being present and assenting to that disposition of them: the office aforesaid was near the store when the said plaintiff had just before been selling goods but having quit the business he moved his books &c just across the road to the office aforesaid where the plaintiff transacted all the business connected with his late mercantile affairs. Said goods were most of them not very saleable an old stock that the plaintiff had had on hand in his store for several years and had passed in all probability from one concern to another for many years as the firms changed at the place (Pea Town) from time to time. These goods and all others had been priced by the said plaintiff who was an experienced merchant of some years while this respondent had no knowledge whatever (acquired in that way) of the value of goods. He had supposed the plaintiff would of course deal fairly with him, but he is fully satisfied that the goods were priced so high that it was impossible to make much profit and a portion of them he was compelled to sell at cost or less particularly of the old stock.

That the goods in the trunks aforesaid were many of them taken out of the trunks by the said John Q A Wright in the absence of this respondent and sold by him - many of them. The trunks having either been broken open by the plaintiff or otherwise entered and upon this respondents going to the office and seeing the condition of the trunks and goods the said plaintiff said he would account for them. The stack of goods in the trunks was worth about \$300 and this respondent is very confident it was worth that sum from the estimates he made, but of which he has not a memorandum with him at this time but he thinks he has such a one at home. So it is the said John Q A. Wright has had the entire benefit of said surplus stock of goods which though of the value aforesaid was too small a stock to peddle with. This respondent in consequence of having no sufficient stock of goods to peddle with was compelled to return home about the middle of August and so lost the entire year almost (except when he was employed in peddling) from all other business that could pay any profit to him for that year.

This respondent says that he has paid the said John Q A. Wright in cash on account of the said concern or in articles equivalent to it the sum of about \$790 or upwards a list of which payments he here files. That the said Wright the plaintiff is properly accountable for the price of the trunks and goods as aforesaid of \$300. That besides this he this expenditure paid expenses (which had to be taken off before any profit was divisible) the sum of \$127.05 as will be seen by an a/c filed and that also there was or are now \$42.34 of bad debts which were made in making some credit sales & against which this respondent could not guard if he sold at all in that way.

This respondent insists that the business was unprofitable - that he realised no profit from it but was a loser and if good conscience is to govern in this case the said plaintiff should pay to this respondent a fair value for his services - and that

he has over paid the said plaintiff what he is fairly entitled to. That the said plaintiff was not only bound to furnish the goods, but the capital was composed in part of a carry all and horse - that the said plaintiff was bound to furnish these things but only furnished the carryall. This respondent agreeing to furnish a horse as he did - the carryall has been retained by the said plaintiff since the business closed as his own property and therefore no charge for true is proper to be made against the said defendant

Now having fully answered he prays to be hence dismissed with his costs by him about his defence expended denying all fraud

In about April 1856 in File 679 the commissioner then filed the following report:

"In 1849 John Q. A Wright and Joel M Wright form a copartnership to sell goods as pedlars. John Q. A, was to furnish the goods and Joel M to sell and after the payments of expenses, they to be equal parters in the profits or loss - John Q. A. is to refunded the value of goods furnished the concern in the first place.

The defendant says in his answer that it was an unprofitable speculation and filed what he says is a list of sales, amounting to \$900 (paper marked S) But from the depositions of L. H Clayton and Wm B Jones it would seem that he admitted that it was a profitable speculation. It is supposed that as he has rendered no full. of his transactions, that it must charged with the amount of goods furnished by John Q. A. Wright, and credited, by said sums as he has paid

As there is some doubt whether this view is correct I have made alternate statements

These three deeds indicate that Joel M. Wright and Martha E. Wright were residing in Roanoke County on August 30, 1856.

On September 27, 1856, in File 679 Joel M. Wright requested a continuance to secure a witness, but John Q. A. Wright objected on the grounds that the motion was for the purpose of delay and that Joel M. Wright was becoming insolvent:

"Virginia County of Bedford to Wit

This day Joel M. Wright came before me a Justice of the Peace in and for the County aforesaid and made oath that Joseph Heller is a material witness for him on the trial of a suit on the Chancery side of the Circuit Court of Bedford in the

name of John Q. A. Wright against him and that he has been unable until within the last month to ascertain the place of his the said Heller's residence so as to take his deposition and now he does not know the particular place but has learned that he resides in the State of California. He has made every effort to find out the exact place of his residence but has not been able to do so since he was informed that he lived in California. He deems him a very material witness in said cause and he cannot prove the same facts by any one else that he knows of. If the cause aforesaid is continued he thinks he will be able by the next time to obtain his evidence. Given under my hand this 27th of September 1856

Ro. G Bell J.P.

I do not think this case ought to be continued on the facts stated in the within affidavit. The Bill was filed in March 1855 an a/c ordered at the April term 1855, a/c taken and returned April, 1856, and the a/c stands now without an exception to it Nothing is heard of the materiality of the witness Heller until the case is called for trial more than 18 months after the bill is filed

The within affidavit does not show a case of proper diligence it merely states that the affiant has been unable to ascertain the residence of the witness until within the last month, that since he has ascertained that he resided in California he has used every effort to find out the exact place of his residence but has not done so. There is no statement that for the 18 months previous he had made any effort to find out his residence. I think it is merely an effort to get a continuance simply for delay. My client thinks it important to have the case tried this term as the defendant is in failing circumstances and he thinks if the case is continued he will lose his demand by reason of the insolvency of the deft. The case stands on the a/c to which there is no exception.

On October 2, 1856, at Bedford County, Virginia, Chancery Court Order Book 3/384 the court approved the commissioner's report and subject to an additional credit ordered payment by the defendant:

"1856 October 2nd

This day this cause came on again to be heard on the papers formerly read and the report of Commissioner Wharton made in pursuance of a decree in this cause at a former term, to which report there is no exception. On consideration whereof the Court approving said report doth confirm it but the plaintiff being willing to allow the defendant an additional credit of Twenty six dollars and eleven cents for a carryall, and a statement having been made at the bar marked A on which the said sum of Twenty six dollars and eleven cents is credited, and

which statement shows a balance due the plaintiff of Seventy dollars and ninety two cents, as of the 1st May 1850. And the Court approving said statement A. doth adjuge, order and decree, that the defendant Joel M. Wright do pay to the plaintiff John Q. A. Wright the sum of Seventy dollars and ninety two cents with interest after the rate of six per centum per annum from the 1st day of May 1850 till paid, and that the said defendant do pay to the plaintiff his costs by him about his suit in this behalf expended."

In about September 1850 Anthony P. Wright instituted a suit in Bedford County, Virginia, Chancery Court, File No. 682, for an order authorizing the sale of Anthony Wright's land to satisfy the division of the estate among the widow Catherine and Anthony Wright's issue. All of the potential distributees, except Rhoda (Wright) Wright and Celia (Wright) Wright who were out of the state, joined in the request for the sale. The complaint provided as follows:

"To the worshipful the Justices of the County Court of Bedford in Chancery sitting

Humbly complaining \_\_\_\_? unto your worships your orators and oratrices - Catharine Wright the widow of Anthony Wright deceased, Joseph Wright George Wheeler and Agnes his wife, Robert Ramsey and Elizabeth his wife, Joseph Mays and Malinda his wife, Polly Gish Thomas A. Claytor and Eliza Jane his wife that Anthony Wright departed this life in the month of August 1850 intestate seized and possessed of a tract of land in the County of Bedford and four slaves, that Anthony P. Wright has taken out letters of administration on his estate - that the following persons are entitled to distribution of his estate to wit your oratrix Catharine his widow is entitled to one third of the said real estate and slaves for life -

William Wright & Rhoda his wife to one share -  
Your orator Joseph Wright to one share -

Wright is an infant under the age of 21 years, and the above named William Wright and Rhoda his wife and Thomas Wright and Celia his wife reside out of the limits of this state - they further state that the land is not worth \$300 to each distributive share and could not be divided without greatly impairing the value thereof, and it will be seen from the number of distributees that the slaves being only four in number cannot be divided in kind, and that it is not necessary that any of the slaves should be sold for the payment of debts of the said intestate - Your oratrix Catharine is willing that all the slaves may be sold and she receive the interest on one third of the sales during her life or a sum certain in lieu of her life estate -

They further state that the intestate in his life time made advancements to some of his children with which they should be charged -

To the end therefore that they may obtain the relief to which they are entitled they pray that the said Anthony P. Wright admr of the said Anthony Wright - decd the said Thomas Wright and Celia his wife William Wright and Rhoda his wife and Jubal J. Sometime thereafter in File 682 Thomas A. Wright joined in a request for the sale of 1850 Anthony Wright's land:

"We the undersigned distributees of the estate of Anthony Wright decd desire that a decree may be made by the County Court of Bedford for a sale of the land and slaves of which the said Anthony died seized and possessed & after laying off and assigning to the widow of the said Anthony her dower and thirds therein, as the land is not worth the sum of Three hundred dollars to each distributee and the slaves being only four in number cannot be divided in Kind - and we hereby consent that our names may be used as parties in any proceeding that may be necessary for that purchase

The absence of a residence listing in Botetourt County is consistent with the move of James T. Wright to Conway County, Arkansas, set forth below.

The 1850 Census for Botetourt County, Virginia, listed only one James Wright, age 23 with a wife Malinda. The absence of James Tyree Wright from the 1850 Botetourt County, Virginia, Census reflects his move to Arkansas set forth below.

In his letter dated April 4, 1988, Mr. Bennie Horton enclosed an abstract of the 1850 Census for Conway County, Arkansas, that listed James Right with the following household:

<u>Name</u>	<u>Age</u>	<u>Sex</u>	<u>Occupation</u>	<u>Born</u>
James Wright	28	M	Farmer	Virginia
Mary Wright	24	F		Virginia
Giles Wright	5	M		Virginia
Floyd Wright	4	M		Virginia

This record indicates that James Tyree Wright was born in about 1822.

and Solomon Wright, married Mary \_\_\_\_\_ before October 15, 1855, and resided on  
October 15, 1855, at Polk County, Missouri.

In his letter dated April 4, 1988, Mr. Horton enclosed an abstract of the 1860  
Census for Mount Vernon Township, Lawrence County, Missouri, which listed James T.  
Wright with the following household:

<u>Name</u>	<u>Age</u>	<u>Sex</u>	<u>Occupation</u>	<u>Real Estate</u>	<u>Born</u>

Mary Pell Wright	11	F			Arkansas
James Wright	8	M			Arkansas
John Wright	6	M			Arkansas
Virginia Wright	2	F			Missouri

This record indicates that James T. Wright was born about 1821.

In his letter dated April 4, 1988, Mr. Bennie Horton also enclosed the following  
biographical extract for Mary Pell Ledbetter from a Searcy County, Arkansas, history:

"Mary Pell Ledbetter

I have been thinking I would write a sketch of my life for a long time. My eyes  
are so weak I kept putting it off.

I was born in Giles County, Virginia, December 12, 1849. My parents moved to Lewisburg, Arkansas in January 1850. In 1853 they moved to Polk County, Missouri, from there to Lawrence County, Missouri, and in 1861 they moved to Newton County, Arkansas. My father's name was James Tyrie Wright. He joined the Confederate Army in Missouri the summer of 1861. He was in the battle on Wilson Creek when General Lyons was killed. He was for the North, and he rode a fine white horse. It was killed also. Its mane was as fine as human hair, and -- was wounded. Several of the Yankees were killed.

Confederates were camped on the creek. The Yankees slipped down on them before they had all got up, but they whipped the Yankees and run them back to Springfield. The boys made a song about it. I have forgot the first verse. The next one went,

'They came out at the break of day,  
They thought they would surprise us and whip us out so fast,  
But we are the boys that turned the joke  
And made the Yankees fly out among the rocky hills  
To root hog, or die.'

My mother moved back to Newton County, Arkansas. My father came home on furogh in the summer of 1862 and made up a company. He was elected captain. And times got so bad, he and another man was moving across the Boston Mountains with part of the family and the bushwackers or Jayhawkers, waylaid them and shot him off his horse. He fell in the bayou. My brother, 15 years old, was driving the wagon and he ran back and pulled him out of the water. Bill Conley threatened to kill him if he did, and he came across and shot him again.

There was a set of robbers: the Meekses, Hubbles, Brassfields and Conleys. There was quite a bunch of them. I have forgotten most of their names. They called the place Meekstown. They were robbing and killing innocent people. The place was 12 miles from where we lived.

Two men came and told my mother and Mrs. Burns about my father. It was late and they didn't go till next morning to my father. They buried him and did not get back home till the next day, and that bunch came the night after they left and robbed our house. I was the oldest one of us children that was there at the time. I was 13, one brother 10, one 8, one sister 3, a girl and a boy that came to stay with us for company, 5 small children that Mrs. Burns was keeping for a man. They carried out our bed clothes and beds. We had a piece of cloth in the loom. They took all the filling, and everything they could carry on horseback. Mother had a large pitcher of sorghum, they took that. They poured our flour out on the floor and broke glass in it. Then when they got all they wanted in the house, they

took a lamp out and robbed a bee gum, and then when they were ready to leave, the stomped the lamp into the ground. We thought they were gone. The girl who was with us, Mary Jane Powers, and I slipped out to listen, and a man came running back, wanted to know what man that was. I told him it was just us girls, there wasn't any man. He said he knew there was; then they went off. Oh, how I wished for a bunch of our boys to come on them while they were there. They claimed they were for the North, but they robbed all.

After that, my oldest brother was up on a mountain at a neighbor's house when the robbers came there. The lady opened the door, and the wind blew the light out, so they would not recognize my brother. They would have killed him if they had known who he was. After they left, he ran down the mountain. He jumped off rocks to get down to let the people know the robbers were going down Cave Creek, but they didn't go any farther than our house. They knew there they came again, and commenced plundering the house; they claimed they were hunting for guns and ammunition. We children were alone again. Someone outside the house gave the alarm, and they all ran from the --. I ran out to see what the alarm was about. I saw my mother, farther down the hill my brother. They all ran after him but he outran them and got away. They had taken a man and his son on the mountain and killed them later on. Two men waylaid my brother, shot him with a shotgun. Two shot hit him just below the belt, one shot on the shoulder came near the skin and my aunt cut it out with a razor. My mother and some friends took him 10 miles to Dr. Cole in Richland. -- stayed with him till he got well. My mother moved with us to Marshall, Searcy County, Arkansas.

...."

Finally, in his letter dated April 4, 1988, Mr. Horton also enclosed family group sheets which stated that James Tyree Wright was born in 1821 in Virginia, that he married Mary Duncan in Virginia (now West Virginia), and that he died in 1863 at the Illinois Bayou on or about Nogo, Arkansas, and was buried near Witts Springs, Arkansas, that Mary (Duncan) Wright was born on January 3, 1823, that she married as her second husband Marshall Parks in 1865, and that she died in October 1910 or October 6, 1911, and was buried in Canaan Cemetery, Marshall, Arkansas, and that James Tyree Wright and Mary (Duncan) Wright had the following children:

- 5) John A. Wright, born in 1853 at Conway County, Arkansas;
- 6) Virginia Bell Wright, born on July 25, 1857, at Mount Vernon, Missouri.

Mr. Horton also enclosed material which stated that James Tyrie Wright was a Captain of Company C, 11th Regiment of Cavalry, 8th Division of the Missouri State Guard in the Confederate Army, that he was elected Captain on October 22, 1861, when he was age 40, that his post office was then Mount Vernon, Lawrence County, Missouri, and that he was discharged on March 20, 1862.

In his letter dated January 7, 1998, James Troy Massey enclosed family group sheets which stated that James Tyrie Wright was a son of Thomas Anthony Wright and Celia (Wright) Wright, was born about 1821 at Giles County, Virginia, married Mary Duncan, and died in 1862 at Nogo Bayou, Searcy-Pope County line, Arkansas, that Mary (Duncan) Wright was born on January 3, 1823, at Virginia, and died on October 6, 1911, at Searcy County, Arkansas, and that James Tyrie Wright and Mary (Duncan) Wright had the following children:

On about September 26, 1827, at Bedford County, Virginia, County Court Loose Papers Ammon Hancock and Henry Brown, Jr., filed their complaint against Benjamin Wright, as administrator of the estate of John Wright for payment of a debt of \$134.34 due from John Wright and Archibald Wright:

"Bedford County to wit,

Ammon Hancock, and Henry Brown jr merchants, and partners trading under the style, and firm of Hancock & Brown, who are assignees of Littlebury C. Williamson, who was assignee of John St. Clair, complain of Benjamin Wright administrator of John Wright deceased in custody &c of a plea that he render unto them the sum of One Hundred, and thirty four dollars, and Ninety four Cents, which from them he unjustly detains. For that a Certain Archibald Wright, and the said John Wright, in the life time of the said John Wright, to wit, on the 3d day of June 1822 at the County aforesaid, by their certain bill penal sealed with their seals, and no where to this Court shewn, the Date whereof is the same day, and year aforesaid, on demand promised to pay to the said John St. Clair (by the name, and style of "John Sinclair") the just sum of Sixty Seven dollars, and seventeen Cents for value received; and for the true payment thereof, they, the said Archibald Wright, and John Wright, thereby bound themselves, their Heirs &c. in the penal sum of One Hundred and thirty four dollars, and thirty four Cents - which said bill penal the said John St. Clair (by the name and style of "John Sinclair") afterwards, in the life time of the said John Wright, and before the payment of the said sums of money in the Said bill penal specified, or either of them, or any part thereof, to wit, on the 17th day of april 1826 at the County aforesaid, by an endorsement thereon in writing, his own proper hand being

thereto subscribed, assigned to the said Littlebury C. Williamson (by the name, and style of "L. B. C. Wmsson");) who afterwards in the life time of the said John Wright, and before the payment of the said Sums of money in the Said bill penal specified, or either of them, or any part thereof, to wit, on the 21st day of September 1826 at the County aforesaid, by an indorsement thereon in writing, his own proper hand being thereto subscribed, assigned the said bill penal to the said plaintiffs - of which said several assignments the said John Wright and the said Archibald Wright in the life time of the said John Wright, at the said several times, and places of the making of the said assignments as aforesaid had notice respectively and the plaintiffs aver, that the said Archibald Wright, and John Wright did not, nor did either of them in the life time of the said John Wright (altho' often thereto requested) pay to the plaintiffs the said sums of money in the said bill penal specified, or either of them, or any part thereof, nor have the said Archibald Wright, and the said defendant, nor hath either of them since the death of the said John Wright (altho' often thereto requested) paid to the plaintiffs the said sums of money in the said bill penal specified, or either of them, or any part thereof - By means whereof an action hath accrued to the plaintiffs to demand and have of the said defendant the said penal sum of One Hundred, and thirty four dollars, and thirty four Cents - Yet the said defendant (altho' often thereto requested) the said sum of money last-named or any part thereof to the plaintiffs hath not paid, but the same to pay, hath hitherto refused, and still doth refuse to the damage of the plaintiffs \$20. and therefore they sue.

After the death of her first husband, Elizabeth (Wright) Wright moved back to her father's residence. The deposition of William Anderson dated May 1, 1853, in Wright v. Wright, Bedford County, Virginia, Chancery Court File 682, provided as follows:

"Ques. by S. A. Claytor's counsel. Were you acquainted with Archibald Wright in his lifetime: - if so say when he died:

Ans. I was well acquainted with him - and think we has been dead more than twenty years -

2- By the same - Do you know where his widow and children lived after his death:

Ans. They lived with Anthony Wright for several years after the death of Archibald Wright. I do not know how long. They lived in the house with Anthony Wright for several years & then moved to a house built for them by him on his land - where they lived until they went to the place where they now live.

On or about July 27, 1868, the Dickinson family filed a further suit against Anthony P. Wright in Bedford County, Virginia, Chancery Court, File 6082, for recovery of money due pursuant to the sale of the Dickinson Mill Tract on December 14, 1865.

The complaint contended that Anthony P. Wright had defaulted in his payments and requested resale of the property:

"To the Honorable G. A. Wingfield, Judge of the Circuit Court of Bedford County, sitting as Chancellor:

Humbly complaining shew unto your Honor your Orators & Oratrices, William Dickinson jr John G Kasey sheriff of Bedford County and as such administrator with the will annexed of John J Dickinson decd., Charles C Lewis, Henry C Dickinson & Sally his wife, John Q Dickinson & Mary his wife, and William A Quarrier, that William Dickinson Sr. late of the County of Kanawha, in the State of West Virginia, departed this life on the \_\_\_ day of \_\_\_\_\_ in the year \_\_\_, having first made and published his last will and testament with a codicil thereto annexed, which will and Codicil were admitted to probate in the County Court of the said County of Bedford. on the 27th day of March, 1865, a certified copy whereof with the certificate of Probate endorsed is herewith filed as a part of this bill, marked "A" that by the provisions of said will and Codicil, as will be seen by an inspection of said copy, the testator bequeathed the whole of his estate, the one half thereof to your Orator William Dickinson jr., the one eighth part to the said John J Dickinson (who survived the testator,) and the residue in equal shares to your Oratrix Sally Dickinson, your Oratrix Mary Dickinson (then Mary Lewis, who afterwards intermarried with your Orator John Q Dickinson, and your Orator Charles Lewis: that after the death of the said testator, the said John J Dickinson, also a resident of the said County of Kanawha, departed this life, having first made and published his last will & testament, which was first admitted to probate in the Circuit Court of said County of Kanawha, and afterwards in pursuance of the Act of the General Assembly of Virginia in such case made and provided, an authenticated copy of said last mentioned will & of the certificate of Probate thereof were duly admitted to probate in the County Court of the said County of Bedford, the said will being so admitted to probate as a will of real and personal estate, as will appear by certified copies of the said will & of the orders of probate herewith filed as a part of this bill marked "B": that the said John J Dickinson by his said will, (as shewn by said copy,) bequeathed and devised the whole of his estate as follows, one third thereof to your Oratrix Sally Dickinson, another third to your Oratrix Mary Dickinson (then Mary Lewis), and the remaining third to your Orators William A Quarrier and Henry C Dickinson jointly that the estate of said John J. Dickinson in the State of Virginia has been committed with the will annexed of the testator to your Orator John G Kasey Sheriff of said County of Bedford: that the said William Dickinson sr., at the time of his death, was lawfully seized in fee-simple of a tract of land in the said County of Bedford, on which are located a valuable mill & other buildings situate on Goose Creek, containing by estimation 143 acres & 17 poles, which passed under his said will to his devisees aforesaid, one eighth part to his son the said John J Dickinson, which eighth part passed by the said will of the said John J to

the devisees therein mentioned: that your Orator, the said William Dickinson jr owned in his own right in fee-simple lands adjacent to the tract aforesaid of the said William Dickinson Sr., consisting of several contiguous parcels which together with the tract aforesaid of the said William Dickinson Sr. amounted to 197 acres, 1 Rood & 37 poles, all together being known as the "Dickinson Mill tract": that in the life-time of the said John J Dickinson, to wit, on the 14th day of December, in the year 1865, the devisees aforesaid of the said William Dickinson Sr. and your Orator William Dickinson jr. as one of said devisees & in his own right, by your Orator Henry C Dickinson as their agent (acting also for himself & in right of his wife the said Sally) offered for sale in gross the said "Mill tract" of land, containing 197 acres, 1 Rood & 7 poles as aforesaid, by public auction, to the highest bidder upon the following terms, a credit of six, twelve, eighteen & twenty-four months for equal instalments of the purchase money, the purchaser to give bonds with good personal security for the several instalments and the title to the land to be retained as a further security for the payment of the purchase money until the whole was paid, when the title should be made, reserving however the burying ground, supposed to contain one half acre: that at said sale one Anthony P Wright, being the highest bidder, became the purchaser of said land at the price of \$18,700-. and he thereupon executed his four several bonds for \$4675- each, payable to your Orator William Dickinson jr, the said John J Dickinson, & your Orators Charles C Lewis, Henry C Dickinson and John Q Dickinson, on the 14th day of June 1866, on the 14th day of December 1866, on the 14th day of June 1867 & on the 14th day of December 1867 respectively: that one James M Ramsey as surety executed the bond payable on the 14th day of June 1866, Clemens Dickinson as surety the bond payable on the 14th day of December, 1866, John H Carner as surety the bond payable on the 14th day of June 1867 and Samuel G Stewart as surety the bond payable on the 14th day of December, 1867: that the bond with James M Ramsey as surety, falling due on the 14th day of June, 1866, has been wholly paid off by the principal obligor, the said Anthony P Wright: that on or about the 26th day of August 1867, the said Anthony P Wright paid \$600 in part of the bond with Clemens Dickinson as surety, which became due on the 14th day of December, 1866, & a suit at law was instituted on said bond by the obligees against the said A. P. Wright & the said Clemens Dickinson in the Circuit Court of Bedford County & a judgment recovered thereon against them on the 10th day of May 1867 for \$4675. with 6 per cent interest thereon from the 14th day of December 1866 bill payment, & \$8.13¢ for costs, subject to a credit for \$600 paid on or about 26 August 1867, upon which judgment a suit of Fieri facias was sued out on the 1st Day of October 1867 returnable to November Rules 1867, placed in the hands of J. G. Kasey Sheriff of Bedford County for execution, who levied the same upon sundry personal property of the defendants, made sales thereof & accounts to the plaintiffs for the nett proceeds of such sales: a paper marked "C" is herewith filed as a part of this bill, containing an abstract of the said judgment & a copy of the Sheriff's return on said suit of fieri facias & of the list of sales made by him

thereunder, from which it will appear that the nett amounts arising from said sales & to be credited on said execution are as follows \$364.25¢ as of 14 nov. 1867 - \$200.75¢ as of 23rd day of February, 1868, & \$588.35¢ as of the 23rd of March, 1868, all of which amounts arose from sales of the property of the principal obligor Anthony P Wright except the gross sum of \$138.82¢ as of the 16 November 1867, & the further sum of \$44 as of the 23rd day of February 1868, which arose from sales of property of the surety Clemens Dickinson, and from which the Sheriff deducted his commissions and as to the residue of the debt the Sheriff returned "no other property found to levy this Exon on: A copy of the bond upon which said judgment was received marked "D:, is herewith filed as a part of this bill, the original being on file amongst the papers in said suit at law in the Circuit Court aforesaid: that on the bond of the said Anthony P Wright with the said John Carner as surety, falling due 14" of Jun. 1867, a suit at law was instituted by the obligees in the County Court of Bedford County against the said Anthony P Wright as surviving obligor (the said John H Carner having died) and a judgment recovered thereon against the said Wright at the November Term, 1867, of said county Court for \$4675. with 6 per cent interest thereon from the 14th day of June, 1867, till payment & \$6.61¢ costs, upon which judgment on suit of Fieri facias was sued out & return made thereon by the Sheriff of Bedford County "No effects". A copy of said bond (the original being on file in said suit at law in Bedford County Court) marked "E" & also an abstract of said last mentioned judgment with a copy of the Sheriff's return in said last mentioned Fife annexed, marked "F" and herewith filed as part of this bill: that on the bond of the said Anthony P Wright with the said Samuel G Stewart as surety falling due on the 14th day of December 1867 an action of debt was instituted by the surviving obligees (the said John J Dickinson having died) against the said Wright and Stewart in the County Court of Bedford & judgment received thereon at the February Term, 1868, of said County Court for \$4675 with 6 per cent interest thereon from the 14- day of December 1867, till payment & \$6.00¢ costs, upon which a suit of fieri facias was issued on the 9th day of March 1868, returnable on the 4th Monday in April, 1868, which suit was placed in the hands of the Sheriff of Bedford County for execution & was levied in sundry personal property of the said Stewart, which property was sold under said levy on the 27th day of April, 1868 & the nett proceeds of sale accounted for to the plaintiffs in the execution: the nett proceeds of sale amounted to \$1213.85¢ & the sheriff returned "no effects as to the residue of this execution": A copy of said return & of the list of sales of said property marked "G" is herewith filed as a part of this bill, also a copy of the said bond of Wright & Stewart marked "H: & an abstract of said judgment thereon marked "I". Your Orators and Oratrices further charge, that the whole of the purchase money aforesaid, evidenced by the bonds and judgments aforesaid, is still owing, due, and unpaid, except as to the payments & credits hereinbefore mentioned: that the personal effects of the obligors, so far as they are subject to levy under execution, are believed to be exhausted: that, as shewn by returns aforesaid of the sheriff of Bedford County, writs of fieri

facias upon the judgments aforesaid have proved to a large extent unavailing: that the said John H Carnes died intestate, leaving no personal estate of any value & therefore no suit was instituted at law against his personal representative & none against him in his lifetime, and that he had no personal representative until very recently, when his estate was committed for administration to John G Kasey as Sheriff of Bedford County: And they are advised that they have a right to resort to the aid of a Court of Equity to enforce their vendor's lien reserved as aforesaid upon the tract of land aforesaid sold to the said Anthony P Wright & subject the same to the payment of the residue of the purchase money aforesaid remaining unpaid; and furthermore, if the said land shall prove insufficient for that purpose, as they are apprehensive it will, to enforce the liens of their judgments aforesaid upon the real estate of the judgment debtors respectively & subject the same to the payment of any balances due from them respectively on said judgments.

Your Orators & Oratrices are not fully and accurately informed as to the real estate of the said parties liable to be subjected as aforesaid, the exact location, boundaries, & quantity of the different tracts & parcels of their lands & are therefore compelled to require a full discovery thereof. Upon examination of the land rolls of the Commissioner of the Revenue in the Clerk's Office of Bedford County they find lands charged to said parties as follows to the said Anthony P Wright 188 acres situate on Beaver Dam Creek, but they are informed that said Wright claims that he owns on said tract 297 acres thereabouts & an equitable interest in same lands in Franklin County: to Clemens Dickinson 91-1/4 acres (on which he lives) on Jumping Run": (to John H Carnes one parcel of 40 acres, another of 63 acres, another of 18-1/2 acres, and another of 125 acres, in all 246-1/2 acres, in Goose Creek & to Samuel G Stewart one parcel near X roads of 36-1/2 acres, another near X roads of 21-3/4 acres, and the following parcels in "Falling Creek" 74-1/2 acres, 10 acres, 56 acres & 295-4/10 acres on "Beaver Dam" Creek, in all 494- 3/20 acres. Your Orators & Oratrices are informed, that there are perhaps some judgment liens, other than those hereinbelow mentioned, upon said lands and if your Orators & Oratrices shall be compelled to resort to the said lands for payment of any balances on the judgments aforesaid against said Wright & others, after subjecting the "Mill Tract" of land aforesaid, they are advised, that it is competent for this Court, as a Court of Equity, to settle all conflicts of liens arising amongst the different creditors & order payment according to priorities as they shall be determined. They are also advised that although no judgment may have been received against the said John H Carnes in his life time and none against his personal representative since his death, and as in either case execution thereon would have proved unavailing, his real estate descended to his heirs is liable in their hands to the payment of the bond aforesaid upon which the said John H was bound in his life-time & which upon his death was left wholly unpaid. They are informed that Marinda E Carnes, the wife of the said John H. survived him & is entitled to dower in the lands of her

deceased husband, & that he left the following children his only heirs at law, to wit, William A Carnes, Mary J Carnes, James M Carnes, Elijah T Carnes, John C Carnes, Edward E Carnes, Joseph W Carnes, Sarah E Carnes, (the last six of whom are infants under the age of 21 years).

Your Orators & Oratrices, being remediless in the premises at law & relievable only in a Court of Equity, pray, that Anthony P Wright, Clemens Dickinson, John G Kasey Sheriff of Bedford County & as such administrator of John H Carner decd, Marinda E Carner, William A Carner, Mary J Carner, James M Carnes, Elijah T Carner, John C Carner, Edward E Carner, Joseph M. Carner, Sarah E Carner (the last six infants) & Samuel G Stewart, be by proper process made parties defendants to this suit and required, the adults in proper person and the infants by Guardians ad litem, to answer all and singular the charges and allegations of this bill on their several oaths, as fully and particularly as if the same were here repeated and they thereto severally & specially interrogated: that the said defendants (except the said widow, heirs & personal representative of John H Carner deceased) especially answer and discover the real estate owned by them respectively at the dates of the respective judgments aforesaid against them & such real estate so owned by each of them now, setting forth fully and particularly the location, quantity, & boundaries of each tract of land & exhibiting the evidences of their title to the same, and if they or either of them have aliened any of their lands since the date of the said judgments against them, let them answer and say, to whom they have so aliened said lands, how, when and upon what consideration: and let them also answer and say, whether there be any unsatisfied liens or encumbrances, other than those hereinbefore mentioned, upon the said lands so owned by them respectively at the date of said judgments, and if there be any such, let them severally describe the liens upon their respective lands, the character, dates, & amounts thereof with the names & residence of the creditors holding them: let the said widow & heirs of the said John H Carner answer & say, what real estate the said John H died seized of or had an interest in at the time of his death, describing its location, quantity & metes & bounds of each parcel thereof & let the personal representative of said John H discover the personal estate if any, of which the said John H died possessed & the debts, if any, outstanding against the estate of his intestate: and, the premises considered, may it please your Honor by decree to enforce the specific lien of your Orators and Oratrices against the said Anthony P Wright upon the Mill tract of land hereinbefore mentioned & subject the same by sale to the payment of the unpaid balance of the purchase money still owing by the said Anthony P Wright and his said sureties, and if the said land be insufficient for that purpose, may it please your Honor to enforce the judgment liens aforesaid against the real estate of the said Anthony P Wright & of the said sureties so far as may be necessary to discharge fully the purchase money aforesaid for which said sureties are respectively bound, and also subject the lands of the said John H Carner descended to his heirs, first assigning to his

widow her dower therein, if entitled to the same: appoint guardians ad litem to the infant defendants, order all proper accounts, Grant to your Orators & Oratrices the Commonwealth's writ of summons commanding &c and all such other & further aid and relief as Equity and good conscience may dictate and the nature of their case may require, and, as in duty bound, they will ever pray &c.

E. C. Burks P. Q."

On October 3, 1868, Anthony P. Wright admitted the amounts due and the default in payment, but asked for a sale of the property in a form to obtain the best price and further alleged that there existed a suit to clear obstructions below the mill, which would enhance its value:

"The Separate answer of Anthony P. Wright to a bill of complaint exhibited against him and others in the circuit Court of Bedford County by William Dickinson jr and others and the Said defendant saving and reserving to himself the benefit of all proper exceptions to said bill for answer thereunto or unto such parts thereof as he is advised it is material for him to make answer unto answers and says that he admits he purchased the mill and land in the bill mentioned at the price therein stated and that he executed the four bonds for \$4675 each with the security to each bond as stated in the bill. This first bond with James M. Ramsey as security having been paid off, he admits that judgments have been obtained against him and his securities on the other three bonds on these judgments payments have been made to a considerable amount the exact amount he does not know. He admits that there is balance due on each of said bonds. Further answering he says that he is advised that as the suit is brought to subject the said Mill property to the vendors lien thereon that your Honor will give him a reasonable time within which to pay the balance of the purchase money before a sale thereof is made. He believes if this is done that he will be able to pay the balance of the purchase money or so much of it as that the property will sell for a sum sufficient, with the payments he will be able to pay, as to relieve his securities which he is most anxious to do, from all loss. He further states that the said mill tract purchased by him contains about 180 acres, and that it will sell to much better advantage and the interests of all parties will be promoted if it should be sold in two parts, that is to say to sell the mill property with thirty acres of land attached thereto in one tract and the residue 150 acres in another tract. He further states that the mill property aforesaid if sold until the case of Wright vs Kasey &c pending in this Court is decided would be sold under disadvantageous circumstances and at a great sacrifice. That suit is brought for the purpose of relieving said mill from injuries caused by obstructions below and so long as these obstructions remain the property will be regarded as of much less value and would necessarily be sacrificed. He humbly submits that a court of equity would not decree a sale until this difficulty is removed or at least until

the question is settled in regard to it, especially when a sale under such circumstances must result in a great sacrifice of the property

A. P. Wright

In Bedford Circuit Court October 3rd 1868 Sworn to by Defendant Anthony P. Wright.

Teste, R. D. Buford, Clk"

On October 3, 1868, the court in File 6082 ordered the Court Commissioner to take an account of the amount due from Anthony P. Wright on the original purchase price of \$18,700 and that report showed one note of \$4675 paid in full and a second note of \$4675 paid in part and that over \$12,000 remained due. That report also stated that Anthony P. Wright then owned two tracts of land, one the Mill Tract for 197 acres and a second for 275 acres:

". . . . At the date of these judgments Anthony P Wright was seized and possessed of the following real estate.

- 1 197 acres in Bedford county, on Goose Creek - called the "Mill tract" for the purchase money of which the bonds to the complainants were executed
- 2 275 acres in the same county, on Beaver dam creek adjoining William Anderson, P. R. Moorreau & others some 80 acres of which are not conveyed to Wright, but have been paid for except about \$50

He has also an interest (what is unknown to the commissioner) in lands in Franklin county not paid for, and not more more than sufficient in value to pay the purchase money. Now rented to Reed Barton and David Barton

It does not appear that any of this land has aliened since the rendition of the complainant's judgments

It does not appear that there are any liens or incumbrances on the lands of Anthony P Wright, other than the judgments of the complainants on which there is a balance due as of 1 January 1869 of

"To the Hon. John A. Wharton, Judge of the County Court of Bedford County; sitting as chancellor:

Your orators James C. Kasey & William A. Wingfield, administrators with the will annexed of Thomas Kasey decd on behalf of themselves & such others, the creditors of Anthony P. Wright, who shall come in, & contribute to the costs of this suit, humbly complaining show unto your honor, that their testator in his life time obtained a judgment by confession in the clerk's office of the County Court of Bedford County against the said Anthony P. They are advised that these tracts of land & any other land which he may have owned at the date of the said Judgment, or which he may have since acquired, are subject to the lien of the aforesaid judgment & liable to be sold to discharge the same. Your orators charge that the rents & profits of the aforesaid lands will not pay off the said debt in five years

To the end therefore that justice may be done them, & forasmuch as they are remediless save in a court of Equity where matters of this kind are properly cognizable & relievable, your orators pray that the said Anthony P. Wright may be made a party defendant to this bill, & required on oath to answer the same as fully & particularly as if the allegations thereof were here again repeated & he thereto specially interrogated; that all proper accounts may be directed to be taken by one of the commissioners of this Court; and finally the premises considered may it please your honor to decree a sale of the lands of the said Anthony P. Wright or so much thereof as may be necessary to pay off the aforesaid judgment, & such other debts as shall be properly shown to constitute liens upon the same: Grant unto your orators the commonwealth's writ of summons commanding &c and such other further & general relief as the nature of their case may require & to equity shall seem meet; & your orators, as in duty bound, will ever pray &c

Thereafter the commissioners filed their report in File 6082 that part of the land had been sold to A. H. Wright and part had been sold to P. R. Moomaw:

"Dickinson &c        )  
v                        )       Report of Commissioners to sell land  
Wright &c            )

The undersigned who were appointed commissioners by a decree, pronounced in the above named cause, on the 1st day of May, 1869, to sell the tract of land

in said decree mentioned respectfully report that after having advertised the time and place of sale for more than three weeks by printed handbills, posted at public places in the county and advertisement in the Bedford Centinel and news and Bedford slot(?) news papers published in the town of Liberty sold by public auction to the highest bidder on the premises on Thursday the 24th day of February, 1876, the said tract of land.

The tract of land was sold \_\_\_\_\_ request of Jno T. Dickins & A P Wright in two parcels. they deeming best do so and we concurring with them in opinion That portion of the tract lying \_\_\_th of the mill described as follows "commencing at the upper corner of the field (Rami field) at the creek thence up the hill in a straight-line across the road and down the hill over the left to the branch and down the branch to the creek again" this part of the tract was supposed to contain 150 acres and was sold as containing that quantity but with the understanding which was produced at the sale that if the quantity upon a survey should be ascertained to be in excess of 150 acres the purchaser was to pay for such excess at the rate per acre at which the land was sold and if there should be less than 150 acres there was to be an abatement for such deficiency at the same rate per acre, under these terms the said tract was knocked out to A. H. Wright who was the highest bidder at \$15.50 per acre assuming the tract to contain 150 acres the whole purchase money amounted to \$2325. The said A H Wright paid \$125 in money and executed four bonds for the deferred instalments with William H. Carner his security all dated 24th February, 1876, for \$550 each payable respectively eight, sixteen, twenty four and thirty two months from date with interest from date, with an endorsement on each of said bonds signed and sealed by said A. H. Wright and Wm. H. Carner as follows "The within tract of land is sold as containing 150 acres but it is understood and agreed that it is to be surveyed and the exact quantity ascertained and if there is more than 150 acres we are to pay for the excess at the rate of \$15.50 per acre and if there is less than 150 acres there is to be a deduction for the deficiency at the same rate per acre" which bonds are herewith returned. Immediately after the above sale at the same place your commissioners sold to the highest bidder at public auction the residue of the tract on which was situated the mill and dwelling house and supposed to contain 40 acres. This parcel was sold in the gross and not by the acre and was knocked out to P. R. Moomaw at the price of \$2000. He paid in money \$125 and executed his four bonds with B. F. Moomaw his security for \$468.75 each, for the deferred instalments all dated 24th February, 1876. and payable respectively 8, 16, 24 and 32 months after date with interest from date which bonds are also returned with this report

R. D Buford  
James F. Johnson Coms."

The sale prices of \$2325 and \$2000 for the two portions of the Mill Tract left a substantial balance still due on the debt.

On September 5, 1876, at Bedford County, Virginia, Chancery Court Order Book 8/131 Anthony P. Wright's suit against Thomas A. Kasey was dismissed following the report of the commissioner:

"Anthony P Wright against Thomas A. Kasey, & others,	Plaintiff  Defendants

The death certificate of Lear Frances Wright dated December 12, 1913, at Bedford County, Virginia, listed her parents as Anthony P. Wright, born in Bedford County, and Permelia Huddleston, also born in Bedford County.

This record identifies Mary Ann (Wright) Feather as a daughter of Elizabeth Wright and the witnesses Anthony P. Wright and Robert C. Ramsey clearly identify that Elizabeth Wright is the widow of 1826 Archibald Wright of Bedford County.

The 1850 Census for Bedford County, Virginia, listed Richard P. Feathers with the following household:

<u>Name</u>	<u>Age</u>	<u>Occupation</u>	<u>Born</u>

This record indicates that Harriet Elizabeth (Wright) Bandy was born in about 1829 and that Samuel W. Bandy was born in about 1821. Since Elizabeth (Wright) Wright's first husband Archibald Wright had died in 1826, this record indicates that Harriet Wright was a daughter of Elizabeth by another relationship. The identity of this non-husband of Elizabeth (Wright) Wright is not as yet known.

