts of the said J. P. Wright decd. with the present value of the same

3. An account of all the debts due by the said John P. Wright, to the plaintiffs and to all the other creditors of the J P. Wright, who may choose to come in & claim to participate in the assetts of the said John P. Wright deceased - distinguishing in such account by seperate statements debts of superior dignity from debts of inferior dignity according to the order & classification established by the act of assembly for the payment & distribution of the assetts of a decedents estate amongst his creditors and shewing what creditors if any have specific claims on said assetts, or any part of said assetts and for what sum or sums.

4. An account of the administration of said Estate, by the said V. Witcher and the said Lewis Wright so far as the same may have been administered by them

Which said accounts the said Commissioner is hereby directed, to adjust state settle & report to this Court with any matters deemed pertinent by himself or required by any of the parties to be so reported And the Court doth further order that Comr. Bank do give notice by publication in the Danville Register & Danville Republican of the time & place fixed upon by him for taking the accounts ordered by this decree; and that he do also appoint a day after which no evidence of debts will be recieved by him, in order to enable him to report his said accounts to next court - and such notice by publication will be deemed sufficient by the Court to enable it to decree on said reports"

On November 5, 1857, at Pittsylvania County, Virginia, Chancery Court Loose Papers, in the case of Dudley v. Simmons, no file number, N. Witcher filed his report with the court regarding his sale of the land of John P. Wright to pay his debts:

"To the Circuit Court of Pittsa County

Pursuant to a decree of said Court rendered at the May term of said Court 1857 in a suit in chancery pending therein between Thomas Dudley & others plaintiffs and Vincent Witcher and Lewis A Wright as administrators of Jno P. Wright & others defendants the undersigned who was appointed a special commissioner

by said decree to sell the land belonging to the estate of John P. Wright deceased mentioned in said suits reports to the court that on the 25th day of September 1857 he sold said land embraced in two tracts by way of public auction to the highest bidder after having advertised the time & place of sale in the Danville Register and at several public places near said land for more than thirty days previous to the time of sale on a credit of twelve months to wit, one tract to Lewis A. Wright containing one hundred & fifty seven & a half acres for the sum of one thousand five hundred & eighty dollars (\$1580.00) and he executed his bond for the purchase money due the 25th day of September 1858 with Joseph Wright and V. O. Witcher as his securities, the other tract to Lee P. Francis for the sum of three thousand one hundred & seventy five dollars (\$3175.00) on the same terms with Joseph E. Francis & Perkins Parish as his securities which last tract contains 295 acres Both of which said bonds are herewith returned. Given under my hand as commissioner aforesaid the 5th day of November 1857

N. Witcher"

On November 9, 1857, at Pittsylvania County, Virginia, Chancery Court Loose Papers, in the case of Dudley v. Simmons, no file number, the plaintiffs filed their exceptions to the report of the commissioner:

"The plaintiffs and other creditors of John P. Wright decd. by Counsel except to the report of Commissioner Banks for this -

1. That the debt of \$1138.66, principal and \$293.20 interest amount in all to the sum of \$1431.86 on the fourth page of said report is classed by said Commissioner with valid & bona fide debts due from the said intestate and not amongst voluntary debts & obligations of the intestate to be last paid
2. Because the debt aforesaid was the true & proper debt of Wm. T. Wright decd. to the said savings bank and should have been paid out of his estate (which was ample) by his Exr or Admr. with the will annexed - The said J. P. Wright being only his security and accommodater endorser as said note - the said Wm. T. Wright having recieved for his own use & benefit the whole proceeds of said note.
3. Because the said intestate never did assume said Debt to said Bank but in order to avoid a protest after the death of said Sm. T. Wright, against himself as endorser, requested the Admr. or Exr. of said Wright to pay off the note aforstd. & that in his doing so he would be responsible, refund or repay the same to said Exr. or Admr. for the benefit of his sons Wm. T. Wrights estate.
4. Because such promise by a security to the legal representative of the real debtor is merely voluntary without consideration and void, so far as the bona fide

creditors of John P. Wright decd. are concerned, and does not create a debt against the estate of J. P. Wright at all, or in any event of a higher grade than voluntary obligations & promises.

5. Because it is a promise without consideration and therefore not obligatory on the legal representative of J. P. Wright.

6. Because it is a promise to pay the debt of another, and by our statute of fraud void unless in writing.

7. Because if such promise is valid at all it was merely an effort to advance further, his sons legatee, by paying off himself a charge upon the assets willed by said Son to his widow & to prevent the slaves already given by him to his said son from being sold to pay debts of the estate, & thus to secure them to his widow & legatee & thus the assumption aforesaid if valid, is a larger & further advancement to his said sons Estate.

On March 18, 1858, at Pittsylvania County, Virginia, Chancery Court Loose Papers, in the case of Dudley v. Simmons, no file number, the depositions of James A. Mitchell, Coalman D. Bennett, and William Witcher were taken:

"Deposition of James A Mitchell taken March 18th 1858, pursuant to notice, to be read as evidence in a suit pending on the Circuit Court of Pittsylvania county, wherein Thomas Dudley & others are plaintiffs & Chapman J Simmons & others are defts - the deponent being first duly sworn deposeseth & saith

Quest by plts. State if you know it, at what time the marriage occurred between William T Wright and Rebecca G, now wife of the deft Chapman j Simmons?

Ansr. I recollect that the marriag took place in 1851. I see from Mr. Scruggs certificate it took place 7th January of that year which from my recollection I have no doubt is correct - And further this deponent saith not

James A. Mitchell

The deposition of Coalman D Bennett a witness duly sworn at the time aforesaid, to be read in said suit

Quest by plts. State when the note of \$1600 mentioned in the bill as discounted at the Pittsylvania Savings bank was made originally - for what sum was the original note made out of which said note of \$1600 was made?

Answer On the 16th of August 1851, a Note was drawn by John P. Wright in favour of William Witcher, W. W. Keen & E. H Keen and the drawn Credited - payable Sixty days after date, at the Pittsylvania Savings Bank for Four Thousand dollars. The Sixteen hundred dollars is the balance of the Note aforesaid of \$4000. & further this deponent saith not.

Colman D. Bennett

The deposition of William Witcher taken at the same time to be read in the suit aforesaid, the said Witcher being duly sworn deposeth & saith

Quest by plts. State whether or not you were an endorser on the note mentioned in the deposition of Coalman D Bennett, this day taken, amounting to \$4000 & whether the money decreed from said note was paid to rein a note discounted at one of the Banks at Lynchburg, made by John P. Wright, now deceased & endorsed by you & others?

The defendant C. J. Simmons objects to the examination of the witness Wm. Witcher on the ground of Interest.

Ans. I was Endorser on a Note discounted in one of the Banks in Lynchburg for sum \$4000. or \$5000.00 & about the time the note was discounted in the Sav. Bank referred to in Bennetts deposition, J. P. Wright informed me that he wanted the money to pay off the debt in Lynchburg.

Quest by same. What was the pecuniary condition of said John P Wright during the year 1850 & to the time of his death?

Ansr. I did not think he was able to pay his debts during 1850 to the time of his death.

By same. State whether you endorsed the note of \$4000 mentioned in the deposition of Coalman D Bennett as made by said John Wright discounted in Pittsylvania Savings bank? if you did are you now an endorser on the note of \$1600 mentioned also in said deposition? if you are not, why did you decline to endorse it?

Ans. I was an Endorser on the note first mentioned - I am not an Endorser on the note of \$1600. I dont know that I ever did decline to endorse it, I was never applied to. The reason perhaps I was never applied to was that I had stated to Vincent Witcher and my son in Law J Poindexter that I doubted the Solvency of J P Wright, which I thought was communicated to him.

Quest. by Counsel for Simmons. Has it ever been understood by you & the other Endorsers in the sd note of \$4000.00 in Sav. Bank that in case they have

to pay the sd note of \$1600.00 that you are to bear a part of the loss as you endorsed the note that that note partially retired?

Ans. There was no such understanding.

Quest. by Same. Have you ever been informed by any person that you were bound to share a part of the loss, should there be any to the other parties on sd. note?

Ans. No.

Quest. by Same. You state that you think J. P. Wright was not able to pay his debts from the commencement of 1850 to his death is that opinion based on any calculation of his debts & means, made by you at any time.

Ans. Yes it was.

Quest. by Same. State when such calculation was made.

Ans. I have been making these calculations for several years.

Quest. by Same - Was not J. P. Wright a trading man, & if he was did you ever have access to his Books to ascertain his debts & credits?

Ans. He was a trading man. I never had any access to his Books he has talked to me of his debts frequently.

Quest by plts. State whether or not you refused to endorse for said John P Wright twelve years ago?

