And the Court, approving the report of L D Haymond and S Griffin, doth confirm the collections and disbursements made by them; and it appearing from the report of Commissioner Wharton that after discharging the debts secured in the trust deed, the lands of William H. Muse, or his attorney, may withdraw the certificate of Deposit of the Peoples Savings Bank at Lynchburg filed with the report of Commissioners Griffin and Haymond for the sum of One hundred and thirty three dollars and eighty seven cents with interest thereon after the rate of six per centum per annum from the 9th day of December 1871 until paid upon leaving a receipt therefor with the Clerk and collect the same in part of his claim against the said Fleshman And the Court doth further adjudge, order and decree that the aforesaid Commissioners do pay over to the said Thomas R. Muse the balance of the purchase money for the land sold by them, as they shall collect the same, and make report of said collections and payments to this Court. And the Court approving doth confirm the report of John R. Thurman of the collections and payments made by him, and doth also approve and confirm the report of John R. Thurman and S. Turner Executor as aforesaid the balance of the purchase money for the land sold by them as they shall collect the same, and that they make report to this Court of their collections and payments. And all the purposes of the first

mentioned suit of Wright's administrators against Gish &c. being now accomplished, it is ordered that it be separated from the case Turner's Executor against Gish &c and discontinued and stricken from the docket, with the reservation of liberty to any person interested, hereafter to apply for any further decree or order that may be necessary to carry any of the decrees heretofore made into full effect"

Ro. S. Quarles, C.B.C."

Before August 28, 1880, James M. Wright, Peter M. Wright, Joel B. Lemon, and Eliza A. Lemon filed a complaint in Bedford County, Virginia, Chancery Court, File 1890, against Stephen W. Wright and Joel W. Wright for distribution of the estate of their father Peter M. Wright, Sr:

"To the Hon'l, the Judge of the Circuit Court of Bedford County, in chancery sitting:

Humbly complaining, shew unto your Honor your orators and oratrix James M. Wright, Peter M. Wright, Joel B. Lemon and Eliza A. his wife, that Peter M Wright Senior, late of Bedford County, was in his lifetime, and at the time of his death,

possessed of a considerable personal estate, consisting of ordinary personalty, slaves bonds, notes, accounts and money. That the said Peter M Wright, senior, sometime about the day of \_\_\_\_ 1860 departed this life intestate, leaving Sarah Wright his wife, your orators James M. Wright & Peter M. Wright, your oratrix Eliza A. Lemon and Stephen W. Wright, Joel W. Wright, Mary J. Wright, who intermarried with James D. Craft, Nancy A. Wright, who intermarried with Charles H. McManaway and Susan J. Wright, who intermarried with William W. Basham, his children and heirs at law him surviving. Your orators and oratrix further show that on the \_ day of 187\_ the said Sarah Wright departed this life, and that at the November term 1860 of the County Court of Bedford County the aforesaid Stephen W. Wright and Joel W. Wright obtained from said Court letters of administration of the goods, chattels and estate of the aforesaid intestate Peter M Wright Sr., and have by virtue thereof possessed themselves of the personal estate and effects of the said intestate to a large amount and value, and much more than sufficient to pay his just debts and funeral expenses. Your orators and oratrix would further show that the said personal property was duly appraised, and that by said appraisement it was valued at \$21,944.15 as will more fully appear by a copy of said appraisement herewith filed, marked "No 1". That the sales of ordinary property and of some of the negroes amounted to the sum of \$7,973.54 as will also more fully appear by a copy of the list of said sales, herewith filed marked "No 2". Your orators and oratrix would further show that at irregular periods from the year 1864 to the year 1871 the said administrators rendered some accounts before the commissioner of accounts of the said County Court of Bedford County, but that since the last named date the said administrators have failed to make such settlements as the law requires, and that there remains in the hands of the said administrators a large sum of money, of which your orators and oratrix are entitled to their respective shares, and of which your said orators and oratrix have tried in vain to induce the said administrators to render an account. All which actings and doings are contrary to equity and good conscience, and tend to the manifest wrong and injury of your orators and oratrix. In tender consideration whereof, and for as much as your orators and oratrix can only have adequate relief in the premises in a court of Equity and to the end that justice may be done your orators and oratrix pray that the said Stephen W. and Joel W. Wright in their own right and as administrators as aforesaid, James D Craft and Mary J, his wife, Charles H. McManaway and Nancy A. his wife, William W. Basham and Susan J his wife, may be made parties defendant to this bill, and required to answer the same upon their respective corporal oaths, and that as fully and particularly as if the allegations thereof were here again repeated, and they thereto severally and distinctly interrogated that an account may be taken by and under the direction of this Court of the personal estate and effects of the aforesaid, Peter M. Wright Sr. possessed by or come to the hands of the said Stephen W. Wright and Joel W. Wright his administrators, or to the hands of any other person or persons by their order or for their use; and also an account of said intestates debts and funeral

expenses; and that the said intestates personal estate may be applied in due course of administration; that the clear residue thereof may be ascertained; and that your orators and oratrix, respectively, may be paid their respective shares of such clear residue, and that such other, further and general relief be afforded your orators and oratrix as the nature of the case may require, and to equity may seem meet. Grant to your orators & oratrix the commonwealths writ of summons &c and as in duty bound will ever pray &c

Griffin & Lowry p.q."

This record indicates that Peter M. Wright died before December 1860, at Bedford County, Virginia, that his wife Sarah Wright died some time in the 1870's, and that they had the following children:

- 1) James M. Wright,
- 2) Peter M. Wright,
- 3) Eliza A. (Wright) Lemon,
- 4) Stephen W. Wright,
- 5) Joel W. Wright,
- 6) Mary J. (Wright) Craft,
- 7) Nancy A. (Wright) McManaway, and
- 8) Susan J. (Wright) Basham.

On August 28, 1880, Stephen W. Wright and Joel W. Wright answered the complaint in File 1890 and asserted that the estate had been accounted for and the cash distributed as collected in lawsuits:

"The joint answer of Steven W Wright and Joel W. Wright Administrators of Peter M Wright Sr to a bill of complaint exhibited agt them & in the Circuit Court of Bedford by James M Wright, Peter M Wright, Joel B Lemon & wife, your respondent for answer to so much of said bill, as they are advised that it is necessary for them to answer, Admit as charged in their bill, that they are the legally authorized Admrs of Peter M Wright Sr, and admit that as such Admrs they became possessed of a considerable amount of personal property, amounting as shown by exhibit 1 filed with the plaintiffs, bill in the sum of \$21,944 & 15 ct but in this amount is indeed, notes, bonds, accounts, and a small amount of cash on hand at their intestates death, in all amounting to the sum of \$14,351.76 a large portion of these debts proved to be insolvent after your respondent using due diligence to collect the same, some of these debts which will ultimately be made are still in litigation. Your defendants filed with their

answer copies of their settlement of this Estate marked C D E F G & H which they pray to be taken as a part of this answer, so that with the exhibits of other settlements filed with plaintiffs bill, show that they have from time to time settled their accounts with this Estate, and paid over to the distributees the full amounts of their respective shares in this personal Estate by the sum of \$186.34 balance in their hands due distributees, and the last settlement January 1878 Since this last settlement your respondent have collected as debts due the Estate, from suits in Court & otherwise about \$\_\_\_\_\_ which, they hold subject to the order of the Court in this suit after availing them with \$\_\_\_\_\_ paid distributees out of this sum since last settlement

On September 4, 1880, the court in File 1890 entered its decree ordering an accounting for the estate:

"Wright James M &c )

On September 9, 1880, at Bedford County, Virginia, Chancery Court Order Book 10/85 in the case of Stephen W. Wright v. Wright H. Wright the court ordered the division and allotment of land between the parties:

"Stephen W. Wright, against Wright H. Wright,	Plaintiff  Defendant
---	----------------------------

This cause came on this day to be heard upon the bill and exhibits, answer of the defendant and replication thereto, the depositions of witnesses, and exceptions to parts thereof, and was argued by Counsel. Upon consideration whereof, the Court is of the opinion that the partition of the land in the bill mentioned as made by M. French, W. W. Foutz and J. D. Meador should be sustained, and that the parties should convey to each other the several parcels of the said land allotted to them respectively by a deed of partition: therefore the Court doth adjudge, order and decree, that Luther D. Haymond, who is hereby appointed a Commissioner for that purpose, do on behalf of the parties respectively execute a proper deed of partition between them of the tract of Forty eight and one half acres of land mentioned in the allotment and decision of said French and others and of the plat and survey marked "BB" filed with the papers

and deliver the same to said parties ready for recordation: and that the plaintiff do pay to the defendant his costs by him about his defence in this behalf expended: and that this cause be stricken from the docket."

In November 1880 at Bedford County, Virginia, W.B. 25/166 Stephen W. Wright and Joel Wright filed a further accounting for the estate of Peter Meador Wright:

On or about September 5, 1890, the children of Stephen W. Wright filed a complaint in Bedford County, Virginia, Chancery Court, File 2593, for an order directing the transfer of certain land originally owned by Peter M. Wright and allocated to Stephen W. Wright pursuant to court orders that had been lost:

"To the Honorable Jno. D. Horsley, Judge of the Circuit Court of Bedford County, sitting as Chancellor.

Humbly complaining shew unto your Honor your Orators and Oratrices Ellis L Wright, Jno T. Graves and Ida F. his wife, and Samuel Woods and Dora A. his wife, that some time about the year 1861 one Peter M Wright at that time a resident of this County (Bedford) departed this life seised and possessed of a large landed estate and valuable personal property; that the said Peter M. departed this life intestate surviving him nine children to whom his said real estate descended, whose names were as follows, to wit: Mary Jane, wife of James D. Craft, Nancy Ann, wife of Charles M. McManaway, Eliza Annie wife of Joel D. Lemon, Susan Julia wife of William W. Basham, Louisa Frances Wright, Joel W. Wright, Peter Meador Wright, James Matthew Wright and Stephen W. Wright. Soon after the death of the said Peter M. Wright deceased suit was instituted in the County Court of Bedford County by some of the heirs of Peter M. Wright deceased against the others for the purpose, amongst other things, of having said real estate divided amongst said heirs and such proceedings were had as that Commissioners were appointed by said Court to make said division and said Commissioners did make said division and reported the same to said Court, and said Court by a decree made in said cause at its May Term 1862 confirmed the report & division of said Commissioners and further decreed that the parties "do respectively hold the lands so allotted and assigned to them respectively in severalty." Copies of the orders appointing said Commissioners and confirming their said report respectively are herewith filed marked respectively A and B and prayed to be read as parts of this Bill. Diligent search has been made in the Clerk's Office of said County Court for the original papers in said suit, or some record of said division and report but none can be found.

No deed of partition was made between said heirs, nor mutual conveyance, for their respective tracts, nor were said lands conveyed by any commissioner appointed for that purpose, but the heirs simply held under said decree of May term 1862 of Bedford County Court.

Your Orators and Oratrice, further represent that under said allotment and division there was allotted to James M. Wright who subsequently conveyed to the said Stephen W. Wright one tract or parcel containing about seventy three acres in Bedford County and to the said Stephen W. Wright a large boundary, known as the Gwaltney tract, lying partly in Bedford and partly in Roanoke County. This latter tract containing two hundred and eleven acres lying partly in each of said Counties of Bedford and Roanoke was set apart to the said Stephen W., who held, used occupied and enjoyed the same as his sole property until his death a few years ago, and since his death the same has been so held, used, occupied & enjoyed by his heirs, hereinafter mentioned. But no deed therefor was ever made to the said Stephen W. in his lifetime, or to his heirs since his death. A survey of said last two mentioned tracts of land, or some more adequate description thereof will be hereafter filed amongst the papers in this cause.

Your Orators and Oratrices further represent that after the death of the said Peter M. Wright the said Louisa Frances Wright, attained the age of twenty one years and then died intestate, unmarried and without issue, and before said allotment and division. They further represent that since the death of the said Peter M. Wright, the said Joel W. Wright has departed this life testate, surviving him his widow Eliza S. Wright and the following children, to wit: Libbie V. wife of Wm B. Ferguson, Thomas S Wright, Nannie F. wife of James W. Stephens, Abbie D. Wright, Pearl L. Wright and Ola G. Wright, the last three of whom are infants under the age of 21 years; that the said Peter Meador Wright has departed this life intestate, surviving him his widow Sarah J. Wright and the following children, to wit: Mary S. wife of Wm. I. Dooley, Maria F. wife of Daniel W. Basham, Jno. A. Wright, Willie C. Wright, Annie E. Wright, Belle L. Wright, Laura C. Wright and Star A. Wright, the last three of whom are infants under the age of 21 years; that the said James Matthew Wright has also departed this life intestate, surviving him his widow Mary T. Wright and the following children, to wit: Susan E. Wright, Wm P. Wright, Julia A. wife of Samuel H. Dooley, Mary E. wife of Adam L. Feather, James A. Wright, Alice F. Wright, Delia E. Wright, Charles E. Wright and Mattie J. Wright, the last one of whom is an infant, under the age of 21 years, and that the said Stephen W. Wright has departed this life intestate, surviving him as his only heirs at law three children, to wit, Your Orator Ellis L Wright and your Oratrices Ida F. Graves and Dora A. Woods. A duly certified copy of the will of the said Joel W. Wright is herewith filed marked C and prayed to be read as a part of this Bill.

Your Orators and Oratrices further represent that since the death of the said Stephen W. Wright they have agreed amongst themselves upon a division of his real estate, and by the terms of said agreement said two tracts of 73 acres and 211 acres respectively are to be the sole property of your Orator Ellis L Wright and to be conveyed to him as such.

In tender consideration therefore of the premises and for as much as your Orators and Oratrices are without adequate remedy at law, they pray that the said James D. Craft and Mary Jane his wife, Charles H. McManaway and Nancy Ann his wife, Joel B. Lemon and Eliza Annie his wife William W. Basham and Susan Julia his wife, Eliza S. Wright, William B Ferguson and Libbie V. his wife, Thomas S. Wright, James W. Stephens and Nannie F. his wife, Sarah J. Wright, William I. Dooley and Mary S. his wife, Daniel W. Basham and Maria F his wife, John A. Wright, Willie C. Wright, Annie E. Wright, Mary T. Wright, Susan E. Wright, William P. Wright, Samuel H. Dooley and Julia A. his wife, Adam L. Feather and Mary E his wife, James A. Wright, Alice F. Wright, Delia E. Wright, Charles E. Wright, Mattie J. Wright, Belle L. Wright, Laura C. Wright, Star A. Wright, Abbie D. Wright, Pearl L. Wright, and Ola G. Wright, the last seven of whom are infants, under the age of 21 years, be by proper process made parties defendants to this suit, and waiving an Answer under oath from any of said defendants that said two tracts of land of seventy three acres and two hundred and eleven acres, respectively, be conveyed to your Orator Ellis L. Wright, that a guardian ad litem be assigned to said infants defendants, and an order of publication be awarded against the said William P. Wright and James A. Wright, who do not reside in the state of Virginia. Grant unto your Orators and Oratrices the Commonwealth's writ of summons commanding &c and all such further and other aid and relief in the premises as equity and good conscience may dictate and the nature of their case require and as in duty bound they will ever pray &c

Mark (?) Campbell, p.q."

"Whereas, Peter M Wright, formerly of Bedford County Va, died intestate some years ago, seised and possessed of valuable real estate (including the two tracts of land hereinafter mentioned) which real estate, upon his death descended to his heirs and was divided amongst them, but no deed of partition was ever made between said heirs; and

Dearly Beloved Sister Fannie

I take my seat to answer your kind and thrice welcome letter of the 14th which came to hand on the 16th I was rejoiced to hear you Mother & my own family were well I was sorry to hear that Jack had been Ill but hope ere this he is quite well as I know you all must have a hard time of it if your main stay is laid up but I also have been Ill since I wrote to you but have so far recovered as to fee quite well once more I yet have a bad cough but I think it Measle cough as we have been with them for sometime I have felt very well since Sunday last. Peter and I started out of Camp about 9 Oclock on sunday morning to visit a Mrs Mays sister to Cousin Joel and James Wright she lives about 2 miles from our camp we found her and her son Wm at home the only child she has with her they were well and very pert and lively we staid with them untill about 4 Oclock in the evening Fannie you ought to have seen us sit up to the table at dinner and eat we had not been to table to eat a meals, victuals for nearly four weeks and I had scarcely eat anything for a week but on that day I eat Bacon and Cabbage Coffee with milk in it butter preserves milk &c &c but enough I was very uneasy for a while for fear it would lay me up but it cured me and I am well and hearty since I think it stayed me very much indeed they would have us to promise to pay them another visit if we remain here which I will willingly redeem If I have the chance but we received orders this morning to hold ourselves in readiness to march tomorrow morning at 9 Oclock with one days provision cooked I expect we will go to Montarey we may start now at that time as we this evening changed our Guns We would not start with the old flint lock musket for there was about 13 of them that would not fire We now have the percussion musket and are very well pleased with them some of the boys think they can take a Yankee at 3 or 4 hundred yards and I except they would kill a man at least that far perhapse farther if they give us balls to shoot out of them but enough supposition as I expect we will have a chance to try them in the next eleven months but it is thought here they some there will not be much more fighting out in the mountains this winter but I do not believe any of us can tell when or where we will have to face an enemy but those that have been out there say the yankees will not stand and let us get close to them they say they shoot well but but cannot stand to see us keep rushing on after they shoot at us but will break and run they think if we would stop and shoot with them they would fight manfully but when they see us keep marching as though we would go through their they break and run and generally in every direction. I intend giving you an outline of our Journey from home to and our stay at this place in this letter but since we have received marching orders I concluded to wright what I could tonight as day has been draw

and distributing day with I have been very busy I generally draw provisions for four days at a time and distribute about half at a time and on draw days I have several things to do I generally go to the Commissariat from three to five times per day distance from Camp 1/4 mile also to the Post Office nearly 1/2 mile besides dividing the provisions so you may have some idea of what I have to do but then I do not drill any on these occasions or at any other time unless it suits me to do so but I try to drill enough to learn the manual of arms as well as I can but since I was sick I have not drilled any I dont believe I have told you what was the matter with me I had a severe misery in my neck shoulders breast and stomach with loss of appetite the Dr thought my liver was about to cease to act he gave some blue mass which I took and worked off with Oil that and my big dinner on sunday last cured me I hope I may now be able to go on with out any more sickness as I can tell you this is no place for a sick man if he help it There is a great deal of sicknes sickness amongst some of the regiments that have gone out west but not verry much amongst the Virginians There are good many measles some mumps and a few cases of fever there is at this time over one thousand patints at the hospital at this place but many of them are not much sick but they are not able to march and have to go there when we leave to go any where else. but the most of them are men who have been sent back from this army out in the mountains as they have no Hospitals out there unless it may some temporary ones Billy Jeter has been complaning some days I saw him sunday he did not appear to be much sick his liver does not act well we will have to leave twelve or 15 of our men at Hospital some of them have and some are just taking measles they will not let any go who they think are taking measles untill they get well they say they can do better for them here than out there but Fannie I am getting very tired as I did not commince this till about 8 Oclock tonight so I must close by asking you to excuse bad writing orthography and worse dictating Peter is well he wrote to Miss E. S. Dearing this evening Harvy is well and pacing round as usual &c H G Compton is well and peart as a cricket Your acquaintances are all in good health Fannie if I had time to write another sheet I might get in the most I would like to write to you but I must quit for to night you must write to me immediatly on the receipt of this give me all the news go down and see Mary often &c give my love to all enquiring friend reserve a large portion for yourself write and direct as before &c

Very much beloved Sister I again seat myself to write you a few line in answer to your very kind and interesting letter of the 30th last which I received in the 3rd of

the present Month. It was quite a treat to me for we had just completed our march from Staunton to this place had pitched our Tents and were lolling resting and thinking of home and dear ones there when our letters were brought in and I for one was in precisely the right mood to enjoy news from one so near home. I am as well and hearty as you ever saw me with exception of a large boil on the back of my right hand which makes me a little careful how I use it or let it swing down it pesters me a little even in writing hope it will last much longer from the appearance it will be ready to open in a day or two more and then if I can keep cold out of it I was quite sorry to learn that Jackson gets no better hope he will soon be well again Mary and the children how are they is Mary well. was it Diptheria that Susan(?) had or the Tonsills of her Throat enlarged as heretofore

How does Joshua make out since he has but Coley and Sly to work does he seem to be getting along pretty well or does Mary appear to have every thing to attend to since I left I wrote to her by Peter when he went home I had also written directly after got here hope I will soon hear from home by some as I have written different ones there yet it is almost impossible for me to write anything interesting to you there for we get no general News of the County and as to Camp lies and reports they are not worth telling if we were to attempt to tell them we would never know when we had told the truth You asked if Monterey was as pretty a place as Staunton it is about as much inferior to Staunton as X Roads or P town is Liberty Monterey is a low Marshy place with a poor Crawfishy Country around it except the Mountains which is nearly all there is from here to Staunton we are not Stationed at Monterey but about 7-1/2 miles almost directly north of it at the Junction of Strait Creek and the South fork of the Patomac river they make a very pretty little Valley at this place it is almost as level here as the yard there at Mothers and at this time is nearly covered in water Baldwins regiment while Stationed here cut little trenches which keeps it out of Our Tents and draws it off some we are very close to the river we get all of our water out of it to use. there is said to be a very good spring on the opposite side of it a few yards above the encampment I have not seen it. Fannie what would you think of a place with in less than one hundred and thirty miles of you where the Sun rises after 8 A.M. and Sets by or before three in P.M. Such a place is this we cannot look out any direction with out beholding a lofty mountain above us as it were to the foot of which is not more than 1-1/2 miles to the farthest one and one in less than 70 Yards and on the opposite side not over two hundred yards Yet I like the place when dry but I think it too low and Muddy for the winter We have many reports as it regards where we will go too to take winter quarters some say to Staunton some to Goshen or the Spring near Goshen. Some to Monterey Some Stribblers Springs Some to Franklin down south in Pendlton some to Petersburg in Harding County and Some to Lynchburg My opinion is that none of them know when or where we will go but I hope to some place on the railroad for then we can get letters so much quicker than when they come by Stage or horseback. we are here waiting Orders from General Jackson they may come at any time or we may

stay here some time You asked how Billy Jeter was he was left at Staunton. Capt Kasey received a letter from his Father asking a Furlough for him to go home it was sent to him a few days after Kasey received another from him saying the Furlough had not come to hand and that Billy was broke out thick with measles I expect he is at home before this time at any rate he has a sick Furlough we left Several of our little band at the same time we have sent some ten or twelve to(?) Monterey the Wests Fouts Horn and Pace with some 25 or 30 others are here yet all well. Tell Peter there is no change since he left Our Sick will be sent to Staunton as soon as it fairs off write as soon as you get this

Beloved Mother & Sister I take my pen to write you a line or two in answer to yours of 27th last which I received last Tuesday it found us quite well Both Peter Harvy and my self I am in fine health and have been ever since I have been at this place and hope these lines may find you all well and doing well I was vary proud when I received your kind letter for I had not heard from home since Peter came back and I had began to think long of the time I can tell you it is quite a treat here for us to receive letters from Dear ones at home and to hear how you are all getting along we can believe what we hear by letter but as to Camp tales I never believe any thing I hear untill I know it is so for you can hear anything you want to hear I do not care what it is by going out and walking through Camp We heard last night that there were one hundred and sixty waggons at Monterey loading on provisions and were hauling them back to Staunton if that should be true I expect we will leave this place sometime time soon but where we will go I can not tell it was reported at the same time we would go down to Winchester or back to Staunton they could not find out which but my belief is if we moove at all it will be to someplace on the railroad I never have thought we would stay here this winter yet we may for there is no telling here what kind of orders we may receive in the next twenty four hours we had orders some ten or twelve days past to hold ourselves in readiness to march at any time since that time we have getting Boards to cover our huts as though they never intend to finish them. They have been at work at the houses long enough to have had them nearly done or quite yet we have not raised more than one third of them have not one board on or plank hauled or rock for the chimnies. they say they logs have enough cut but there are many of them to haul yet but we care but little about them now anyway for we turned out the other day and built chimnies to our tents

which makes them quite comfortable some of the companies made flues in place of chimnies one of which set the Tent on fire last night and nearly burned it up it caused quite an alarm but it did not last long not more than two or three minutes yet it was long enough to ruin the Tent but I do not apprehend any danger from the chimnies as they are all built of stone up as high as our heads and then set a flour Barrel on top them it make a very complete chimney

I was very glad to hear you were getting along so well at home and also at my house for I was quite uneasy about home I was affraid Mary and Mother too would have too much to attend to for their constitutions and would lay them selves up by trying to do too much for it would be very distressing to me to have a loving loving wife at home sick and not be able to come and stay with her it is hard enough to be apart and all in good health but to hear they were ill or suffering at home it would much worse but I hope and trust it will not be my hard lot to hear such news while I remain in the Army though I getting very fearful there is some thing the matter now as I have written two letters that I have received no answers to but hope for the better and attribute it to the mails as they are very irrigular from Monterey to Staunton some weekes instead of being daily it does not come more than two or three times a week but I hope it will come through to day and bring a letter for me but it has got so we rarely ever get them under five or six days after they are written when we first came here we would get them in three days I hope it will soon be so again or in less than three days

I have thought I would try to come home before Christmas but Col. Goode received orders a day or two after Peter got his to grant no more furloughs and since that time none but the Sick and a few Officers obtained furloughs and a seven days furlough would not be long enough for us to go and come in and stay two nights at home unless I could stay longer than that I do not expect to come. but if we find out we will stay here this winter I think some of us can get permission to come and stay more than seven days. Our company is improving a little in health I now draw provisions for fifty men it has been down in thirty but several that are here are not fit for duty we have Mumps &c &c. Robt Hodgers died last night with yellow Jaunders he is the one that lived with Pa a few years ago. Capt Meador J W Fouts James Horn all have the Mumps. Not bad. How is Billy Jeter and all others in the Neighborhood I can not write to day as there is too much passing about and too many things to draw my attention I expect it will pester you to read this but write soon and I will try and do better next time Peter sends love to you all

Much esteemed Sister I take up my pen this morning to let you know I am quite well and hope these lines may find you all well Peter is not very well having the Mumps for the past two or three days and had quite a cold before he took the mumps he has them on one side is better this morning is and has been able to go Harvy Mc is not in Camp he went to a private house with his Brother Jackson to wait on him last Saturday who was very unwell with Pneumonia is yet very low Harvy has been unwell since he went down there but is able to walk about they are about two miles from Camp Other acquaintances generally well except a few cases of mumps which we do not regard as being much any way John W Fouts had them and was sent to the Springs with others las week while we expected to go back to Staunton they were only sent because it was thought better than to let them march with the regiment but had we known we would have staid untill now they would not have been sent off. James Horn had the mumps got about well then took the Yellow Jaunders but is improving very fast. Our company is improving in health some of late we now number about fifty we have been as low as thirty two or three I hope it will continue to improve for some time yet for I had much rather have a full company than to see it so small Fannie I recon you have heard more about the fight at Alleghany than I can tell you but I must say a word or two about how it was with us on that day We were at all kinds of work that we have to do those that were out on the hill could hear the Canons all the Morning but none could tell what it meant untill a runner came in to camp in the evening saying our men were surprised by the enemy and nearly surrounded and that there was a messenger comeing with dispatches for our regiment to go to their assistance. You ought to have seen the boys cheer up as they thought they were agoing to have an engagement with the Yankees. We had never drawn any ammuniton up to that time but we were soon ordered to fall in to line and march over to the Church where our ammuniton was and I think we had at least a third more men out in regiment than we had had at any time for six weeks we drew our cartridges and came back to camp soon we had orders to cook three days provisions or all we had and ready to march by eleven Oclock at night as that was the time that Col Goode sent them word he could be ready to begin the march You ought then to have seen the bustle to know how it is in camp on extra occasions I can not describe it some cooking some feeding carrying and gearing their horses some greasing waggon some packing knapsacks in fact almost everything you could name was going on except Crying I did not see or hear of anyone at that by about nine oclock everything was ready. then you could see them sitting or standing about in groups and hear them wish they would come for us but when the dispach came it was to the effect that the Yankees had run off leaving us masters of the field. Fannie I am very much

obliged to you for your much esteemed present which I received on Christmas Eve I was not needing of them yet having three pair with me two of which I have had to darn but if we stay out here this winter I may need them before spring so I will try to take good care of them and not disgrace you or them. I was somewhat disappointed at not receiving a line from any of you I think if you all could know how anxious I am to hear from you all at home you would write to me every chance you have and has now been a long time since I received a letter from any one I have written several that I received no answer to I wrote to Uncle Jo P some weeks ago I have heard nothing from it since I wrote one to Brother John & Marshall the other week he responded by writing me the prettiest letter I ever read the next day after he received it. he told me something about almost everything but all cannot write such letters I intend writing to him again soon if I get the Chance I want you all to write every chance you have write every thing you can think of for we feel an interest in things there we can not write about things out here to interest you as you can us for you are unacquainted with things here you must excuse mistakes or any thing rong in my letters as I have had to write in a great hurry today is draw and distribution day with me and it generally takes all day but I could not forbear writing a few lines I have written much more than I expected too when I commence I want to write to Mary if I get the chance I was in the act of getting up to go to write to her when some of the boys came in and said Uncle and Mrs Fouts were in Camp pleas write soon and give me the news for I get none here not even a paper to read so I remain Your Affectionate Brother untill Death

all in the enjoyment of health and hapiness I was verry sorry to hear of Diphtheria being in the Neighborhood it being so fatal among Children hope it will disappear without damage we have a greateal of sickness here mostly Pneumonia we have lost 6 Men out of our Company and have three verry doubtful cases on hand now. Jackson Siner Thomas Franklin and John Crouch three others quite low but improveing think they will get well with no bad luck Van James Wm Moor and Tillmon Parker I reported 28 Men this morning able for duty in our Company it is improveing Van West and Wm is rite unwell have verry severe Colds hope they will soon recover. there is 7 Companys of our Regiment gone to Huntersville expect the balance of us will go in a few days hope so at least for Dr Morison says this is the Sicklyest place in Virginia and Huntersville is only a little better we have a great Deal of rain and some now and not much verry cold weather we are all in Houses and not much to do only get firewood and something to eat and nothing to cookin hardly so you may guess we are not in a conted situation it is beast to have something to engage the mind to keep it from a wondering condition and hard studdy a bout our condition (I mean the condition of the Country) we live in hopes of a change if we dy in dispair I hope to see the end of the war and enjoy freedom once more on earth if it is the will of Lord to spare mean to be returned to my little Family with whom I have lived so happy and been blessed with peace and plenty I have but little news to write and of course I cannot interest you much the Malitia left this place for home yesturday they seemed rite much rejoiced to think there time was out and seemed to hope they woud not be drafted any more but I think they are hopeing on a verry lame stick I think the whole Malitia force will be called in less than 60 days without a great change of times I see no way of escape and there is no diferance as yet between the Malitia and Volunteers in there pay or fare they all fare a like only the Volunteers has the Fighting to do I must bring my scribe to a close for I cant compose nor write my mind is to much wandering to write give my love to Ma and all the Family and all inquiring Friends tell Jack to write to me I wrote to Stephen more than a Month since and have received no answer write soon and write all the news direct to Monterey James is well and doing well so nothing more at present only remain your affectionate Brother