The 1860 Census for Bedford County, Virginia, listed Samuel W. Bandy with the following household:

<u>Name</u>	<u>Age</u>	<u>Sex</u>	<u>Occupation</u>	<u>Property</u>	<u>Born</u>

The History Of Bedford County, Virginia included the following information regarding the Joseph Wright Mays family:

"I cannot refrain from giving my own recollections of this church. My grandfather, Joseph W. Mays, and his wife, Malinda Wright Mays, moved their membership here from Jointee, and lived only a quarter mile west of the church. My mother, Laurie C. Mays, their only child, was married here in 1872 to my father, Thomas A. Jeter, the first marriage in the new church building. My mother died in February, 1876, leaving two children, my sister, three months old, and myself, not yet three years old. My father went to Liberty to engage in business and we continued to live with our grandparents, as we had all previously done. Three years later our grandmother died and we became the constant care and companions of our grandfather, who was then advanced in years. He took us to Sunday school regularly, and on preaching days we stayed with him throughout the services--sometimes from 9 a.m. to 1:30 p.m. If we became tired--and we usually did-- he would sit in the middle of the front bench in the "amen corner" and stretch us out on either side of him and let us sleep to our own satisfaction. As we grew older, he taught us to "sit up and behave"."

Our Kin included the following description of Joseph Wright Mays and his family:

"Joseph Wright Mays, son of James and Patsy (Wright) Mays, was educated in the 'Old Field' schools of Bedford County and taught for several years. He traveled over ten states on horseback and taught one term on top of the Ozark Mountains in Missouri, but finding 'no place like home,' he returned to his native county and married, February 11, 1841, his first cousin, Malinda Wright, daughter of Anthony and Betsy (Mayse) Wright.

They had only one child--the idol of their hearts-- Laurie Cornelia, born February 2, 1851, ten years after their marriage. They settled on a plantation, near what is now Chamblissburg, part of which was given to him by his father.

Joseph W. Mays was a man of influence and great usefulness in his community, and a deacon of the Beaver Dam Baptist Church for many years. He was noted for his high ideals, his hospitality and his kindness of heart, and his sense of humor made him always a delightful companion.

His wife died August 10, 1879, and his sister, Polly-- Mrs. Wm. Worley--whose husband and only child were dead, assumed control of his household, and continued to live with him until her death, October 14, 1893."

From the evidence set forth above and additional evidence set forth below the only child of Malinda (Wright) Mays and Joseph Wright Mays was the following:

1) Laurie Cornelia (Mays) Jeter, born on February 2, 1851, at Bedford County, Virginia.

i. Laurie Cornelia (Mays) Jeter, Her Husband Thomas Alexander Jeter, And Her Descendants

Laurie Cornelia (Mays) Jeter was the daughter of Malinda (Wright) Mays and Joseph Wright Mays. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, 1850 Anthony<sup>3</sup>, Malinda<sup>4</sup>)

Bedford County, Virginia, Genealogical Records listed the birth of Laurie Cornelia Mays on February 2, 1851, from the Joseph Wright Mays family Bible.

Our Kin included the following description of Joseph Wright Mays' family:

"Joseph Wright Mays . . . . married, February 11, 1841, his first cousin, Malinda Wright . . . .

They had only one child-the idol of their hearts- Laurie Cornelia, born February 2, 1851, ten years after their marriage.  
. . . ."

The 1860 Census for Bedford County, Virginia, listed L. C. Mays in the J. W. Mays household and her age as 9 and born in Virginia, indicating a date of birth in about 1851.

On January 1, 1875, at Bedford County, Virginia, D.B. 48/225 Joseph W. and Malinda Mays gifted 121-3/4 acres of land to Laurie C. Jeter:

Hardesty's A History Of Bedford County, Virginia stated that Laurie Cornelia Mays married Thomas A. Jeter, Jr., on October 16, 1872, at Bedford County, Virginia, and included the following information about Thomas A. Jeter, Jr:

"Thomas A. Jeter, Jr. - was born in Bedford county, July 16, 1841, a son of Fielding H. and Virginia A. (White) Jeter. His father is still living in the county, his mother decased. Thomas A. Jeter, jr., was a soldier of the Confederate army, and had two older brothers in the service. William J., the oldest was killed in the battle of Cedar Mountain; Tinsley, next oldest, was in every fight of his command through the war, but never wounded. In Bedford county, October 16, 1872, Thomas A. Jeter, jr., and Laura C. Mays were united in marriage. She was a daughter of Joseph W. and Malinda (Wright) Mays, her father still living in this county, her mother deceased. Her birth was in this county, on the 2d of February, 1852, and she died February 24, 1876, leaving two infant daughters to her husband's care: Lula E. born August 3, 1873: Laurie E. M., born November 13, 1875. The subject of this sketch was six years county surveyor of Bedford county, twelve years commissioner of revenue for the county, and a member of the town council of Liberty. He is extensively engaged in a tobacco commission business at Liberty, Bedford county, Virginia."

Our Kin included the following biography of Thomas Alexander Jeter and Laurie Cornelia (Mays) Jeter:

"Thomas Alexander Jeter, son of Fielden H. and Virginia Ann (White) Jeter, was educated at Mt. Pleasant Academy in Bedford County and taught for many years in the public schools. He had a keen sense of humor, even though his manner was often gruff in the school room, and used to enjoy telling of a little incident that occurred while he was teaching at Chamblissburg. John H. Preas, who was afterward proprieter of the Palace Hotel in Bedford and a good business man, was not a brilliant pupil, and one day in his spelling class he was given the word "gun" to spell. He spelled it "g-u-n-n." "Now why did you put a double n to it,

Sir?" asked the teacher. John replied, as quick as a flash, "I thought maybe it was a double barrel gun."

He left Mt. Pleasant Academy to enlist in the Confederate Army but was refused on account of a stiff right arm, which was caused by having the flesh torn from it while threshing wheat. He was accepted for service in the Commissary Department.

He married Laurie Cornelia Mays, October 16, 1872, at Beaverdam Baptist Church, Chamblissburg, Bedford County, Virginia. (See Mays family.)

Children:

- (1) Lula Eastman, born August 3, 1873.
- (2) Laura Erminia Morna, born November 13, 1875.

Laurie Cornelia Mays, born February 2, 1851, was the daughter of Joseph W. and Malinda (Wright) Mays. She died February 22, 1876, leaving her babies to the care of her husband and her parents, with whom she had always lived.

After her death Mr. Jeter was elected Commissioner of Revenue in Chamblissburg District, which office he held for several years. Later he went to Liberty and engaged in the tobacco business with Major D. M. Newsom, conducting a large warehouse for the sale of leaf tobacco until the time of his death.

Thomas A. Jeter (called "Pomp" Jeter from childhood by his family and intimate friends), was one of the most popular men that Bedford County has ever produced. He had a big heart and pleasing personality and his business brought him into daily contact with all classes of people - both black and white - and also placed him in position to befriend many who needed assistance, by advancing money on their crops of tobacco. These kindnesses were never forgotten, and for decades after, were recounted to his children whenever occasion permitted.

He was assassinated May 16, 1885, at his place of business by Hairston H. Terry, son of General William R. Terry, who, in a temporary fit of insanity and without the slightest provocation, shot him through the heart - death resulting instantly. Terry, for years, had been one of his most intimate friends, had never shown any ill feeling toward him, and often came in town and visited him at the warehouse in a most pleasant manner. The following account was sent by the Liberty correspondent to a New York newspaper:

## "Slain For A Dog's Name

T. A. Jeter Shot For Calling His Pup After H. H. Terry's Sister

And Mr. Terry Promptly Lynched by Mr. Jeter's Relatives and Friends -  
Repenting When Too Late - Was the Murderer Insane?

Liberty, Va., May 16. Thomas A. Jeter, an inoffensive and very popular man of this place, was, without any sufficient provocation, shot by H. H. Terry about 11 o'clock this morning. There had been no quarrel, no misunderstanding of any kind between them, as far as known. Some time ago Terry gave Jeter a dog, and Jeter named it after Terry's sister. Terry lived in Richmond, his father, Gen W. R. Terry is Superintendent of the Virginia Penitentiary. Terry was on a visit to his sister, Mrs. E. T. Walker, in this county and a short distance from this town. Terry was in bad health. He came to town this morning and attended to some business, among other things writing a letter to his people in Richmond. He went from the Windsor Hotel, where he wrote the letter, to Jeter's tobacco warehouse, and was standing in the warehouse yard in front of the door.

Jeter came to the door and asked in a perfectly friendly manner how his father was. Terry's father, Gen. Terry, had been stricken with paralysis and was one of Jeter's warm friends. Terry said he was dying. Mr. W. S. Jones, who went with Terry to the warehouse, said: 'No, he is better.' Terry said: 'No, he is dying.' Jeter then playfully said: 'Why don't you come up to see your kinfoks?' meaning, it is inferred, why he did not come up to see the dog which he had given him. Terry immediately drew his pistol and fired before Jones, who was standing near Terry, could interfere. The first shot took effect just below the point of the breastbone and ranged upward. Jeter screamed and turned to go to the office in his warehouse, and the second shot was fired and took effect just above the left lung. Jeter did not speak after he was shot and only lived a few moments. Terry was arrested, but threatened to shoot Jones if he did not get out of his way.

Mr. Knight, who was standing near, says Terry said immediately after he did the shooting:

'I have been up here a month to do that and I have done it.' To another person he said: 'He (meaning Jeter) knows why I shot him,' and to another, that it was because he named the dog after his sister. Terry expressed great sorrow at his deed and wished it had been he that was killed instead of Jeter. The murdered man was about forty years old, a widower, and leaves two children. Terry is about twenty-two or twenty-three and was educated at the Virginia Military Institute.

Liberty, Va., May 18. The terrible tragedy of Saturday - the killing of Thomas A. Jeter, in cold blood, by Hairston Terry - was followed this morning by the lynching of Terry.

About 2:30 o'clock this morning a band of mounted men rode up to the Bedford Jail in Liberty, and one of the number knocked at the front door. The jailer asked who was there, and the party said they had a prisoner to put in. The door was opened, and the leader, a large man, masked, presented a pistol to the head of the keeper, Kirkwood Bell, demanding the keys. He told them he did not have them, but when asked if they were in his room answered yes. They procured the keys and then demanded that he should show them the cell where Terry was confined, but Bell refused. They found out by searching the jail, and without any fuss or alarm of any kind brought Terry out without coat or hat, put him on one of the horses, filed out from the jail and down Main Street. Just outside the corporate limits and south of the town they hanged him to an apple tree on an embankment by the side of the main road, and his body was found swinging there this morning. The jailer and his assistant guard gave the alarm as soon as possible, but it was too late. The mob were not fifteen minutes in entering the jail and taking the unfortunate man away. Not a word was spoken by any of the party except those who went into the jail. Terry, it is believed, was gagged, as he was not heard to speak at all. It is supposed that the party came from the country and probably from that part where Jeter was born and brought up.

There was an immense crowd at Jeter's funeral yesterday. It took place at his old home eighteen miles south of here. About two hundred persons from this place attended. Jeter was a prominent Mason, Knight of Honor, and President of the Liberty Tobacco Association, all of which organizations attended the funeral services.

It is believed that the cause of the lynching was the recital of the circumstances attending the cold-blooded deed, which caused great indignation on account of the esteem in which everyone held him and his kindness to the tobacco planters, to all of whom he advanced money on their crops. It seemed to be the firm belief, too, that the plea of insanity would be set up and that Terry would escape. It is said that it was at the funeral that the idea of organizing and taking the law in their own hands was formed by the band. Terry evidently expected something of the kind, as he sent to know, Saturday evening, if there was any danger. Terry said to a friend, Saturday evening after the shooting, that he expected he would be sent up for twenty years or they would swing him, and that he believed he preferred the latter. When asked by his sister if he had anything against Jeter he said no, that he loved him. when asked why he shot him he said he could not help it.

The body of Terry was cut down by the Coroner this morning after sunrise in the presence of the jury. The rope used to hang Terry was the one which belonged to the Jeter warehouse well, part of which had been unravelled and with which his hands and feet were tied. It is supposed there were some ninety or a hundred men in all, but only forty or fifty were in the party that went to the jail to take him out. They were all well armed and prepared to accomplish their designs. The whole community is saddened by these calamities. None of the lynching party were recognized. All were masked by tying a handkerchief over the face. As they came from the neighborhood of Jeter's old home, it is thought pretty certain that some of his many relatives were in the crowd. It is said the men declared that too many murderers had escaped of late on the plea of insanity.

The name of the dog over which so much blood has been spilled is Lettie."

A list of marriages solemnized by the undersigned in the County of Bedford.

Merryman Lunsford"

The case of Wright v. Wright at Bedford County, Virginia, Chancery Court File 682 listed one of the party plaintiffs as first Polly Gish and later as Polly Brugh, wife of John Brugh, formerly Polly Gish:

". . . that he pay to John Brugh and Polly his wife formerly Polly Gish the sum of Four hundred and thirty- four dollars and eight-six cents, . . ."

No marriage bond has as yet been found for the second marriage of Mary "Polly" (Wright) Gish to John Brugh.

Our Kin stated that Mary "Polly" Wright was a daughter of Anthony Wright and Elizabeth (Mayse) Wright, married first David Gish, and married second John Brugh, and that Mary (Wright) Gish and John Gish had the following children:

- 1) Mary Eliza (Gish) Brugh, born on January 4, 1837, and
- 2) George Russell Gish, born on August 10, 1839, and

that Mary (Wright) (Gish) Brugh and John Brugh had no children.

From the evidence set forth above and additional evidence set forth below the children of Mary "Polly" (Wright) Brugh and David Gish were the following:

- 1) Mary Eliza (Gish) Brugh, born on January 4, 1837, and
- 2) George Russell Gish, born on August 10, 1839.

- i. Mary Eliza (Gish) Brugh, Her Husband Jacob Brugh,  
And Her Descendants

Mary Eliza (Gish) Brugh was a daughter of Mary "Polly" (Wright) (Gish) Brugh and David Gish. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, 1850 Anthony<sup>3</sup>, Mary<sup>4</sup>)

Our Kin stated that Mary Eliza Gish was a daughter of Mary "Polly" (Wright) (Gish) Brugh and David Gish, was born on January 4, 1837, and married Jacob P. Brugh and that Mary Eliza (Gish) Brugh and Jacob P. Brugh had the following children:

- 1) S. Clinton Brugh,
- 2) Leslie H. Brugh,
- 3) Ewell J. Brugh,
- 4) Earl Russell Brugh,
- 5) John Lanier Brugh, and

6) Vista C. (Brugh) Robinson.

ii. George Russell Gish, His Wife Mary (Thrasher) Gish,  
And His Descendants

George Russell Gish was a son of Mary "Polly" (Wright) (Gish) Brugh and David Gish. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, 1850 Anthony<sup>3</sup>, Mary<sup>4</sup>)

Our Kin stated that George Russell Gish was a son of Mary "Polly" (Wright) (Gish) Brugh and Jacob P. Brugh, was born on August 10, 1839, married Mary Thrasher, and resided near Vinton, Roanoke County, Virginia, and that George Russell Gish and Mary (Thrasher) Gish had the following children:

- 1) Ella Gish,
- 2) Thomas Edward Gish,
- 3) George William Gish,
- 4) Frank Anthony Gish,
- 5) Ola May (Gish) Bowie,
- 6) Joseph Mays Gish,
- 7) Anna (Gish) Barley,
- 8) James Emmett Gish,
- 9) David Gish,
- 10) Elmer Gish, and
- 11) Earl Gish.

I. Possibly Anthony Wright, Jr., Or Anthony Penell Wright

Anthony Wright, Jr., or Anthony Penell Wright was possibly a son of 1850 Anthony Wright of Bedford County and Elizabeth (Mayes) Wright. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, 1850 Anthony<sup>3</sup>) The evidence for this conclusion is circumstantial, but suggestive.

The 1822 Personal Property Tax List for Franklin County, Virginia, listed Anthony Wright with the following property on April 1:

<u>date of Receiving Lists from Individs</u>	<u>Persons Names Chargeable With Tax</u>	<u>Slaves above 12 years of age</u>	<u>Horses Mares Colts and Mules</u>

On June 6, 1822, at Franklin County, Virginia, County Court Order Book 8/11 Anthony P. Wright was directed to choose a guardian as he was an infant, indicating he was born after June 6, 1801, and that his parents were then dead.

On July 3, 1822, at Franklin County, Virginia, County Court Order Book 8/14 Anthony P. Wright was listed on jury duty.

On October 10, 1822, in the case of Greer v. Mays and Wright, File 361, Superior Court of Law and Chancery, Lynchburg, Virginia, Anthony Penell Wright gave his deposition which provided in part as follows:

". . . . That He observed to Peter that H must be much of a Man That he intended to perswad his Father or Brother to buy him. Peter said he did not wish his master Tommy to buy him because he would be to far from his wife . . . 1st Quest by Plf Is not your a Legatee in Joseph Wright's Estate Answer It is so said . . . ."

Although the references are unclear, it appears that Anthony Pennell Wright had a father and brother living in 1822 and that some person related to Anthony Pennell Wright was a legatee of 1815 Joseph Wright's estate.

The 1823 Personal Property Tax List for Franklin County, Virginia, listed Anthony Wright with the following property:

<u>date of Receiving Lists from Individs</u>	<u>Persons names Chargeable With Tax</u>	<u>Slaves above 12 years of Age</u>	<u>Horses Mares Colts &amp; Mules</u>

The 1824 Personal Property Tax List for Franklin County, Virginia, listed Anthony Wright with the following property:

In June 1824 at Franklin County, Virginia, County Court Order Book 8/289 attorney Taylor was appointed administrator of the estate of Anthony P. Wright.

On September 13, 1824, in the case of Loyd v. Wright, File 548, Superior Court of Law and Chancery, Lynchburg, Virginia, both Anthony Wright, Sr., and Anthony Wright, Jr., were named as defendants:

"To the Honorable Creed Taylor Judge )  
of the Superior Court of Chancery for )  
The Lynchburg dictrict )

Humbly complaining shew unto your Honor your Orator Levi Loyd of the county of Bedford that some time in the year 18\_ he purchased a sorrel Horse of a certain Anthony Wright Junr of the county of Franklin at the price of ninety dollars for which he executed his bond payable the 25th day of December next after said contract to the said Wright, that immediately before the said contract the said Wright warranted the said horse to be sound and healthy and your Orator avers that this warranty upon the part of the said Wright was the inducement with him to buy the horse at the price demanded - Yet notwithstanding the warranty aforesaid, and the repeated declarations of the said Wright that the said horse was sound -. The said horse was unsound and unhealthy being subject to periodical fits, and this fact was at the time of the contract aforesaid distinctly known to the said Wright your Orator expects to be able to prove that the said Horse had been taken with many fits in the presence of said Wright, and that the warranty aforesaid was intended to deceive and defraud your Orator. -

Your Orator further states that the said horse in consequence of the disease aforesaid was rendered of little or no value, that on the very day of the sale and contract aforesaid without your Orator having any intimation of the disease aforesaid whatever, traded the said horse to a certain Stephen Haynes of the county of Bedford as a sound horse and to whom your Orator is now liable upon his warranty aforesaid. -

Your Orator further represents to your Honor that the said Anthony Wright Junior is entirely without any visible property is a young man of idle habits and wholly insufficient to pay any damages that your Orator might recover of him on account of the warranty aforesaid, and in order if possible to obtain the money from your

Orator has assigned the bond aforesaid to a certain Anthony Wright Senr who has obtained a judgment against your Orator on the bond aforesaid at the last term of the Superior court of Bedford and who threatens to harrass your Orator with an Execution, all which actings and doings are contrary to equity and good conscience and who manifestly to the injury and oppression of your Orator who is remediless in the premises in a court of common law and only relieveable in Equity where matters of this kind are cognisable to the end that the said Anthony Wright Junior Anthony Wright senr. and Stephen Haynes may be made Defendants to this bill and compelled to answer the allegations thereof on their corporal oaths truly and perfectly and finally may it please your Honor to enjoin the judgment at law aforesaid until the matter herein can be heard in equity, direct ans. issue or issues to determine the injury done to your Orator on account of the false Warranty aforesaid and grant process to and such other and further relief in the premises as the nature of this case may require or to your Honor may seem meet and proper &c &c

Bedford County to wit

Levi Loyd personally appeared before me a justice of the peace for the county aforesaid and made oath that the facts stated in the foregoing bill so far as they depend on his own knowledge are true and so far as they depend on the information of other he believes to be true given under my hand and seal this 13th day of September 1824.

Chas Whitely"

"Oct term 1824

The injunction is awarded on the usual terms"

Although the use of senior and junior at that time might merely refer to older and younger rather than father and son, Anthony Wright was not named as a son of any other Wright in Bedford or Franklin Counties that has yet been found and it seems more likely that a father would buy a bond from a young man "without any visible property" and "of idle habits and wholly insufficient to pay any damages." However, the appointment of a guardian for Anthony Wright in 1822 is inconsistent with that conclusion.

While suggestive, further research will be required to confirm the identity of either Anthony Penell Wright or Anthony Wright, Jr., as a son of Anthony Wright.

j. Other Incorrectly Suggested Children

There are two other persons suggested as children of Anthony Wright and Elizabeth (Mayse) Wright, but those identifications are incorrect.

i. Harriet E. (Wright) Bandy

Hinshaw listed the issuance of a marriage bond to Harriet E. Wright, daughter of Anthony Wright and his wife Elizabeth, and Samuel W. Bandy on November 30, 1846, at Bedford County, Virginia, with Anthony P. Wright as surety. However, this is an incorrect identification and should read "granddaughter of Anthony and Elizabeth Wright" or "the daughter of Archibald and Elizabeth Wright." In the case of Wright v. Wright, Bedford County, Virginia, Chancery Court Case 682, was the deposition of Elizabeth Bandy dated April 5, 1855, but the deposition was signed by "Harriet E. Bandy", obviously Harriet Elizabeth Bandy, and identified her as the daughter of Elizabeth (Wright) (Wright) Ramsey and granddaughter of Anthony Wright:

"The said Elizabeth Bandy a witness of lawfull age produced by Defendant having been by me first sworn doth to the interratories propounded to her depose as follows

1 Question By Defendant) did you hear your grandfather Anthony Wright say anything about charging your mother E. Ramsey board whilst she stayed there

Answer I did hear him tell her he never intended to charge her any board as he considered her & her children's services worth their board

2 Question did you hear him say that your mother E. Ramsey should not be charged with what he gave to Anthony P. Wright

Answer I did hear him say she should not be charged with what he gave to A.P. Wright for he intended to make him A.P. Wright an equal legatee in his estate with his own children

Harriet E. Bandy"

ii. Ann (Wright) Crouch And Martha (Wright) Graham

Our Kin listed two other children of Anthony Wright, Ann (Wright) Crouch and Martha (Wright) Graham. No sources for this information were given by Our Kin and I have found nothing as yet to substantiate the existence of

these two children and I doubt the correctness of this identification, since they were not named in Chancery File 682.

4. Nancy (Wright) Asbury Or Asberry, Her Husband James Asbury,  
And Her Decendants

Nancy (Wright) Asbury or Asberry was a daughter of 1803 John Wright of Bedford County and Elizabeth (Pate) Wright. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>)

The marriage bond of Nancy Wright, daughter of John, and James Asberry was dated on November 13, 1792, at Bedford County, Virginia, with Tommey Wright as surety:

"Sir,

I do hereby Certify that I am willing you should Issue License for the intermarriage of my Daughter Nancy Wright with James Asberry & for so doing this shall be your Sufficient Warrant. Given under my Hand this 13th day of November 1792

Teste  
Tommey Wright

To the Clerk of Bedford County.

said Marriage then the above Obligation to be Void else to remain in full form & Virtue.

X asbury  
Mark  
Tommey Wright"

If Nancy Wright was at least 16 years of age at the time of her marriage, her date of birth would be probably before 1777.

The will of 1803 John Wright dated August 11, 1803, and probated on September 26, 1803, at Bedford County, Virginia, W.B. 3/13 listed Nancy Asbury as one of his children:

. . . . fourthly I do give to my daughter Nancy Asbury one negroe girl named Let to be hers & her heirs's property for Ever, Also ten pounds in property to be delivered to her whenever my wife thinks proper . . . ."

The 1810 Census for Bedford County, Virginia, listed one James Asbury with the following members of his household:

<u>Males</u>	<u>Age</u>	<u>Females</u>	<u>Age</u>
1	26-45	1	26-45
1	10-16	2	10-16
		2	0-10

The 1820 Census for Bedford County, Virginia, listed one James Asbury with the following members of his household:

<u>Males</u>	<u>Age</u>	<u>Females</u>	<u>Age</u>
1	45+	1	45+
1	16-25	1	16-25
		2	10-16
		2	0-10

These two census listings place the birth dates of both James Asbury and Nancy (Wright) Asbury between 1765 and 1775. Since 1803 John Wright was residing in Bedford County in the period 1765 to 1775, the place of birth of Nancy (Wright) Asbury was probably there.

The will of James Asbury was dated on February 13, 1827, probated on September 24, 1827, at Bedford County, Virginia, W.B. 6/426, and provided as follows:

Bedford County, Va Death Records by Marvin U. Neighbors stated that the death record of Nancy (Wright) Asbury was dated on July 13, 1853, at Bedford County, Virginia, and listed the following information for the decedent:

"Nancy Asbury  
13 July 1853  
cause of death not given  
Age: 82 years  
Parents: Jno. & Elizabeth Wright  
Widow of James Asbury"

Our Kin also stated that Nancy Wright, the daughter of 1803 John Wright of Bedford County, married James Asbury.

In his letter dated May 14, 1997, Andy Asberry enclosed family group sheets which stated that Nancy Wright was born in 1771 and married James M. Asbury after

November 13, 1792, and died on July 13, 1853, at Bedford County, Virginia, that James M. Asbury was born in about 1772 and died before September 24, 1827, at Bedford County, Virginia, and that Nancy (Wright) Asbury and James M. Asbury had the following children:

- 1) Elizabeth Asbury, born between 1794 and 1796 at Bedford County, Virginia,
- 2) Rhoda Asbury, born between 1794 and 1800 at Bedford County, Virginia,

- 10) Joel Asbury, born between 1820 and 1827 at Bedford County, Virginia.

From the evidence set forth above and additional evidence set forth below the children of Nancy (Wright) Asbury and James Asbury or Asberry were the following:

- 2) Rhoda (Asberry) Corley or Cauley, born probably between 1794 and 1800 probably at Bedford County, Virginia,
- 3) William Asbury, born probably between 1795 and 1800 probably at Bedford County, Virginia,

10) Joel Asbury, born after 1819 and before February 13, 1827, probably at Bedford County, Virginia.

a. Elizabeth (Asbury) Pollard And Her Husband Joseph Pollard

Elizabeth (Asbury) Pollard was a daughter of Nancy (Wright) Asbury and James Asbury. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Nancy<sup>3</sup>)

The marriage bond of Elizabeth Asbury and Joseph Pollard was dated on August 2, 1811, at Bedford County, Virginia. If Elizabeth was at least 16 years of age at the time of her marriage, her date of birth would be probably before 1796. The 1810 Census listed the oldest daughters in James Asbury's household as aged 10 to 16, suggesting that her date of birth was between 1794 and 1796. Since James Asbury was residing in Bedford County, her place of birth was probably at Bedford County, Virginia. Similarly, if Joseph Pollard was at least 16 years of age at the time of his marriage, his date of birth would be probably before 1796.

The will of James Asbury dated on February 13, 1827, and probated on September 24, 1827, at Bedford County, Virginia, W.B. 6/426 listed Elizabeth Pollard as one of his children:

". . . 2dly I give to my daughter Elizabeth Pollard one dollar in addition to what I have already given her before . . . ."

b. Rhoda (Asbury) Corley or Cawley, Her Husband Berry Corley, And Her Descendants

Rhoda (Asbury) Corley or Cawley was a daughter of Nancy (Wright) Asbury and James Asbury. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Nancy<sup>3</sup>)

The marriage bond of Rhoda Asberry and Berry Cawley was dated on January 8, 1816, at Bedford County, Virginia, and the marriage ceremony on January 8, 1816. If

Rhoda (Asbury) Corley was at least 16 years of age at the time of her marriage, then her date of birth would be probably before 1801. The 1810 Census listed the two oldest daughters in James Asbury's household as aged 10 to 16, indicating a date of birth between 1794 and 1800. Since James Asbury resided in Bedford County, her place of birth was probably at Bedford County, Virginia. Similarly, if Berry Corley was at least 16 years of age at the time of his marriage, his date of birth would be probably before 1801.

The will of James Asbury dated on February 13, 1827, and probated on September 24, 1827, at Bedford County, Virginia, W.B. 6/426 listed Rhoda Cawley one of his children:

". . . 3dly I give to my daughter Rhoda Cawley one dollar in addition to what I have already given her before . . . ."

On February 19, 1829, at Bedford County, Virginia, D.B. 21/346 Berry Corley and his wife Rhoda Corley sold their interest in the estate of James Asbury to Isaac James:

"This Indenture made & entered this 19th day of February in the year of our Lord 1829 between Berry Corley alias Berry Findley & his wife Rhoda Corley alias Rhoda Findley of the County of Bedford and State of Virginia & Stephen Darby & his wife Sally of the County & State aforesaid of the first part & Isaac James of the County and State aforesaid of the Second part, Witnesseth that for and in consideration of the sum of thirty six dollars to them in hand paid the receipt whereof they do hereby acknowledge hath bargained sold and confirmed & by these presents doth bargain sell & confirm unto him the said Isaac James, his heirs & assigns forever, all their right title & interest in and to the Estate of James Asbury Dec'd as distributees in said Decedents Estate both personal & real except one dollar which they have received in advance agreeable to the last Will & Testament of said Dec'd also all their interest in the personal & Real estate of their Grandfather Wright's Estate be it what it may To have and to hold the right title and interest in and to the Estate aforesaid unto him the said Isaac James his heirs & assigns forever, the said Berry Corley alias Berry Findley & his wife Rhoda, Stephen Darby & his wife Sally doth for themselves their heirs &c covenant to and with the said Isaac James his Heirs Exors, Admrs or assigns to forever warrant & defend all their right title & Interest in and to the Estate aforesaid be it what it may unto him the said Isaac James his Heirs & assign,

The deed clearly identifies Berry Corley as Berry Cawley who married Rhoda Asbury, the daughter of James Asbury and the granddaughter of 1803 John Wright. For some reason not as yet apparent, Berry Corley or Cawley changed his name from Findley and records relating to this family may be found under that name.

In his email dated September 22, 1999, Mark R. Kiser stated that Rhoda Asbury was a daughter of Nancy (Wright) Asbury and James M. Asbury, ws born in 1797, married Berry Cauley or Corley, formerly known as Berry Finley, on January 8, 1816, at Bedford County, Virginia, and that Rhoda (Asbury) Cauley and Berry Cauley had the following child:

The 1820 Census for Bedford County, Virginia, listed the age as 16 to 25, indicating a birthdate between 1795 and 1800. Since James Asbury resided in Bedford County, the place of birth was probably at Bedford County, Virginia.

The will of James Asbury dated on February 13, 1827, and probated on September 24, 1827, at Bedford County, Virginia, W.B. 6/426 listed William Asbury as one of his children:

". . . 4thly I give to my son William Asbury one dollar, in addition to what I have given him before . . . ."

g. Rutha Asbury

Rutha Asbury was a daughter of Nancy (Wright) Asbury and James Asbury. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Nancy<sup>3</sup>)

The 1820 Census for Bedford County, Virginia, listed the fourth daughter still remaining in the James Asbury household as aged 0 to 10, indicating a birth date between 1810 and 1820. Since James Asbury resided in Bedford County, the place of birth was probably at Bedford County, Virginia.

The will of James Asbury dated February 13, 1827, and probated on September 24, 1827, at Bedford County Virginia, W.B. 6/426 listed Rutha Asbury as one of his children:

". . . . 8th I give to my daughter Rutha Asbury, one feather bed & furniture, one cow and calf, one ewe and lamb, and one hog, to her & her heirs forever. . . ."

h. Sophia (Asbury) Basham And Her Husband Joel Basham

Sophia (Asbury) Basham was a daughter of Nancy (Wright) Asbury and James Asbury. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Nancy<sup>3</sup>)

The 1820 Census for Bedford County, Virginia, listed the fifth daughter still remaining in the James Asbury household as aged 0 to 10, indicating a birth date between 1810 and 1820. Since James Asbury was residing in Bedford County, the place of birth was probably at Bedford County, Virginia.

The will of James Asbury dated February 13, 1827, and probated on September 24, 1827, at Bedford County Virginia, W.B. 6/426 listed Sophia Asbury as one of his children:

". . . . 9thly I give to my daughter Sophia one bed & furniture one cow & calf, one ewe & lamb, & one hog, to her, & her heirs forever. . . ."

The marriage bond of Sophia Asburry, daughter of Nancy, and Joel Basham was dated on October 18, 1833, at Bedford County, Virginia, with Cornelius Horn as surety.

i. Jane Or Gincy (Asbury) McFall Or McFalls, Her Husband James McFall Or McFalls, And Her Descendants

Jane or Gincy(?) (Asbury) McFall or McFalls was a daughter of Nancy (Wright) Asbury and James Asbury. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Nancy<sup>3</sup>)

Since the 1820 Census for Bedford County, Virginia, listed only five daughters of James Asbury remaining in the household, the date of birth of Jane or Gincy Asbury would have to be after 1819. If she was at least 16 years of age at the time of her marriage in 1842, her date of birth would be probably before 1827. Since James Asbury resided in Bedford County, the place of birth was probably at Bedford County, Virginia.

The will of James Asbury dated on February 13, 1827, and probated on September 24, 1827, at Bedford County, Virginia, W.B. 6/426 listed Gincy Asbury as one of his children:

". . . . 10th I give to my daughter Gincy, one bed & furniture one cow & calf, one ewe and lamb, and one hog, to her & her heirs forever. . . ."

The marriage bond of Jane Asberry, daughter of Nancy, and James McFall was dated on April 25, 1842, at Bedford County, Virginia, with Anthony P. Wright as surety.

In her email dated December 17, 1998, Florence Cox stated that Jane "Ginsy" Asberry was a daughter of Nancy (Wright) Asberry and James Asberry, was born about 1823, married James McFalls on April 25, 1842, at Bedford County, Virginia, resided in 1870 at Big Lick Township, Roanoke County, Virginia, that James McFalls was born about 1819, resided in 1850 at Virginia, was probably a member of the 51st Virginia Infantry in the Civil War, resided in 1870 at Virginia, and died on May 14, 1907, at Bedford County, Virginia, and that Jane (Asberry) McFalls and James McFalls had the following child:

- 1) John C. McFalls, born about 1846 at Bedford County, Virginia.

i. John C. McFalls, His Wife Rhoda Fannie (Wheeler) McFalls, And His Descendants

John C. McFalls was a son of Jane (Asberry) McFall or McFalls and James McFall or McFalls. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Nancy<sup>3</sup>, Jane<sup>4</sup>)

McFalls was a son of Jane (Asberry) McFalls and James McFalls, was born about 1846 at Bedford County, Virginia, married Rhoda Fannie Wheeler on January 31, 1867, at Bedford County, Virginia, resided in 1870 at Chamblissburg District, Bedford County, Virginia, after the death of his wife left his three daughters with his father-in-law Gabriel Wheeler to raise, and died before 1907, that Rhoda Fannie (Wheeler) McFalls was born about 1846, and died in 1875, and that John C. McFalls and Rhoda Fannie (Wheeler) McFalls had the following children:

- 1) Bettie Lee (McFalls) Barton, born on June 14, 1869, at Bedford County, Virginia,
- 2) Lula (McFalls) Porter, born about 1871 at Bedford County, Virginia, and
- 3) Margaret "Maggie" (McFalls) King, born about 1872 at Bedford County, Virginia.

j. Joel Asbury, His Wife Elizabeth (Ferguson) Asbury, And His Descendants

Joel Asbury was a son of Nancy (Wright) Asbury and James Asbury. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Nancy<sup>3</sup>)

The will of James Asbury dated on February 13, 1827, and probated on September 24, 1827, at Bedford County, Virginia, W.B. 6/426 listed Joel Asbury as one of his children:

". . . 11th I give to my son Joel Asbury, one negro boy, named Nathan, one shotgun, one bed & furniture, one cow & calf, and all my land whereon I now live, at the death of his mother, to him and his heirs forever. . . ."

Since this second son of James Asbury was not listed in the 1820 Census for Bedford County, Virginia, his date of birth was probably after 1819 and since he was listed in the will of James Asbury, his birth date would have to have been before

February 13, 1827. Since James Asbury resided in Bedford County, the place of birth was probably at Bedford County, Virginia.

In his letter dated May 14, 1997, Andy Asberry enclosed family group sheets which stated that Joel Asbury was a son of Nancy (Wright) Asbury and James M. Asbury, was born between 1820 and 1827 at Bedford County, Virginia, married Elizabeth Ferguson about 1847 at Bedford County, Virginia, and died between 1857 and 1865 at Bedford County, Virginia, that Elizabeth (Ferguson) Wright was born about 1829 at Virginia and died after May 10, 1865, and that Joel Asbury and Elizabeth (Ferguson) Asbury had the following children:

Elizabeth (Wright) Corley was a daughter of 1803 John Wright of Bedford County and Elizabeth (Pate) Wright. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>)

The marriage bond of Elizabeth Wright and William Corley was dated on June 1, 1798, at Bedford County, Virginia, with James Asbury as surety and the consent of John Wright:

The consent of John Wright in the marriage bond suggests that Elizabeth was under 21 years of age and, therefore, had been born probably after 1777. Since 1803 John Wright was residing in Bedford County before 1777, Elizabeth's place of birth was probably at Bedford County, Virginia.

The will of 1803 John Wright dated August 11, 1803, and probated on September 26, 1803, at Bedford County, Virginia, W.B. 3/3 listed Elizabeth Corley as one of his children:

". . . fifthly, I do give to my Daughter Betsey one negroe Girl named Jude to be her own property after the death of my Wife, . . . ."

On September 14, 1808, at Bedford County, Virginia, D.B. 12/379 William Corley and Elizabeth Corley sold to Thomas Wright their interest in the slave Jude left to Elizabeth in her father's will:

"This Indenture made this fourteenth day of September One Thousand eight hundred & eight between William Corley & Betsey his wife of Bedford County of the one part, and Thomas Wright of the same County of the other part Witnesseth that the said William Corley & Betsey his wife for and in Consideration of the Sum of Sixty pounds in hand paid by the said Thomas Wright the Receipt whereof they do hereby acknowledge themselves fully and well satisfied therewith hath sold their right and title unto the said Thomas Wright

William Corley was not listed in the index to the 1810 Census for either Bedford or Franklin County.

The conclusive proof that Elizabeth (Wright) Corley was the daughter of 1803 John Wright is given in Bedford County, Virginia, Deed 24/481 dated December 14, 1834, in which Elizabeth Wright, the widow of 1803 John Wright, referred to her and her husband's daughter as Elizabeth Corley:

"Know all men by these presents, that I Elizabeth Wright of the County of Bedford and State of Virginia for and in consideration of the natural love and affection which I bear to Joel Wright my grandson of the aforesaid County and State, and for the further consideration that the negro woman hereafter named was left by my husband John Wright Dec'd to his daughter Elizabeth Corley to be her property at my death and the said Elizabeth Corley conveyed her right to Tommy Wright and the said Tommy Wright conveyed the said right to John Wright and the said John Wright conveyed the said right to the said Joel Wright

and the said Joel Wright conveyed his right to me in a compromise in a suit betwixt myself plaintiff and John & Tommy Wright defendants and also for the further consideration that the said Joel Wright is to bear his proportional part with John Wright for my future board and expence during my life time and also for the further consideration of one dollar . . . by these presents do give & grant unto the said Joel Wright his heirs etc. a certain negro woman by the name of Judah it being the same alluded to above and her five children Viz a boy named Jim, a girl named Susan, Boy named Peter, girl named Dicey, and girl named Nancy, but the above named Susan, Tommy Wright and Cynthia his wife has a life estate in by a deed of gift, which this deed of gift is subject to, . . . ."

The original edition of Our Kin stated that Elizabeth Wright who married Thomas Hambleton on May 21, 1783, was the daughter of 1803 John Wright. This was corrected by Mrs. Parker in her marginal notes to her work; she noted that 1803 John Wright's daughter Elizabeth married William Corley.

The 1850 Census for Hancock County, Kentucky listed William Corley with the following household:

<u>Name</u>	<u>Age</u>	<u>Occupation</u>	<u>Born</u>
Wm Corley	80	Farmer	Virginia
Elizabeth Corley	75		Virginia

This record indicates that Elizabeth (Wright) Corley was born about 1775 and that William Corley was born about 1770.

William Corley was not listed separately in the 1870 Census for Hancock County, Kentucky.

In her letter dated February 8, 1978, Mrs. Ida Eckstadt included family group sheets which stated that William Corley moved to Ohio County, Kentucky, in 1809 and then to Hancock County, Kentucky, where he died in 1871 at the age of 101.

In her letter dated February 8, 1978, Mrs. Eckstadt listed the children of William Corley and Elizabeth (Wright) Corley as follows:

- 1) Judith "Judah" (Corley) Brown,
- 2) Jabez Corley, born on February 15, 1808,
- 3) Ransom Corley,
- 4) Wright Corley,

- 5) Jasper Corley,
- 6) Julia (Corley) Lyons,
- 7) Agnes "Aggie" (Corley) Lyons,
- 8) Mahalia or Milly (Corley) Whitely,
- 9) Lottie (Corley) Watts, and
- 10) Elizabeth "Betsy" (Corley) Brinkley.

From the evidence set forth above and additional evidence set forth below the children of Elizabeth (Wright) Corley and William Corley were the following:

- 1) Judith "Judah" (Corley) Brown, born probably before 1801 probably at Bedford County, Virginia,
- 2) Jabez Corley, born on February 15, 1808, or about 1804 or 1805 at Bedford County, Virginia,
- 3) Ransom Corley,
- 4) Wright Corley,
- 5) Jasper Corley,
- 6) Julia (Corley) Lyons,
- 7) Agnes "Aggie" (Corley) Lyons,
- 8) Mahalia or Milly (Corley) Whitely,
- 9) Lottie (Corley) Watts, and
- 10) Elizabeth "Betsy" (Corley) Brinkley or Brickey.

- a. Judith "Judah" (Corley) Brown And Her Husband William Brown

Judith "Judah" (Corley) Brown was a daughter of Elizabeth (Wright) Corley and William Corley. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Elizabeth<sup>3</sup>)

In her letter dated February 8, 1978, Mrs. Ida Eckstadt enclosed family group sheets that stated that Judith Corley married William Brown on July 1, 1816, at Ohio County, Kentucky, and that Judith died at Hancock County, Kentucky.