Ansr. I think I did. & further this deponent saith not

In October 1858 at Pittsylvania County, Virginia, Chancery Court Loose Papers, in the case of Dudley v. Simmons, no file number, the court ruled on the exceptions to the commissioner's report:

This day this cause came on to be further heard on the papers formerly read and upon the report of Commissioner Banks made under an order entered at the May term 1857 of this Court and exceptions thereto by the plaintiffs and upon the report of the same comr. made pursuant of an order rendered at the Octo Term 1857 to which report there is no exception and was argued by Counsel. On consideration whereof the court sustains the first exception of the plaintiffs endorsed on the report first mentioned as aforesaid and recommits the account to the same Commissioner with instructions to reform the same and charge the admrs. with the interest actually due on the amount in their hands leaving them to look to the Savings Bank for such interest as the Bank will pay and the Court overrules the 2d Exception of the plaintiffs to said report for allowing the claim of Lewis A. Wright for \$1000.00 and charging the intestates estate with the same. And the court without passing the 3d. exception of the Pltffs to said report at this time commits the said account to the same Commissioner with instructions to take an account of the partnership transactions (if practicable) in the negro trade between John P. Wright & William T. Wright and to charge the estate of said William T. with whatever balance if any may appear to be due the estate of said John P. from the said William T. on account of of the said William T.'s proportion of losses sustained by said partnership in order that the Court may ascertain whether the sum of money named in said exception was really a gift made by his father to said William T. or a payment to him of a sum justly due him from his father as acting partner of said concern on a fair settlement. The Court further sustains the 4th Exception of the plaintiffs and orders the said Commissioner to

reform said account by striking from it the amount of cost allowed Nathaniel N Witcher

Commissioners Office  
Pittsylvania Co Ho Mch 19" 1859

To the Circuit Court of Pittsylvania county

Pursuant to a decree of the Circuit Court of Pittsylvania county rendered at its Octo: Term 1858 in a suit in chancery pending therein, between Thomas Dudley & others Pltffs and Vincent Witcher & Lewis Wright adms of John P. Wright Decd. & others Defendants. The undersigned one of the Commissioners in Chancery of said court who was required by said decree to take the several accounts therein specified reports to the Court that on the 31" January 1859 he published notice to the several parties to said decree in the Danville Republican requiring them to attend the taking of said account at his office aforesaid on the 17" day of March 1859 which notice was published in said paper for 4 successive weeks previous to the time appointed for taking said account & that he issued similar notices to the resident parties which notices were handed by your Admr to the Shff of this county & enclosed to the Sheriff of Franklin that the one sent to the Shff of Franklin was by him returned duly executed and that no return has ever been made by the Shff of Pittsylvania That Vincent Witcher & Lewis A Wright appeared before the Comr. on the day appointed whereupon your Comr took evidence in relation to the partnership transactions in the negro trade between John P Wright & Wm T. Wright & finds that it is utterly impracticable to take any account of said partnership That the Comr. also made out statements

of the transactions of Lewis A Wright & Vincent Witcher the admrs. of the said John P Wright charging them with such interest as in the opinion of the Comr. they would have been chargeable with had they been at liberty to disburse the fund in their hands It appears that the said Vincent Witcher & Lewis A Wright qualified as the admrs of the said John P Wright on the 17<sup>th</sup> March 1856 and that the subpoena in this case was served on Lewis Wright on the 21<sup>st</sup> February 1856 and on Vincent Witcher the 19<sup>th</sup> March 1856 and that the order requiring them to settle this account was made at the May Term of this Court 1857, and that the order authorizing them to dispurse the fund in their hands was made at the Octo: Term of said court 1857 That they settled their account promptly before the Comr. in obedience to the order made at the May Term 1857 & within the time prescribed by law had there been no such order and that they disbursed the funds in there hands under the order made at the Octo. Term 1857 in a very short time after the adjournment of the Court. And although the Comr. has charged the said adms. with interest as stated in the foregoing accounts, yet he knows of no rule of law and can find no decision of our Courts requiring an executor or admr. who is not in default in settling his accounts and is restrained by an order of Court from paying over the funds in his hands, to pay interest on said fund: and it seems that in this case the admrs. could not possibly have paid out the funds in their hands until the order was made at the Octo Term 1857 authorizing them to do so, which they did immediately It also appears that a larger portion of the money paid out by Vincent Witcher in November 1857 was only received by him a few months before it was disbursed, he having permitted those who owed it to hold it in order that the interest thereon might accumulate for the benefit of the Estate, all of which interest he has credited to the estate The foregoing statement is made by the comr. at the request of Vincent Witcher one of the admrs. who also requests the comr. to state to the court that he is willing and desirous to pay such interest as he may receive from the Savings Bank on the money received by him in May 1858 amounting to \$2064.37 which was deposited by him in said Bank and still remains there because that money was in a condition in which he could have asked the direction of the court as to its disposal & should have done so but that he hoped & expected the court would have made an order directing him to distribute it among the creditors of the said John P Wright But he does not think that he is liable for interest on the monies received by him previous to 1858 because he could not settle his account after the subpoena was served on him in this case until the order made at the May Term 1857. And could not disburse the same until the order made at the Octo Term 1857 directed him to do so nor could he have asked the direction of the court as to the disposition of the funds in his hands until after the settlement of his account and the balance struck which was done on the 25<sup>th</sup> October 1857 And if he loaned it out previous to that time without the direction of the court he did it at his own risk and rendered it probable that he could not promptly comply with the future order of the court in regard to it

Your Comr. also reports to the Court that he reformed the account of debts against the estate of the said John P Wright by striking from it the amount of costs allowed Nathl N Witcher which leaves the amount of said debts on the first day of October 1857 \$19,387.57 The decree notices & evidence to said account are herewith returned

On May 4, 1859, at Pittsylvania County, Virginia, Chancery Court Loose Papers, in the case of Dudley v. Simmons, no file number, E. W. Dixon filed his declaration that a slave sold to him by Vincent Witcher, as commissioner, was fatally ill at the time of sale:

"Pittsylvania County Va to wit

This day E W Dixon made oath before me a Comr. of the Court for the County aforesaid, that about the 18" day of January 1859 he agreed to purchase of E. F. Keen a negro man slave named Mark, which slave said Keen had on the day before bought at a sale by V. Witcher as a specl Comr. under a decree of the Circuit Court of Pittsylvania. That supposing said slave to be sound, he agreed to give Keen for hire, the sum of \$1449.00 Cash, which this affiant thought was a full price for him if sound and all right in every respect. That a day or two afterwards, the negro began to complain seriously of his breast - in fact that he

had at the time of his sale on the 17th Jany, a bad cough, but which was supposed to be merely the effect of an ordinary bad cold - that said negro continued to complain, in a few days took his bed & began to decline - That affiant at once sent for a physician, Dr. Jas. T. Millner, who continued to treat him up to his death, which occurred in about 4 weeks from the time of his sale say about the 18" Feby 1859. During his illness, said affiant called in another physician Dr. E. D. Wilkers, who as affiant understood, fully concurred with Dr. Miller, that said slave was laboring under a dangerous if not an incurable disease of the lungs, & had been so for some time previous said affiant states that said slave received every necessary & reasonable attention for the preservation of his life, after coming to his possession, & that his disease & consequent death was not the result of any undue exposure or neglect his sale aforesaid, but that in the opinion & judgment of this affiant said negro was diseased with the affection of which he died, when sold to Keen by the specl Comr on the 17th Jany 1859.

Given under my hand as Comr. as Aforesaid this 4 day of May 1859.

S. S. Buford Comr"

On May 21, 1859, at Pittsylvania County, Virginia, Chancery Court Loose Papers, in the case of Dudley v. Simmons, no file number, Dr. James S. Millner filed his declaration that a slave sold to E. W. Dixon by Vincent Witcher, as commissioner, was fatally ill at the time of sale:

"Pittsylvania County Va to wit.

This day Dr. James S. Millner made oath before me a commissioner of the Court for the County aforesaid, that about the first of February 1859 he was called in to attend professionally a negro man at Mr. E. W. Dixon's, named Mark Anthony, who had recently belonged to the estate of John P. Wright Decd. as affiant understood. That at the time affiant was called to see said slave, he found him prostrate and dangerously sick of some affection of the lungs, which, from a close examination of the slave & his statements to affiant in regard to his previous condition and complainings, affiant is of opinion had attacked him probably some weeks or months before. That so far had his disease progressed, when first seen by affiant, that affiant even then had little or no hope of his recovery. Affiant treated said slave for pulmonary disease, but he continued rapidly to decline - At affiants instance Another Physician Dr. E. D Withers was called in who concurred with affiant in regard to the Condition of the negro, & pronounced his disease an incurable one in his opinion. Affiant Continued to visit and treat the negro for the disease until about the 18" of Feby, when he died. Affiant saw said slave, not professionally, some time before he was sent for as above stated about the 1 Feby., at Mr Dixon's home, as affiant supposes directly after he came to Dixon's possession. Affiant noticed but did

not examine him closely, and is of opinion that he then shewed symptoms of the Consumption which was soon after so clearly manifested & which produced his death. That affiant is clearly of opinion that said negro died of Consumption, and supposes that the disease must have attacked his system some weeks & probably months before he was seen by affiant. Given under my hand as Comr. as aforesaid this 21 day of May 1859

S. S. Buford Comr."

On May 21, 1859, at Pittsylvania County, Virginia, Chancery Court Loose Papers, in the case of Dudley v. Simmons, no file number, Dr. E. D. Withers filed his declaration that a slave sold to E. W. Dixon by Vincent Witcher, as commissioner, was fatally ill at the time of sale:

"Pittsylvania County Virginia to wit:

This Day Dr. E. D. Withers made oath before me a Comr of the Court for the County aforesaid, that some time in Feby 1859 he was called to visit professionally a negro man then in the possession of E. W Dixon, (the same as Affiant understood, which had been bought by E. F. Keen a few days before) That affiant found said negro laboring under an affection of the lungs - That he examined said negro carefully & was satisfied from his condition & symptoms three, that said negro was dangerously and perhaps incurably diseased - That said affiant thought said negro would not recover, & that his disease had been preying upon his system for several months - said affiant being satisfied that his disease was not of any recent origin when first seen by affiant. Said affiant says that said slave was diseased with & died of pulmonary consumption, which, from the progress it had made when said negro was first seen by affiant, must have existed in his system, either in a latent or active form for some Considerable time previous Given under my hand as Comr. as aforesaid this 27 day of May 1859