Very Dear Sistir I received your very kind letter on Tuesday morning last I was very glad to get it for I had not heard a word from home up to that time although I wrote home in a day or two after I got back to Camp and had also written to you some two or more weeks ago I am well at this time except a bad cold which is worsting me some hope it will soon be well and I restored to usual health hope these lines may find you all well and doing well Peter is in tolerable health at this time he has had quite a cold for sometime is better the past day or two he has had some misery in his breast and since in his neck the Dr told him he must be very careful or he would have a spell he kept tolerably close a day or two, has been attending to his duties since that time is now gone to see the Capt some 250 or 300 yards off as he speaks of leaving in the morning being quite sick and unfit for duty do not know whether he will get home or not but believe he cannot get to a worse place than we are now at. Col. E. Goode Dr. Morrison and George Slaughter left this morning. Commissary Williams left last week all of them are Sick and the Dr says it is impossible for a man to get well here at this place we are now left with but two Staff Officers at this place they are Lieut Col. Letcher and Quarter Master McClung the health of our Company is quite bad at this time though we have but one or two bad cases at this time we have lost three men this week and some of these that are now in the Hospital are as bad as two of those were two days before they died though I hope and trust we will have no more fatal cases while we are out here in the service for we have already lost twelve since we were mustered in to service which is one out of every six that was mustered into service after taking off the two that were discharged at Staunton they have just come in and say Wm D West is taking Fever hope it is not so for I really dread to hear of one being sick

And as to mud you spoke of being there it has rained or snowed almost every day since we have been out here I do not believe we have had 36 hours fair weather at any one time since I got back to Camp nor do I believe the sun has rose and set fair the Same day except one since Ive been here I have not seen Billy or Harvy since I left home do not know whether he has got to his Company or not they are 36 miles from us it is said to be a very muddy place and those that went from here out there are very much dissatisfied there. hope it will soon fair off or freeze up think either would be more healthy than so much falling weather. What are you all driving at these times in old Bedford it has been reported here for the past week that there is a draft in Bedford is it so or lie we never know when to believe anything that we hear out here. Are you teaching School you spoke of Susan and Julia learning I am very glad to hear it hope they may continue to learn untill they become learned indeed but where is Wm is he learning any or does he not try to learn. Under the present State of the Country I cannot expect to have anything else to leave my Children but to give them an Education is one of my greatest desires for I tell you I see the need of Education

out here almost daily. for the man with an Education has advantages over others other things being equal they are better Soldiers better Officers and better everything so I wish my Children to have an equal chance with others if no better. go down and see Mary soon and often Cheer her up as much as you can for I know she is lonely. Oh that I could be there too though I like camp life very well. but living in Town and playing the Soldier I do despise but hope we will be mooved from here soon but see no prospect of such a thing write soon and give me all the news did you receive my letter I must quit to go to the Office

Beloved Mother and Sister I take up my pen to write you a few lines in answer to yours of the 3rd Inst which I found in Camp for me when I arrived last friday night it had been here some days I was indeed very glad to hear from you all and to hear you were all well and doing as well or better than could be expected under the present agitated state of the Country. This leaves me with brothers Peter well or about so. Peter is very hearty and I am getting so that I can begin to eat a little of almost anything we have to eat though not so much at a time as formerly though. I think if I continue to mend a little while longer I will be hearty as ever I have got about well of the misery that pestered me so much in my Stomach and bowels. hope it will not return again. Fannie have you received the letter I wrote to you while at Stribling Springs I wrote to you while there and also to Mary I mailed Mary on friday last. I received one from Sister Eliza at the same time I received yours They were well except colds it was written the next day after Jo. started to Lewisburg he was drafted as you have doubtless heard and sent off with the militia She seemed to be hopeful he would soon get off and come back but I fear there is no such good luck if it there as it is out here now it appears to be very hard for any to get off out here. Oh that there could have been enough of the working class left at home to have tended the best of the land if no more so that there could have been something made in the country to go upon for if there was anything in the Country there would be some chance to get it but if it is not made it can not be had. I have heard of a few getting substitutes but in every case that I have heard of it has been men who do not work themselves or but very little. I have not heard who they got but expect they hired laborers as a general thing yes I heard Hensley got Clay Richardson to take his place. there has been some right hard things said of the way he treated Peter but it is said all thing are fair in war. Oh that there could be some means devised by which we could have an honorable peace. So that Parents could return to their children Children to their parents Husbands to their wives and

beaus to their Belles before they are kept from their usual avocations long enough to bring about a famine for I think it is more to be dreaded than than the Yankees for should this be a very bad crop year I do not see how it is possible to escape a famine. I saw in a paper the other day where substituting was forbidden in Richmond Petersburg the County Henrico &c. they then confiscate the price paid and press both into service I do not know whether it will become to be a general order or not. If they are all like one that I heard of the other day writing to his brother here he told him what he paid and wound up by saying he thought he could make it by trading in a very short time if that is the design of those getting substitutes the sooner they are pressed into service the better for the Country for such are no friends to the Southern Confederacy. (Peter says \$80 500 Dollars I think was the price paid) but enough Fannie I left Stribling Springs last friday morning and came to camp I found the boys generally well and very well satisfied we have our Tents pitched a little East of the Top of Shenandoah Mountain it is very steep and rough but I think quite a healthy place. Our regiment is together again. I found them fortifying and it does appear if they let us get fortified here it be next to an impossibility to bring a force against us sufficient to drive us out of our trenches. We have some five thousand Troops there and I should not be surprised if the main force stay here all summer though it is hard to tell it is said one regiment will go to Warm Spring Mountain. Would be glad if ours could be the one simply because I had rather be to ourselves and there has not been any soldiers there yet or stationed there I am much better satisfied here than at Monterey. I understand the Yankey are Stationed there at this time they say from 3 to 5 thousand strong if it proves as fatal to them as it did to us we ought not to wish them in any other place for disease will soon do for them all that we could expect to do in battle. General Johnson took some three regiments and went over there last friday to see if he could run them out but finding them stronger than he expected he did not attack them they got back Saturday night and Sunday morning We are having and have a quantity of foul weather since my last to you it snowed rained and hailed on monday Tues. and wednesday and Cloudy Thursday of last week friday fair saturday rain and has not been fair since neither does it have any appearance of fairing off. Fannie we have been moving and running about so much of late that I have but very little of interest to write so you must excuse this Scribling sheet and try to reprove me by writing soon and often. write any and everything you can think of for I feel an interest in almost everything there Tell me who is at home and who work in their places &c &c how is Mary and the Children getting along do they appear to lead a very lonely life or do they appear to be reconciled to their fate oh that I could be there with them and there remain in peace but I much fear that can not be for sometime to come. has Mary received the letter I sent by W. Howell Esq. hope she has for I wrote it for her to get and he promised to send it down to Uncle Wrights so she could get it soon I understand the cars have been running very irregular for some time on the Orange and Central roads some times for one cause and some times another which I expect is the cause of so many letters

miscarrying I have written to you or mary one every week but one or two since I was at home and some weeks two. is Wm Preas at home or is he gone to the Army A. P. Wright Sandy Marshall Elisha Nance where are they and S. G. Stewart is he at home has he ever got his Salt he expected to get when I was at home and his bale Cotton did he ever get it. Can you get such things plentiful or can they be had at all. Was the Constitution ratified or rejected I have never been able to hear how the vote was on it as I rarely ever see a paper out here we get no general news of the country. We can see soldiers and now and then a family mooving by to get out of the way of the Yankees is about all we can see or hear out there except what we hear from home by letters it is getting too dark to write more so I close as ever your affectionate brother till death.

I have not been as hearty for some two or three months as formerly but I think if I could get over my cold and sore mouth I would be as well as ever We have a sore mouth out here which appears to be contagious and in some cases is quite bad for they often get so sore in one day that we can hardly move our Victuals when we get them in our mouths to chew them or even bear to suck the plegm off our tongues when it Settles there I have had it about a week is something better the past day or two hope you are all quite well and doing well. The health of Our Company is better than it has been for months as it is so with those present we have som sixteen or seventeen that have not been with us since we went to Crabbottom. The last I saw them they were at Stribling Springs there were but 3 or 4 that were much sick and they were all mending but one but some how they have managed to be sent off to other Hospitals and have not yet returned I know not where they are. we have not had to send off but one since we came to this place or but one that was taken sick here. Yet we nearly all expected to be sick after we got here for we had a very wet and muddy time of it coming from Shenandoah to this

place and we were out in the rain from Saturday morning till Sunday night without feed or shelter having burned the most of our Tents on the mountain for want of transportation for them. We were ordered to burn everything we [could] not carry but our company did not burn much except 5 or [6] Tents so we have had to make out with three Tents. May the 18th. After a long delay I again take up my pen to finish my disconnected letter to you when I commenced writing I expected to have mailed it the next day but instead of writing I was sent out on a Scouting party of some 250 we went a bout eight miles and that brought us near enough to the Enemy to hear their drums very plainly we could also hear their wagons and Artillery when they crossed a bridge that was near by. the next day we went back to Camp about 12 or 1 o'clock we found everything packed up and laid out ready for something we could not tell what but soon we saw our Reg coming they told us they had received orders to pack up everything and to cook two days ration and put in their haversacks and put their blankets and provisions for three days in the wagons and leave that their Knapsacks &c should be taken care of. We then had to a bout face and go back to the very place we had left that morning got there a bout night sta\_\_ till two in the morning when we were started to try and cut off the retreat of the Enemy we march untill a little after 9 in the morning over and through the roughest mountains that ever I had to travel over and a good portion of the way we did not have even so much as a hog path to travel but we had a good guide or never would have found the way as we left the road about d\_\_ We came near the road a bout a half hour before the time set by Old Johnson for the attack. While we were in waiting for the time to arrive Col. Board sent Capt Walker with fifty men over near the road at a birdge when they got in sight they saw the Enemy coming in full tilt up the road their pickets had discovered our Army coming and were getting a way with all possible seed. but they did not all get away for Walker ordered his men to fire upon them. they killed and wounded some I do not know exactly how many between six and twenty though I have heard it put as high as forty we saw five horse that were killed at the time and two that could not get away we took two prisoners some blankets Tents and other military stores. After awhile we took up our line of march again in pusuit of the enemy. They drew up in line of battle on the side of the mountain in a very strong position and commenced throwing ball and shell at us some two or three miles off but we did not go close to them but turned and came back to Shenandoah and staid all night. I suppose very well satisfied with our days work. the next morning we started out pretty soon to see if we could see or hear anything of the Yankees. we soon learned they were at McDowel so we went on some four miles and then waited till near four o'clock before we went over in to the field where the battle took place they occupied a very strong position we could not get our Artillery on the field at all so we fought them with muskets from four till half after eight while they had Canons, rifles and muskets but we drove them from the field and had it been day we would capture Our regiment was in the engagement from the beginning to the end of the fight and suffered more than any other regiment but one that was the 12th Georgia we lost

eleven killed and I think about 40 wounded and one prisoner what our whole lo[ss] was I can not tell. Old Col. Scott says the 58th done he[r] duty on the field he is Col. of the 44 regiment but he call us his brave and gallant 58th he is the oldest Col. in the Brigade which gives him command of the Brig\_\_ I can tell you but very little about the fight all though I was in it from beginning to end but it was something new and you can get a better Idea of it from the prints than I can give suffice it to say the Yankees fought well and bravely and alas shot fast and close. I understand old Gen. Johnson says it was the hardest fight he everer saw for the length of time engaged. I do not suppose we had more than 2500 or 3000 men engaged as that was as many as could get on the field at a time. What the loss of the Yankees was I do not know some say they went on the field with 9000 men and left with 7000 while others say they only had 8000 and left with 7000 They left McDowell during the night we pursued them untill Monday driving them some forty miles on Tuesday Morning we turned about and I think our next operations will be in the Valley of Va. as we have left the Staunton road and are some six miles northeast of Stribling Springs we are resting today. we have been near two weeks. we got our knapsacks last night I should not be surprised if we go on to Harrisonburg tomorrow or we may stay here for a month it is getting so we do not know where we are going even when we start. you must write soon and often I have written this in a wagon and it is so badly done that I do not expect you can read it but I am so nervous I can not help it Peter and I both have colds and coughs but hope we will soon be well of them again I had almost forgotten to thank you all for presents. They were gladly received by me. write soon direct to Staunton or any where to 58th reg Va Vol and it will be sent on so I remain as ever &c &c

Beloved Sister Mother and friends

I take up my pen this morning to write you a few lines by which you will learn I am quite well and hope these lines may find you all quite well and doing well I have but very little news to write to interest you although I have not written to you for some time the reason for which is first I was very unwell and had to march very hard and constantly for a good while and when we did chance to get a days rest I was too feeble and too much worn out to write and when I got too ill to march longer I was sent off to Brown's Gap as a kind of Picket Guard they kept us there four weeks and while there we had no mail facilities except as we would

chance to see some one going out to Meecham's Depot about fourteen miles off. My health improved very much while out there and has continued to improve ever since. we have not done much marching since I rejoined the regiment yet we move Camp every few days and when ever we move we generally have a hard march. we have our flying Cavalry from Monterey with us again and all they are fit for is to run in to camp and tell lies such as to say the Enemy is coming when there is no Enemy nigh they brought in a report last Saturday that the yankees cavalry were at Orange Court House so we shouldered our muskets and put out to meet them it was some three or four oclock and many of the boys had not eat any dinner but we marched some 12 miles on quick time to find out there was but a squad of Cavalry came over there and fired on them and then ran off we then turned off and marched some two or three miles and went into camp where we remain they roused(?) as yesterday morning a while before day and had us to cook a days ration and be ready to start at any time we did not start till nearly night we then went about a half mile lay there some hour or two then came to camp Cooked another days ration and put it in our haversacks so as to be ready to start at a moments warning but we have not yet been called out nor do I believe we will unless those cavalry get scared at their shadow and run up here again. We are now some three or four miles from Orange C.H. and about 8 miles Northeast of Gordons Mill How long we will remain here none of us can tell but it does appear that there are too many of us now under old Jackson to stay here long unless he thinks there will be something for us to do here. They sent up several thousand troops from Richmond to Gordonsville last week which gives Jackson quite an Army the number I do not know but it must be some 40,000 or fifty thousand

The General health of the Army is improving very fast since they left Richmond I think we had the worst looking set of men when they got back from Richmond I ever saw they were poor dirty broke down and many of them ill which gave them a very bad appearance the report is now in Camp that the Yankees are coming I can not believe it Yet it may be true we never know untill we go and see. There has been a goodeal of dissatisfaction in our Army since the 16th of last month on account of the Conscript Law. The new Conscripts all thought they would be discharged on the 16" but there as been none discharged except such as had served 15 months previous to that time. They say now when we serve out our twelve months and then stay 90 days they will let us off but they have not decided when our time commenced whether it counts from the Organization from the date of Commissions from the time we get pay or from the time we were mustered into service. So it is generally thought they intend holding of us with out having give us any chance in the former Elections. It has been said the Nonconscripts were an unorganised body and as such they will receive no pay from the 16 of May how it will be I can not tell. They have paid our regiment up to the first of May. but I believe all parties are becoming dissatisfied with the war or the say it is conducted or something of the kind at least there appears to be

general dissatisfaction or discontent among the Soldiers. There is another thing that is causing some hard feeling which is sending off the Sick. They send no one to the Hospital unless he has the fever it matters not how sick a man is now with any disease except Fever the Order is keep him in Camp and here they have to stay but I expect if they go to moove the Order will be changed but there a great many now at home from wounded and others have got there but how I can not tell it may be that is the cause of it but enough of that.

Fannie how are you all getting along since about the first of May and have not had a letter from you since about that time write to me soon and give me all the news you can think of for I get but very little I see but very few papers or anything of the kind to get the general news. What has become of the militia a bout there There is but very few of them here they have got away from here but where they are gone is what we can not tell they say those over thirty five were discharged. It is also said here they have to go out under Floyd whether that is so or not I can not tell They are constantly sending off after those that have left here. There has been a good many desertions of late from the Army There was about 20 left our regiment one day some time last week I think there has been about 40 in all Maj. Kasey and General Early both made us little speeches the next day after so many left They have sent for those that left and say they intend to have them and punish them to the full extent of the Law. if so it will be pretty rough on them I want to come home very much but I do not feel willing to run off yet and take chances I prefer to wait and see how others come out I still live in hopes that I will get off some time before a great while though I must acknowledge I see no prospect of getting a way till winter. Go down and see Mary as often as you can. tell her I think the Examiner one of the best papers she can get if she wants to take a paper forgot to say anything about it when I wrote to her but I will write to her again in a few days but I want her to take the paper she likes best be it wich it may as I want her to be pleased if Peter has not left yet tell him he can do a very good business by bring a box or two of Tobacco with him as it is very much in demand at from 50 cts to 1.00 per plug and very scarce at that I would like for him to bring me a few plugs if he can if no more I believe I could sell six or eight boxes a day if I had it here but anything will sell here and at a high price at that. I must quit for the present write soon and often and give me all the news you can think of give my love to enquiring friends &c &c

Dearly beloved Mother and Sister I take my pen in hand to day to address you again by letter I am quite well as to health and hope these lines may find you all well and doing well. I received your letter sent to me some time since. I was truly glad to hear from you and hear you were well. as it has come to be very seldom indeed that I hear from any of you as I have not received a letter by Mail from any one since last July while at Gordons Ville I know not why it is. I think sometimes you and Mary Surely write sometimes to me if no one else does. but you may think too expensive to write these hard times as I have quit paying Postage since I have found there are so many of our letters that never come to hand. I think I am entirely safe in saying there is not more than one third the letters written by our regiment ever reach the ones they are directed too. (There is a fault but where) The cause I can not tell I sometimes think they never get to the Office to be mailed. I have concluded to write and send to the Office by any one I can, instead of handing them to the Quarter Master to be sent to the Office. We are now in level sandy Country some eight miles from the Depot at Guinea Station, and I know not how far to a mountain as I have not seen one for some weeks. I begin to want to see one very much as it is hard to keep from getting turned round so we can not tell where to look for day to make its appearance We have put up huts or shanties during the past week and covered them with leaves and dirt I do not think they will turn off much of the water if it sets in wet as there is to much sand in this section to turn water. but they are much better than being out of doors as they are quite warm and comfortable this dry weather I know not how long to think we will stay here some think we will spend the winter here but I think it depends on where the Yanks make there appearance about our staying. We are now fortifying near Port Royal it is some seven or eight Miles down there our regiment goes down there on Picket it is on Picket today Peter is gone with them. Capt McClary has come back and resumed the duties of his Office. So Peter returns to his Company as Lieutenant he is quite well and hearty. I have not seen Joel since we left Fredericksburg he was quite well then he was over to see us the day before we left but the Yankees mooved down to port royal on one side the river and we came down on the other we do not intend for them to cross to this side Some of our Pickets met theirs on Saturday and traded Tobacco for Coffee and swaped newspapers with them they say if we do any more fighting this winter we have got it to do amongst ourselves for they do not intend to fight any more this winter but they are near enough to Port Royal to have their Pickets there and we will hardly go off and leave them while there is nothing but the river between them. but enough. I am still wagoner I have been driving since the 14th of last month. I like it much better than being in ranks so far and unless I get off to come home I think I will try and hold on to a teem for I can not stand those long and tiresome marches I have broken myself down at it and since that I can not get a long as before Mother how are you getting a long

with your plantation affairs. have you any one to assist you or do you have everything to attend to yourself. have you any hands hired for another Year if so what do you pay. Fannie what are you driving at these times have you got in the notion of teaching school yet hope you have or have you something else on hand that you think more profitable. When were you and Mother down to see my beloved wife and little ones do you go to see them often how are they getting along Oh that I could be there to see. is Joshua still there Mary wrote to me he spoke of leaving. I hope if he has, she has some good hand to stay with her as I know she can not make out without some one to attend to the stock &c. but I wrote to her last week. write soon and often give me all the news. as ever your affectionate & obedient but unfortunate

I take my pen in hand this evening to write you a few lines by which you will learn I am quite well and hope these lines may find you all well I have us good news to write after neglecting to write so long I have been quite busy the most of my time since I wrote to you during the Winter I had a team to attend to and I was out after forage &c a good portion of my time and had but very little chance to write so I got Peter to answer the last letter I received from you I have been thinking for sometime I would get another but have not had one for some months hope I will soon hear from you all again. I gave up my team on the 24th last month and took my place in ranks since which time I have had to drill two or three times a day. it is not so hard as tending to a team through the winter nor does it pay so well but then a Soldiers wages is nothing comparatively speaking. these times a months Wages not being sufficient to pay for more than two nights lodging at a hotel or buy nick nacks enough to eat at a couple of meals as it takes two Dollars to buy a pound of Bacon. a lb of cheese 4 dollars Eggs 2.50 per doz. peas and beans one Dol. per Set. I risk potatoes 3 Dol. per Gal and other things in the same proportion. Envelopes are selling at 2.50 to 5.00 per package of 25 paper from 3.00 to 5.00 Dollars per quire &c &c so you can see from the foregoing prices it is next to impossible for a private in the army to save anything to help

support a family at home but I see and hear of their taking the matter in their own hands in some places and I expect their exam will be followed at other places by thousand of persons before it is done with unless they can manage to get the speculators into service if that could be done I think it would tend to bring down prices to some extent and could be much better for the Country but I do not see how that can be done for all laws have to be general in effect. but if we can have a few more ladies mobs and they continue to take from the Speculator alone I believe it will be conducive of good for I verily believe the Speculators are doing more to ruin our once happy Country than the Yankees are and are more dreaded by our Soldiers but enough Fannie where and how is Joel. he talked like he would come out to see us soon if he could make arrangements to suit or is he there attending to mother's business as he was before he left home hope he is or will for then it would be much easier on Mother and perhaps better for all. has Billy Bassham gone to his Company or is he there for you all to - upon It is not forgotten how easy he wanted us to make it on Mother and he has proven it with a vengeance (but enough perhaps too much) We are still here in Camp not knowing how soon we may be called out to meet the enemy upon the field of battle for we are not more than five or six miles apart and we have been hearing cannon for the last two days and report says old Stuart has gone round behind them and is fighting down in aquia Creek I know not whether it be true or not. How are things going in the neighborhood generally. anything is news to me it is near fifteen months since I saw tender and most dearly beloved ones at home and the appearance now is that it may be along time yet before I get there again. Although I believe we are approaching a Crisis and it may be we will get home during the present year but I do not expect it. wish I could think we would have peace this Year. 5th Cold and snowy this morning Peter and I are quite well this morning. my sheet got too wet last night for me to write on this morning. You must write as soon as you get this give me all the news. tell me how Mary and the Children are. Much esteemed Sister

I take up my pen this very warm evening to write you a few lines in answer to yours of the 13th which was gladly received and read with interest by me yesterday it had been at the regt for some days but I had not been up there for several days I am about two miles from the regt. do not go up there very often

as I do not know at what moment I may be called upon to do something I do not like to be out of place when wanted for I have a much easier post than marching and Carrying gun knapsack blanket &c to say nothing of the exposure &c &c. I am kept in the yard as an extra hand I have no team to attend too except some of the drivers are sick or are out of place when wanted I have to help do anything that is to do in the yard such as load and unload anything that is brought into or taken out of the yard that is not much. I was very glad indeed to hear from you and home and to hear you were well was glad to hear Mother was getting along as well with her work. I am quite well except a dull head ache which I have nearly two weeks think it is caused by eating too much but my appetite is so craven it appears I can not do with less. My health has been better for the past two months than it has since I have been in service I weigh the same as when I left home (169 lbs). Am not so stout nor ever expect to be any more as I have not the wind or strength I once had. I was up to see the boys yesterday found them generally well and hearty they seam to have recovered from the fatigues of the late fights but are the worst sunburnt set you ever saw Lt. Col. Kasey is not a prisoner nor has been there were about 70 taken out of the regt among them our flag bearer and flag there were but four taken out of our company they were James Horn Jas. C. Waldron Bev Corley and James G Hardbarger the wounded were Joseph N. Preas Burkett Dooley and James W. Scott. more of them thought to be dangerously Peter is quite well and peart he has been promoted to Captain since the discharge of Capt. Meador Can not tell how he will get along in the management of a company it is a very difficult post to fill so as to give satisfaction for there are fault finders here as well as elsewhere and after a thing takes place it is very easy to look back and see deficiencies that were not so easily discovered beforehand. the Company appeared to be very well satisfied with the change so far as I could learn. hope he may continue to give general satisfaction for if he can keep the good will of his men it will be much easier for him to get along with them and it is hard enough at best. Oh that we could have peace that we all could return to our families ever more there to remain in peace and study husbandry instead of war that we could get up of sundays and fix off to preaching instead of getting up and rubing up old guns to be ready for inspection I do not think I have heard a sermon preached for six months where I was with the company I generally had to cook so if there was preaching in the regt I scarcely ever got to go and in the Train we have no preaching nor but little chance to go out anywhere to hear preaching. but there are very few who appear to take any interest in religion. they use cards in place of the Testament. there is more swearing going on than I ever knew it is now hard to find a moral man much less a religious one here. I hope all things will work together for good and we may live to see a better day. I can tell you but very little about the late battles at and near Fredericksburg more than you can get from the papers, but from what I can learn we gained a very decisive victory (over their fighting Joe) I am inclined to believe we will have another battle somewhere near here on the river it may be here at Fredericksburg or it may be either above or below in the

late engagement the line of battle was from 15 to 20 miles long but the principal engagements were at three points perhaps not more than five or six mile altogether though several miles apart It is thought by our boys the Yanks fought harder and were harder to whip than on any former occasion but our men were determined not to be whiped. so after continued engagements numbers gave way before valor and they were driven back at every point to the river and finally across the river I have heard several of our men say had they been in such a place and had such fortifications as the Yankees had in the Wilderness near Chancellorsville they would have had to kill almost every man before they would have left them but the Yanks can not stand a charge. to stand and shoot they will stand and have the last shoot in spite of us. but give a yell and start at a double quick loading & shooting as we go appears to unman them and they can not stand they will break and run any way to get out of it then some of the prisoners have wanted to know what made us yell so upon a charge it is done to scare them and it has its effect for they dread it more than they do our bullets (enough) Tell Joel I do not care to turn my reaper into money as I had rather have good property than money but bethink it is a time that all machinery ought to be used that will save labor he can have it for two hundred dollars if I could be at home I would not take less than three hundred. I had rather have the interest on the money than to have the money at present unless I would get home then I would like to have it or I might want it. Capt Meador has been discharged on account of his health he can not stand service in infantry he left for home on the 15th I expect you have seen or heard from him before this time. We are getting very anxious to hear something definite from Vicksburg yet we dread the result I much fear our Army will be whiped out there. from what I can learn it is a very important post & I should be sorry to hear of the Yanks getting possession of it but I believe they will get it but hope for the better. almost everything in the yard has been buying papers daily so great the interest in regard to the fate of Vicksburg. we pay 20 or 25 cents per paper sometimes it is one price then the other. I have already written more than I intended and much more than will interest you or compensate you for a perusal as it is so disconnected badly written

Tell Joel I would like to receive a long letter from him I think he promised to write to us when he left here. expect he has been very busy since he got home as I have heard he had to stay from home a good portion of his time since he got home hope he will soon have the chance to redeem his promise and he will give us all the news as he was from home long enough to know how anxious we all are to hear and know how things are going at and around home and it is only by writing that we know anything about home. Fannie are you agoing to teach School this Summer hope you will as I am very anxious for my Children to be going & I am not able or willing to board them from home to go to School I think they would like to go to you and then I know your qualifications are such as to enable you to be a good teacher and I do not want them to go to a sorry one if I

can help it. they are gitting old enough to be spelling and reading anything that comes to hand I much fear they can not read at all or very little if any. Write as soon as convenient give me all the news you can think of. tell Mother I would be pleased to get a letter from her occasionally if it is convenient for her too write or have them written. go down and see Mary and children as often as convenient let them see or hear from this as soon as you can. I have written 3 or 4 since the fight have received no response hope to hear from them soon. Tell Mary will write to her towards the last of the week that she may get it by Tuesdays mail I must quit for fear I worry your patience so you'll write to me no more. as ever. your affectionate brother untill death

I take my pen in hand this evening to write you a few lines to let you know I am still in the land of the living and am quite well and hearty hoping these lines may find you all well and doing well. I received your very interesting letter several days past. would have written to you much sooner but have not had the chance as we have been marching and hauling for some time. We left Hamilton crossing and made for Winchester arriving there we captured a quantity of stores we then had them to haul in and divide out which gave the teamsters a good deal to do we then started I know not when but have past through Shepherdtown Boonsborough and a good many other small towns this is the fourth day since we left Virginia. We first came into Md. but we did not travel very far before we took a Westerly Course and Came into Pennsylvania. The most of our trip has been through a very fertile and beautiful Country and the people they appear to be perfectly surprised at our coming here and some of them are scared nearly to death. They appear to think we will take everything we may want and destroy the remainder they may have but I have heqard of nothing being taken or destroyed yet and I hope there will be no necessity for either We must have bread and meat but our Government is willing to pay for it if they will sell to us. They have done so thus far hope they will Continue so to do. We met

with a good many who are rebels (or professedly so) but are afraid to show their hands. As a general thing we are treated kind enough by the Citizens though we occasionally meet a long tongue Woman that \_\_ds and frets at us but I have learned to laugh at them instead of fretting. As we came on the other day we halted in a little Vilage I sat down on the side walk with others. A woman came to the door and began to scold us for being rebels. She said a good many things that we know to be untrue we said very little to her untill she said she thought we had no Wagons. When I said Oh but you know you have been furnishing us for the last two years and we have nearly all the wagons and we have them plenty with us and \_\_ which they can in at a grand(?) everything looks very different here to what we have been accustomed to seeing for the last 2 years were a man brought in here without knowing anything about it he would have no thought of being in a country at war there has not been anything destroyed here. While everything thing has been destroyed where the Yankees have been in Virginia. Where we are going or how long we will stay here I do not pretend to guess Our direction thus far is Harrisonburg or nearly so. We may come back to Va in a very few days or we may stay over here some time. I think if we stay here long there will be some fighting to do though I hear of no force nearer than Harrisonburg it is reported in Camp that McClellan is there with a few militia. We captured the whole of Milroys stores and nearly his whole force at Winchester Martinsburg &c &c. Our regiment and the 54th N.C. regt were sent to Staunton with the prisoners I know not where they are now they may come on to us or they may be kept as a Guard at some points I have not seen Peter or any of the Company for some time would to have the old 58th with us but if they can see any better times by being off I am perfectly willing to it for it has had a hard time of it since it has been in the service as it has been in nearly all the battles that have been fought in Northern V.A. since it has \_\_\_\_ We are fareing very well as to eatables now and have been for some time we get plenty and that that is very good. The Yanks appear to have almost everything and we are now and have been living off of them ever since we came to Winchester. It was more like some great feast to us than a military camp but enough. I was quite sorry to hear your health had been so bad. hope you may soon regain your accustomed health and strength and not be pestered again with disease either of body or mind for I think I know how bad both are especially the latter. let me hear from you as often as convenient go down and see Mary and the Children as often as you can Cheer her her up. Oh that I could be at home once more there to remain with a loving and beloved family. I have written more than I expected when I commenced excuse mistakes and bad writing as I have a very bad chance to write. I wrote to Mary while at Winchester to use my name if necessary in regard to the sale of old Uncle Jim. have not seen Peter or Harvy since the receipt of yours. Nothing more but remain as ever your affection brother &c &c

Beloved Sister

I take my pen in hand this very warm day to write you few lines in answer yours of the 28th which was gladly received after some little delay at the regt I was very glad to hear you were all well. I am quite well as to health hope these lines may find you all well and hearty. I have enjoyed very good health all this Summer thus far and hope it may continue to be good while I may have to stay in the service in defense of our once free and happy country but now I sometimes fear almost a military government yet I believe we will come out conquerers in the end and again be a free an independent nation again. Oh that the day may speedily come when it may be so Fannie I sometimes get to thinking over the reverses we have met with the West and of the South and how they are closing in on us from almost every nook and corner and it appears there is no chance but for us to be crushed out of existence yet I cannot believe it will be so. We are told the darkest time of night is just before day. Oh that it may be so in this case for it certainly looks more gloomy than at any time heretofore. Our troops are many of them becoming tired of the War and want to go home and a good many from some of the States are deserting. Many with the intention of coming back but some I believe never intend to come back if they can help it. The fall of Vicksburg seems to have spread a damper over all North Carolina troops and they are now very anxious to get out on almost any terms. We are all tired of War I have no doubt but many of us had rather remain in war than have a dishonorable peace At other times I look forward and try to see what is to be done and have come to the belief that our hardest time is or about over I think we will have one hard fight perhaps the hardest of the war and we may have to fight many but I think one will pretty much decide our fate and I sometimes think that war is almost Over with us Oh that it may be so. it is impossible for any of us to like and there are but few that think as I do about its coming to a close.