If Judith was at least 16 years of age at the time of her marriage, her date of birth would be probably before 1802. Since William Corley was residing in Bedford County at that time, her place of birth was probably at Bedford County, Virginia.

b. Jabez Corley, His Wife Tabitha (Whitely) Corley, And His Descendants

Jabez Corley was a son of Elizabeth (Wright) Corley and William Corley. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Elizabeth<sup>3</sup>)

In her letter dated February 8, 1978, Mrs. Ida Eckstadt stated that the 1850 Census for Hancock County, Kentucky, listed at page 543 Jabez Corley with the following household:

<u>Name</u>	<u>Age</u>	<u>Born</u>
Corley, Jabez	45	Virginia
Tabitha	43	Virginia
Andrew J.	20	Kentucky
William H.	17	Kentucky
John	16	Kentucky
Charles	15	Kentucky
Isaac	14	Kentucky
Margaret	12	Kentucky
George	11	Kentucky
Bashaby	9	Kentucky
Kitty	7	Kentucky
Ellis	4	Kentucky
Elizabeth	3	Kentucky
Catharine Whitely	35	Kentucky

This record indicates a birth date of approximately 1805 for Jabez Corley, but confirms that he was born in Virginia.

In her letter dated February 8, 1978, Mrs. Ida Edkstadt stated that the 1870 Census for Hancock County, Kentucky, listed Jabez Corley at page 43 of the Pellville Voting District with the following household:

<u>Name</u>	<u>Age</u>	<u>Occupation</u>	<u>Born</u>
Corley, Jabez	66	Farmer	Virginia
Tabitha	63	Keeps house	Virginia
Margaret	33	At home	Kentucky
Elizabeth	22	At home	Kentucky
Mathews, Martha	20	At home	Kentucky
?, Mary	19	At home	Kentucky
?, Franklin	16	Works on farm	Illinois
Whitely, Kitty(?)	55	Living in family	Kentucky

This record indicates a birth date of approximately 1804 for Jabez Corley.

In her family group sheets enclosed with Mrs. Eckstadt's letter dated February 8, 1978, was a letter from Mrs. Velva Short dated July 17, 1976, in which Mrs. Short stated that Jabez Corley was born on February 15, 1808, at Bedford County, Virginia, and died October 2, 1874, and was buried at Hancock County, Kentucky.

Mrs. Short also stated that he married Tabitha Whitely who was born on November 27, 1807, at Bedford County, Virginia, and died on July 8, 1880, and was buried at Hancock County, Kentucky.

From the evidence set forth above and additional evidence set forth below the children of Jabez Corley and Tabitha (Whitely) Corley were the following:

- 1) Susanna (Corley) Mathis,
- 2) Andrew Jackson Corley, born about 1827 or 1830 at Kentucky, probably Hancock County, Kentucky,
- 3) William H. Corley, born about 1832 or 1833 at Kentucky, probably Hancock County, Kentucky,
- 4) John Corley, born about 1834 or 1835 at Kentucky, probably at Hancock County, Kentucky,
- 5) Charles F. Corley, born about 1835 at Kentucky, probably at Hancock County, Kentucky,
- 6) Isaac T. Corley, born on May 1, 1836, at Kentucky, probably at Hancock County, Kentucky,

- 7) Margaret Ann (Corley) (Morrison) Voyles, born about 1837 or 1838 at Kentucky, probably at Hancock County, Kentucky,
- 8) George W. Corely, born about 1838 at Kentucky, probably at Hancock County, Kentucky,
- 9) Bathsheba (Corley) Stinett, born about 1840 or 1841 at Kentucky, probably at Hancock County, Kentucky,
- 10) Kitty Jane (Corley) McDaniel, born about 1842 or 1843 at Kentucky, probably Hancock County, Kentucky,

In her letter dated February 8, 1978, Mrs. Ida Eckstadt enclosed a letter dated July 17, 1976, from Mrs. Velva Short which stated that Susanna Corley was a daughter of Jabez Corley and Tabitha (Whitely) Corley and married James Mathis.

- ii. Andrew Jackson Corley, His Wife Lydia Ann (Harrison) Corley, And His Descendants

Andrew Jackson Corley was a son of Jabez Corley and Tabitha (Whitely) Corley. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Elizabeth<sup>3</sup>, Jabez<sup>4</sup>)

In her letter dated February 8, 1978, Mrs. Ida Eckstadt stated that the 1850 Census for Hancock County, Kentucky, listed Andrew J. Corley in the Jabez Corley household and his age as 20 and born in Kentucky, indicating a date of birth in about 1830.

In her letter dated February 8, 1978, Mrs. Ida Eckstadt stated that the 1870 Census for Hancock County, Kentucky, listed Jackson Corley with the following household:

<u>Name</u>	<u>Age</u>	<u>Occupation</u>	<u>Real Estate</u>	<u>Personal Property</u>	<u>Born</u>

In her letter dated February 8, 1978, Mrs. Ida Eckstadt stated that the 1850 Census for Hancock County, Kentucky, listed William H. Corley in the Jabez Corley household and his age as 17 and born in Kentucky, indicating a date of birth in about 1833.

In her letter dated February 8, 1978, Mrs. Ida Eckstadt stated that the 1870 Census for Hancock County, Kentucky, listed William Corley with the following household:

<u>Name</u>	<u>Age</u>	<u>Occupation</u>	<u>Real Estate</u>	<u>Personal Property</u>	<u>Born</u>

Mary "Polly" (Wright) Hopper was a daughter of 1803 John Wright of Bedford County and Elizabeth (Pate) Wright. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>)

The marriage bond of Mary Wright and Joseph Hopper was dated on December 8, 1795, at Bedford County, Virginia, with the consent of John Wright and Anthony Wright as surety:

in presence of         )     Anthony Wright

---

December th 10 1795 - This is to Certify that Joseph Hopper and Mary Wright Is Lawfully Joined together in the State of Holy mattremony By me William Johnson - To W Benjamin Rice"

The consent of John Wright in the marriage bond indicates that Mary was under 21 years of age at the time of marriage and, therefore, was born after 1774. If she was at least 16 years of age at the time of her marriage, her date of birth would be probably before 1780. Since 1803 John Wright was living in Bedford County between 1774 and 1780, Mary's place of birth was probably at Bedford County, Virginia.

The will of 1803 John Wright dated August 11, 1803, and probated on September 26, 1803, at Bedford County, Virginia, W.B. 3/3 listed Polley as one of his children:

". . . . 6th I do give to my daughter Polley one negroe Girl named Hannah also Ten pounds in property to be delivered to her when ever my wife thinks proper . . . ."

Joseph Hopper was not listed in the index to the 1810 Census for either Bedford or Franklin Counties.

The complaint of William McGeorge and Ruth (Wright) McGeorge dated January 25, 1844, and filed in Bedford County, Virginia, Chancery Court File 413 listed

Polly Wright as married to Joseph Hopper and that they then resided outside of the state:

". . . . Your Orator & Oratrix further represent that the said Sarah Wright intermarried with William Wheeler both of whom now reside out of this state That the said Betsy Wright intermarried with Wm Corley & the said Polly Wright intermarried with Joseph Hopper all of whom likewise reside out of this state. . . ."

The summons in File 413 listed his name as Joseph Harper.

On September 25, 1844, William McGeorge filed his affidavit in File 413 that Joseph and Polly Hopper then resided outside of Virginia:

"Bedford County Towit

This day William McGeorge came before me a justice of the peace for said County & made oath William Wheeler & Sarah his wife, Wm Corley & Betsy his wife Joseph Hopper & Polly his wife defendants in a chancery suit depending in Bedford Circuit Superior Court in which the said Wm McGeorge & Ruth his wife are plaintiffs and Tommy Wright & others are defendants reside out of the limits of this state as this affiant has been informed and verily believes Given under my hand this 25 day of Sept 1844

William Terry J.P."

Our Kin incorrectly stated that Mary Wright married Benjamin Watts. The corrections to Our Kin stated that Mary Wright married Ballinger Mays, but that is also incorrect.

7. Rhoda (Wright) Hurt, Her Husband Henry Hurt, And Her Descendants

Rhoda (Wright) Hurt was a daughter of 1803 John Wright of Bedford County and Elizabeth (Pate) Wright. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>)

The marriage bond of Rhoda Wright and Henry Hurt was dated on December 24, 1798, at Bedford County, Virginia, with John Wright as surety:

"Know all Men by these Presents that we Henry Hurt & John Wright are held & firmly bound unto James Wood Esquire Governor or Chief Magistrate of the State of Virginia in the Sum of one Hundred & fifty Dollars to which Payment well & truly to be made to the Said James Wood or to his Successors we bind ourselves and each of us our and of our heirs Executors and admrs Jointly &

Severally firmly by these Presents Sealed with our Seals and dated this 24th day of December 1798

The Condition of the above obligation is such that whereas the \_\_\_\_ marriage Shortly intended to be had and Solemnized between the above bound Henry Hurt & Rhoda Wright now if there Shall be no Lawful cause to Obstruct the said Marriage the the above Obligation to be Void else to remain in full force & Virtue

Signed & Ackd        )               Henry Hurt  
in Presence    )               John Wright"

If Rhoda Wright and Henry Hurt were at least 16 years of age at the time of their marriage, their dates of birth would be probably before 1783. Since 1803 John Wright was residing in Bedford County before 1783, the place of birth of Rhoda was probably at Bedford County, Virginia.

On April 12, 1802, at Bedford County, Virginia, D.B. 11/543 Henry Hurt purchased 135 acres of land from his father-in-law 1803 John Wright:

"This Indenture made the twelfth day of April One Thousand Eight hundred and two between John Wright and Bettee his wife of the County of Bedford of the one part & Henry Hurt of the said County of the Other Part Witnesseth that the said John Wright & Bettee his wife for and in consideration of the Sum of \$67 ten Shillings current money of Virginia have given granted bargained and sold unto the said Henry Hurt and his heirs one certain tract or parcel of land in the county of Bedford on the long branch of Beverdam Creek Containing one hundred and thirty five acres be the same more or less - Begining at a posimmion tree on a branch on Burtons line thence his line S 25 \_ 146 poles to pointers on said line thence S 60 W 39 poles to a Spanish Oak on Watts line then along his line S 48 W 145 poles to a red Oak on Hollidays line thence N 34 W 82 poles to a black Gum on a branch thence up the branch as it manders N 36 E 223 poles to the first Station together with all its appurtenances To have and to hold the said tract or parcel of land \_ appurtenances unto the said Henry Hurt and his heirs and the said John Wright and his heirs the said tract or parcel of land with its appurtenances to the said Henry Hurt and his heirs will forever Warrant and defend In Witness Whereof the said Jno Wright and his Wife have hereunto subscribed their names and affixed their seals the day and year above written.

This was one-half of the land purchased by 1803 John Wright at Bedford County, Virginia, D.B. 6/329 and its location is given in the section on 1803 John Wright above.

The will of 1803 John Wright dated August 11, 1803, and probated on September 26, 1803, at Bedford County, Virginia, W.B. 3/3 listed Rhoda as one of his children:

". . . . 7th I do give to my daughter Rhoda a negroe girl which she now has in custody named Jane, . . . ."

Henry Hurt was not listed in the index to the 1810 Census for either Bedford or Franklin Counties.

This record listed the same children as in Henry Hurt's will except as follows:

- (1) Elizabeth Brown was listed as Elizabeth Allard;
- (4) John Hurt was listed as John W. Hurt; and
- (8) Henry Hurt was listed as Patrick Henry Hurt.

Children 4 through 8 were listed as Rhoda's youngest children.

The admission of the will to probate was also recorded in July 1831 at Bedford County, Virginia, County Court Order Book 23/234:

"The last will & Testament of Rhoda Hurt deceased produced in court proved by the oaths of Joel Wright & Braxton Newsom subscribing witnesses thereto & ordered to be recorded And on the motion of John Wright & John W Hurt the executors in said will named certificate is granted them for obtaining probat thereof whereupon they qualified as the law directs and together with John S Hurt their securitys entered and acknowledged their bond in the penalty of One thousand dollars conditioned according to law"

In November 1834 at Bedford County, Virginia, County Court Order Book 25/19 an accounting for the estate of Rhoda Hurt was filed with the court:

"An account current of the estate of Rhoda Hurt Deceased with John Wright her Executor returned to Court, and ordered to lie one month for exceptions."

In December 1834 at Bedford County, Virginia, County Court Order Book 25/22 the accounting for the estate of Rhoda Hurt was ordered recorded:

"An account current of the estate of Rhoda Hurt Deceased with John Wright her Executor, having lain since the last term for exceptions, and none being taken thereto, the same is ordered to be recorded."

In January 1837 at Bedford County, Virginia, County Court Order Book 25/315 Joseph Wilson was ordered to settle the accounting for the estate of Rhoda Hurt:

"Ordered that Joseph Wilson the Commissioner of this Court, state and settle the account Current of the estate of Rhoda Hurt Deceased with John Wright her Executor, and make report to Court."

The complaint of William McGeorge and Ruth (Wright) McGeorge dated January 25, 1844, and filed in Bedford County, Virginia, Chancery Court File 413 listed Rhody Wright as married to Henry Hurt and then deceased:

". . . . That the said Rhody Wright intermarried with Henry Hurt & survived her husband and has departed this life intestate since the death of her said husband and the said Joseph Wright has likewise departed this life intestate and administration on both of their estates has likewise been committed to the said Nicholas Robertson High Sheriff as aforesaid . . . ."

From the evidence set forth above and additional evidence set forth below the children of Rhoda (Wright) Hurt and Henry Hurt were the following:

- 1) Elizabeth (Hurt) (Brown) Allard, born probably before 1804 probably at Bedford County, Virginia,
- 2) Mildred S. (Hurt) Campbell, born probably before 1812 probably at Bedford County, Virginia,
- 3) Jane (Hurt) Irvine, born probably before 1822 probably at Bedford County, Virginia,
- 4) John W. Hurt, born probably before 1816 probably at Bedford County, Virginia,
- 5) William Hurt, born before March 24, 1828, probably at Bedford County, Virginia,
- 6) Nancy (Hurt) Hatcher, born about 1816 probably at Bedford County, Virginia,
- 7) Florentine M. (Hurt) Hatcher, born in 1818 or about 1823 at Virginia, probably at Bedford County, Virginia, and
- 8) Patrick Henry Hurt, born about 1824 at Virginia, probably at Bedford County, Virginia.

a. Elizabeth (Hurt) (Brown) Allard And Her Husbands William Brown And Allard

Elizabeth (Hurt) (Brown) Allard was a daughter of Rhoda (Wright) Hurt and Henry Hurt. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Rhoda<sup>3</sup>)

The marriage bond of Elizabeth Hurt and William H. Brown was dated on September 27, 1819, at Bedford County, Virginia, with A. I. Agee as surety. If Elizabeth Hurt was at least 16 years of age at the time of her marriage to William H. Brown, then her birth date would be probably before 1804. Since Henry Hurt was probably residing in Bedford County, her place of birth was probably at Bedford County, Virginia.

The division and allotment of the estate of Henry Hurt dated March 24, 1828, at Bedford County, Virginia, W.B. 7/32 listed Elizabeth Brown as one of the children of Henry Hurt and Rhoda (Wright) Hurt:

"In obedience to the order made by the worshipful Court of Bedford County we the undersigned Commissioners have divided the negroes of Henry Hurt deceased amongst his children as follows Viz.

. . . .

Lott No 4 drawn by Elizabeth Brown			
Jada a Negroe woman appraised to	\$160.00		
To receive from Lott No 8 Lewis	28.00		
To receive from Lott No 7 Jona	<u>38.00</u>	226.00	
. . . ."			

The will of Rhoda (Wright) Hurt dated December 15, 1830, and probated on July 25, 1831, at Bedford County, Virginia, W.B. 7/512 listed Elizabeth Allard as one of her children:

". . . . First I do give to my daughter Elizabeth Allard five dollars to be paid unto her so soon as the sale of my property and the sales become due. . . ."

The listing of Elizabeth as Elizabeth Brown in the Division and Allotment at Bedford County, Virginia, W.B. 7/32 on March 24, 1828, and as Elizabeth Allard in Rhoda (Wright) Hurt's will dated December 15, 1830, at Bedford County, Virginia, W.B. 7/512 indicates that Elizabeth was married twice and that her first husband had died before December 15, 1830 and she had remarried.

No marriage bond has as yet been found for Elizabeth's second marriage to \_\_\_\_\_ Allard.

b. Mildred S. (Hurt) Campbell And Her Husband Joseph Campbell

Mildred S. (Hurt) Campbell was a daughter of Rhoda (Wright) Hurt and Henry Hurt. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Rhoda<sup>3</sup>)

The marriage bond of Mildred S. Hurt and Joseph Campbell was dated on January 9, 1827, at Bedford County, Virginia, with John W. Hurt as surety, and the marriage on January 9, 1827. If Mildred S. Hurt and Joseph Campbell were at least 16 years of age at the time of their marriage, then their dates of birth were probably before 1812. Since Henry Hurt was probably then residing in Bedford County, Mildred's place of birth was probably at Bedford County, Virginia.

The division and allotment of the estate of Henry Hurt dated March 24, 1828, at Bedford County, Virginia, W.B. 7/32 listed Mildred Campbell as one of the children of Henry Hurt and Rhoda (Wright) Hurt:

"In obedience to the order made by the worshipful Court of Bedford County we the undersigned Commissioners have divided the negroes of Henry Hurt deceased amongst his children as follows Viz.

.....

Lott No 8 drawn by Mildred Campbell			
Lewis a negroe boy appraised to		\$300.00	
To pay to Lott No 3 Vina \$26.00			
To pay to Lott No 4 Juda	<u>28.00</u>	<u>74.00</u>	226.00
....."			

The will of Rhoda (Wright) Hurt dated December 15, 1830, and probated on July 25, 1831, at Bedford County, Virginia, W.B. 7/512 listed Mildred Campbell as one of her children:

". . . . Secondly I do give unto my daughter Mildred Campbell twenty dollars to be paid unto her as above unto Elizabeth. . . ."

c. Jane (Hurt) Irvine And Her Husband Benjamin Irvine

Jane (Hurt) Irvine was a daughter of Rhoda (Wright) Hurt and Henry Hurt. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Rhoda<sup>3</sup>)

Since Henry Hurt was probably residing in Bedford County all of his life, the place of birth of Jane Hurt was probably at Bedford County, Virginia.

The division and allotment of the estate of Henry Hurt dated March 24, 1828, at Bedford County, Virginia, W.B. 7/32 listed Jane Hurt as one of the children of Henry Hurt and Rhoda (Wright) Hurt:

"In obedience to the order made by the worshipful Court of Bedford County we the undersigned Commissioners have divided the negroes of Henry Hurt deceased amongst his children as follows Viz.

....

Lott No 2 drawn by Jane Hurt		
Frank a Negro boy appraised to	\$200.00	
To receive from Lott No 7 Jona	<u>26.00</u>	226.00
...."		

The will of Rhoda (Wright) Hurt dated December 15, 1830, and probated on July 25, 1831, at Bedford County, Virginia, W.B. 7/512 listed Jane Hurt as one of her children:

". . . . Thirdly I do give unto my daughter Jane Hurt twenty dollars to be paid unto her as unto my daughters above. . . ."

The marriage bond of Jane Hurt and Benjamin Irvine was dated on January 23, 1837, at Bedford County, Virginia, with Alexander P. Price as surety.

1850 Bedford County, Va Census by Marvin U. Neighbors listed Benjamin H. Irvine with the following household:

<u>Name</u>	<u>Age</u>	<u>Occupation</u>	<u>Born</u>
Benjamin H. Irvine	69	Wheelwright	Virginia
Jane Irvine	43		Virginia
Mary A. E. Irvine	12		Virginia
Mary Campbell	12		Virginia

This record indicates that Jane (Hurt) Irvine was born in about 1807 and that Benjamin H. Irvine was born in about 1781.

d. John W. Hurt And His Wife Elizabeth (Board) Hurt

John W. Hurt was a son of Rhoda (Wright) Hurt and Henry Hurt. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Rhoda<sup>3</sup>)

Since Henry Hurt was probably residing in Bedford County all of his life, the place of birth of John W. or N. Hurt was probably at Bedford County, Virginia.

The division and allotment of the estate of Henry Hurt dated March 24, 1828, at Bedford County, Virginia, W.B. 7/32 listed John Hurt as one of the children of Henry Hurt and Rhoda (Wright) Hurt:

"In obedience to the order made by the worshipful Court of Bedford County we the undersigned Commissioners have divided the negroes of Henry Hurt deceased amongst his children as follows Viz.

.....

Lott No 7 drawn by John Hurt			
Jone a Negroe woman appraised to	\$290.00		
To pay to Lot No 2 Frank	\$26.00		
To pay to Lott No 4 Juda	<u>38.00</u>	<u>64.00</u>	226.00
....."			

The will of Rhoda (Wright) Hurt dated December 15, 1830, and probated on July 25, 1831, at Bedford County, Virginia, W.B. 7/512 listed John Hurt as one of her children:

". . . . Fourthly I do give to my son John W Hurt the house he now has in possession, and one third part of my land which I have an absolute rite to. . . ."

The Early Hurt Families Of Virginia stated that the marriage bond of John W. Hurt and Elizabeth Board was dated on November 1, 1831, at Bedford County.

e. William Hurt

William Hurt was a son of Rhoda (Wright) Hurt and Henry Hurt. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Rhoda<sup>3</sup>)

Since Henry Hurt was probably residing in Bedford County all of his life, the place of birth of William Hurt was probably at Bedford County, Virginia.

There are three William Hurt marriages listed in Hinshaw:

December 24, 1810, William Hurt and Mary Rucker with Ambrose Rucker as surety;

January 26, 1819, William Hurt and Polly Preston with Stephen Preston as surety; and

April 26, 1819, William O. Hurt, son of Betsy Ann, and Lucy O. Hurt with Richard Freeman as surety.

Since Henry Hurt and Rhoda (Wright) Hurt were married in 1798, then the first William Hurt marriage in 1810 would be too early to be their son. The third marriage of William O. Hurt lists him as the son of Betsy Ann and, therefore, could not be the son of Henry and Rhoda. The second William Hurt marriage in 1819 might be the son of Henry and Rhoda, but I think that is unlikely. Assuming William Hurt was the fifth child of Henry and Rhoda, he would not have been born until nearly 1810 and thus would not even be a teenager if married in 1819.

The division and allotment of the estate of Henry Hurt dated March 24, 1828, at Bedford County, Virginia, W.B. 7/32 listed William Hurt as one of the children of Henry Hurt and Rhoda (Wright) Hurt:

"In obedience to the order made by the worshipful Court of Bedford County we the undersigned Commissioners have divided the negroes of Henry Hurt deceased amongst his children as follows Viz.

.....

Lott No 3 drawn by William Hurt		
Vina a Negroe girl appraised to	\$125.00	
To receive from Lott No 6 Bailey	55.00	
To receive from Lott No 8 Lewis	<u>46.00</u>	226.00
....."		

The will of Rhoda (Wright) Hurt dated December 15, 1830, and probated on July 25, 1831, at Bedford County, Virginia, W.B. 7/512 listed William Hurt as one of her children:

". . . . Fifthly I do give to my son William Hurt one third part of my land which I have an absolute right to, also the Colt of the sorrel mares and as much as will

make the value of the same equal to what Johns now are allso thirty fore dollars to be paid unto him as unto my daughters. . . ."

f. Nancy (Hurt) Hatcher, Her Husband William L. Hatcher, And Her Descendants

Nancy (Hurt) Hatcher was a daughter of Rhoda (Wright) Hurt and Henry Hurt. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Rhoda<sup>3</sup>)

The division and allotment of the estate of Henry Hurt dated March 24, 1828, at Bedford County, Virginia, W.B. 7/32 listed Nancy Hurt as one of the children of Henry Hurt and Rhoda (Wright) Hurt:

"In obedience to the order made by the worshipful Court of Bedford County we the undersigned Commissioners have divided the negroes of Henry Hurt deceased amongst his children as follows Viz.

. . . .

Lott No 5 drawn by Nancy Hurt		
Hardy a Negroe man appraised to	\$350.00	
To pay to Lot No 1 Pleasant	124.00	\$226.00

. . . ."

The will of Rhoda (Wright) Hurt dated December 15, 1830, and probated on July 25, 1831, at Bedford County, Virginia, W.B. 7/512 listed Nancy Hurt as one of her children:

". . . . 6th I do give to my daughter Nancy Hurt one horse and saddle. . . ."

The marriage bond of Nancy Hurt and William L. Hatcher was dated on November 5, 1832, at Bedford County, Virginia, and with William S. Hurt as surety on the bond and the consent of John W. Hurt, guardian for Nancy, and the marriage on November 6, 1832. If Nancy Hurt was at least 16 years of age at the time of her marriage, her date of birth would be probably before 1817. The consent to the marriage by the guardian for Nancy suggests that she was under 21 years of age at the time of the marriage and, therefore, was probably born after 1811. Since Henry Hurt was probably residing in Bedford County all of his life, the place of birth of Nancy was probably at Bedford County, Virginia.

The 1850 Census for Roanoke County, Virginia, listed William L. Hatcher with the following household:

<u>Name</u>	<u>Age</u>	<u>Occupation</u>	<u>Born</u>
William L. Hatcher	44	Farmer	Virginia
Nancy Hatcher	34		Virginia
Henry C. Hatcher	12		Virginia
John W. Hatcher	10		Virginia
Jeremiah R.(?) Hatcher	8		Virginia
Robert E. Hatcher	6		Virginia
James W. Hatcher	4		Virginia
Charles L. Hatcher	1		Virginia
Joseph Stover	45	Teacher	Virginia

This record indicates that William L. Hatcher was born in about 1806 and that Nancy (Hurt) Hatcher was born about 1816.

Our Kin included the following information about William Logwood Hatcher and his family:

"(2) William Logwood; was a local Baptist preacher, and lived near Salem, Va. It was through his efforts that the Fort Lewis Church of Roanoke County, Va., was built. He was pastor of this church for many years. He married Nancy Hurt.

Children:

- (a) Cary; married Mary Zircle.
- (b) John; married Nannie \_\_\_\_\_
- (c) Jeremiah; married Jennie Jeter.
- (d) Robert E.; married Rebecca Dyerle.
- (e) Susan; married Jones Ligon.
- (f) Emmett; married Clara Benson, of Maryland.
- (g) Laura; married C. W. Chapman.
- (h) Charles; married Susan Thomas."

From the evidence set forth above and additional evidence set forth below the children of Nancy (Hurt) Hatcher and William Logwood Hatcher were the following:

- 1) Henry Cary Hatcher, born about 1838 at Virginia,
- 2) John W. Hatcher, born about 1840 at Virginia,
- 3) Jeremiah R. Hatcher, born about 1842 at Virginia,
- 4) Robert E. Hatcher, born about 1844 at Virginia,

- 5) James W. Hatcher, born about 1846 at Virginia,
- 6) Charles L. Hatcher, born about 1849 at Virginia,
- 7) Susan (Hatcher) Ligon,
- 8) Emmett Hatcher, and
- 9) Laura (Hatcher) Chapman.

- i. Henry Cary Hatcher And His Wife Mary (Zircle) Hatcher

Henry Cary Hatcher was a son of Nancy (Hurt) Hatcher and William Logwood Hatcher. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Rhoda<sup>3</sup>, Nancy<sup>4</sup>)

The 1850 Census for Roanoke County, Virginia, listed Henry C. Hatcher in the William L. Hatcher household and his age as 12 and born in Virginia, indicating a date of birth in about 1838.

Our Kin stated that Cary Hatcher was a son of William Logwood Hatcher and Nancy (Hurt) Hatcher and married Mary Zircle.

- ii. John W. Hatcher And His Wife Nannie (\_\_\_\_) Hatcher

John W. Hatcher was a son of Nancy (Hurt) Hatcher and William Logwood Hatcher. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Rhoda<sup>3</sup>, Nancy<sup>4</sup>)

The 1850 Census for Roanoke County, Virginia, listed John W. Hatcher in the William L. Hatcher household and his age as 10 and born in Virginia, indicating a date of birth in about 1840.

Our Kin stated that John Hatcher was a son of William Logwood Hatcher and Nancy (Hurt) Hatcher and married Nannie \_\_\_\_.

- iii. Jeremiah R. Hatcher And His Wife Jennie (Jeter) Hatcher

Jeremiah R. Hatcher was a son of Nancy (Hurt) Hatcher and William Logwood Hatcher. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Rhoda<sup>3</sup>, Nancy<sup>4</sup>)

The 1850 Census for Roanoke County, Virginia, listed Jeremiah R. Hatcher in the William L. Hatcher household and his age as 8 and born in Virginia, indicating a date of birth in about 1842.

Our Kin stated that Jeremiah Hatcher was a son of William Logwood Hatcher and Nancy (Hurt) Hatcher and married Jennie Jeter.

iv. Robert E. Hatcher And His Wife Rebecca (Dyerle) Hatcher

Robert E. Hatcher was a son of Nancy (Hurt) Hatcher and William Logwood Hatcher. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Rhoda<sup>3</sup>, Nancy<sup>4</sup>)

The 1850 Census for Roanoke County, Virginia, listed Robert E. Hatcher in the William L. Hatcher household and his age as 6 and born in Virginia, indicating a date of birth in about 1844.

Our Kin stated that Robert E. Hatcher was a son of William Logwood Hatcher and Nancy (Hurt) Hatcher and married Rebecca Dyerle.

g. Florentine (Hurt) Hatcher, Her Husband Caleb H. Hatcher, And Her Descendants

Florentine (Hurt) Hatcher was a daughter of Rhoda (Wright) Hurt and Henry Hurt. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Rhoda<sup>3</sup>)

The division and allotment of the estate of Henry Hurt dated March 24, 1828, at Bedford County, Virginia, W.B. 7/32 listed Florentine Hurt as one of the children of Henry Hurt and Rhoda (Wright) Hurt:

"In obedience to the order made by the worshipful Court of Bedford County we the undersigned Commissioners have divided the negroes of Henry Hurt deceased amongst his children as follows Viz.

Lott No 1 drawn by Florentine Hurt		
Pleasant a Negroe boy appraised to	\$85.00	
To receive from Lott No 5 Hardy	124.00	
To receive from Lott No 6 Bailey	17.00	\$226.00
....."		

The will of Rhoda (Wright) Hurt dated December 15, 1830, and probated on July 25, 1831, at Bedford County, Virginia, W.B. 7/512 listed Florentine Hurt as one of her children:

". . . . 7th I do give unto my daughter Florentine Hurt one horse and saddle . . . . "

The marriage bond of Florentine M. Hurt and Caleb H. Hatcher was dated on November 3, 1836, at Bedford County, Virginia, with Archibald P. Hatcher as surety on the bond and the consent of Joseph Campbell, guardian for Florentine, and the consent of George W. Hawkins, guardian for Caleb, and their marriage on December 8, 1836. If Florentine Hurt was at least 16 years of age at the time of her marriage, her date of birth would be probably before 1821. The consent by the guardian of Florentine to the marriage suggests that she was under the age of 21 years and, therefore, probably born after 1815. Since Henry Hurt was probably residing in Bedford County all of his life, the place of birth of Florentine Hurt was probably at Bedford County, Virginia.

The 1850 Census for Bedford County, Virginia, listed Caleb Hatcher with the following household:

<u>Name</u>	<u>Age</u>	<u>Occupation</u>	<u>Born</u>
Caleb Hatcher	32	Farmer	Virginia
Florentine Hatcher	27		Virginia
W. H. Hatcher	9		Virginia
Sarah Hatcher	6		Virginia
Wilson C. Hatcher	4		Virginia
Mildred J. Hatcher	2		Virginia

This record indicates a birth date of approximately 1823 for Florentine (Hurt) Hatcher and 1818 for Caleb Hatcher and confirms that they were born in Virginia.

DAR Lineage Book at #149149 for Lois Hatcher Simpson listed the dates of birth and death for Florentine (Hurt) Hatcher as 1818 and 1881 and for her husband Caleb as 1816 and 1901. One child was listed, W.C. Hatcher who was born in 1846, married to Annie M. Bulman in 1874, and died 1892. Further descendants are given, but there was no source for the information.

Our Kin included the following information regarding Caleb Henry Hatcher and Florentine (Hurt) Hatcher from a letter by John H. Hatcher dated November 1, 1829:

". . . . Caleb Henry married Florentine Hurt in 1836. She was a daughter of Henry Hurt and Rhoda Wright (a daughter of John Wright, a Rev. Soldier of Bedford County). One of their children was my father, Wilson Cary, born in 1846. He joined Company B, 10th Virginia Batallion of the Confederate Army when he was seventeen years old and served continuously until severely wounded and captured in the fighting around Richmond. He married Anne Bulman of King and Queen County in 1874, who still survives him. He engaged in the merchandise business in Bland County and died in 1892. It will surely be permitted me to write of him, that he was a high type of Christian gentlemen and was known for his business integrity and honor.

The other children of Caleb Henry were: William (who was a Lieutenant in the Confederate Army and married Mary Grey Jones), Sallie (married Tom Sublett), Mildred (married Charles Bradley), James (married Willie D. Anderson, Lee (married Willie Davis), and Davis (married Jennie Tate)."

h. Patrick Henry Hurt, His Wife Nancy A. (Duckwiler) Hurt, And His Descendants

Patrick Henry Hurt was a son of Rhoda (Wright) Hurt and Henry Hurt. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, Rhoda<sup>3</sup>)

The division and allotment of the estate of Henry Hurt dated March 24, 1828, at Bedford County, Virginia, W.B. 7/32 listed Henry Hurt as one of the children of Henry Hurt and Rhoda (Wright) Hurt:

Ninthly I do will all the balance of my property if any shall be equally divided between my five youngest children Viz John, William, Nancy, Florentine & Patrick Henry. . . ."

The Early Hurt Family Of Virginia stated that the marriage bond of Patrick Henry Hurt and Nancy Ann Duckwiler was dated on September 21, 1844, at Montgomery County, Virginia, with the marriage on October 3, 1844.

The 1850 Census for Roanoke County, Virginia, listed Patrick H. Hurt with the following household:

<u>Name</u>	<u>Age</u>	<u>Occupation</u>	<u>Born</u>
Patrick H. Hurt	26	Farmer	Virginia
Nancy A. Hurt	22		Virginia
Mary A. Hurt	6		Virginia
Sarah J. Hurt	4		Virginia
Joseph H. Hurt	1		Virginia

This record indicates a date of birth in about 1824. Since Henry Hurt probably resided in Bedford County all of his life, the place of birth of Patrick Henry Hurt was probably at Bedford County, Virginia.

On January 19, 1856, Patrick H. Hurt executed a declaration in Roanoke County, Virginia, and filed in Bounty Land Warrant File 53079 in support of the application of Nancy Richardson for a pension in right of the service of her husband William Richardson in the War of 1812.

From the evidence set forth above the children of Patrick Henry Hurt and Nancy Ann (Duckwiler) Hurt were the following:

- 1) Mary A. Hurt, born about 1844 at Virginia,

8. 1840 John Wright Of Bedford County, His Wife Sally (Hardy) Wright, And His Descendants

1840 John Wright of Bedford County was a son of 1803 John Wright of Bedford County and Elizabeth (Pate) Wright. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>)

As will be set forth more fully below, 1840 John Wright of Bedford County is identified as the son of 1803 John Wright of Bedford County by showing that the land devised by 1803 John Wright to his son John was owned by 1840 John Wright at his death. In addition, John Wright, the son of 1803 John Wright, owed a support obligation to his mother Elizabeth (Pate) Wright and 1840 John Wright referred to that obligation in his will.

The will of 1803 John Wright dated August 11, 1803, and probated on September 26, 1803, at Bedford County, Virginia, W.B. 3/3 listed John Wright as one of his children:

". . . 8th I do give to my Son John a negroe boy named Sam, and negroe woman named Milly, to be his property at the death of my wife, also horse saddle & bridle Also two hundred Acres Land being the whole of this Tract whereon I now Live, . . . ."

The 1804 Personal Property Tax List for Bedford County, Virginia, listed John Wright with the following household on July 28:

The similarity of the amount of property to the listing in 1805 set forth below identifies this John Wright as 1840 John Wright.

The 1805 Personal Property Tax List for Bedford County, Virginia, listed four John Wrights in the John W. Holt District, one of whom was John Wright (BD) with the following household on March 25:

<u>Date of</u>	<u>Persons Names</u>	<u>No of</u>	<u>Blacks</u>	<u>Blacks</u>

The identification of John Wright as "BD" is a reference to Beaver Dam Creek and, as will be set forth more fully below, identifies this John Wright as 1840 John Wright, the son of 1803 John Wright, whose land was on Beaver Dam Creek. This record indicates that John Wright was born before March 25, 1789.

The 1806 Personal Property Tax List for Bedford County, Virginia, listed three John Wrights, one of whom was John Wright with the following household on April 19:

The similarity of the household property in this listing to that in 1805 identifies this John Wright as 1840 John Wright of Bedford County.

The 1807 Personal Property Tax List for Bedford County, Virginia, listed John Wright (BD) with the following household:

Persons Names <u>Owning Property</u>	No of White Males above <u>16</u>	Blacks above 12 under <u>16</u>	Blacks above <u>16</u>	Horses Mares & <u>Mules</u>	Other Taxable Property in Manu- <u>script</u>

The 1810 Personal Property Tax List for Bedford County, Virginia, listed John Wright, Jr., with the following household:

----------------------------	------------------------	--	--	---	---

The 1810 Personal Property Tax List did not list an Elizabeth Wright and this listing reflects the transfer of her property to the list of her son 1840 John Wright.

The 1810 Census for Bedford County, Virginia, listed three John Wrights who had the following households:

First John Wright:

<u>Name of Head of Family</u>	<u>Free White Males</u>	<u>Age</u>	<u>Free White Female</u>	<u>Age</u>	<u>All Other Free Persons</u>	<u>Slaves</u>
John Wright (W?)	1	16-26	1	45+		9

Second John Wright:

<u>Name of Head of Family</u>	<u>Free White Males</u>	<u>Age</u>	<u>Free White Female</u>	<u>Age</u>	<u>All Other Free Persons</u>	<u>Slaves</u>
John Wright (P)	1	45+	1	45+		1
	1	16-26	4	16-26		
	2	10-16	1	0-10		

Third John Wright:

John Wright (?)	1	26-45	1	26-45		

1840 John Wright's father had died in 1803, his mother Elizabeth (Pate) Wright survived until approximately 1843, and 1840 John Wright did not marry until 1820. The implication is clear that the household with a young man 16-26 and, older woman over

45, and nine slaves was that of 1840 John Wright and his mother. This would place 1840 John Wright's date of birth between 1784 and 1794.

The 1811 Personal Property Tax List for Bedford County, Virginia, listed John Wright with the following household:

Date of Receiving Lists	Persons Names Owing Property	No of Whites Over 16 years	Blacks Over 16 years	Blacks over 12 under 16	Horses Mares Colts & Mules
	<u>1 March 1811</u>				
	John Wright	1	4	1	5

Other Taxable property in Manuscript

As will be set forth below, this listing has the same amount and types of property as the listing in 1813 for John Wright B. D. The reference to B. D. is to Beaverdam Creek and identifies that John Wright as 1840 John Wright, the son of 1803 John Wright. The similarity in the property owned, therefore, identifies the John Wright of this 1811 listing as 1840 John Wright.

The 1812 Personal Property Tax List for Bedford County, Virginia, listed John Wright with the following household:

As set forth above in connection with 1803 John Wright of Bedford County and Elizabeth (Pate) Wright, litigation arose between Elizabeth (Pate) Wright and her son 1840 John Wright.

Elizabeth (Pate) Wright lived with her son John Wright at the family residence from the death of 1803 John Wright until March 3, 1821, when she moved away to live with her daughter Ruth (Wright) McGeorge and her son-in-law William McGeorge. On April 3, 1821, she filed suit against her son John Wright for an accounting for the use of the slaves left to her by her husband 1803 John Wright. The records of that case are in File 1373 of the Superior Court of Law and Chancery, Lynchburg, Virginia. The complaint provided as follows:

"To the Honourable Creed Taylor Judge of the Superior Court of Chancery for the Lynchburg District Humbly Complaining Sheweth unto your Honour your Oratrix Elizabeth Wright widow and relict of John Wright deceased that the said John Wright departed this life in the month of August 1803 having on the 11th Day of that month made and published his will in due form of Law, wherein he disposed of a considerable Estate in manner and form as will more fully appear reference being thereunto had

That immediately after his death your oratrix together with John Wright and Tommy Wright herein after called Defendants, qualified as Executrix and Executors of the said last will. That the Debts have all been paid, and the Legacies, bequeathed subject to the pleasure of your oratrix delivered to the Legatees respectively entitled: That your oratrix and John Wright the younger, then a single man, resided together in the Dwelling house of her late Husband; And received possession of the property bequeathed to her, according to a

That she has compelled, to abandon her home, where she bore and raised him, and is now dependant upon the charity of her other children for a home and subsistence: In Tender consideration whereof in as much as your oratrix is remediless at Law. May It please the court to cause the said John Wright & Tommy Wright in their own right and as Executors of the said John Wright deceased to be made Defendents to this Bill. And full true and perfect answer to make to the allegations therein contained as if the same were again set forth and recapitulated by way of interrogatories: That the said John may be compelled to deliver up to your oratrix possession of the slaves Stock and all other things in his possession to which she is Entitled under the will of her late husband: upon such reasonable Terms & conditions as the court may prescribe: and be compelled to account for the hire & profits of the same during the time he has had the possession and use thereof; and in the mean time that some provision suitable to the age and condition of your Oratrix may be made for her support: and such other and further relief as her case may require and is consistent with the principles of Equity & rules of the court. The Answer of John Wright to the Bill of Complaint in File 1373 was filed on October 11, 1821, and provided as follows:

"To the honble Creed Taylor Judge of the Superior Court of Chancery holden at Lynchburg

The Answer of John Wright to the Bill of Complaint exhibited against this respondent & others by Elizabeth Wright

This respondent saving the benefit of all exceptions for answer to the said Bill saith that true it is that his father John Wright departed this life in the year 1803 having first duly made & published his last will & testament a copy whereof is exhibited with the plaintiffs Bill.

At the death of this respondent father this respondent was about 18 years of age. The plantation on which his father died being devised to this respondent this respondent continued to reside with his mother on the place in the character of manager of the business and got only but a portion of the crop as is normally given for like services. In this situation this respondent continued for several years. then by the consent of the complainant this respondent took the whole concern into his own hand and has in consideration of using the property in which the complainant had a life estate to support her & her youngest daughter in a comfortable manner & to furnish them with such articles as their necessities required This stipulation this respondent performed only in the spirit of justice but \_\_\_\_ (?) Independent of his engagement he reserved one horse & kept two for his sister during her continuance which terminated in 1811. The complaintant sold during her residence with this respondent some horses belonging to the estate & appropriated the money to her own use and acted on the gratification of her wishes without any restraint from this respondent. Thus things continued with the same understanding between the parties untill about the year 1819 during all which time the complaintant never to this respondents knowledge alleged that he was indebted to her for the enjoyment of her property. He some times said that this respondent ought to give her more than her mere support but these dictations were the effects of occasional ill humour & not of any settled design. In 1819 she manifested her dissatisfaction more steadily & this respondent then agreed to pay her for that year one hundred dollars over & above the maintenance before the year has expired this respondent informed her he could not give it any longer. She remained with this respondent untill March 1821 and then left his house & removed to the house of William McGeorge who is married to her youngest daughter.