A. S. Buford Comr."

These causes came on this day by consent again to be heard together the first named cause on the papers formerly read and the report of Comr Banks made in pursuance of the decree of the last term the exception of V Witcher Lewis Wright & N N Witcher thereto the last named cause on the papers formerly read the report of Comr. Witcher of the sale of the slaves made under the decree of the last term and the petition of Elisha F. Keen filed by leave of the Court at this term and were argued by counsel On consideration whereof the Court being of opinion that Vincent Witcher & Lewis Wright admrs. of John P Wright are chargeable respectively only with the interest actually received by them on the funds in their hands their said exception is therefore sustained & the interlocutory decree of the last term which was made under a misapprehension of the facts is corrected in that respect. And the Court being further of opinion that Nathl N Witcher should be allowed credit for the cost referred to in his exception, and that the decree at the last term in respect thereof was erroneous, the said exception of Nathl W Witcher is also sustained. And the Court proceeding to decide on the 3rd exception of the Pltffs to the report of Comr. Banks made in pursuance of the decree of May Term 1857 doth overrule said exception and doth decide that the debt therein mentioned of \$1138.66/00 and its interest reported by said Comr. as due to the Exor of Wm T. Wright from the estate of John P Wright ought to be paid pro-rata out of the funds in their causes. And it appearing that the share to which said Executor is entitled of the fund already distributed in respect of said debt is \$701.61 and that said amount was deposited in the Pittsylvania Savings Bank by Vincent Witcher on the 17th November 1857 and that certificate of such deposite is filed with the papers in this cause, it is adjudged ordered and decreed that the Clerk of this Court endorse said certificate payable to the order of John A Mitchell Exor of Wm T Wright that he deliver the same to said Exor, take his receipt therefor and file said receipt among the papers in this cause. And it appearing from the report of Comr. Vincent Witcher of the sale of the slaves, made by him under the decree of the last term made in the last mentioned cause that Elisha F Keen was the purchaser of one of said slaves named Mark at the price of \$1449, and the said Elisha F Keen by his petition aforesaid protesting against the confirmation of said sale, and the court not at this time deciding said matters, it is ordered that the said Comr. deposite in the Pittsylvania Savings Bank the said sum of \$1449.00¢ subject to the order of this court, and there being no other objection to said report of said sale of said slaves the same is with this exception confirmed. And the court doth further adjudge order & decree that Vincent Witcher and Lewis Wright Adms. of John P. Wright the said Vincent Witcher collector of the proceeds of the land sold under the decree in the first named cause, do after retaining a sufficiency to pay the costs of the first named suit not already provided for distribute pro rata the amounts in their hands respectively amongst the creditors numerated in the report of Comr. Banks made in pursuance of the decree of May Term 1857, and that they report to Comr Banks a statement of all such payments with their vouchers to sustain the same. And said Comr. Banks is directed to remodele his report made under the decree of the last term

according to the principles herein declared, he shall also prepare a statement shewing the amount due to each creditor after receiving payment of the sum hereby decreed, he shall also state the account of the said Vincent Witcher as collector under the several decrees in these causes and shall report his proceedings to the next term of this Court - And on full payment by the purchasers of the purchase money of the land bought by them respectively under the proceedings in the first named cause, Vincent Witcher as Comr of this Court shall convey said land to the respective purchasors thereof by deeds with special Warranty And the Court doth further adjudge, order & decree that unless Lee P Francis who purchased a part of the real estate sold under a former decree, pay the sum of \$3175.00 with interest thereon from the 25th Sep 1858 subject to a credit of \$1140.00 as of the 15" June, 1859 to Commr. Vincent Witcher within sixty days from the date of this decree, the said Commr may take out execution thereon as well against the said Lee P Francis as against his sureties Joseph E Francis & Perkins Parrish jointly - which said order is made by consent of parties and leave is given said Elisha F Keen to file his petition in the last named case which is done accordingly & it is ordered that he be made a party deft in this cause."

On November 16, 1859, at Pittsylvania County, Virginia, Chancery Court Loose Papers, in the case of Dudley v. Simmons, no file number, the court entered its final order in the matter:

"Dudley Wright &c.  
vs.  
Vincent Witcher & Lewis Wright Decsd.  
J. P. Wright decd. & others  
And  
Same &c  
vs  
C. J. Simmons Lewis Wright Harmon Cook &c. &c.

In Chancery -

These causes came on again this day to be further heard on the papers formerly read & on the petition of Elisha F. Keen to be released and discharged from the purchase made by him of the negro slave Mark at the price of \$1449.00 on the 17th day of Jany. 1859, as reported by Vincent Witcher on that day - and to be refunded said Amount paid by him in cash for said slave at said sale - and on the evidence & examination of Witness filed in the cause in relation to the matter of said petition & said E. F. Keen - And was argued by Counsel

On consideration whereof the Court being of opinion the said purchaser and petitioner E. F. Keen hath no right to a rescission of his said contract, & purchase, nor any legal or equitable claim to a return of the purchase money by him paid for the purchase of said slave - doth adjudge order and decree that the said petition, be dismissed without costs and that the said sale be confirmed

And the Court being further of opinion that each of the creditor of the said John P. Wright decd. coming in & seeking to participate in the benefits of the suit brought by the Creditors named in the bill at the institution of the first mentioned suit, are in like manner bound to contribute their due proportion of the Costs actually incurred by the plaintiffs named in the bill, and that the whole of said costs so incurred, should rest in equity, come out of the parts only, of those so bringing the suits - the assets of said decedent applicable to all of said debts, having been greatly increased by the sale of the real Estate of said decedent, and by subjecting the advancements made in the life time of said decedent to his children to the just claims of his creditors generally: and it appearing from the Certificate of deposits dated the 19<sup>th</sup> of Sept. 1859 filed in this cause that the said sum of \$1449 is now on deposit in the Pittsylvania Saving bank, to be paid to the order of the Court in the case first above named - the Court doth further adjudge order and decree that Vincent Witcher do check out of said bank the said sum of \$1449. with all interest that may have accrued thereon - and after paying such sums as may be due to Counsel for fees & costs that he do distribute the residue of said sum amongst the creditors to whom distribution hath heretofore been decree, per rata as heretofore ordered and decreed & report his proceedings to the Court."

In her letters dated May 10, 1985, and September 2, 1988, Linda Shorb enclosed family group sheets and material from Kathleen Hundley which stated that John P. Wright was a son of 1845 Thomas Wright of Pittsylvania County and Sarah (Pullen) Wright, was born in 1799 at Bedford County, Virginia, and married Polly Witcher on December 20, 1819, and that they had the following children:

- 1) Cintha Wright,
- 2) John Wright,

This record indicates that Joseph Wright was born in about 1804.

After the death of 1845 Thomas Wright litigation arose regarding his estate. His daughter Nancy (Wright) Watson sued in Pittsylvania County, Virginia, Chancery Court, no file number, for the share of the estate due to her under the will and not fully paid:

"To his Honor the Judge of the Circuit Court of Pittsylvania in Chancery sitting

The bill of complaint of Your Orator & Oratrix Joab Watson & Nancy his wife would respectfully represent that in the year 1845 Thos. Wright the father of Your Oratrix died, having first made & published his last will & testament which has been admitted to probat in the County Court of said County a copy of which is herewith filed marked A made a part of this bill - they further represent that that John P Wright Christopher Wright & William B Wright three of the Executors named in said will qualified & in that character took possession of the estate of the testator both real & personal, it will appear by reference to the 6" clause of said will that the said testator loans to his Executors for the use & benefit of Your Oratrix one thousand dollars the interest of which is to be paid to her annually as long as she lives & at her death the said sum to be paid to the heirs of her body provided she should leave any child or children then living, but if she dies leaving no such child or children then he gives the said one thousand dollars to be equally divided between John P Wright Christopher Wright Joseph Wright & William B Wright & their heirs forever.

Your Orator & Oratrix further represent that assets more than sufficient to pay the said legacy came to the hands of the said Executor - that the said John P Wright and Joseph Wright have paid to Your Orator the sum of \$500 - to be held by him in right of your Oratrix during her life under the said 6th clause of said will that the said Christopher Wright paid to Your Orator annually up to the \_\_ day of \_\_\_\_ the sum of fifteen dollars being one fourth part of the annual interest on the sum of \$1,000 & that the said Wm B Wright has never paid them or either of them anything that they never have recieved any part of said legacy except as before stated

Your Orator & Oratrix further represent that all the other legacies & devises in said will have been satisfied that the said Wm B Wright has died and Reuben Witcher has qualified as his admr. with his will annexed that the said Christopher Wright has died also and Allen T Wright has qualified as his Executor - & that assets to a considerable amount have come to the hands both of the said Reuben Witcher & of the said Allen T Wright more than sufficient to satisfy said legacy -Your Orator & oratrix are advised that upon the premises they are entitled to the interest on the said sum of \$1000 -annually that the said Executors having elected to take under the said will & having appropriated to their own use the devises & legacies to them & having retained the residuum of the estate will not be permitted now to withhold from Your Orator & Oratrix any part of their legacy to the end therefore that justice may be done they say that John P Wright & Joseph Wright in their own right & as Executors of Thos. Wright decd: and Reuben Witcher administrator of William B Wright decd with his will annexed: and Allen T Wright Executor - of Christopher Wright deed be made defts. to this bill & compelled to answer the allegations thereof on oath, may all necessary accounts be directed & finally may your Honor decree that the legacy aforesaid be paid to Your Orator & Oratrix or the interest thereon according to the provisions of said will & finally may Your Honor grant such other & further relief as to Equity may seem meet & the case require grant process &c

Geo H & Jno Gilmer for Comps."