You asked in your last if I fared as as well as at Winchester No. I had the tables turned on me and I had to do the runing. I fared very well as to eating but I had a hard time of it while M D and Pennsylvania they gave me a first rate team and then they kept me all the time hauling with it. I had three races from the Yanks on my way out of Md. but came out safe in all but the last in which I had one horse shot in the foot and lost all my clothing and blankets rations &c &c but I came out with my team and thought myself lucky to do that much for the Government I did not get to rest in camp from the time we left Williamsport till we got this side the rapidan River by that time my team was broken down and they

put us to treading hay for the yard and I did not have to go so constantly as while I was hauling commissaries and my team is mending up very fast hope they will get in very good order before we have to leave here as I hate to drive a poor team for the past 8 or 10 days I have hauled but 3 or 4 loads and they about 10 miles

how are you all getting along since the draft has it taken off many or has it not been put into effect yet. Oh that I could get home once more if it was only for a few days it will now soon be two years since I had the pleasure of seeing a beloved and loving wife and family. I see no chance for me to get home before winter if then. I was down to see the Company yesterday I found Peter had got off home once more I did not learn how long he was to stay wish I could have seen him before he was off but I was out after hay when he past we are getting hay in the neighborhood here but I do not think it will last much longer I know not what we will do. We are stationed about five miles N East of Orange Court House we have very good water here haul our Commissaries from the C. House. We have had some of the hottest weather I ever felt since we have been here I wrote to Mary some days since hope she has received it \_\_\_ this and will write so can hear from home as it is very seldom we hear from home when we get upon the march We had a man and mule killed by lightning the same evening I wrote to her I had been done writing but a very few minutes when it happened.

Write soon and direct to Orange Court House. Care of Maj. Snodgrass Chief Q.M. of Earlys Division. give me all the news you can think of I must close for want of room go and see Mary as often as convenient My love to Mother and enquiring friends Write soon as ever yours.

Oh! that they could all be come learned while they are young but I fear they will not be at all. We have had some very hot dry weather since my last to you though it has not been a dry fall by any means we had fine rains the first of this week it was quite cold for the season three or four days and quite frost one morning this week. this morning it was quite warm and had the appearance of being pretty and warm but it has since changed and is now quite and windy and if fairs off and this wind quits blowing I think there will be a killing frost [tell me what?] hapning there for I

am acquainted with almost every object around there or have been I cannot say I am now for it will soon be two years since I saw my native County

Dear Mother and Sister

After long delay I take up my pen to comply with your request I would have written sooner but I have had almost no chance to write since I saw you when I am not going with a team hauling I have to be out grazing the mules and there being few fences we have to form a Circle and keep our stock together in that way, and it generally keeps all hands quite busy to keep them from getting off I am now out minding stock and writing as I get the chance. I am quite well and have been since I left hoping these lines may find you all well and hearty. We had quite a muddy time getting back to Camp after we left your house but we got along very well after the first day and even that day better than I expected we had no bad luck on our way found things in Camp much as we left them but it was not long before they began to change about and see us now you would hardly think we were ever a still quiet people. but there are frequently great changes made here between the setting and rising of the Sun. This is the fifteenth day our men have been drawn up in battle array ready at any moment to begin the deadly strife anew and the sixteenth day of the fight the Cavalry fought the day before our men got up. They do not fight every day or all the time but there is hardly a day passes but we can hear more or less Artillery. I have not heard but two today and it is 3 or 4 oclock P.M. They had quite a deed esterday with Artillery for 5 or 6 hours but the Yankees did not come close

enough to do much with muskets they came out in battle line as though they would storm our works Our gunners threw grape and canister at them which mad them beat a hasty retreat We had very few men injured there was one man killed in the 58th Va Regt. Wm Gray. I expect he is the recruit that joined our co. last winter as they thought he belonged to Co. B. I have not seen any of the boys for several days, as they are all the time in the breast works and we know not at what moment we may be wanted here so I can not go to see them. Creed Hubbard was killed the first day of the fight Lawson Grayham on the second or first of infantry fighting. I think there has been six wounded in brothers company including himself which I hope is very slight it is a flesh wound in the right arm or shoulder I did not get to see him as I had to go off after Commissaries soon after I heard it but I hope he is at home long before this time doing well. I hardly know how to write to interest you to describe the fighting as it has taken place at different points and intervals I am not capable so suffice it to say that our Army has for the first time since the War commenced fought behind Earth works and such fighting perhaps has never been recorded much less described it is thought our men kill at least ten to one and even the Yankees fought with a courage that would do credit to a better people and cause they would make charge after charge and come on in some cases till our men piled them thick enough for breast works so I have been told. I do not think the firing from artillery was as heavy as at Gettysburg but I never have heard so much musketry and Artillery comprised(?) as was at Spottsylvania C. H. and hope can I keep my hearing never to hear again. It was reported at the yard this morning before we come out to pasture there were no Yankees in front of Rodes and Earlys Division It was thought they had moved down to the Right. Oh that they may be withdrawing from our soil with a solemn determination never to invade a once peaceful and contented people. Is it not written some where? I and their smile shall rise up against them &c &c Truly it appears to me this is the time for they say if you cross and get a short distance from our breast works the ground appears to be a live with maggotts notwithstanding all that it is said Grant Called for Volunteers night before last to storm our works yesterr morning he could get but 6000 and when they got a sight of them it was too hot they could not stand it Enough as I have writtin more than I intended and much more than will interest you

how are you all getting along these times are the boys all at home yet living in luxury and ease or have some of them given up the pleasure of the fireside for the Tented field no not Tented battle field. We have had no news or maill but once or twice for about two weeks but General Lee gave us a little good news the other day that was our Armies are or generally Victorious so far this spring but you will see it in the papers before you get this. Enough write soon and give me all the news you can think of me thinks were I at home where I could sit on a chair and write I could write a little better and would not mind begining as I do here being but a poor pensman at best it is hard for me too write an eligible letter

here but you must excus bad writing and mistakes for it is hard to write when the din of war is ringing(?) in your head and that is the case now. I wrote to Mary two or three days since but let her see this please. I have not heard from home or any of you for three or four weeks. If Peter is at home give him my respects tell him to write to me if he can write. hope he will soon be well. I do not know where we will git our mail but expect at Millford Station you had bettern direct to Richmond as it will be sent from there to the point most convenient. Care Maj Snodgrass &c. I have no stamps. I think they are fighting down in towards Fredericksburg from the sound of Artillery for the last 1/2 hour or more write soon and often no more at present as ever yours

Dear Sister

I take up my pen this evening to answer your verry kind and welcome letter of the 31st last which come to hand last friday and found me quite well Peter had been up to see me that day he is well and getting along much as usual he has had some very sore boils of late but one on his face at that time I would have written sooner but we have been moving about so I have not had the chance You can not imagine how glad I was to get \_\_\_\_\_ your and hear you were all well at Mothers as well as at home I received a letter from Mary about two weeks ago which is all the letter I have had from you or her since I left Richmond \_\_\_\_\_ I heard a few days back the Post Master General and the Contral Rail Road Co. had settled their difficulty and they are carrying the mail on that Road again so I hope we will get the letters more regular than we have done since we have been north of Winchester We have done a great deal of hard marching since my last to you but not much fighting yet there is almost constant skirmishing going on or nearly every day but Mr Early is managing to keep the Yanks low down in the Valley without risking a general engagement we have not been as far South as Winchester for some time our present camp five miles off is our stopping place and then to Bunker hill Smithfield Bruce(?) Town and Berry(?) Ville and back home it is now so when we start out you hear the boys saying go to your old camp at Bunker hill or as the case may be We have had some men killed but not many The Yanks carried all the wheat and and hay on their last retreat from Strasburg to Winchester and report says they had orders to burn Winchester but the rebels was as close to them they did not have time to execute it I understand

they say they will burn it if ever they get there again hope they may never get there if that is their intention but I do not see how we can stay down here a great while we are living wholly off of the country around south of us but after we consume the surplus near by I think we will have to fall back as we have not got transportation sufficient to haul so much provisions a great distance they may give us more teams and let us stay here all the fall perhaps Winter. I have been seeing a good many persons from about Manassas. Alexandria(?) peace and other places down East they say all the talk is peace peace \_\_\_\_ there but I sometimes fear that joyful day is some distance off yet though I hope for the better I \_\_\_\_ some days ago that Mr Abraham wanted 500,000 more men to crush this little rebellion and Mr Grant wanted 100,000 of them but Mr Abe cant get them without opposition so it seems he is about to do without them Now if \_\_ needs 100,000 to insure success at PetersBurg I think (as I have done all the time) it sure defeat in the end to continue there but enough I know you are tired of such things Write soon and give me all the news you can think of any thing and evry thing that takes place there is news to me remember I have not been there since cold cold weather and it is getting quite cool again I have had my coat on all day and none too warm. We had verry dry summer here in the Valley Corn was very much injured thereby We are having a great deal of rain for some time past there are more apples than I ever saw I think to the trees I have not had any cider(?) yet it is selling at one Doller per Qrt in the Country Tobacco five Dollars per plug and other things in proportion let Mary see this give my love to mother write soon I must close as I want to write to Mary this evening as soon as I can catch up and water my mules I am out of envelopes ink and postage stamps as can not get stamps here \_\_\_\_ I shall borrow envelopes excuse bad writing and mistakes

I take my pen in hand to answer yours which I found in camp on my arrival the 18th or 19th I had been out in the Country about three weeks. It found me well and hearty was very glad to hear from you and hear were all well hope these lines may find you all well and doing well I have little or no news to communicate every thing is quiet here there has been a good deal said about taking in all able bodied men that were on detail but there has not been much done in our Division except such as did not belong to the Division they have all ben sent off and

several of the others left themselves without being ordered back to the commands I think they have all gone to Western Virginia \_\_\_\_\_ them aware they would not stay and serve this Winter with a set of new hands and things to their companies in the spring others said they were tired of the Army and were going to get out of it There were four left our yard one night some before and one or two since there are some others that seem restless I can not tell how things will work with them if they are let alone they may stay as long as the war lasts but if they are pestered much they will be off. Many have come to the belief that we will never whip the Yankees and it is only a question of time to bring us under I hope for better things Others think our Government has not done its duty towards us and that it could have stoped the War before this time if it would but a certain class do not want it to stop. but be that as it may certain it is many are anxious for the war to stop and they dont care much how so they get out of the Army I have not seen Joel for nearly four weeks I saw I saw Jo Lemmon on his way down the valley the others I have not seen but were all well when I saw Joel they are not Camped close to us now they are still down near New Market or six or eight miles below us I heard yesterday they were going to move up above us today but they have not passed yet do not know whether they will but think we will all move farther up before long though we may stay here sometime yet I was very glad to learn Sarah had heard from brother Peter and that he can hear the Gospel preached I heard a portion of a sermon yesterday for the first since last winter but not of his denomination it was by one of the United brethren they are something similar to the Methodist believing in the same baptism they do I have not heard a sermon by a baptist since the war commenced or since I left Bedford Oh that I could get back and have the privilidge of going to Church as of Yore me sometimes think I would be more attentive than when I was at home but I can not tell I have now been in the Army over three years during that time I do not think I have heard the Gospel preach but once if then but I know I am not a competent judge as I am no Christian enough.

Capt James was captured at Cedar Creek on the 19th I have not heard anything of him or Van since. I have not seen any of the boys for several days they were generally well when I saw them. I have no team now Capt Vogler said he was obliged to have some one here in the yard so he selected me for that one it is something easier than attending to a team but I did not much like to give up my team write soon and give me the news"

In that same letter Mrs. Wilson enclosed the following from a letter from Laura Mae "Mamie" (Feather) Densmore, a granddaughter of James Matthew Wright and Mary Theresa (Marshall) Wright, dated April 19, 1966:

"As far as I can ascertain the Wrights only lived in Bedford Co. Mary T. was born at Thaxton, Va., Bedford Co.

Only last night I heard the most exasperating news I have heard in a long time. Grandpa Wright did have a family burial ground on the old home place and was sold long ago. Only recently was some of the land sold which had the cemetery on it and a house has been built right over the graves and people are living in it. You see it was only ten miles from Roanoke and my family lived seven miles below Grandman. . . .

The only Wrights that were buried in Grandpas cemetery were he and grandma. . . .

Minnie [Dooley Brooks] had all this information in her Bible . . . . loaned it to one and then the other [of her brothers] . . . . suppose it has been thrown out. . . ."

Dear Relatives

I avail myself of this opportunity of dropping you few lines by which you will learn that myself and Children are all in usual health at present hope this may find you all in good health. Mr Craft left for Camp Lee on Friday last I have heard nothing from him and he left he was not very well Complained of fullness of Stomach and difficulty of breathing which is not uncommon for him I fear it will be an unlucky trip for him andhis family but I know that we are all in the hands of an All Wise and Just God who doeth all things well, therefore I try to be resigned to our Lot when I thought he could stand the service it was a hard task but now it is even worse, but he is not alone others have to bear the same hardship which appears unreasonable. I hope this Contest will speedily be ended I cannot see how it can exist much longer are all the men gone from your section are Stephen Joel and Wm. gone has Peter been heard from since he was reported missing I am very anxious to hear from all the family Connection in the Army when did you hear from Eliza and Ann how are they getting on Mr Craft wanted to go to Bedford before he left but had too little time after he received notice. he wanted to arrange his business there and leave nothing undone that he will do to trouble others he asked me to write and escertain whether Wm is gone or not and whether he delivered his tenth of wheat and got his Receipt and how much he delivered so that I may know how much I will have to deliver here, and if he is gone and did not attend to it he wants you Mother to have it hauled when your waggon passes and get his receipt if you can and send it by the first Opportunity

to me if you please. If Wm did not collect his money from Mathis he can pay it over to you and you can forward it to me I have a place to put it and would like to have it but nothing urgent he wants to know of Joel or Eliza if Joel is gone if he has his Sow or sow and pigs ready for him he was coming to bring him one and get one in exchange if he had not been called off as soon as he was done seeding but now I cannot see how I can send for some time to come indeed we have no wagoner that I think safe to make the trip. Now, if he wants to kill his this fall we will have to give up the swap if we cannot convey one over in time other wise we would be glad to make the exchange. I want to send the wagon as soon as I can but If dont know when I can do it dont disommode yourself about the hog

my sheet is full write to me by next mail and give me all the news nothing more only my love to all

"Camp Lee Staunton Va

October 19th 1861

Dear Sister I now seat my self to answer your letter dated the 14. and I was more than glad to hear from you all, and hear that you are all well, but hoped in vain to hear that my Family was well, hope they soon will be. I am well at present and hope this may find you all enjoying the same blessing. you wanted to know how we are geting along in Camp, and if I had any office. I am 2th Sergent and geting along verry well you allso wanted to know if non Commissioned Officers had to stand gard. they donot have to stand guard, but post the gards, and see that they do there duty. there is one Capt apointed Officer of the day 2 Lieutenants of the gard. one more Commissioned officer and 6 Privates from each Company that serve 24 hours they take it in regular rotation. it is the duty of the Capt to see that the rules of the Camp are strictly observed, and the duty of the 2 Lieu to change the gards every two hours. there is three releifs of gards to each Post. they are on duty 2 hours and off 4 for instance the gard is mounted every morning at hal past seven and the first relief goes on at 8 stand till 10 at which tiem Lieu sends round a non commissioned officer with another relief and they stand untill 12 and so on these 24 hours and the officer of the day is Liable to be reported by the officers of the gard for failure of duty and they are liable to be reported by the Noncommissioned officers and the Noncom officers by them. so you see it is a bad chance to pull side ways and therefore it is the verry place to try a man to the bottom, and see if he is sound, for flaws will show

when they are hamered. Fanny you said you hoped we would all soon be discharged from our present dutys by a just and honorable settlement of the present difficultys, and return home to the bosom of our friends. would to god that it could be so, but I have no hope of it, count on nothing else only serveing Twelve months in the army, if I am blessed with health, which God only can give and my only trust is in him, for deliverance from our present difficultys, and my return to them whom I so dearly love, and to one that has been so kind to me, and at all times ready to make me happy by kind words and affectionate love. Fanny I Left a kind wife and one that has all ways made me happy and the care of 5 little Children resting upon her. Hope the Lord will bless her with health and strenth, and directh her for Future hapiness, and my Children I can only say O Lord a father to them be. and keep them from all harm. That they may love and worship the and dwell upon thy charms Fanny I was glad to hear that you had been to see Sarah, hope you will go often, for I know she is lonesome unless she has Company wish I could see her and the children but dont know when I can. tell her not to see any trouble after me for I am in good spirits, and hope to see her before long. the Mesles are still raging in Camp. there is as nigh as I can gess about one fourth of the men here sick, and the Regiment is now made up, Capt Hollys Company landed here yesterday, dont know when we will leave him our Colonel has not got here yet thoug that will not keep us here if the men was all well dont know where we will go they say there is plenty of men out west of this and its verry uncertain where we go

I have had the pleasure of seeing a god many Yankeys since I have been here, they loked verry much cowed and out Lied a Camp meeting. the truth from them was scarce and hard to get think they will be verry apt to learn a lesson before they are much older they carryed them on to Richmond stayed all night here and we had to gard them we get some of them every few days wish we could get them faster and teach them to let that alone which dont belong to them so we might be at home with our Familys and be at rest themselves, but if nothing else will do them I think we can thrash them verry deacently and learn them to help there poisinous feet off of virginia soil I must bring my letter to a close Harvey Me and James Wright is well and James says he will write to you in a few days tell Joel and Julia to write to me and write often please write son for you dont know how much good it does me to get letters give my love to all and accept a Sisters portion for your self please excuse bad writing as I have a verry bad chance

This leaves me in tolerable health hoping it may reach you in due time, and find you all in the enjoyment of health and plenty I have but little news to write you there being but little going on out here we still have a greateal of Sickness here and some dying we have lost 12 men out of our Company and have a bout so sick at this time Capt Meador is in a right bad fix, think he is confined for a long whet, with good luck, and bad lick would soon discharge him from his earthly station wish he was well for we need him verry much Van James is yet confined to the House the Dr. says he will not be fit for Service under one month and a half Wm. West is at the Hospital and right poorly. James is complaning but going a bout hope he will soon recover his accustom health we only have 2 verry bad cases on hand at this time hope the time will soon come when we will have better health and get out of this Sickly place for we will never have any health here I dont believe though it has been a verry weet disagreeable winter rains or Snows a bout evry other day, we had 3 fair days at one time last week the beast spell we have had in a long time. I think we will be moved from this place as soon as the Malitia comes out here I think there is a heap of hard Fighting to do and it will have to be done in a short time it seems that we are loosing ground of late and there must be a change if we gain our independance it is thought here by some of our leading Men that we will have to give up the whole of virginia but I think if it ever comes to that there will be a great many that will refuse to pass there Familys. I think I would be one of the number for I never could have the idier of leaveing my Family in the hands of Yankeys, I hope we will never have such luck as that, for I should give up all hopes of ever conquering them we had a little excitement here last night had orders to lay with our guns in our arms. there was a dispatch come in that there

was a 1000 or 1200 coming into Monterey I did not feel at all alarmed for I thought they had more sense than to come in as small a number as that, for they could be easily cut off John O Beard tells me old Bedford is volunteering a gain strong hope she won't be drafted yet for I think there is something to do at home as well as fight for Men can't fight unless they eat and they can't eat unless they can get it I dread a Famine worse than the Fighting but don't think there is any danger this year but we know not when it will end the prospect of peace is gloomy, and we cannot promise our selves any thing but hard times while we live, the only thing I can see to cheer the mind is a lively hope in Christ Fanny you said Billy wanted to know how I knowed the Vols. teers had the Fighting to do when I see anything I know it. The Militia out here were kept to guard the Commissary stores because they would not stand there ground in battle. They were tried and run, and if that is not proof he may say I don't know. Fanny what has become of Stephen I have written to him and never get any answers from him reckon he has things of more importance to attend to tell Joel I wish him much joy. give my love to all inquiring Friends if there be any such and particular to Ma Brothers and Sisters tell Grand Ma howdy for me I must close for want of room and time write to me often and give me all the news from old Bedford, and tell me all a bout the Volunteers and whether the Militia has to go hope they won't so nothing more at present only remain your affectionate Brother

On April 16, 1862, Peter Meador Wright wrote the following letter to his wife Sarah, transcribed in Letters From Peter Meador Wright II To His Wife Sarah During The War Between The States 1862 To 1864:

"Camp Shenandoah, Augusta Co., Va.

April 16th 1862

My dear Darling,

It is through the tender mercy of a kind Providence that I am blessed with the opportunity of writing you a few more lines by which you will learn that I am in the enjoyment of good health and have been for sometime. I hope this may find you all in the enjoyment of perfect good health and getting along well. I have received two letters from you since I last wrote, one which was dated March the 27th, the other April the 9th, and I received one between the two dates which I have answered. This one that I speak of behind time was caused by our moving--went to Monterey and came back but there is no mail from the South that can go there now. It stops here. We allow none to pass here going west, but, as many as can come East as wants and there are a good many moving by here. They have left their [homes?] and a great deal of property to get shut of the Yankees. There are a good many wealthy people that have passed here with just what they could haul with their teams at one load and driving their stock

before them and the women and children wading the mud to keep from being taken by the Yankees. O, Sarah, we think we have trials, but what is ours to these that have to leave their homes and go to an unknown country, to them without any support. You can't imagine how I feel for them, poor women and children 2 years old (illegible) . . . think they have gotten out . . . without support . . . O and not allowed to have their own. O that the War would cease and peace about throughout our land, so that families might return to their homes and husbands to their wives and children to their parents and enjoy the blessings of a peaceable and quiet life and learn to be more obedient to their Creator who rules all things, and that they might continue to lead a peaceable and quiet life the remainder of our days. But instead of that there is more grand rascality going on now that I ever saw in my life even men professing to be Christians, and gentle men of honor and strong secessionists and declared that if Virginia did not secede they would leave the state and that they were ready at any time to take up their muskets in defense of their Country's rights and where do you see them now? Some of them hiring [the] hands for substitutes that were left to work for the wives of husbands that have gone in defense of their country leaving them not so much as a skill[ed] boy, it will be a great time to make money trading and that they can soon make money to pay a substitute. Who are they going to make it off of I wonder? I answer: the needy women whose husbands are fighting their battles and undergoing the hardships of a camp life. I ask all such men if that is doing as they wish to be done by or do they think they are doing God's service by such acts. Ye blind guides which strain at a gnat and swallow a camel! Woe unto you Scribes and Pharisees, hypocrites! For ye made clean the outside of the cup and of the platter but within they are full of extortion and excess. Woe unto you Scribes, Pharisees, hypocrites! For ye are like unto whited sepulchres, which indeed appear beautiful outward but are within full of dead Men's bones and of all uncleanness. Even so ye also outwardly appear righteous unto Men but within you are full of hypocrisy and iniquity. I wish all Men well but such as I have named. I wish they were pressed into service where they would learn to sympathize with those that are fighting their battles for them to live at their ease upon the hard earnings of the poor soldier by undermined and sneaking turns. It is much for the Men of Spirit to bear and remain quiet, and the time will come if we live to see the war close when all such men will feel the effects of their conduct. I don't wish to be [mis]understood, that there is anything disgraceful in a man's hiring a substitute if he does nothing more. I speak of men who have done all they could for secession and talked that they were just ready to shoulder the musket at any time and instead of that have done all they could to get other men off. When that is done you see them taking advantage they can of these that are left in distress. It matters not with them who sinks just so they swim.

Sarah, I suspect I have written more on this subject than will interest you but it is something that ought not to go unnoticed and I merely want to give you my

opinion about all such men. It is not only my opinion but it is the opinion of the best men in the army and I care not who reads this for I can establish the facts.

Sarah, you said you thought you would not write to me when you did because you did not get one from me, heard we were moving and that was the reason you got none from me but you need not let that keep you from writing at any time for they will come to the regiment wherever it is and you don't know how much I would have been disappointed if you had failed to write. I have been getting your letters tolerably regular and I feel just like there is something the matter whenever I miss a week. You said you were in hopes I was coming home--the reason you failed. I am sorry you got disappointed but can't help it. I would be very glad if it were so I could come home but there is no chance now and I fear there will be no chance for me to come home unless my time is out and if I live. Don't grieve about me for it will do no good. You said if you just knew I would live to come home again you could give me up tolerably well till my time was out. It is with the Lord and he will do all things right. You said there was no other chance but a heap of hard fighting to be done and you expected I would have to do some of it and if I fall in the battlefield and never you never see me again what shall you do. If I fall in the field of battle I hope I will fall into the arms of a blessed [sweetness] when there will be no wars but a continual praise to God and aw to what you must do inquire of the Lord what you must do to be saved and he will direct your steps for he has promised if ye seek ye shall find and knock it shall be opened unto you and many other precious promises and I beseech you to seek the Lord, for ye know not the hour the Son of Man cometh. O my dear darling, if we never meet on earth I hope we will meet in heaven where there will be no sorrowing and crying but a continual happiness.

You said that you heard that Old Lady Richerson said she just came to stay till Spring to fool me. She may fool me and has but she will never fool old Master. The time is fast coming when she will have to account for all she says and does, I fear. She says more than she can prove about me but it doesn't hurt me it only hurts her. Don't you study about what she says about me for that will do no good and the time will come when all things will come to light and then it will be known who has done right. She has deceived me completely but if she [doesn't] mind she will deceive herself before she is many years older. If you haven't got any planter don't pay more than fifteen dollars for him and only buy a little to sow on the bottom to make hay. You wanted to know if I wanted the children to go to school. I want them to go to school badly and think you had better send them by the day and if she [doesn't] do well you can stop them. I want our children to have a good education if they never have anything else for I know how bad it is to be without [al]though I have a little myself. You said you did not expect I could read your letter. I never have been bothered to read your letters. I can read all the letters I can get to read. I have six on hand at this time to answer. You said you thought you got worse in waiting instead of improving. I think you have

improved a great deal, but don't spell very well--as well as myself. I have practice enough to write well, but have nothing to write on. Think if I live I will learn after awhile to write on my knee for it has got so it comes very natural to put my papers on my knee and a continual noise around me. Don't know how I write at all but I have got used to it. (illegible) . . . said Uncle Sam said I thought I could cook as well as you could. I think Uncle said that for me, for I would like to eat your cooking if I could and quit myself. I never [did] any cooking in Service until just before Uncle came out and then my mess was all sick but one or two and they cooked so bad I couldn't eat it. I put in to making up bread and baking it myself. They did not think I knew anything about cooking and when they came to find out, I could beat any of them cooking. I never let them find out I could cook till I was obliged to. Give my love to all and to Mah and all and to your Ma and all so I must close for want of room and time for it is so dark I can hardly see what I write.

Dear Mother

It is throug the tender mercy of a kind Providence that I am once more blessed with the priviledge of writeing you a few lines by which you will learn that I am well, save a bad Cough which I am geting better of, hopeing when this comes to hand it may find you with Brothers and Sisters in the enjoyment of health and the necessarys of life. I cannot begin to tell you what I have experienced since I saw you last, for it would take a right smart book to write it on we have gone through I suppose as much or more than any Soldier ever has that history gives any account of. we have fought 4 and 5 days in succession without drawing any thing to eat and through the Months of August and Sept we were under the Sound of canon or musket the larger portion of the time, and I have laid in line of battle 3 nights in succession and marched 2 makeing 5 nights hard runing in line

of battle and marching and not half enough to eat, and I thought it pretty hard times though I had Command of a Company and did not complain much. I got so I could Sleep and the Canon balls whisling all a round me. We waded the Potomac 4 times, besides a good many other large water Courses the effects of which I think I feel nearly evry day with Rhumatism, though I have not had them so bad but what I could travail, hope they wont get any worse than they have been, my hands has swelled a little several times and my limbs all hurt me, our Men are yet without Tents and some of them barefooted and allmost naked and it looks like they will never get shoes nor Clothes enough for them this winter, we had a right smart little snow yestirday but think it will melt today. we are making short moves every few days eating out the Country as we go, we get nothing to eat but flour Beef and a little Salt, unless we get it in the Country. I have to pay, 5 cts per pound for flour and, 15 for Beef, 6-1/4 for Salt, what we get out in the country cost us the following prices, Bacon none to be had, Pork, 50 cts per pound, Butter from, 75 cts to one dollar, and scarce, Sausage one dollar and 25 cts, apples from, 25 cts to one dollar per dozen according to qulity cider from 2 to 4 dollars per galon butter Milk \$1.00 sweet Milk \$2.00 honey 1.00 per pound, Cabage from 25 cts to one dollar per head, beets from 25 to 50 cts a peace these are the prices and you know we cannot afford to buy much at such prices. my Bord cost me a bout 20 dollars per month and my washing 25 cts a garment, and what little preaching I hear cost the Confederate States a bout 25 dollars a sermon and you may guess it dont suit me, & if I could only hear one good Baptist Sermon I would not give it for all we have put together. I fear things are going on badly with us in general, we are fighting for liberty, and I fear the yoke of bondage is fast approaching. though the Lord only knows what is to befall us, he says in his writeings that all things work together for good to those that love him, but do we love him, he says if ye love me keep my Commandments, and I for one fall fair short of that, though he says in an other place ye may know that ye have passed from death unto life because ye love the Brethren and that is cheering to me, for I feel like I love the Brethren and can enjoy myself with them more than any other people, but my paper is nearly full and I must change my subject, how is Grand Mah geting a long. tell her howdy for me is Stephen going to brakeup house keeping or not, or what does he intend, tell him to write to me, and what has become of Fanny, she use to write to me some times, but, of late I hear nothing from her, reckon She has forgotten me. I Saw Joel last Monday he was well James and Harvy Mc are well, give my love to Brothers and Sisters and all enquiring Friends if any and receive a kind Mothers portion for your self I must come to a close for want of time though my Letter is short and scatering. write soon, and excuse me for bad writeing for it is verry cold this morning in my Tent so nothing more only remain your most affectionate Son

On December 10, 1862, in T. J. Bell Collection, Virginia State Library Accession No. 21615, Peter Meador Wright wrote to Louisa Frances Wright:

"Caroline Co Va Dec 10th 1862

Dear Sister, I once more through the tender mercy of a kind Providence, write you a few lines, by which you will learn that I am well at present and hope when this comes to hand it may find you all enjoying the same blessing. I have written to several of you, but get no answers, and, thought I would write one more to you, and, see if I could hear from you all once more I dont know whether my letters dont go, or, whether they arenot answerd, I have got no letter from home for 3 or 4 weeks dont know what is the matter fear you are all Sick or something the matter some way I heard yesterday you all had the diphteria, dont know whether it is so, also heard Stephen was Sick fear it is so, or I would hear something from you all, James and Harvy Mc are both well, the health of our Company is tolerable good at this time, we are quiet resting 5 miles from Guinea Station 7 miles from Port royal 50 miles from Richmond we have been here Several days, think we are just waiting for the Yankees to make a move some way, dont know what else, for we seldom stay at one place long as a week, we have but few tents not more than one to a Company, and that is not enough to do any good towards keeping Men out of the weather, we have a great many Men barefooted and nearly barefooted, and some of them nearly naked, dont see how Men stand it. the weather has been verry cold, for several days, and, some snow; think it has been a fine time for geting ice, hope you all have procured your house full, this spell, also, hope Sarah has got her house full, as, the weather has been so fine for it, the ice here has been 4 or 5 inches thick and the weather still cold. I hear no talk of us takeing winter quarters, think we have seen hard times and no prospect of geting bette, but, worse I am nearly barefooted and so is James, and no chance for Shoes here hope I will get some from home before before much longer and some Clothes as I am nearly without. John Crofford told me Stephen said he was comeing to see us in a Short time hope he will and bring my clothes, if Sarah has not had the chance of sending of them by some one else sooner. I would pay something right smart to have them, I am still acting Quarter master for our Regt. and have a tent to my self, and also a little stove in it, or I dont know how I should of made out for want of Shoes this cold Snowy weather, for I could not stand it so nigh barefooted I know, for I am considerably pestered with Rhumatis this fall any way, from so much exposure heretofore, and so many hard marches, but have been greatly favored for the last two months haveing none of it to do. I find it much easyer rideing than walking, dont know how much longer I wil continue as Quartermaster as I only expected to serve a few days when I took the place and have served over two months and the prospect better for me to continue now than then. hope I will get some Shoes before I quit, as I have served this long. James is driveing a wagon and has been for some time. it seems to suit him better than to stay with the