After this respondent took the management of the plantation into his own hands he clothed all of the slaves & paid all the taxes \_\_\_\_\_(?) they been charged to the complaintant and untill 1809. This respondent raised the children of Milly & of Jude born after the Testators death and of his own means. Sam bequeathed to this respondent was but 5 years old at the death of the Testator.

In December 1820 the complaintant having manifested such displeasure toward this respondent to which she was as this respondent believes by some of her other children who hoped to profit by rupture between her & this respondent she gave notice that this respondent should not for the ensuing crop put the five following slaves under his overseer Viz Peter Jesse, Nick, Moley Sam: She then explicitly stated that he had given up, or that did give up Sam & Milley & her other children to this respondent for him to do with them as he thought proper.

This respondent has no objection to deliver Peter. he belongs to this respondent after the complaintants death. He having purchased the interest in him. He conceives it herein proper to demand proper surety to have him whenever when the life estate shall have terminated. This respondent is also entitled to Jude & her children having also acquired the remaining interest in her by purchase.

This respondent will beg leave to state more explicitly the reason why he has refused to deliver the slaves. Sam Milley & her children & Jude & her children Sam he considers under a fair construction of the Testators will to have been his property absolutely at his death. The Testator had no other slaves than Rose expressly mentioned in the will and in the latter clause of his will he clearly shews that the life estate of his wife was only to extend to those slaves who where then grown which Sam was not being only of the age before mentioned. Milley & her children this respondent claims by express relinquishment of his mother & by having raised the children out of his own means. Jude & her children this respondent claims on the same ground.

This respondent denies that he refused to deliver to the complainant any part of the stock. He was willing & did offer to deliver her two thirds of it. The other third at her death is the property of This respondent. This respondent apprehended that if he did deliver it, that the complainant would give it to her now favorite children being lately made a present of a cow & calf to one of her daughters & having a few years ago divided 405 dollars among eight of her children (then living ten in all). This respondent therefore refused to deliver more than two-thirds. The stock comprehended six cows four calves eight young cattle fifteen sheep five grown hogs sixteen shoats & sixteen pigs. The other small articles this respondent is billing the complainant shall have whenever she chooses to send for them.

The pecuniary legacies mentioned in the bill have been paid by the complainant in a horse & cattle left by the Testator. Your respondent made no objection

This respondent does not admit that the complainant is destitute of the means of support. She had when she left this respondent about three hundred & fifty dollars due to her from responsible persons mostly for money loaned. She had also some money and household & kitchen furniture

This respondent regrets as much as any person can do that his mother at the very advanced age of 74 years should have deserted a home which he had during many years made as comfortable & cheerful as was in his power, and which he should have endeavored to render more so as her years & his means increased. He endeavored to avoid the \_\_\_\_\_(?) and much more any ill will or hostility toward him. He was however unable to avert either. The discontent attendant on old age was kept alive by those whose sole object was to profit by its existence.

This respondent was anxious to avoid any litigation. He proposed various ways by which the outstanding difference might be adjusted by respectable neighbours so as to avoid bringing it before a court of Justice but all the expedients proposed were entirely unavailing.

This respondent utterly denies that he treated the complainant unkindly. He endeavored on all occasions to make her comfortable and satisfy her reasonable desires. In this he believes he should have succeeded had others not found it their interest to interfere

This respondent has always been willing to account with the complainant for the sum of one hundred dollars which he contracted to pay her in 1819 as also to pay any amount to which she may be entitled to for the preceding year. This respondent however deeming himself unjustly brought before this honorable court objects to its Jurisdiction as to that matter alone, observing that as the other subjects he has done the complainant ample justice.

This respondent since his mother left him has frequently informed her that if she was in want of things which it was in his power to furnish if she would send for them she should have them. When she went away this respondent furnished about 150# of Bacon. He has always been willing to provide her the means of subsistence if she would make her wants known.

This respondent prays to be hence dismissed with his costs and &c"

On May 23, 1822, in File 1373 the Court ordered the payment of \$100 of support from John Wright to Elizabeth Wright pending the hearing of the case and directed the commissioner to report on what an appropriate allowance should be for Elizabeth Wright:

On February 15, 1823, at Bedford County, Virginia, D.B. 17/404 John Wright acted as trustee on a deed of trust executed by Rowland Wheeler to secure a debt due to Lewis Lancaster. Lewis Lancaster and Rowland Wheeler were neighbors of 1840 John Wright and, therefore, the John Wright of this deed of trust was probably 1840 John Wright.

In May 1823 at Bedford County, Virginia, County Court Order Book 18/354 John Wright's hands were reallocated for road repair to the road from Chamblissburg to Beaverdam Creek:

"Ord that John Wright & his hands be taken from Pates Mill road & be attached to Pates rd from Chambliss Store to Beaver Dam & that Matthew Wright & his hands be taken from Pates Mill road & be attached to Pates road from Beaverdam to Weaver Creek"

On May 17, 1823, in File 1373 James Beragh filed his report on the request for support pending the resolution of the lawsuit. That report provided as follows:

"Your commissioner in pursuance of the foregoing order on the 10th day of April 1823 issued his notice to the parties that he had appointed Friday the sixteenth day of May following to carry the said order of court into effect (a copy of which notice is herewith filed marked A) on which day the defendant John Wright attend at your commissioners office where he proceeded to examine the papers filed in this cause and begs leave to submit to the court following report

It appears from the answer of Tommy Wright that the plaintiff was seventy four or seventy five years of age in the year one thousand eight hundred and twenty one and by the evidence of Lucy Lancaster that she is old and infirm and incapable of supporting herself, her condition in life does not appear from the evidence, she may have lived in ease and affluence or she may have been restricted in the necessaries of life the only mode of Judging of her condition in life as the evidence now is, is the property left by her husband for her support which agreeable to the inventory and

appraisement	£ 953.13.5
Deduct amount of slaves	£ 450. 0.0
4 legacies of £10 each	40. 0.0
3 horses (supposed value)	60. 0.0
3 beds and furniture (supposed value)	£ 18. 0.0
	<u>568: 0:0</u>
	£ 385:13:5

Add to this the slaves with their increase if the court should be of opinion that the plaintiff has a life estate in them the slaves divided are as follows

To Tommy Wright a Slave named Tye after the death of the plaintiff

Sarah Wright a slave named Rachal to be delivered to the donee when the plaintiff should think proper

Anthony Wright a slave named Peter after the death of the plaintiff

Nancy Asbury a slave named Let to be delivered the donee whence the plaintiff should think proper

Betsy Wright a slave named Jude after the death of the plaintiff

Polly Wright a slave named Hannah to be delivered to the donee when the plaintiff should think proper

Rhoda Wright a slave named Jane in the donees possession

John Wright two slaves named Sam and Milly to be his at the plaintiffs death

Joseph Wright a negro named Isaac to be his property at the plts death

Ruth Wright a slave named Margaret

It appears from the foregoing abstract that the plaintiff by the will of her deceased husband is entitled to the services of the following slaves Viz, Tye,

Peter, Jude, Milly, Sam, and Isaac with the increase of the females of them during her life unless that is restricted by the devise in the will of John Wright deceased giving to the plaintiff the use for life of the grown negroes which appears by the evidence of Elizabeth Holladay to have been but three and that Tye one of them is since dead the remaining two the commissioner supposes to be Milly and Peter, as a register of the ages of the slaves recorded in Bedford Court in December 1809 states the age of Milly to be about 32 and Peter about 23 years

If the whole of the slaves with their increase belongs to the plaintiff during life then by hiring them she would receive the following sums as appears by the evidence of Pascal Butler and the evidence of Millener Haynes so far as the latter testimony speaks of the hire of the slaves

Milly (hire supposed)	20:00
Jude (hire supposed)	40.00
Peter	65:00
Sam	65.00
Jesse	60.00
Nicholus	65.00
Moley	22:50
Ben	<u>22.50</u>
	\$340.00

If the slaves Peter and Milly are considered only to be devised to the plaintiff during her life then the negroes Jude and Sam should be deducted from the foregoing sum the others appear by the evidence of Elizabeth Halloway to be the children of Milly

Amount above	\$340.00
Deduct Jude, hire \$40 and Sam \$65	<u>\$105.00</u>
	\$235.00

Add to either of these sums the use of the property as given by the defendant John Wright in his answer and it would make a comfortable support for the plaintiff. The commissioner thinks that the defendants who are in the enjoyment of the property could not be injured by paying Two Hundred Dollars to the plaintiff during the pendency of this suit and he thinks that, that sum would be a reasonable allowance to the plaintiff on which she could in all probability support herself without difficulty

All of which is respectfully submitted to your honour

James Beragh C."

On the back of the report in File 1373 is the order of the court which provided as follows:

"On the mo. of the plff, by counsel, for an increase of her alld pendente lite, the court, on considn of the bill, answers, \_\_\_\_\_(?) as well as the \_\_\_\_\_(?) of &c made the with ansr: thereto by the def. John Wright, and after hearg.(?) counsel in opp. to the mo. doth order &c \$150 annual from the dnts hereof"

On May 17, 1823, in File 1373 John Wright objected to the order as follows:

"The defendant John Wright excepts to the report of Master Commissioner Beragh. Because the sum reported as a proper allowance per annum to the plaintiff is far beyond the profits of any property belonging to her in the possession of the defendant, and the said defendant contends that he is not liable for any sum beyond those profits"

A summary of the case in File 1373 was filed on October 27, 1823, setting forth the history of the documents on file and the motions and actions of the parties.

In October 1823 the court in File 1373 rendered the following opinion:

"This cause came on &c.

On consideration whereof, the court being of opinion, that the plaintiff under the will of her husband John Wright deceased, is entitled to an estate for life, first in the money on hand at the testators death, secondly in his credits whether by bond note or open account, thirdly in his stock of every kind, fourthly in his household and kitchen furniture, and lastly in all his slaves whether young or old, not absolutely given away by his will, that among the slaves, to which the plaintiff is so entitled for life, are those in controversy to wit, Peter, Sam, Milly and her children Jude and her children, to none of whom hath this defendant John Wright shewn any such title by gift or relinquishment, as he hath alledged in his answer; - the court being also of the opinion that the plaintiff is entitled to an decree for the immediate possession of the aforesaid stock furniture and slaves except Peter who hath been given up to her pending the suit - upon her giving bond, with sufficient security to the defendants John & Tommy Wright, in a penalty equal to double the value of said property to be ascertained by a commissioner of this court, conditioned, for the forth coming and \_\_\_\_\_(?) to the said defendants or the survivor of them, his exeors and administrators, for the purposes of their testator's will - of so much of the said stock and furniture and so meny of the said slaves and their increase as may be in existence at the death of the plaintiff, and for making just compensation to said defendants, for any loss or injury which may happen to said furniture stock or slaves or their increase, by the misconduct or negligence of the plaintiff; and being moreover of the opinion that the plaintiff is entitled to an account of the money and credits of

the testator which may have been received by the defendants, and to an account of the annual hire and profits of the slaves and other personal estate aforesaid from the commencement of the year 1820 -with which the defendant John Wright is chargeable - which account of hire and profits may be carried back to the death of the testator, if the said John Wright shall choose it - excluding therefrom the year 1819 - which is covered by the contract alledged in the bill and admitted in the answer whereby the sd. John was to pay the plaintiff one hundred dollars, besides her maintenance for the use of her property aforesaid which said sum of one hundred dollars has been paid by the order of this court pending this suit; doth therefore adjudge order and decree that, upon the plaintiffs executing bond and security as aforesaid, and filing the same in this court or with the clerk thereof in \_\_\_\_\_(?) the defendant John Wright do deliver to her the furniture stock and slaves aforesaid with their increase to be held and enjoyed by her, under the will of her husband for and during her natural life; - and that one of the commissioners of this court do ascertain the penalty of the bond aforesaid and take an account of the money and credits aforesaid. and if the hires and profits of aforesaid pursuant to the foregoing principles, allowing to the said John Wright, all just and proper charges for the maintenance of the plaintiff, and for raising of the young negroes, during the period for which the account of aforesaid shall be taken - Commr to proceed & report in the usual form"

This affiant saith that shortly after the Decree of Elizabeth Wright against the affiant and Tommy Wright which Decree was made October term in 1823, this affiant Received a message from the pltf that she wished to compound the suit amicably out of Court and wisht to see me on that subject. I called on her shortly after receiving the message and there were several propositions made. Ultimately I offered her what she offered to take she then stated that she must have some time to consider on the subject and that I must come and see her again, twas not verry long before I calld on her again and she then changed the terms from the fomer proposition but I at length told her that I would accede to that proposition when she stated that she must have some time to counsel with her friends but observed there was no doubt but that we should make it up I calld

on her several times and the occurrences was about the same she allways at these times manifesting a disposition to settle the matter but still would put it of under some pretext or other, a short time however before six months had expired, which I thought I had to carry up the papers, after taking the apeal I called on her and told her that the time was nearly out and that I must know whether I had to carry up the copy of the Records or not she then insinuated there was no doubt but what we should settle the matter out of Court, but not long afterwards I Received a message by Anthony Wright whom she then lived with that she did not wish to see me on that subject any more but six months had now expired sence the apeal was granted thus things stood tell Bedford June court last when I called on Thomas Davis whom I had frequently understood was her agent and asked him if there was any chance to compound the matter he said he did nott know I then told him what I would give her and he Replied that ought to satisfy her or any other person and observing at the same time that he was not authorized to make it up but not very long after that I understood that they had ordered a copy of the Records at this time I wisht to dismiss the apeal and went to the party and by consent of the parties wee dismisst the apeal and sent it on to the clerk's office

The first John Wright household fits that known to have existed for 1840 John. As will be set forth below, he then had a wife, two sons, and a daughter, the children all born

after 1820. Bounty Land Warrant 36647-80-50 set forth below establishes that 1840 John's wife Sally (Hardy) Wright was alive in late 1830, when her last child was born. That last son was probably not born at the time the census was taken and, therefore, was not listed. The additional female aged 15-20 may be a Sally Sense referred to in 1840 John's will as part of the family. The extra male aged 30-40 is as yet unidentified. This record would place 1840 John Wright's date of birth between 1790 and 1800.

Assuming the correctness of the conclusions regarding which of the John Wright entries was for 1840 John, his birth date can be calculated to have been between 1784 and 1790. And since his father was living in Bedford County at that time, the birth was probably at Bedford County, Virginia.

Deed 24/280

If the line described in Deed 24/133 as N 30-1/2 E 52-1/2 were corrected to read N 30-1/2 W 52-1/2, then Deeds 24/133 and 24/280 together would appear as follows, identifying them as the most easterly portion of the land of 1840 John Wright.

Bedford County, Virginia  
Deed 24/133 & Deed 24/280

The remaining portion of the land described in Bedford County, Virginia, W.B. 10/397 is the central portion. As set forth above in the Section on 1803 John Wright, the central portion of Bedford County, Virginia, Deed 1/114 dated September 5, 1756, from Thomas Boulden to Anthony Pate was identified as the 222 acre parcel (composed of two 111 acre parcels) ultimately acquired by 1803 John Wright. The location of that land, determined from the 1767 George Walton Patent Deed and sales of land by George Walton, was immediately to the east of Bedford County Deed 19/279, the land which has been identified above as the most westerly portion of the land of 1840 John Wright. In other words the location of the 222 acre parcel owned by 1803 John Wright is the same as the location of the central portion of the land owned by 1840 John Wright. An overlay of Bedford County, Virginia, Deed 1/114, W.B. 10/397, and Deed 6/330 dated September 27, 1779, from which Bedford County Deed, Virginia, 19/279 was ultimately taken, shown on the following page illustrates the common location of the 222 acre parcels.

The undersigned commissioners in dividing the lands belonging to the estate of John Wright deceased as within described have been compelled, owing to the particular situation of the tract to be divided to compel lot No. 2 to pay to Lot No 1 forty five dollars to make it equal to lot No. 3 which we consider agreeable to our best judgment an average lot there being a sufficiency of other estate out of which this difference can be adjusted without compelling the legatee drawing this lot to pay out any money. Given under our hands this day and date within mentioned.

At a Court held for Bedford County the 27' day of September 1841. This division and allotment of the land of John Wright deceased amongst the distributees was produced in court and ordered to be recorded.

Teste  
R. C. Mitchell CBC"

A plat of that division and allotment is provided with the legal description and appears as shown on the following page.

The western portion of W.B. 10/397 has been discussed above in the section on 1803 John Wright. That portion fits in the southeastern corner of the 1767 George Walton Patent Deed and is the same land as that sold by Tommey Wright to a John Wright by Deed 19/279 dated October 22, 1825. It seems likely that this is the parcel described by 1840 John Wright as purchased by him from Ballenger Mays. There is no listing of a Ballenger Mays as grantor or grantee of land in Bedford County. However, Ballenger Mays was the son-in-law of Tommey Wright by his marriage to Polly Wright in 1811. The land of Bedford County, Virginia, Deed 19/279 may have been designated by Tommey Wright as land he intended to give Polly on his death and while Tommey Wright was nominally the named grantor in Deed 19/279, the money actually was paid to Ballenger Mays and his wife Polly. Thus 1840 John Wright might describe the tract as bought of Ballenger Mays while Tommey Wright was the named grantor. In any event the ownership and location of this land has been traced in the section on 1803 John Wright above.

In September 1841 at Bedford County, Virginia, County Court Order Book 27/244 the commissioners were allowed \$2 for their services in dividing and allotting the land of John Wright among his heirs:

"Division of the lands of John Wright deceased produced in Court & ordered to be recorded and it is ordered that the commissioners each be allowed \$2. per day for 2 days services in making said division."

The statement in the accounting that:

". . . . There are two charges for boarding Mrs. Elizabeth Wright, the Testator's mother to whose support it appears by the Testator's will he was bound to contribute the amount is respected by the executor to be the same for which he was bound . . . ."

ties the support obligation from the lawsuit in Bedford County, Virginia, Chancery Court File 1373 to 1840 John Wright of Bedford County and clearly identifies that John Wright as the son of Elizabeth (Pate) Wright.

On about January 5, 1848, at Bedford County, Virginia, County Court Loose Papers George Pearson, Polly Pearson, and Joseph Hardy filed their answer to the complaint of John Q. A. Wright and Robert W. Wright for a sale of certain slaves of the estate of Robert Hardy:

"The joint answer of George Pearson & Polly his wife and Joseph Hardy to a Bill of Complaint exhibited against them & others in the County Court of Bedford by John Q. A. Wright and Robert W. Wright. These Respondents now and at all times saving to themselves the benefit of all proper exceptions to the said Bill and to the many errors therein contained for answer thereto say - That it is true the said Nancy Hardy the widow of Robert Hardy deceased lately departed this life, and that she had a life estate in the five slaves in the Bill mentioned. that she was entitled to a life interest in the said slaves under the will of the said Robert Hardy Decd and not as dower as in the said Bill is untruly alledged - The said Robert Hardy by his will dated the 11th of Decemr. 1827 & admitted to probat in this Court on the 28<sup>th</sup> of January 1828, gave to his wife for life among other property the following sums viz a man called "black Joe" a woman called "black Esther" and a woman called "yellow Esther" (as will more fully appear by the said will to which your respondents refer as part of this answer - with remainder to his six children Sally B. Wright the wife of John Wright, Jonathan Hardy, Robert Hardy, your respondent Joseph Hardy Nancy Saunders & your respondent Polly - And the said five slaves in the Bill mentioned are the slaves as bequeathed to the said Mary for life with their increase. Your respondents further answering say that the said Nancy B. Wright was the mother of the plaintiffs and died some years after the death of the said Robert Hardy leaving her husband the said John Wright her surviving, and as such surviving husband entitled (as your respondent are advised) to her share in remainder of the said slaves. And the said John Wright some years after the death of his wife also departed this life having first made & published his last will & Testament whereof he appointed James Wright & Joel Wright executors who proved the same & qualified as such executors in this Court as will more fully appear by the said will & probat which is here refered to as part of this answer. Your respondents are advised that the said plaintiffs & James C. Kasey & wife & James O. Wright have not any right to a share of the said slaves in right of their mother the said Sally B. Wright Decd. but that the same belongs to the personal representatives of their father the said John Wright Decd, and that it can only be lawfully recovered by suit in the name of their legal

representatives of the said John or more technically perhaps only in the name of the admrs of the said Sally - in which latter case he would hold it as trustee for the executors of the said John, Your respondents are advised that the plaintiffs have no right to intermeddle with the said slaves in any way or to institute this suit. Your respondents therefore deny that the plaintiffs & the said Kasey & wife & James O Wright are entitled to a share of said slaves as in the said bill is alleged or that this Court has any jurisdiction at their suit or instance to decree the sale & division thereof prayed for by them in their said Bill - Your respondents are advised that if this Court was to make the decree prayed for by the plffs it would be entirely void & of no effect. Your respondents therefore object to this Court's entertaining the said Bill or making any decree in the premises, and rely and insist upon this objection in the same manner as if they had more formally demurred to the said Bill or pleaded to the jurisdiction of the Court. These Respondents relying upon their said Objection & not waiving the same. But if overruled by the Court & they required to answer aver - Then & in that case further answering they say, that your respondents George Pearson & Polly his wife are entitled to one sixth of the said slaves in her right, that your respondent George is entitled to another share as purchaser of his codefendant Jonathan Hardy as will more fully appear by the deed of transfer from the said Jonathan to him herewith exhibited as part of this answer & That he is entitled to the share of the said Saunders & wife or so much thereof as will pay off the debt secured in a certain deed of Trust of record in this Court from said Saunders to \_\_\_\_ trustee for the benefit of Henry W. Myless James F Johnson & others which has been transferred & assigned to your respondent which will more fully appear by the said deed here referred to as part of this answer. And your respondent Joseph is entitled to one share as legatee of said Robert Hardy Decd. and to another share in said slaves as purchaser from his codefendant Robert Hardy as will more fully appear by the deed of said Robert to your respondent herewith exhibited as part of this answer. And if this Court can lawfully make a decree in this cause at the suit of the plffs (which these defendants deny), then your Respondents insist that the several shares aforesaid bought by & assigned & transferred to them respectively as aforesaid be decreed to them respectively. And having answered denying all fraud &c Your respondents pray to be hence dismissed with their reasonable Cost in this behalf unjustly expended and as in duty bound they will ever pray &c

On September 21, 1851, in Bounty Land Warrant #36647-80-50 James Wright, the nephew of 1840 John Wright, filed an affidavit for the purpose of obtaining bounty land for 1840 John Wright's minor child James O. Wright by reason of the military service of 1840 John in the War of 1812:

"Virginia Bedford County to wit

On this 20th day of September 1851 personally appeared before me a justice of the peace within and for the County and State aforesaid James Wright aged 57 years who being sworn according to law declares that the within named John Wright deceased was his uncle. That he the said James Wright and his uncle, John Wright volunteered at what was called Gills old Field in Bedford County Virginia to serve as for an indefinite term under Captain Walter Otey who commanded the company of Cavalry, that they marched from Bedford into service about the last of August 1814 and served as was then called as videbts marching and reconnoitering the section from Richmond to Hampton Tappahannock Yorktown and Williamsburg \_\_. They were commanded by one Major Woodford, they marched from the 10th Regiment Bedford and he learns from other sources that the company stood as being attached to the 4th Brigade and 1st Division attached to the 4th Brigade. So it is he knows positively that the said John Wright served faithfully and was honourably discharged about the 22nd of February 1815 having been in service about six months. He knows that the said John Wright died about the 20th of March 1840 leaving no widow that survives him and that the only minor child of the said John Wright deseased is the said James O. Wright who is now under twenty one years of age is now and was on the 28th September 1850, the only minor child under the age of twenty one years of the said John Wright deceased, which said minor child James O. Wright was born on the 19th day of October 1830. He makes these declarations for the purpose that his said ward James O. Wright may receive the benefit and obtain the Bounty land to which the the said James O. Wright as the only minor child of John Wright deceased, may be entitled to under the act of the 28th September 1850. And he still further states that he has no reason to believe that the said John Wright deceased, is his minor child James O. Wright the foresaid claimant has ever before received or is now entitled to receive any Bounty Land under any previous act of Congress hearbefore passed.

John Q. A. Wright

Sworn to and subscribed before me the day and year above written and I hearby certify that being well acquainted with the said John Wright in his life time and with the said John Q. A. Our Kin incorrectly listed 1840 John Wright as married to Mary Hunter in 1789, but this was the second marriage of 1810 John Wright of Bedford County. The corrections of Our Kin noted this error and that 1840 John Wright married Sally B. Hardy and had children Robert W. Wright, John Q. A. Wright, James A. Wright, and Mary S. Wright.

From the evidence set forth above and additional evidence set forth below the children of 1840 John Wright of Bedford County and Sally (Hardy) Wright were the following:

- 1) Robert W. S. Wright, born about 1822 probably at Bedford County, Virginia,
- 2) John Quincy Adams Wright, born about 1824 at Bedford County, Virginia,
- 3) Mary L. (Wright) Kasey, born about 1827 or 1828 at Virginia, probably at Bedford County, Virginia, and
- 4) James O. Wright, born on October 19, 1830, at Bedford County, Virginia.
  - a. Robert W. S. Wright, His Wife Lenna (Hewitt) Wright, And His Descendants

Robert W. S. Wright was a son of 1840 John Wright of Bedford County and Sally (Hardy) Wright. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, 1840 John<sup>3</sup>)

The will of 1840 John Wright dated August 24, 1839, and probated on March 23, 1840, at Bedford County, Virginia, W.B. 10/204 listed Robert W. Wright as one of his children:

". . . . 2nd I give and bequeath unto my son Robert W. Wright my two Boys, Ben and Sam, also my boy Marshal, and my Girl Tilda, also one bay colt now known as his colt, . . . ."

In July 1840 at Bedford County, Virginia, County Court Order Book 27/100 Joel Wright was appointed guardian for Robert W. Wright and John Q. A. Wright, orphan children of John Wright:

"Ordered that Joel Wright be appointed Guardian of Robert W. Wright & John Q. A. Wright orphans of John Wright Deceased. And thereupon he together with James Wright his Security, entered into and acknowledged a bond in the penalty of \$7,000: conditioned according to law."

Although his first name is incorrectly listed as James instead of John, this is clearly the household of John Q. A. Wright after his marriage and indicates that he was born in about 1824 and that Mary Gilbert (Williamson) Wright was born in about 1834.

Bounty Land Warrant #36647-80-50 listed John Q. A. Wright's age as 27 in the affidavit dated September 20, 1851, thus placing his birth in approximately 1824. Since 1840 John Wright resided in Bedford County all of his life, the place of birth of John was probably at Bedford County, Virginia.

In February 1851 at Bedford County, Virginia, County Court Order Book 30/486 John Q. A. Wright was appointed administrator of the estate of Patsey Cheek:

"On the motion of John Q. A. Wright who made oath and together with James F. Johnson his security entered into and acknowledged bond in the penalty of two hundred dollars conditioned according to law certificate is granted him for obtaining letters of administration on the estate of Patsey Cheek deceased"

On January 13, 1853, at Bedford County, Virginia, D.B. 36/389 John Q. A. Wright and Mary G. Wright sold 131-1/4 acres of land to James W. Garner:

On or about January 31, 1855, John Q. A. Wright filed a complaint in Bedford County, Virginia, Chancery Court, File 679, against Joel M. Wright for profits due from a partnership for peddling merchandise. A copy of the complaint was not among the papers in the file, but the gist of the complaint can be determined from the answer of Joel M. Wright filed on April 4, 1855:

"To the Honorable the Judge of the Circuit Court of Bedford in Chancery sitting the answer of Joel M. Wright to a bill of complaint exhibited in this Court against him by a certain John Q. A. Wright - now and at all times saving to himself the benefit of all proper exception to the same for answer saith - that he admits that in the year 1849 he entered into a copartnership with the plaintiff under the style of John Q A and Joel M Wright for the purpose of pedling goods - that the said plaintiff was to furnish goods for the purpose - that this respondent was to peddle them -that they were to divide the profits after paying expenses -that the partnership was to continue for one year - and that the capital put in by the plaintiff was to be repaid him - having regard however to all losses and casualties of every kind - this respondent being expected of course to act with proper prudence in the business and in the sales of the goods. That this respondent was not restricted business to the Counties of Bedford and Roanoke as stated in the bill. That in pursuance of the agreement the plaintiff did furnish

goods during part of the year to the amount of near \$900 - perhaps a little over, but less than \$1000: as he has not the bills of goods now before him - that the said goods were placed in trunks and locked and the keys kept in possession of this respondent - that he did peddle the said goods and sell such as were saleable there being many that were of an old stock that were unsalable - though the plaintiff agreed to furnish such goods as would pay a profit. That the amount of goods sold or the value thereof was above \$900 which was the full value of so many as were disposed of. That the balance that could not be sold were brought back to the office of the plaintiff where they were left in the trunks til such time as an inventory could be taken of them so as to be fully accounted for in a settlement to be made thereafter with the plaintiff that said trunks were in fact in the keeping of the plaintiff though this respondent held the keys thereof and the said trunks and goods were placed there with the consent of the plaintiff he being present and assenting to that disposition of them: the office aforesaid was near the store when the said plaintiff had just before been selling goods but having quit the business he moved his books &c just across the road to the office aforesaid where the plaintiff transacted all the business connected with his late mercantile affairs. Said goods were most of them not very saleable an old stock that the plaintiff had had on hand in his store for several years and had passed in all probability from one concern to another for many years as the firms changed at the place (Pea Town) from time to time. These goods and all others had been priced by the said plaintiff who was an experienced merchant of some years while this respondent had no knowledge whatever (acquired in that way) of the value of goods. He had supposed the plaintiff would of course deal fairly with him, but he is fully satisfied that the goods were priced so high that it was impossible to make much profit and a portion of them he was compelled to sell at cost or less particularly of the old stock.

That the goods in the trunks aforesaid were many of them taken out of the trunks by the said John Q A Wright in the absence of this respondent and sold by him - many of them. The trunks having either been broken open by the plaintiff or otherwise entered and upon this respondents going to the office and seeing the condition of the trunks and goods the said plaintiff said he would account for them. The stack of goods in the trunks was worth about \$300 and this respondent is very confident it was worth that sum from the estimates he made, but of which he has not a memorandum with him at this time but he thinks he has such a one at home. So it is the said John Q A. Wright has had the entire benefit of said surplus stock of goods which though of the value aforesaid was too small a stock to peddle with. This respondent in consequence of having no sufficient stock of goods to peddle with was compelled to return home about the middle of August and so lost the entire year almost (except when he was employed in peddling) from all other business that could pay any profit to him for that year.

This respondent says that he has paid the said John Q A. Wright in cash on account of the said concern or in articles equivalent to it the sum of about \$790 or upwards a list of which payments he here files. That the said Wright the plaintiff is properly accountable for the price of the trunks and goods as aforesaid of \$300. That besides this he this expenditure paid expenses (which had to be taken off before any profit was divisable) the sum of \$127.05 as will be seen by an a/c filed and that also there was or are now \$42.34 of bad debts which were made in making some credit sales & against which this respondent could not guard if he sold at all in that way.

This respondent insists that the business was unprofitable -that he realised no profit from it but was a loser and if good conscience is to govern in this case the said plaintiff should pay to this respondent a fair value for his services - and that he has over paid the said plaintiff what he is fairly entitled to. That the said plaintiff was not only bound to furnish the goods, but the capital was composed in part of a carry all and horse - that the said plaintiff was bound to furnish these things but only furnished the carryall. This respondent agreeing to furnish a horse as he did - the carryall has been retained by the said plaintiff since the business closed as his own property and therefore no charge for true is proper to be made against the said defendant

Now having fully answered he prays to be hence dismissed with his costs by him about his defence expended denying all fraud

In about April 1856 in File 679 the commissioner then filed the following report:

"In 1849 John Q. A Wright and Joel M Wright form a copartnership to sell goods as pedlars. John Q. A, was to furnish the goods and Joel M to sell and after the payments of expenses, they to be equal parters in the profits or loss - John Q. A. is to refunded the value of goods furnished the concern in the first place.

The defendant says in his answer that it was an unprofitable speculation and filed what he says is a list of sales, amounting to \$900 (paper marked S) But from the depositions of L. H Clayton and Wm B Jones it would seem that he admitted that it was a profitable speculation. It is supposed that as he has rendered no full. of his transactions, that it must charged with the amount of goods furnished by John Q. A. Wright, and credited, by said sums as he has paid

As there is some doubt whether this view is correct I have made alternate statements

On September 27, 1856, in File 679 Joel M. Wright requested a continuance to secure a witness, but John Q. A. Wright objected on the grounds that the motion was for the purpose of delay and that Joel M. Wright was becoming insolvent:

"Virginia County of Bedford to Wit

This day Joel M. Wright came before me a Justice of the Peace in and for the County aforesaid and made oath that Joseph Heller is a material witness for him on the trial of a suit on the Chancery side of the Circuit Court of Bedford in the name of John Q. A. Wright against him and that he has been unable until within the last month to ascertain the place of his the said Heller's residence so as to take his deposition and now he does not know the particular place but has learned that he resides in the State of California. He has made every effort to find out the exact place of his residence but has not been able to do so since he was informed that he lived in California. He deems him a very material witness in said cause and he cannot prove the same facts by any one else that he knows of. If the cause aforesaid is continued he thinks he will be able by the next time to obtain his evidence. Given under my hand this 27th of September 1856

Ro. G Bell J.P.

I do not think this case ought to be continued on the facts stated in the within affidavit. The Bill was filed in March 1855 an a/c ordered at the April term 1855, a/c taken and returned April, 1856, and the a/c stands now without an exception to it. Nothing is heard of the materiality of the witness Heller until the case is called for trial more than 18 months after the bill is filed

The within affidavit does not show a case of proper diligence it merely states that the affiant has been unable to ascertain the residence of the witness until within the last month, that since he has ascertained that he resided in California he has used every effort to find out the exact place of his residence but has not done so. There is no statement that for the 18 months previous he had made any effort to find out his residence. I think it is merely an effort to get a continuance simply for delay. My client thinks it important to have the case tried this term as the

defendant is in failing circumstances and he thinks if the case is continued he will lose his demand by reason of the insolvency of the deftt. The case stands on the a/c to which there is no exception.

On October 2, 1856, in File 679 and at Bedford County, Virginia, Chancery Court Order Book 3/384 the court approved the commissioner's report and subject to an additional credit ordered payment by the defendant:

"1856 October 2nd

This day this cause came on again to be heard on the papers formerly read and the report of Commissioner Wharton made in pursuance of a decree in this cause at a former term, to which report there is no exception. On consideration whereof the Court approving said report doth confirm it but the plaintiff being willing to allow the defendant an additional credit of Twenty six dollars and eleven cents for a carryall, and a statement having been made at the bar marked A on which the said sum of Twenty six dollars and eleven cents is credited, and which statement shows a balance due the plaintiff of Seventy dollars and ninety two cents, as of the 1st May 1850. And the Court approving said statement A. doth adjuge, order and decree, that the defendant Joel M. Wright do pay to the plaintiff John Q. A. Wright the sum of Seventy dollars and ninety two cents with interest after the rate of six per centum per annum from the 1st day of May 1850 till paid, and that the said defendant do pay to the plaintiff his costs by him about his suit in this behalf expended."

Our Kin stated that John Quincy Adams Wright was a soldier in the Civil War, was born about 1826, and died in Lynchburg of typhoid fever on his way home from the army on July 22, 1862, and that his wife Mary Gilbert Williamson was born about 1831 and died on August 4, 1860, at Paris, Texas.

From the evidence set forth above and additional evidence set forth below the children of 1862 John Quincy Adams Wright of Bedford County and Mary Gilbert (Williamson) Wright were the following:

- 1) Jonathan W. Wright, and
- 2) Mary Rebecca (Wright) Johnson, born in November 1855 at Bedford County, Virginia.

I. Jonathan W. Wright

Jonathan W. Wright was a son of 1862 John Quincy Adams Wright of Bedford County and Mary Gilbert (Williamson) Wright. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, 1840 John<sup>3</sup>, 1862 John Quincy Adams<sup>4</sup>)

The will of John Q. A. Wright dated September 14, 1861, and probated on December 22, 1862, at Bedford County, Virginia, W.B. 9/146 listed Jno. W. Wright as one of his children:

". . . . Secondly. I wish to my son Jno W Wright the folowing Negroes to wit, Frank, Louiza and their child Mahaly and any increase she Louizer may have, to be valued to my son . . . ."

On December 28, 1863, at Bedford County, Virginia, Chancery Court File 6547, David M. Newsom and Susan E. (Williamson) Newsom filed a complaint for the sale of certain negro slaves which had been allocated to J. W. Wright and Mary R. Wright in the division as heirs of John Gibbs:

"To the worshipful the Justices of the County Court of Bedford in Chancery Sitting

Humbly complaining shew unto your worships your orator and Oratrix David M Newsom and Susan E. his wife formerly Susan E. Williamson that John Gibbs late of this County departed this life after having first made and published his last will and testament, that altho' the said testator made his will which has been duly admitted to probat in Bedford County Court yet he died intestate as to a portion of his property and on a division of the slaves there fell to your Orator and Oratrix and Mary R. Wright and J. W. Wright grandchildren of said John Gibbs two slaves a woman about 60 years old and a boy about 14 years old, that the said Mary R. Wright and J. W. Wright are infants under the age of twenty one years, and the two negroes cannot be divided in kind and must be sold for distribution. To the end therefore that justice may be done in the premises Your Orator & Oratrix pray that the said Mary R. Wright and J. W. Wright be made defendants to this suit and compelled to answer the allegations hereof by a Guardian ad litem to be assigned them for that purpose May it please your worships to decree a sale of said slaves and that the proceeds be divided one share to your Orator & Oratrix and one share to each of the infant defendants Grant process &c & all such other & further relief as the nature of this case may require & equity and good conscience dictate & as in duty bound they will ever pray &c

Johnson pq."

In December 1863 at Bedford County, Virginia, Chancery Court File 6547, A. A. Arthur, as guardian ad litem of J. W. Wright and Mary R. Wright, filed his answer to the complaint submitting the matter to the court.

Mary Rebecca (Wright) Johnson was a daughter of

1862 John Quincy Adams Wright of Bedford County and Mary Gilbert (Williamson) Wright. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, 1840 John<sup>3</sup>, 1862 John Quincy Adams<sup>4</sup>)

The birth record of \_\_\_\_ Wright was dated on November 13, 1853, at Bedford County, Virginia, and listed the following information:

"Name of Child:	____ Wright
Date of Birth:	November 13, 1853

Father's Name: Jno. Q. A. Wright

As will be set forth below, this was the birth record of Mary Rebecca (Wright) Johnson.

The will of John Q. A. Wright dated September 14, 1861, and probated on December 22, 1862, at Bedford County, Virginia, W.B. 19/146 identified Mary Rebecca Wright as one of his children:

On December 28, 1863, at Bedford County, Virginia, Chancery Court File 6547, David M. Newsom and Susan E. (Williamson) Newsom filed a complaint for the sale of certain negro slaves which had been allocated to Mary R. Wright and J. W. Wright in the division as heirs of John Gibbs:

In December 1863 at Bedford County, Virginia, Chancery Court File 6547, A. A. Arthur, as guardian ad litem of Mary R. Wright and J. W. Wright, filed his answer to the complaint submitting the matter to the court.

c. Mary L. (Wright) Kasey, Her Husband James C. Kasey, And Her Descendants

Mary L. (Wright) Kasey was a daughter of 1840 John Wright of Bedford County and Sally (Hardy) Wright. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, 1840 John<sup>3</sup>)

The 1830 Census for Bedford County, Virginia, listed the youngest female in John Wright's household as aged 0 to 5, indicating a birth date for Mary of between 1825 and 1830.

The will of 1840 John Wright dated August 24, 1839, and probated on March 23, 1840, at Bedford County, Virginia, W.B. 10/204 listed Mary L. Wright as his daughter:

". . . 4th I give and bequeath unto my Daughter Mary L Wright my two Boys, Andy and Tom, also my Girl Lucy, and one new side saddle now in my house, Three new Bed quilts, and one needle worked white Counterpane, and the value of the colt bequeathed to my son Robert, in cash, . . . ."

In September 1840 at Bedford County, Virginia, County Court Order Book 27/113 James Wright was appointed guardian for Mary S. Wright and James O. Wright, orphans of John Wright:

"Ordered that James Wright be appointed Guardian of Mary S. & James O. Wright children of John Wright Deceased. And thereupon he together with Joel Wright his security, entered into and acknowledged a bond in the Penalty of \$7,000. Conditioned according to law."

On December 25, 1843, at Bedford County, Virginia, W.B. 11/424 James Wright filed an accounting for his ward Mary L. Wright for the period April 10, 1840, through December 31, 1843, which showed payments to Miss E. Taylor for tuition, to Mrs. Henriques for board and tuition, and to John B. Pate for school:

The Condition of the above Obligation is such, That whereas, a Marriage is shortly intended to be had and solemnized, between the above bound James C. Kasey and Mary L. This record identifies Mary L. Wright as the daughter of John Wright. If Mary was at least 16 years of age at the time of her marriage, her date of birth would be probably before 1829. The consent by her guardian to the marriage indicates that she was under 21 years of age at the time of marriage, suggesting a birth date of probably after 1823. Since 1840 John Wright resided in Bedford County all of his life, her place of birth was probably at Bedford County, Virginia.

The 1845 Land Tax List for Bedford County, Virginia, listed Mary L. Wright with the following property:

In obedience to an order of Bedford County Court, I have proceeded to settle the account of James O. Wright with James Wright his guardian as above stated - many of the articles now furnished by the Guardian himself, and in consequence of that circumstance he has no vouchers, but being of small amount and appearing to be reasonable they are allowed. None of the hires included in this account are collected, but believed to be good. Respectfully submitted.

This record is clearly for James O. Wright, even though he is listed as James A. Wright, and indicates that he was born in about 1830 and that Mariah (Shumaker) Wright was born in about 1832.