On October 22, 1852, John P. Wright and Joseph Wright filed their joint answer to the complaint alleging that there were insufficient assets in the estate to pay the legacy and that they had voluntarily paid Nancy more than she was entitled to:

"The joint answer of John P Wright and Joseph Wright as Executors of Thomas Wright and in their own right to a bill exhibited against themselves and others in the Circuit Court of Pittsylvania county by Joab Watson and Nancy his wife:

These Respondents saving &c for answer say, that they admit the death of the said Thomas Wright, that it occurred in the year 1845, that he published his will which was regularly admitted to probate in Pittsylvania county court & that a true copy thereof is exhibited with the plaintiff's bill. They admit the qualification of

the executors as stated in the said bill. They admit that the 6th clause of the testators will is correctly stated in the plts bill. They deny that assets properly applicable to the payment of the legacy to the female plaintiff ever came to their hands for the entire property embraced in the said will was necessary to answer the specific legacies & devises & the testator's debts. These Respondents are advised that the legacy to the said female plt is pecuniary and that it must be postponed to the specific legacies & the testator's debts. These Respondents aver that had the expectations of the testator been realized as to the value of the crops &c: which it is evident he intended to raise the said legacy out of, the same might have been discharged without calling on the specific legacies or the fund set apart for payment of his debts, but he proved to be mistaken in the value of the said property, particularly in the extent of his crop made the year of his death, for an unusual drought occurred that year, and the account of sales will shew how little money was realized from the sale of crops & other property left for sale. These Respondents admit that they have paid money to the plts on account of the legacy aforesaid, but they aver that it is more than \$500. The Respondent & Joseph Wright on the 11th day of November 1848 paid \$295.00 to the plts on account of the said legacy as will appear from a receipt given therefor, herewith filed marked "1." The same is made up of \$250 the fourth part of the said legacy, with interest thereon from the \_\_ day of October 1845, the time of the division of the testator's estate. The Respondent John P Wright on the \_\_ day of August 1849 paid to the plts the sum of \$306.87 being one fourth part of said legacy with interest on it from the time aforesaid, down to the time of payment. The payments aforesaid were merely gratuitous, these Respondents doubting whether the law would subject the specific legacies to payment of the legacy aforesaid (without which it could not be paid out of the assets) but being willing to contribute voluntarily towards the money paid as aforesaid, made the said payments, without any contract to that affect, and without means of doing it, except out of their own means, which they are advised could not have been thus applied, without their voluntary gift of them. The accounts current settled by these Respondents, herewith exhibited marked 3 will shew that they have disbursed all the assets of their testator, and as they only have duly & legally disbursed them & the said accounts will shew that there is no fund to which the plt can resort for payment of their said demand. These Respondents admit the payment of the other legacies mentioned in the testators' will, and these Respondents having fully answered all the allegations of the plts bill, which it concerns them to answer, pray to be hence dismissed with there cost &c:

Wright Exors &c

This cause came on this day to be heard upon the bill, the answers of John P Wright & Joseph Wright, and the answer of Reuben Witcher administrator with the will annexed of of William B. Wright decd, the exhibits filed and was argued by Council, and the subpoena awarded against Allen T. Wright executor of Christopher Wright decd having been duly executed and he still failing to answer the bill, the same is taken for confessed as to him - and the court being of opinion that the bequest of the interest on the \$1000:00 as an annuity to the female plft by the will of the testator is, by a fair construction of said will properly chargeable upon the residuum of the estate which by the will was bequeathed to the executors; and it appearing from exhibits filed that the plaintiffs have received a sum beyond the interest now due, and the Court not being satisfied whether the payments made by the Executors were intended as a part of the principal sum which was to remain in their hands at interest, doth order that an account be taken by one of the commissioners of this Court to ascertain, what amount has been paid to the plfts, by whom paid, whether the payments are intended to extinguish any part of the principal sum. If so how much calculating interest upon the principal from

[Missing bottom part of page]

The commissioner is further directed to ascertain the value of the residuum of the said estate in ascertaining which he is to consider the residuum to consist of all that remained of said estate both real & personal after the payment of the debts, charges of administration & the legacies specified in the 1st 2d 3d 4th 5th & 7th clauses of the will. The time of the death of the testator together with any matter deemed pertinent by himself or required by either of the parties to be stated and make report thereon to court."

"Camp 46th VA Regt  
Chafins Farm  
Sept ?th 1863

Dear Pa Lewis arrived safe at camp the night of the 2nd Inst with all the things except the loss of eight chickens that died on the way to Danville. I would not have sent him home at the time I did had I known that your wagon was absent and that you would have to hire one.

The things he brought we are very well pleased with and can find ready sale for at a good profit besides what we consume.

I have sent in a leave of absence for 15 fifteen days to come home and think the chance very good to get it. I could have gotten one for seven 7 days before now, but I thought I would try and get fifteen or wait awhile longer. I think Lewis s trip will pay us very well. Lewis tells me that you have a good deal of fruit if so I think

you had best have it Stilled as it would pay best in my opinion used in that way. The revival is still successfully progressing in our Regt, and every where in the army that u can hear from. This leaves me well.

Dear Pa It is again my privilege and my duty, without waiting to hear from home, since I wrote, to commit to mail the words I am well Since I wrote we have moved to this place which is near or that is one mile west of Ft Johnson. We have a nice camp here though the water is warm and not very good. By walking a few hundred yards to get to the edge of the field we can see the whole Yankees Fleet and thier Monitors and also Batteries? Wagner?? we can see fort Sumpter as the Yankees fire and see also the shots strike the fort although they throw some 300 shot and shell during day and night and more than half take effect or that is strike the fort it is believe they do not injure it of any consequence but only batters it down in a more compact bulk thereby rendering it more formidable than when first built. On yesterday I was out on the edge of the field up in a pine tree where with the aid of a spy glass which I procured I could see all over the enemys camp on Morris's Island and I tell you it was a right grand sight to view This is the One Hundred and seventeenth day of the siege and it is still progressing day and night with seeming little effect since the evacuation of Morris's Island

We were reviewed on monday last by the president who was here on his way to Richmond from Tennessee he left for Richmond Friday morning

I heard that Buck had left for this place we need him here very much as things are scarce and hard to get such as tobacco paper ink pens. I am anxious to hear from home and the people in the neighborhood also as I have nothing of interest to write I will close

Give my love to all

Dear Pa

Your very kind letter was recd on yesterday by the hands of Davy Ramsay and Billie's (or Bettie's) was recd a few days ago date 10th (inst?)

I have no news of interest to write tho I feel it my duty to let you hear from me. I guess you have doubtless heard before this of the little skirmishes which a part of our Brigade was engaged on John's Island on the 9th 10th & 11th Inst (or last) with it is believed about 2 Brigades of the Army we also had a Battalion of Cavalry and one of Artillery engaged. The skirmishing commenced on 9th inst (or last) between the cavalry on our side with some Infantry of the 59th Va Regt of our Brigade and the enemy's Infantry 'together with these and our Artillery our forces succeeded in keeping them in check until the morning of the 10th when the most of our Brigade and Col? Brigade reached thier support and all things were made ready to attack them when "lo" it was found the enemy had left the Island in great haste Our company being detached at Wiltown at ?? did not recv no orders in time to reach the Yanks before they left but was turned back to Wiltown on its way "none of our Regiment was engaged at all" The casualties on our side were 4 or 3 killed some Inf and some Cavalry and some 10 or a dozen wounded "Several dead Yanks were found on the field stripped of thier clothing from head to foot which I readily guess was done by some of our ragged Boys also a good many amputated limbs were found in thier abandoned Hospital. A few days ago while at Wiltown we received orders to hold ourselves, that is our Regiment, in readiness to move to Savannah Ga or somewhere in Florida and the next morning we were ordered to relieve the 59th Va Regt at Church Flats near this place, which we did and myself and 7 men detached here to guard the Battery and I guess the 59th and several other Regts have been sent to Savannah in our stead.

I cannot come home until sometime in March as only four Officers from the Regiment are allowed to be absent at a time and three are already absent and there are two more entitled to go before me who said to me yesterday when I proposed to them to exchange turns with either of them that they were like myself they had important business calling them home as early as possible and could not exchange If the system of giving furloughs continues which I think will I will be very sure to come before long.

If you think you cannot wait until I come you can of course do as you think best

I see to day an act passed by congress by which (?Ceff or Cass or Cris) might take the advantage and avoid himself of its privileges and thereby exempt himself from service which I enclose for your perusal & consideration which I suppose is the same grounds from which himself should have applied for

exemptions I hope he may be granted an exemption on one pretext if not the other. It is thought by some that we will yet be sent to Savannah or Florida if the enemy continues to press upon this section as he has done within the last week or two tho his efforts & assaults have been successfully repulsed on every occasion at Lake City Florida

The weather here is tolerably cool at present notwithstanding I could send you in this letter by putting myself to some inconvenience a February Boquete of various kinds of Flowers.

As my ?hand is exhausted and your patience doubtless wearied I must close with my best love to all and remaining your affectionate son

D Wright

P.S. Tell Billie (or Bettie) I will answer his (her) letter soon.

Dear Pa

I have been waiting some time thinking I could have the pleasure of talking with you instead of writing but I do not know now that I will see you an have that pleasure soon and consquently I have concluded to write you a few lines to let you know how I am getting along? I made applciation a week ago for thirty days which is the usual time granted to Officers or atleast that time has given to a good many Officers who wished to attend business and to day mine came in for fifteen days only and I do not think I shall accept or use it unless I can get it extended by Genl Wise or that is by his recommendations I expect to get a pass in a few days and go and see him on the subject personally and if he is not willing that I shall have a longer time I think I shall give him back the furlough that I have now for fifteen days.

I have no news of interest to write times are very quiet at present. Three companies besides ours are at present guarding the outpost of the Island and digging Rifle pits in 2-1/2 or 3 miles from the enemy's pickets who are on a Small Island adjacent to this called ?Keiwan. No prospects for an engagement soon unless the enemy should attempt to surprise us at night which I think is not likely to happen. We are faring tolerably well as to something to eat. We can get as many Oysters as we can use with very little trouble. The Boys have just landed with a load so I must haste and help to enjoy them.