My verry dear Sister, It is through the tender mercy of a kind providence that I am once more blessed with the priviledge of writeing you a few lines in answer to your verry kind and welcom letter of Dec 13th which found me well, and hope these few lines may find you all in the enjoyment of the beast of health. I have but little news to write evry thing being quiet at present. We have gone into winter quarters, where George left us 8 miles from Guinia Station and 8 miles from Portroyal. Hope the Yankees will let us a lone this winter as it is verry bad to be out of doors in cold weather. But if they can stand it we can too, is one comfort to us. We have fortified at Portroyal I think, sufficiently to whip any force the Enemy might bring against us at that place. The river is some half or 3 quarters of a mile wide there, dont think they will ever attempt to cross at that place. We go down there on picket and the Yankees on the other side of the Rapihanock and we on this side, dont pretend to fire on each other. Some of our Men and theirs has met half way the river and changed papers some few times. they say there will be no more fighting on the Rapihanock this winter, but reckon they are like myself know but little about it. Well Fanny you wanted to know how we was makeing out a bout something to eat. We get plenty of Flour and poor Beef, and some few times of late have gotten Pork. we also get some Salt. My Flour cost me 8 Cts per pound, Beef 15 Pork 40. We also have gotten a little Sugar twice. I got 3 lbs it cost 3 cts per pound. I live high now have wood spice tea, buiscuit, Beff, and Butter yet which Sarah sent me, and you have no Idier how I appreciate it, it does me good to eat it I scarce ever eat, but I think of the peace. that said and my Wife saved it for me, it had been so long since I had eaten any Butter, and wanted some so bad. O you have but little idier of the life of a Soldier. how dry and wearrysome it is. O that the War would sease to be, and peace and harmony take its place and dear ones return to there homes to lead a peaceable and quiet life. We have a good many Men barefooted yet, and no prospect of Shoes. And a good many of them is runing away and going

home, and there is a good many comeing back under guard, and, they are being Court Marshaled daily. I am appointe as one of the Court to sit without regard to days or hours until we get through, have served several days alrely and we have more cases on hand now than when we first began for they are daily comeing in, wish we could clear the Docket one time, and adjourn, for I take no plesure in punishing Men, and we are bound to do so, according to Law when we find them guilty of violateing of the same. The punishment of some is tolerable heavy. The most of the Crimes is runing away. Well enough of this, how are you all geting along; have you been to see Harvy and how is his wound. \_\_ he is doing well, how is Stephen, he never writes to me so as to hear a word from him. how are all of Brothers and Sisters at home; hope they are all geting a long well, as I hear but little from them, give my love to Grand Ma and Family, and tell her I wrote to her a few days since I also wrote to Sarah but have not heard a word from her since George left, hope they are all well, and, doing well, hope they havenot got the Hooping Cough I heard from Joel and Ruben Dearing yesturday they was both well Capt Dickerson was down here yesterday, This leaves me with Brother James well, he is nearly barefooted, and wants to come home verry bad but cant get off wish he could, give my love to Ma and Family allso to Brothers and Sisters, and all inquiring Friends if any such. The health of our Company is verry good at present I must close by asking you to excuse bad writing and mistakes as I have but little time, and have to write on my knee so nothing more at present only remain your most affectionate brother untill death

My verry dear Sister

I through the tender mercy of a kind Providence seat my self to write you a few lines by which you will learn that I am in tolerable good health at present and hope these few lines may find you all well, and geting a long well with your worldly business. I have but little news to write, every thing seems to be tolerable quiet at this time on the Rapihanock, we have had some rain and snow for the last 2 or 3 weeks and some verry cold weather, and the roads are quite bad and have been for some time. think they will have to improve a greateal before there is much done in the way of fighting. hope we will get to stay in our huts some time yet. The health of our Company is verry good at present, and in

fact the health of our army at this place is verry good and has been ever since we came down here. We get Flour; Beef, and some Pork, and, Bacon to eat I should of said Cow in stead of Beef though we are makeing out tolerable well. When we get Pork or Bacon they allow us one quarter of a pound to the Man per day, and one pound and eight of Flour. If you will try it you can tell exactly whether it is enough for a Man or not. As to my part I can buy as much Flour as I want at this time from the Government at 8 cts per pound, Pork 40 Beef 15, I have had butter to eat ever since George was here and have fattened on it, weigh one hundred and seventy five pounds, but my Butter is nearly gone and I hardly know what I shall do for more, to eat, for it is so good in Camp. It is verry scarce and high worth 2 dollars and 2.25 per pound. I will pay 2 dollars per pound for 5 or 6 lbs of nice Butter if i can get it, and glad of the chance now Well enough of this. James wishes me to write a little forhim as he has but little chance of late to write, he is still wagoning and some of our waginers being sick it makes quite hard on him, the roades are bad and forage to hall a long ways, and also provision to hall. he is geting a long verry well, received your letter in due time and would of answered it before now but has not had time has received one from Mary since yours, and answered it. The winter is the hardest part of the Wagoner's service, while we are stationed when there work is hardest ours is generally lightest, and when we are fighting they are generally doing nothing. I am glad Jame has got a wagon for the pay is better and the service not so dangerous, think he has done hard marching and fighting enough to get a little rest from it, as Furloughs has intirely gone out of fasion, and Married Men have to intirely give up there Familys, he wants to come home a while verry much, but it seems there is no chance for to come on honorable terms, and I dont think he wishes to come any other way. Tell Mary he is geting a long verry well but wants to see her verry much and make some arrangements for to assist her in geting a long. hope she is doing well, and bareing up under the dificuty with which she is surrounded O I long to see this terrible war sease and loved ones return to their homes and live in peace and harmony. Well Fanny my paper is nearly full and I must come to a close James sends his love to you Ma and Grand Ma, and Family also my love to the same and all inquiring Friends if any such, we received the Cheese Mah sent and was thankful of it. write soon to I and James and let us know how the Children are geting with the Hooping cough also give us the news in general so nothing more only remain your Brother utill death

"Caroline Co., Va.  
March 4th, 1863

My very dear and loving wife,

I, through the tender mercy of a kind Providence, take my pen in hand this blustery morning to write you a few lines and to answer one of your letters of February 8th which has a few days since come to hand. Got no letter from you the last mail, the [wagons] failed to come on account of a bridge that was injured by high water between here and Richmond, though they are coming through now again, and I expect there is a letter at Guiney's Station but our regiment left this place yesterday morning to go to or near Fredericksburg, and the roads are so bad they only took part of our baggage and they left the balance here and 18 men under my charge to guard it until the wagons could return and get it. I look for them tomorrow and then I go too. You will still direct your letters to Guineys Station. Don't know whether there are any quarters where we go or not, I think this year's campaign is about commencing anyway and I rather dread it. (illegible) . . . to be my happy lot in such times of trouble. The health of our company is very good at this time, and they all look well. I am well and still fattening. Hoping these few lines may find you all enjoying the same good blessing. Wm. West and Van got a box from home of provisions about a week since which I have enjoyed myself finely in eating of. They got a little of a heap of things and a good deal of sausage and you know I dearly love that. I mess with Wm., Van, John Simon and James Horn and we all partake of each others good things that come from home. I do the buying, such things as we can get and they do the work which suits all around. When their box came what butter I had on hand was about gone which had sold at \$2.25 cheaper. Sarah, you wrote for me to see if Charley wouldn't let you have his cups and saucers. He says he wouldn't part from them upon (any) terms. I have tried my best to get them and the boys plague him about them but he won't agree to let them go and there is none to be had in the country. Don't know what you will do. You also wrote for Nanny's letter if I had it. I have burned it up. I am afraid to keep letters on hand long for fear of some accident and don't wish for them to fall into the hands of the public and for that reason I burn them. Wish you had hers for it was a beautiful letter and I could not read it without shedding tears. Oh, I felt for her, for I think it hard enough to be parted from you in health and some hope of returning, and know it is nothing to a final separation on earth . . . knowing there is no chance to meet on earth but the final doom is sealed never to return. Oh, we may imagine it hard but nothing compared with reality felt, to know they are gone to a world unknown to us never to return, but there [to] find destiny sealed. Oh, Sarah, in speaking of this night here a word to you. If it should be my unhappy lot to never see you on earth again, but to fall a victim to death on the battle field where am I to go and are you to follow or not? And we know if we are only prepared it will be well with us when we are done on earth and will meet

again. Then why should we be so careless and unconcerned about our condition? Do we not love each other dearly and desire each others welfare? I answer yes, but it is a little more sleep and a little more slumber and then time enough. Yet we know not the hour the Strong Man cometh. If we knew we would watch. But then we know now; therefore let us be up and doing and lay hold on the precious promises of Christ and believe in him and he will save us in the time to come. He says come all ye that are weary and heavy laden and I will give you rest. Is not that enough without anymore promises for us to come to Him? But he goes farther and says, Take my yoke upon you and learn of me for my yoke is easy and my burden light. Oh, what a precious thought to know he is able to save in our hour of death to take our spirits to rest with Him eternily in the heavens. Oh, that I could only love Him as I ought and praise him while I live. Well, I must change my subject, my paper being nearly full. You said in your letter we had four young lambs and a calf at home. I was glad to hear you had saved them all. Hope [you] have good luck as they are very profitable. No, I have not heard from Joel and Bob for some time. They are not close to us. Haven't heard from John since Christmas. He was at Richmond, then getting nearly well. James was well yesterday morning, also Ed Holdron. Don't know when James will get to come home whether at all or not to bring me abox. If you get the chance to send me a box I want some good ham for one thing and some sage and anything else you please to send. If you don't get the chance to send before long you had better not send at all for with such uncertainty as to where I'll be. I must come to a close by sending my love to all and a portion for yourself. Love for this time.

I take my pen in hand this morning to answer your letter of Feb 23 which I received in due time, and was verry glad to hear from you all, and hear you was all well I have no news of importance to write you, but Jack and Stephen being here I though I would try and write you a few lines any how to let you know that I have not forgotten you all, and desire verry much to receive letters from any of my Brothers or Sisters, that feel disposed to write to me though sometime I am compelled to delay answering some little time on account of different things, for which I think my self verry excuseable, for I am under military authority, and, bound as a Soldier in discharge of my dutys to attend to the calls of my office. I am thankful that I can say to you this morning through the tender mercy of a kind

Providence that I am enjoying of good health and hope these few lines may find you all enjoying the same good blessing. You said in your letter that Ma sent me some things by Stephen and he did not get them fairther than Joel, he told me of it and said Ma seemed verry anxious for us to have something from home. I have been of late liveing verry well Wm West and Van got a verry valuable box from home 2 or 3 weeks since and I have shared with them and enjoyed myself verry much in so doing I thank Ma for her kindness and would be verry much pleased to get a box from home any time that an opportunity may afford. don't wish forher to put her self to any trouble for I am not suffering weigh 175 lbs

The health of our Company is verry good and has been all winter, hope it may continue, for we have got a great foe to contend with, and to conquer, or be eternially ruined. I hope they may soon conclude to let us a lone, and acknowledg our independance, though the prospect for speedy peace seems verry gloomy, it appears that the North is makeing evry preperation for another Summers Campaign, and I rather dread it. I sometimes think I certainly cant escape much longer. I have been greatly blessed so fair, for which I feel thankful to my maker forhis mercy to ward me in spareing my life and limbs from the deadly blows of Cannon and musket ball's Well I had but a few minutes to write and I must make short meter of my scribe, as Joel and Stephen can give you the news in general. I wrote to Sarah 2 or 3 days since and have not time to write to her now and I intended to have writen to her to knit me a pare of Suspenders as soon as convenient and I always forget it when writeing to her, wish you would tell her when you see her. give my love to all inquiring Friends if there be any such, and particularly to Grand Ma and write often and give me all the news as I am verry fond of reading your letters. my love to Ma and all my Brothers and Sisters, and a Sisters portion for your self. please excuse bad wrteing and Spelling and all mistakes, may the bessings of God rest with you all now and for ever is my earnest Prear for Christ sake

"Camp near Hamilton Crossing,  
April 25th 1863

My verry dear Sarah,

I received your verry kind and welcome Ltter of the 19th which came to hand yesterday by Col Kasey and found me well, and hope these few lines may reach you in due time and find you all in good health, and doing well, you said you failed to get a letter from me the last mail, There is one on the road for you and

behind time or you would of gotten one I received my Shirts and Sage you sent by LT Bradly and are verry proud of them, for my old ones was intirely rotten and giveing out, I am verry much pleased with them, they are checked just right and the right color. The \_\_\_ are a bout one inch too large, but I just took off the buttons and moved them a bout one inch which does verry well, and my sage come in good as our Mess was nearly out. Harvy Mc got a box, him and some of his Company of provision, and they sent for me to dine with them last night and I did so, and thought I got a mighty good supper and Harvy brought me a bout 2 lbs of ham and give to me, and I tell you it is mighty good, it dont eat like the strong and sour Bacon we get here. That fairly makes the Spider stink when we are frying it, and cant eat it boiled at all, though we are use to it, and can do verry well while in good health, suppose it sours from want of salt and cureing, well enough of this, I wrote you a letter some 2 or 3 weeks since concerning paying lemon, and stated that I beleaved the time was close at hand when Money would be of more value and every thing come down lower, so that debts would be harder to pay, and the time is almost or quite here. I will send you a tax bill in this letter that will soon accomplish just what I have said would come to pass, you can read it and if you don't understand it, I will assure you Fannie can explain it to you I have writen Jo and Eliza a letter about the Money and think perhaps I will put them to there studdys, for they are undoubtly rong in there views to me, and I think my letter to them will convince them. I don't wish to do rong, nor hurt there feelings but they must receive the money, or do no better than to receive it, for it is right, or there is a heap of people rong one it is verry evident if the majority of People be bound to receive it for there hard earnings and prices fixed for them that a majority should not say I will rule you down for I have the advantage and will not do anythings to wards my Country's cause I am not interested for I am protected, and my property. I will make my jack now, this is the view men take of it, that's in the field, and our Generals look upon it in the same way and inforce it where ever they go. They consider Men refuseing our money an enemy to our cause, and treat them as such Well enough of this you said I must excuse you for bad writeing as you had been siting up with Stephen the night before, and felt badly, you are very excusable, it was no trouble to me to read, can read all such as many as you can wrte and glad to get them, so you need not make any apoligy for bad writeing you have improved greatly in the last twelve Months, you do not spell well, and neither do I and get worse in writeing haveing to write all the time on my knee, and in a hurry, but enough of this, I am verry sorry to hear Stephen is so sick, hope though he will recover and it may prove a warning to him as it did to me I was verry glad West got home for he is a good Boy and I thought he ought to go, I wrote to Joel yesterday and I have just received a letter from Ed Dearing since I commenced this he is well. You wanted to know if James had quit wagoning and the cause, he quit for a few days, our transportation being less and he had no teem to drive here, but has gone since to driveing a division teem, I haven't seen him for several days, is some 2 or 3 miles from us You said you had heard Wm. Grayham was ded we

have heard the same for some time, but hope it is not so, as we have never been noticed of his death from the Hospital which is there duty to do, and always have with those that have died here to fore, Well my paper is nearly full and I must close, you said I must not get out of heart and try and come home and see Stephen and the rest, it would be no excuse at all but little would they notice such a thing as an excuse we have hard harted Men to deal with, give my love to all that my inquire, so I must close for this time by assigning my self your most trusty and best friend untill death

Oh that my Brothers were Christians, and I could have there Prears to assist me in my weakness, these times of trouble, to help in asking deliverance from our present condition, and to restore us to peace and hapiness, But dear Sister while I am deprived of that blessing, I feel thankful that I have a Christian Mother, and hope that I have all christian Sisters to aid in the condition of our Country, and to assist me on my feble petitions to ask God for deliverance from this terrible war, and that I may be able to reach my little Band safe and sound at home and learn ware no more, Oh the times seems long since I was at home, but it has been

much longer since James saw his little gang, and no prospect of seeing them soon, I feel thankful that it is no worse with me that it is, Well Fannie James has just come up, and read your letter says he will answer it soon, he is well and sends his love, I have received no letter for the 2 past Chamblissburg mail, and the time seems long, you have no idea how bad I want a letter from home, had been geting letters regular before, and some times 2 or 3 from the neighborhood, and I begin to feel somewhat desolate, hope there is nothing the matter only failed to come to hand in due time; hope I will get one tomorrow or next day I wrote to Lemon, and, Eliza a good while since about the money I owed them and feel verry anxious to hear from them, well my paper is about full and I must close for want of room, give my love to all and write soon. I will have to tell you to direct your letters to P. M. Wright Capt, instead of Lt."

Dear Sister,

Through the tender mercy of God I again seat myself to answer your verry kind and welcom letter of Nov. the 4th which I was glad to hear you were all well, And this leaves me in common health, hopeing it may reach you in due time, and find you all in the enjoyment of good health and doing well. I have but little news to write you at this time, evry thing being quiet, this morning, along the Rapidan I expected yesturday to have gotten a letter from Sarah, but failed, think there must be one on the road for me as She never misses a week writeing to me. Hope all is well at home, and some one is comeing from there to us is the reason I got no letter, and I thought I would write to you this morning, and Sarah would hear from me through your letter, if I sould fail writing in time for Tuesdays mail to her. I received a letter from Uncle Joseph P. Wright yesturday morning, feel sorry for him, haveing such bad luck. Think it must be hard to have such a loss, at such a time as this, when evry thing is so scarce, hope he may find the Purpetrator or trators. Think it the duty of the Neighborhood, to assist in their arrest, for such Men ought not to escape justice. A Man that would commit such depridations, is certainly mean enough to do any thing Well enough of this, the Bandy Boys reached me a few days since, and I now have them under Guard, waiting a Court marshal. They cant look at me, when I ask them why they did not come with me, and be cleared of their punishment for deserting, all they will say, is, they ought to have come There case now is going to be, I think some what criticle hope though the Court will be as light with them as possible and then it will be bad enough. Well the health of my Company is only tolerable at this time. James N. W was well a few days since. Harvy Mc is well also. I have been trying for a furlow for James for some time, but it seems that I am never to

get one, there is only one to go out of evry hundred Men. I think there is a bout 4 to go out of the Regt that has been from home longer than he has, hope they will improve the furough sistem as soon as the weather gets a little bad, so the yankees cant advance The weather is the fineest I almost ever saw for the time of year. Well you said you received the song ballad I sent you, but never had heard it sung. Mrs. John Kasey knows the tune, and if you will learn it from her, you will learn it the tune I think prettiest. Wish I could of been at the Funeral of Grand Ma and Aunt Jane, for I want to hear Craft prech quite badly. You wrote in your letter, that he would prech at +roads the 2th Sunday in Dec. and hoped I might be there. I wish I could, but think my chance bad, to get home that soon. Think if I have no bad luck, I will be verry apt to get home, between this and Spring. I have 3 Lt. which ought to make my chance verry good to get home. Lt. Walrond is now at home on Furlough, and as soon as he returns, I want Lt. James to go, and then I think my chance tolerable good, to come home. Oh I wish this war would terminate soon, and all return to their Families and Friends. But the prospect seems gloomy for peace soon. I see nothing like peace, at the present; evry thing bids fair for the war to continue. I belive this little Confederacy is almost fighting the world any how. At least England furnishes the North with Men, for we get Prisiners that is just from there. They say they are hired to fight, and cant make a liveing where they are, so they are compelled to cross the water to live. Well my paper is nearly full and I must come to a close. Give my love to all who may inquire if any such. Tell Julia and Billy to write to me and let me hear how they are geting along. My love to Ma and Family. write soon and give me all the news. tell Stephen I never hear from him, only through others. So nothing more only remain your most affectionate Brother,

Dear Sister,

I received your verry kind and welcom letter of Nov 26th in due time, and after some delay, through the tender mercy of God, I seat myself to answer It found me with quite a bad cold if I mistake not, and laying in line of battle about 10 miles from this place, and the weather extremely cold. We suffered considerably with cold, but had verry little fighting which suted us extremely well. We lay in line of battle near 24 hours without fire; and a great many had neither Overcoats nor blankets. You may guess they suffered considerably. I had quite a severe cold and cough, which held me untill a few days since. But I am thankful to say to you that my health is now good, and hope this scrible, may reach you in due

time and find you all in good health. The health of my Company is verry good at present. Samuell L. Bandy died the 21 Nov. was never well after he reached the Company. Think he caught his death by his own bad conduct. It seems there is no use to try to shun balls, for there are other ways for Men to die. The Lord giveth, and the Lord takeeth away, and blessed is the name of the Lord. This ware is truely the trying of Men. It sound's them to the bottom. And we see nothing scarcely but corruption. I sometims fear we are done with peace, in the present generation. And a gain I think all is right and will work good for us. The Lord only knows our condition, and will relieve us in due time Times are truely dark to me, and I se no way for peace on Earth. It is evry thing with us but peace, and I feel weary of our condition. The prices of subsistance is truely allarming, And I fear scarcity is one great cause, as well as our Currency. Well enough of this I received a letter from Sister Marry a few days since. They were all well. I also received a letter this morning from Ann Stateing Harvy had gotten to Liberty, hope he will get home. I sent out a furlough for James M Wright Yesturday morning, he will get home in a few days, if nothing happens more than I now know. I feel some what rejoiced to think I can get him off home, for he has been a way so long. Tell Julia I have not received that letter She spake of writeing yet. Suppose it has been miscarrid and She must write a gain. Think the next one she writes will come safe. Well Fannie Sarah wrote to me you had commenced teaching school, which I was proud to hear, my Children (Marry and Sam) are to large for the education they have, hope they can continue going for a considerable time, for I want them to have an education if nothing else. I feel the need of one almost daily. Want them to be shure and learn to spell well It is one thing I need verry much. I quit the dictionary to quick. Well I must tell you we have good winter quarters if we have the luck to stay in them which I hope we will. Well Fannie my box has not come yet, think I have the luck to loose. Think Lt. Walrond acted a little shabby in leaveing it after promiseing to se it through, there was nothing to of hindered him from staying with it. Well I must come to a close by asking you to write often and give me all the news. Give my love to all who may inquire if any such. My respects to Ma and Family, also Julia and Billy. Tell them to send me something good to eat and drink the first chance. hope to see you all before long or at least this winter, so nothing more only remain your affectionate Brother

On January 25, 1864, Peter Meador Wright wrote another letter to his wife Sarah, also transcribed in [Letters From Peter Meador Wright II](#):

"Monday Morning  
January 25th, 1864

Dear Sarah,

Through the tender mercy of God, I sat myself this morning to write you a few lines by which you will learn that I am in common health, and hope this may reach you in due time and find you all enjoying a like blessing. I have no news of interest to write you, but I am looking every minute for the mail to come in, and a letter from you, and thought as I had the opportunity I would commence writing you a long letter. And I am fond of receiving such from you. The health of my Company is very good. I saw James [M. Dearing] [this] evening, he was well. Well Sarah I heard that Mary Dearing and Gill Wheeler [were] going to Marry. Can it be so? Think all the children had better marry and be done with it. Think they are making a fine start for it. I hear of a wedding every few days, and the most of them [are] Boys about 18 years of age! I think this is no time for children to marry. It is a serious matter for those that have a little age on their side? The way times are now, I fear many of them will learn a lesson after it is entirely too late. They think there is nothing to do but to marry, and they will soon learn that very thing else ought to have been done but that. We have hard times now, and it is evident that the worst has not come. There are many, and very many in my judgment [are] to suffer before the close of another year. Then why not stay in the best possible condition to meet such times. I am no prophet but it is certain to come, mark what I say. There will many suffer with hunger, and perhaps some starve before the close of another year. It may not be immediately in our Neighborhood but in our midst. The time is ripening, in my opinion, fast when this war must cease to be. I think it must come to a close soon, though times seem dark and gloomy, though every thing seems to be preparing for its continuance for a considerable time; but in my opinion all that live twelve months from the (illegible) will know how it is to go. They will know us then we (illegible).

You are my earthly happiness, and none [other] can suffice. I think of your kindness, your effort to render me happy, and how do I bear it? Hard it is but I can't help myself. I grieve at the very thoughts but it does no good! I hope to survive the war and render you happy; my prayer is for you and my [dear] children that you all may be happy, all wary . . .

Well Sarah I have just received a letter from you of date the 20th which I am glad to hear from you all, and hear you are well. I [said] when I commenced writing I would get one in a few minutes to answer (illegible). Well you said Uncle Wright was married. I think he has acted very strange about it some way. Think if it had [of been] in the place of his wife, I would [have] kicked him so far he never would [have] come to have seen me again. But I suppose she was too anxious for that. Well, from what I have learned about Stephen's wife [it seems] he has got a fine

woman this time. Hope he has and they may render each other happy. Well, you wrote about [Duck] and Gill--it is no secret here. I had just spoke[n] of it in the letter. I hope (illegible) would be little trouble to map. They are both very young, and foolish. They know not what is before them, and from what I have heard of him suppose he but little cares. I don't see how he is keeping out of service, carrying of the mail as he is doing will not keep him out, if some one would attend to it. Think it would be a good deal if some one would attend to his case, and change his position. Well, I hear that Jo Hardy and his Lady [have] fallen out a'ready. Think he must not please her very well somehow, or they would not fall out so soon. Hope it is not correct but it is no more than I expected if it is so, for I knew that both would want the britches and both tolerably spunky [are] the reason[s] I thought so. Well enough of the weddings. You said you could get no planter. I had heard (illegible) there, we can do without it. You spoke of my shoes being too short and hurting my feet and wanted to have me another pair made and send to me. If you have not had them made before you get this letter, don't get it done. One of them is nipping and and I think perhaps I can get home before long and I will try and see if they can't put in a few more pegs in these shoes. They are too stingy to do their duty on a Soldier's shoes. I wrote plain enough to Cal Smith to make them so they couldn't [tear] and he only put one row of pegs in them. He is a little too hard of understanding to me. Think if I get the chance to talk to him I can make him understand me. I am going to send [for a furlough] before long and think I will get it if nothing happens more than is now. Know if (illegible) it will send the measure of my foot to you between this and Spring. Think I will get home between this and the last part of next month, but don't look for me, for I may fail. So I must bring my few scattering remarks to a close, my love to all I send, but to you feel inclined to bend, so goodbye for the present

"Orange Co Va Friday the 18th-1864

Dear Sarah,

Through the kind mercies of almighty God, I embrace the prest ((present?)) as a favorable opportunity, of dropping you a few lines, by which you will learn that I am well at present, and, hope this may find you all enjoying good health, I have no letter from you to answer, it being a little too soon for weekly mail, but thought as Citty was going to start home to morrow morning, I must write my bosom friend a few lines any how, Sunday and monday is the time for me to get letters from you,

and I expect to go on picket to morrow morning and will not get back to Camp untill monday evening, And I am glad it is my time so I will not have to see that Man Shot to morrow, in our Regiment, I wrote to you about it in my last letter I have no news of interest to write you every thing being quiet here, The weather is very nice but quite windy today, looks something like March, Well I have nearly eat my ham of meet, that I brought with me from home, and it is mighty good, I have the peace of shoulder yet and the ham Julia sent me, have bought no meat since I came from home, There was a law passed, for Officers to draw one ration per day what the Men got, and not allowed to buy any, and it caused such a row that we are still buying as we did before, to see if Congress wont allow us to by one ration, and draw one, I am perfectly easy myself, I think I can stand any thing the rest can The rations are verry light that we now get, Think I can make out verry well while we remain in Camp, with the start I have from home, we are geting mostly corn bread to eat O I wish this cruel war would close so I could get home to stay with you, My life is no pleasure to me here, when I think how my time is passing it greaves my verry heart I am intirely destitute of all earthly pleasures, and the presence of those I hold so dear, I look at your ring and it freshens the feeling of the parting kiss, I sometimes almost wish I had left it with you, I never glance my eye on it, but what it brings forth sollem thoughts, It (hole in paper) like you ought to be present with me, Some of the Boys wanted to take it off my finger to look at, but I refused them, it appears to me that no amount of money would induce me to let it be taken off my finger Unless my mind changes it will never come off my finger while I live only by you takeing it off, I had no idier it would ever had the impression on my mind it has. O I wish I was near enough to you now, for you to take the ring and me never to leave you on earth, I want to see you quite bad and the Children, but I have no Idier of seeing you soon if health lasts, I think we will have fighting to do this year, and I hope it ((will be the last?)) O if I can only escape this year, I think I will see the war close, Well I must bring my letter to a close for want of time, hope the Children is going to school yet and learning fast give them my love and tell them I want to see them, also my love to George, Melia, and Bob, and all who may inquire, So I must close by assigning myself your most affectionate husband

P M Wright

The following was composed by Peter M. Wright, Capt., Virginia Regiment, Army of Northern Virginia, at a camp near Summersville, March 10, 1864 and sent to his wife, Sarah.

My dearest dear, the time has been  
When pleasure we have seen;  
But war did come, and I did run,  
And bitter is the sting.

In eighteen hundred and sixty-one,  
At Stewartsville I begun,  
A soldiers life it was my lot,  
My troubles since I've not forgot.

To Staunton next I did go  
My musket next all well know;  
Drilling next was on hand  
The manual of arms to understand.

The next year comes in sixty-two.  
The Valley the Yankees covered blue,  
From Shenandoah we did retreat  
At Valley Mills we took our seat.

But Valley Mills that would not do,  
For McDowell's hills were covered blue.  
The Yankees there we did pursue  
And fought them hard for victory, too.

And Victory there we did gain  
By heavy loss and much pain;  
The balls did fall, thick like hail  
And made me feel, Oh! how frail.

The Lord it was that saved me there  
While many musket balls did tear,  
The reason why I dare not ask;  
The Lord he knows and does his best.

From thence to Front Royal we went  
And made the Yankees run full bent.  
On Sunday morning commenced their warning  
And Sunday evening found them leaving.

To Harpers Ferry, then they said,  
We'll give the rebels a dying bed.  
But Harpers Ferry would not do  
Maryland we'll cover blue.

So Jackson about faced his men  
And Strausburg next he did attend;  
The Yankees thought to cut us off  
And make our lot not so soft.

But to their surprise  
Jackson had two good eyes;  
He saw his force was too weak,  
And up the Valley we did creep.

Next to Harrisonburg we went  
The Yankees after us full bent;  
Then we stopped, and made a stand  
And fought them on that pretty land.

To Crosskeys next we went  
Cannon and musket balls we sent  
To clear the bridge of Yankee's blue  
So our army could get through.

Across the bridge we did succeed,  
Jackson, there took the lead,  
The next thing then, was on hand  
To burn the bridge and part their band.

The bridge was burned as all may see,  
And Jackson's men in part set free,  
The Yankees though, not satisfied,  
Fought Ewell with their parted tribe.

On Monday morning the fight commenced  
At Port Republic, near the fence.  
The fight proved very hard  
A Yankee battery we did charge.

A victory there we did gain  
By many dying in much pain;  
The Yankees found it would not do  
Back down the Valley went their crew.

My travels have been thus you see,  
To the ninth of June, sixty-two (three?)  
Though merely a sketch I have given  
Part of the time I hardly lived.

Oh, this cruel war, you all see,  
What a trouble it has brought on me;  
Though many have suffered more than I  
For on the field they've had to die.