On September 21, 1851, in Bounty Land Warrant #36647-80-50 James Wright, the nephew of 1840 John Wright, filed an affidavit for bounty land, for the purpose of obtaining bounty land for 1840 John Wright's minor child James O. Wright by reason of the military service of 1840 John in the War of 1812:

"Virginia Bedford County to wit

On this 20th day of September 1851 personally appeared before me a justice of the peace within and for the County and State aforesaid James Wright aged 57 years who being sworn according to law declares that the within named John Wright deceased was his uncle. That he the said James Wright and his uncle, John Wright volunteered at what was called Gills old Field in Bedford County Virginia to serve as for an indefinite term under Captain Walter Otey who commanded the company of Cavalry, that they marched from Bedford into service about the last of August 1814 and served as was then called as videbts marching and reconnoitering the section from Richmond to Hampton Tappahannock Yorktown and Williamsburg \_\_\_. They were commanded by one Major Woodford, they marched from the 10th Regiment Bedford and he learns from other sources that the company stood as being attached to the 4th Brigade and 1st Division attached to the 4th Brigade. So it is he knows positively that the said John Wright served faithfully and was honourably discharged about the 22nd of February 1815 having been in service about six months. He knows that the said John Wright died about the 20th of March 1840 leaving no widow that survives him and that the only minor child of the said John Wright deseased is

the said James O. Wright who is now under twenty one years of age is now and was on the 28th September 1850, the only minor child under the age of twenty one years of the said John Wright deceased, which said minor child James O. Wright was born on the 19th day of October 1830. He makes these declarations for the purpose that his said ward James O. Wright may receive the benefit and obtain the Bounty land to which the the said James O. Wright as the only minor child of John Wright deceased, may be entitled to under the act of the 28th September 1850. And he still further states that he has no reason to believe that the said John Wright deceased, is his minor child James O. Wright the foresaid claimant has ever before received or is now entitled to receive any Bounty Land under any previous act of Congress hearbefore passed.

John Q. A. Wright

Sworn to and subscribed before me the day and year above written and I hearby certify that being well acquainted with the said John Wright in his life time and with the said John Q. A. The birth record of Walter C. Wright, son of James O. And Mariah L. Wright, was dated on August 14, 1855, at Bedford County, Virginia, and listed the following information:

On July 6, 1858, at Bedford County, Virginia, D.B. 40/55 James O. Wright acted as trustee on a deed of trust executed by James T. Franklin to secure a debt due to Peter M. Wright, Sr.

On June 14, 1860, James O. Wright obtained a summons from the Superior Court of Law and Chancery, Lynchburg, Virginia, in connection with a complaint in File 1794 against Richard A. Lee on a surety bond dated December 21, 1855:

"To the Hon: H. H. Marshall Judge of the Circuit Court for the City of Lynchburg.

Your orator James O. Wright, respectfully shows to your Honor that on the 21st day of Decr 1855 he became surety for a certain mercantile firm by the style of R. A Lee & Co. in a bond for the sum of \$473.30 payable on demand to a certain John M. Morehead, with interest from the date thereof, which was the said 21st Decr 1855 The said R. A. Lee & Co consisted of R. A. Lee, and John B. Lee, his brother, and were engaged in the mercantile business at Pea Town in the County of Bedford. In executing the said Bond, the said R. A. Lee, subscribed the firm name of R. A. Lee & Co thereto thus merging the legal remedy on the said Bond against the said John B. Lee. After the execution of the said bond, to wit in the year \_\_\_\_ the said John B. Lee, who was a merchant in the City of Lynchburg and a man of large estate departed this life, and Benj. P. Walker duly qualified as administrator upon his estate. Your orator charges that the said R. A. Lee was a man without means, and that the said business of R. A. Lee & Co was set up with the assistance of the said John B. Lee, who became a partner therein, for the purpose of rendering assistance to his less fortunate brother. When the said Jno M. Morehead the holder of the said bond became impatient for the payment of it, the said R. A. Lee could not pay it either out of the said effects of R. A Lee & Co. (of which indeed there may not at the time have been any) or out of his individual effects of which there certainly were none. He was individually at that time and has been ever since, and is now wholly insolvent and irresponsible. Under these circumstances, your orator, being unwilling to incur the costs of a suit against himself upon the said bond proceeded to pay off the same, by paying on the 4th September 1858 the sum of \$300 and on the 4th of January 1810, the balance principal and interest of \$270.22 or will appear by an endorsed statement on the said bond, made by H. C. Dickinson Esq. the attorney of Morehead who collected the same. The said Bond is herewith filed marked (A) Your orator further represents that at the time he thus paid off the bond aforesaid as surety for R. A. Lee & Co he was indebted to them in a small amount of \$\_\_\_\_ and afterwards on the 21st June 1860, he had a settlement with R. A. Lee, by which it appeared that after

applying the offset aforesaid the said R. A Lee & Co were indebted to him on account of the said Bond in the balance of \$520.15 of which settlement and the result of it the said R. A. Lee gave your orator a memorandum in writing which is herewith filed signed by him. It is marked (B.)

R. A. Lee, the survivor of R. A. Lee & Co. as well as that concern is wholly insolvent. Under these circumstances your orator is worried that his remedy against the said B. P. Walker Administrator of John B. Lee deceased is in a Court of Equity.

Being remediless save in a Court of Equity your orator prays that the said B. P. Walker Admr of John B. Lee, and the said R. A. Lee be made parties defendant to this Bill and be required to answer all and singular the allegations thereof as fully as if thereto specially interrogated. And the premises considered, your orator prays that a decree be rendered in his favor, for the amount due him as aforesaid against the said B. P. Walker as admr of John B. Lee, and the said R. A. Lee. Let the Commonwealth writ of subpoena issue, and grant to your orator all such other and further relief, as is agreeable to equity, and the nature of his case shall require. And your orator will Ever pray &c

On or about November 26, 1872, Mariah L. Wright, the widow of James O. Wright, filed a complaint in Bedford County, Virginia, Chancery Court, File 6595, for her dower interest in 91 acres of land sold by her husband to Edward W. Dearing:

"To the Honble John A. Wharton Judge of the County Court of Bedford County.

Humbly complaining sheweth unto your honor your Oratrix Maria L. Wright that she is the widow of James O. Wright who died on the 23rd day of January 1872, and to whom she was married on the \_ day of \_\_\_\_\_; that during said coverture her said husband was seized in fee simple of a tract of land lying in the

County of Bedford containing 91 acres allotted to him by Commissioners appointed according to law to divide the real estate of John Wright deceased father of said James O. among his devisees of whom said James O. was one. The tract allotted to said James O. is fully described by metes and bounds in the report of said Commissioner which was duly confirmed according to law and is of record in the County Court of Bedford County Will Book K pg 397 a certified copy of which description and boundaries is herewith filed marked A and prayed to be taken as part of this bill. The will of said John Wright proven according to law is also of record in same Court and in same book pg 204 and a certified copy thereof will be herewith filed if required and marked B.

Said tract of 91 acres was some time in the year 1859 sold by said James O. Wright deceased, at the price of \$30 per acre to one Edward W. Dearing who was then put in possession thereof by said James O. Wright and has ever since and now holds possession thereof under said sale.

Your Oratrix charges that she has never relinquished her right to dower in said land and that such right has never been barred in any manner.

In consideration whereof and being without remedy save in a court of equity, your oratrix prays that said Edward W. Dearing be made party defendant to this bill and required to answer the same on oath, that your honor will assign to her the dower to which she is entitled in the land aforesaid, and award her such damages for the detention thereof as may be just and equitable that the proper accounts be taken and that your honor will grant your oratrix such other further and general relief as she may be entitled to and your oratrix will ever pray &c

For answer to said bill this respondent says it is true he purchased of the late husband the tract of 91 acres of land in the bill mentioned, at about the time stated in the bill, but has never received any conveyance therefor But he claims that he is entitled to relief from the supposed dower right of said pet. on the terms prescribed by the 12' Section of Chapter 110 of the Code of Va (Edition of 1860) and if in fact she is entitled to dower in said land, he prays that this Court may grant him relief from the recovery thereof, on the terms prescribed by the said section. 9. 1842 Joseph Wright Of Ralls County, Missouri, His Wife Aga (Brown) Wright, And His Descendants

1842 Joseph Wright of Ralls County, Missouri, was a son of 1803 John Wright of Bedford County and Elizabeth (Pate) Wright. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>)

The will of 1803 John Wright dated August 11, 1803, and probated on September 26, 1803, at Bedford County, Virginia, W.B. 3/3 listed Joseph Wright as one of his children.

". . . . Ninthly I do give to my son Joseph a negroe boy named Isaac, to be his own property at my wife's Death Also Ten pounds in the hands of Henry Hurt, I do also give to him one hundred and Sixty three Acres Land being the whole of a Tract purchased by me of Jehu Meador . . . ."

The 1804 Personal Property Tax List for Bedford County, Virginia, listed Joseph Wright Junr with the following household on July 28:

Date of Receiving Lists from Individuals	Persons Names Chargeable With The Tax	No of White Males above 16	Blacks above 12 years old	Blacks above 16 years old	Horses Mares Colts and Mules
July 28	Joseph Wright Junr	1			2
Ordinary Licence	Stud Horses	Rates of Covering by the season	Coaches Chariots &c	other Riding 4 Wheel riding Carriages	Chairs &c

The reference to Joseph Wright, Jr., in this case is with the meaning of a younger Joseph Wright, rather than a son of Joseph Wright. 1842 Joseph Wright's uncle 1815 Joseph Wright would be the Joseph Wright, Sr., in this case. The previous year's Personal Property Tax List had also listed a Joseph Wright, Jr., but that was 1860 Joseph Wright of Columbiana County, Ohio, the son of 1831 Joseph Wright of Columbiana County, Ohio. Both 1831 Joseph Wright and 1860 Joseph Wright had moved to Ohio in 1803. The result is that the Joseph Wright, Jr., of this listing was 1842 Joseph Wright, the son of 1803 John Wright, as he first established his own household.

The 1805 Personal Property Tax List for Bedford County, Virginia, listed Joseph Wright with the following household on May 29:

<u>Date of Receiving Lists from Individuals</u>	<u>Persons Names Chargable with the Tax</u>	<u>No of White Males above 16</u>	<u>Blacks above 12 years old</u>	<u>Blacks above 16 years old</u>

If James Wright and Agy Brown were at least 16 years of age at the time of their marriage, their dates of birth would be probably before 1789.

After their marriage Joseph and Aga Wright moved from Bedford County, Virginia, to Breckenridge County, Kentucky and then to Ralls County, Missouri.

On September 19, 1806, at Bedford County, Virginia, D.B. 12/102 Joseph Wright, Jr. and Aga, his wife, of Breckinridge County, Kentucky, sold the 163 acres devised to him by his father's will:

The legal description of this land is the same as that of Bedford County, Virginia, Deed 11/938 dated October 7, 1799, by which 1803 John Wright purchased 163 acres from John and Nancey Meadowe:

". . . one certain Tract or parcel of Land in the County of Bedford and on the branches of fallen Creek and Beverdam Creek and containing one Hundred and Sixty three Acres be the same more or less and adjoining the Lands of William Andersons Matthews Pate Samuel Olerphent Ebenezer Brown and John Pane and the Corsses as followeth to wit Begening at Wevers corner Pine Thence off South twelve degrees East one hundred & Seventy two poles to a Pine North Eighty three degees West forty two poles to a white Oak North fifty degrees West forty poles to a white Oak South Sixty four Degrees West twenty poles to a white Oak North Sixty two Degees West Thirty two poles to a pine North fifty two degrees West forty four poles to a pine North five degrees west one Hundred and Thirtey four poles to a pine in Summons Line on the said Line North forty three degees East One hundred and Thirty six poles to his corner Pine off South Thirty six degrees fifty poles to a Pine in Wevers line thence along the said line South five degrees East One Hundred poles to the first Station . . . ."

The similarity of the legal descriptions of Deeds 11/938 and 12/102 clearly identify the Joseph Wright who married Aga Brown as the same Joseph Wright who was the son of 1803 John Wright.

On March 23, 1807, at Bedford County, Virginia, D.B. 13/452 a writ was issued to examine Aga Wright regarding her consent to Bedford County, Virginia, Deed 12/102 and Aga Wright released her dower interest:

Mrs. Pauline Wright in The Wright Book listed Joseph Wright's date of birth as June 1, 1785. Since 1803 John Wright was residing in Bedford County in 1785, the place of birth would be probably at Bedford County. Mrs. Wright also stated that Joseph and Aga (Brown) Wright moved to Ralls County, Missouri, in 1819, and had the following children:

- 1) Peyton,
- 2) Carson,
- 3) John A.,
- 4) William C.,
- 5) Scott,
- 6) Agness,
- 7) Rhoda, and
- 8) Elizabeth.

Mrs. Parker's corrections to Our Kin included a citation to National Historical Magazine (DAR), Vol. LXIII, #1, p.63, listing Joseph Wright and Aga Brown as going to Ralls County, Missouri, and also listing the names of their children.

The will confirms some of the children of Joseph Wright and Aga (Brown) Wright as listed in The Wright Book, but does not mention Carson Wright and states that Aggy Wright Hildreth was the daughter of Jesse Hildreth and, therefore, probably a granddaughter of Joseph and Aga (Brown) Wright. The children would, therefore, be the following:

- 1) Elizabeth (Wright) Berm,
- 2) Rhoda (Wright) Briggs,
- 3) Peyton P. Wright,
- 4) William C. Wright,

- 5) John A. Wright,
- 6) Scott Wright,
- 7) Possibly Jesse (Wright) Hildreth, and
- 8) Possibly Carson Wright.

In her letter dated June 17, 1988, Esther S. Connors stated that Scott Wright's name was Scott Brown Wright.

From the evidence set forth above and additional evidence set forth below the children of 1842 Joseph Wright of Ralls County, Missouri, and Aga (Brown) Wright were the following:

- 1) Elizabeth (Wright) Berm or Benn, born about 1806,
- 2) Rhoda (Wright) Briggs, born about 1808,
- 3) Peyton P. Wright, born about 1810,
- 4) William C. Wright, born about 1811 or 1821 at Missouri,
- 5) John A. Wright, born about 1812,
- 6) Scott Brown Wright, born about 1815 or 1819 at Breckenridge County, Kentucky, or at Missouri,
- 7) Aggy (Wright) Hildreth, born about 1813, and
- 8) Possibly Carson Wright.

The will also identified her husband as Oscar Berm or Benn. The will was dated 1842 and if Elizabeth was at least 16 years of age when she married, her date of birth would be probably before 1827. Since no female children were listed in the Joseph Wright household in the 1830 Census, Elizabeth's date of birth would also be probably before 1815.

Mrs. Connors also stated that William S. Wright:

" . . . was in the Civil War, serving for the Union. When he returned from the war he got a pension and retired, never to work again. According to a family realtive who remembers him, he used to sit in the yard and smoke all the time, and there was a great pile of matches around his sitting spot."

In his letter dated July 17, 1988, Mr. James Ferguson included the same information as Mrs. Connors regarding the William S. Wright family.

iv. 1883 James Weston Wright of Chautauqua County, Kansas, His Wife Mary Ann (Beerbower) Wright, And His Descendants

1883 James Weston Wright of Chautauqua County, Kansas, was a son of 1865 Scott Brown Wright of Putnam County, Missouri, and Susan Emily (Ledford) Wright. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, 1842 Joseph<sup>3</sup>, Scott<sup>4</sup>)

In her letter dated June 17, 1988, Mrs. Esther S. Connors stated that James Weston Wright was a son of Scott Brown Wright and Susan Emily (Ledford) Wright, was born in 1845, married Mary Ann Beerbower on March 18, 1866, at Schuyler County, Missouri, and was murdered on May 18, 1883, circumstances unknown, at Hale Chautauqua County, Kansas, and was buried at Chautauqua County, Kansas, that Mary Ann (Beerbower) Wright was born on October 18, 1846, died on May 21, 1910, and was buried at Chautauqua County, Kansas, that they had the following children:

v. Susan Ellen (Wright) Morrow, Her Husband John S. Morrow, And Her Descendants

Susan Ellen (Wright) Morrow was a daughter of 1865 Scott Brown Wright of Putnam County, Missouri, and Susan Emily (Ledford) Wright. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, 1842 Joseph<sup>3</sup>, Scott<sup>4</sup>)

In her letter dated June 17, 1988, Mrs. Esther S. Connors stated that Susan Ellen (Wright) was a daughter of Scott Brown Wright and Susan Emily (Ledford) Wright, was born on January 13, 1847 in Putnam County, Missouri, married John S. Morrow on July 29, 1860 in Putnam County, Missouri, died on January 3, 1933, and was buried in the Rose Cemetery, Putnam County, Missouri, that John S. Morrow was born in 1843, and that they had ten or fourteen children.

In his letter dated July 17, 1988, Mr. James Ferguson included the same information as Mrs. Connors regarding the Ellen (Wright) Morrow family and additionally stated that Ellen (Wright) Morrow and John S. Morrow had ten children, including the following:

- 1) Tobe Morrow;
- 2) James Morrow;
- 3) Mart Morrow;
- 4) Omar Morrow; and
- 5) Betty (Morrow) Kelley.

g. Aggy (Wright) Hildreth, Her Husband Jesse Hildreth, And Her Descendants

Aggy (Wright) Hildreth was a daughter of 1842 Joseph Wright of Ralls County, Missouri, and Aga (Brown) Wright. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, 1842 Joseph<sup>3</sup>)

The will of 1842 Joseph Wright did not expressly identify \_\_\_\_ (Wright) Hildreth as a child of 1842 Joseph Wright, but it did provide for a gift to Jesse Wright's daughter Aggy Wright Hildreth. This suggests a grandparent relationship with Aggy and in turn a father-in-law relationship to Jesse.

In his letter dated January 15, 1992, Jay B. Wright enclosed family group sheets from James Ferguson which stated that Aggy Wright was a daughter of 1842 Joseph Wright of Ralls County, Missouri, and Agness (Brown) Wright, was born about 1813, and married Jesse Hildreth.

From the evidence set forth above the only child of Aggy (Wright) Hildreth and Jesse Hildreth was the following:

1) Aggy Wright Hildreth, born before April 14, 1842.

I. Aggy Wright Hildreth

Aggy Wright Hildreth was a daughter of Aggy (Wright) Hildreth and Jesse Hildreth. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, 1842 Joseph<sup>3</sup>, Aggy<sup>4</sup>)

The will of 1842 Joseph Wright did not expressly identify Aggy Wright Hildreth as a grandchild, but did identify her as a child of Jesse Hildreth.

h. Possibly Carson Wright

Carson Wright was possibly a son of 1842 Joseph Wright of Ralls County, Missouri, and Aga (Brown) Wright. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>, 1842 Joseph<sup>3</sup>)

The Wright Book and Mrs. Parker's corrections to Our Kin listed Carson Wright as a child of 1842 Joseph Wright, but further research will be required to confirm this identification.

10. Ruth (Wright) McGeorge, Her Husband William McGeorge, And Her Descendants

Ruth (Wright) McGeorge was a daughter of 1803 John Wright of Bedford County and Elizabeth (Pate) Wright. (1763 Thomas<sup>1</sup>, 1803 John<sup>2</sup>)

The will of 1803 John Wright dated August 11, 1803, and probated on September 26, 1803, at Bedford County, Virginia, D.B. 3/13 listed Ruth Wright as one of his children:

". . . . Tenthly I do give to my daughter Ruth one negroe Girl named margaret, Also one hundred and thirty five Acre Land Securing (Joining?) Henry Hurt, Anderson Wheler and Elijah Clarke also one black mare, Bed & furniture . . . ."

The marriage bond of Ruthy Wright, daughter of Elizabeth, and William McGeorge was dated on May 30, 1810, at Bedford County, Virginia, with John Wright as surety:

"Bedford County 26th May 1810

It is hereby certified that I have consented William McGeorge enter into marriage with my daughter Ruthy you will therefore please grant him a licence and Oblige

To The Clerk of Bedford  
Witness  
John Wright

Know all Men by these presents that We William McGeorge & John Wright are held and firmly bound unto John Tyler Esqr. Governor or chief Magistrate of the state of Virginia in the sum of One hundred and fifty Dollars current money of Va for the true payment of which to the said Governor or his successor for the use of the state, we bind ourselves and each of us our and each of our heirs &c jointly and severally firmly by these presents sealed with our seals and dated this 28th day of May 1810 - The Condition of the above Obligation is such that whereas there is a Marriage shortly intended to be had and solemnized between the above bound William McGeorge & Ruthy Wright - Now if there be no lawful cause to obstruct the said Marriage then this Obligation to be void else to remain in full force and virtue

Signed Sealed & Acknowd ) Wm McGeorge  
In presence of ) John Wright"

Since 1803 John Wright was dead at the time of this marriage, Elizabeth was properly listed as the parent of Ruthy Wright and the John Wright acting as surety was probably Ruthy Wright's brother 1840 John Wright.

The 1810 Census for Bedford County, Virginia, listed one William McGeorge with the following members of his household:

<u>Males</u>	<u>Age</u>	<u>Females</u>	<u>Age</u>
1	16-26	1	16-26

The 1820 Census for Bedford County, Virginia, listed one William McGeorge with the following members of his household:

<u>Males</u>	<u>Age</u>	<u>Females</u>	<u>Age</u>
1	26-45	1	26-45
1	10-15	4	0-10
1	0-10		

These two listings indicate a birth date for both William McGeorge and Ruth (Wright) McGeorge between 1784 and 1794. Since 1803 John Wright was residing in Bedford County between 1784 and 1794, the place of birth of Ruth was probably at Bedford County.

On April 3, 1821, in the Superior Court of Law and Chancery, Lynchburg, Virginia, File 1373, Elizabeth (Pate) Wright filed suit against her son 1840 John Wright for an accounting for the use of the slaves left to her by her husband 1803 John Wright. In his deposition dated October 5, 1821, in File 1373 John McGeorge stated that Elizabeth (Pate) Wright had moved in with William McGeorge:

". . . . That he rembers Last Summer hearing John Wright tell his mother she might have corn or wheat or any any thing else he had to eat if she would send for it, That a few Days afterwards he heard Mrs. Elizabeth Wright say she was then Boarding with William McGeorge and that her sons John & Tommy had all her negroes and she was not able to go for any thing . . . ."

The deposition of John Jeter dated October 8, 1821, in File 1373 expanded on that move:

"On the third day of march last being at the dwelling house of Mrs Elizabeth Wright, and the day of her removal from the same, her son John Wright came in, and before any other person came in. Ther arose a talk about her moving, John Write askd her why she was agoing to leave her home;; she said she had no home. John askd why, or whether he offered to deprive her of her preasant home; she answered that he had not. But it was not will'd to her. John told her that it was his fathers intention for her to live at that place and in that house her lifetime and that he had forgotten to mention it or it was neglected by the writer. I therfore assure you before Mr Jeter that I never will take it from you nor suffer any other person to take it, or interrupt you at it so long as you and I live;; And it would be a satisfaction to me for you to stay, and be satisfy'd, you shall keep Jude and her Children as you have done, And when you want any other of the Boys you shall have them, to do any thing you want them to do. if you will let me know when you do want them; And I will (as I have done) keep you in all of the necessaries of life that you stand in need off About this time came people with a carriage and in the course of the day mov'd her household and kitching furniture

to Capt. William MGeorge's, And after the most of the furniture was moved off, ther was somthing said about the stock John told his mother that as she would gow he was willing for her to take two-thirds of the stock, but one-third of the stock was his, that he should keep it, but he thought that, as there was rough food plenty, she had better let the cattle and sheep stay where they were, til the food came in the woods, and he would feed them. . . ."

The next deposition in File 1373 was of John McGeorge on May 8, 1822, and provided as follows:

"This deponant sayeth that he was at the house of John Wright that the plaintiff was there and demanded the Stock of him and that he agreed to give her two thirds of the Cattle and hogs and part of the sheep and part of the wool after they where shorn, the plaintiff Replied that she was ready and then wished to take one or two of the milk cows, to which the deft. John Wright Returned no answer. This deponant further saith that he was present when William McGeorge as agent for the plaintiff demanded a negro man Peter, and other property which the deft. had said he would give up at any time, that the said William McGeorge informed him that he was prepared to give him good security for the same, and that Joseph Wright advised him to give up one negro to wait on his mother. to all of which the defendant Replied that he had counsel of his own and that he should not give up any of the property except a table that he wished to retract that.

Quest 1st by the Deft.

Did not you aid William McGeorge in Removeng the plaintiff to his house.

Answer. I did but had no interest in so doing and was living with said Wm. McGeorge at that time.

Quest 2d by the same. Did you think the plaintiff was satisfied on breaking up and leaveing me.

Answer. I think she was, for she replied that she could not nor would not live with you any longer and further this deponant sayeth not

John McGeorge"

The next deposition in File 1373 was of William Holladay on May 9, 1822, and provided as follows:

"This deponant saith that he has always lived a near neighbour to John Wright & his mother Elizabeth Wright and has frequently resorted the house and always

found John Wright and his mother to Live in peace and harmony and always thought he treated her with the utmost kindness On the 16th of November 1820 he saith he was at that time at John Wrights and says at that time that he and Capt William McGeorge who married the youngest daughter of the plaintiff fell in conversation respecting some negros now in possession of John Wright Capt McGeorge told me that if he had of had as good Luck with his as John had with his he would of had nearly as many as he had and think it as unjust for him to claim a part of John Wrights as for him to claim a part of his and this deponant further saith that Capt William McGeorge said he would not give one cent for the rite he had to John Wrights said negros

Question by the plff

Did I not say at the time the above conversation took place that I believed the negros ought to belong to the plff

Ans. I believe you did

William Holladay"

The next deposition in File 1373 was of Polly Richards on May 9, 1822, and provided as follows:

"And this deponant saith that She lived on the same plantation with John Wright and his mother in the year Eighteen Hundred and Eighteen and always discovered that the said John found Every thing nessesary for the support of Life as she frequently resorted the house an saith that she always thought said John Wright treeted his mother with the utmost tenderness & regard that in the course of the said year she says she heard Elizabeth Wright say she was spinning flax for Ruthy McGeorge her youngest daughter She further saith that she saw said plff knitting stocking for Ruthy McGeorge's children and said she had knit them a pare a peace this deponant further saith that she was imployd her self to spin Eight pounds of flax for said Ruthy McGeorge & that after she had spun the flax she had to spin she askd this plff mother of the said Ruthy McGeorge if Mrs. McGeorge had the ballance of her flax spun and the plff Mrs Wright answerd she had for she spun it her self and that she had sent for a twist at a time till she had obtaind and spun it all for said Ruthy McGeorge Daughter to the plaintiff Mrs. Wright And this deponant further saith that she and Ruthy McGeorge fell in conversation during the said year concerning there situation and this deponant was complaining of her own situation as respecting her having no person to help her to support her family and saith the ruthy McGeorge daughter of the plaintiff said if it ware not for her mother she and William McGeorge could not keep house And this deponant further saith that she was the same year imployd in making up the negro clothing which consisted of negro cotton

Question by Pliff

Did not the plaintiff pay you for making the negroes cloths above namd - Ans.  
She did pay me in spun yarn out of the house

Polly X Richards"

The next document in File 1373 was an agreement that Elizabeth Wright and William McGeorge would not carry the slave Peter out of the state of Virginia and provided as follows:

"Whereas by the last will and Testament of John Wright Decd late of Bedford County, he devised unto his son Anthony Wright a Certain negro fellow by the name of Peter to be his property at the Death of the Testators wife but to be the property of the Testators wife During her lifetime, and John Wright Junr. having purchased the Reversionary Right of the said negro, wee bind ourselves Our Heirs &c that the said negro shall nott be carried out of the State of Virginia by any Conveyance or Consent of ours during the life of the Testaors wife, and then shall be Delivered to the said Jno Wright or those claiming under him as wittness our hands this 30th day of December 1822, the Said negro boy has never been Delivered to us since the institution of the Suit of Elizabeth Wright against the said John Wright and Tommy Wright till the date above written as wittness our hands and Seals to the above date &c

The suit was settled by an agreement between Elizabeth (Pate) Wright and her son 1840 John Wright. After the death of Elizabeth (Pate) Wright in about 1844 further litigation was commenced.

On or about January 25, 1844, William McGeorge and Ruth (Wright) McGeorge filed a further complaint in the Bedford County, Virginia, Chancery Court, File 413, regarding the estate of 1803 John Wright:

"To The Honourable Daniel A. Wilson Judge of The Circuit Superior Court of Law & Chancery holden for the County of Bedford

The Bill of Complaint of William McGeorge and Ruth his wife formerly Ruth Wright Respectfully represents unto your Honour, That John Wright the father of your Oratrix departed this life on the \_\_\_\_ day of \_\_\_\_ 1803 having first made

and published his last will and Testament which was found and admitted to record in the County Court of Bedford in the \_\_ day of September 1803 and Elizabeth Wright (the widow of the said John) and Tommy Wright & John Wright the Executrix and Executors named in said will (having first entered into bond in the penalty of \$10.000. with Anthony Wright Joel Shrewsbury & Thomas Logwood as their securities conditioned according to law) qualified as such Executrix & Executors according to law (as will more fully appear by office copies of the said will & probat & of the executorial bond aforesaid herewith exhibited marked \_\_\_\_ ) and took upon themselves the burden of the execution of the said will.

Your Orator & Oratrix further represent that shortly after the death of the Testator the executrix & executors took into their possession the whole of the estate of their Testator and caused an appraisement of the personal property of said estate to be made which amounted to the sum of £953.13.5 including slaves and to the sum of £503.13.5 exclusive of the slaves as will more fully appear by an office copy of the same herewith exhibited as part of this bill marked

Your Orator & Oratrix further represent that by the will aforesaid the said Testator gave to your Oratrix a negro Girl named Margaret a Tract of Land & Horse & Bed, To Tommy Wright a negro called Tye to be his own property at the death of Testator's wife To his son Anthony Wright a negro boy Peter upon the same condition & terms To his son the said John Wright a negro boy named Sam & a negro woman named Milly to be his property at the death of his (testator's) wife To his son Joseph Wright a negro boy named Isaac to be his own property at the death of Testators wife to his daughter Betsy a negro Girl named Jude upon the same terms and after various other devises and bequests he devised & bequeathed to his wife Elizabeth Wright as follows viz. "I do will to my well beloved wife all my money in hand or owing to me by notes bonds or accompts Together with all my stock of every kind Household & Kitchen furniture with all my negroes that is grown &c her life time then to be divided as above, Whatever stock should be in hand at my wife's death I do will shall be equally divided between John Joseph & Ruth being my three youngest children "as will more fully and at large appear by the said will herein before referred to

Your Orator & Oratrix are advised that by a fair & proper construction of the said Will That the Testators daughters Nancy Asbury, Rhoda & your Oratrix took a present interest & right in the property specifically devised & bequeathed to them immediately upon the death of the testator, and that the other devises and legatees took no right or interest in the property specifically devised & bequeathed to them until the termination of the life estate of the Testator's wife (except such of them as to the delivery of whose legacies was discretionary with the Testators said wife whose right & property commenced whenever she chose to deliver over the legacies bequeathed at her discretion) and that those legatees

are only entitled to the property specifically bequeathed to them at the time when their right of possession to the same accrued and no more and that as to the increase of the slaves Rachael, Jude Hannah & Milly in the will mentioned from the death of the said Testator to the times when the several specific legatees of the said slaves would under the provisions of the said Will be entitled to the same whatever that increase may have been belonged to and was part of the estate of the Testator and was & is subject to be divided among his heirs at law according to the statute of descents. And as to all the other personal chattels of the said Testator not otherwise disposed of by the said Will, that the said John Wright Joseph Wright & your oratrix became entitled to the same as the residuary legatees of said Testator

Your orator & oratrix further represent that for a few years (some two or three) after the death of the Testator the said John Wright resided with the said Elizabeth in the capacity of manager after which the said John Wright took possession of all of the estate of the said Testator and took the management of the whole matter into his own hand only allowing his mother the said Elizabeth a support from the profits of the same and applied all the residue of the annual profits of said Estate to his own use. They further represent that this state of things continued for several years between the said John & his mother when she became dissatisfied with the compensation paid to her by the said John for the use of the estate bequeathed & devised to her for life as aforesaid and the said John being unwilling to pay her what she deemed a fair compensation for the use & profits of the said estate or to restore the possession of the same to her She finally in the year 1821 instituted a suit in the late Superior Court of Chancery for the Lynchburg District against the said John Wright & his Co-Executor Tommy Wright to recover the possession of the Estate so devised & bequeathed to her for life as aforesaid and of the profits thereof whilst the same had remained in the possession of the said John Wright upon which such proceedings were had that on the 27 day of October 1823 a decree was pronounced in said cause requiring the said John Wright to deliver to the said Elizabeth all the estate of the said John Wright Decd upon her executing bond & security Conditioned for the forthcoming of said property at her death and for making just compensation to the defendants for any loss or injury which might happen to the said furniture stock or slaves or their increase which might happen by the misconduct or negligence of the said Elizabeth as will more fully and at large appear by the copies of the bill of the said Elizabeth answers of said John & Tommy and proceedings in the said suit herewith exhibited as part of this bill marked \_\_\_\_\_

Your Orator & Oratrix further represent that after the decree aforesaid was made the said John Tommy & Elizabeth Wright entered into a compromise whereby it was agreed that the said Elizabeth should not give the bond required of her by the decree of the chancellor and that the said John should not be required to

surrender said estate or to account for its profits. In consideration of which it was agreed that the said John & Tommy Wright should convey or cause to be conveyed to the said Elizabeth an absolute title to the slaves Peter & Ben and Jude & her children, and to support her during her life and accordingly the said slaves were conveyed to her, the said Peter & Ben by the said John Wright & the said Jude & her children by Joel Wright the son of said Tommy & in behalf of the said Tommy (the said Tommy having before that made over his property to said Joel by deed of gift). The said Tommy & John claimed the slaves Peter & Jude as having purchased the same from the persons entitled to them as remainder under the will of the said John Wright Decd after the death of said Elizabeth and pretended to claim the said Ben & the children of Jude because they were the children of Negro women slaves to which they would be entitled either as specific legatees or as purchasers of specific legatees after the death of said Elizabeth (notwithstanding they were born before they became entitled to their mothers and notwithstanding the will had made no bequest of the issue of the slaves born during the life estate and had expressly limited the life estate as to such slaves as were grown & directed those particular slaves to be given to the specific legatees at the death of the said Elizabeth showing clearly that the Testator did not intend to dispose of the issue of the female slaves born pending the life estate of his wife to the persons who would be entitled to their masters at the termination of the life estate). And the said John was to hold the residue of the said Estate during the life time of the said Elizabeth and at her death was to account to the residuary legatees for the stock & perishable estate of the said Testator

Your Orator & Oratrix are advised that the said Elizabeth Wright the widow of the Testator was entitled under the will aforesaid to nothing more than the use of the property devised & bequeathed to him during her natural life and was bound to keep up the stocks of Hogs Cattle Sheep Brood Mares &c so as to render the same at her death to the remaindermen in the same condition she received them from the Testator's estate and that for the crop on hand at the Testator's death over & above a sufficiency for the family and for all the stock & perishable property sold by her and principal of all money collected by her her Estate at her death was liable to the residuary legatees before named and that in as much as it was the duty of the said John & Tommy Wright to have required bond & security of the said Elizabeth for the forthcoming of said property at her death (and more especially as they were required to take such bond by the decree aforesaid) If they had the said property themselves or delivered it over to said Elizabeth without such bond They are bound to account for the same to those entitled in remainder

Your orator & oratrix further charge that the said Elizabeth & the said John & Tommy Wright sold & disposed in one way & another of a large portion of the stock & other property devised & bequeathed to said Elizabeth for life (without

any manner of necessity for so doing so far as the estate of their Testator was concerned) and applied the proceeds thereof to their own use - and they are advised that the said Elizabeth Wright's Estate & the said John Wright's Estate & Tommy Wright are now accountable to the legatees of the said John Wright the Elder for the value of the same. They further charge that the said Anthony Wright by some agreement between him & the said Elizabeth & John & Tommy Wright or some of those became possessed of two or three valuable Horses belonging to the estate of the said Testator & used & disposed thereof to his own use well knowing that they belonged to the said Testator's estate & That the said Elizabeth had only a life estate therein and they are advised that the said Anthony as well as the said Executors is liable to account to the legatees of the said Testator for the value of the same

Your Orator & Oratrix further charge that the said Exectrix & Executors have never at any time rendered an account of their administration of the estate of the said Testator and that upon a fair settlement of their accounts a large amount would be found due from them to the estate of their Testator

Your Orator & Oratrix further represent That about twelve months after the death of the said John Wright the elder Joseph Wright one of the legatees of the Testator took into his possession against the consent of the said Elizabeth the slave given to him at the death of the said Elizabeth and without the consent & contrary to the wishes of the said Elizabeth carried him to the state of Kentucky and had the use & profits of the said slave ever after. Your Orator & Oratrix are advised that the said Joseph in his life time & his estate since his death is liable and ought to be herd to account for the hires of the said slaves from the time the said Joseph got possession of him until the death of the said Elizabeth.

Your Orator & Oratrix further represent that the said Elizabeth Wright departed this life on the \_\_ day of \_\_\_\_\_ 1842 intestate and that administration on her estate has in due form of law been committed to Nicholas Robertson high Sheriff of this County. That the said John Wright the younger also departed this life on the \_\_ day of \_\_\_\_\_ having first made & published his last will & testament whereof the said Joel Wright and one James Wright were appointed executors who have duly proved the same in the County Court of Bedford & taken upon themselves the burthen of the execution of the same

Your Orator & Oratrix further represent That after the compromise of the Chancery suit is herein before stated and after the said Elizabeth had become liable to make good to the legatees of the said John Wright the elder the value of the legacies given to them as aforesaid at her death and after she had become responsible for a large amount which would be due to the Estate of her husband at her death and after she had attained to near ninety years of age and her mind had become greatly impaired & enfeebled so as to render her incapable of

making contracts or doing business the said John Wright in his life Time & the said Tommy Wright & Joel Wright procured her in the year 1834 to make to them deeds of gift whereby they promised to themselves a conveyance of all the slaves which she had acquired under the contract of compromise herein before mentioned when she was of sound understanding as will more fully appear by copies of the said deeds of conveyance from the said Elizabeth to the said John & Joel Wright herewith exhibited as parts of this bill marked \_\_\_\_\_ whereby she would be effectively deprived of the means of meeting the liabilities which she had incurred to the legatees under the will of her husband

Your Orator & Oratrix are advised that these deeds if they should be deemed good & effectual to pass a Title to the donees of any of the said slaves (which they deny) would not be efficient to pass any Title at all to the said donees of the slaves Ben & the five children of Jude namely Jim Susan Peter Dicey & Mary (all of whom were born after the death of the Testator & during the life time of the said Elizabeth) \_\_\_\_\_ them for the life time of the said Elizabeth, But that they and the other slaves the increase of the female slave specifically bequeathed as aforesaid born under similar circumstances belong to and are liable and ought to be divided among the heirs of the said John Wright Sr Decd and that their right to the same accrued immediately upon the death of the said Elizabeth But if they are mistaken in this they are advised that the said deeds are void and inoperative as to all the creditors of the said Elizabeth Wrights estate and that the said slaves ought to and will be held liable in the hands of said donees for all the demands for which the said Elizabeth was responsible as Executrix on as tenant for life under the will aforesaid. They charge that at the time of the execution of the deeds of gift aforesaid the said Elizabeth had incurred all the liabilities for which her estate would be responsible & liable to pay at her death. And that the property so conveyed by the said deeds was all that she possessed of any value. And they are advised that she could not rightfully give away her property and have those who would have just demands against her estate at the time of her death unpaid, and that the said donees will not be countenanced in this court in holding the same against those who have just demands against the said Elizabeth Wright's estate.

Your Orator & Oratrix further represent that the said Sarah Wright intermarried with William Wheeler both of whom now reside out of this state That the said Betsy Wright intermarried with Wm Corley & the said Polly Wright intermarried with Joseph Hopper all of whom likewise reside out of this state. That the said Rhody Wright intermarried with Henry Hurt & survived her husband and has departed this life intestate since the death of her said husband and the said Joseph Wright has likewise departed this life intestate and administration on both of their estates has likewise been committed to the said Nicholas Robertson High Sheriff as aforesaid and the said Thos Dogwood has also departed this life & one Thos Sale is his Executor Your Oratrix and Orator charge that the actings

and doings of the said Elizabeth John Tommy Anthony Joel & Joseph Wright and their confederates in the premises are oppression contrary to equity & good conscious and tend greatly to this injury & oppression of your Orator & Oratrix who are without remedy at law & only relevalbe in equity where matters of this sort are properly cognizable. To the end therefore that they may obtain that relief to which they are entitled they pray that the said Tommy Wright Anthony Wright Joel Wright & James Wright as well in their own right as executors of the said John Wright the younger Nicholas Robertson as administrator of the said Elizabeth Wright Decd as administrator of the said Joseph Wright Decd and as administrator of the said Rhody Hurt Decd William Wheeler & Sarah his wife Nancy Asbury William Corley & Betsy his wife Joseph Hopper & Polly his wife and Joel Shrewsbury & Thomas Sale Executor of Thomas Logwood Decd may by the proper process be made Defendants to this bill and compelled on their several corporal oath full true & perfect answers to make to all the allegations herein contained. That the said Tommy Wright & Joel Wright & James Wright may especially answer and say whether the slaves Milly & Jude in the will of the said John Wright the elder mentioned did not have children after the death of the said John the elder & before the death of the said Elizabeth let them say how many children each of the said negro women Milly & Jude bore after the death of the said John & during the life time of the said Elizabeth Wright let them set forth & discover the names ages & sex of those negro children and the names of the person or persons who may have any of them in possession ? \_\_\_\_\_ let them also set forth & discover how the said negroes have been disposed of if any of them have been sold let them set forth by whom and at what price or prices?

That the said Tommy Wright & Joel & James Wright Executors of the said John Wright the younger Decd & Nicholas Robertson admrs of the said Elizabeth Wright Decd & the said William Wheeler & Sarah his wife and the said Joseph Hopper & Polly his wife may expressly answer and severally say whether the slaves Rachel (given to the said Sarah when the said Elizabeth Wright might think proper to deliver the same) & the slave Hannah given to the said Polly when the said Elizabeth Wright might think proper to deliver the same, did not have children born after the death of the said John Wright the elder & before the said Rachel & Hannah were respectively delivered to the said Sarah & Polly by the said Elizabeth and if so how many did each of them have what are the names of the children so born of each of the said negro women? how they were disposed of and who has them now in possession? and if they do not know who has the possession of them now let them state who last had the possession of them or any of them within their knowledge

And finally the premises considered may it please your Honor to compel the said Tommy Wright & the said Joel Wright & James Wright as Executors of the said John Wright the younger & the said Nicholas Robertson admrs of the said Elizabeth Wright Decd to render an account of the administration of the estate of

the said John Wright the elder before one of the Commissioners of this Court. That an account may also be taken of the issue of the slaves Milly & Jude born after the death of the said John Wright the elder and during the life time of the said Elizabeth and also of the issue of the slaves Rachel and Hannah born after the death of the said John Wright and before they were delivered over to the said Sarah Wheeler & Polly Hopper & of the profits & hires of the same since the death of said Elizabeth. that such of the issue of said slaves so born as aforesaid as may be had or may be delivered up and divided in just proportions among the heirs & distributees of the said John Wright the elder & that the said Tommy Wright & Joel & James Wright Executors of the said John Wright the younger & Nicholas Robertson admr of the said Elizabeth Wright Decd and their securities in the executorial bond aforesaid be compelled to account for & pay over the value of such of them as may not now be forthcoming. That the same parties be compelled to pay over to your orator & oratrix one third of the value of the perishable estate of the said John Wright the elder Decd at the time of his death with interest thereon from the time of the death of the said Elizabeth also items just proportion of whatever balance may be found and upon the settlement of the executorial account aforesaid. That the Deeds of Gift aforesaid to the said John Wright the Younger & Joel Wright may be set aside & decreed to be delivered up to be cancelled and the slaves Jude and Peter be decreed to be sold and their proceeds applied to the payment of such liabilities as shall appear against the estate of the said Elizabeth and the residue distributed among his heirs at laws. That the said Nicholas Robertson as administrator of the said Joseph Wright Decd be compelled to account for the heirs of the slaves Issue from the time the said Joseph got him into his possession to the time of the death of the said Elizabeth That an account of the value of the Horses & other property obtained by the said Anthony Wright from the said Elizabeth or either of said Executors as aforesaid which belonged to the estate of the said John the elder be taken before said Commissioners and the said Anthony be compelled to pay the value of the sum with interest thereon from the death of the said Elizabeth to your orator & oratrix & the other residuary legatees of the said John Wright the elder. That it may please your Honor to award the \_\_\_\_ order of publication against the said absent Defendants and grant to your orator & oratrix the Commonwealth's writ of subponina commanding &c and all such other & further relief as the nature of this case may require and the principles of equity and good conscience dictate and as in duty bound they will ever pray &c

Wingfield & Johnson Esq."