I would like to know if you have any very particular business with me! If I knew you had I would come on fifteen days leave if I thought you wished it "but however be assured I will use every effort to get home as soon as I can if I can get time enough to justify my coming. I would like very much indeed to come

now but I know if I do on fifteen days leave it will be counted as a leave of course and I cannot get off again until all of the Officers in the Regt have been furloughed and I am unwilling to accept one for fifteen days to tie off with others of thirty days. I have already been cheated to some extent. What have you done with your old Confederate money? With my best wishes I must close give my love to all

Your Affectionate Son  
D. Wright"

On October 22, 1852, John P. Wright and Joseph Wright filed their joint answer to the complaint alleging that there were insufficient assets in the estate to pay the legacy and that they had voluntarily paid Nancy more than she was entitled to:

"The joint answer of John P Wright and Joseph Wright as Executors of Thomas Wright and in their own right to a bill exhibited against themselves and others in the Circuit Court of Pittsylvania county by Joab Watson and Nancy his wife:

These Respondents saving &c for answer say, that they admit the death of the said Thomas Wright, that it occurred in the year 1845, that he published his will which was regularly admitted to probate in Pittsylvania county court & that a true copy thereof is exhibited with the plaintiff's bill. They admit the qualification of the executors as stated in the said bill. They admit that the 6th clause of the testators will is correctly stated in the plts bill. They deny that assets properly applicable to the payment of the legacy to the female plaintiff ever came to their hands for the entire property embraced in the said will was necessary to answer the specific legacies & devises & the testator's debts. These Respondents are advised that the legacy to the said female plt is pecuniary and that it must be postponed to the specific legacies & the testator's debts. These Respondents aver that had the expectations of the testator been realized as to the value of the crops &c: which it is evident he intended to raise the said legacy out of, the same might have been discharged without calling on the specific legacies or the fund set apart for payment of his debts, but he proved to be mistaken in the value of the said property, particularly in the extent of his crop made the year of his death, for an unusual drought occurred that year, and the account of sales will shew how little money was realized from the sale of crops & other property left for sale. These Respondents admit that they have paid money to the plts on account of the legacy aforesaid, but they aver that it is more than \$500. The Respondent & Joseph Wright on the 11th day of November 1848 paid \$295.00 to the plts on account of the said legacy as will appear from a receipt given therefor, herewith filed marked "1." The same is made up of \$250 the fourth part of the said legacy, with interest thereon from the \_ day of October 1845, the time of the

division of the testator's estate. The Respondent John P Wright on the \_\_ day of August 1849 paid to the plts the sum of \$306.87 being one fourth part of said legacy with interest on it from the time aforesaid, down to the time of payment. The payments aforesaid were merely gratuitous, these Respondents doubting whether the law would subject the specific legacies to payment of the legacy aforesaid (without which it could not be paid out of the assets) but being willing to contribute voluntarily towards the money paid as aforesaid, made the said payments, without any contract to that affect, and without means of doing it, except out of their own means, which they are advised could not have been thus applied, without their voluntary gift of them. The accounts current settled by these Respondents, herewith exhibited marked 3 will shew that they have disbursed all the assets of their testator, and as they only have duly & legally disbursed them & the said accounts will shew that there is no fund to which the plt can resort for payment of their said demand. These Respondents admit the payment of the other legacies mentioned in the testators' will, and these Respondents having fully answered all the allegations of the plts bill, which it concerns them to answer, pray to be hence dismissed with there cost &c:

On October 22, 1852, Reuben Witcher filed a similar answer:

"The answer of Reuben Witcher administrator with the will annexed of William B Wright decd to a bill exhibited against himself and others by Joab Watson & Nancy his wife in the Circuit Court of Pittsylvania county:

This Respondent serving &c: for answer says that he admits the death of Thomas Wright, the publication and probate of his will and that a copy of the said

will is filed with the complainants' bill. He admits that the persons mentioned in the said bill did qualify as the Executors of the said Thomas Wright, one of whom was William B Wright, the testator of this Respondent: This Respondent does not admit but denies that the said William B Wright did take possession of the testator's estate, either real or personal or had anything to do with the administration of it, except to the limited extent hereinafter mentioned. As to the legacy of \$1000 to the female complainant contained in the 6th clause of the testator's will, this Respondent is advised that it is a pecuniary legacy merely, that none of the specific legacies contained in the will can be made to abate in order to pay it or the annual interest upon it and that in default of means not otherwise appropriated to pay the same the said legacy and its interest must go unsatisfied. This Respondent denies that assets sufficient to pay the same, after payment of the testator's debts & the satisfaction of the specific legacies and devises, did come to the hands of the said William B Wright nor to the hands of this Respondent his admr. nor does he admit or believe that such assets came to the hands of all or either of the other executors of the said Thomas Wright. This Respondent is advised that all the real & personal estate of the said testator was specifically disposed of by the will of the testator unless it be that his crops; stock of horses, cows, sheep & hogs, his household & Kitchen furniture & the his other personal estate not before mentioned in his will were not so disposed of or available to the payment of the complainants demand neither of which pretensions is admitted. If liable, they were first bound for payment of the testator's debts and documents herewith filed & marked 1 & 2 being settlements of the Executors accounts will shew, that the funds aforesaid were inadequate to pay the said debts & that if the demand of the complainants should be paid, it can only be done out of the specific legacies and devises. The testator of this Respondent had very little to do with administering the estate of Thomas Wright decd his health becoming bad, it was agreed between him and the other Executors of the said Thomas Wright, that the said William B should account to them for such assets as he had received & relinquish to them the full management & control of the testator's estate. Accordingly a settlement was made as will appear from document herewith filed marked C, on which the said William B fell in debt to the estate \$4:87 being the balance of the assets of his testator then in the hands of the said WmB. & which balance was paid to the defendant John P Wright as Executor of the said Thomas, as will appear from his receipt for the same herewith exhibited as a part of this answer marked "C." The purchases of personal estate made by the said William B Wright at the sale of Thomas Wright decd amounts to \$300.45-1/4 as will appear from an extract from the account of sales herewith filed as a part of this answer marked "D" and in the same account it is stated that the four exors purchased the Tomahawk land at \$850.00, so that the amount of assets so received by the said Wm. B. Wright is \$512.50 & these along with the assets heretofore specified in the account current of the said Wm B Wright, are the only assets of his testator that this Respondent has any reason to beleive ever came to the hands of the said Wm B Wright and exor of Thos Wright. When it was agreed that the said Wm B

should no longer act as exor of the said Thomas, it was arranged as before stated that he should account to the other exors for all assets he had received and pass them over to them, accordingly he executed to them two bonds herewith exhibited marked "E" & "F" in part satisfaction of the said assets, which bonds have been paid and this Respondent as admor of the said Wm W Wright, since the death of the said Wm B has paid to the said Exors the several sums mentioned in exhibits herewith filed marked "G" "H" "I" in full discharge & beyond it of all the assets aforesaid. the payments aforesaid amount to the sum of \$572:61. It thus appears that all the assets received by the said Wm B Wright have been accounted for & indeed a greater amount than he received. This Respondent has reasons to suspect that in the said settlement the said Wm B Wright was charged beyond his liability, but this being a matter not between himself & the coplts it is not necessary to follow it further. This Respondent admits that neither his testator nor himself has paid any part of the interest on the legacy to the female plt, for the reasons above stated and he does not beleive that there is any thing in the hands of either of the other Exors properly applicable to the said payment, and having fully answered he prays to be hence dismissed &c:

On October 23, 1852, John Z. Ramsey, as administrator of Christopher Wright, filed a similar answer to the complaint:

"The answer of John Z Ramsey admor de bonis non with the will annexed of Christopher Wright decd to a bill exhibited against himself and others by Joab Watson & wife in the Circuit Court of Pittsylvania county:

This Respondent answering says that he is the admor with the will annexed of such effects belonging to the estate of Christopher Wright dec, as were unadministered by Allen T Wright his exor & who is now dead. That this Respondent Knows little of the transactions of his testator as exor of Thomas Wright decd & presumes that his accounts current which have been settled & recorded in Pittsylvania county court are correct, he relies upon them as shewing

the manner in which his testator has disposed of the assets of his testator which came to his hands. This Respondent's testator has paid \$35.90 & \$15 to the plts on account of the interest due on the legacy stated in the bill, which is in full of one fourth part of said interest down to the first of November 1850, as will appear from documents herewith filed mark "C". This Respondent submits to the court the question, whether the said legacy is chargeable on any other fund than the crops, stock of horses, cows sheep & hogs, household & Kitchen furniture & the other personal estate of the testator not specifically disposed of by his will, if indeed it is chargeable on that fund. and this Respondent relies that the said fund was not more than equal to the payment of the testators' debts: and this Respondent having fully answered prays to be hence dismissed with his cost:

This day the above named Jno. Z. Ramsey appeared in open court & made oath that the statements contained in the foregoing answer so far as they are made on his own information are true & so far as they are made on the information derived from others, he believes them to be true. The court then ordered an accounting for the estate by the commissioners:

"Watson & wife  
vs  
Wright Exors &c

This cause came on this day to be heard upon the bill, the answers of John P Wright & Joseph Wright, and the answer of Reuben Witcher administrator with the will annexed of of William B. Wright decd, the exhibits filed and was argued by Council, and the subpoena awarded against Allen T. Wright executor of Christopher Wright decd having been duly executed and he still failing to answer the bill, the same is taken for confessed as to him - and the court being of opinion that the bequest of the interest on the \$1000:00 as an annuity to the female plft by the will of the testator is, by a fair construction of said will properly chargeable upon the residuum of the estate which by the will was bequeathed to the executors; and it appearing from exhibits filed that the plaintiffs have received a sum beyond the interest now due, and the Court not being satisfied whether the payments made by the Executors were intended as a part of the principal sum which was to remain in their hands at interest, doth order that an account be taken by one of the commissioners of this Court to ascertain, what amount has been paid to the plfts, by whom paid, whether the payments are intended to extinguish any part of the principal sum. If so how much calculating interest upon the principal from

[missing bottom part of page]

The commissioner is further directed to ascertain the value of the residuum of the said estate in ascertaining which he is to consider the residuum to consist of all that remained of said estate both real & personal after the payment of the debts, charges of administration & the legacies specified in the 1st 2d 3d 4th 5th & 7th clauses of the will. The time of the death of the testator together with any matter deemed pertinent by himself or required by either of the parties to be stated and make report thereon to court."

The following receipts were also in the file for this case:

After the death of 1845 Thomas Wright litigation arose regarding his estate. His daughter Nancy (Wright) Watson William B. Wright, as executor, sued in Pittsylvania County, Virginia, Chancery Court, no file number, for the share of the estate due to her under the will and not fully paid:

On about September 18, 1854, at Pittsylvania County, Virginia, Chancery Court Loose Papers, in the case of Wright v. Giles, no file number, Littleton W. "To the worshipful court of the county of Pittsylvania in Chancery sitting.