My lot next may be cast  
With those before me gone to rest;  
If my lot this should be  
My dearest dear, don't grieve for me."

Dear Sister,

Through the tender mercy of God, I embrace the present opportunity of dropping you a few lines by which you will learn that I am in Comon health at present, And hope this scribble may reach you in due time and find you with Ma and Family well. James was here day before yesturday and is well. The health of my Company is verry good, have 38 Men present for duty. Every thing is quiet along the line here, and weather some what changeable, but tolerable good for March. Well Fannie there is a young Man in our Regt is to be Shot next Saturday for Desertion. He belongs to Company (F) his native Co. is Amherst, belongs to an Amherst Company, well I had forgotten to say to you Harvy Mc is well. Well how are the Substitute Men comeing out. Is any of them geting off. Think the most of them will have to go. I hear there has verry few gotten off where the Bord of examiners has gone. Well I reckon People are very forward with their work, as the winter has been so fine, has been a fine time for gardning. This weather makes me crave home; think I could stay their satisfied no matter how hard I had to work Had rather be a Farmer than a Soldier O" this cruel war, is there to be an end; and, when will it come; Three years is near gone; and, no safe calculation can be made. But I have strong hopes this is the last year, but not by judgeing the future, by the past, only hopeing something may occur to bring it to a close. I am tired and sick of it, but not out of heart. Think our cause is just, and all will come out right in the end, though hard it seems, now, to be. The spirits of the Army is much better, than the Citisens Well Fannie Sarahs last letter made me almost sick. Said you spoke of quiting your school in the course of two weeks. It was mortifying news to me. My Children seemed to be doing so well, and I feel so anxious for them to get an education. I hope you will conclude to continue, any how till havest, and then you have a recess untill the first Sept Sarah did not say for what cause you spoke of quiting for, but I know your price is to low, and if you wish to raise it, Just set a time and keep teaching. I know the way our Currency is, it is poor encouragement for you to teach, But a school is so much kneeded, and teachers that are fit to send Children to is scarce. I had rather pay you double than my Children should stop at what they are, dont think I am flattering you, but continue your School and time will prove for its self. Well I feel verry sorry for Uncle Jo think he has mighty bad luck think if it was my

case, I would dispose of all my Negroes. If accounts be true they must know something about the way his kitchen was fired. well Fannie the Drum has beat for Drill and I must quit. my love to all, write soon so I must close good by for the present

My verry dear Sister,

Through the tender mercy of allmighty God, I again seat myself to drop you a few lines by which you will learn, that I am in common health at present, and hope this may reach you in due time and find you with, Ma and family enjoying the best of health. I received yours of the 23th inst Sunday last. Was glad to hear from you all, and learn you were well. You spoke of the Substitute Men, all trying to get details. That is no more than I expected. But I was verry much surprised to hear Wm Basham, failed to get off. I counted him shure of exemption from military duty. Equity and justice certainly does not, prevail their, if I have been rightly informed. I learn that Bob Beard, got off on haveing the breast complaint. I mean mountain Bob He was a great Secessionist, and fighting Man in Sixty one. And then in our part of the country, if we hapend to cross over by stout Man, in speaking of this we would say, he is a verry stout Man, nearly as stout as mountain Bob Beard. The People did not only call him stout, but he called himself stout. If such Men had the ordacity, to face the Enimy in the field, as they have to face a Medical board to claim exemption, one Man would be a full teem by hisself. Where are all of our noble patriotic Men, we had in sixty one. Our Strong Secessionist and noble fighting Men? Whose noble patriotic spirit, would not suffer the Public foe to invade Southern soil; have they all rushed to the mouth of the Enemy's guns, and been swept from Earthly existance by their noted bravery. If they have, history has failed to account for them. Their are more here. They certainly cant be at home Well I have told you history fails to account, for our noble leading secessionist of sixty one, and their is none here. And such Men certainly cant beat home. Well I suppose you will want to know what has become of them. They are gone like Sam went. When they lived, they lived in clover. And now they have died, they have died all over. Well you see they have died without reputation, is the reason history fails to account for them. Well enough. The health of my Company is verry good, and considerably increasing in number. Have several Recruits recently. Have not seen James M. for several days, was well when I saw him. Harvy Mc is well and hearty. Well Fannie in regards to you teaching, an other school I do not wish you to injure

your health, but if you think you can stand it, I feel more than anxious you should teach. I think your propositions intirely fair I am perfectly willing to pay you Eight dollars per month for each scholar, and send all I posibly can. Think the Neighbours are standing in their own light, if they fail to make you a shool. The most of their Children, are like mine in education. Verry little, and schooling badly kneeded. They had better pay two prices for a good teacher, than to send to a sorry one free of charge. I hope they will consider their own interest and make you a school at once. Your offer is as fair as they could posibly ask. I think I can make out four regular schollars, with health, and James ought to do the same, which would be a considerable start for a school. Well my sheat is nearly full, and I must bring my imperfect letter to a close Please excuse bad spelling and writing I will say to you it has commenced raining and the weather has been tolerable rough for some time. Give my love to Ma Brothers and Sisters, and any who may inquire, and a Brothers portion for yourself. so I must close by asking you to write soon adieu

Officers Barracks Fort Delaware Division 34 Feb 14th 1865

My verry dear Mother.

I received your verry kind and welcome letter of Dec. 14th a few days since. It was the first news I had gotten from home since my Capture, and you may be shure it was a great treat to me I received a letter from Sarah since dated the 22d Jan. and, have answered it. I feel thankful to almighty God, for the good health which I have enjoyed since a Prisiner; and also for his blessings upon those of you, who are near, and, dear, by ties of nature, My destiny is that of a Prisiner of war, fair seperated from you all, where we can lend no helping hand to each other, only through the medium of prayer, which I hold as one of the strongest wepons given from God; and he is above all, and, able to rule his People. Then let us not be troubled; but, press forward to the high mark of our calling. Indeed this seems to be a day of God's wrath, but has he not reserved unto himself a People, whom he will bring through much tribulation, for his own glory, Then are we of that number, Me thinks the witness lies within the breast, from which such hopes and faith springs, not for works of righteousness which we have done, but according to his mercy he has revealed his love to us. Then dear Mother let us be of good cheer, all will be well. I must close with my page. This leaves me with Capt James well, hoping it may reach you in due time, and find you all in good health. My love to all who may feel an interest, in my welfare, Write often. I hope to be, exchanged soon, but great fears arise to the

contrary. May the blessings of God await you in all things is my prayer for Christ the Redeemer sake. Amen

Again am I blessed with the privilege of writing & answering your welcome letter of \_\_\_\_ date which came to hand in due time I found the children quite well But I was quite poorly then. suppose I got rather cold or damp one evening & for 2 or 3 days about that time, I was poorly scarcely able to sit up a part of the time but I feel unusually well for a day or 2 now. Hope this will find you all blessed with that great blessing health Mr Lemon continued complaining of his head all the time he was home. I succeeded in getting his clothing made the week Ma left us & the next week he started back. but his company met him & prevailed on him at the Rail Road to return & wait until monday for them. So he left here last Monday was a week & I have heard nothing of him since Only I received his likeness by mail. Suppose he had it taken in Lynchburg. I have been looking for a letter for a week but think I will get one in the morning. We are getting along with our affairs as well or better than I could expect under the circumstances. have finished making molasses only made about 26 or 8 gal of our own. I boiled for no one else save 2-1/2 gal. have dug the most of the potatoes though they are very sorry have gathered & cribbed more than half the corn but as for my house work I am entirely behind the time. but if we can have health we will soon be done out & then can work at my work but Mariah is crying again to day with her thumb she fears another felon but I hope not. I am so anxious to hear from you all again. Hope you have heard from Brother Peter. I dreamed of seeing him. Hope Wm got off before the Board & that he is now home with Julia. I think he

ought to be left at home Mr Abenchair got off & I think he is abler than Wm. I say he got off but I should have said he was detailed to farm for 60 days. I am very anxious to hear from you all was glad Ma arrived safe was very thankful for her visit but I could wish that my mind could have been more at ease & my hands had a little less to do than they did while she was here. that I could have enjoyed her company more. Tell Sarah I sympathize with her but hope her affliction will yet work for hers & Peters good. Give my love to Aunt Anna & May the Lord give her grace to help in her time of need. Oh I feel for her. I was preaching today & heard a most noble sermon in my judgment Rev. Bibb preached it the one Fannie you heard in Fincastle wish you all could have heard it. the 17th chap of John was his foundation or text. if I can I want to go again tomorrow. On December 27, 1867, in T. J. Bell Collection, Virginia State Library Accession No. 21615, Eliza Ann (Wright) Lemon wrote to Susan (James) Wright and Louisa Frances Wright:

"Home Botetourt Va Dec 27th 1867

My beloved Mother & sister

Through the tender mercy of an all Wise providence I am blessed with the privilege of writing you a few lines to let you know we are all in the enjoyment of very good health save myself & husband & we are going about and doing much as usual. he has been troubled some with piles, diarrhea &c but hope he will soon be all right again. I have no particular change to communicate with regard to my health save a decline in appetite & eyesight. Hope this will find you all blessed with good health & enjoying the many blessings that are bestowed upon people in this world. Mr Lemon says tell you he would be much pleased to visit you all & spend a day or 2 there, but he hates to leave us all. We are now rid of all our hirelands & feel somewhat like a bird out of a cage We do not expect to hire any save by the day until Spring, when if we live we expect to hire some man. We are not complaining of our crop Nay we have been abundantly blessed this year but we are in the midst of a settlement I shall term it of the coloured race, & some of them very idle and almost without any visible means of support. So if our hands were disposed to be industrious (which some of them were) they would be hindered, not to say anything about their teams of company night & day. Our hands all went off I think very well satisfied with their profits, the woman left in tears.

Mother I wish you were here to eat some of our apples. we have the finest I ever saw & have had them as plentifully as we could wish to eat and cook we still fry them for breakfast, besides dumplings and pies. We saved some of the block apples until Christmas hoping to have the chance to send you some. We still have the pippin pearmain & some other kinds that are large & excellent. Fannie come over & try them for yourself & take Ma a sample. Our children are all growing finely but I cannot say they are learning finely, though I have no right to complain of them for their chance. they were at a wedding in Nov 27, then it was prepare for Christmas & now they are preparing for another wedding next thursday night, on the other side of the mountain. I hope if we keep as well as now that after that they will learn fast. Fannie do not consider & conclude not to invite them to yours, for that would cause them to study so much it would be useless to try to teach them for a while, at least. I have only been with Cousin Nannie a few minutes since she returned. She was to have visited us last Sunday but she has been so nearly laid up with cold sore throat &c that she has not been out yet visiting. She said she nearly froze coming home, but she looks well now so does Aunt Millia. I went to Fincastle last Friday & bought Ellvira & Louisa a new dress each. There have been a great many fairs near us at Mill Creek, Fincastle & Amsterdam, but we have taken no part in any of them Give my love to all my brothers and sisters & their families would be much pleased to write to them all and to have them all visit us. thought I would have written to

those in Franklin ere this but my eyes have been very sore & I have had a good deal of business writing to do since they got better and so it is put off but hope to write soon as I am anxious to hear from them. We were glad to receive a fist from Harvey hope he was not worsted by his trip & that he will not think it so far now. I am truly sorry to hear of Peter & Sarah's afflictions this year. hope they will both ere long be restored to good health a blessing which none but the afflicted know how to appreciate does James visit any or any of his family think he & Mary might come at least once, did think Joel would have come ere this. for several weeks we were looking for him almost daily. As we wrote to him we wanted his fork & could not come for it. And to bring it any time that was cold enough. So we thought as we could hear no more that he was expecting to bring it. please tell us to what Office he directed it & all of you direct to Fincastle. Ellvira said she intended to write to Aunt Fannie & let her know that although She could accommodate & entertain most bountifully & comfortably let the weather be ever so cold, yet as she could not spend all the winter with her it only made the cold pinch So much the harder on the long road home. I think Ma it is proof enough of their being well kept for last year it nearly laid Nannie & Ellvira up to leave & come home and this year Nannie complained more of cold on the way home than any where else. Ellvira & Louisa have returned from a neighbors house & I will close to let them write some please write soon & often & come as soon as you can May happiness attend you all now & forever

In about August 1878 James L. Kasey, as administrator of the estate of Jessie Howell, sued Stephen W. Wright in Bedford County, Virginia, Chancery Court File 2707 regarding amounts due under a contract of land by Howell to Wright:

"To the Hon. G. A. Wingfield judge of the circuit court of Bedford County

Humbly complaining showeth unto your honor your orator James L. Kasey sheriff of Bedford County and as such administrator of Jessie Howell dec that in the life time of his intestate he sold to one Stephen W. Wright a tract of land lying on the south west side of Bedford on the line of Roanoke County - containing \_\_\_ acres for the sum of \$\_\_\_ and a written contract as your orator is informed was entered into and signed by both parties setting fully the terms of said sale and your orator is informed and believes that the said Stephen W. Wright now has a copy of said written contract or the original thereof, but your orator has so far not been able to find any copy among the papers of his intestate. Your orator further represents that the said Stephen W. Wright took immediate possession of said land under said contract & has so been in possession ever since - that he paid some money to your orator intestate in his life time but how much your orator does not know - but he avers that there is still a large amount due from said purchase money from the said Stephen W. Wright which your orator is informed he is willing to pay whenever the exact amount is ascertained and a good title is made to said land to said Wright.

Your orator further represents that the said Howell left surviving him his widow Elizabeth Howell entitled to dower in said land and the following children & heirs

at law to wit: Susan J. Howell Joel G. Howell John Howell and Laura Howell (the last four infants under the age of 21 years).

Your orator charges that he has a right in a court of equity to have said land subjected to the balance of the purchase money due thereon after first tendering to the purchaser a good and sufficient title that the intestate of your orator not having executed any deed in his life time none can be tendered but the court will have to direct a conveyance on the part of the infant heirs & unless the widow is willing to relinquish her dower or look to other lands for it, she will have to take the present value of her said dower in money and the residue thereof be paid to your orator.

In tender consideration whereof & for as much as your orator is remediless save in a court of equity where such matters are properly cognizable & relievable your orator prays that Stephen W. Wright Elizabeth Howell, Susan J. Howell, Joel G. Howell, John Howell and Laura Howell (the last four infants under the age of 21 years) be by proper process made parties defendants to this suit & required to answer the allegations of this bill on oath, & especially that the said Stephen W. Stephen W. Wright filed his answer to the complaint in File 2707 and alleged partial payment and that liens existed against the property which needed to be credited against the purchase price:

"The Separate answer of Stephen W. Wright, to a bill of complaint filed against himself and and others in the Circuit Court of Bedford County by J. Kasey, Sheriff of Bedford County, and as such administrator of Jesse Howell deceased.

This respondent, for answer to said bill, or to so much & such parts thereof, as he is advised it is necessary for him to answer, answering says, that it is true that on the 1st day of March 1871, he purchased of Jesse Howell, a tract of 67-1/4

acres of land - the land in the bill mentioned at the price of \$14 per acre that he paid him \$10 cash in hand at that time and an agreement was put in writing & signed by himself & said Howell, whereby he agreed to pay equal portions after residue of the purchase money on the 25 of December 1871-1872 & 1873 but it was further stipulated that "no part of the purchase money was to be paid until the land is relieved of all encumbrances on it, by judgment liens or otherwise, and when the second instalment is paid, the said Howell is to convey the said land to said Wright by deed with general warranty in which his wife is to unite(?) & relinquish her contingent right of dower" said writing is herewith filed marked "H." a part hereof. That respondent on the 19th of February 1872 paid said Howell \$310.50 on said purchase money a receipt for which signed by said Howell, is herewith filed, marked "J.H." as part hereof. That respondent after his said purchase paid the taxes on said land for 1870 & 1871, amounting to \$16.28 and in March & April 1873 sold said Howell two lots of clover seed at \$18.75, for which Howell agreed to allow him credit, together with said taxes on said purchase money. An account of these payments amounting to \$35.03, marked "A." is herewith filed.

Respondent avers that at the time he made said purchase the said land was encumbered by various judgment liens which have not yet been discharged. that said Howell died without conveying said land to him & his widow now claims dower in said land and as she is a comparatively young woman, her claim alone is a very serious charge on the said land. He has been anxious to pay for said land, but has been advised that he should not do so until he could receive a conveyance therefor, and have it freed from said encumbrances. He is advised that he is entitled to relief from the said dower claim by commuting the same in money, but he insists that such commutation should be provided for out of the purchase money due from the land, as it was a material part of his contract of purchase that he was to have a deed for said land, with the wifes relinquishment. And now having fully answered all &c respondent prays to be hence dismissed with his costs.

On August 11, 1880, Stephen W. Wright filed a supplemental answer to the complaint in File 2707:

"The supplemental answer of Stephen W. Wright to a bill of complaint exhibited against him & others in Bedford Circuit Court by James S. Kasey Sheriff of Bedford County & as such administrator of Jesse Howell deceased.

For further answer to said Bill, this respondent says that as appears from the record, the said bill was filed to enforce the specific performance of a contract for the sale of a tract of land in the counties of Bedford & Roanoke made in March 1871 by Jesse Howell to respondent. That Respondent filed his original answer and exhibited therewith the written evidence of said contract of sale. Said original answer & contract are prayed to be considered as part of this supplemental answer. Since said original answer was filed an account has been ordered & taken to shew the present value of the dower interest of said decedents widow in said land the liens on said land & the payment made thereon by this respondent.

Respondent further answering sheweth that while said land is described in said contract as lying in the said two Counties of Bedford & Roanoke there is nothing to shew what part thereof lies in the said counties respectively. that very great

uncertainty exists on this subject since the line between said counties where it passes through said land has never been located & defined. That this conveyance of said land to said Howell as well as preceding deeds therefor have been recorded in said Roanoke County & said land has been & is taxed only in said county. It has generally been considered that the greater part of said land was actually situated in Roanoke, but recent investigations lead your respondent to believe that much the larger part of said land, to wit, at least fifty acres thereof actually lies in Bedford. That the only judgments which have been reported as binding said land, three in number, appear to have been docketed in Roanoke, which an investigation of the records in the County Court Clerks office of Bedford discloses the fact that there are a larger number of judgments against said Jesse Howell docketed in Bedford County & this discovery was made since said original answer was filed. A list of said judgments, with remarks as to their apparent present standing marked X is herewith filed as part hereof. These are in addition to those already reported as aforesaid which are also docketed in Bedford. And respondent avers that the said judgments, which he believes are unpaid greatly exceed in amount, the entire balance due from him on said land exceeding in fact the entire price he was to pay for said land. But your respondent believes & charges that of the judgment of Fleming Feather reported as aforesaid much the greater part has been paid to Geo. Dunsmore to whom the same has been assigned that the sheriffs return on a fifa issued on said judgment shews payments amounting to more than \$71. That the judgment of C. Aultenan was also reported was against said Howell as surety & responded has been informed & charges that it has been paid in full by the principals. That some of the judgments embodied in statement X are supposed to be against said Jesse, as surety for Abram Howell whether this is true or not respondent is not informed but there is depending in this court a suit of "Dennis v. Abram Howell, to subject the defendants land to plts judgments & most of said judgments have been proven in that suit but whether they can or will be paid out of any fund in that suit does not appear. But it is quite obvious even if said land shall be relieved of liability for the judgments against Abram Howell that those against Jesse Howell far exceed the amount due for said land from respondent. Respondent is ready & willing whenever said land is "relieved of all encumbrances thereon whether by judgment liens or otherwise" as provided in this contract of purchase to pay what he owes for the same and he is advised that he cannot be compelled to make such payment until the liens existing on the land at the time of the purchase & their relative priorities have been ascertained. At the time respondent paid the instalment of \$310.50 on said land he was not aware of the extent to which it was encumbered & he paid said sum to Jesse Howell with the understanding that the amount should be applied to the extinguishment of certain of said liens. If it was to applied & your respondent cannot yet Let the Land "relieved of all encumbrances" he claims that he should have said sum refunded to him. Respondent is advised & charges that whatever may be due on the several judgments against said Jesse Howell aforesaid

constitute incumbrances at least so much of the land as is situated in Bedford County that much the greater part thereof is so situated that the amount of said incumbrances are in excess of the balance due for said land that the Pet. ought to be required take such steps by amending his bill & making the aforesaid judgment creditors of Jesse Howell parties & by further account or otherwise to shew the current amount of incumbrances on said land & that respondent cannot be required to pay any more on said land until the amounts & priorities of said incumbrances are ascertained and he \_\_\_\_\_ right if necessary for his protection.

\_\_\_\_\_ to d\_\_ to have his contract of purchase rescinded & to have refunded to him the amount he has already paid on said land with interest. He has put valuable improvements on the land which, with interest on what he has already paid would be fair offsets to the rent of the land since he purchased the same.

Wherefore this respondent prays that he may have leave to file this his supplemental answer and that whatever amount he still owes on the land in question may be ordered to be so paid as that he may receive said land "relieved of all incumbrance thereon" or that his said contract may be rescinded & what he has already paid on said land may be refunded to him if it shall appear that the contract aforesaid cannot be specifically performed on the part of the heirs and personal representative of Jesse Howell and to this end may all necessary accounts be ordered taken and now having fully answered &c this respondent prays to be hence dismissed with his costs &c.

Extract from Decree.

The Court doth adjudge order and decree that this cause be referred to one of the Commissioner's of this Court, with instructions to take an account of all the liens, outstanding and unpaid on said tract of land, and their relative priorities if any, but before taking said account that said Commissioner give notice of the time and place of taking the same to the parties to this suit and the several creditors mentioned in "exhibit X" filed with the answer of Steven W. Wright, in this cause, and further that he publish notice of the time and place of taking said account in one of the newspapers published in Bedford County, Virginia.

Your Commissioner begs leave to submit the following report. 1st that due to the fact that as a great many of the creditors mentioned in exhibit X and filed with the answer of Steven W. Wright, were dead, it became necessary for your Commissioner to ascertain from the records the names of the personal representatives of said deceased creditors, in order that proper notice might be given; this after considerable time and trouble your Commissioner did and due notice was served upon some of the parties interested in this cause & some were not found.

In addition to having said notices served upon the said parties your Commissioner as directed by the Court, had notice of the time and place, of taking said account, published in one "The Bedford Democrat", a newspaper published in said county, for four successive weeks, notice as aforesaid.

A copy of which is herewith filed with said report.

Your Commissioner deems it necessary, before ascertaining the amount of liens, outstanding and unpaid against the real estate of Jesse Howell, deceased.

First To ascertain whether the Statute of Limitations ceased to run from the time that there was an order of this Court directing one of the said Commissioner's of said Court, to take an account of the liens outstanding and unpaid against the real estate of Jesse Howell, said order having been made Sept. 12th 1879.

Your Commissioner is of the opinion, as no creditor is asserting his claim against the estate of Jesse Howell deceased, by suit or by petition except the judgment creditors Isaac James, and as the original bill was brought by the Administrator

of Jesse Howell, to enforce a Vendor's Lien 'that this differs from the case of Ewing's Admr' & als against Ferguson's Administrator

33 Grattan Page 548

Also from the case of Duerson's Administrator against Alsop & als.

27th Grattan Page 229

and cannot be construed as a Creditor's Bill and therefore the judgments except said judgments of Isaac James\* reported in exhibit "X" and filed with the answer of Stephen W. Wright, would be barred by the Statute of Limitations.

\* This judgment your comr is advised by counsel on both sides has been compromised by agreement that the Est of Howell shall pay plfff 150.00 in full of his debt

Second

That on the 6th of November 1891 the day fixed upon for taking said account. Patrick Simmons administrator of Skelton Simmons, deceased, presented as a lien against the real estate of Jesse Howell dec., a judgment obtained by Skelton Simmons, against Jesse Howell, and Abram Howell, on the 25th day of Sept, 1861 for \$92.35 with interest threon to be computed at the rate of 6% per annum from the 25th of Sept. 1861 until paid and Costs-----6.93. An abstract of said judgment is herewith filed with the certificate of the Clerk of the County Court, that no execution has been issued on said judgment. Your Commissioner finds that even if the Court should be of the opinion, that the Statute of Limitations ceased to run Sept 12th 1879, that no execution having ever been issued upon said judgment that it is barred by the Statute of Limitations, and does not therefore constitute a lien upon the real estate of said Jesse Howell deceased.

Special Statement.\*

Your Commissioner begs leave to submit the following special statement in case the Court should be of the opinion that the Statute of Limitations, ceased to run Sept. 12th 1879.

In March 1893 at Roanoke County, Virginia, Settlement Book 2/159 an accounting for the estate of Stephen W. Wright was filed.

On about September 7, 1893, at Bedford County, Virginia, Chancery Court File 2835, John T. Graves and Ida T. Graves, Samuel Woods and Dora A. Woods, and Ellis Wright, as heirs of Stephen W. Wright, filed a complaint to quiet title to certain land that had been owned by the decedent and his brother Joel W. Wright and make an allocation of that land among the heirs:

"To the Honorable J. A. Dupuy, Judge of the Circuit Court of Bedford County, sitting as Chancellor.

Humbly complaining, show unto your Honor your orators and oratrices John T. Graves and Ida T. his wife, Samuel Woods and Dora A. his wife, and Ellis L. Wright, that your oratrices and your orator Ellis L. Wright are the only heirs at law of Stephen W. Wright, deceased, who died intestate some years ago.

Your orators and oratrices further represent that the said Stephen W. Wright, in his life time, and his brother Joel W. Wright, in his life time, were the joint owners in equal parts of a tract of land containing 350 acres, more or less, known as the "Meador Wright Farm" and as "The Lemon Tract", adjoining the lands of R. L. Dearing, Mrs. P. M. Wright, Jr., Wm. M. Wright and others, and lying on both sides of the road leading from the Chamblissburg to Stewartsville, in the County of Bedford, Virginia. This tract of land is composed of a tract of about 80 acres which was conveyed to said Stephen W. Wright and Joel W. Wright by J. D. Craft and wife, and of a tract of about 100 acres which had been conveyed to Susan Wright by J. B. Lemon and wife, and of the land which was assigned to said Susan Wright as her dower in the lands of Peter M. Wright, Sr., deceased. Your orators and oratrices charge that they have not been able to find all the deeds of record in the Clerk's Office of Bedford County Court which were made to the said Joel W. Wright and Stephen W. Wright for the above mentioned boundary of land. They refer however, to the following: A deed to Eliza A. Lemon from Albon A. Arthur, Comr., dated August 8, 1866, Deed Book QQ, page 266, conveying 100 acres. A deed from Joel B. Lemon and wife to Susan Wright, bearing date June 15, 1863, Deed Book P.P., page 361, conveying 100 acres. A deed from W. W. Basham and wife to J. W. and S. W. Wright, conveying all their interest in the dower land held by Susan Wright, Deed Book WW, page 362. A deed from J. D. Craft and Mary J. his wife to Stephen W. and Joel W. Wright, dated January 29th, 1876, Deed Book WW, page 365, conveying their interest in the dower land of Susan Wright and in the "Lemon Tract", and also in the entire tract of land drawn by Craft and wife in the division of the lands of Peter M. Wright, deceased. A deed from Joel B. Lemon, and wife to Stephen W. and Joel W. Wright, dated January 29, 1876, Deed Book WW, page 365, conveyeing their entire interest in the dower land of Susan Wright, and also their interest in the "Lemon lot" owned by Susan Wright. Liens are reserved in several of these deeds for the deferred payments of purchase money, but your orators and oratrices charge that these liens have long since been paid and satisfied.

Your orators and oratrices charge that for a period of more than fifteen years before the death of said Stephen W. Wright, that he and the said Joel W. Wright had held adversary possession of the whole of said tract of land, and had claimed, used, occupied and enjoyed the same as their own property for more

than that length of time, and they further represent that during the life time of the said Stephen W. Wright and Joel W. Wright, they divided this tract of land between themselves, and that by the terms of said division there was assigned to said Joel W. Wright all the land on the South side of the Chamblissburg and Stewartsville road, and to Stephen W. Wright all the lands on the North side of said Chamblissburg and Stewartsville road, and each one entered into the possession of the tract of land so received by him upon said division, but no deed of partition was made between them. They continued thus to occupy in severalty the parcels of land received by them respectively until the death of each of them, and no deeds have yet been made. Your orators and oratrices charge that they have at all times been ready and willing and are now ready and willing to make a conveyance to the heirs of the said Joel W. Wright for the tract of land received by him.

Your orators and oratrices further charge that the said Joel W. Wright has departed this life intestate as to this tract of land, and that the following persons are his only heirs, towit: Libbie V. Ferguson, wife of Wm. B. Ferguson; Nannie F. Stephens, wife of James W. Stephens, Thomas S. Wright, Abbie D. Wright, Pearl L. Wright and Ola G. Wright, the last two of whom are infants under the age of twenty-one years. Eliza S. Wright, the widow of said Joel W. Wright, also survives him.

Your orators and oratrices further charge that they have divided among themselves the estate of their ancestor, Stephen W. Wright, deceased, and upon said division the tract of land which belonged to said Stephen W. Wright upon the division between him and Joel W. Wright, being that portion of said tract of 350 acres lying on the North side of the road, was allotted and assigned to your oratrix Dora A. Woods, to whom they now desire that title shall be made. They charge that they are not indebted to the estate of Joel W. Wright in any way, and that no conveyance has been made by the heirs of Joel W. Wright, because some of them are infants and unable to make conveyance.

In tender consideration, therefore, of the premises and forasmuch as your orators and oratrices are without adequate relief in the premises save by the aid of a Court of Equity, where such matters are properly cognizable and relievable, they pray that the said Eliza S. Wright, William B. Ferguson and Libbie V. Ferguson his wife, James W. Stephens and Nanie F. Stephens his wife, Thomas S. Wright, Abbie D. Wright, Pearl L. Wright and Ola G. Wright, the last two of whom are infants under the age of twenty-one years, be by proper process made parties defendant to this bill, and waiving an answer under oath from said defendants and each of them, that proper conveyance be made to your oratrix Dora A. Wood of the said portion of the tract of 350 acres of land lying on the North side of the road leading from Chamblissburg to Stewartsville. Grant unto your orators and oratrices the Commonwealth's writ of summons, commanding,

&c., and all such further and other aid and relief in the premises as equity and good conscience may dictate and the nature of their case require, and as in duty bound, your orators and oratrices will ever pray, &c.