The proceedings in this matter are set forth in full in the section on 1803 John Wright above and are set forth only in part here again.

On October 2, 1844, in File 413 Anthony Wright filed his answer to the complaint:

"To the Honorable Daniel A Wilson Judge of the Circuit Superior Court of Law & Chancery for the County of Bedford

The Separate Answer of Anthony Wright both in his character as security of the Extrix & Extors & Legatees of Jno Wright to a Bill of Complaint exhibited against him and others in your Honorable Court by William McGeorge and Ruth his Wife. This Respondent Saving & reserving to himself all proper exceptions to the complainants Bill to so much thereof as he is advised it is necessary for him to answer answereth and saith that it is true that John Wright by his last Will and Testament appointed his wife Elizabeth Wright his Executrix and his sons Tommy and John Wright his Executors and that Your Respondent together with Thomas Logwood and Joel Shrewsbury were the security and it is also true that the said Executrix & Executors took upon them the burden of executing the said Will and within a few years after letters Testamentary were granted to them they paid all the debts of their Testator and all the legacies and bequests authorized by the said Will (as he has understood and beleives). It appears from the Bill and answers in the case of Wright vs Wright exhibited by the complainants with their Bill that all the debts & legacies had been paid at that time (in the year 1821) and that the Chancellor by his decree pronounced in that case on the 27th of October 1823 substantially decides that the execution of the said Will in the payment of debts and legacies had been completes because he decrees that the Executrix was entitled to the use and enjoyment of the balance of the estate of John Wright for life and decreed to her the possession of it, during her life, which he could not have done as long as any of the debts or legacies remained unpaid, as the payment of them was charged upon the very property thus decreed to the Executrix for life by the last will & Testament of the said John Wright. The execution of the said will, must therefore be considered completed and the said estate settled up at the date of the said decree (if not long before that time) and more than 20 years having elapsed before the institution of this suit, and no claim having been prefered against the said Executrix & Executors by any creditor or Legatee the presumption is conclusive that they have all been paid off & settled; Indeed if any such claim should now be set up it would be barred both by the lapse of time and the Statute of Limitation of Which Your Respondent claims the benefit as fully and completely as if he were specially to plead the Statute of Limitations in \_ to any recovery of him in this case. Your Responent is advised that as one of the security of the said Executrix and Executors he is only bound for their faithful execution of their Testators Will in the payment of his debts & legacies, and the delivery of the balance of his estate to his Executrix, to whom it was bequeathed for life; and if the complainants construction of said Will be true that the said Executrix only took a life estate in the whole of said bequest, and was bound at her death to account to her Testators estate for the whole amount of the principal of the Bequest which came to her hands, and the whole of the increase of the slaves bequeathed to her for life, born after her Testators death. This would be no part of her execetorial duty and your Respondent and

her other security could in no way be bound for her faithful performance of it, as their responsibility by the conditions of their Bond ceased the moment that the debts and legacies of the said John Wright were paid and the residuary of his estate was turned over to the Tenant for life, your Respondent therefore claims the protection of the statute of Limitations against the claim now set up by the complainants as effectually as if he were to plead it specially

Your Respondent is advised that by a fair & liberal construction of the last Will & Testament of the said John Wright Decd all his money on hand or owing by bonds notes or accounts and house hold & kitchen furnature were absolutely bequeathed to his wife the said Executrix, that she took a life estate in all the negroes with their increase and stock of every other kind not otherwise disposed of by said Will, and at her death the said Negroes with their increase were to go to those Legatees to whom those of them in existence at the date of the said Will were bequeathed. The whole of said Will must be taken together for the purpose of ascertaining the intention of the Testator & from an examination of it, it is manifest that it was the intention of the Testator to divide his slaves as equally as he could in kind among his children giving to each of his sons a slave and a tract of land (& giving John two slaves, an old Woman & a small Boy about five years old, the two together not being worth more than the one he gave to the other sons) and to each of the Girls a slave & some other personal property, and to the Female Plaintiff (the only single daughter at his death) a tract of land in addition. The greatest difference made by the Testator in these bequests, was in giving to some of his children immediate possession (or possession at the discretion of his Executrix) of the slaves bequeathed to them whilst others of his children were not to get possession of the slaves bequeathed to them until the death of his Executrix to whom he bequeathed a life estate in the said slaves, but the Testator no doubt thought that this would not make much difference as the Executrix was at that time an old woman and in the common course of nature would not live many years; but in this he was mistaken for she survived him nearly forty years (living to the great age of near one hundred years) which made a much greater difference in the division of the Testators slaves no doubt than he intended; for whilst some of his children the Female Plaintiff and others, had the possession and use of the slaves bequeathed to them from the death of the Testator, Your Respondent & others did not obtain the possession and use of theirs for nearly forty years and it seems that the complainants are not even satisfied with this great disparity in their favor. As it had turned out, The Female Plaintiff was more liberally provided for by The Testator than any of his other children, she was left by the Will a valuable tract of land and the immediate use & possession of a very valuable negro girl besides a good deal of other personal property, more than their equal share of the estate had all the other children been put in possession of their devises & bequests immediately after the Testators death. The negro Girl has raised for them a large and valuable family of negroes of which & the valuable tract of land devised to the female Plaintiff the

complainants have had the use and enjoyment from a period shortly after the death of the Testator, and they are still not satisfied, but are seeking by this suit to take from those legatees who were deprived of the use and enjoyment of their slaves for near forty years after the Testators death, the increase of such slaves during that time, whilst they would kindly turn over to such Legatees the old slaves who will soon be a charge upon them, Your Respondent cannot believe that his Father ever intended to make such an unequal & unjust division of his slaves. If the Complainants construction of the said Will be correct, your Respondent is advised that they will be required by a Chancery Court to bring into hotch pot all that they have received before they can be entitled to participate in the distribution of the money bonds notes & accounts &c on hands & due to Testator at his death, and of the increase of the slaves since, and if it shall appear that they have received their full share of the whole of the Testators estate including the said money bonds, notes & accounts, and the increase of the said slaves, they will not be entitled to any more of the said estate except the one third of the stock which was on hand at the death of the Executrix. Your Respondent has understood and believes, that the Executrix left no stock of any kind at her death, and he believes that if the money, bonds & accounts which she received and the increase of the slaves in which she had a life estate between the death of the Testator & her death, now form a part of Testators estate not finally disposed of by his Will and therefore is subject to distribution according to the statute of descents, and all of the devisees & Legatees of the Testator be required to bring into hotch pot all that they have received of the Testators estate by advancement, or by devise & bequest, that it would appear that the complainants have received more than their full share of the whole of the Testators estate, including the said money, bonds notes & accounts & increase of slaves and therefore will not be entitled to recover any thing by their Bill. This Respondent believes that he would be greatly benefited as a distributee & Heir of John Wright, if the construction of his Will contended for by the complainants should prevale, because, whilst they have received by his Will (& have had the use & enjoyment of it since a short time after his death) a valuable Negro Girl a fine brood mare & colt & some cattle & valuable furniture and two hundred acres of Valuable land, which was afterwards sold (as this Respondent believes) for upwards of three thousand dollars; this Respondent only received from his Father in his life time a small tract of fifty acres of land, for which he paid \$200 mostly in property a bed & \_\_\_\_\_ not a (?) little furniture not worth more than \$20 which he received from his Extors; and a horse saddle & bridle & cow & calf given to him by his Father about the time of his marriage some years before his death. He was left a negro man Peter by the Will, at the death of his mother who was hired out or otherwise used by her for her support until her death, hence if the whole of his Fathers estate including the advancements for his life time & his devises & bequests to his children should now be brought into hotchpot together with the money on hands & bonds notes & accounts due at his death received by his Executrix and the increase of the slaves in which his Executrix had a life

estate and an equal division should now be made among all his Heirs & distributees, This Respondent believes that he would get as large if not larger share of the undivided property than any of them, but he does not believe that it was the intention of his Father to make such a disposition of his estate & therefore he does not claim it. This Respondent would further represent that some short time after the death of his Father he purchased of his Executors & Executrix a hipshod mare which belonged to his estate for which he paid them fifty dollars and he afterwards swaped a valuable young horse with John Wright for a colt which his mother gave him, the said John giving a boot of sixty dollars and this is all the property which he ever purchased or in any way acquired which belonged to the estate of his Father; for which he gave its full value. The Executors & Executrix, were authorized to dispose of such property to raise money to pay the debts & legacies & the expences of administration & the Executrix had a right to dispose of it for her own use, and is expressly required to account only for such stock as may be on hand at her death, so that this Respondent cannot now be required to pay again for property for which he paid its full value between 30 & 40 years ago, this he is neither legally nor morally bound to do and for his more ample protection he pleads the statute of limitations against this unjust claim of the Complainants.

This Respondent further answering would represent that the said executrix on the 19th day of January 1825 executed a deed of Trust to Thomas Davis by which she conveyed to him in trust to secure and save harmless this Respondent and his co-security four negro slaves Peter, Nick, Judah & Ben for whom she had obtained an absolute right by the compromise of the suit aforesaid of Wright vs Wright with her son John, who, with Joel Wright had sold to her the said slaves. The said deed of Trust was admitted to record in the clerks office of Bedford County on the 24th of January 1825, which is herewith exhibited marked A & prayed to be read as a part of this answer The said Executrix afterwards gave the said slaves Peter, Nick, Judah & Ben to the said John and Joel Wright, with a full knowledge on their part of the deed of Trust aforesaid who some time afterwards executed to this Respondent & his cosecurity the indemnifying bonds marked B & C which are herewith exhibited & prayed to be read as a part of this answer from which it will appear that the said John & Joel Wright have covenanted to indimnify & save harmless this Respondent & his co-securities as the Security of the said Executrix & Executors of John Wright Decd and pay all claims which may come against them as security as aforesaid & this Respondent now refers to them for the purpose of enabling your honor to decree against the said John & Joel Wright for any amount which he and the other security may be decreed to pay in this suit as the security of the said Executrix & Executors, which contingency he does not believe will happen, but he relies upon the aforesaid indemnities & claims the benefit of them, if contrary to his expectations it should happen. Having answered all that he is advised it is material for him to

answer Your Respondent prays that he may be hence dismissed with his costs in this behalf expended & he will ever pray &c

Filed by leave of Court Octr 2d 1844."

On November 25, 1844, in File 413 James Wright and Joel Wright filed their answer to the complaint:

"The separate answer of James Wright and Joel Wright executors of John Wright Junior deceased, to a bill of complaint exhibited against them & others in the honorable the circuit superior court of law & chancery for the county of Bedford by William McGeorge & Ruth his wife.

These defendants saving and reserving to themselves the usual privilege of all just exceptions to the errors &c in the said bill contained for answer thereunto, or unto so much and such parts thereof as they are advised, it in any way concerns them to answer, they answer & say. That it is true the said John Wright Senr. departed this life in the year 1803, having first made and published his last will and testament in writing, which was duly proved and recorded in the county court of Bedford, and that the said Elizabeth Wright the widow of said decedent, and Tommy Wright & the testator of these defendants qualified as the executrix and executors of the said John Wright senior at the time stated in the said bill - & the copy of the said last will and testament filed by the said complainants with their said bill is probably a true copy. They admit that the devises and bequests set out in the said Will are as they believe in accordance with the said will. They further admit that their testator on his part executed the executorial bond in such penalty, at such time, & to the purport mentioned in the said bill. But these defendants do not admit that the construction of the said will assumed by the said complainants is just and legal, on the contrary they insist, and are advised, that the construction contended for by the said complainants is plainly contrary as well to common justice, as to the laws and adjudications having force &

authority in this commonwealth. They are advised that in the construction of wills, it is a rule, that they should be most favourably expounded, to produce, if possible, the will of the testator, and that all the words of the will must be considered together to find out the testator's intention, and that intention must take place, unless contrary to the rules of law. Now it is most obvious from a careful consideration of all the provisions of said will, that the testator had two objects mainly in view - first, to make a suitable and comfortable provision for his wife the said Elizabeth Wright during her life - and 2nd. to dispose of his whole personal estate among his children, so as to make them all as nearly equal as he conveniently could, in view of the provision made for his wife, & the circumstances of his estate at the time of the publication of his will. It appears from the will that the testator owned only eleven slaves, & that he had ten children, it was therefore impracticable to give each of his children the immediate possession of one slave, and at the same time make a suitable provision for his wife. he therefore doubtless adopted the only plan of dividing his personal estate by his will, so as to produce something approaching equality among his children - hence he bequeaths to each of his children one slave, except his son John (these defendants' testator) to whom he bequeathed two - a woman of middle age & a small boy, as these defendants have heard and believe. To his three youngest children as was natural he gave each a tract of land and having probably advanced his elder children before he made his will. That the said will makes no mention of the issue of the slaves is wholly immaterial, because the testator was disposing of his whole estate, mainly by specific devises & bequests, to take effect immediately at his death. and as the said will does not allege that there was any slave born between the publication of the will and the death of the testator it is to be presumed there was no such birth - and the issue of the female slaves born after the death of the testator passed to the legatees entitled to the mothers of such issue under the provisions of the said will. These defendants are advised that if the plain intention of the testator is to be the rule of construction of his will. the following legatees, to wit, Tommy, Sarah, Anthony, Betsey, Polly, John, & Joseph, took a vested interest in remainder, at the death of the said testator, to the slaves bequeathed to them respectively. a life estate in the same slaves being first carved out & bequeathed to the testator's wife - That this is the just construction of the said will they are advised is made most manifest by considering the language of the bequests to the said legatees in connexion with the language of the bequest to the testator's wife - the language of the bequests to most of the said legatees may be stated in the following form "I give to" (the legatee) "my negro slave named \_\_\_\_ to be his (or her) own property at my wife's death". After disposing of all his slaves by name to his children he makes a bequest to his wife in the following words. "Lastly I do will to my well beloved wife all my money on hand or owing to me by notes, bonds, or accounts -together with all my stock of every kind, house hold & kichen furniture, with all my negros that is grown &c. her life time - then to be divided as above. Whatever stock should be on hand at my wife's death, I do will shall be equally

divided between John, Joseph, & Ruth being my three younger children." the words "then to be divided as above" refer clearly to the bequests made to his children Tommy, Sarah, Anthony, Betsy, Polly, John, & Joseph & when the terms of these bequests are considered thus corrected, the English language may be appealed to in vain for stronger words to express an intention on the part of the testator, to make an absolute and final disposition of his entire property and estate in the slaves comprehended in the said bequests - the right of each of the last mentioned legatees was as perfect to the slave or slaves bequeathed to him or her respectively at the death of the said testator, as it was at the death of his wife - the right of possession merely was deferred - the right of property was otherwise complete. They therefore deny that the increase of the slaves Rachel, Jude, Hannah & Milly belonged to and was any part of the estate of the said testator until the several specific legatees of the said slaves would under the provisions of the said will be entitled to the possession of the same.

These defendants are advised, and they contend that by the said will "all the said testators money on hand, or owing to him at the time of his death, and all his household and kitchen furniture" was bequeathed to his wife absolutely & unconditionally (subject of course to the payment of debts & legacies) - and that as to the testator's "stock of every kind" the intention of the testator was that his wife should have an unlimited use during her life, without being accountable to the residuary legatees for any portion of it if she had used the whole, as in fact she did. The indefinite terms of the bequest "whatever stock should be on hand at my wife's death" show that the testator was providing for a mere contingency, a naked possibility and utterly negatives the idea that the said Elizabeth was bound to keep up the stocks of hogs - cattle - sheep - brood mares, &c." These defendants do not admit that either the said Elizabeth, or the said John and Tommy Wright, or either or any of them sold & disposed of any property whatever, belonging to the estate of the said John Wright Senr. decd. (Whether devised or bequeathed to the said widow for life or not) without necessity for so doing and so they deny the accountability of the said Elizabeth Wright's estate, or the said John Wright Junrs estate, or the said Tommy Wright to the legatees of John Wright the Elder, or any of them for the value of the same.

These defendants have heard and believe that a suit in chancery was at one time pending in the Superior Court of chancery at Lynchburg, instituted by the said Elizabeth Wright against the said John & Tommy Wright & the bill, answers, decrees, orders &c referred to in said bill, may have been exhibited, filed, & made, as there stated and it may be true, and they believe it to be true, that before the final disposition of said suit, all matters in difference between the parties were settled by compromise, the terms of which are perhaps correctly stated in the said will - but these defendants do not admit that the said suit, or any thing therein decided, has any thing to do with this case, except to show (as may be seen by reference to the bill & answers) that at the commencement of

that suit (& probably long before) all the debts against the estate of John Wright the Elder had been paid and his estate distributed according to the provisions of his will.

It is true, they believe, that the executrix & executors never did make any formal settlement of their executorial accounts, and under the circumstances, they are advised that no such settlement was necessary: the debts being all paid and the estate wholly distributed according to the directions of the will, there was nothing to settle and these defendants are advised that their testator as one of the executors of the said John Wright the Elder had nothing to do with said estate after the distribution thereof. his duties and liabilities as executor, as well as the duties & liabilities of the other executor & the said executrix then ceased the widow of the said John Wright the elder held all the property in her possession not as the executrix of her deceased husband, but as a legatee under his will & even if the strange construction of the said will contended for by the said complainants should prevail they have no claims upon these defendants' testator, or the said Tommy Wright, or the said Elizabeth Wright as executors and executrix of the said John Wright the Elder decd. and as a prior effectual protection of the estate of their testator against the groundless claims of the said complainant attempted to be set up in their said bill, these defendants rely upon the great lapse of time and especially when the act of the General assembly entitled "an act for limitation of actions against persons acting in a fiduciary character, & their sureties, & for other purposes." passed the 8th of March 1820: and they pray to be allowed the benefit of said act to protect his estate against the claim or claims of the said complainants founded upon any actual or supposed liability or liabilities of their Testator either as one of the executors of the said John Wright the Elder decd. or as one of the sureties of the other executor or the said Executrix, as fully and to all intents & purposes as if the said act had been by them formally pleaded, in bar of the relief sought by the said complainants in their said bill.

These defendants further answering say that it is true, that on the 7th of december 1834 the said Elizabeth Wright by deed, founded upon both good and valuable consideration conveyed to their intestate all her interest in two slaves named Peter & Ben, she having a perfect right so to do as these defendants are advised but these defendants deny that at the time she made the said deed, her mind "had become so greatly impaired & enfeebled as to render her incapable of making contracts or doing business" - on the contrary they assert that although her mental faculties may have been impaired by reason of her advanced age, yet she was fully capable of making the said deed at the time the same was made and they furthermore deny that the said slaves are now, or ever were liable to the said complainants for any claim or demand which they have now, or ever had against the said Elizabeth Wright either as executrix of her deceased husband, or individually, because (among other reasons) they do not admit or believe that

the said complainants have now or ever had any such claim or demand against the said Elizabeth in any character.

These defendants as a further protection of their intestates estate against the claim or claims of the said complainants, here rely upon the act of the assembly entitled "An act for limitation of actions: for preventing frivolous & vexatious suit: concerning \_\_\_\_\_, & certain proceedings in civil cases" & pray to be allowed the benefit of said act as fully as if they had formally pleaded the same in bar of any and all the relief sought in the complainants' said bill.

These defendants further answering say - that the slave Milly is dead "leaving five children born after the death of John Wright the Elder & before the death of his wife - to wit - Jesse, (sold by their testator in his life time to Isaac James of this county & now in his possession) Ben, Frank, Andrew and John in the possession of these defendants as execution of the said John Wright Junr decd. The slave Judith (or Jude) had ten children between the death of the said John Wright the Elder & the death of his wife - to wit, Lucy, Mary (who is dead) George, Martha, Jim, Susan, Peter, Dicey, Nancy, & Edward - Lucy has had three children.

to wit, Winney, Jerry, & Green - Martha has had children only two or three of whom are now living, & the names of whom are unknown to these defendants - Judith, Lucy & her children, together with Jim, Susan, Peter, Dicey, Nancy, & Edward, are in the possession of the defendant Joel Wright. George is in the possession of Anthony Wright of this county & Martha & her children are in the possession of Henry H. Chapman of Roanoke. The slave Rachel was delivered when she was a girl & without children to William Wheeler the husband of Sarah Wheeler formerly Sarah Wright, to whom she was bequeathed by the said will, and the slave Hannah was delivered whilst a girl & without children to Joseph Hopper the husband of Polly the daughter of the said testator to whom she was bequeathed and having fully answered they pray to be hence dismissed with their reasonable costs and as in duty bound they will pray &c

On November 25, 1844 in File 413 Joel Wright filed his separate answer as an individual:

"The separate answer of Joel Wright to a bill of complaint exhibited against him & others in the circuit superior court of Law and Chancery for the county of Bedford by William Mc:George and Ruth his wife.

This defendant saving and reserving to himself the usual privilege of all just exceptions to the errors &c in the said bill contained for answer thereunto, or unto so much and such parts thereof as he is advised it concerns him to answer he says - That he admits that the said John Wright the Elder died in the year 1803, having first made and published his last will & testament in writing which was duly proved and recorded in the county court of Bedford - that his widow Elizabeth Wright qualified as executrix, & his sons Tommy Wright & John Wright Junr: qualified as executors of the said decedent at the time stated in the said bill, & that the copies of the said last will & testament, and of the executorial bond of said Executrix & executors filed with the said bill are perhaps true copies of the same. But he does not admit that the construction of the said will contended for by the said complainants is the true construction thereof. He is advised that the testators widow, the said Elizabeth, under the said will took a life estate in the slaves bequeathed to her, with remainder in absolute property to the legatees to whom the same slaves were by the said will severally bequeathed - in other words the said testator's children Tommy, Sarah, Anthony, Betsy, Polly, John, & Joseph took a present estate at the death of the said testator in absolute property, to the slave or slaves bequeathed to them respectively subject to the life estate of the said Elizabeth in the same slaves. The fact that the said testator directed in his will that his daughter Sarah should receive the slave Rachel, & that his daughter Polly should receive the slave Hannah whenever his wife (the said Elizabeth) thought proper did not diminish her interest in those slaves to less than an estate for her life. She might whenever "she thought proper" have relinquished her interest in the other slaves bequeathed to her for life to the persons entitled thereto in remainder, and the right of the persons so entitled in remainder, to receive the said slaves as their "own property", would have been as perfect by such relinquishment, as by the death of the said Elizabeth. This defendant therefore denies that the increase of the slaves Rachel, Jude, Hannah, & Milly belonged to, and were any part of the estate of the said testator, until the several specific legatees of the said slaves, would under the provisions of the said will be entitled to the possession of the same.

This defendant further answering says that as respects the other bequests to the said Elizabeth, they are advised that by a fair construction of said will, she, after the payment of debts and legacies, took under the said will, an absolute estate in the money, debts, furniture & stock bequeathed to her - the legacy of the stock alone being subject to a remote and improbable contingency provided for in said will that is to say "whatever stock should be on hand at his wife's death should be equally divided between John, Joseph, and Ruth" &c.

This defendant further answering says that it is true the said Elizabeth Wright, on the 14th day of december 1834, by deed of that date did convey to this defendant the slaves Jude (Judah) & her five children, Jim, Susan, Peter, Dicey, & Nancy - which deed was founded upon both a good & valuable consideration but he denies that at the time she made the said deed her mind had become so greatly impaired and enfeebled as to render her incapable of making contracts or doing business - he charges that at the time she made the said deed, she was fully capable of making contracts and doing business, notwithstanding her mind may have been impaired by her advanced age.

This defendant further answering says that even if the construction of the said will contended for by the said complainants should prevail, they submit it to the consideration of this honorable court, if the right of action of the said complainants, if any such they have, or ever had, (which is here denied) did not accrue to them at the moment the said Elizabeth ceased to hold the said slaves and other property bequeathed to her under the said will - he insists therefore, in this view of the subject, that his right to the slaves in his possession, claimed by the said complainants in their said bill is protected by the act of limitations, upon which he relies, & prays to have the benefit thereof as fully as if he had formally pleaded the same in bar of the complainants said claim.

In relation to the other matters and things contained in said bill which it is necessary this defendant should answer unto he refers to the joint answer of himself and his co-defendant James Wright executors of John Wright Junr decd: to the same bill - and he here adopts the statements of the said answer as his own individual answer to all such statements & interrogatories of the said bill necessary for this defendant to answer & as are not here particularly responded to, and so having fully answered he prays to be hence dismissed with his reasonable costs and as in duty bound he will pray &c

Nicholas Robertson, as administrator of the estate of Elizabeth Wright, also filed his separate answer in File 413:

"The separate answers of Nicholas Robertson admr. of Elizabeth Wright decd. to a bill of complaint exhibited against him & others in the honourable the circuit superior court of law and chancery for the county of Bedford by William McGeorge & Ruth his wife

This defendant saving & reserving to himself the usual privelege of all just exceptions to the errors &c in said bill contained for answer thereunto, or unto so much and such parts thereof as he is advised it in any way concerns him to answer he says - That he knows nothing of his own knowledge of the several matters & things contained in the complainants said bill relating to the transactions of his intestate as the executrix of the said John Wright decd - or relating to the transactions of the other executors of the said John Wright decd. He is advised and believes that the construction of the will of the said John Wright the elder decd contended for by the answer of James Wright & Joel Wright executors of John Wright Junr. decd. in their answer to the said bill is the just, proper, & correct construction of the said will and he avers that it ought to be so construed. he therefore adopts the said answer so far as it relates to the construction of the said will, & he denies that the opposite construction of the said will contented for by the said complainants in their said bill is correct - & he requires proof of all and every allegation in the said bill tending to fix any manner of liability upon the estate of his intestate.

The said defendant further answering says that in bar of the claims asserted by the said complainants in their said bill against his intestate individually or as executrix of the said John Wright the Elder decd. he relies as well upon the act of the assembly entitled "an act for limitation of actions for preventing frivolous and vexatios suits concerning \_\_\_\_\_ & certain proceedings in civil cases" as upon the act of the assembly entitled "an act for limitation of action against persons acting in a fiduciary character and their sureties, & for other purposes" passed the 8th day of March 1826: and prays that the full benefit of the said acts of the assembly may be extended to him as the administrator of the said Elizabeth in the same manner and to the same extent as if the same were here more formally pleaded - for this defendant has heard and believes that the affairs of the estate

of the said John Wright the Elder were all settled up & the property distributed according to his will more than ten years before the exhibition of said will to wit, before the year 1820 and that since the year 1820 & probably several years before, his intestate, as he believes & charges, has held no part of the estate of the said John Wright the Elder as his executrix, but on the contrary, she has held all the slaves & other estate & the increase thereof mentioned in the said will as a legatee under the will of the said John Wright the Elder deceased - and therefore her liability at the time of her death (if any liability there was (which he does not admit) was as tenant for life of such property and not as executrix. and having fully answered he prays to his hence dismissed with his costs & as in duty bound he will pray &c.

On October 9, 1845, in File 413 Joel Shrewsbury filed his separate answer to the complaint:

"The separate answer of Joel Shrewsbury to the bill of complaint exhibited against him, and others in the Circuit Superior Court of Law and Chancery for the County of Bedford by William McGeorge, and Ruth his wife.

This defendant saving &c for answer says: That he admits the probate of the will of John Wright deceased in the bill mentioned, and that he became one of the securities of Elizabeth Wright, Tommy Wright, and John Wright in the bond executed by them as executrix, and executors of the said Will and he presumes the alleged copy of the said bond filed with said bill is a correct copy.

This defendant further answering states, that he wrote the said will, and from the declarations of said testator made at the time said will was being written knows that it was the intention of the said testator that his legatees to whom slaves were in said will specifically bequeathed, subject to his widow's life estate therein, or to be delivered whenever she thought proper, should be entitled respectively to the issue of such slaves born after his death. This defendant conceives that such is the just, and correct construction of said will as it is written, avers that it ought it to be so construed, and denies that the opposite construction, contended for in the bill, is proper, or correct. He has no personal knowledge of the transactions stated in the bill as having occurred after the probate of said will, and the qualification of said executrix, and executors, and

therefore does not admit any, or either of the allegations of said bill alleging said transactions, or any, or either of them to be true, and so far as he is to be affected thereby requires proof of all said allegations. He denies that he is either legally, or equitable liable to pay the plaintiffs any sum, or sums of money whatever in consequence of his securityship aforesaid for the said executrix, and executors. In bar of the claims asserted by the plaintiffs in their said bill this defendant relies upon the great lapse of time which has occurred and especially upon the act of the General assembly of this Commonwealth entitled "an act for limitation of actions against persons acting in a fiduciary character, and their sureties, and for other purposes" passed the 8th day of March 1826, and prays that the full benefit thereof may be extended to him in the same manner and to the same extent as if the said act was more formally pleaded by him.

Having thus fully answered this defendant prays to the to be hence dismissed with the Costs &c

On March 8, 1847, in File 413 Thommy Wright filed his answer to the complaint:

"The separate answer of Thommy Wright to a bill of complaint exhibited against him and others in the circuit superior court of law and chancery for the county of Bedford by William McGeorge & Ruth his wife.

This defendant for answer unto said bill of unto so much and such parts thereof as he is advised it concerns him to answer he says. It is true he qualified as one of the executors of the said John Wright the Elder decd: but he never acted as such, & never had any portion of said decedent's estate real or personal in his possession as executor. This defendant believes and charges that the other executor & executrix in said Will named administered the said estate and paid out and delivered over the same according to the true intent and meaning of the said decedents last will and testament, arose than twenty years before the institution of this suit by the said complaints. This defendant further answering says that in bar of the claims asserted by the said compainants in their said bill against this defendant either as one of the executors of the said John Wright the Elder decd: or as one of the securities of the other executor and executrix, or against this defendant individually, he relies as well upon the act of the assembly entitled "an act for limitation of actions against persons acting in a fiduciary character, and their sureties, & for other purposes", passed the 8th of March 1826 as upon the act entitled "an act for limitation of actions for preventing problems & vexatious suits concerning \_\_ fails, and certain proceedings in civil cases" and prays that the full benefit of the said acts of the assembly may be extended to him in the same manner and to the same extent as if the same were here more formally pleaded.

On September 14, 1847, in File 413 the counsel for Anthony Wright filed his note in the case:

"McGeorge & Wife) Note of Anthony Wrights Counsel  
vs )  
Wrights & als ) In chancery

The Bill in this case ought to be dismissed as to the Defendant Anthony Wright with costs. On September 1803 Anthony Wright united with the Exors & Executrix of John Wright in the execution of an exetorial bond, in which the said Anthony was only bound as security, and an attempt is now made in this suit brought more than 40 years after the date of said bond to make him responsible as one of the security of said Executors & Executrix. In his answer he relies upon the statute of Limitations and it is a complete bar to any recover of him. He is also charged in the Bill with one or two hours which it is alleged the received of the Executrix forty years ago. In his answer he admits that a short time after the death of his Father John Wright he purchased of his Executors & Executrix a hip shod mare which belonged to his esState, for which he paid \$50 & he afterwards swaped a valuable young horse with the Executor for a coal which his mother gave him & received sixty dollars from him as a boot between his fine young horse & said colt, which is all the property he ever received from the Executor & Executrix & for which he gave its full value. He denies the right of the Plaintiffs now to call upon him to account for it & pleads the statute of limitations. It is very clear that the Executors & Executrix were authorized by the Will to dispose of the personal property & if they were not the purchaser of this property could not be required to account for it after the lapse of 40 years to the plaintiffs & if they ever had any just demand against the Defendant Anthony Wright (which is denied) it is completely barred by the Statute of Limitations which is plead & relied upon. I think by a fair interpretation of the last will & Testament of John Wright he made an absolute bequest to his wife and Exutrix of all his money on hands or owing to

him by bonds notes or accounts together with all his stock of every kind household & kitchen furniture Subject to this restriction alone, that & whatever stock should be on hands at his wifes death shall be equally divided between John Joseph & Ruth, who can take nothing by this devise or bequest, if the old lady as is stated in the bill left no "stock on hands" at her death; at all events the Exutrix was entitled to a life estate in all the personal property after the payments of the debts & legacies all of which were paid off prior to 1820 when the Exeutrix was entitled to the remainder of the estate for life, and her security in her Exutorial bond are in no way bound for the preservation or forthcoming of any part of said personal property, it is therefore clear that the plaintiffs Bill ought to be dismissed as to the Defendant Anthony Wright with costs, both upon the merits & upon the plea of the Statute. Suppose the Court will not hesitate to give the Defendant Anthony Wright his costs, as there can be no apology for the Plaintiffs draging him into a Court of Chancery & puting him to the costs of defending himself against their unjust & illegal claim of 40 years standing. I therefore move that the Bill as to the Defendant Anthony Wright may be dismissed with costs

She also stated that their children included the following:

The will of 1849 Thomas Wright dated October 20, 1843 and probated on August 6, 1849, at Franklin County, Virginia, W.B. 7/79 listed Robert P. Wright as one of his children:

". . . also I give her and my son Robert P. Wright all my stock of Horses, cattle, sheep, hogs and plantation tools and utentials of every description also all the stock of grain and provisions of every decription which I may have at my decease. Item 2nd I give unto my son Robert P. Wright the above mentioned 140 acres of land at the decease of my wife also the land I purchased of the heirs of Jacob Harcrider deceased with the exception of what I have sold to Mr. John Beard also a part of the land bot of Thomas Chaetor beginning at Beards corner Post Oak near the north east corner of my mantion field thence runing a strait line to a large poplar on the south side of the little cove branch thence up the ridge to Mr Hopkins line also I give him the negro man Josiah at the decease of my wife to him & his heirs forever. . . . It is my desire that my son Robert P. Wright shall act as my Executor to this my last will & Testament hereby revoking & annulling all former ones. . . ."

After the death of 1849 Thomas Wright litigation was initiated by Robert P. Wright regarding the proper interpretation of his will. On October 18, 1849, at Franklin County, Virginia, Chancery Court Order Book A/\_ the court entered its order as follows:

"Robert P. Wright Executor of Thomas Wright Decd against Susannah Wright and others.	Pliff    Defts.
---	-----------------------------

This day this cause came on to be heard by the consent of the parties by their counsel. On the Bill of the Plaintiff answer of the Defendants Solomon Wright, Mary Wright, Wm Richardson and Nancy his wife, Richard Bandy and Margaret his wife Thomas Wright, Elizabeth Payne and Pheba Wright and exhibit and was argued by Counsel. On consideration whereof it is the opinion of the Court that upon a fair and proper consideration of the Will of the Testator Thomas Wright in the Bill mentioned. The children in the Bill mentioned of the slave Charlotte born

in the life time of the Testator after the publication of the said Will pass to and rightfully belong to the Defendant Susannah Wright. That the wagons Blacksmiths Tools and Cross cut saw in the Bill also mentioned pass under the bequest in the said Will to the Plaintiff and Defendant Susannah Wright. But that the crops of grain that were growing and unsevered at the death of the said Testator fall into the residuum and pass to the said residuary legatees after the payment of the Testator's debts and that the children and heirs of the said Joseph Wright Decd in the Bill mentioned collectively are entitled to one eighth of the said residuum as residuary legatees of the said Testator. Therefore the court doth adjudge order and decree that the plaintiff do deliver over and surrender the two slaves in the Bill mentioned the children of the slave Charlotte born between the time of the publication of the said Will and the death of the Testator to the Defendant Susannah Wright - upon her giving to him a proper refunding bond, and that he and the said Susannah jointly retain and hold the said wagon Blacksmiths tools and cross cut saw unless it should be necessary to resort to the sum for the payment of the Testators debts. And that the Plaintiffs do hold the proceeds of the said crops of grain growing at the time of the said Testator's death and carry the same into the said residuum and at the proper time after first paying the said Testators debts and expenses of Administration pay the same to the Defendants Solomon Wright, Wm. Richardson and wife, Richard Bandy & wife Elizabeth Payne, Phebe Wright, Mary Wright and Thomas Wright and the said children and heirs of Joseph Wright Decd. as the residuary legatees of the said Testator counting the said children and heirs of Joseph Wright Decd as one legatee - Upon their executing to him refunding bonds with security - And the court doth further adjudge order and decree that the Plaintiff pay the costs of this suit out of the Estate of his Testator - And liberty is reserved to the Defendants respectively hereafter to call upon the plaintiffs to account to them as such residuary legatees. And for such and further order or decree as may become necessary to recover their respective legacies from the plaintiff."

The marriage license of Cicero A. Wright dated September 30, 1895, at Bedford County, Virginia, identified him as a son of Robert P. and Rhoda Wright and his age as 38, indicating a date of birth in about 1857.

The death certificate of Cicero Anthony Wright dated on July 15, 1919, at Franklin County, Virginia, listed his father's name as Robert Penn Wright.

Conversations with Snowwhite Wright Saunders, Eva Wright Meador, and Maude Wright Morgan in Bedford County, Virginia, in June 1976 confirmed that their

grandparents were Robert P. Wright and his wife Rhoda (McGeorge) Wright and their parents were Milton McGeorge Wright and Deborah Ida (Dillon) Wright.

In her letter dated November 30, 1992, Mrs. Katharine Williams enclosed a copy of D.A.R. Application No. 283653 for Bessie Coppedge dated September 1, 1939, which stated that Rhoda McGeorge was a daughter of Ruthy Wright and William McGeorge, was born in 1818, married Robert P. Wright, and died on May 29, 1893, that Robert P. Wright was born in 1822 and died on May 30, 1891, and that Rhoda (McGeorge) Wright and Robert P. Wright had the following child:

- 1) William Thomas Wright, born on July 24, 1840.

In her letter dated April 23, 1997, Betty Morgan Matthews enclosed family group sheets which stated that Rhoda (McGeorge) Wright was a daughter of Ruth (Wright) McGeorge and William McGeorge, was born in 1817 or 1818 at Virginia, married Robert Pasley Wright on October 21, 1839, at Bedford County, Virginia, and died on May 29, 1893, at Virginia, that Robert Pasley Wright was born on February 16, 1821, at Virginia, and died on May 30, 1890, at Franklin County, Virginia, and that Rhoda (McGeorge) Wright and Robert Pasley Wright had the following children:

- 1) William T. Wright, born on July 24, 1840, at Franklin County, Virginia,
- 2) Susannah Wright, born in 1842 at Franklin County, Virginia,
- 3) John R. Wright, born on April 4, 1845, at Franklin County, Virginia,
- 4) Mildred A. Wright, born on March 15, 1846, at Franklin County, Virginia,
- 5) Lawrence Monrow Wright, born in 1848 at Franklin County, Virginia,
- 6) Henry Smith Wright, born in 1850 at Franklin County, Virginia,
- 7) Milton "Mint" McGeorge Wright, born on July 29, 1852, at Hardy, Franklin County, Virginia,
- 8) Cicero Anthony "Rory" Wright, born on May 5, 1853, at Franklin County, Virginia,
- 9) R. P. Wright, born on July 19, 1855, at Franklin County, Virginia, and
- 10) Nancy Elizabeth (Wright) Hopkins, born on October 2, 1859 or 1862, at Franklin County, Virginia.

In her letter dated April 23, 1997, Betty Morgan Matthews also stated that Robert P. Wright's middle name of Pasley may have been a family tradition based on the Pasley marriage rather than a documented conclusion.

From the evidence set forth above and additional evidence set forth below the children of Rhoda (McGeorge) Wright and 1890 Robert Penn Wright of Franklin County were the following:

- 1) William Thomas Wright, born about 1840 or 1841 or July 24, 1840, at Franklin County, Virginia,
- 2) Susannah R. Wright, born on April 29, 1842 at Virginia, probably at Franklin County, Virginia,
- 3) John R. Wright, born about 1844 or Apr 4, 1845, at Franklin County, Virginia,
- 4) Laurence Monrow Wright, born in August 1847 at Franklin County, Virginia,
- 5) Henry Smith Wright, born about 1850 at Virginia, probably at Franklin County, Virginia,
- 6) Milton McGeorge Wright, born in July 29, 1852 at Franklin County, Virginia,
- 7) Cicero Anthony Wright, born on May 5, 1856, at Franklin County, Virginia, and
- 8) Nancy L. (Wright) Hopkins, born about 1858 or 1859 or 1860 or Oct 2, 1859 or 1862, at Franklin County, Virginia.

i. 1928 William Thomas Wright, His Wife Octavia M. (Hannabass) Wright, And His Descendants

The 1850 Census for Franklin County, Virginia, listed William T. Wright in the Robert P. Wright household and his age as 10 and born in Virginia, indicating a date of birth in about 1840.

The 1860 Census for Franklin County, Virginia, listed William T. Wright in the Robert B. Wright household and his age as 19 and born in Virginia, indicating a date of birth in about 1841.

The 58th Virginia Infantry stated that William T. Wright enlisted as a private in Company D of the 58th Virginia Infantry Regiment on July 23, 1861, at Camp Hicks, was born on March 25, 1837, at Virginia, was a farmhand at Coopers Post Office, Franklin County, in the 1860 Census, was present until discharged for "Phthisis Pulmonalis" on April 23, 1862, and was a brother of John R. In her letter dated April 23, 1997, Betty Morgan Matthews stated that on January 17, 1920, at Franklin County, Virginia, D.B. 70/114 Milton M. Wright purchased a one-half interest in two parcels of 77 and 76 acres of land from Gertrude E. Wright, Herbert M. Wright, Mabel C. Stone, and Cary A. Wright at age 74 went to visit his two sons, driving with his daughter Eva and her husband "Tick" and their three children in their Model A Ford to Kansas City, Kansas, that it took them four days to drive the 1100 miles, and while there he took his first ride in an "aeroplane".

Franklin County, Virginia - A History listed the death of Minton M. Wright on March 8, 1934, aged 81, based on a Bible Record.