Humbly complaining sheweth unto your worships your orators & oratrices Littleton W Wright Thomas R Wright Lucy A Wright and Exey C Wright infant children of William B Wright deceased who sue by their next friend that their next friend \_\_\_\_ that their said father departed this life sometime in the year 1846 seized and possessed in his own right of a consideration amount of real & personal estate the real estate consisting of a a tract of land containing about one hundred & eighty five acres situated on Raising fork Creek in said county with valuable improvements upon it. That the said William B Wright shortly before his death made his nuncupative will which was admitted to probat in this worshipful court at the April term 1847 by which he undertook to dispose of his real as well as personal estate as will more fully appear by reference to a copy of the said will herewith marked "A" filed - but the said will being void & of no effect in law as to the said real estate the said testator died intestate as to it and the

same is liabl to distribution among his heirs according to the act of descents and distributions. Your orators & oratrices further shew unto your worship that their mother the widow of the said William B Wright a few years after his death intermarried with a certain Augustine L Giles and that no assignment of her dower in the said real estate has as yet been made - that after such assignment shall be made the residue thereof cannot be divided in kind among your orators & oratrices without greatly impairing its value and that the interest of each therein is worth less than three hundred dollars. To the end therefore that justice may be done & for as much as your orators & oratrices are remediless in a court of common law and can only have relief in a court of equity where matters of this nature are properly cognizable and relievable may the said Augustine L Giles and Nancy A his wife formerly Nancy A Wright be made parties defendand to this bill & compelled to answer the allegations thereof may commissioners be appointed to lay off and assign to the said Giles formerly Wright her dower in the said land may a commissioner be appointed to sell the residue thereof after such assignment, may the proceeds be of such be divided equally amongst your orators & oratrices and finally may your worships grant to your orators & oratrices such further & other relief as to your worships may seem meet and the nature of the case require. It will be seen by examination of said will that the said testator gave the whole of

Although the deed refers to William L. Wright rather than William B. Wright, the names of the parties makes clear that this is the family of 1847 William B. Wright of Pittsylvania County, Virginia. The naming of Nancy A. Giles as holding the dower in the land confirms that Nancy A. (Witcher) Wright had married Augustin S. Giles.

This record indicates that Nancy A. (Witcher) Wright had married a Giles, probably Augustine L. Giles.

In her letter dated September 2, 1988, Linda Shorb enclosed family group sheets and information from Kathleen Hundley which stated that William B. Wright was a son of 1845 Thomas Wright of Pittsylvania County and Sarah "Sally" (Pullen) Wright.

From the evidence set forth above and additional evidence set forth below, the children of 1847 William B. Wright of Pittsylvania County and Nancy A. (Witcher) Wright were the following:

- 1) Littleton Waller Wright, born about 1839 at Virginia,
- 2) Lucy A. Wright, born about 1841 at Virginia,
- 3) Exey C. (Wright) Witcher, born about 1843 at Virginia, and
- 4) Thomas R. Wright, born about 1844 at Pittsylvania County, Virginia.

1863 Littleton Waller Wright of Franklin County was a son of 1847 William B. Wright of Pittsylvania County and Nancy A. (Witcher) Wright.

(John<sup>1</sup>, 1814 John<sup>2</sup>, 1845 Thomas<sup>3</sup>, 1847 William B.<sup>4</sup>)

The 1850 Census for Pittsylvania County, Virginia, listed Littleton Wright in the Nancy A. Wright household and his age as 11 and born in Virginia, indicating a date of birth in about 1839.

On December 21, 1857, at Pittsylvania County, Virginia, D.B. 57/408 Littleton W. Wright acted as a trustee on a deed of trust executed by Stephen B. Stevens to secure certain debts:

He charges that said estate amongst other things consists of a lot of negroes which with their increase now amount to fifteen in number. That he is entitled to one fourth of said fifteen slaves as his distributive share in the same. That he is unable to effect an allotment of his said share without resort to this worshipful Court where alone such matters are properly cognizable. "To the Worshipful Justices of the County Court of Pittsylvania County In Chancery Sitting -

Humbly complaining shews unto your Worships your Orator Littleton Waller Wright that William B Wright the father of your Orator departed this life on the \_\_ day of \_\_\_\_ 1847, having first made & declared his nuncupative will, which was reduced to writing by the witnesses present, and was admitted to probat in the County Court of Pittsylvania at its April term 1847 - a copy of said will marked (A) is herewith filed & prayed to be taken as a part of this Bill.

It will be seen by examination of said will that the said testator gave the whole of his property remaining after paying all of his just debts to his wife Nancy A Wright during her life or widowhood - Your orator charges that the said Nancy A Wright accepted the provisions of said will & took possession of the whole of the property of the said Testator. He further charges that the said Nancy A Wright on the \_\_ day of \_\_\_\_ 1852 intermarried with one Augustine L Giles and that by the terms & provisions of said will all of her interest in the property of said testator was by said intermarriage determined & at an end. That all of the property of said Wm B Wright is now liable to distribution & division amongst his children who are your orator, Lucy A Wright, Exey C Wright & Thomas R Wright, That your orator arrived at the age of 21 years only about one month since and that his said sisters & Brother the said Lucy A, Exey C & Thomas R Wright are infants under the age of 21 years.

He charges that said estate amongst other things consists of a lot of negroes which with their increase now amount to fifteen in number. That he is entitled to one fourth of said fifteen slaves as his distributive share in the same. That he is unable to effect an allotment of his said share without resort to this worshipful Court where alone such matters are properly cognizable. Wherefore, that the said Lucy A Wright Exey C Wright & Thomas R Wright be made parties Deft to this Bill & compelled to answer its allegations. That the share of your orator in said Negroes aforesaid be allotted him, and that such other & further relief be

extended as Equity & the case of your orator requires may it please your  
Worships to grant &c and as in duty bound your orator will ever pray &c

5. Ann (Wright) Watts, Her Husband William Watts, And Her Descendants

Ann (Wright) Watts was a daughter of 1814 John Wright of Bedford County and Mary (Pace) Wright. (John<sup>1</sup>, 1814 John<sup>2</sup>)

The marriage bond of Ann Wright and William Watts was dated on July 23, 1792, at Bedford County, Virginia, with the consent of John Wright and Benjamin Watts as surety and the marriage on July 26, 1792:

"July th 23 day

Sir I do hereby Certify that the following Marriages was Legally Solemnized by

.....

July 26th William Watts & Ann Wright

....."

The consent on the marriage bond suggests that Ann was born after 1771, but The Douglas Register listed the birth date of Ann Wright as on November 14, 1765.

The will of 1814 John Wright dated December 28, 1804, and probated on  
December 20, 1814, at Bedford County, Virginia, W.B. 4/146 referred to his daughter  
Ann Watts as then deceased:

". . . . My Household & Kitchen furniture except one Feather Bed which is call'd  
Betsy's Bed, with my stock of Horses Cattle Sheep & Hogs to be sold and the  
Monies arising therefrom to be Equally divided between my Son Joseph Wright  
and my three GranChildren to wit. Mary Watts, Benjamin Watts, & John Watts  
Children of William Watts by my Daughter Ann Watts, dec. . . ."

This record indicates that Ann (Wright) Watts had died before December 28, 1804.

In his email dated July 31, 1998, Clyde Watts stated that William Watts was a  
son of Edward Watts and Elizabeth (\_\_\_\_) Watts and that after his wife Ann Watts died,  
William Watts moved to Kanawha County, Virginia (now West Virginia), married second  
Elizabeth P. Huff, and then moved to Washington County, Indiana.

From the evidence set forth above and additional evidence set forth below, the  
children of Ann (Wright) Watts and William Watts were the following:

- 1) Mary (Watts) Jarrett, born probably after 1792 and before December 28, 1804,
- 2) Benjamin Watts, born probably after 1792 and before December 28, 1804, and
- 3) John Watts, born probably after 1792 and before December 28, 1804.

- a. Mary (Watts) Jarrett And Her Husband \_\_\_\_\_ Jarrett

Mary (Watts) Jarrett was a daughter of Ann (Wright) Watts and William Watts. (John<sup>1</sup>, 1814 John<sup>2</sup>, Ann<sup>3</sup>)

The will of 1814 John Wright dated December 28, 1804, and probated on December 20, 1814, at Bedford County, Virginia, W.B. 4/146 listed Mary Watts as a daughter of Ann (Wright) Watts and his granddaughter:

". . . . My Household & Kitchen furniture except one Feather Bed which is call'd Betsy's Bed, with my stock of Horses Cattle Sheep & Hogs to be sold and the Monies arising therefrom to be Equally divided between my Son Joseph Wright and my three GranChildren to wit. Mary Watts, Benjamin Watts, & John Watts Children of William Watts by my Daughter Ann Watts, dec. . . ."

The marriage bond date for Ann Wright and William Watts of July 23, 1792, and the date of 1814 John Wright's will of December 28, 1804, indicate that Mary Watts was probably born after 1793 and before December 28, 1804.

In his email dated July 31, 1998, Clyde Watts stated that Mary "Polly" Watts married \_\_\_\_\_ Jarrett and died in 1847 at Crawford County, Illinois.

- b. Benjamin Watts And His Wife Rosanna (Strain) Watts

Benjamin Watts was a son of Ann (Wright) Watts and William Watts. (John<sup>1</sup>, 1814 John<sup>2</sup>, Ann<sup>3</sup>)

The will of 1814 John Wright dated December 28, 1804, and probated on December 20, 1814, at Bedford County, Virginia, W.B. 4/146 listed Benjamin Watts as a son of Ann (Wright) Watts and his grandson:

". . . . My Household & Kitchen furniture except one Feather Bed which is call'd Betsy's Bed, with my stock of Horses Cattle Sheep & Hogs to be sold and the Monies arising therefrom to be Equally divided between my Son Joseph Wright and my three GranChildren to wit. Mary Watts, Benjamin Watts, & John Watts Children of William Watts by my Daughter Ann Watts, dec. . . ."