On June 15, 1862, in James M. Wright Letters, Special Collections Department, Duke University, Joel Wilson Wright wrote to Susan (James) Wright:

"Harrisonburg June 15th 1862

Dear Mother. I seat myself this evening to inform you that I am well, hoping when these few lines reaches you they may find you & all well, I have not any news to write to you that is interesting, but feel it my duty to write to you & let you know how I am geting on, though I have not received a scratch of pen from any of you since I left home, I came from home to camp Shenand[oah?] in Rockingham Cty via Lychburg Charlottsville & Stanardvill. I remained there one

week & went to Maderson Court House & rema[in]ed there thence on four days scouting round buying up cattle bacon & flour from there to Louray & stayed one night met with the 58 Reg. in the morning, found them all very tired from marching, from there we went to Front Royal two days March & had a fight there & capture nearly all the Yankee army. They fired their cannon at us very fast for awhile but they shot over us, one bumb busted right over our heads but did not hit any one, we charged on them for about 15 miles, I never saw horses so tired before some of them died on the road & some broke completely down. I hurt my mares back very bad & have not used her any since. I was detailed the morning after the fight to carry a captured wagon back to Front Royal & there I got with our company wagons & I was with them for two weeks & that was the hardest service I have had to do to follow them, it is true I was not expose to to the fire of the enemy but I had rather been with the company, there was a fight an a skirmish here every day for 17 days. from Front Royal I went to Winchester That is a beautiful town. The Yankes were driven from there across the Potomac. Our company went to Martinsburg Charlestown & nearly to harpers Ferry, & the Yankes throwd another army in behind us at Front Royal & we had to retreat up the valey towards Staunton. it was thought we would have a terrible time geting out but the Yankes was not quite smart enough to catch us, though they got there canon on the bridge in our front but we whiped them out & crossed the River, some of our army fell back cross the blue ridge & halted the army was scatered along the road for about 15 miles you never saw the like, the wagons was in the road clear across the blue ridge, camped for a day or two where there was harly room for a horse to lay down to rest with out falling off of the road & breaking his nedk, Our companny was sent out down on the Charlottsvill road to stop stragling soldiers, We are now going back the same way we came but we are encamped now for awhile to rest. I saw not less than thirty dead horses on the Mountain as I came back, The Yankes followed us to Port Republick & went back, I understand they are down about Met Jackson fortifying I think we have taken near 5000 prisoners in the trip I saw 3802 marching along the road in one column, it was a right smart show. We lost a good many men killed & some taken prisoners 3 out of our company missing, but no doubt you are tired of this so I will change the subject. How are you making out about your work have you got any more hands than you had when I left I dont know how you will make out through harvest though I am in hopes you can get some one. know you ought to have some man to manage for you, but they are hard to find now. I know you will go to attend to your when the weather is bad & you ought to be in the house & I fear you will be laid up, but Mother you had better let your business go shackling than to expose yourself for healt is worth more than any thing els, What is Stephen driving at he never writes to me does he help you any, how has Jack got have you sold your wheat & bacon, if the government don press the bacon I think it will be very high. The government pays 20 cts for bacon here & \$1.00 for corn. You have no idea what a distruction to a country & army is. The plantations are robed of there fences & large wheat fields where the wheat is

maturing we ride in columns & knock it down & distroy it. It make me sorry for there people out here to see there property all distroyed & the Yankes stoled a heap of there negroes. It is to be hoped that an army will never pop through our county, but I cant see where will be the end of this war. Wheat fields here that would make from one to two thousand bushels are now out side & some times a thousand horses grazing in them. I am verry well satisfied with a soldiers life better than I thought I would be when I left home, but it is not an easy life I would get a substitute if I could on living terms, as I think my business at home would justify it, but I guess it is a bad chance. Write to me how your crop looks & your stocks I think a heap about nice stock & how my crop & stock looks if you have seen it, how do you think George is geting on with my work. I am in hopes he is doing well The soldiers here have had a right hard time for 4 or 5 weeks, they have been marching hearly all the time & not much to eat & bed on nor no tents. I think I will stand a soldiers life verry well, as my health is good yet, Though I can enjoy good eating as much so as any body when I can get it. I am in Harrisonburg to day on picket to keep our own soldiers out of town there is 16 of us on one front & we have quite an easy time. I came in to this awhile ago & eat a hearty diner gratis & then called for a pen an ink, thought I would write to you as it is the best chance to write I have had since I left home I wrote to Eliza yesterday by Henry Rowls. I would be glad to see you now I could tell you a great many things I have seen since I left home, but I am afraid it will be sometime before we see each other again how is Gannie coming on tell her that her Mr Sublet is in our company, he is as polite to me as a blind dog in a meet house. I drew my bounty yesterday my purse was geting might nigh emty. I think I can make out awhile now for money. I sent my horse down to a pasture near Charlottsvill last week for her back to get well. I am riding a yankee horse now. I think she will do to ride in 20 days I think a heap of her I would take no sum of money for her that is in reason while I am in service. How does your bees come on are they making much honey. I would wish for a bottle full if it would do any good. Fannie do you ever here from Flemon where is he, write to me who was killed in the fight at Richmond. I cant never get to see a news paper here so I dont know what is going on, I dont know half as much about the movement of this army here as you do at home. I have not seen a paper for 6 weeks to read it Write to me & give me the general news of every kind. Mother I have not got any stamps & I may have to frank this letter but I will pay the postage on every one I send you when I see you. I may be able to get a stamp but dont expect to be. It has been well on to three weeks since I heard from any of you. I told Eliza to direct my letters Gordonsvill & I dont think I will get any more of them, you direct yours to Harrisonburg, there abundance of letters gets misplaced, I think we will make another trip down this valey but I cant tell anything about where we will go. I must close for the want of something to write hoping to hear from you soon & often dont wait for me to write for some time it is a week before I can send a letter after I get it wrote. Give my love to Brothers &

Sisters & Martha & \_\_\_\_ & Billy & all inquiring friends if there be any I remain  
your affectionate Son

On October 12, 1862, in James M. Wright Letters, Special Collections  
Department, Duke University, Joel Wilson Wright wrote to Susan (James) Wright:

"Berryville Clarke Cty va October 12th 62

Dear Mother & Relatives A few lines to you this morning by which you will learn that I am tolerably well at present. I have had the diarea right bad for 3 or 4 days but I am nearly well now though I feel right weak. Our Company went out on picket Tuesday morning on top of the Bluridge Mountains near Streglersville(?) & yesterday the yanks run us in, or run in the out side pickets. Two of our Company Ferriel & Levi Wheat had gone out side of our lines to get corn to bed on & they saw the Yankees coming & thought they were our men until they got nearly to them & saw the mistake & whirled to run & Wheats horse fell down or give out some way & he was captured but Ferriel made his escape. The Yankees came within 3 or 4 Hundred yards of our pickets head quarters & went back. I was on the sick list & we had a yankee prisoner that I brought on to the Reg. That was about all the damage that was done that I have heard of, we had several wagons over in Loudon foraging but I have not heard from them. It is rumored here that Gen. Stewart has been round the yankee Army again & distroyed about a million of dollars worth of arms & captured about two thousand horses. I cant vouch for the correctness of the report but I heard heavy cannonading Sunday evning in the direction of Leesburg & it is the report here that it was the Yankees shelling Steward as he was coming across the Potomac & so I think it must be so. Ed. Watts took 3 companies of our Brig. & went with him he has not got back to camp yet There is not much news of importence in camp. there is some talk of peace at the Guard House, but we dont consider Guard house news reliable here. I never get the chance to see a paper here sohave a bad chance to know what is going on in the army or out of it only this part of it here John Wright is suffering with his head he was sent to the Hospital yesterday. I did not see him, but he went off horse back & I am in hopes he will get home before this reaches you. he was going to make the trial to come home any way. F. Harris is complaing a goodial, has the headache he thinks he is taking the fever, but I am in hopes its not you can tel Rilly that I saw Daniel & Thomas yesterday are well, but their horses needs resting, right poor. They are out on picket. My horse is fat & slick yet but we have not had to do any hard duty since I got back & we have had feed a plenty all the time, though I am afraid it will not be the case long for we are feeding the new corn here now & it is quite a light crop. We have not heard any thing from Meads & Nance yet I was in hopes that they had got home but Sam. Nichols got back here yesterday & says

they have not been heard from there yet. I am afraid they were killed. I understand there is as many as 10 cases of small pox at Winchester, and in hopes it will not get in our army I have not seen James Peter nor Harvy since I saw you. I sent their letters to the Reg. by a man from our Company but did not hear from them. The ground is verry hard here yet though it has been raining a little for 3 or 4 days but is nearly clear now & looks as the rain is over. There is but verry little wheat \_\_\_\_\_ yet, \_ out \_\_\_\_\_ of \_\_\_\_\_ to sow wheat, but it is too late to put in much of a crop now. I have not heard a word from any of you since I left home & am verry anxious to to hear from you all at any time but I seldom get a letter from any of you. I received a letter from Sister Eliza & one from Mary since I got to camp but they were old ones. Fannie as you are well read write to me & give me all the news you can about the war & what you think about foreign intervention & the position of our army in the west for I cant hear one word from that as I dont get to see any papers. And Julia if you are not to much cramped up in that little band box a few lines from your gifted pen will not come amiss. Dear Mother I have already written more to you than you will find to be interesting so I must quit by asking you all to write to me soon & often for I have a bad chance to write & will write a little to Eliza at the bottom I remain yours affectiate son

Joel W. Wright

Dear Eliza. As time for cold weather is drawing nigh & the prospect is bad for me to get my Flannel Shirts & drawers here I think you had better make them & send them to me if you have any chance. when I left home I told you that we could get such things in Maryland cheaper than we could make them at home but they happened not to be in Maryland so I did not get them I want you to have my boots fixed up I think they need halvesolding & the heels straitened up & I think they will do me this winter & if any chance send them to me. I expect to get an Overcoat from the Government as to pants I think I can do without them until towards Christmass. you can get them ready & send them if any chance on if not maby I will get the chance to come after them I have no news to write you as I wrote 2 or 3 days ago to you I remain as ever yours

Camp Near Fishersville

Dear Sister. yours of \_\_ date was received & red by me & I take this opportunity of giving you a few lines return We are in our winter quarters now & living verry well as all of us has received a box of eatables from home, but the army is seeing a hard time. We verry often miss a days rations of bread but we are geting beef enough but it is verry sorry. We have not got any pastures for them here now & when they get a lot of beeves they kill them all at one time & throw them in a pile on the ground & let it lay there until we use it up. sometimes they kill enough to last us 10 or 15 days & pile it up in that way until we use it up & you may know it is not verry good eating. I received one of the richest boxes from home you ever saw & am the proudest of it of anything that come to hand yet. I have enough to feed one man for a long time & that that is good enough for anybody for I am far from that. I am in good health & as lousy as a calf but I scratch & endure them. you ought to see me washing I have got so that I can work very well & I think we will all soon get shut of the buggers. We have got a verry comfortable little cabin. Craft took supper with us last night. I have not seen Lemon for four or five days but he is well Where is the 58 Reg. have you heard from Peter lately I have not heard anything from him for a long time. I hope he will be exchanged this winter. How is mother getting on with her work, tell her that I say there is no need of her killing herself at work in her old age & to content herself in the home. You must go down & see Eliza evry chance for I know she is loansome I have not received any letter from her since Harrison come down I was looking for one last night but disappointed. I am afraid she is making out badly as she had not hired any man to do anything & its bad getting on without any one I want to get a Furlough to come home this winter if poscible. There are about three old soldiers in our company yet & as soon as they can go then the new will commence but I dont know who will be first. The weather is verry fine here now, the snow is all gone. The general health of the army is verry good. You must write to me & give me all the news of evry kind. I know you will

On June 12, 1871, at Bedford County, Virginia, Chancery Court File 6525, John W. Burford filed a complaint to enjoin the enforcement of the judgment for \$30 obtained against him in 1868:

"To His Honer John A: Wharton Judge at Bedford County Court.

Humbly complaining sheweth unto your Honor your Orator John W. Burford that in April, 1868, a warrant was issued against your Orator by F. H. Jeter a justice of the peace in the name of Joel W. Wright - for a claim of thirty dollars alleged to be due him for the rent of a parcel of land for the year, 1861, the said warrant was made returnable at the Storehouse of Jno F. Thaxton at Chamblissburg in this County. Your Orator denied the justice of said demand or that he owed the said Joel W. Wright one cent for rent for that or any other year or on any other account. The said warrant was returnable on the 2nd Saturday in April, 1868. Your Orator attended on the day and at the place he was summoned to defend the said action but no such case was called up for trial. A case of the said

Joel W. Wright and Stephen W. Wright as administrators of Peter M. Wright against your Orator was called up and removed to Stewartville and a judgment afterwards given against him for \$8 and some cents which he has paid. He heard nothing more of the warrant first above named until long afterwards when the Constable came to him with an execution against him for \$30.00 with interest from the 12th day of January, 1862, and \$1.10 costs. Your Orator was much surprized at this for he had a good defense to said action and attended at Chamblissburg the place of return of said warrant for the purpose of making his defense but the case was not called, upon enquiry however he ascertained that on the 25th day of July, 1868, a judgment was rendered against him at Stewartville in this County a place about five miles distant from that at which the warrant was made returnable. He avers that he had no notice whatever of the time or place of trial, that he was never summoned to Stewartville to answer any such claim and if the case was removed from Chamblissburg to Stewartville it was done without lawful authority and without the knowledge or consent of your Orator. He avers that he was taken wholly by surprize and that the said judgment was obtained against him by fraud. He did not know of the rendition of said judgment until the January term of this court in the year, 1870, about eighteen months after the judgment when it was too late either to take an appeal or to ask for a new trial. He further states that no execution was issued on said judgment until after the expiration of twelve months from the rendition of said judgment. He believes the first execution issued in January, 1870, and more than twelve months having elapsed from the date of the judgment it was issued without lawful authority. Subsequently on the 31st December, 1870, another execution was issued on the same judgment which went into the hands of James M. Pendleton Constable who returned it no effects and an execution upon the same judgment is now in the hands of the Sheriff of this County who has levied the same on the property of your Orator and will proceed to sell the same to satisfy said execution unless he is restrained by an injunction from your Honor.

Your Orator states that the land for the alleged rent of which the said judgment was obtained was rented by him of Peter M. Wright in his life time for the year, 1861, for the sum of twenty dollars, that the said Peter M. Wright died soon after the contract of renting, the contract was made in the fall of 1860, your Orator being then the tenant of the said Peter M. at the price of \$20, and it was agreed that he should hold it for the next year, 1861, at the same price. Your Orator only rented the house and garden. He held the premises under said contract for the year, 1861, the residue of the tract was held and cultivated by the said Joel W. Wright. During the year, 1861, your Orator hired to the said Joel W. his son who was about fourteen years of age for the purpose of paying the rent and it was agreed that the wages of his son should go in payment of the rent, that his wages amounted to a sum more than the rent aforesaid so that the rent was paid off in that way before the end of the year, and he avers that the said Joel W. was indebted to him in other sums and that he intended to make his defense to said

action but was prevented from doing so by the reasons hereinbefore stated. He charges that the actings and doings of the said Joel W. Wright in the premises are unjust and tend to his injury. To the end therefore that justice may be done in the premises he prays that the said Joel W. Wright be made a party defendant to this suit and compelled to answer the allegations hereof on oath. May it please your Honor to inhibit enjoin and restrain the said Joel W. Wright his agents and all others concerned from any further proceedings on said judgment and the execution in the hands of the Sheriff until the further order of this court, and finally may the said judgment be set aside and a new trial awarded your Orator. Grant unto him the Commonwealths writ of Summons Commanding &c and all such other and further relief as the nature of his case may require and equity and good conscience dictate and as in duty bound he will ever pray &c

On July 1, 1871, at Bedford County, Virginia, Chancery Court File 6525, Joel W. Wright filed his answer to the complaint of John W. Burford:

"The answer of Joel W. Wright, to a bill of Complaint exhibited against him in the County Court of Bedford County by John W. Burford. And this respondent, saving and reserving the benefit of all objections to the said bill for the many errors therein contained, for answer unto the same, or to so much, & such parts thereof as he is advised it is necessary for him to answer, Answers and says, first that there is scarcely a word of truth in the said bill, from the beginning to the end; it is not true that in April 1868, any warrant was issued at the suit of respondent against said Burford or that at any time to his knowledge, he had any warrant against him returnable at Chamblissburg, and that the same was removed to Stewartsville. On the 25th day of July, 1868, this respondent did cause a warrant to issue by F. H. Jeter Esq. a Justice of the Peace, against the said Burford for a claim for rent, for 1861 - which warrant was made returnable at Cross road (or Stewartsville) where after it had been duly served on Burford, a trial of the same was had before A. Howell J.P. who gave judgment in favor of respondent for \$30. with interest from Jany 1, 1862, & 30 cents costs - that sum being then due respondent for the rent of land for the year 1861, as will be hereafter stated. That no execution was issued on said judgment within 12 months may be true, but it is also true as respondent is informed that afterwards, & before the execution now Complained of was issued, the judgment above named was again warranted on, or proceedings in the nature of a Scieri facias, were had, and the said judgment was renewed, or revived, by a justice of the peace after due notice to said Burford, and on this new judgment, a writ of Fifa was issued, and by a constable was returned to the Clerks Office "No effects" & afterwards, the fifa, complained of was issued by the Clerk of this Court, and respondent submits that if the allegations of irregularity set up by the Plt were true, his remedy would not be by injunction, but at law, by motion to quash - but they are not true, as will, in proper time, and by legal testimony be proven. Respondent denies all charges of fraud, as well as every single allegation made in the bill in reference to the manner in which the judgment was obtained for every word is utterly false - the warrant was made returnable at Crossroads. (Stewartsville being the same place) was served on Buford, & was there tried,

and never was returned or returnable to Chamblissburg, never was called for trial at that place by any person within the knowledge of respondent and hence was never removed to Stewartsville. If he did not know of the rendition of said judgment, he alone was to blame, for the Constables return shews that he knew when such judgment would be asked for. The allegation that "on the 31st December 1870, another execution was issued on the same judgment," is utterly false, as above stated - if true, why does he not quash it - if true this Court sitting in Chancery, has no jurisdiction of the matter.

This respondent denies that the land for which the rent, for which the judgment was rendered was charged, was rented, to Plt, by Peter M. Wright for 1861. Peter M. Wright, was the father of the respondent and died in 1860. In 1859, he did rent the said property to Burford, and he held it for the years 1859 & 1860, at the rental of \$25 per annum for 1859 & \$30 for 1860, and this respond. & his brother Stephen W. Wright, as administrators of their father (Peter M.) since the war warranted Burford for the said rent at \$25. for 1869 & \$30 for 1869 & recovered \$25. for each year - but the amount was offset by some matters brought in by Burford & reduced to \$8. or \$9 & for this the execution named in the bill was issued in their favor & collected - If he had rented for 1861 of Peter M. why was not the rent for the year included? But respondent avers the fact to be that in the fall of 1860, after his fathers death, and in an allotment of his fathers land among his children, respondent drew for his lot the identical place occupied by Burford, and at once, & thence forward controled the possession of so much thereof as plt. was not actually occupying, and he alone was entitled to the possession & rent of the whole for the year 1861 - which respondent avers was property Charged at \$30. for it was well worth more, and that was the price for 1860; It is not true that plt. only held for 1861 the "house & garden" pertaining to said land - he held those, and also, some 25 (more or less) acres of pasture land, over which he exercised exclusive control & possession. Respondent emphatically denies that he ever did, at any time, hire, or have in his employment, the son of Burford - if he owed respondent nothing for rent, nor ever rented from him any land, why did he hire his son to him to pay rent? He well knows all this to be untrue, & by this allegation, contradicts his previous statements. Respondent avers that in 1870, the said Burford, warranted respondent on a miserable trumped up account, one item of which was "4-1/2 months work" charged to have been done by his son at \$6. per month, in 1861 \$27 - and on a trial of said warrant, the justice decided against said Burford as to said item - there never was any such work done, but even if it had been done, the matter has already been adjudicated & passed upon, & disallowed by the tribunal to which it was submitted by Burford himself. These facts will, at the proper time, be proven by the record itself - which would now be filed, if in the Control of respondent - At the trial of the last named warrant, Burford obtained a judgment against respondent for \$10.24 with interest & \$2.90 Costs - an execution on this judgment is in the hands of an officer, who is being pressed by

Burford to force the money from respondent, and respondent charges that Burford is almost insolvent, and it is doubtful whether his execution can be made from him, & therefore he believes the only object of this injunction is to protect himself from respondent, while he makes respondent pay him. And it is only in this respect that he can Complain of this respondent.

And having answered all that he is advised it is necessary for him to answer, still denying everything contained in said bill of material importance, not herein admitted, this responded prays that he may be hence dismissed with his proper Costs and damages.

The marriage license of Libbie V. Wright and William B. Ferguson dated October 9, 1884, at Bedford County, Virginia, identified her as the daughter of Joel W. and Eliza S. Wright and her age as 20, indicating a date of birth in about 1864.

The marriage license of Thomas Wright and Mary E. McManaway dated November 12, 1888, at Bedford County, Virginia, identified him as the son of Joel W. and Eliza S. Wright and his age as 22, indicating a date of birth in about 1866.

The marriage license of Nannie F. Wright and James W. Stevens dated July 14, 1890, at Bedford County, Virginia, identified her as the daughter of Joel W. and Eliza S. Wright and her age as 21, indicating a date of birth in about 1869.

On or about September 5, 1890, the children of Stephen W. Wright filed a complaint in Bedford County, Virginia, Chancery Court, File 2593, for an order directing the transfer of certain land originally owned by Peter M. Wright and allocated to Stephen W. Wright pursuant to court orders that had been lost:

"To the Honorable Jno. D. Horsley, Judge of the Circuit Court of Bedford County, sitting as Chancellor.

Humbly complaining shew unto your Honor your Orators and Oratrices Ellis L. Wright, Jno T. Graves and Ida F. his wife, and Samuel Woods and Dora A. his wife, that some time about the year 1861 one Peter M Wright at that time a resident of this County (Bedford) departed this life seised and possessed of a large landed estate and valuable personal property; that the said Peter M. departed this life intestate surviving him nine children to whom his said real estate descended, whose names were as follows, to wit: Mary Jane, wife of James D. Craft, Nancy Ann, wife of Charles M. McManaway, Eliza Annie wife of

Joel D. Lemon, Susan Julia wife of William W. Basham, Louisa Frances Wright, Joel W. Wright, Peter Meador Wright, James Matthew Wright and Stephen W. Wright.

. . . . that the said James D. Craft and Mary Jane his wife, Charles H. McManaway and Nancy Ann his wife, Joel B. Lemon and Eliza Annie his wife William W. Basham and Susan Julia his wife, Eliza S. Wright, William B Ferguson and Libbie V. his wife, Thomas S. Wright, James W. Stephens and Nannie F. his wife, Sarah J. Wright, William I. Dooley and Mary S. his wife, Daniel W. Basham and Maria F his wife, John A. Wright, Willie C. Wright, Annie E. Wright, Mary T. Wright, Susan E. Wright, William P. Wright, Samuel H. Dooley and Julia A. his wife, Adam L. Feather and Mary E his wife, James A. Wright, Alice F. Wright, Delia E. Wright, Charles E. Wright, Mattie J. Wright, Belle L. Wright, Laura C. Wright, Star A. Wright, Abbie D. Wright, Pearl L. Wright, and Ola G. Wright, the last seven of whom are infants, under the age of 21 years, . . . ."

On about September 7, 1893, at Bedford County, Virginia, Chancery Court File 2835, John T. Graves and Ida T. Graves, Samuel Woods and Dora A. Woods, and Ellis Wright, as heirs of Stephen W. Wright, filed a complaint to quiet title to certain land that had been owned by the decedent and his brother Joel W. Wright and make an allocation of that land among the heirs:

"To the Honorable J. A. Dupuy, Judge of the Circuit Court of Bedford County, sitting as Chancellor.

Humbly complaining, show unto your Honor your orators and oratrices John T. Graves and Ida T. his wife, Samuel Woods and Dora A. his wife, and Ellis L. Wright, that your oratrices and your orator Ellis L. Wright are the only heirs at law of Stephen W. Wright, deceased, who died intestate some years ago.

Your orators and oratrices further represent that the said Stephen W. Wright, in his life time, and his brother Joel W. Wright, in his life time, were the joint owners in equal parts of a tract of land containing 350 acres, more or less, known as the "Meador Wright Farm" and as "The Lemon Tract", adjoining the lands of R. L. Dearing, Mrs. P. M. Wright, Jr., Wm. M. Wright and others, and lying on both sides of the road leading from the Chamblissburg to Stewartsville, in the County of Bedford, Virginia. This tract of land is composed of a tract of about 80 acres which was conveyed to said Stephen W. Wright and Joel W. Wright by J. D. Craft and wife, and of a tract of about 100 acres which had been conveyed to Susan Wright by J. B. Lemon and wife, and of the land which was assigned to said Susan Wright as her dower in the lands of Peter M. Wright, Sr., deceased. Your orators and oratrices charge that they have not been able to find all the

deeds of record in the Clerk's Office of Bedford County Court which were made to the said Joel W. Wright and Stephen W. Wright for the above mentioned boundary of land. They refer however, to the following: A deed to Eliza A. Lemon from Albon A. Arthur, Comr., dated August 8, 1866, Deed Book QQ, page 266, conveying 100 acres. A deed from Joel B. Lemon and wife to Susan Wright, bearing date June 15, 1863, Deed Book P.P., page 361, conveying 100 acres. A deed from W. W. Basham and wife to J. W. and S. W. Wright, conveying all their interest in the dower land held by Susan Wright, Deed Book WW, page 362. A deed from J. D. Craft and Mary J. his wife to Stephen W. and Joel W. Wright, dated January 29th, 1876, Deed Book WW, page 365, conveying their interest in the dower land of Susan Wright and in the "Lemon Tract", and also in the entire tract of land drawn by Craft and wife in the division of the lands of Peter M. Wright, deceased. A deed from Joel B. Lemon, and wife to Stephen W. and Joel W. Wright, dated January 29, 1876, Deed Book WW, page 365, conveyeing their entire interest in the dower land of Susan Wright, and also their interest in the "Lemon lot" owned by Susan Wright. Liens are reserved in several of these deeds for the deferred payments of purchase money, but your orators and oratrices charge that these liens have long since been paid and satisfied.

Your orators and oratrices charge that for a period of more than fifteen years before the death of said Stephen W. Wright, that he and the said Joel W. Wright had held adversary possession of the whole of said tract of land, and had claimed, used, occupied and enjoyed the same as their own property for more than that length of time, and they further represent that during the life time of the said Stephen W. Wright and Joel W. Wright, they divided this tract of land between themselves, and that by the terms of said division there was assigned to said Joel W. Wright all the land on the South side of the Chamblissburg and Stewartsville road, and to Stephen W. Wright all the lands on the North side of said Chamblissburg and Stewartsville road, and each one entered into the possession of the tract of land so received by him upon said division, but no deed of partition was made between them. They continued thus to occupy in severalty the parcels of land received by them respectively until the death of each of them, and no deeds have yet been made. Your orators and oratrices charge that they have at all times been ready and willing and are now ready and willing to make a conveyance to the heirs of the said Joel W. Wright for the tract of land received by him.

Your orators and oratrices further charge that the said Joel W. Wright has departed this life intestate as to this tract of land, and that the following persons are his only heirs, towit: Libbie V. Ferguson, wife of Wm. B. Ferguson; Nannie F. Stephens, wife of James W. Stephens, Thomas S. Wright, Abbie D. Wright, Pearl L. Wright and Ola G. Wright, the last two of whom are infants under the

age of twenty-one years. Eliza S. Wright, the widow of said Joel W. Wright, also survives him.

Your orators and oratrices further charge that they have divided among themselves the estate of their ancestor, Stephen W. Wright, deceased, and upon said division the tract of land which belonged to said Stephen W. Wright upon the division between him and Joel W. Wright, being that portion of said tract of 350 acres lying on the North side of the road, was allotted and assigned to your oratrix Dora A. Woods, to whom they now desire that title shall be made. They charge that they are not indebted to the estate of Joel W. Wright in any way, and that no conveyance has been made by the heirs of Joel W. Wright, because some of them are infants and unable to make conveyance.

In tender consideration, therefore, of the premises and forasmuch as your orators and oratrices are without adequate relief in the premises save by the aid of a Court of Equity, where such matters are properly cognizable and relievable, they pray that the said Eliza S. Wright, William B. Ferguson and Libbie V. Ferguson his wife, James W. Stephens and Nanie F. Stephens his wife, Thomas S. Wright, Abbie D. Wright, Pearl L. Wright and Ola G. Wright, the last two of whom are infants under the age of twenty-one years, be by proper process made parties defendant to this bill, and waiving an answer under oath from said defendants and each of them, that proper conveyance be made to your oratrix Dora A. Wood of the said portion of the tract of 350 acres of land lying on the North side of the road leading from Chamblissburg to Stewartsville. Grant unto your orators and oratrices the Commonwealth's writ of summons, commanding, &c., and all such further and other aid and relief in the premises as equity and good conscience may dictate and the nature of their case require, and as in duty bound, your orators and oratrices will ever pray, &c.

Our Regiment left to day to go on picket Some four miles from this place I hope  
the weather will continue good untill they may return which will be in a few days.

Heavy breast works is being put up at this place much stronger than those at  
Manassas the Yankies will be fools if they undertake to take this place. I hope  
they will for we can just sweep them if they come. I saw Gov Licks to day with  
Gen Johnson Beauregard Smith Vandorn Longstreet & other Generals We have  
a grand turnover of all the Regiments and you may depend upon it that the \_\_\_\_\_  
was a grand one. Gov. Lickes Presented all of the different Regments with flags  
from Virginia they were more than beautiful how I do wish that you could have  
been here to have witnessed the scene.

Your Old beau & prince is not so well he is looking quite badly though I hope not  
seriously ill he is going about yet I think a trip to Bedford would be beneficial to  
him and the sight of Miss Fannie would cure him, dont you think so too.

I cam to camp before my time was out and by the way had to take my beer the  
next day and to tell you the truth I have no business here now and if I do not get  
better soon I shall try and come back to Bedford and stay there untill am well.  
this is no place for sick man or beast

I am rather inclined to think that we shall not have much more fighting to do here  
at this place and I am in hopes not much more any where else.