In her letter dated April 23, 1997, Betty Morgan Matthews stated that the tombstone of Milton M. Wright is located at Evergreen Burial Park, Roanoke, Roanoke County, Virginia, and listed the following information:

"Milton M. Wright  
July 29, 1852 - March 8, 1934"

In her letter dated April 23, 1997, Betty Morgan Matthews also stated that the following were obituaries for Milton M. Wright:

Probably from the Roanoke Times, Roanoke, Virginia, for March 1934:

"M. M. Wright. M. M. Wright, 81, died March 8th, 1934, at his home in Franklin county. Owing to the conditions of the roads, his body was taken to the home of his daughter, Mrs. E. B. Meador, Roanoke, and held for interment, which was

made in Evergreen cemetery by the side of his son-in-law, Capt. E. B. Meador who preceeded him to the grave about 15 months ago.

Surviving are his wife and five children: C. W., of Kansas City, Mo.; D. S., Holt, Mo.; Mrs. E. B. Meador, Roanoke; Mrs. J. J. Morgan and Mrs. J. E. Saunders, Goodview; and one sister, Mrs. Nannie Hopkins, Roanoke.

Mr. Wright was the oldest man of his community and had spent his entire life there. He was united in marriage 47 years ago to Miss Ida Dillon, of Dillon's Mill. He has been a true devoted companion, a kind father, good neighbor and will be greatly missed by all. We appreciate the fact that he was spared to be with us a long time, but our hearts were overwhelmed with grief at this earthly separation. We feel that heaven is much nearer since father went away, as he lived a concentrated christian life and expressed his willingness to go only a short while before his spirit took its flight.

The high esteem in which Mr. Wright lived was deeply expressed during his sickness and death by the many helping hands of neighbors, the beautiful floral designs and the use of cars. - His Daughter."

From The Bedford Democrat or Bedford Bulletin, Bedford, Virginia, March 1934:

"Goodview News: We wish to extend heartfelt sympathy to Mrs. J. J. Morgan and Mrs. Joe E. Saunders in the loss of a kind and loving father who passed away last Thursday, the 8th.

Several people from thi scommunity attended the funeral and burial which was in Roanoke last Friday afternoon. It was his request to be buried in evergreen cemetery by his son-in-law, E. B. Meador, who passed away fifteen months ago. The funeral was in his daughter's (Mrs. E. B. Meador) home on Dale Avenue, South East."

In her letter dated April 23, 1997, Betty Morgan Matthews stated that on August 12, 1942, at Franklin County, Virginia, D.B. 99/182 Deborah I. Dillon, widow of Milton M. Wright, and the heirs of Milton M. Wright sold their interest in the family farm to Maude (Wright) Morgan.

In her letter dated April 23, 1997, Betty Morgan Matthews stated that the tombstone of Ida Dillon Wright is located at Evergreen Burial Park, Roanoke, Roanoke County, Virginia, and listed the following information:

"Ida Dillon Wright  
March 4, 1871 - April 29, 1956"

H. 1815 Joseph Wright Of Bedford County, His Wives Elizabeth (Kemp) Wright And Judith (Pate) Wright, And His Descendants

1815 Joseph Wright of Bedford County was a son of 1763 Thomas Wright of Bedford County and Mary (\_\_\_\_\_) Wright. (1763 Thomas<sup>1</sup>)

The evidence that 1815 Joseph Wright of Bedford County was the son of 1763 Thomas Wright of Bedford County will be set forth below and consists of a demonstration that the 152 acres of land purchased by a Joseph Wright in 1762 from George Walton was owned by 1815 Joseph Wright at the time of his death and that the land was not transferred from the original 1762 Joseph Wright purchaser to 1815 Joseph Wright either directly or through intermediate owners. In addition, there is a declaration by Littleberry Wright indentifying his grandfather 1815 Joseph Wright of Bedford County as the son of 1763 Thomas Wright of Bedford County.

There is no direct evidence of the date and place of birth of 1815 Joseph Wright, but the evidence available indicates that 1815 Joseph Wright was born probably before 1745, possibly at Baltimore, Maryland. The date of birth is based on the fact that he purchased land in Bedford County by Bedford County, Virginia, Deed 2/81 dated September 20, 1762. If he was at least eighteen years of age in 1767 when he bought the land, then his date of birth would be probably before 1745.

The place of birth is based on the residence of his parents. As set forth above regarding 1763 Thomas Wright and his wife Mary, they apparently lived in Baltimore, Maryland, from at least 1733 to 1745 and two of their children were born there in 1733 and 1736. If 1815 Joseph Wright was born between 1733 and 1745, it is probable that he was born in Baltimore, Maryland. However, since he might have been born before 1733, and it is not yet known where 1763 Thomas Wright resided before 1733, the place of birth of 1815 Joseph Wright remains at this time only a possibility.

1815 Joseph Wright probably lived with his parents in Baltimore, Maryland, until 1745 and then moved with them possibly to Augusta County, Virginia, and then on to Bedford County, possibly in 1755, but in any event by September 20, 1762, when he first purchased land in Bedford County.

On September 26, 1762, at Bedford County, Virginia, D.B. 2/81 Joseph Wright purchased 152 acres of land from George Walton:

"This Indenture made this Twenty Sixth day of September in the year of our Lord one thousand and seven hundred and Sixty two Between George Walton of the one part and Joseph Wright of the County of Bedford of the other Part Witnesseth that the sd. In addition, on September 20, 1762, at Bedford County, Virginia, D.B. 2/83 John Wright purchased 152 acres of land from George Walton:

"This Indenture made this Twentieth day of September in the year of our Lord one thousand seven Hundred and Sixty two Between George Walton of the one part and John Wright of the County of Bedford of the other Part Witnesseth that the said George Walton for and in Consideration of the Sum of Nine Pounds to him in hand paid the Rect. whereof he doth hereby Acknowledge hath Granted Barganed and Sold and by these Presents doth Grant Bargan and Sell unto the Said John Wright and to his Heirs and assigns forever one certain tract or parcel of Land Containing one hundred and fifty two acres being Part of a Tract Containing three hundred and Four acres Granted to George Walton by Pattent Bearing Date the Twenty fifth day of March one Thousand Seven Hundred and Sixty Two in the Second Year of our Reign, Situate lying and being in the County of Bedford on Stanton River Begining at a White oak on the Said River aforesaid

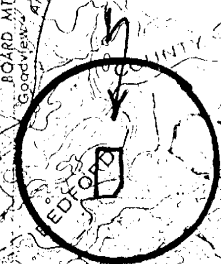

There is only one place across from Lynville (Levil's or Linvils) Creek where such a description would give a closed boundary for the land and that is shown on the map on the following page. Furthermore, review of the descriptions in Bedford County, Virginia, Deeds 2/81 and 2/83 makes it clear that Joseph Wright owned the right or easterly of the two tracts. The river flows from west to east and Joseph Wright's line ran from a corner black walnut tree up the river to a Spanish oak opposite Lynville Creek; John Wright's line ran from a corner white oak down the river to a Spanish oak opposite Lynville Creek. Thus Joseph Wright's land was down-river or to the east and John Wright's land was up-river or to the west. The exact location of the dividing line cannot be determined from these descriptions, but it should run from the mouth of Linville Creek dividing the 304 acre tract approximately in two and the map shows an approximation of that line.

This is the same land as that described in Bedford County S.B. 3/198. The last line of the legal description should read "South sixty eight Degrees" rather than "South eighty-six Degrees". Without that correction, a plat of the boundaries as described appears as follows:

Water: 1.000000

Altogether  
S 66 E 100'

Since the survey from which the legal description was taken was completed on December 13, 1762, there can be only one location for this land and that is on the northern edge of Deed 2/81, the only land a Joseph Wright owned in December 1762 and thus the only land which would qualify for the description "along his line South Eighty six Degrees East One hundred and twenty two poles." Deed 2/81 has a northern edge boundary that is described in George Walton's Patent Deed of 1762 as going "West three hundred and seventy four poles" from "a small Hiccory." Allowing for a surveying error of four degrees, which is not substantial in a wooded, hilly, undeveloped area, the September 1, 1780, Patent Deed E/592 seems to be clearly placed adjacent to and on the northern edge of Deed 2/81, as shown on the map on the following page.

Bedford County, Virginia, Court Order Books 6/347A and 6/352 listed three payments to Joseph Wright for provisions furnished the army during the Revolution. 1831 Joseph Wright of Columbiana County, Ohio, the son of 1814 John Wright of Bedford County, resided in Bedford County at this time and was old enough to have been the provider, so it is not possible to identify which Joseph Wright furnished the provisions.

The location of this land on the south side of the Staunton River located it in an area which became part of Franklin County when that county was formed in 1786. A plat of that legal description appears as follows:

The 1782 Personal Property Tax List for Bedford County, Virginia, listed two Joseph Wrights, one of whom was 1831 Joseph Wright of Columbiana County, Ohio, the son of 1814 John Wright of Bedford County, and the other of whom was 1815 Joseph Wright of Bedford County and who had the following household:

<u>Name</u>	<u>Free Males above 21 yrs</u>	<u>Slaves</u>	<u>Horses</u>	<u>Cattle</u>	<u>White Ty above 16 yrs</u>	<u>Blk Tithes above 16 yrs</u>
Joseph Wright	1	1	5	26	2	1

The listing of one white tithe over 21 and two white tithes between 16 and 21 indicates that Joseph Wright's second oldest son was born between 1761 and 1766. The oldest son Thomas was separately listed in the 1782 Personal Property Tax List.

The 1782 Land Tax List for Bedford County, Virginia, listed Joseph Wright Stanton with the following property:

<u>Name</u>	<u>Acres</u>	<u>Value Pounds, Shillings</u>
Joseph Wright Stanton	3/7	391 70.
ditto Joining J Wright	11d	225 10.

The second entry is consistent with the purchase of 225 acres of land in Deed 6/330; the first entry is inconsistent with the prior purchases in Deed 2/81 for 152 acres, Deed 5/276 for 130 acres, Patent Deed E/592 for 57 acres, and Deed 7/75 for 120 acres, a total of 459 acres.

There was also a second Joseph Wright listed in the 1782 Land Tax List for Bedford County, Virginia, described as Joseph Wright on ye Mountain, with the following property:

<u>Name</u>	<u>Acres</u>	<u>Value Pounds, Shillings</u>
Joseph Wright on ye Mountain	1/3	557 30.

I have been unable to locate the deeds by which this 557 acres of land was acquired and, as will be set forth below in connection with a later purchase of land, it reflects a second entry for 1815 Joseph Wright for land located separately from his other land.

On March 25, 1782, at Bedford County, Virginia, County Court Order Book 6/338 Joseph Wright was appointed administrator of the estate of Whitehead Ryan:

On May 27, 1782, at Bedford County, Virginia, D.B. 7/137 Joseph Wright purchased 150 acres of land from William Mead:

"Joseph Wright, William Hix, James Board, & John Dent or any three of them are appd. to view a way from the mouth of Linville Creek to this place & make return."

The location of his land across from or on Linville Creek identifies this Joseph Wright as 1815 Joseph Wright.

The 1783 Personal Property Tax List for Bedford County, Virginia, listed two Joseph Wrights, one of whom was Joseph Wright, Jr., and the other of whom had the following household:

Since 1831 Joseph Wright of Columbiana County, Ohio, was younger than 1815 Joseph Wright of Bedford County, the reference to Joseph Wright, Jr., is to that younger Joseph Wright.

The 1783 Land Tax List for Bedford County, Virginia, has not as yet been located.

On December 2, 1783, at Bedford County, Virginia, S.B. 2/475 Joseph Wright obtained a survey for 270 acres of land:

The April 1784 Personal Property Tax List for Bedford County, Virginia, listed two Joseph Wrights, one of whom was described as Joseph Wright (mountain) and the other of whom had the following household:

<u>Names</u>	<u>Total Tithes</u>	<u>Tax on Covg. Horses</u>	<u>Whites over 21 Years</u>	<u>Blacks over 16 Years</u>	<u>Blacks under 16</u>

The 1784 Land Tax List for Bedford County, Virginia, listed Joseph Wright Stanton with the following property:

<u>Name</u>	<u>[Quantity of Acres]</u>	<u>[Average price pr Acre]</u>	<u>[Amount Valuation]</u>	<u>[Tax at 1½ pr Cent]</u>
Joseph Wright Stanton	311	9.10	152.18.2	2.5.10½
Do	225	2.6	28.2.6	8.5½
Do	200	7.1	70.16.8	1.1.3

This record reflects an adjustment of the amount of land owned to 311 acres and 225 acres for the first four deeds. The additional 200 acres of land listed in the Tax List probably represented land acquired by Joseph Wright by reason of the death of his second wife Judith (Pate) Wright. As will be set forth more fully below, Edward Pate bequeathed 200 acres of land to his daughter Judith Pate in 1768. 1815 Joseph Wright was married twice and the second marriage was probably before 1776. 1815 Joseph Wright made a gift of 200 acres of land formerly owned by Edward Pate to Joseph's son 1841 Matthew Wright of Bedford County as part of a larger gift of 300 acres of land and there is no deed record showing the acquisition of that land by Joseph Wright. The implication is clear that Joseph Wright acquired the land by inheritance from his second wife Judith (Pate) Wright at her death without any formal recording of the transfer.

The 1784 Land Tax List for Bedford County, Virginia, also listed a second Joseph Wright with the following property:

<u>Name</u>	<u>[Quantity of Acres]</u>	<u>[Average price pr Acre]</u>	<u>[Amount Valuation]</u>	<u>[Tax at 1½ pr Cent]</u>
Joseph Wright	557	3.5	100.3.1	1.10.02
do	150	3.	22.10	6.9

As will be set forth below, this change of ownership reflects the purchase of 148 acres of land by Joseph Wright by Patent Deed M/294 and that land will be identified as clearly owned by 1815 Joseph Wright of Bedford County.

On July 8, 1784, by Patent Deed M/294 Joseph Wright acquired 148 acres of land:

"Benjamin Harrison Esquire Governor of the Commonwealth of Virginia To all to whom these presents shall come Greeting: Know ye, that in consideration of the

Ancient composition of fifteen shillings sterling paid by Joseph Wright into the Treasury of this Commonwealth there is granted by the said Commonwealth unto the said Joseph Wright a certain Tract or Parcel of Land, containing one Hundred and forty eight Acres by survey bearing date the twenty seventh day of November on Thousand seven hundred and eighty two lying and being in the County of Bedford on the North side of stanton river on both sides of Beaverdam Creek and bounded as followeth, To Wit, Beginning at his own Corner White Walnut on the Bank of the River thence along his lines North fifty three degrees East ninety poles to his Corner white oak North fifteen degrees West seventy two poles to his Corner Pine North fifty Eight degrees East Crossing Beaverdam Creek seventy poles to spradlins Corner White Oak thence along spradlins line North ten degrees East sixty poles to his and Josiah Pain's Corner Pine thence along paines line West Crossing Beaverdam Creek one Hundred and sixty poles to his and his own Corner Pointers, thence along his own lines south twelve degrees West fifty poles to his Corner Pointers south four degrees East one hundred and forty poles to his Corner Black Walnut on santon aforesaid and down the said river as it meanders to the first Station with its Appurtenances; to have and to hold the said Tract or Parcel of Land, with its Appurtenances, to the said Joseph Wright and his Heirs forever. In Witness whereof the said Benjamin Harrison Esquire Governor of the Commonwealth of Virginia hath hereunto set his hand and Caused the lesser seal of the said Commonwealth to be affixed at Richmond on the Eighth day of July in the year of our Lord one thousand seven Hundred and Eighty four and of the Commonwealth the Ninth

Benjamin Harrison"

A plat of the boundaries appears as follows:

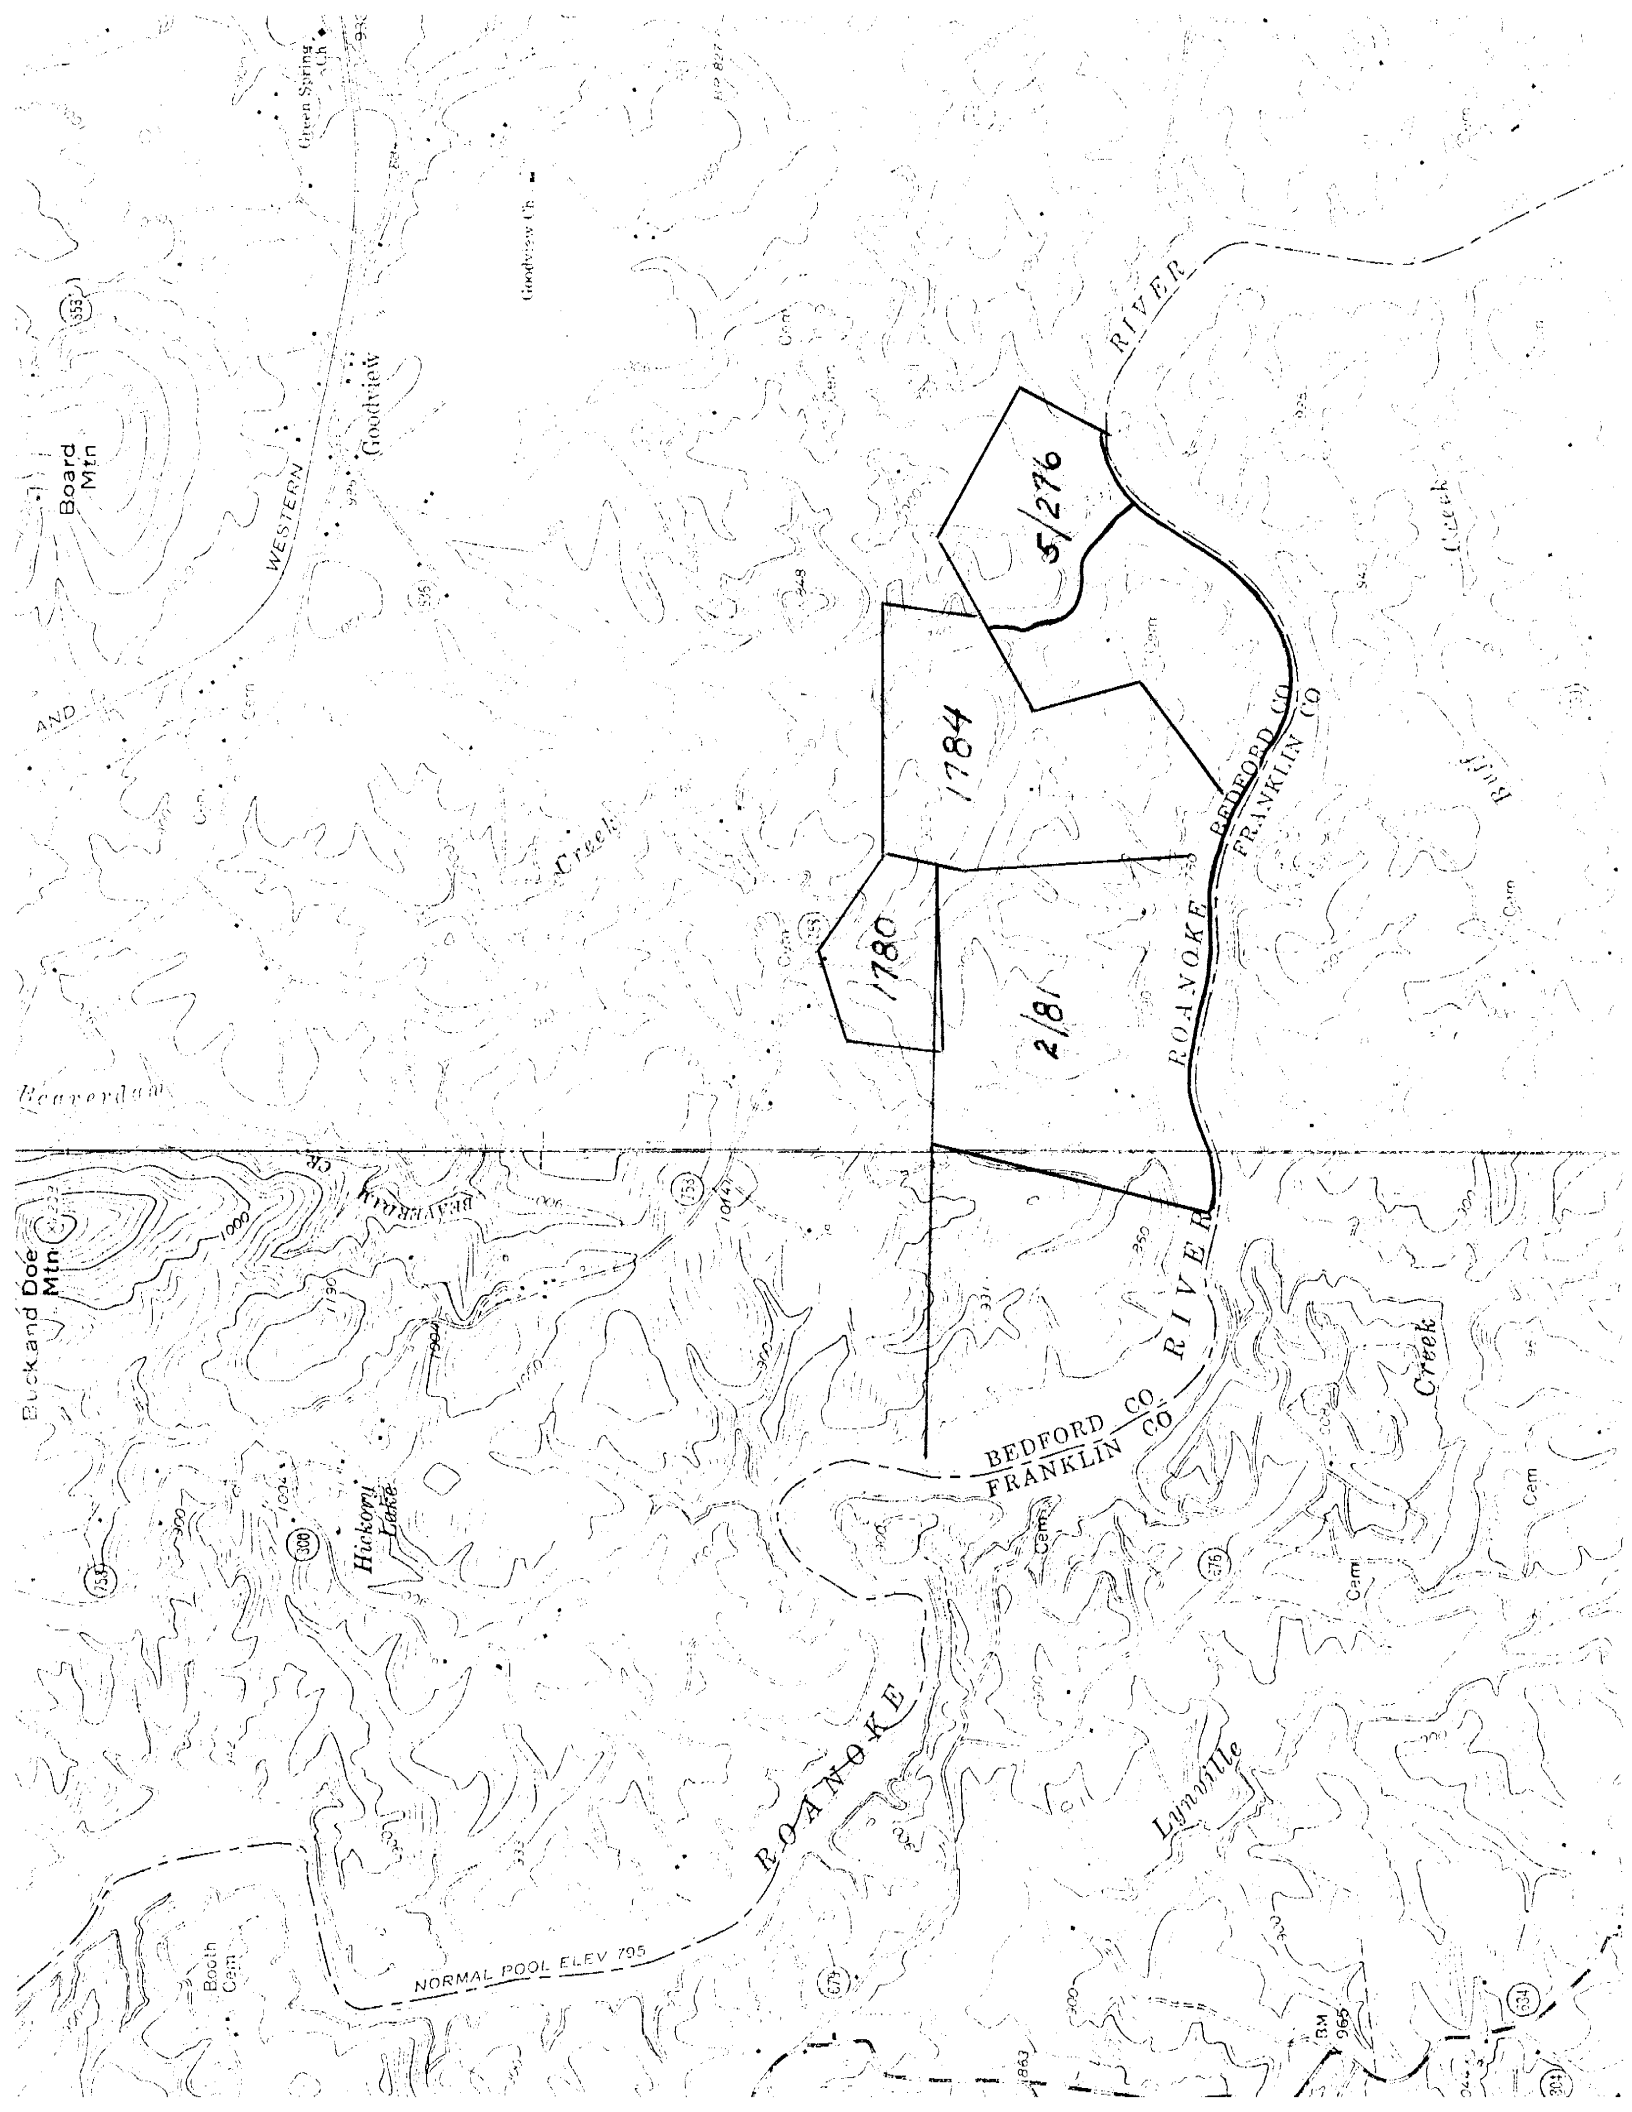

Given that the western boundary joined "his own", that is Joseph Wright's land, and that the southern boundary bordered the Staunton River, and given the two lines which cross Beaver Dam Creek, there is only one place where this land could be and that is to the east of and adjacent to Deed 2/81 and Patent Deed E/592. The discrepancy between the western border of the 1784 Patent Deed and the eastern border of Patent Deed M/294 is approximately eight degrees. However, the conjunction of these three deeds seems quite clear and the differences in the legal descriptions, which are minor, are almost certainly due to survey errors.

In addition, as mentioned above in the discussion of Bedford County Deeds 5/276 and 2/443, the eastern boundary of Patent Deed M/294 coincided with the western boundary of Deed 2/443, from which deed the land of Bedford County Deed 5/276 was taken.

The map on the following page shows the location of all of the land (other than Bedford County Deed 6/330 which is off the map) which was acquired by a Joseph Wright prior to July 24, 1784, the first time that a Joseph Wright sold land in Bedford County.

This Indenture was acknowledged by Joseph Wright a Party thereto, & Ordered to be Recorded.

The legal descriptions of Bedford County Deeds 7/350 and 7/375 clearly show that the two parcels sold by Joseph Wright in those deeds were substantially all of the tract purchased by him in 1774 in Bedford County Deed 5/276.

On about November 6, 1784, at Bedford County, Virginia, County Court Loose Papers Isham Talbot filed his complaint against Joseph Wright for payment of a debt of £1 and 15S:

"To the Worshipful Court of Bedford County Isham Talbot humbly sheweth That Joseph Wright stands indebted to him in the sum of £1.15.0 by Account and refuseth Payment: Wherefore Your Petitioner prays Judgment against him for the same with Costs

and shall pray &c

1783 Mr. Joseph Wright To Isham Talbot  
To 1 Bull of the Vallue of

Dr.  
£1.15

N.B. Jeremiah Pate &  
Nathan Hurt (Witnesses)"

Isham Talbot

Given the early date of this complaint, it was probably against 1815 Joseph Wright of Bedford County and not his son 1844 Joseph Wright or 1803 John Wright's son 1842

Joseph Wright, but it may have been against 1831 Joseph Wright of Columbiana County, Ohio, the son of 1814 John Wright of Bedford County.

On November 6, 1784, at Bedford County, Virginia, County Court Loose Papers a summons was issued against Joseph Wright to answer the complaint of Isham Talbot for payment of a debt of £1 and 15S:

"The Common Wealth of Virginia To the Sheriff of Bedford County greeting We Command You, Summon Joseph Wright to appear before our Justices of our said County Court, at the Courthouse of the said County on the 4th monday in November then and there to answer the Petition of Isham Talbot exhibited against him and have then there this Writ Witness James Steptoe Clerk of our said Court at the Courthouse the 6th Day of November in the ninth Year of our Independence

Ja Steptoe C.C."

On November 6, 1784, at Bedford County, Virginia, County Court Loose Papers a subpoena was issued for Jeremiah Pate and Nathan Hurt to testify with regard to the complaint of Isham Talbot against Joseph Wright for payment of a debt of 1£ and 15S:

"The Commonwealth of Virginia to the Sheriff of Bedford County Greeting we command you that you summon Jeremiah Pate & Nathan Hurt personally to appear before the Justices of our said County at the Court House on the 4th Monday in November, then & there to testify & the truth to say in behalf of Isham Talbot in a certain controversie then & there depending & undetermined & between Isham Talbot Plf & Joseph Wright Deft. in this fail not under the Penalty of £100 & have then there this Writ witness James Steptoe Clerk of our said Court at the Court House on the 6th day of November in the IX Year of our Independence

The 1785 Personal Property Tax List for Bedford County, Virginia, listed two Joseph Wrights, one of whom was described as (mountain) and the other of whom had the following household:

<u>Person Names</u>	<u>Total Tithes</u>	<u>Tax on Covg Horses</u>	<u>Whites over 21 Years</u>	<u>Blacks over 16 Years</u>	<u>Blacks under 16</u>
Joseph Wright	2		1	1	

<u>Total Blacks</u>	<u>Horses</u>	<u>Nett Cattle</u>	<u>No Wheals Ridg Carriages</u>	<u>Ordinary Licenses</u>
1	4	16		

The 1785 Land Tax List for Bedford County, Virginia, listed Joseph Wright Stant with the following property:

<u>Landholder</u>	<u>Quantity of Acres</u>	<u>Average price pr Acre</u>	<u>Amount Valuation</u>	<u>Tax at 1__ pr__</u>
Joseph Wright Stant	311	9.10	152.18.2	1.5.-
do	225	2.6	28.2.6	—
do	200	7.1	70.16	—

The 1785 Land Tax List for Bedford County, Virginia, also listed a second Joseph Wright with the following property:

<u>Landholder</u>	<u>Quantity of Acres</u>	<u>Average price pr Acre</u>	<u>Amount Valuation</u>	<u>Tax at 1__ pr__</u>
Joseph Wright	557	3.5	100.3.1	1.10½
Ditto	150	3.	22.10	6.9

As set forth above, there are two separate listings for 1815 Joseph Wright. As evidence of the confusion of the records regarding the amount of land owned by Joseph Wright, none of the land sold in 1784 is reflected as a deduction in the land owned in the 1785 Land Tax List.

In March 1785 at Bedford County, Virginia, County Court Order Book 8/120 Joseph Wright was appointed to view a way for a road from the Staunton River to Maggoty Creek:

"Ordered that Anthony Pate, John Charter Sr Jos: Wright, & John Early or any three of them be appd. to View a Way for a Road from the Widow Martins on Stanton River, to Slones Mill on Maggitty, & make Report"

On May 23, 1785, at Bedford County, Virginia, D.B. 7/503 Joseph Wright sold 106 acres of land to Stephen Goggin:

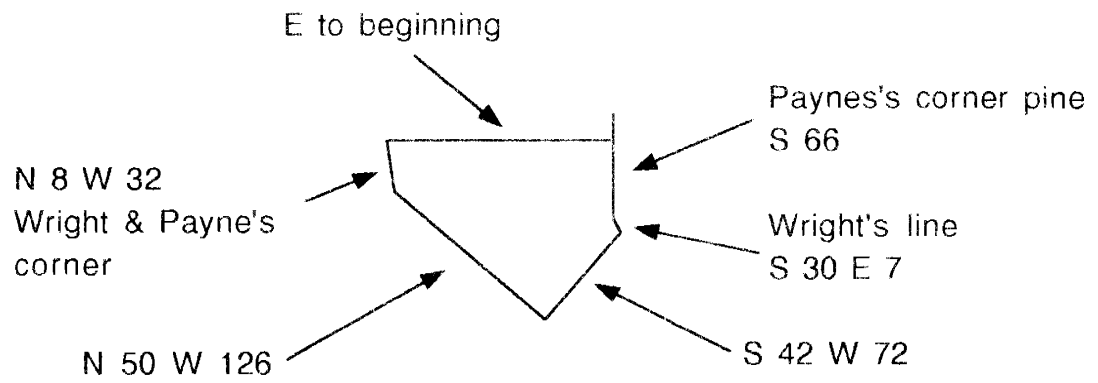

At a Court held for Bedford County the 23d. day of May 1785. This Indenture together with the Memorandum of Livery of Seizen thereon Indorsed were Acknowledged by Joseph Wright Party thereto & Ordered to be Recorded

Teste,  
Ja Steptoe Cl.B.C."

A plat of those boundaries appears as follows:

Bedford County, Virginia  
Deed 7/503

Since this was the third grant of land from a Joseph Wright and no grants to a Joseph Wright had been made between July 24, 1784, and May 23, 1785, the land in this deed must also be part of the land in the prior deeds to Joseph Wright other than Deed 5/276. Only one parcel of land conveyed to a Joseph Wright before 1785 fits the legal description of Deed 7/504. Deed 7/504 is obviously the sale of the northern portion of the 1784 Patent Deed, as shown on the map on the following page.

The 1786 Personal Property Tax List for Bedford County, Virginia, listed two Joseph Wrights, one of whom was described as (M) and the other of whom had the following household:

<u>Persons Names</u>	<u>Total Tythes</u>	<u>Taxes on Covg Horses</u>	<u>Whites Over 21 Years</u>	<u>Blacks Over 16 Years</u>
Joseph Wright	2		1	1

<u>Blacks under 16 Years</u>	<u>Total Blacks</u>	<u>No Horses</u>	<u>No Nett Cattle</u>	<u>No Wheels riding Carriages</u>	<u>Ordinary Licenses</u>
	1	5	17		

The 1786 Land Tax List for Bedford County, Virginia, listed Jos. Wright (Stanton) with the following property:

<u>Land Holders</u>	<u>Quantity of Acres</u>	<u>Average price pr Acre</u>	<u>Amount Valuation</u>	<u>Tax at 1¼ pr Cent</u>
Jos. Wright (Stanton)	311	9.10	152.18.2	2.5.10½
ditto	225	2.6	28.2.6	8.52
ditto	200	7.1	20.16.8	1.1.3

The reference to "(Stanton", meaning Staunton River, clearly identifies this Joseph Wright as 1815 Joseph Wright whose land was on the Staunton River.

The 1786 Land Tax List for Bedford County, Virginia, also listed a second Joseph Wright with the following property:

<u>Land Holders</u>	<u>Quantity of Acres</u>	<u>Average price pr Acre</u>	<u>Amount Valuation</u>	<u>Tax at 1¼ pr Cent</u>
Jos. Wright	557	3.5	100.3.1	1.10½
ditto	150	3.0	22.10	6.7

Again, the Land Tax List failed to record the sale of 106 acres of land by Joseph Wright in Bedford County Deed 7/504 in either of the listings for Joseph Wright.

On November 25, 1786, at Bedford County Virginia, D.B. 7/676 1815 Joseph Wright purchased 74 acres of land from Axton Scott:

"This Indenture made this twenty fifth day of November in the Year One thousand Seven Hundred and eighty Six between Axton Scott of Bedford County of the one part & Joseph Wright of the same place of the other part witnesseth that the said Axton Scott for and in Consideration of the Sum of Six Hundred pounds to him in hand paid the receipt whereof he doth hereby acknowledge hath granted bargained and sold and by these presents doth grant bargain & sell unto the said Joseph Wright and to his Heirs and assigns forever one certain Tract or parcel of Land containing seventy four acres be the same more or less Lying & being in Bedford County on the north side of Stanton River. The 1787 Personal Property Tax List for Bedford County, Virginia, listed "Joseph Wright, Mon" in List A with the following household on April 14:

<u>Date of Recg List from Individuals</u>	<u>Persons Names Chargeable With Tax</u>	<u>Number of White Male Tithables above 21</u>
April 14	Joseph Wright, Mon	Joseph Wright

<u>No white Males above 16 Under 21</u>	<u>Blacks above 16</u>	<u>blacks under 16</u>	<u>horses Mares, Colts &amp; Mules</u>	<u>Cattle</u>	<u>Carriage Wheels</u>
	1	2	5	19	

<u>Ordinary Licenses</u>	<u>Billiard Tables</u>	<u>No Stud Horses</u>	<u>rates</u>

Although the prior Personal Property Tax Lists had listed 1815 Joseph Wright without any further identification, the 1787 Personal Property Tax List had him identified as "Mon", probably for mountain and identified the other Joseph Wright as "Qar", for Quaker. This other Joseph Wright was 1831 Joseph Wright of Columbiana County, Ohio, the son of 1814 John Wright of Bedford County, who had joined the Quaker church. The number of horses and cattle in the two households makes clear that "Joseph Wright (M)" in 1786 had become "Joseph Wright Qar" in 1787 and that "Joseph Wright" in 1786 had become "Joseph Wright, Mon" in 1787. The identification of these Joseph Wrights is further confused because 1815 Joseph Wright had been

described as "on ye mountain" in the 1782 Land Tax List, but this was an isolated identification and not repeated in later Land Tax Lists.

The 1787 Land Tax List for Bedford County, Virginia, listed Joseph Wright (Stanton) with the following property:

This record reflects the transfer of 150 acres of land on the South side of Staunton River purchased by Bedford County Deed 7/137 from Bedford County records to Franklin County records.

On April 15, 1790, at Bedford County, Virginia, D.B. 8/316, 1815 Joseph Wright sold 225 acres of land to Martin Greer:

The legal description confirms that this was the same land as that purchased by Bedford County Deed 6/330 in 1779.

The 1790 Personal Property Tax List for Bedford County, Virginia, listed "Joseph Wright (Stanton)" in the Matthew Pate District with the following household on April 26:

<u>Dates of Receiving Lists from Individuals</u>	<u>Persons Names Chargable with the Tax</u>	<u>No. of Tithes Black &amp; White</u>	<u>No. of Blacks over 12</u>	<u>Horses Mares Colts &amp; Mules</u>
April 26	Joseph Wright (Stanton)	4	3	6

<u>Carriage Wheels</u>	<u>Ordinary License</u>	<u>Billiard Tables</u>	<u>No of Studs</u>	<u>Rates of Covering</u>

The 1790 Land Tax List for Bedford County, Virginia, listed Joseph Wright (S) with the following property:

<u>Persons Names Owning Land</u>	<u>No of Lotts</u>	<u>Yearly Rent of Lotts</u>	<u>Quantity of Land</u>	<u>Rate of Land per acre</u>
Joseph Wright (S)			311	9.10

<u>Total amount of value of Land exclusive of Lotts</u>	<u>Amount of Taxes at 1½ pr Ct</u>
152.18.2	2.5.10½
70.16.8	1.1.3

This record reflects the sale of 225 acres of land by Bedford Deed 8/316. That in turn identifies the Joseph Wright who purchased 225 acres of land by Bedford County Deed 6/330 in 1779 and sold that same land by Bedford County Deed 8/316 in 1790 as 1815 Joseph Wright.

The second listing for Joseph Wright in the Land Tax List showing 557 acres and 150 acres of land disappeared from the list in 1790 and did not reappear again, indicating probably a partial correction of the records and a transfer of the taxable land to the Franklin County records.

The 1790 Land Tax List for Franklin County, Virginia, listed Joseph Wright with the following property:

<u>Persons Names</u>	<u>Acres</u>	<u>Average Price</u>	<u>Amount</u>
Joseph Wright Sr	124	0.4.6-3/4	28.0.7

This record reflects a sale of 26 acres of land by Franklin County Deed 2/121 set forth below.

That legal description is insufficient for drawing a plat or locating the land. However, Jonathan Basham acquired that land from Anthony Pate by Bedford County Deed 10/200 and Anthony Pate had acquired that land from Robert Mead by Bedford County Deed 9/363. The legal description of Deed 9/363 is sufficient to draw a plat of the land and place it on Beaverdam Creek. A more extensive discussion of this placement is set forth in Untangling Some Of The Wrights Of Bedford County, Virginia by the author. A map showing the plat of Bedford County Deed 9/363 and Bedford County Deeds 10/504 and 11/1306 that were taken from it is shown on the following page.

This record reflects the purchase of 130 acres of land by Franklin County Deed 5/58. Although the land was purchased by 1815 Joseph Wright of Bedford County and, as will be seen below, he gave that 130 acres of land to his children in his will, the land was taxed to 1844 Joseph Wright of Hardin County, Kentucky, the son of 1815 Joseph Wright of Bedford County. What apparently happened was that 1815 Joseph Wright purchased the land, but allowed his son 1844 Joseph Wright to live on the land and treat it as his own.

On September 13, 1806, Joseph Wright consented to the marriage of his daughter Barsheba Wright to Joel Simmons:

This map clearly confirms that 1815 Joseph Wright of Bedford County still owned at the time of his death the land originally purchased in 1762 and, therefore, was the son of 1763 Thomas Wright of Bedford County.

In August 1816 at Bedford County, Virginia, County Court Order Book 17/254 the court listed tax delinquents from the tax rolls, including Joseph Wright for the following:

"1785 Joseph Wright 150 & 557 not found on land roll since 1789 1786.78.89  
Joseph Wright 150 & 557"

These are the same listings as those on the lists which were of uncertain identification and indicate that they were either erroneous entries or mistaken entries for 1815 Joseph Wright.

The second Division and Allotment of 1815 Joseph Wright's estate was dated August 22, 1816, and recorded at Bedford County, Virginia, W.B. 4/262 on August 27, 1816:

Some time after the sale of the property of the estate of 1815 Joseph Wright, William McCormack filed suit against Matthew Wright and James Mays, the executors of the will of 1815 Joseph Wright regarding an amount due to him. The records of this suit are in File 812 of the Lynchburg Superior Court of Law and Chancery.

The oldest document in File 812 was the bond of William McCormack, Rite Wright, and Solomon Wright dated December 6, 1815, promising to pay to Matthew Wright and James Mays, executors of the estate of Joseph Wright, the sum of \$705.26.