The marriage bond date for Ann Wright and William Watts of July 23, 1792, and the date of 1814 John Wright's will of December 28, 1804, indicate that Benjamin Watts was probably born after 1793 and before December 28, 1804.

In his email dated July 31, 1998, Clyde Watts stated that Benjamin Watts married Rosanna Strain on April 15, 1819, at Washington County, Indiana.

c. John Watts And His Wife Semira (Gresham) Watts

John Watts was a son of Ann (Wright) Watts and William Watts. (John<sup>1</sup>, 1814 John<sup>2</sup>, Ann<sup>3</sup>)

The will of 1814 John Wright dated December 28, 1804, and probated on December 20, 1814, at Bedford County, Virginia, W.B. 4/146 listed John Watts as a son of Ann (Wright) Watts and his grandson:

". . . . My Household & Kitchen furniture except one Feather Bed which is call'd Betsy's Bed, with my stock of Horses Cattle Sheep & Hogs to be sold and the Monies arising therefrom to be Equally divided between my Son Joseph Wright and my three GranChildren to wit. Mary Watts, Benjamin Watts, & John Watts Children of William Watts by my Daughter Ann Watts, dec. . . ."

The marriage bond date for Ann Wright and William Watts of July 23, 1792, and the date of 1814 John Wright's will of December 28, 1804, indicate that John Watts was probably born after 1793 and before December 28, 1804.

In his email dated July 31, 1998, Clyde Watts stated that John Watts married Semira Gresham on December 12, 1833, at Washington County, Indiana, and died in about 1847.

6. Mary (Wright) Watts, Her Husband Benjamin Watts, And Her Descendants

Mary (Wright) Watts was a daughter of 1814 John Wright of Bedford County and Mary (Pace) Wright. (John<sup>1</sup>, 1814 John<sup>2</sup>)

The Douglas Register listed the birth date of Mary Wright as January 13, 1768, at Goochland County, Virginia:

"Births & Baptisms

....

John Wright & Mary Pace a Daughter named Mary born Jan: 13 1768. Baptized  
Ap: 1 1768. p.80.

...."

The marriage bond of Mary Wright, daughter of John, and Benjamin Watts was dated on December 21, 1786, at Bedford County, Virginia, with Thomas Wright as surety and the marriage on December 22, 1786:

"Sirs

Since this daughter was referred to in 1814 John Wright's will as Mary Watts, the identification is clear.

On July 21, 1795, at Bedford County, Virginia, D.B. 10/21 Benjamin and Polly Watts sold 80 acres on Enoch's Creek to 1831 Joseph Wright:

"This Indenture made this twenty seventh day of July in the year of our Lord One thousand seven hundred and ninety five between Benjamin Watts and Polly his Wife of \_ one part and Joseph Wright of the other part of Bedford County of the other part Witnesseth that the said Benjamin Watts and Polly his Wife for and in Consideration of the Sum of Sixty pounds lawful money of Virginia have bargained and sold unto the said Joseph Wright a certain Tract or parcel of Land supposed to Contain eighty Acres be the same more or less lying & being in the County of Bedford on the South side of the South fork of Enochs Creek Begining at Scotts Corner black Oak on the said South fork of Enochs Creek, thence along Scotts line South thirty degrees East One hundred and eighty poles to a small Hickery thence South fifty degrees West along Chafins Patent line to Corner of Henry James Thence along Said James's line North Seventy five degrees West Ninety poles to a White Oak Corner of Samuel Davison a branch thence down the same as it Meanders to a White Oak on said branch, thence North twenty degrees East forty poles to a Sourwood on said branch, thence North five degrees West three poles Still along Said Davis's line to a Chesnut on Enochs Creek thence down the Same as it Meanders to the Begining with its appurtenances To Have And To Hold the said tract or parcel of land with its appurtenances to the said Joseph Wright his heirs and assigns forever the sd. The will of 1814 John Wright dated December 28, 1804, and probated on December 20, 1814, at Bedford County, Virginia, W.B. 4/146 listed Mary Watts as one of his children:

". . . . I also give to my Daughter Mary Watts after the death of her Mother my Negro Man Jack to her and her Heirs forever . . . ."

In his GenForum posting dated May 7, 2000, genforum.genealogy.com, Ed Watts stated that Benjamin Watts resided from 1805 to 1809 at Franklin County, Virginia, and sold his land there in September 1809 and resided in 1810 at Breckinridge County, Kentucky.

In his GenForum posting dated April 1, 2000, genforum.genealogy.com, Joe Stinnett stated that the 1810 Census for Breckinridge County, Kentucky, listed Benjamin Watts and his age as over 45 years, indicating a date of birth before 1765.

The will of Benjamin Watts was dated on March 31, 1824, probated on May 17, 1824, at Breckinridge County, Kentucky, W.B. 1/42, and provided as follows:

Among the items listed is the payment to "D. Marr attys fee in the case of Stephen Wright vs. Wm Wright admr. in Cir. Court of Pittsa". As set forth below, Stephen Wright was a son of William Wright.

Some time before November 14, 1859, Stephen Wright filed suit in the Pittsylvania County, Virginia County Court against Joseph Edmunds on a debt due to Stephen from 1854 William Wright. On November 14, 1859, at Pittsylvania County Common Law Court Order Book 9/48 Joseph Edmunds appeared to deny the debt and asserted that it had been paid. On June 11, 1860, at Pittsylvania County, Virginia, Common Law Court Order Book A/94 a jury found for the defendant and at Order Book A/98 the court denied Stephen Wright's request for a new trial.

From the evidence set forth above and additional evidence set forth below, the children of 1854 William Wright of Campbell County and Huldah (Pullen) Wright were the following:

- 1) John Wright, born on January 7, 1793, probably at Bedford County, Virginia,
- 2) Carrington Wright, born on September 5, 1795, probably at Bedford County, Virginia,
- 3) Tina Wright, born on December 5, 1797, probably at Bedford County, Virginia,
- 4) Stephen Wright, born on August 19, 1800, probably at Bedford County, Virginia,
- 5) Charlotte (Wright) Edmunds, born on January 27, 1804, at Bedford County, Virginia, or possibly Campbell County, Virginia,

6) Margaret "Peggy" Pullen (Wright) Dalton, born on August 17, 1808, at Virginia, probably at Franklin County, Virginia, and

7) Wesley Adams Wright, born on March 28, 1813, at Virginia, probably at Franklin County.

This record identifies the John Wright who married Janetta F. Power in 1818 in Bedford County as a John Wright who resided in Franklin County in 1823. There was only one John Wright who is not otherwise identified in the Franklin County, Virginia, Personal Property Tax List for 1823 and that was a John Wright in the Jesse Prunty District where 1854 William Wright of Campbell County then resided. That same John Wright was listed in the Franklin County, Virginia, Personal Property Tax Lists from 1818 to 1826, as will be set forth below. The 1820 Franklin County, Virginia, Census listed only one John Wright who was otherwise not identified and that John Wright was aged 26 to 45 with the oldest female aged 16 to 26. 1854 William Wright of Campbell County had a son John born in 1793 and the ages in the 1820 Census are consistent with a birth date of 1793 for that John and a wife married in 1818. The first appearance in 1818 of John Wright in the Jesse Prunty District of the Franklin County Personal Property Tax List is consistent with his marriage and the establishment of his own household. The result, I believe, is sufficient evidence to identify the John Wright of the Bedford County marriage bond, the Franklin County Personal Property Tax Lists, the 1820 Franklin County Census, and the Pittsylvania County Deed as the same person and as the son of 1854 William Wright of Campbell County.

This record indicates that Wesley A. Wright was born in about 1813 and that Jane S. Wright was born in about 1813.

On March 9, 1880, The Lynchburg Virginian published the following obituary for W. A. Wright:

"Mr. W. A. Wright, another old citizen, died on Sunday, of cancer of the face. He was the originator of the noted Durham brand of smoking tobacco, and was a worthy and respected man."

On March 10, 1880, The Lynchburg Virginian published the following announcement of death for Wesley A. Wright:

"Died in Lynchburg, Va., Sunday, March 6th, 1880, Mr. Wesley A. Wright, in the 68th year of his age.

His funeral was conducted from the First Baptist church on Monday, Ev. W. R. L. Smith officiating."

In her letter dated February 10, 1977, Katharine Williams stated that Funeral Home Records on microfilm at Jones Memorial Library listed the following:

"Duiguid Funeral Home, Lynchburg, VA. Year 1880 - Paid \$30.00 for funeral of Wesley A. Wright by James E. Wright, son of the deceased."

In her letter dated December 21, 1992, Mrs. Katharine Williams stated that her grandmother Laura Jane (Wright) Johnston had stated that her (Laura's) father's stepmother had lived in St. Louis, Missouri. As set forth in the 1850 Census for Pittsylvania County, Virginia, Wesley A. Wright had two children born before his marriage to Jane S. Holland. This record indicates that Wesley A. Wright had a wife prior to Jane S. (Holland) Wright and by her had two children, Mary and William.

Genealogy Of John J. Wright Of Virginia, Indiana and Kansas by John Calvin Wright stated that:

"Wesley<sup>8</sup> A. son of William<sup>7</sup> and Ellender (Johnson) Wright was born about 1823 in Franklin County, Virginia. He married Jane S. daughter of John M. and Sarah W. Holland on November 4, 1844. Abram T. Holland signed the Marriage Bond of Wesley and Jane. Wesley and Jane settle on the Black Water 22 miles East of Rocky Mount near his father and grandfather John<sup>8</sup>. He began paying personal property taxes in 1844 and in 1845 he paid land taxes on 263 acres on the Blackwater. This land was adjacent to his father's farm of 205 acres. Both he and his father ceased to pay land taxes after 1846."

As set forth above, although Wesley A. Wright was a son of a William Wright, he was not the son of the William Wright who married Ellender Johnson, but the son of 1854 William Wright of Campbell County and Huldah (Pullen) Wright.

From the evidence set forth above and additional evidence set forth below, the children of 1880 Wesley Adams Wright of Lynchburg and \_\_\_\_ (\_\_\_\_) Wright were the following:

- 1) Mary Wright, born about 1840,
- 2) William Peter Wright, born about 1841 or 1842 or 1844 or 1845 at

Franklin County, Virginia, and

that the children of 1880 Wesley Adams Wright and Jane S. (Holland) Wright were the following:

- 1) Carmelia or Cornelia (Wright) Bennett, born in about 1846 or 1847 at Pittsylvania County, Virginia,
- 2) James Erlando Marcellus Wright, born about 1848 or 1849 or 1850 at Pittsylvania County, Virginia, and
- 3) John Eusebius Wright, born about 1852 at Pittsylvania County, Virginia.

i. Mary Wright

Mary Wright was a daughter of 1880 Wesley A. Wright of Lynchburg and \_\_\_\_ (\_\_\_\_) Wright. (John<sup>1</sup>, 1814 John<sup>2</sup>, 1854 William<sup>3</sup>, 1880 Wesley Adams<sup>4</sup>)

The 1850 Census for Pittsylvania County, Virginia, listed Mary Wright in the Wesley A. Wright household and her age as 10, indicating a date of birth in about 1840.

ii. 1896 William Peter Wright Of Bedford County, His Wife Virginia Anson (Gibbs) Wright, And His Descendants

1896 William Peter Wright of Bedford County was a son of 1880 Wesley A. Wright of Lynchburg and \_\_\_\_ (\_\_\_\_) Wright. (John<sup>1</sup>, 1814 John<sup>2</sup>, 1854 William<sup>3</sup>, 1880 Wesley Adams<sup>4</sup>)

The 1850 Census for Pittsylvania County, Virginia, listed William Wright in the Wesley A. Wright household and his age as 8, indicating a date of birth in about 1842.

Dear Miss Bibb,

Thank you so much for your letter and book, Echoes of Olde Liberty. They arrived only last week - a journey of fifty-four days, and I suppose they must have been held up at the border.

Marriage Notices from Lynchburg, Virginia, Newspapers 1837-1860 stated that on June 17, 1872, The Lynchburg Daily News published the following marriage notice for John E. Wright and Mary H. Haydon:

"Wright, John E., married Mary H. Haydon, dau. of Patrick & Martha Haydon, on 06/12/1872. Groom of ?? Bride of Fredericksburg (formerly). The Lynchburg Daily News, 06/17/1872, p.3, c.3."

On March 3, 1877, The Lynchburg Daily News published the following death notice for John E. Wright:

"Died,

Of consumption, in Madison, March 1st, 1877, at the home of his parents, John E., youngest son of W. A. and Jane S. Wright.

The funeral services will take place at the house of his parents, and his remains deposited in the Methodist Graveyard this (Friday) morning at 11 o'clock.

Friends of the family are invited to attend the services."

8. Elizabeth Wright

Elizabeth Wright was a daughter of 1814 John Wright of Bedford County and Mary (Pace) Wright. (John<sup>1</sup>, 1814 John<sup>2</sup>)

The will of John Wright dated December 28, 1804, and probated on December 20, 1814, at Bedford County, Virginia, W.B. 4/146 listed Elizabeth Wright as one of his daughters:

". . . . I also give to my Daughter Elizabeth Wright the Feather Bed above Mentioned and excepted with its furniture to her & her Heirs forever . . . ."

There is no definite evidence as to who married Elizabeth Wright, daughter of 1814 John Wright, or whether anyone did. There are several Elizabeth Wright marriages in Bedford County, but they relate to other families. Elizabeth Wright, daughter of 1803 John Wright of Bedford County, married William Corley. James Asbury, the son-in-law of 1803 John Wright, was the surety on that marriage bond. Elizabeth Wright, daughter of 1810 John Wright of Bedford County, married Thomas Lewis Clayton. And the marriage bond of Elizabeth Wright, daughter of David Wright, Sr., and Thomas Hamilton was dated on May 21, 1783, at Bedford County, Virginia, with Stephen Dooley as surety and the marriage on May 22, 1783.

The result of this is to leave the daughter of 1814 John Wright unidentified and probably unmarried by 1804.

Our Kin listed Elizabeth (Wright) Hambleton as the daughter of 1803 John Wright, but this is not correct.

While there are a number of gaps in the legal descriptions of both deeds, there is sufficient description provided to make clear that the same 186 acres had been bought and sold by Benjamin Wright before his death and, therefore, that neither Deed 15/132 nor Deed 24/301 dealt with the land divided in Benjamin Wright's estate.

On November 29, 1833, at Bedford County, Virginia, County Court Order Book 24/235 Benjamin Wright was ordered to allot hands for road repair:

"Ordered that William Edgar be appointed Surveyor of the road from the Creek near Said Edgars house to the road near Jesse Witts - and it is further ordered that Price Hopkins and Benjamin Wright allot hands to the said Edgar out of the Companies of Abram Powell and Jack Creasy surveyors of roads."

This record reflects the sale of 186 acres of land by Bedford County Deed 24/301 and confirms that 1835 Benjamin Wright of Bedford County was the Benjamin Wright who was the son of 1814 John Wright of Bedford County and who received the 300 or 330 acre parcel under the will of 1814 John Wright.

In April 1835 at Bedford County, Virginia, County Court Order Book 25/72 Price Wright was appointed commissioner in the place of Benjamin Wright, deceased:

"Ordered that Price Wright be added to the Commissioners heretofore appointed (to wit in the room of Benjamin Wright Deceased) to allot Land to William Edgar Surveyor of the road leading from the Creek at said Edgar to the Liberty road near Jesse Witts."

This record indicates that Benjamin Wright died before April 1835.

In May 1835 at Bedford County, Virginia, County Court Order Book 25/78 Price Wright was appointed administrator of the estate of Benjamin Wright:

Except for differences between the two deeds at the places with the unusual style of description in Bedford County Deed 2/642, the legal descriptions clearly describe the same land.

There is one additional piece of evidence which supports this conclusion. The legal description of W.B. 9/295 refers to the northwesterly boundary as the line of Price Hopkins. Price Hopkins was also named as a witness to 1814 John Wright's will.

The conclusions to be drawn from this evidence are that 1814 John Wright lived on Eckholds Creek and that 1835 Benjamin Wright was his son and lived on the same land as that owned by his father. The location of the land owned by these two men can be ascertained from the Iazard/Campbell map which lists a Wright residence adjacent to the Hopkins residence south of the Little Otter River. A copy of that portion of the map appears on the following page.

The Wright Book listed the date of birth of Benjamin Wright as 1776, but no specific source for the information was given.

From the evidence set forth above and additional evidence set forth below, the children of 1835 Benjamin Wright of Bedford County and Mary (Weekes) Wright were the following:

- 1) Nancy (Wright) Franklin, born about 1797 at Virginia,
- 2) Price Wright, born probably before March 17, 1799, or beteen 1790 and 1800 or about 1800 probably at Bedford County, Virginia,

- 3) Elijah Wright, born about 1800 or 1801 at Bedford County, Virginia,
- 4) John Wright,
- 5) Isaac Wright, and
- 6) Benjamin P. Wright, born about 1809 at Bedford County, Virginia.

a. Nancy (Wright) Franklin And Her Husband Joel Franklin

Nancy (Wright) Franklin was a daughter of 1835 Benjamin Wright of Bedford County and Mary "Molly" (Weekes) Wright and probably their first child. (John<sup>1</sup>, 1814 John<sup>2</sup>, 1835 Benjamin<sup>3</sup>)

The marriage bond of Nancy Wright, daughter of Mary, and Joel Franklin was dated on October 31, 1835, at Bedford County, Virginia, with Isaac Wright as surety and the marriage on November 12, 1835:

If 1835 Benjamin Wright were dead by October 31, 1835, it would be appropriate to list Nancy Wright as the daughter of his widow Mary.

In November 1842 at Bedford County, Virginia, County Court Order Book 28/67 the court ordered a division of the estate of Benjamin Wright and the allocation of 1/6 to Joel Franklin and Nancy Franklin:

"Wright &c vs Wright &c Chy. On consideration whereof the Court approving said report doth confirm it, and doth further adjudge order and decree that Reaves S. Scruggs who is hereby appointed a commissioner for the purpose do withdraw the bonds filed among the papers in this cause taken by the said Price Wright for the purchase money of the land aforesaid, and that he do proceed to collect the same, and that out of the money when collected he do first pay the costs of this suit, and out of the remainder he do pay one equal sixth part thereof to the plaintiff Benjamin Wright, one other equal sixth part thereof to the plaintiff Elijah Wright, one other equal sixth part thereof to the plaintiff Isaac Wright, one other equal sixth part thereof to the plaintiffs Joel Franklin & Nancy his wife, one other equal sixth part thereof to the plaintiff Sarah Wright administratrix of Price Wright deceased and one other equal sixth part thereof to the widow and the legally authorised guardian of the heirs at law of John Wright deceased (all of whom are infants under the age of twenty one years) according to their respective rights and that said commissioner have regard in such distribution to any payments which may have been made to the said Price Wright in his life time on account of the sale of said land and also to such payments as any or either of the parties may have received from the said Price Wright or otherwise on account of the sale of the said land. "87. Wright, William.

March the 27th, 1862

This is to certify that an arrangement had previously been made between my sons who have volunteered in the service of the Confederate States Army, that my son William should remain to transact business for me as an overseer. Since this arrangement has been made, he (William) has been drafted in the militia and I am left a widow without any help at all to attend to my business.

Therefore I humbly ask that the Board of Exemptions release my son William Wright, from the service, that he may return to my home according to an act of the Legislation exempting overseers for widows and orphans.

Given under my hand this above named date.

Signed Sarah S. Wright"

March the 27th, 1862

This is to certify that an arrangement had previously been made between my sons who have volunteered in the service of the Confederate States Army, that my son William should remain to transact business for me as an overseer. Given under my hand this above named date.

Signed Sarah S. Wright"