I hope to hear from you again and as soon as is convenient for you to write you

Dr Lady

I rec'd your kind & welcome letter of the 17th Oct in due time & I should have answered it before now But I do not like to annoy the girls to much with my scribbling And another thing I have been constantly employed for several weeks We have been out on picket duty for several days also Throwing up breast works We were out on picket during that Tremendous storm of last Friday & saturday nights We had no sheltors to protect us from the rain & wind but we made out some way I cannot tell now hardly how Saturday night we marched to Camp a distance of about 5 miles wading all the creeks which were very flush & when we arrived at camp we found all our tents blown down & we had to camp out till morning I stood it all very well But if I had been at home & knew I had to under go such hardships I should have thought it almost death After we got straitened out from our picket trip we commenced Throwing up breatworks & are at it yet We are getting Centreville & vicinity pretty well fortified We have some of the best Batteries thrown up here I ever saw but we havent got the guns planted yet also we have some splending plain breastworks for infantry But I fear the Yankees will never face these breatworks to fight us & I am thinking if we get a fight out of them down this way we will have to make the attack on them And I do not see any better prospect of a fight here now than I did some time ago We have been looking for a fight every day for a long time & we are still looking for it But day after day passes bye & yet no yankees advance And now that the cold winds of Nov. have began to blow nearly every Soldiers has expressed a wish for the yankees to come on & fight us For all believe that if we could whip them again that we would get into winter quarters And of course we ar all confident of Victory But we do not look for victory because the yankees will not fight We look for it because we southern soldiers never intend to give back We do not claim it because we think the yankees will not fight for we know they will fight they were tried on the field at manassas for ten long hours did they pour in their volleys into

our little bands but finding they could not break through our little band they gave it up & left & so it will be next time But for fear you will think I am trying to boast I will drop that subject I will now try to tell you something about our little company for we have a very small company now to wiat it was when we left CrossRoads We have lost 6 of our little band by death 3 discharged & many of them now sick at home & at hospitals & some few sick in camp now But we are not the only Company that is small every Company in our Reg. is very small Well as there is no late news pertaining to Army affairs I will drop that subject & close pretty soon for I know you are tired of reading such scribbling ere you have read this far Well Miss Fanny how has your cousin Sallie got I heard she had a spell of sickness about Mr. Fouts leaving And since John has got sick at Staunton I fear Miss Salle will get worse Tell Sarah to cheer up that Johny will come back after awhile I am very sorry of Johny he stayed with his sweetheart till he thought the malitia would be drafted & then he Volenteered & had to leave his sweetheart at last Well Miss Fanny how was it you did not get sick when your sweetheart left. As you all get letters from the Western Army I would like to hear the latest news from there myself for I do not hear from them often also if you all have any news from Kentucky that is late I would like to hear it You must look over all mistakes & in case bad composing &c for I am writing with a half dozin of the boys sitting around me laughing & talking I will now close by entendring my symphathies to the Ladies in their Lonesomeness & I am pleased to learn that they symphatise with us while we are enduring the hardships of camp life Hoping to hear from you again soon I will now close by bidding you good bye for this time

I do not think that I am due you a letter & if I mistake not you are due me One if you received my las but whether you received it or not I cant say But If I knew you had received my letter & did not wish to answer it be sure I would not trouble you with these lines But thinking my last letter might have be misplace I have concluded to drop you a few lines again to day And now I have commenced I fear I shall not be able to interest you as there is but little news afloat here at this time if there is I have not been able to to get hold of it yet We are camped near Gordonsville We left Richmond last Sunday about 1 O Clock & got to Gordonsville about 9 O Clock that night we tramped about several days & finally we picked tents about 3 miles from Gordonsville in Louisa Co. We have a very pleasant camp but I am fearfull we will not remain here long for we got orders last night to have 3 days rations cooked & put in Haversaks & we expected to leave this morning but it is now 10 O clock & everything is very still & I hope it may turn out to be a false alarm yet for we have such a pleasant camp I hate to have to leave it so soon where it is expected We will go I am not able to say It may be an expected fight or it may be to change our position Well Miss Fanny I suppose you would like to hear some of the general war news but I am sorry that I am not able to furnish you much that will interest you from the best information I can get from Jackson he fell back with his army after the Battle of last Saturday but whether the enemy will advance again soon or whither they have advanced I am not able to say but I suppose they will as they no doubt will claim a glorious victory gained on that day simply because Jackson fell back after he had drove

them back about 3 miles & held the ground as long as he wished to The federal loss was at least 3 to our One. As for what is going on in other parts of our Confederacy I cant say for I havent seen but One paper since I arrived at this place & that was a Lynchburg Republican & it had but very little news of any kind in it I havent saw but few of Jacksons men since I come to this place but I have heard from several Regiments I heard from the 58th Va there was but few men kiled out of James or Madors companies I learned that Lt W. J. Jeter was kiled I heard from no one else in that Company 2 of Meadors Company was kiled & 1 mortally wounded none of your friends hurt that I heard of I havent heard from your Bro: Joel I saw him while we were all at Richmond together he was quite well at that time & looked as if though he could stand service finely he was very cheerfull I would like to see the Bedford boy if I could but we are too far apart to visit in a sqarly time like this when one does not know what hour his Brigade may move But while I would like to see the Bedford boys I had much rather see some of the Bedford Ladies but they too are too far off to visit when furlough & are out of fashion & they are certainly out of fashion here now. It true It has not been so very long since I was at home but I was sick all the time & the weather was so bad that I could not visit but very little now. If I could get home I feel Just like I could go all over Bedford in One day But If I could come now. I should feel at a loss to have here for I know we are all kneeded here or will be probably in a few days But I do not fear having to choose between the two soon & if furloughs are given at all this year it will be after the campaign has closed & the weather sit in bad again so that no armies can move on land. Will miss Fanny I have no doubt you have become very tired of reading this uninteresting letter so I shall soon close I will first tell you something about Co. D 28th Va Vol our company is healthier than it has been for some time before we have upwards of sixty men for duty now & about 70 in camp Your umble servant is one who is enjoying fine health at this time & he is also enjoying himself in general very well considering the dull times in camp I will now close hoping to hear from you soon & to hear all the news from Bedford Both good & bad

Dear Miss

I hope you will excuse my presumption in selecting you as a medium in writing to your family I reached Lynchburg at four oclock P.M. of the same day I left your house and had to remain till late the next morning While there I came near being arrested on account of my brass buttins - being halted and told that I must cut them off or have them covered but I have done neither up to the present The second night of my journey was spent at Burksville in an old house that was almost torn down, but that was better than some of my fellow passengers enjoyed - they having to stay under the trees andin old cars. At this place I meet with an aquaintance from my county who had been up country after his sister wher she

had been going to school my friend having to remain over a day placed his sister in my care but unfortunately for me the car occupied by the ladies was so full I could not get a seat and I was compelled to ride in a boxcar on a tobacco hogshead I reached Richmond Thursday night and remained there till Saturday morning trying to get transportation from there home but did not succeed I left Richmond early Saturday morning and reached James Town about 12 o'clock where I found a friend going direct to Williamsburg who offered me a seat in his buggy. I reached town that night but did not get home till Monday evening - having walked in my journey only about twelve miles I found my brother-in-law's family all living but some of them were quite sick and the children so much grown that I hardly knew them Miss Fannie I cannot express the joy I felt at once more meeting with dear ones that I had been separated from so long - it was the happiest moment of my life and I felt at the time as if it almost repaid me for all that I had suffered and endured. I have not been able yet to go to Maryland but hope to go in a few days I cannot describe the appearance of this country at this time - the whole country has been laid waste and Williamsburg is almost depopulated and the houses pulled down to build barracks and negro huts I suppose about one fourth of the city is standing and that in a deplorable condition Where Hampton stood there is nothing but negro huts made for the most part of barrel staves and it is so all over the country - we have villages towns and cities of negroes whose number is estimated at fifty thousand more than there was before the war and they are the only people that have anything. The citizens have lost all and the negroes have got all - they have growing crops of corn and everyone a horse which has been furnished by the government - there is nothing to do without your work for the negro A good many persons have tried to get possession of their lands but have failed if occupied by freedmen - they are put off with the promise that they shall have the land after the crops are gathered I have tried to regain some property in possession of a yankee but have failed so far. Without the freedmen (as they are generally termed by the yanks) are sent from this country the whites will have to leave - there is not room enough for both as it is now one or the other must leave. How our citizens that remained made out to live I cannot see - they must have suffered more more than any other set of people in the south for they had both negro or yankee to contend with on land and on water - the negroes would band together and rob at night and the soldiers in the day. The only thing unchanged here is old York river it is as natural as it can well be and I have had several delightful excursions on it since my return but I am not able to go in the sun much as I have been quite sick and am not well yet so I have to stay at home most of my time I have not been able to visit scarcely any of my friends and the weather is so excessively hot I do not care to travel about much even if I was well Give my best respects to all the family especially to your mother I feel that I am under many obligations to her and her whole family for their kindness to me a perfect stranger and shall always remember with feelings of pleasure every member of the family Tell Mr Bassham if he will come down I can give him plenty of

amusements as there is the greatest quantity of game of all kinds and fish without number and of the best kind I wish I could send you all some oysters I expect they would be a curiosity as well as a dainty dish If Mr Tigg is with you still; give him my regards and say to him I shall expect an invitation to his wedding also that he must write to me and tell Mac the first time I took a ride the horse ran away and smashed the buggy but I held on to the reins I expect you will find it difficult to decipher this scratch I cannot call it writing but hope you will be able to make out most of it It would give me great pleasure to hear from you all and I hope you will condescend to write a few lines in reply if only to let me know this has been received. My office is Williamsburg York Co Va.

A friend of mine Dr Warren intends settling in your country near Bottetort springs I hope that you may meet with him and think he is a perfect gentleman and also fine looking - he belongs to one of the oldest families in the state and stands high as a physician I will now close trusting to hear from you all soon

Your letter of the 24th of September was received on the 6 inst and I glad to hear that you were all well and hope you may continue to enjoy a blessing that I have been deprived of ever since I left your county While in Maryland I had a six weeks spell, which came very near stopping my earthly career but I am now improving rapidly I spent a week in Baltimore a short time since and had a very good time visiting the theatre and other places of amusement and in noticing the fashions of the city You can see no effect of the war there except you now and then meet a cripple - everybody and everything seems prosperous and lively and business is quite brisk I am not yet located and I have some notion of going to Florida as one of my brothers in-law expects to move there this winter I do not think I can stay here as there are too many negroes here for comfort besides there are only two young ladies in the neighborhood and they are both engaged While in Maryland I heard Mr Bebe preach and was very much pleased with his discourse and appearance I am sorry you did not receive my first letter but I suppose there will not be any more difficulty Give my respects to Mr Tigg also my congratulations provided he is married - he did not send me word who the

chosen one was He is decidedly more fortunate than I Tell Mr B. I hope he come out conqueror in his contest with the briers also that I have a nice time hunting turkeys and ducks and as for squirrels I do not pretend to notice them though there are hundreds of them and deer but we have no dogs to hunt them with and that I have not done a days work since I have been home and I fear it will be a hard matter to get broke in Give my best respects to your mother and all other members of the family I should be very happy to see you all again if it were possible and I shall always be glad to hear from you can find time to drop me a few lines. Yours respectfully

Nathan Richardson"

On June 22, 1869, The Lynchburg Daily Virginian published the following news account of the death of Fanny Wright:

"The Murder of Miss Wright. - Of this mysterious affair, heretofore mentioned, the Bedford Chronicle says: 'Miss Fanny Wright, daughter of P. M. Wright, Esq., who resides some two or three miles west of Pea Town, (Chamblissburg,) left her father's residence on Wednesday of last week, to visit one of her relatives living in the neighborhood, with whom she had some business transactions. We learn that while there, she received some \$300 and when she left, on her return home, had that amount in her possession. Nothing further was known of her after her departure, until her lifeless body was discovered lying in the road. No marks of violence, we are informed, were visible upon her person; but, as the money had been abstracted from it, it is more than probable that she had been murdered and robbed. Several rumors are current that suspicion has fastened upon two or three individuals, who were supposed to have been implicated in the commission of this horrid deed; but, as we have been unable to glean any authentic information concerning the matter, we are compelled to await the developments of the future."

On February 3, 1870, at Bedford County, Virginia, D.B. 44/520 Joel B. and Eliza A. Lemon sold their interest in the estate of L. Frances Wright to William W. Basham:

If Mary and Wilson were at least 16 years of age at the time of their marriage, their dates of birth would be probably before 1817. Since Matthew Wright resided in Bedford County, the place of birth of Mary (Wright) Meador was probably at Bedford County, Virginia.

The Division and Allotment of Matthew Wright's land dated May 7, 1842, and recorded at Bedford County, Virginia, W.B. 11/138 listed Mary Meador as one of his children:

"In Bedford county, Va., Dec. 28th, 1862, of Pneumonia, in the 12th year of his age, John Arthur, youngest child of Joseph P. and Elizabeth Ann Wright. It has seldom been our lot to meet with such a boy; to know him was to love him. Naturally frail, possessing a mind of unusual vigor, timid yet firm, kind and affectionate, he naturally became the idol of his mother's heart, and the fond hope of his father in declining years.

But the loved one must become the companion of angels; this earth could remain his habitation no longer. Death had marked him for its victim, and neither medical skill nor the kind attentions of a sister, whose nightly vigils o'er him ceased not, nor a mother's prayers, nor a father's love could stay its ravages. Slowly, but gradually, he sank, describing his feelings and giving directions to his nurse with the utmost clearness and calmness to the last.

Thus hath passed from earth one of its sweetest flowers, full of promise and full of hope."

The Bedford City/County Museum stated that the tombstone of J. A. Wright is located at the William R. Wright Cemetery, Bedford County, Virginia, and listed the following information:

In August or September 1879 John A. Wright filed a complaint in Bedford County, Virginia, Chancery Court, File 1838, for an accounting for the partnership with his son James E. Wright:

"To the Hon'l the Judge of the Circuit Court of Bedford County; in chancery sitting Humbly complaining, showeth unto your Honor your orator John A Wright that in the year 1866, in the month of January your orator entered into a verbal contract of copartnership with James E. Wright, the son of your orator, for the purpose of farming and raising and trading in stock. That your orator furnished the capital for said business, & the said James E. gave it his time and attention, and by the contract, after all expenses were paid, your orator and the said James E were to share equally in the profits of losses of said business. Your orator would further show that the business was conducted on the home place of your orator until the year 1868 or 1869, when the said James E. bought a farm, and moved on it. That your orator furnished the stock, farming implements &c for said farm, and the partnership theretofore existing was continued upon the same terms, except that your orator assumed the management and control of his home place - but the profits of both farms, and of the operations in live stock, were to be equally divided between your orator and the said James E. Your orator further avers that on the \_\_\_ day of August 1879 the said James E. departed this life, and that at the August term of the County Court of Bedford County, Sarah H. Wright took out letters of administration upon the estate of the said James E. That in the lifetime of the said James E. there was no final settlement of the partnership transactions. That there is quite a large amount due to said firm, and that there is a large amount of live stock &c their property belonging to said firm, and some debts, to a small amount, outstanding against said firm. In tender consideration whereof, & forasmuch as your orator is without adequate relief, save by the aid of a court of Equity, your orator prays that the said Sarah H. Wright, administratrix of the said James E. Wright, deceased, may be made a party defendant to this bill, and required to answer the same in solemn form, may an account be directed to be taken by a commissioner of this court to ascertain, (1) the terms of the aforesaid copartnership (2) to state and settle an account of the partnership transactions, & (3) to take an account of the indebtedness of said firm. Grant to your orator the Comth's writ of summons and all

such other and further relief as the nature of his case may require, or to Equity shall seem right. And as in duty bound will ever pray &c

John E. Wright  
By Counsel"

This record indicates that James E. Wright died in August 1879, that his father was John A. Wright, and that his wife was Sarah H. Wright.

On September 11, 1879, Sarah H. Wright answered the complaint and agreed to the accounting:

"The separate answer of Sarah H. Wright, administratrix of James E. Wright, deceased, to the bill of complaint exhibited against her by John E. Wright, in the Circuit Court of Bedford County.

This respondent, neither admitting nor denying the terms of the contract of copartnership as stated in said bill, for answer thereto, says that it is true that her late husband, James E Wright, was engaged in the business of farming and stock raising with the complainant upon some terms & under some contract, but your respondent is not sufficiently informed as to said contrat to undertake to state what said contract was. Respondent further admits that she qualified as the administratrix of the said James E. Wright, deceased, and that she is anxious for a settlement of the partnership transactions of the said James E. Wright & the complainant. She does not therefore object, but consents that the accounts prayed for in complainants bill may be ordered, and she \_\_\_\_ in the prayer for the same & for a full settlement of the partnership matters by & under the direction of this Hon'l Court. And having fully answered respondent prays to be hence dismissed with her costs &c

On May 8, 1872, at Bedford County, Virginia, Chancery Court Order Book 6/257 in the case of J. E. Wright v. the administrator of the estate of Albert Jones the court entered its order for payment of \$916.67 due from the defendant:

"J E Wright and Sarah H his wife

Defendants

This day this cause came on to be heard on the bill of the plaintiffs, answer of the defendant, replication thereto, exhibits, examination of witnesses and the report of Commissioner Lowry made under the decretal order herein made at October Term 1870, and was argued by Counsel. Upon consideration whereof, it appearing that the said Albert Jones as guardian of the female plaintiff was indebted to his said ward at the commencement of the late war in the sum of about Two thousand dollars and had been so indebted to her since the year 1859, that in January 1863 one John Goode and John Goode Jr. were indebted to him in the sum of Eleven hundred and forty dollars and eighty two cents in Confederate States Notes for which he took their bond payable to himself as guardian (which was afterwards transferred to the succeeding guardian), and afterwards on the 18<sup>th</sup> of April 1863 the said Albert Jones presented a petition to the Judge of the Circuit Court of Bedford County in vacation alleging that he had in his hands the sum of Eleven hundred dollars belonging to his ward, received by him in the due exercise of his trust, which he was unable to pay to her on account of her age, and asked leave to invest the same in Confederate States bonds, pursuant to the provisions of the Act of Assembly passed the 5<sup>th</sup> of March 1863, which leave was granted; under which he did invest Eleven hundred dollars of Confederate States Treasury Notes in such bonds that those notes (as is admitted by the parties) were then so depreciated that Six dollars of them were only equal to One dollar in Corn: Upon these facts, it is the opinion of the Court, that the said Albert Jones as such guardian had no right in this way to discharge himself of his debt due to his ward in corn, and that instead of attempting to discharge it by such a mere nominal payment by which a ruinous loss and sacrifice was visited on his ward, he ought to have guarded and protected her rights and interests and if he had in good faith believed that her interests would have been promoted by investing her estate in Confederate States bonds he ought to have invested so much Confederate money as Eleven hundred dollars in coin would have purchased: and that if he was entitled to charge any thing against his ward on account of said investment as made by him the utmost he could claim would be the value of the Confederate States Treasury Notes at the time of the investment: The Court doth therefore disapprove and reject the said report of Commissioner Lowry and approving the statement A filed in this cause to conform the accounts of the said guardian to the foregoing opinion, doth confirm it, and doth adjudge, order and decree, that the said defendant do out of the estate of his intestate in his hands to be administered pay to the plaintiffs the sum of Nine hundred and sixteen dollars and sixty seven cents, with interest thereon after the rate of six per centum per annum from the 21<sup>st</sup> day of April 1863 until payment and their costs by them about their suit in this behalf expended"

E. Wright, deceased, (except the dower) supposed to be about 128 3/4 acres, on the following terms to wit, cash in hand sufficient to pay costs of suit, and expenses of sale, and the balance upon a

credit of one, two, and three years, the purchaser to give bond with good personal security carrying interest from day of sale, and containing waiver of homestead exemption, and make report hereunder for a further decree But it being suggested to the court that one Joshua W. Thomas holds the legal title to the land herein ordered to be sold, and that there is a balance of purchaser money due on said bond, it doth, therefore, order that the said commissioners shall not execute this decree, until the said Thomas shall have filed with the papers in this cause a deed conveying all the land sold by him to the said J. E. Wright in his lifetime with the usual covenants of general warranty, quiet and peaceable enjoyment &c with the relinquishment of his wife's contingent right of dower, to the heirs of the said J. E. Wright, subject, however, to the right of dower of the widow of the said J. E. Wright; and with the said deed the said Thomas is to file an account of the balance due, whether held by him or his assignee"

On November 30, 1882, in File 3168 the court found the suit satisfied and ordered the case closed:

In November 1884 in File 3168 the Court noted Sarah E. Wright's marriage and appointed J. E. Fitzpatrick as administrator:

"Nov Term 1884

Wrights' Admx

Wright &c

Sarah H. Wright, the plaintiff in this cause, having intermarried with William H. Arrington, and her power as administratrix of J. E. Wright deceased being thereby revoked, that fact is ordered to be suggested on the record. And on the motion of John E. Fitzpatrick, sheriff of Bedford County and as such administrator de bonis non, of the said J. E. Wright, deceased it is ordered that this suit be revived, and be hereafter proceeded with, in his name as administrator de bonis non, of said estate.

On May 26, 1885, in File 3186 William H. Arrington and his wife Sarah H. Arrington filed their joint answer to the complaint:

"The Joint answer of Wm H Arrington and Sarah H his wife to an amended bill and bill of reviver in the chancery suit of "Wrights admr against Wright &c", now pending in the circuit courts of Bedford County

These defendants for answer to the said amended bill and bill of reviver say that the statements made in said bill are true so far as they know and believe, Except the statement that bonds and other choses in action came into the hands of the female defendant, which have not been accounted. This defendant Says that through mistake that these bonds were appraised as the property of J E Wright deceased. When in point of fact they belonged to the partnership concern of J A and J E Wright, which had been formed many years before the death of the said J E Wright, and did not terminate until his death, and while the most if not all the bonds were taken in the name of J E Wright yet they were enure to the benefit of the said partnership concern. This partnership extended to farming operations trading in horses, cattle sheep and hogs and in fact in everything. Further answering this defendant says that the account taken by Commissioners Campbell is correct she believes, and the small balance in her hands, will not be sufficient to pay counsel fees. And now having fully answered these defendants may be hence dismissed &c

This day the above named parties Wm A. Arrington and Sarah A. Arrington his wife, came before me and made oath that the statements made in the above answer are true to the best of their knowledge and belief. Given under my hand the 20th day of May 1885

On November 29, 1887, in File 3168 the court found that Sarah H. Arrington was in default in payment of the purchase price:

"At Bedford Circuit Court November 29th 1887.

The court in File 3168 then ordered a resale of the land:

"Wright's Admx        )  
vs                        ) Note for Decree  
Wright &c                )

This day this cause came on again to be heard on the papers formerly read, and on the amended Bill and Bill of revivor of the complainant J. E. Fitzpatrick Administrator de bonis non of J. E. Wright, deceased, the answer thereto of Wm. H. Arrington and Sarah H. his wife (who was Sarah H. Wright) and general replication to said answer and on the report of Commissioner J. L. Campbell, filed April 12, 1887, and the exception to said report by the administrator of J. E. Wright deceased and was argued by counsel; On consideration whereof the Court doth overrule said exception and doth approve and confirm said report.

And the Court being now asked to decide the question as to the liability of the land purchased by W. J. Clark to the payment of the judgment of Wm. Graves proven in this cause, is of opinion and doth decide that said land is liable to the lien of said judgment to the extent that the said Clark has not paid the purchase money therefor, to wit, for the sum of \$771.85 with legal interest on the several parcels thereof as shewn by the report of Commissioner J. Laurence Campbell filed amongst the papers in this cause on the 29th day of August 1881, and doth therefore adjudge, order & decree that the Sarah H. Arrington the former Administratrix of J. E. Wright decd., do surrender and deliver up to M. P. Burks, who is hereby appointed a Receiver to collect the same, the bonds of said W. J. Clark mentioned and described in said last-mentioned report of Commissioner J. Laurence Campbell, and that said Burks proceed forthwith by suit or otherwise to collect said bonds, and when and as collected that he pay over the proceeds of said collections to Robert B. Claytor Exor. of the last will & testament of Wm. Graves deceased in satisfaction pro tanto of the judgment of said Graves proven in this suit; and on the payment of the full amount of said bonds that the said M. P. Burks, who is hereby appointed a Commissioner for that purpose do, by proper deed with special warranty, convey to said W. J. Clark the tract of 90 acres of land in the bill mentioned as sold to said Clark by J. E. Wright in his lifetime. But said Burks shall not act as such Receiver until he shall have first entered into bond with good security to be approved by the Clerk of this Court in the penalty of \$1500- with condition for the faithful discharge by him of his duties as such receiver.

And the Court doth further adjudge, order & decree that unless within sixty days from the adjournment of this Court, the heirs of J. E. Wright decd do pay to the several creditors mentioned in the reports aforesaid of Commissioner Campbell (except Graves, Executor) the amounts of their respective debts set forth in said reports, then the reversion of said heirs in the tract of land allotted as Dower to the widow of J. E. Wright deceased be sold, and that H. C. Lowry and M. P. Burks who are hereby appointed Commissioners for that purpose, either one or both of whom may act, do make such sale at public auction on the terms prescribed by the Rule of this Court made at its September Term 1877. But before making such sale, said Commissioners or the one acting shall first advertize the time, terms & place of such sale in such manner and for such length of time as they, or the one acting, may deem necessary to give general notice thereof, and further enter into bond with good security in the penalty of \$500- with condition to account for and pay over as the Court may direct the cash payment received by them or him. And said Commissioners, or the one acting, shall make report of their or his proceedings hereunder to this Court for further decree.

And it appearing from the report of H. C. Lowry Receiver, this day filed in this cause, that Sarah H. Arrington (who was Sarah H. Wright) is in default of the payment of her bonds given for the deferred payments on the tract of land heretofore reported as sold to her under a former decree in this cause, the Court doth further adjudge, order & decree that the said Sarah H. Arrington after being first served with a copy of so much of this order as is pertained thereto, do appear here on Friday morning next at eleven o'clock and show cause, if any she can, why said tract of land shall not be resold at her risk for her said default."

On November 29, 1887, in File 3168 the court ordered Sarah H. Arrington to show cause why the land should not be sold:

"Wrights Admr        )  
vs                        ) Note for decree.  
Wright & others        )

This day this cause came on again to be heard on the papers formerly read, and on the report of H. C. Lowry and M. P. Burks, Commissioners and the bonds and vouchers therewith filed, and on the report of M. P. Burks Receiver the bonds, voucher & agreement therewith filed, to which reports there is no exception and was argued by counsel; on consideration whereof the Court doth approve and confirm each of said reports & the sale mentioned in said report of commissioners Lowry & Burks and treating the agreement aforesaid as a private sale in trust to Jane G. Lupton of the tract of land, containing about 90 acres, more or less, mentioned in the bill as sold to W. J. Clark, doth confirm the same, and doth adjudge, order & decree that the said M. P. Burks, who is hereby appointed a Receiver for that purpose, do with-draw from the papers in this cause & collect the bond filed with

each of said reports as they severally mature, or before maturity, if the obligors elect so to pay, and that he pay over such collections from time to time as made by him to R. B. Claytor Executor of Wm Graves, deceased in satisfaction pro tanto of his judgment proves in this cause & make report thereof to this court for further decree. But before acting as such Receiver, the said M. P. Burks, shall first enter into bond with good security to be approved by the Clerk of this Court in the penalty of \$1800- with condition for the faithful on charge by him of his duties as such Receiver.

And it appearing from the report of H. C. Lowry, Receiver, filed at the last term of this Court, that Sarah H. Arrington, the wife of William H. Arrington, is in default in the payment of the purchase money for the tract of land heretofore reported as sold to her under a former decree in this cause, the Court doth order that the said William H. Arrington and Sarah H. his wife, after being first served with a copy of so much of this decree as is pertinent thereto, do appear here on the 8th day of the present term of this Court and shew cause if any they or either of them can, why said land shall not be resold at the risk of the said Sarah H. Arrington for her said default."

Sketch Book Of Liberty, Virginia published in 1887 included the following description of the firm of Bolling, Wright & Co.:

"Bolling, Wright & Co.  
Manufacturers of Smoking Tobacco.

In the year 1879, Mr. John F. Curtis first introduced the various brands of smoking tobacco now manufactured by this firm. They were sold in moderate quantities and gradually acquired such popularity with the trade that capital and manufacturing

facilities became necessary and the present concern of Bolling, Wright & Co. was organized. The partners are S. M. Bolling, G. D. Wright and John F. Curtis, all of whom are universally recognized as trustworthy, responsible business men. The firm began its operations on July 1st, 1885, and its trade has been steadily increasing since that date. Their factory was burned to the ground in March, 1887, but a few weeks only had elapsed when their present building was thoroughly equipped and their work in full blast, with better facilities than before, having now an annual capacity of 500,000 pounds.

Bolling, Wright & Co.'s specialty is "Cow Boy," a fine, bright granulated smoking tobacco of very high grade, which has secured a large and increasing sale in all parts of the country, especially in the Middle and Southern States. "White Cloud" and "Quadroon" are also very favorite brands. The greatest care is exercised in the selection of leaf for these brands, as also in their preparation for the market. Their original high standard is constantly improving and will continue to improve under their present ownership until absolute perfection is attained.

"Sunbeam" is a special brand prepared by this firm from the very finest lemon-colored leaf, which is obtainable only in very small quantities and brings as high a price as any tobacco on the market anywhere. The other brands, while undoubtedly of very superior quality, are nevertheless within the reach of every smoker, for the reason that the cost of production is much less here than in larger manufacturing centres, and a better grade can therefore be offered for the same money, without decreasing the legitimate profits of the factory.

The energy and push now and heretofore exercised by this firm in expanding their trade, combined with the excellence of their products, will doubtless result in much future benefit to the Town, by advertising it to the world as the home and birth-place of "Cow Boy" and the other popular brands of Bolling, Wright & Co., and by the consequent diversion of distant capital to this market."

A lithograph of their tobacco factory was also included in Sketch Book:

They are advised that a court of equity will by its decree appoint a commissioner for and on behalf of the said infants to convey the title to the same to your orators. Tombstone Inscriptions of Bedford County, Virginia listed the following tombstone for Mary Elizabeth Wright in the Longwood Cemetery, Bedford City, Bedford County, Virginia:

"Mary Elizabeth Wright  
Born November 3, 1850  
Died October 5, 1907"

Bedford County, Virginia, Cemetery Records stated that the tombstone of Mary Elizabeth Wright was located in Longwood Cemetery, Bedford County, Virginia, and listed the following:

"Mary Elizabeth Wright  
November 3, 1855  
October 5, 1907"

This appears to be just a typographical error in the listing of the date of birth.

The Beale Treasure included the following about George D. Wright and his family:

"Another fascinating native and possible beneficiary of the treasure was Harry Wright, who was born in Liberty in 1877. After his father died, Harry and his brothers and sisters left the area and moved to Mexico. The father had left the family with a legacy of unpaid taxes, yet Harry ended up owning the second largest steel and copper firm in Mexico. He was a wealthy man.

Harry's father, George, had been a founder of the tobacco firm of Bolling Wright, & Co. He had owned land north of Liberty, near Fancy Farm. The tobacco plant had been destroyed by fire in 1887, and George died in 1890. Family properties soon defaulted on taxes, and the court sold land in 1893 to collect those taxes.

At the start of the Twentieth Century, the United States was seen as a land of opportunity. The two youngest Wright children were still in school, and their mother, Betty, was alive. Why would Harry and his siblings go to Mexico? That country was in ferment: protests, revolution, coups, and counter coups. Were they running away, or did Mexico look like a place of greater opportunity?

At least six of the eight children went to live in Mexico, and in the early 1930's five were still living there.

Of the eight, only sister Mildred (who studied interior decorating in New York and Paris) and sister Veta (who studied at Hollins) received advanced schooling. But they all had enough money to give the outward appearance of being affluent.

The book, Our Kin, reports on the lives and careers of those Wright siblings through 1930. Veta was an aviatrix, flying around South America. Mildred studied in Paris. Brother Sam was a world traveler. Brother George lived in Latin America and wrote short stories. Brother Max was an amateur golf champion and belonged to a number of clubs. Sister Della travelled and was noted for supporting charities. And Harry was known as a philanthropist.

Harry had a warm spot in his heart for the Bedford area. He explored the idea of buying one of Bedford's banks in 1927. He donated a silver trophy to the Country Club to be awarded to the annual golf champion.

He got out of the metal business in the early 1940's, selling his "La Consolidada S.A." to Shields and Company. Then, in 1945, he and a brother-in-law bought a ranch with 2,200 head of cattle in New Mexico. He had earlier bought part interest in another ranch near Silver City. The combined operations included 65,000 acres of grazing land. In addition, they leased 100,000 more acres.

In 1948 he donated \$25,000 to buy the old Lyle home so that it could become the "Betty Pannil Wright Home for Old Ladies." He entrusted an old employer, M. T. Harrison to set up an association to handle the Home. Wright showed much faith: Harrison was 91 at the time.

Did Harry find the Beale treasure and then go to Mexico to live off its bounty? With so many people in the family, it seems unlikely: surely the story would have leaked out by now. Perhaps Harry's father left his wife and children a nest egg after all. More likely Harry was indeed the "business genius" his family said he was. His successes were recognized in Reader's Digest and in Fortune magazines. He had no children. He apparently shared what he had generously with his brothers and sisters.

Harry Wright was clearly a talented man who made his way -and fortune - in a foreign land, but who always stayed in touch with friends in Bedford county. . . ."

Our Kin provided as follows regarding George D. Wright and his family:

In January 1848 at Bedford County, Virginia, County Court Order Book 30/3 commissioners were appointed to settle the account of Peter M. Wright as administrator of the estate of Isaiah Compton and of the estate of Julia Compton:

Wright as administrator of Matthew Wright deceased, also the account current of Peter M. Wright admr. of Isaiah Compton deceased, and also the account current of Peter M. Wright as admr. of Julia Compton deceased and make report thereof to Court."

In February 1848 at Bedford County, Virginia, County Court Order Book 30/17 a new commissioner was appointed to settle the account of Peter M. Wright as administrator of the estate of Isaiah Compton and of the estate of Julia Compton:

"Ordered that John A. Wharton Commissioner of this Court, state & settle the account current of Peter M. Wright as guardian of Isaiah Compton & Julia Compton & make report thereof to Court."

In June 1851 at Bedford County, Virginia, County Court Order Book 30/536 a commissioner was appointed to settle the account of Peter M. Wright as guardian of the estate of Isaiah Compton and of the estate of Julia Compton:

"Ordered that John A. Wharton Commissioner of this Court, state & settle the account current of Peter M. Wright as guardian of Isaiah Compton & Julia Compton & make report thereof to Court."

In her letter dated September 11, 1984, Mrs. Paulette Wilson enclosed a statement by Mrs. N. A. McManaway regarding her family:

"Our Great-Grandmother Holland's maiden name was Meador. Her daughter Nancy Holland married Matthew Wright. From this union Sprang Jane, Peter Meador, Mary, and Joseph Pate, Millie, Nancy, John Asher, Lydia, Julia and Wright Holland.

Jane married Valentine Campor, Peter Meador married Susan James. Mary married Wilson Meador. Joseph P. wed Eliza Adams. Nancy wed Francis Johnson. John A. wed Libby Craft. Lydia wed John Compton. Julia wed Isiah Compton. Wright H. wed June Burford, (she bore him five children and died).

Later he married Minerva Foutz. Aunt Millie died a maid. The others each raised a family.

The foregoing was written by Mrs. N. A. McManaway for Mrs. S. J. Basham"

Our Kin stated that Julia Wright was a daughter of Matthew Wright and Nancy (\_\_\_\_) Wright, was born on February 12, 1816, and married Isaiah Compton and that they had the following child:

1) Nannie (Compton) (Jeter) Brugh.

From the evidence set forth above the following was a child of Julia (Wright) Compton and Isaiah Compton:

1) Matthew W. Compton, born probably between February 20, 1837 and July 1842,

2) Nannie J. A. (Compton) (Jeter) Brugh, born probably between February 20, 1837 and July 1842, and

3) Henry G. Compton probably, born probably between February 20, 1837 and July 1842.

i. Matthew W. Compton

Matthew W. Compton was a son of Julia (Wright) Compton and Isaiah Compton. (1763 Thomas<sup>1</sup>, 1815 Joseph<sup>2</sup>, 1841 Matthew<sup>3</sup>, Julia<sup>4</sup>)

On February 26, 1844, at Bedford County, Virginia, County Court Loose Papers the heirs of Matthew Wright filed a suit for the sale of four slaves:

"Suit to Sell the slaves of the Est of Matthew Wright deceased - four slaves - Andy Charlotte John William Valentine G. Camper and Jane his wife Indiana - Peter M. Wright Wilson Meador & Polly his wife, Joseph P Wright, John Wright

Milly Wright, Francis Johnson and Nancy his wife, John Compton & Lydia his wife Nancy Jane Compton Matthew M Compton and Henry G Compton infant children of Isaiah & Julia Compton formerly Julia Wright - Wright H Wright

Peter M Wright to be appointed Commissioner to Sell - upon a credit of 12 months"

This record identifies Matthew M. Compton as a son of Julia (Wright) Compton and that he was then a minor and, therefore, born after February 26, 1823.

In August 1844 at Bedford County, Virginia, County Court Order Book 28/319 Peter M. Wright was appointed guardian of Matthew M. Compton, Nancy J. A. Compton, and Henry G. Compton, orphans of Isaiah Compton and Julia Compton:

"Ordered that Peter M Wright be appointed guardian of Matthew M. Compton, Nancy J. A. Compton and Henry G. Compton orphans of Isaiah Compton and Julia Compton deceased and thereupon he together with Wilson Meador and Joseph P. Wright his securities entered into and acknowledged a bond in the penalty of four thousand dollars conditioned according to law."

This record clearly identifies Matthew W. Compton as a child of Julia (Wright) Compton and Isaiah Compton.

ii. Nannie A. Jane (Compton) (Jeter) Brugh, Her Husbands William Jacob Jeter And Edward Brugh, And Her Descendants

Nannie A. Jane (Compton) (Jeter) Brugh was a daughter of Julia (Wright Compton and Isaiah Compton. (1763 Thomas<sup>1</sup>, 1815 Joseph<sup>2</sup>, 1841 Matthew<sup>3</sup>, Julia<sup>4</sup>)

On February 26, 1844, at Bedford County, Virginia, County Court Loose Papers the heirs of Matthew Wright filed a suit for the sale of four slaves:

"Suit to Sell the slaves of the Est of Matthew Wright deceased - four slaves - Andy Charlotte John William Valentine G. Camper and Jane his wife Indiana - Peter M. Wright Wilson Meador & Polly his wife, Joseph P Wright, John Wright

Milly Wright, Francis Johnson and Nancy his wife, John Compton & Lydia his wife Nancy Jane Compton Matthew M Compton and Henry G Compton infant children of Isaiah & Julia Compton formerly Julia Wright - Wright H Wright

Peter M Wright to be appointed Commissioner to Sell - upon a credit of 12 months"

This record identifies Jane Compton as a daughter of Julia (Wright) Compton and that he was then a minor.

In August 1844 at Bedford County, Virginia, County Court Order Book 28/319 Peter M. Wright was appointed guardian of Matthew M. Compton, Nancy J. A. Compton, and Henry G. Compton, orphans of Isaiah Compton and Julia Compton:

"Ordered that Peter M Wright be appointed guardian of Matthew M. Compton, Nancy J. A. Compton and Henry G. Compton orphans of Isaiah Compton and Julia Compton deceased and thereupon he together with Wilson Meador and Joseph P. Wright his securities entered into and acknowledged a bond in the penalty of four thousand dollars conditioned according to law."

This record clearly identifies Nancy J. A. Compton as a child of Julia (Wright) Compton and Isaiah Compton.

The 1860 Census for Bedford County, Virginia, listed N. J. Jeter in the Nancy Wright household:

<u>Name</u>	<u>Age</u>	<u>Sex</u>	<u>Color</u>	<u>Occupation</u>	<u>Value of Real Estate</u>

This record indicates that Nannie A. Jane (Compton) Jeter was born in about 1840. As will be set forth below, Nannie A. Jane Compton married William Jacob Jeter and this record indicates that they were married probably in 1860 and that William Jacob Jeter was born in about 1837.

On April 27, 1868 or 1869, in T. J. Bell Collection, Virginia State Library  
Accession No. 21615, Nannie (Compton) (Jeter) Brugh wrote to Louisa Frances Wright:

"Spring Valley Apr 27

Very dear Cousin

I seat myself this beautiful Saturday morning to respond to your very kind and welcome leetter written March "27 which was read by me with great pleasure. I confess that Mr. Brugh had me very much puzzled about you for awhile. He told me that you had married and gone to Maryland. I could not believe it at first but he kept telling me so much about it that I almost concluded it was so. I am happy to know that it is not so for I could not give you up to go so far. Louisa Lemon staid with me a few days last week and told me you did not expect to visit us until harvest. I was very sorry to hear you had postponed your visit so long. Mr. Brugh is very busy planting corn. He will git done the first of next week. Wheat is looking finely on this side the mountain. I have been quite busy since the pretty weather sit in gardening my peas beets onions and snap beans are all growing very fast. I have cabbage and tomato plants nearly long enough to set out, also my sweet Potato bed is looking very well. Fannie I must tell you about my chickens. I have had one hundred and sixty hatched out, but I havent more than 120 now. I gave away one hen and 12 chickens, and the old hawk takes dinner occasionally. You know he is not a very agreeable visitor. Mrs Kate Burten is spending this week with us. She is very much pleased with Fincastle. I do not know how long she will stay with us. Fannie I wish you were here to go with us to church to morrow at Brick union. I havent been there since you and I were to gather. I have been to Mill Creek several times. Fannie I have formed a good many acquaintances and like them all very much, if I only had you over here I would be perfectly satisfied. Miss Kate told me to tell you she had gotten acquainted with your Beau and she is very much pleased with him. She and I were at the Store yesterday evening and he was quite lively said he was going to Bedford soon. He has brought on his new goods and nearly sold out. he sold 75 dresses in two days. I got two out of the number. Fannie I expect to be at New Hope the second sunday in May if nothing happens more than I know of. I am so anxious to see all my Relatives & friends over there. Aunt Milly seems perfectly satisfied. I am very glad she is. I spent the day with Mary Eliza last Sunday. they were all very well. Ann Eliza and her mother spent the day here last week. Antney was down to see her last week. F Brugh had to leave School on accout of his health. I fear he will go in to consumption. I will close for this time. Write soon Mr Brugh Aunt Milley and Miss Kate all join mein love to you and your Ma. Please excus a bad writing and mistakes as this is the third letter I have written to day. I remain as ever your true Cousin

Nannie"

This record indicates that Nannie (Compton) (Jeter) Brugh was living in Spring Valley in 1868 or 1869.

The will of Millie Wright dated September 18, 1882, and probated in December 1882 at Botetourt County, Virginia, W.B. O/69 listed Nannie A. J. Brugh, the wife of Edward Brugh as her niece:

". . . . The Residue of my Estate to go to my Niece, Nanny J A. Brugh (Present wife of Edward Brugh) and at her (the said Nannie J. A. Brughs) Death the whole of my Estate then Remaining to be equally Divided Between Pearl E. Brugh and Mary F. Brugh (Children of Edward Brugh and Nannie J. A. Brugh In fee simple to use and dispose of as may seem best to themselves - I hereby appoint My Friend Edward Brugh my Executor to Execute this my Last Will and Testament . . ."

This record also indicates that Nannie Brugh had two children by Edward Brugh, Pearl E. Wright and Mary F. Brugh, and resided in Botetourt County on September 18, 1882.

On April 14, 1884, at Botetourt County, Virginia, W.B. O/164 Edward Brugh filed an accounting for the estate of Mildred Wright.

Our Kin stated that Nannie Compton was a daughter of Julia (Wright) Compton and Isaiah Compton and married first William Jacob Jeter in 1861, and that they had one child who died in infancy, that William Jacob Jeter died on August 9, 1862, at the Battle of Cedar Run, Culpepper County, Virginia, that Nannie (Compton) Jeter married second Edward Brugh and that they had the following children:

- 1) Pearl Brugh,

On February 26, 1844, at Bedford County, Virginia, County Court Loose Papers the heirs of Matthew Wright filed a suit for the sale of four slaves:

Compton orphans of Isaiah Compton and Julia Compton deceased and thereupon he together with Wilson Meador and Joseph P. Wright his securities entered into and acknowledged a bond in the penalty of four thousand dollars conditioned according to law."

This record identifies Henry G. Compton as a child of Julia (Wright) Compton and Isaiah Compton.

j. Alie Wright

Alie Wright was a daughter of 1841 Matthew Wright of Bedford County and Nancy (Holland) Wright. (1763 Thomas<sup>1</sup>, 1815 Joseph<sup>2</sup>, 1841 Matthew<sup>3</sup>)

Our Kin stated that Alie was born on July 18, 1818, and died in youth. Since Matthew Wright resided in Bedford County, the place of birth and death of Alie Wright was probably at Bedford County, Virginia.

In her letter dated September 11, 1984, Mrs. Paulette Wilson enclosed a statement by Mrs. N. A. McManaway regarding her family:

On or about January 20, 1869, Wright H. Wright filed a complaint in Bedford County, Virginia, Chancery Court, File 1201, to enforce the agreement against Samuel D. Patterson for the sale of the land:

"To the Honorable the Judge of the Circuit Court of Bedford County, sitting as Chancellor:

Humbly complaining sheweth unto your Honor your Orator Wright H. Wright, that Matthew Wright died many years ago, in latter part of the year 1841 or commencement of the year 1842, intestate, his wife Nancy Wright survived him and the following children his only heirs at law, to wit, Nancy Johnson, Joseph P Wright, John A Wright, Peter M Wright, Jane Camper (wife of Valentine G Camper), Julia Compton, Lydia Compton (wife of John Compton) and your Orator (10 in all): Julia Compton afterwards died intestate, leaving three children, towit, two sons and a daughter Nancy Jane: the two sons died each intestate, unmarried and without issue, leaving the said Nancy Jane as the only heir of her mother and as such entitled to her mother's interest in the estate of said Matthew Wright decd: the said Nancy Jane intermarried first with \_\_\_\_\_ Jeter, upon whose death she afterwards intermarried with Edward Brugh: the said Matthew Wright died seized of two tracts of land; the one containing about 550 acres situate in the said County of Bedford and the other containing about 268 acres lying in the County of Franklin in this State: after the death of said Matthew and by consent of all the parties in interest, William Johnson, Edmund McGeorge and George Overstreet, as Commissioners selected by the parties and appointed by the County Court of Bedford, on the 7th day of May 1842, allotted or rather assigned to the said Nancy Wright her dower as widow of said Matthew in the lands aforesaid and divided and allotted the residue of said lands amongst the said heirs of Matthew Wright: the said Commissioners made report of said assignment of dower, and division and allotment, together with a plat and diagram of the same, designating and describing by proper metes and bounds the said dower & the several lots allotted to the parties respectively, to the County Court aforesaid, which on the 22nd day of August, 1842, was admitted to record in said Court: A copy of said Report, with plats and Diagrams annexed as a part thereof, is herewith filed as a part of this bill, Marked "A": Upon said division and allotment, the parties took possession of their respective lots as designated in said Report, and they and those claiming under them have held possession of the same, having and claiming title, thence to this day: the said

Nancy Wright has since died and the estate held by her as dower as aforesaid, has reverted to those entitled: An inspection of said report and plat will shew that the dower lot contains 126 acres, Lot No. 1 to Nancy Johnson 31 acres, Lot No. 2 to Joseph P Wright 45 acres, Lot No. 3 to John A Wright 40 acres, Lot No. 4 to Peter M Wright 42- 1/4 acres, Lot No. 5 to Jane Camper 58 acres and lot No. 6 to your Orator 42-1/4 acres, all contiguous and parcels of the tract lying in said County of Bedford: the said Nancy Johnson sold and by deed of 31 May 1856 conveyed to your Orator 15-1/2 acres - one half her lot No. 1: the said John A Wright and Peter M Wright sold and by deed of 3rd of February 1842, conveyed all their interest in the real estate of said Matthew Wright (before the allotment and division aforesaid) to the said Joseph P Wright and the said Joseph P Wright afterwards sold and by deed of 15th June, 1861, conveyed to your Orator his own lot aforesaid (No. 2) and the two lots acquired as aforesaid from the said John A & Peter M & designated respectively as Lot No. 3 and Lot No. 4 - the said three lots combined, as shewn by the deed last aforesaid and by said plat and diagram, containing 127-1/4 acres: the said Valentine G Camper and Jane his wife sold and by deed of 2d October, 1843, conveyed to your Orator the lot aforesaid of said Jane No. 5 containing 58 acres and also the undivided interest of said Jane in said Dower land, it being 1/10th of the same: the said Joseph P Wright also sold and by deed of 28th February 1851, conveyed to your Orator 12 acres of land, contiguous to the lots aforesaid; and on the 14th day of June, 1859, one Alexander R Smith and wife by deed of that date conveyed to your Orator and one James Carner jointly a lot in parcel of land situate in said County of Bedford, near "Cross Roads", containing 48-1/2 acres, your Orator's undivided moiety being 24-1/4 acres: the several deeds aforesaid were duly admitted to record in the Clerk's Office of the County Court aforesaid, and authenticated copies thereof are herewith filed as parts of this bill, marked respectively in the order in which they have hereinbefore been referred to as "1"; "2", "3", "4", "5", "6": Your Orator being entitled as aforesaid to Lot No 6, by virtue of purchase and the deeds aforesaid, became the owner in fee-simple vested in possession of 279-1/4 acres, the whole of which (with the exception of the undivided moiety in the parcel of 48-1/2 acres conveyed as aforesaid to your Orator and James Carner) although compised of the several parcels aforesaid, lies in one body, forming one entire tract, which is adjacent to the dower lot aforesaid.

Your Orator also purchased from the said Nancy Johnson her interest, one undivided tenth, in the said dower land, which she conveyed to your Orator by deed dated 24<sup>th</sup> of April 1852: he also purchased from the said Joseph P Wright the said Jos. P.'s interest & the two interests of Peter M Wright and John A Wright theretofore conveyed to the said Joseph P, in all 3/10<sup>th</sup> in said dower land owned by said Joseph P., which the said Joseph by deed of 25<sup>th</sup> June, 1842, conveyed to your Orator: copies of these two last mentioned deeds, (which has been duly recorded in the Clerk's office aforesaid) marked respectively "7", "8",

are herewith exhibited as parts of this bill. Your Orator had purchased & the said Valentine G Camper & Jane his wife by deed of 2d October 1843, conveyed to your Orator her undivided interest - one tenth - in said dower land - (See Exhibit "4") thus, your Orator being the owner of 1/10" interest in his own right as one of the ten heirs of Matthew Wright, by virtue of the purchases and deeds aforesaid became the owner of 6/10ths or 3/5ths of said dower land of 126 acres, which upon partition would be 75- 3/5" acres, and this added to the 279-1/4 acres aforesaid, would make the quantity of land owned by your Orator 354- 17/20ths acres.

This being all the land owned by your Orator he made sale of it in the year 1866 to one Samuel D Patterson, the contract of sale not being at first reduced to writing, but it was afterwards put in writing and dated the 1st day of September, 1866, and executed as well by the said Samuel D Patterson as by your Orator. The said written contract was placed in the hands of Samuel G Stewart Esq., who still holds it, and who has furnished to your Orator a copy, which is herewith exhibited as a part of this bill marked "B": the original your Orator prays, the said Stewart may be required to produce, if necessary, that the same may be filed amongst the papers in this cause. By an inspection of said contract your Honor will see that by the terms thereof, your Orator sold to the said Patterson "all of his lands" except a graveyard reserved enumerating them, (which your Orator charges are the same hereinbefore mentioned and described) at the price of \$25.00 "per acre" in "such currency as may be current at the time payment is made, the payments to be as follows, \$3000 - on the 25th day of December 1866, "one half of the remainder on the 25th day of Dec. 1867", and "the remainder on the 25th day of Dec. 1868" the said Patterson was to have full possession "as soon as the whole of the first payment" (\$3000) was made, with some restrictions imposed upon him as to cutting and using timber upon said lands, and your Orator bound himself "to make to the said Patterson or order a good warranty deed to the whole of said land so soon as the whole of the purchase money should be paid."

Soon after the said Patterson had contracted to purchase from your Orator the lands aforesaid, the said Patterson purchased all the outstanding shares in the dower land aforesaid (which were not owned by your Orator and therefore had not been sold by your Orator to said Patterson). These outstanding shares belonged to Mary Meador (wife of Wilson Meador, Lydia Compton (wife of John Compton), Milly Wright, and Nancy Jane Brugh (wife of Edward Brugh), each being entitled to one undivided tenth part and all together four tenths: and the said Patterson having thus purchased the whole of the said dower land and the other lots & interests herein before enumerated, notwithstanding his failure to comply with his contract aforesaid to pay to your Orator the sum of \$3000 on the 25th day of December, 1866, your Orator relying upon the promises of said Patterson to make such payment at an early day & hoping that he would do so,

suffered him to take full and complete possession of the lands so sold him by your Orator as aforesaid, and the said Patterson has had and held such possession (including said dower lot) thence to this day and still holds the same. Your Orator charges, that he has in all things complied with his said contract and has in fact permitted said Patterson to take and hold possession of said lands, when the said Patterson had not so far complied on his part as to be entitled to said possession: that the said Patterson has paid but a small part of the purchase money owing for the lands so sold by your Orator to him: he has paid some small sums at different times, for which your Orator gave him receipts, the precise amounts of which your Orator does not remember but which will appear by the receipts in said Patterson's possession, amounting all together, as he believes, to less than \$1000-: and the whole of the residue of said purchase money with the interest accrued is due from said Patterson to your Orator & is unpaid, and the said Patterson, although repeatedly and importunately urged thereto, has hitherto failed & refused to pay the same and still fails and refuses so to do.

At the time of the sale of said lands by your Orator to the said Patterson, the quantity of the lands was estimated at 355-7/20 acres, which at \$25. per acre, the price of which it was sold to said Patterson, made the purchase money \$8883:75c in the aggregate. The said Patterson accordingly "gave his bond to your orator for \$3000- payable on the 25th day of December, 1866, & his two several bonds for equal parts of the residue, to wit, each for the sum of \$2941.87-1/2c payable respectively on the 25th day of December 1867, and 25th day of December 1868. The three said several bonds are herewith filed as parts of this bill marked respectively "C", "D", "E".

This estimated quantity (355-7/20 acres) was taken from the known quantity (126 acres) of the dower lot and the lots charged to your Orator on the land rolls in the Clerk's office of Bedford County: but upon examining said land roll and comparing the entries there with your Orator's deeds hereinbefore referred to & copies of which are exhibited with this bill & with the report aforesaid of Commissioners who made the division and allotment aforesaid of Matthew Wright's lands, a copy of which report is also filed with this bill), your Orator finds that said Patterson was charged with 1/2 acre too much in making the said estimate of the quantity of said lands. The mistake is attributable to the Commissioner of Revenue, who in making transfers of two lots, entered them on his books as 42-1/2 acres each, instead of 42-1/4 acres each, as they should have been entered and as the report of aforesaid shews. Your Orator is willing that this error shall be corrected and that the said Patterson's two bonds aforesaid of \$2941:87-1/4c each shall be severally abated by the contract price of one quarter of an acre, to wit, each by the sum of \$6:25c as of this date.

To exhibit your Orator's title, as shewn by the title papers hereinbefore referred to & filed with this bill, and to facilitate the examination of the same, your Orator files herewith as a part of his bill, a statement marked "F", which will also shew the quantity of land sold by him to said Patterson & the amount of purchase money contracted to be paid therefor.

Your Orator charges, that by virtue of his contract aforesaid with the said Samuel D Patterson & by the rules of Equity, he has a specific lien upon the lands so sold as aforesaid to the said Patterson for the purchase money therefor remaining unpaid with the interest accrued & accruing thereon: that the said Patterson, as he has been informed believes and charges, owns little or no property and is in fact insolvent: and, your Orator is advised that his only remedy which could prove even partially available, is in a Court of Equity to have his said contract specifically performed and his lien aforesaid enforced by sale of said lands: And your Orator is further advised, that inasmuch as a question may arise whether in making such sale, the dower land aforesaid should be sold out and out as an entirety or whether the individual shares (6/10ths) should be sold as they were sold by your Orator to said Patterson, the said Wilson Meador and Mary his wife, John Compton and Lydia his wife, Milly Wright, and Edward Brugh and Nancy Jane his wife, should be made parties defendants to this suit. To the end therefore for relief, your Orator prays, that the said Samuel D Patterson, Wilson Meador and Mary his wife, John Compton and Lydia his wife, Milly Wright, and Edward Brugh and Nancy Jane his wife, be by proper process made parties defendants to this bill and required severally on their oaths full, true and perfect answers to make to the same and all and singular the charges, allegations and statements herein contained as fully and particularly as if the same were here reported and they thereto severally and specially interrogated: And, the premises considered, may it please your Honor by proper decree to execute the contract aforesaid between your Orator and the said Samuel D Patterson and enforce the specific lien aforesaid of your Orator upon the lands aforesaid sold by him to said Patterson by ordering a sale of said lands & applying the nett proceeds thereof towards the satisfaction & discharge of the purchase money for said lands owing by said Patterson to your Orator & the interest thereon, and for any deficiency remaining unpaid after the application of said proceeds, decree personally against said Patterson in behalf of your Orator: Your Orator hereby offering to execute to said Patterson on full payment of said & balance of purchase money now unpaid & interest, as to the purchase or purchases at the sale under decree in this cause, a deed with general warranty assuring a good title to the lands aforesaid: order all proper accounts: Grant to your Orator the Commonwealth Writ of Summons &c commanmding &c and all such other and further aid and relief as Equity and good conscience may dictate and the nature of his case require, and, as in duty bound, he will ever pray &c.

E. C. Burks p.q."

On May 3, 1869, in File 1201 Samuel D. Patterson filed his answer to the complaint, essentially admitting the allegations:

"The Separate Answer of Samuel D Patterson to A Bill of Complaint exhibited against him and others in the Circuit Court of Bedford County by Wright H. Wright.

This Respondent saving and reserving to himself the benefit of all proper exception to said bill for answer thereunto or unto such parts thereof as he is advised it is material for him to make answer unto answers and says, That it is true as alleged in said bill that he made a contract with the complainant for the purchase of the Land in the bill mentioned as having been contracted by the complainant to be sold to this respondent, and that he agreed to pay therefor the sum of \$8883.75 said sum to be divided into three instalments the first in the sum of \$3000.00 payable 23<sup>rd</sup> Dec 1866 the second in the sum of \$2941.87-1/2 payable on the 23<sup>rd</sup> day of December 1867, and the third in the sum of \$2941.87-1/2 payable on the 25<sup>th</sup> day of Dec. 1868 for which said installments this respondent executed his three several bonds to fall due at the dates aforesaid respectively, The first installment of \$3000 was under the contract of purchase however intended to be a cash payment of which said installment your respondent did pay to the complainant as shewn by the statement filed with this answer marked "XY" the sum of \$1646.32c which latter sum ought to be credited on the \$3000- bond as of the 23<sup>d</sup> Dec. 1866, which if done will leave a balance due on that bond as of the last mentioned date the sum of \$1653.68c. He admits that nothing has been paid on the other two bonds & that they are still owing & unpaid. He further says that the complainant has no lien on that portion of the Dower Land purchased from other parties by respondent and that therefore the said portion is not subject to the complainants debt in this suit: He further says that it was agreed between the complainant and him at the time of the making of said contract that if this respondent should fail to make payment any portion of the purchase money for the land that the payments made should go towards paying for the 75- 3/5 acres contained in that portion of the Dower tract bought from the Complainant amounting to the sum of \$1890.00c. And this respondent now claiming the benefit of said agreement (he having paid nearly as much as the Dower Land amounts to) says that the residue of the Land is sufficient to pay the balance of purchase money now due, and that therefore the said Dower Land ought not to be subjected to sale by a Decree in this cause as such a sale would deprive him of all benefit of his contract, and perhaps subject

him to a loss of the greater portion of the money already paid and having fully answered he prays to be hence dismissed with his costs &c.

On May 4, 1869, in File 1201 the court ordered Wright H. Wright and his wife Minerva to convey the real estate in dispute to Samuel D. Patterson and for the commissioners to then sell the real estate to satisfy the debt:

Patterson &c )

The Undersigned Commissioner acting under the Decree made in this cause May 2nd 1870, begs leave to report: That since the said decree was entered, to wit, on the 14th day of November 1870, a settlement was had between Wright H.

Wright (the complainant), and James M. Wright the purchaser of the 6/10 interest in the Dower Lands in the bill mentioned, by which the said James M. Wright became entitled to the three Bonds executed by him for said interest; and an agreement in writing made by them, authorizing your commissioner to apply to the court for confirmation of the same, with Liberty to the said James M. Wright to withdraw said bonds from among the papers in this cause. Which said agreement is returned herewith marked "AL". Your commissioner further reports that in the report of E. C. Wright the complainant; and the amount as directed by the decree of May 2nd 1870, less the error, to wit, the sum of \$29.04/100 paid him by your commissioner as per receipt filed herewith marked "J.O.H".

Sallie A. Settles,	Plaintiff
Against	
Minerva Jane Wright, widow of Wright H. Wright, deceased, and others.	Defts,

This day this cause came on to be heard upon the papers formerly read; the report of Wm. Nimmo, Wm. Basham and W. W. Spradlin, Commissioners to assign dower and to divide the lands of Wright H. Wright, deceased, among his heirs, the report of Hunter Miller Commissioner in Chancery, and the report of Nelson Sale, Commissioner, to sell certain lands in the bill and proceedings mentioned, to which several reports there are no exceptions and was argued by Counsel; Upon consideration whereof the Court doth confirm the report of Wm. Nimmo, Wm. Basham, and W. W. Spradlin, and the division of the lands of Wright H. Wright, deceased, as made by said Commissioners, and shown in said report, and the Court doth also confirm the report of Hunter Miller Commissioner in Chancery; and the Court approving the sale of lands in this cause made on the 9th day of February 1901, by N. Sale Commissioner and the disbursements of the cash payments collected from the respective purchasers, doth confirm said sales, and the report of N. Sale, Commissioner, and the disbursements shown to have been made by him, and it having been stated in open Court by said N. Sale, Commissioner, that J. R. L. Wright, the purchaser at said sale, of the tract of land allotted to Matthew F. & Jas, T. Carner, Known as Lot No. 2 in the division of the lands of Wright H. Wright, is desirous of paying in full the bonds executed by him for his several deferred payments on the said land, the Court doth adjudge, order and decree that N. Sale, Commissioner, do withdraw from the papers in this cause the three several bonds of the said J. R. L. Wright, each in the sum of eighty dollars and fifty cents each, do collect said bonds together with any interest accrued thereon, and deposit the proceeds thereof in one of the Banks of Bedford City, taking therefor a certificate of deposit payable to the order of this Court, and make report thereof to this Court, and the Court doth further adjudge order and decree that N. Sale who is appointed a Commissioner for that purpose, upon the payment by said J. R. L. Wright of his said bonds as aforesaid, do execute to said J R. L. Wright at his costs a deed conveying to him or whom he may direct with special warranty of title the tract of

land known as Lot No. 2, in the division of the lands of Wright H. Wright: and the Court doth further adjudge, order and decree, that N. Sale who is appointed a Receiver for that purpose, do withdraw the bonds of J. B. H. Wright, given for the tract of land known as the "home place", and purchased by said J. B. H. Wright, collect the same as they respectively fall due, or before they fall due if said purchaser desires, depositing the proceeds thereof in one of the Banks of Bedford City, Virginia, taking therefor interest bearing certificates of deposit, payable to the order of this Court, and make report thereof to this Court, but said N. Sale shall not act as such Receiver until he shall have first entered into bond in the penalty of five hundred dollars with security to be approved by the Clerk of this Court, and whenever the said J. B. H. Wright shall have paid all of his said bonds in full, then N. Sale who is appointed a Commissioner for that purpose shall execute to said Wright or to whom he may direct a deed to said land so purchased by him, with special warranty of title at the costs of the said Wright, and it appearing to the Court that the heirs of Wright H. Wright are desirous of having a deed conveying to them the respective lots or parcels of land as shown to have been allotted to them by the report of Wm. Nimmo, Wm. Basham, and W. W. Spradlin, Commissioners, it is therefore adjudged ordered and decreed that N. Sale, who is appointed a Commissioner for that purpose, do at the expense of the fund in this cause, execute a deed with special warranty of title conveying to Minerva J. Wright, for and during her natural life, or so long as she shall remain the widow of Wright H. Wright, deceased, two tracts of land one containing twenty eight acres and one pole, and the other containing five acres, one rood, and thirty seven poles, as shown by the report of Commissioners to divide the lands of Wright H. Wright, also conveying in fee simple to Eula V. M. Baker, Lot No. 1, to J. R. L. Wright Lot No. 3: to Lulu B. Wright Lot No. 4: James B. H. Wright, Lot No. 5: to Wm. M. Wright Lot No. 6: and to Sallie A. Settles Lot No. 7: all as shown by the report of said Commissioners to divide the lands of Wright H. Wright, deceased. And it appearing from the report of Hunter Miller Commissioner in Chancery, that there are liens upon the lands of Wright H. Wright, as of the 23rd day of February, 1901, amounting to four hundred and twenty dollars and four cents, and it also appearing from the settlement of the transactions of Daniel J. Kessler, Administrator of Wright H. Wright, deceased, before said Hunter Miller, that said Administrator has exhausted all the assets now in his hands without paying any of said debts as mentioned in said report, and it further appearing from the will of Wright H. Wright, that he willed and bequeathed to his widow Minerva J. Wright "the balance due from the sale of the Chittum lands", which said balance constitutes a portion of the personal estate of Wright H. Wright, and the Court being of opinion that the personalty must first be used towards the payment of the testators indebtedness before the realty can be subjected, doth adjudge order and decree that this cause be referred to one of the Commissioners of this Court, to take, state and settle the following accounts:

First, To enquire and ascertain how much the balance from the sale of the Chittum land amounts to, and whether or not said balance should not be brought into this suit to be applied to the debts of Wright H. Wright, deceased.

Second: To ascertain and report what proportion of the indebtedness of Wright H. Wright should be charged to and paid by Minerva J. Wright, his widow, who under the will of Wright H. Wright, took a fee simple estate in seventy six and three fourths acres of the Beaverdam tract in addition to her dower interest in the "home place."

Third, To report any other liens which may be proven against the estate of Wright H. Wright. But before taking said account said Commissioner shall give personal notice thereof to the resident parties to this suit, and shall also post notice for thirty days prior to the taking of said account stating the time and place of taking the same at the front door of the Courthouse of Bedford County Virginia.