The next document in File 812 was dated October 14, 1820, and was a summary of the case in the files of the Bedford County Court, prepared for review by the Superior Court of Law and Chancery at Lynchburg. The review provided as follows:

"Virginia to wit

At a Superior Court of Chancery holden in the town of Lynchburg the Fourteenth day of October in the year of our Lord one thousand eight hundred and twenty

Before the Honorable Creed Taylor Judge of the said Court

William McCormack,  
Against

Plaintiff

Matthew Wright and James Mays Executors of Joseph Wright deceased Defendant

Among the records and proceedings of the said Court are the following in the suit of the above mentioned, To the Honorable Creed Taylor Judge of the Superior Court of Chancery for the district of Lynchburg Humbly complaining sheweth to your honor your Orator William McCormack That Joseph Wright late of the County of Bedford deceased by his last will and Testament duly proved and recorded in the County Court of the said County did among other things direct that his personal estate should be sold by his Executors, and the proceeds therefrom arising be equally divided among his eleven children, of whom Judith the wife of your Orator is one and appointed Matthew Wright and James Mays, hereinafter called Defendants his Executors who qualified according to Law and took upon themselves the burthen and Execution of the said will. That at the sale of the said estate in the month of December 1815 in pursuance of the said will your Orator became the purchaser of two slaves for the sum of \$1125 1/100 for which he gave two bonds to wit, one for \$705 26/100 and the other for \$419 75/100 payable in twelve months according to the conditions of sale. That at the time of the sale it was distinctly understood by your Orator and the other legatees who were present and agreed to by the said Executors, that their distributable shares of the said Estate should be set off against their respective purchases. Your Orator further sheweth that the said testator was remarkably free from debt at the time of his death and he verily believes he did not owe £10 and probably not ten shillings in the world and that the distributable share of the said estate due to your Orator in right of his wife as aforesaid from the amount of sales and debts collected would amount to \$950 according to admissions by the said Executors as your Orator has been credibly informed. That your Orator governing himself by this information believed himself indebted to the said Estate after being credited with his proportion of the same and charged with the amount of his aforesaid purchase and he accordingly paid to James Mays one of the said Executors one hundred and two dollars which he at that time believed would be about the balance due to the said Executors which also appeared to be the opinion of the said Mays as is manifest by the receipt of the said Mays which is herewith exhibited and prayed to be taken as part of this Bill. But now so it is that the said defendants without having made any settlement of their account current with the Estate and notwithstanding the agreement aforesaid have instituted a suit against your Orator in the Superior Court of Law for the County of Franklin on his aforesaid Bond for \$419 75/100 on which they have obtained a Judgment and have sued out an execution with which they are now harrassing your Orator. All which is contrary to equity and greatly injurious to him. In tender consideration whereof and for as much as your Orator is remediless except in

this honorable Court to the end therefore that the said Matthew Wright and James Mays Executors as aforesaid may upon Oath answer the premises as fully as if they were thereto particularly interogated. that they may account with your Orator for his distributable share of the Estate of the said Joseph Wright that in the mean time they be enjoined from proceeding on the said Judgment & your Orator first mentioned bond for \$705 26/100 and that your Orator may have such other and further relief as may be consistent with equity and his case may require may it please your honor to grant your Orator the Commonwealths writ of subpoena to the said defendants directed etc

And at Rules holden in the clerks office in the said Superior Court of Chancery in the month of October 1819 The Defendants appeared by counsel and put in their answer to the foregoing Bill of the Plaintiff in these words. To the honorable Creed Taylor Chancellor of Virginia for the Lynchburg district the Joint answer of Matthew Wright and James Mays Executors of Joseph Wright decd. to a Bill of Injunction exhibited against them in this honorable Court by William McCormack These Defendants now and at all times saving and reserving to themselves all benefit of exeception to the many errors misrepresentations etc in the Complainants Bill contained for answer thereto or to so much thereof that they are advised it is material for them to answer answereth and say That at the sale of the personal estate of their Testator they did agree that any purchases made by the legatees should go as so much of their legacies provided the purchases did not exceed their legacies That the complaintant did not purchase as he

states in his Bill two slaves at the sale but only purchased one at the price of \$419.75 as and some days thereafter he purchased another of Mr. Solomon Wright for the sum of \$705.26 and these Defendants consented to give up said Solomon Wright his Bonds for the same he being the original purchaser at the sale and take said McCormacks bonds for the same That tis true said McCormack paid the Deft Mays the sum of \$102 as he states which is credited on said Complainants Bond of \$705.26 and said Mays credited the larger bond in order to reduce the same to a sum that would be certain to cover the legacy of said McCormack in order that if a suit should become necessary against said McCormack but one bond might be sued and thereby the costs of one suit might be saved to him the Complainant That some time after the Complainant had enjoined the Judgment so loudly complained of to avoid delays costs trouble etc an agreement was made & entered into signed & sealed by the Complainant and these defendants submitting the whole matter to the final decision of the commissioners appointed by the County Court of Bedford to settle the account current on the estate of their Defts Testator which said agreement is herewith filed and prayed to be taken as part of their answer and upon which is the award and opinion of said Commissioners stated in writing and the said Complainant now totally disregards the said agreement and will not abide by the said award and compels these defendants still to go on in this worshipful Court to procure that Justice to which they are justly entitled after the great delay occasioned by said agreement etc. These defendants also herewith file copys of two separate Orders of the County Court of Bedford appointing Commissioners to settle the account current of these defts as Exors as also full and complete copies of the whole settlements made by said Commissioners showing most clearly the whole accounts both on the debit and credit side and the result That exclusive of the bond on Joseph Greer and others for the sum of \$713.00 which had been sued at Law and is depending in this Court on an Injunction and the result of which cannot be yet known the aggregate amount of assets is \$9,302.70 which after deducting therefrom the sum of \$99.00 agreed by said Commissioners to pay some small outstanding debts such as clerks and Sheriffs tickets attorneys fees etc which they allowed merely because it took an even sum from each legatees part of \$9 leaves the sum of \$9,203.70 to be divided among the eleven legatees of whom said McCormak is one and in which said account current is included the debts on said McCormack enjoined by him in this Court. All which said accounts and reports of said Commissioners as herewith filed are prayed to be taken as parts of this answer and from which it appears that each legatees part is only \$836.70 These Defendants also file herewith said Complainant's Bond for the beforementioned \$705.26 with the credit of aforesaid endorsed thereon which they also pray may be made a part of this answer From all which there appears and is due these defendants as Exors a considerable ballance by said McCormack after crediting him on the aforesaid Bond of \$705.26 and his said Bond of \$421.34 in this Court enjoined and on an account against him on which there is due now a balance of \$137.61 by the full amount of his legacy in the

estate of the said Joseph Wright decd. These defendants now are and always have been willing to credit the said Complainant by his legacy in said Estate whenever the same is clearly ascertained. These defendants further state at the death of their testator Jos. Wright decd. they found amongst said decedants papers an account purporting to be due their said Testator of £87:5:8 against said Complainant McCormack and which they verily believe to be just and that of said account said McCormack has only paid the sum of forty pounds which he voluntarily paid the Defendants still leaving unpaid of said account the sum of \$137.61 and which the said Commissioner aforesaid were satisfied by the proof adduced before them was still due and they accordingly allowed the same and these Defendants are charged with the same in their general account above referred to and marked No 3 by said Commissioners These Defendants therefore humbly conceive that taking the debts \$705.26 of \$421.34 of \$137.61 with Interest on the said Sums as stated and settled by said Commissioners in an interest account as made out by them of \$193.41 which they also referred & pray may be taken as part of this their answer they conceived that after crediting said Complainant, there will be a considerable ballance due them and they having as they conceive fully answered pray the dissolution of the Complainants Bill and that they may have the benefit of their Judgment at Law and their costs unjustly expended denying all fraud etc

The affidavit of John Pate of lawful age taken at the house of Lewis Lancaster in the County of Bedford on Saturday the 30th of September 1820 . . . saith that in the year 1815 in the month of February he was called upon by the late Joseph Wright who was then in a low state of health to write his will and to state the accounts of several of his children with him for dealings and for advances made to them for which they were to account on a division of his Estate after his death as this affiant was informed This affiant performed the writing required and stated the accts of his children he believes four or five or perhaps more amongst these accounts was one against Wm McCormack who intermarried with a daughter of the said Joseph Wright in which the said Joseph Wright charged the said William McCormack with £40 the balance of a stud horse sold to him This affiant was informed by the said Joseph Wright that he had received from said William McCormack in part payment for said stud horse a small tract of land and that the balance of £40 was by an agreement to stand as an advance of so much of his Estate to the said William McCormack, and that by agreement of the parties the said £40 was to bear no Interest during the life of him the said Joseph Wright, and that this affiant recollects stating that Item in the account to that effect by the instruction of the sd Joseph Wright at what time this transaction respecting the stud horse took place this affiant is unable to say but thinks he understood from the said Joseph Wright at the time of making the statement above mentioned that it had taken place many years before the said account contained various other Items chiefly money lent at different times and some grain and barr Iron the first Item for money lent he believes was in 1806 and the last in 1812 and all the Items in said account except the £40 aforesaid the said Joseph Wright charged Interest and this affiant at his request calculated the Interest on the different Items from their respective dates up to February 1815 and stated the same in said acct the amount of said account at that time including the said £40 and the Interest on money lent and other articles this affiant believes was a little upwards of £87:0:0 Question by the Deft Matthew Wright What is the distance from Lewis Lancasters to the house of Wm McCormack the Plt and what distance from said Lancasters to the place where the said Plt was raised Answer I think the Plt Wm McCormack lives about twelve or fifteen miles from Lewis Lancasters and the place where he was raised I think does not exceed two miles from said Lancasters . . . .

The summary of the case in File 812 continued with the following order:

The summary then contained a copy of the bond dated December 6, 1815, by William McCormack, Rite Wright and Solomon Wright mentioned above and the court order enjoining enforcement of the executor's judgment against McCormack.

The next document in File 812 was undated but appears to be the complaint by Matthew Wright and James Mayse asking for relief from the injunction obtained by McCormack against the enforcement of their judgment against him.

On June 28, 1819, at Bedford County, Virginia, County Court Order Book 17/636 an account for the estate of Joseph Wright was filed with the court and the commissioners allowed fees for their services:

On July 28, 1823, the court in File 812 ruled that a judgment would be entered against William McCormack unless he filed his answer within the time allowed.

On about October 3, 1823, at Bedford County, Virginia, County Court Loose Papers Peter Dent filed a complaint against the heirs of Joseph Wright for conveyance of the parcel of land agreed to be sold to John McCormack in 1813 and sold to Peter Dent by John McCormack on September 6, 1815:

On October 3, 1823, at Bedford County, Virginia, County Court Loose Papers a summons was issued against the heirs of Joseph Wright to answer the complaint of Peter Dent for conveyance of a parcel of land:

On November 4, 1823, in File 812 William McCormack filed his answer which provided as follows:

"This defendant reserving to himself all benefit of exception & for answer to so much of the bill of the complainants as he is advised is material, answer & says that he has no objection to the review of the decree heretofore made by this honorable Court in the suit instituted by this defendant against the plaintiffs, as he considers the balance decreed to be paid to the complainants to be more than he justly owes and he begs leave to call the attention of this honorable

Court to the following facts: The money alledged to be due by this defendant to the testator of the complainants on an open account is proved only by the testimony of John Pate who merely states the declarations of the said Testator, which the defendant is advised are no evidence against him, and by the testimony of Thomas Wright & Rite Wright who are distributees of the Estate of Joseph Wright, and consequently interested in establishing the charge against this defendant, while this defendant has proved by competent witnesses that on a general settlement of accounts with the said Joseph Wright in his life time, this defendant [unreadable] absence of all legal testimony to charge him with the said open account, this honorable Court considered this defendant bound by the award made up by the arbitrators, and referred to by the complainants in their answer to the defendants original bill, but this defendant avers that when he agreed to submit the matters in difference to arbitration it was on the condition that Moses Greer Junr. & Skelton Taylor in whose justice & impartiality this defendant well knew he could confide, should be added as referees to the commissioners appointed by the County Court of Bedford for settling the administration account of the complainants, especially as the said Commissioners were relatives & particular friends of the complainants, to which proposal the complainants assented, tho this defendant admits he might have signed a paper in which the names were not mentioned, he being altogether illiterate, and confiding in their verbal promises, and when afterwards the said complainants refused to let the said Moses Greer Junr & Skelton Taylor act as referees, this defendant did not consider himself bound by any award the other referees should make, and did not summon a single witness before them.

This defendant further answering says that when he bought the Horse in the proceedings mentioned he gave a tract of land in exchange for him and did not consider that he owed any thing further for the said horse, and when he paid the complainants £40 for the said horse, he considered and still considers that the land or the value of it should be returned to this defendant, and if, from his ignorance of law & unlettered condition he should have been mistaken in this, he submits to this honorable Court whether the said £40 ought not to go in part discharge [unreadable].

This defendant further says that he has been informed that a considerable sum of money had been lent by the said Joseph Wright in his lifetime to James Mays, one of the complainants, who lent it to Kyle & Mays, merchants in Lynchburg, for which money he is told no credit is given by the complainants in this administration account, and that the price of one of the slaves of their said testator, sold by the complainants to Joseph Greer has been lost to the Estate by the mismanagement as he is informed of the said complainants, if this defendant is able to establish these facts he trusts he shall be allowed his proportional part

decree as will vest her right & Interest in the same in the sd Peter Dent and having fully answered pray to be dismissed with their costs &c

On May 20, 1825, the case in File 812 came before the court and the court ordered the matter referred to commissioners for settlement:

"This cause came on this day to be heard on the bill, answer, exhibits and examinations of witnesses and was argued by counsel. On consideration whereof the court doth refer the accounts between the parties to one of the commissioners of the court who is directed to examine state and settle the same

and make report thereof to the court with any matters specially stated thought pertinent by himself or required by the parties to be so stated."

The commissioner returned an accounting after September 19, 1825, and apparently showed a balance due of \$540.06 from William McCormack.

The last three documents in File 812 were notes of counsel regarding the report of the commissioner, two of which were undated, arguing the case. The last note was by counsel for plaintiffs Wright and Mays and was dated October 18, 1828, asking the court to overrule the objections of McCormack to the commissioner's report.

The sale of the slave Peter by the estate of 1815 Joseph Wright and the subsequent death of Peter generated a second lawsuit in which Joseph Greer sued James Mays and Matthew Wright to set aside that sale. That suit is in File 361 of the Superior Court of Law and Chancery for the Lynchburg District. The initial document filed in that matter was the complaint of Joseph Greer dated September 20, 1817, which provided as follows:

"to the Honorable Creed Taylor Chancelor your orator Joseph Greer humbly represents that some time in the fall 1815 your orator purchased at the sale of Joseph Wright deceased of his Executors James Mays & Mathew Wright a certain negro man slave Peter who by them was set up & cryed by their auctioneer Eli Ferguson as a sound & healthy negro slave & bid off to your orator as such at the great Price of seven hundred & thirteen Dollars for which your orator Executed his bond payable twelve months thereafter. that immediately after the sale your orator discovered that the negroe slave Peter was unsound unhealthy and had long labourd under the worst kind of venereal by some called the Pox which was altogether unknown to & concealed from your orator. but with which your orator is informed & believes the Executors were well acquainted & long knew before the said sale. that the negroe Peter was unfit for labour & never did one days labour for your orator. & not with standing every medical aid that could be procured he lingered for six months and died. not with standing all which the Executors aforesaid brought suit on the bond aforesaid against your orator & his security in the Superior Court of Bedford County and at the September term (Instant) recovered Judgement when your orator offered oral evidence of the facts here stated but the bond sued on being under seal was not permitted by the court to go into the consideration, wherefore your orator is remideless at law and only releaveable in Chancery & the conduct of the Executors in this behalf is opprebius contrary to Equity & good conscience & greatly tends to the wrong Enjury & oppression of your orator wherefore he prays that James Mays & Mathew Wright Executors as aforesaid be made Defendants

to this Bill & compelled on oath to answer its alligations as particularly as if again thereto interrogated & the whole truth set forth & discover respecting the primisses & that your Honor will award an Injunction to stay all farther proceedings on said Judgement untill the matters & things herein contained be heard in Equity & you then ceence (?) to your orator what to Equity belongs and your orator as in duty bound will pray

On the back of the complaint in File 361 was the following notation:

The answer of James Mayse and Mathew Wright in File 361 was filed on January 27, 1818, and provided as follows:

"The answer of James Mayse and Matthew Wright Executors of Joseph Wright deceased, to a bill of complaint exhibited against them by Joseph Greer in the Superior Court of Chancery for the Lynchburg District

These defendants saving and reserving to themselves all benefit of exception to the many errors and false allegations in the complainants bill contained, for answer to so much thereof as they are advised it materially concerns them to answer, they answer and say. That they are advised that the matters and things in the said bill contained and set forth, are not sufficient to give this court Jurisdiction of the cause; and they pray that they may be allowed the benefit of this exception in the same manner as if the same had been more formally pleaded: These defendants further answering say, That acting as the Executors of Joseph Wright deceased, they sold at public auction the slave Peter in the bill mentioned, and that the complainant became the purchaser at the price therein stated. but it is not true that they were apprized, or even had a suspicion of any unsoundness in the slave at the time of sale: nor do they in fact believe that he was at that time unsound: They knew but little of him, he had the appearance of perfect health: one of the defendants, James Mayse, bid the sum of seven hundred and ten Dollars for him with an honest and sincere wish of becoming his owner. There were many other bidders for him, all of whom it is believed were as well acquainted with his condition as to health as these Defendants. And they cannot forbear to express their astonishment at the plaintiffs bill in as much as they (although living but a short distance from him) never heard of the charges therein contained until presented with a copy thereof. These defendants very much regret the death of the slave, but it is a loss which they humbly conceive the complainant must bear. They think he can have no right to cast upon them, in as much as they acted with perfect good faith in the sale. They yet believe the slave to have been perfectly sound at that time. if he was otherwise, it was neither known nor suspected by them - having the answered the complainant's bill so far as they are advised it materially concerns them to answer the same. They pray to be hence dismissed with the benefit of their Judgement at law and their costs (thus expended) in defending this injunction & will have

On the back of the answer in File 361 was the court notation that provided as follows:

"On the motion of the defendants, by counsel, to dissolve the injo. awarded the plff, on the twentieth day of September one thousand and eight and eight hundred and seventeen, the court, upon reading the bill, the answers of the defendants, the examinations of witnesses, and on hearing counsel in opposition to the motion, doth order that, an issue be made up and tried before the superior court of law for the county of Bedford, to ascertain whether the negroe man Peter, in the bill mentioned, was a healthy sound man, at the time, he was purchased by the plaintiff of the defendants, or not; and that the verdict, to be found thereupon, be certified to this court: and, the court doth further order that with neither of the parties shall be allowed to take copies, of any of the said examinations; nor in any manner to use the same on the trial of the said issue; unless it be under such circumstances as would admit of the reading of a deposition taken de be ne esse.(?)"

A number of depositions were taken in File 361 as evidence relating to the issues of whether Peter the slave was sound or not at the time of the sale and whether he had been so described at the auction of 1815 Joseph Wright's estate. The first set of despositions were taken at the house of Johnson Noble and included the following:

The deposition of Joseph L. Greer on May 2, 1818, and provides in part as follows: "1. Quest by the Plf Did your Father Joseph Greer ever own any other negro of the name of Peter . . . .";

Additional depositions were then taken at various locations:

The deposition of Eli Fergeson at an undisclosed location on May 4, 1818;

The deposition of William Arther at his private(?) dwelling house in Bedford County on May 5, 1818;

The affidavit of George D. Saunders at William Arther's residence on May 5, 1818;

The affidavit of Joseph Arther at William Arther's residence on May 5, 1818;

The deposition of Cary Arther at William Arther's residence on May 5, 1818;

The deposition of Elias Yates that was undated, but was probably May 2, 1818, since it was taken at Joshua Noble's house.

After the depositions were taken, the case in File 361 was submitted to a jury to determine whether Peter the slave was sound or unsound at the time of the sale and on September 15, 1819, the jury consisting of William Lefwitch, William Otey, Henry Terry, Samuel Edmondson, John Cobb, Littleberry Lefwitch, Daniel Saunders, David Saunders, Jr., Franklin Creesly, Samuel Robins, George Skelton, and Benjamin A. Donald, returned their verdict that "the negro slave Peter was an unsound negro at the time of sale".

A second jury verdict in File 361 was obtained on July 25, 1822, from a jury consisting of John F. Hawkins, Edward Gwatkin, Lodowick McDaniel, James Watts,

John Palmer, James Lancaster, Archibald Hatcher, Ellison Clark, Matthew Bellamy, Henry Stephens, Adam Beard, and Nelson A. Thompson, who also concluded that "the slave Peter was an unsound & unhealthy man at the time of the sale referred to".

Thereafter an undated order of the court in File 361 was issued as follows:

"This cause came on this day to be heard on the Papers formerly read, and the verdict of the jury certified to have been found in pursuance of the order of the \_\_\_\_ day of \_\_\_\_ and was argued by counsel on consideration whereof the court doth adjudge order and Decree that the Injunction awarded the Plaintiff in this cause on the \_\_\_\_ of \_\_\_\_ to restrain the Defendants etc be perpetuated and that the Defendants out of the estate of their testator etc pay unto the Plaintiff the cost by him expended as well as in the trial as the Issue aforesaid as the original suit at law & in the prosecution of this suit."

Thereafter the depositions of William J. Dickerson and Henry Chapman in File 361 were taken at an undisclosed location on October 8, 1822. The depositions of Jeremiah Meador and Franky Dickison or Dickeson in File 361 were also taken on October 10, 1822.

In addition, there was a deposition of an Anthony P. Wright in File 361 on October 10, 1822, signed Anthony Penell Wright which provided in part as follows:

". . . . That He observed to Peter that H must be much of a Man That he intended to perswad his Father or Brother to buy him. Peter said he did not wish his master Tommy to buy him because he would be to far from his wife . . . . 1st Quest by Plf Is not your a Legatee in Joseph Wright's Estate Answer It is so said . . . ."

There are only two known Anthony Wrights in Bedford County. The first was the son of 1803 John Wright and there is no evidence that he had a middle initial P or middle name Penell. In addition, he would not have attempted to "perswad his Father" to buy Peter, since 1803 John Wright had died more than twelve years before the sale. The other Anthony Wright was an Anthony P. Wright, the grandson of Anthony Wright and great-grandson of 1803 John Wright, but that Anthony P. Wright was not born until after the sale of the slave Peter had been held. The identification of this Anthony Penell Wright or Anthony P. Wright remains a mystery, but as will be set forth below, he may have been a son of Anthony Wright and grandson of 1803 John Wright.

In June 1825 at Bedford County, Virginia, County Court Loose Papers Matthew Wright filed his answer to the complaint of Peter Dent for delivery of land due him from the estate of Joseph Wright:

"The separate answer of Mathew Wright to a bill of complaint Exhibited against him and others in the County Court of Bedford by Peter Dent

On April 24, 1826, at Bedford County, Virginia, County Court Order Book 20/219 additional commissioners were appointed by the court to settle the account of the estate of Joseph Wright:

"Ord. that William Shrewsbury & Henry Hurt be added to the Comrs formerly appointed to settle the a/c current of Joseph Wright Dec any three of whom may act & report to court"

On June 23, 1828, at Bedford County, Virginia, D.B. 21/68 Robert C. Mitchell, as commissioner, conveyed to Peter Dent title to the property previously sold by 1815 Joseph Wright but not conveyed before death:

"Whereas the undersigned Robert C. Given under my hand this 22nd day of June in the year 1840.

Matthew Pate

N.B. It will be perceived that in the settlement of this account I have cross charged McCormack's bond of \$421:34 credited in the account current as settled the 17th June 1819 which bond was then in suit a judgment was obtained and a bill of Injunction was filed restraining the collection of all but \$316. and some cents execution issued for that Sum together with the damages and interest amounting to the sum of \$454:13 the balance of McCormacks bond remaining uncollected as yet, but when collected if ever will be a subject of distribution

Matthew Pate

At a Court held for Bedford County the 22nd day of June 1840.

This account current of the estate of Joseph Wright deceased with the executors was produced in Court and ordered to lie for exceptions, and it is ordered that the item of \$20. paid the Commissioner for Settling said account be confirmed. And at a Court held for said County the 27th day of July 1840 no exceptions having been taken to said account the same is ordered to be recorded.

That accounting apparently finally settled the estate of 1815 Joseph Wright of Bedford County.

The will of 1815 Joseph Wright of Bedford County did not name his wife or make any mention of her, suggesting that she was probably dead by the time it was written. And none of the deeds which can be clearly identified as ones to which 1815 Joseph Wright was a party grantor names his wife. All of the deeds which name a Joseph Wright with a wife Elizabeth are the deeds of 1831 Joseph Wright, the son of 1814 John Wright, and not of 1815 Joseph Wright. However, it is possible to identify the two wives of 1815 Joseph Wright by alternative methods.

Mrs. Lois Baird found a remarkable declaration and assignment by Littleberry Wright dated June 19, 1873, and recorded at Deed Book P, page 139, Meade County, Kentucky:

"Meade County State of Kentucky, United States of America the nineteenth day of June A.D. One Thousand Eight Hundred and Seventh Three,

I Little Berry Wright of the County State and Country aforesaid was born March the 25th twenty \_\_\_\_ day One Thousand Seven Hundred and Ninety One in the State of Virginia near Bedford or Franklin County. My father was named Joseph Wright Jr. of Bedford County Virginia. he was a Son of Joseph Wright Sr. of the County of Bedford and State aforesaid who was my grandfather.

To the best of my Knowledge my grandfathers, Father was named Joseph Wright and moved from England to this Country before the Independence of the

United States, and married a Miss Kemp, in the Territory now Known as the State of Maryland and afterwards removed to what is now Known as Bedford County Virginia and lived there until his death.

My Great Grand Father and mother had nine children, two Sons Joseph, and John. Seven daughters Elizabeth who never married and Dorcus are the only names of the daughters that I remember but Know that four of the girls married One married a man by the name of Smoot(?) but had no children by him the three others that were married married men by the names of May, Day & Scott,

My Grand Father had five children by his first wife which was my Grand mother the names of which was Thomas, Mary, Milly, John and Joseph, The names of the children by his Second wife was named Aggie Nancy, Basheba, Judith, Martha, Mathew & Wright-Wright making twelve in all. My own father Joseph Wright Jr. married Mary Cook for his first wife and had three children by her, named David, John & Berry, his first wife Mary Cook was my mother, He married for his second wife Clara Drake and had one child by her named Martin G. Wright, He married for his third wife Martha Poggins by whom he had four children named Elizabeth, Frank, Louise and Mary.

Martin G. Wright son of the said Joseph Wright by his Second wife Clara Drake married Delila McCormick by whom he had eleven children named Poling(?) - Riley - Elvira - Polisty - Lucretia Minerva - Clarinda - Joseph Henry - Gilbert - Sanford - Delila -

My Grand father raised me from my infancy and I recollect well that my Grand father had in his possession a chest of papers that was sent to his father from England in reference to a large amount of money coming to him from an estate in England and that he employed a man by the name of Joseph Penuell to go to England and get said money for him but he failed to go to England claiming that he was taken sick and could not go, and gave the papers back to my Grand father who put them back in the Chest. I staid with my Grandfather until his death, and his son Mathew Wright and his Son in law James Mays administered on his estate and after the Sale was over James Mays brought the chest of papers out and stated that the whole amount of the Sale was not worth anything compared with this meaning the chest of papers -

I myself married Elizabeth Meadows on the twentieth of December A.D. One Thousand Eight hundred and Seventeen in Bedford County Virginia and had by her ten daughters three of whom are dead, the names of those living are as

follows. Marinda J. Stith, Drucilla F. Fife, Rhoda M. Pearman, Luticia Stith, Elizabeth Hudspeth, Oney Stith, Crittera Heagan.

The statement that his grandfather Joseph Wright ". . . . had five children by his first wife which was my Grandmother the names of which were Thomas, Mary, Milly, John and Joseph. The names of the children by his second wife was named Aggie, Nancy, Basheba, Judith, Martha, Matthew & Wright making twelve in all . . . ." corresponds to the children named in the will of 1815 Joseph Wright, except that Milly was not mentioned and Martha was listed as Patsey. However, the names of the two wives were not listed.

Our Kin stated at page 636 that "Joseph Wright, son of Thomas and Mary Wright, married Elizabeth Kemp in Maryland." However, no source is given for that statement.

But the declaration of Little Berry Wright also stated that:

"To the best of my knowledge my great grandfather was named Joseph Wright and moved from England to this country before the Independence of the United States and married a Miss Kemp in the Territory now known as the State of Maryland and afterward removed to what is now known as Bedford County Virginia and lived there until his death."

This is the one paragraph in the declaration where Little Berry expressed some doubt about his information. In the next paragraph Little Berry identified four of the children of his grandfather as John, Joseph, Elizabeth and Dorcas, the last name clearly identifying 1763 Thomas Wright as Little Berry's great grandfather.

The result is that while Little Berry apparently correctly identified his grandfather's first marriage to Elizabeth Kemp, he mistakenly thought it was that of his great grandfather. At the minimum there is a separate and independent statement of a Joseph Wright marrying a Miss Kemp in Maryland.

A third piece of evidence is that the name Kemp appears in the name of a descendant of 1815 Joseph Wright. Joseph Kemp Wright was the son of Rite Wright and the grandson of 1815 Joseph Wright. This man was known among his family as "Uncle Kemp" and the middle name Kemp is listed as his name in notes regarding the family history written by Mary Rachel (Turner) Newbill, in 1937 and which notes are now held by Mrs. Albert E. Jenner, Jr., Kenilworth, Illinois, and a copy of which was given to me by Mrs. Sandy Mealoy, 806 Gellert Blvd., Daly City, California, a great great granddaughter of Rite Wright.

Finally, the conclusion that 1815 Joseph Wright married Elizabeth or Miss Kemp in Maryland is supported by the fact that 1763 Thomas Wright lived there from roughly 1733 to at least 1745, and possibly later. 1815 Joseph Wright could then have been old enough to marry Elizabeth Kemp while the Wright family resided in Maryland, or went back to Maryland to marry after his family moved away.

Based on the above I think it is fair to conclude that 1815 Joseph Wright married Elizabeth Kemp as his first wife. Unfortunately, no marriage listing for a Joseph Wright and any wife named Kemp has been found.

The evidence that 1815 Joseph Wright of Bedford County married Judith Pate, the daughter of 1768 Edward Pate, as his second wife is based on a break in the chain of title of certain property in Bedford County by which property originally owned by 1768 Edward Pate and given by him in his will to his children, including Judith, ended up in the hands of 1815 Joseph Wright.

In Bedford County, Virginia, Deed 3/89 dated May 26, 1767, George Walton sold 774 acres of land to Edward Pate. The legal description of that deed and a plat of the property are set forth in connection with 1803 John Wright above. As mentioned in that section, there is no listing of Edward Pate as grantor of that land and he devised the property in his will dated November 19, 1767, and proved May \_\_, 1768, as follows:

To his son Matthew Pate	274 acres
To his son Anthony Pate	100 acres
To his son Thomas Pate	100 acres
To his daughter Judith	200 acres
To his son Jeremiah Pate	<u>100 acres</u>
Total	774 acres

In Bedford County, Virginia, Deed 9/47 dated December 17, 1791, Anthony Pate sold his 100 acres to 1815 Joseph Wright. There are no deeds in which Matthew Pate, Judith Pate, or Jeremiah Pate are named as grantor prior to 1798. There are four deeds from Thomas Pate, as grantor, but as set forth above in connection with 1803 John Wright, all of those deeds involve property other than that described in Bedford County, Virginia, Deed 3/89. The result is that there is a recorded conveyance of only 100 acres of the land from 1768 Edward Pate's children prior to 1798.

However, in Bedford County, Virginia, Deed 10/318 dated July 24, 1797, 1815 Joseph Wright conveyed 300 acres as a gift to his son Matthew Wright. The legal description of that land and a plat of the property are given above in connection with 1803 John Wright, and that section also places that 300 acres within the boundaries of

the original grant to 1768 Edward Pate in Bedford County, Virginia, Deed 3/89. The question is how 1815 Joseph Wright acquired the additional 200 acres beyond what he bought from Anthony Pate by Bedford County, Virginia, Deed 9/47 and which he then gifted to Matthew Wright by Bedford County, Virginia, Deed 10/318.

The answer seems clearly to be that 1815 Joseph Wright married as his second wife Judith Pate, Judith owned her 200 acres, and that property passed to 1815 Joseph Wright on Judith's death by intestate succession without the necessity of a formal document of transfer, then 1815 Joseph Wright owned the land, and then gifted it to his and Judith's son Matthew.

Such a transfer explains why there is a break in the chain of title for this property between 1768 Edward Pate's children and 1815 Joseph Wright and Judith's earlier death explains why she was not mentioned in 1815 Joseph Wright's will.

One item which requires explanation is the Bedford County marriage bond of Judith Pate and Charles Callaway dated December 14, 1768. That marriage bond is for Judith (Early) Pate, the widow of 1767 John Pate, and not for Judith Pate, the daughter of 1768 Edward Pate. The evidence for that conclusion is as follows.

In Bedford County, Virginia, Deed 3/51 dated February 25, 1767, Jeremiah Early gifted certain property to John Pate and refers in that deed to his daughter Judith as the wife of John Pate:

"This Indenture made this Twenty fifth day of Feby. in the Year of our Lord Christ one Thousand seven Hundred & sixty seven Between Jeremiah Early of Bedford County of the one part and John Pate of the said County of the other part Witnesseth that the Said Jeremiah Early as well for the Natural Love and Affection which he hath and Beareth unto Judith his Daughter wife of the above said John Pate . . . ."

John Pate's will was dated August 23, 1767, and probated September 23, 1767, at Bedford County, Virginia, W.B. 1/56. Jeremiah Early is the named executor and the will provides in part as follows:

"I give my Whole Estate to my Loving wife and as she is with Child at this Time my Desire is that When the Child Groing up to Years of Meturaty it Shall have the half of my Estate at that Time and at my Wife Death shall have all . . . ."

The will of 1768 Edward Pate, written on November 19, 1767, shortly after his son John's death, provides for his daughter- in-law Judith and her now born son John:

"Item I give and Bequeath To my Grandson (son of John Pate and Judith his Wife) Ten Pounds Cash to be paid if he lives to be Ten Years Old on purpose to Give him Learning and if he should Dye before he Comes to be Ten Years Old my will and Desire is that the Said Ten pounds Shall Remain in my Estate forever . . . ."

The marriage bond of Judith Pate and Charles Callaway was dated December 14, 1768, over a year after Judith (Early) Pate became a widow.

Our Kin at page 295 stated that the wife of Charles Callaway was Judith Early Pate, daughter of Jeremiah Early.

The result is that Judith Pate, daughter of 1768 Edward Pate, was not the Judith Pate who married Charles Callaway in 1768; rather it was Judith (Early) Pate, his daughter-in-law.

There is additional evidence that Judith Pate was the second wife of 1815 Joseph Wright. In the declaration of Little Berry Wright dated June 19, 1873, he stated that the children of his grandfather 1815 Joseph Wright's second wife were Aggie, Nancy, Basheba, Judith, Martha, Matthew, and Wright. Judith Pate's mother was Martha (\_\_\_\_) Pate and one of her brothers was Matthew; the fourth daughter would be Judith's own name. The repetition of family names is striking.

In addition, the name Pate appears among the descendants of 1815 Joseph Wright. Matthew Wright named one of his sons Joseph Pate Wright and he in turn named one of his sons Joseph Pate Wright II.

Finally, there was probably already a family connection with the Pates in that 1815 Joseph Wright's brother 1803 John Wright married Elizabeth Pate, the daughter of Anthony Pate.

The result of this evidence I believe is a convincing case that 1815 Joseph Wright married as his second wife Judith Pate, the daughter of 1768 Edward Pate.

Another piece of confusing evidence is the death certificate for Rite Wright, son of 1815 Joseph Wright, which listed the decedent's parents as Joseph and Clara Wright with the informant Fleming J. T. Wright, the decedent's son. However, as will be shown

below in the section on Joseph Wright, the son of 1815 Joseph Wright, that Joseph Wright married Clarissa Drake and it is possible that Fleming J. T. Wright confused these two Joseph Wrights when providing the information for the death certificate.

Given the list of the children of 1815 Joseph Wright by his two wives, it is possible to estimate the dates of birth and death of those wives.

The first five children of 1815 Joseph are listed as Thomas, Mary, Milly, John, and Joseph. As will be discussed more fully below, their dates of birth may be estimated as follows:

Thomas	c. 1760 and between 1760 and 1762
Mary	c. 1770
Milly	?
John	before 1783 and probably between 1770 and 1780
Joseph Wright	between March 31, 1766 and 1775 and probably before 1767

The seven children of the second marriage are listed as Aggie, Nancy, Basheba, Judith, Martha, Matthew, and Wright. Their dates of birth may be estimated as follows:

Agnes	between 1760 & 1770
Nancy	between 1765 and 1777
Barsheba	probably before 1791
Judith	between 1776 and 1794 and probably about 1776
Martha "Patsey"	between 1780 and 1784 or c. 1780
Matthew	October 19, 1776, or between 1776 and 1780
Wright or Rite	c. June 1780 or between 1775 and 1790.

While the dates are somewhat confused and in part contradictory within the second group, there seems to be a grouping of the first set of births from 1760-1765 to the early 1770's and of the second set from the mid-1770's to the mid- 1780's.

The implication is clear that Elizabeth (Kemp) Wright had probably died before about 1775 and possibly as early as 1773 or 1774. Since Thomas was born about 1760, if Elizabeth (Kemp) Wright was at least 16 years of age at the birth of her first child, her birth date would be probably before 1745. I suspect that 1815 Joseph Wright

and Elizabeth Kemp were married about 1760 shortly before he purchased his land in Bedford County and that she died about 1770 after her fifth child was born, based on two years per child on average, but this must remain merely speculation at this stage.

Judith (Pate) Wright was born before November 19, 1767, since she was mentioned in her father Edward Pate's will of that date. And she married after that date because she was referred to by her maiden name. Although the birth dates remain confused, she appeared to be having children by 1776. This suggests a marriage about 1774 and a birth date of probably before 1759. None of her children appear to have been born after 1790 and this would be consistent with having seven children with one born about every two years from 1774 on. Since she was not mentioned in 1815 Joseph's will, she probably died before 1815. In addition, since there was no female listed in Joseph Wright's household in 1810 and only one child aged 0- 10, she probably died before 1810. Since they were residing in Bedford County during that period, her death probably occurred there.

The will of 1815 Joseph Wright dated February 21, 1815, proved on September 11, 1815, and recorded at Bedford County Superior Court Book A/15 listed the following descendants:

- 1) Barsheba Simmons, wife of Joel Simmons,
- 2) Nancy Meador, deceased, and her children:
  - a) Jane Meador,
  - b) Jubal Meador,
  - c) Joseph Meador,
  - d) Judith Meador, and
  - e) John Meador,
- 3) Judith McCormack, wife of William McCormack,
- 4) Patsey Mayse,
- 5) Thomas Wright, )
- 6) John Wright, ) eldest sons
- 7) Joseph Wright, )
- 8) Mary Greer,

- 9) Agness Mayse,
- 10) Matthew Wright, and
- 11) Rite Wright.

The will also referred to 1815 Joseph's son-in-law James Mayse. As set forth above, the declaration of Little Berry Wright stated that 1815 Joseph's first five children were:

- 1) Thomas,
- 2) Mary,
- 3) Milly,
- 4) John, and
- 5) Joseph.

This is consistent with the will which describes Thomas, John, and Joseph as his three oldest sons, but the declaration adds Milly as a child. The declaration also stated that the second seven children were:

- 6) Aggie,
- 7) Nancy,
- 8) Basheba,
- 9) Judith,
- 10) Martha,
- 11) Matthew, and
- 12) Wright.

In her letter dated November 30, 1992, Mrs. Katharine Williams enclosed a copy of D.A.R. Application No. 287409 for Mabel Wright Ballard dated October 10, 1934, which stated that Joseph Wright was born about 1740, married Elizabeth Kemp in about 1762, and died in 1815 and that Elizabeth Kemp was born in 1742 and died before 1815.

NSSAR Application #79314 for Alfred Bunyan Lemon dated November 13, 1956, stated that Joseph Wright was as son of Thomas Wright and Mary (\_\_\_\_) Wright, born about 1744, married about 1763, and died in February 1815, that Elizabeth (Kemp) Wright was born about 1746 and died before 1815, and that the source of this

information was Maryland Family Papers and that the marriage license of Joseph Wright was in the possession of Maggie MacManaway, Route 1, Stewartsville, Virginia.

From the evidence set forth above and additional evidence set forth below the children of 1815 Joseph Wright of Bedford County and Elizabeth (Kemp) Wright were the following:

- 1) Thomas Wright, born about 1760 or between 1760 and 1762 probably at Bedford County, Virginia,
- 2) Mary (Wright) Greer, born about 1770 at Bedford County, Virginia,
- 3) Milly Wright,
- 4) John Wright, born probably between 1770 and 1780, and
- 5) Joseph Wright, born between March 31, 1766, and 1775 and probably before 1767, and

the children of 1815 Joseph Wright of Bedford County and Judith (Pate) Wright were the following:

- 1) Agness (Wright) Mayse, born probably between 1760 and 1770 probably at Bedford County, Virginia,
- 2) Nancy (Wright) Meador, born between 1765 and 1777 probably at Bedford County, Virginia,
- 3) Barsheba (Wright) Simmons, born probably before 1791 probably at Bedford County, Virginia,
- 4) Judith (Wright) McCormack, born between 1776 and 1794 and probably about 1776,
- 5) Martha "Patsey" (Wright) Mayse, born between 1780 and 1784 or c. 1780 at Virginia, probably at Bedford County, Virginia,
- 6) Matthew Wright, born October 19, 1776, or between 1776 and 1780 probably at Bedford County, Virginia, and
- 7) Wright or Rite Wright, born about June 1780 at Virginia, probably at Bedford County, Virginia.

1. 1849 Thomas Wright Of Franklin County, His Wives Phebe (\_\_\_\_\_) Wright And Susannah (Pasley) Wright, And His Descendants

1849 Thomas Wright of Franklin County was the son of 1815 Joseph Wright of Bedford County and Elizabeth (Kemp) Wright. (1763 Thomas<sup>1</sup>, 1815 Joseph<sup>2</sup>)

The 1782 Personal Property Tax List for Bedford County, Virginia, listed Thomas Wright with the following property:

This record indicates that Thomas Wright was born before 1762.

The 1783 Personal Property Tax List for Bedford County, Virginia, listed Thomas Wright with the following property:

The 1784 Personal Property Tax List for Bedford County, Virginia, did not list a Thomas Wright.

On August 24, 1784, at Bedford County, Virginia, D.B. 7/484 Thomas Wright purchased 281 acres of land from Matthew Talbot:
