WE WORK TOGETHER AS "ONE VOICE"

As this goes to press, already many things have happened. Returning students got settled to school again about one week after school began. For the seventh graders and the new students, it took a little longer. As everyone knows, changing from elementary to Junior High, or from one school to another, or even from one grade to another takes a little getting used to.

Two sports seasons have drawn to a close with both reigning as champions. The football team had yet another undefeated season. Jeff Golden, playing half-back and safety positions, broke many school football records and set a few of his own.

The girls basketball team was the regular and the tournament champions. Diane Beard had the highest total points and was team Captain along with Jenny Murray. The team lost a good player, Wendy Hoke, to the JV Girl's basketball team at the high school. She was missed, but more than made up for in sportsmanship and talent.

This year the choir is under the direction of Mr. Bob Spiers. They have started the first of their Christmas concerts and they have been something to be proud of at all of their performances so far. The choir performed at many elementary schools in the area.

Several new teachers joined our school and the student body is somewhat fewer than last year.

Bob Broyden and Patty Wadosky proudly display a banner made before an upcoming game to boost the spirits of the student body.

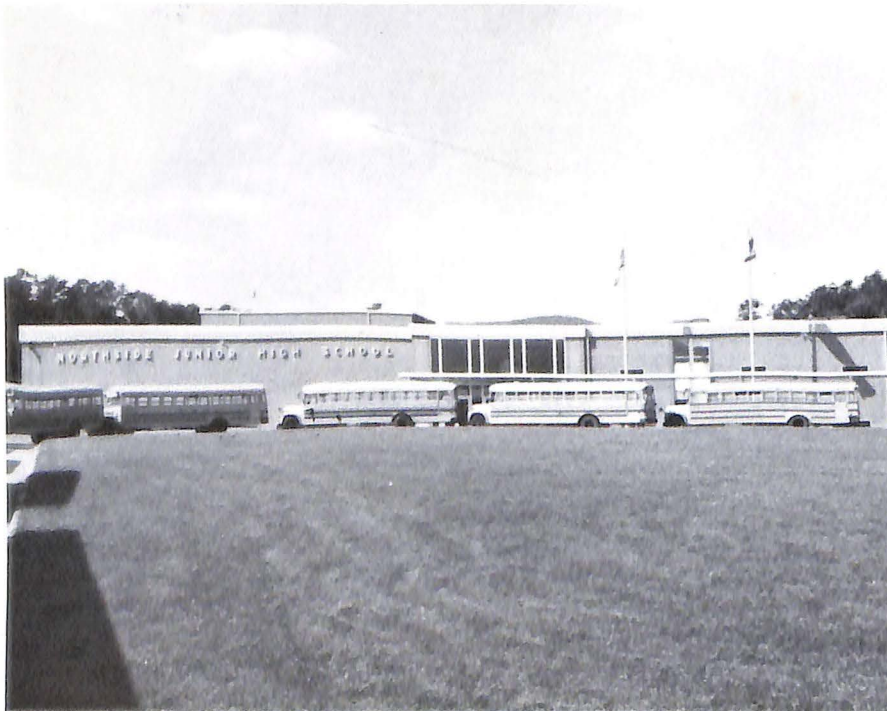

ONE VOICE

Just one voice,
Rising in the darkness,
All it takes is
One voice,
Singing so they hear what's on
your mind,
And when you look around
you'll find,
There's more than

One voice,
Rising in the darkness,
All it takes is
One voice,
Each and every note another
octave,
Hands are joined and fears
unlocked,
If only

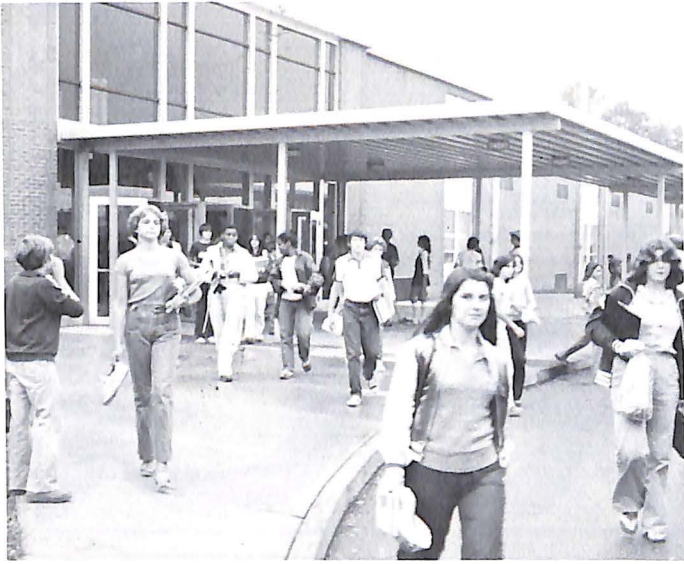

One voice,
Would start out its own,
We heed just one voice,
Facing the unknown,
And then that one voice,
Need never be alone,
It takes just . . .

One voice,
We need that
One
Little voice,
And everyone would
Sing.

Jentry Madagan does some last minute studying while waiting for the bus to come.

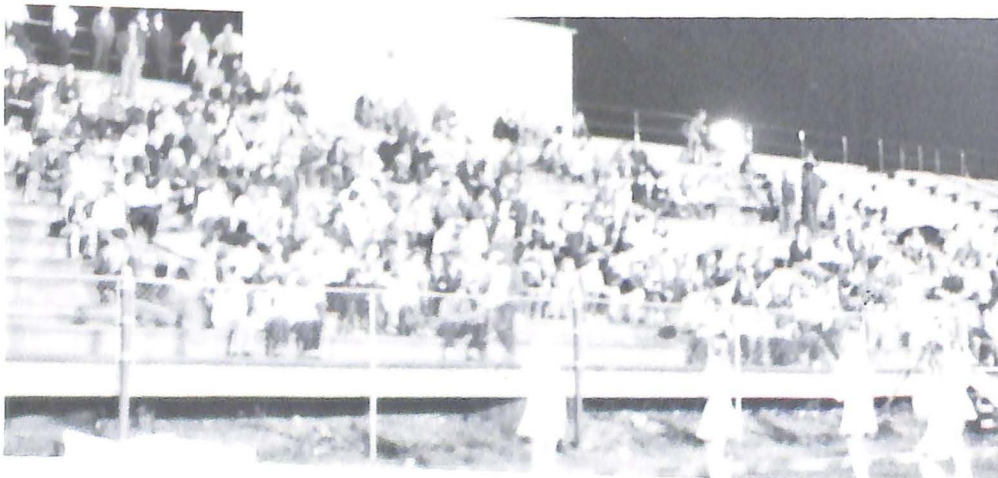

Miss Graube, Mr. Miley seem to be overseeing office personel between classes. Cindy Elliott and Wendi Stump are waiting for assignments.

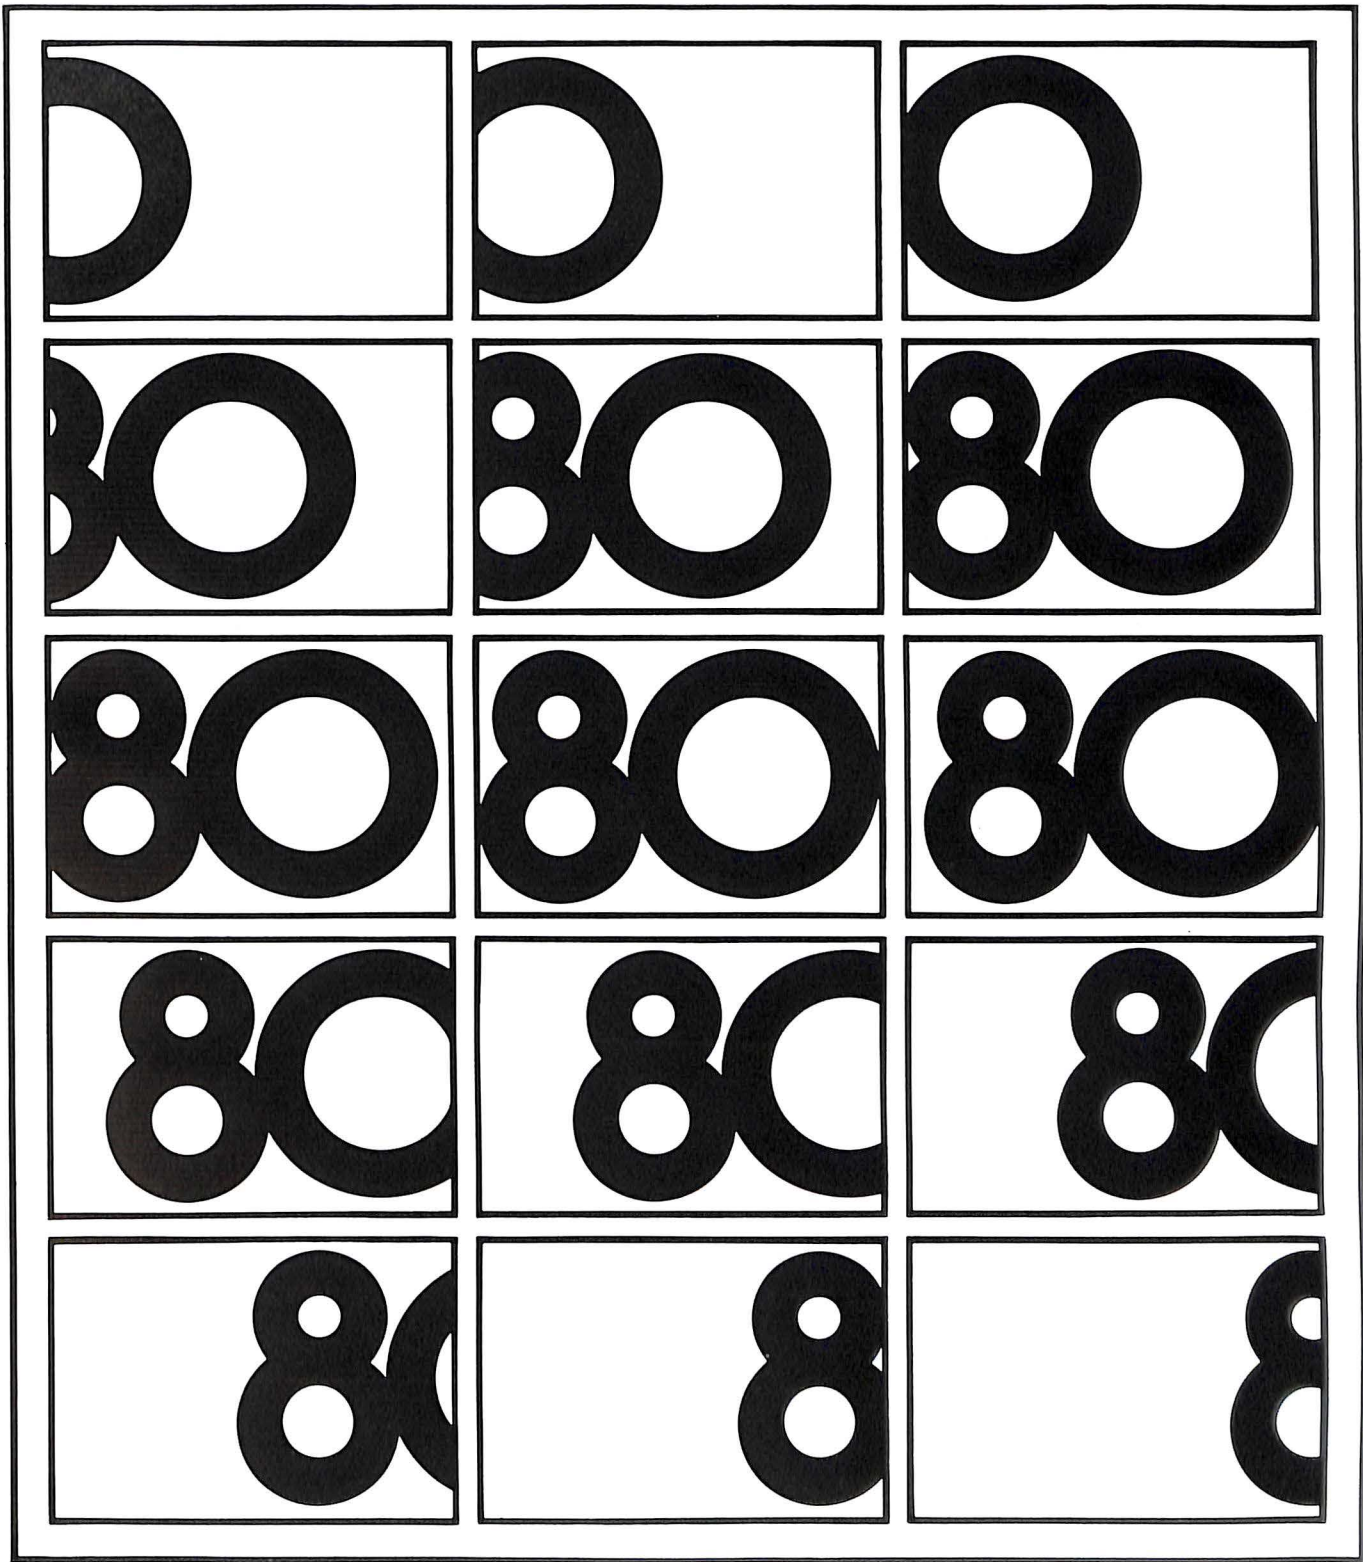

During a break in classes Jena Tolley, Michelle Weikel, Danielle Mistele, Patty Wadosky, Tonda Stinnett, Tracy Jobe, and Stephanie Morris find time to make a human pyramid.

Vicki Wickam appears to be hard at work on an assignment in the library, but looks can be deceiving.

Many dedicated fans turn out at the last game of the season to watch the Norsemen team . . . win again!

ORGANIZATIONS

The members of the S.C.A. shown above for 1979 - 1980 are: President - Danielle Mistele, Vice President - Tracy Jobe, Secretary - Anne Marie Faery, Treasurer - Stephanie Morris, Chaplain - Donna Bourne, and sponsor - Miss Roche.

Donna and Anne Marie take time to smile for the camera as they work on the float. The float later won first prize at Northside High School's Homecoming game.

STUDENT COUNCIL ASSOCIATION

The S.C.A. at N.J.H.S. was established to allow student input into the total school program. Each year five ninth graders are elected to fulfill this goal. This year the officers are as follows: Danielle Mistele, President; Tracy Jobe, Vice President; Annamarie Faery, Secretary; Stephanie Morris, Treasurer; and Donna Bourne, Chaplain. Co - sponsors of the S.C.A. are Miss Judy Roche and Mr. Hal Johnston.

Daily duties for the officers include being in charge of displaying the school flags and leading the Pledge of Allegiance during the morning announcements.

Other duties include participating in all P.T.A. meetings (by giving the invocation and pledge) and keeping an attractive bulletin board in the second floor lobby.

Again this year, the S.C.A.'s float entry in the homecoming parade won first prize. The S.C.A. Christmas dance, December 14, was a big success, with over 250 tickets sold. This spring the S.C.A. plans to sponsor another dance.

December 18 the S.C.A. officers and sponsors went out to eat at LeChateau.

The S.C.A. girls pose with Mrs. Roche on the steps - they are taking time out from their fourth period work time. They meet and plan for activities every day at that

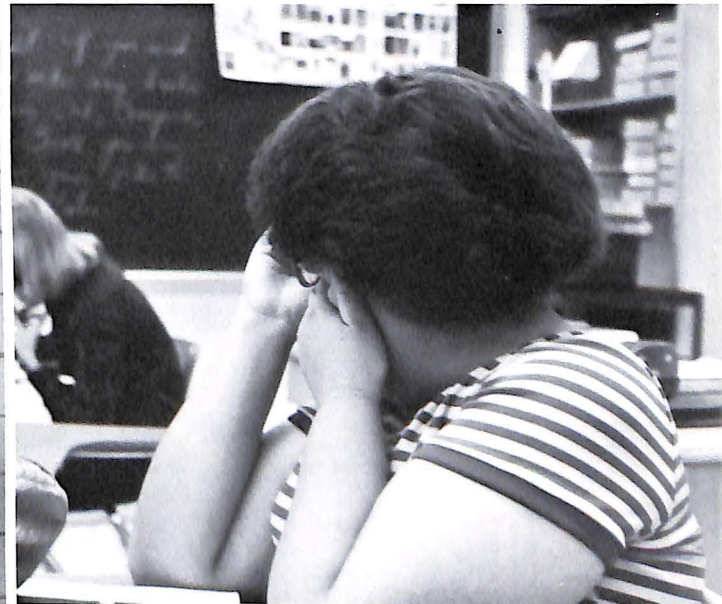

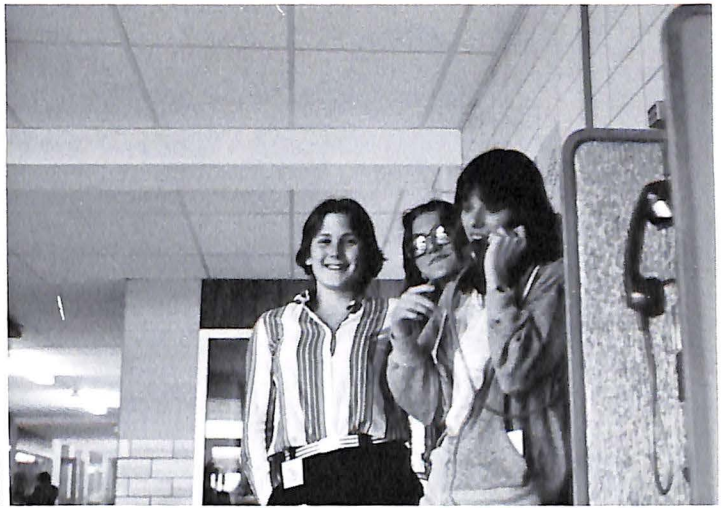

YOUR NORSEMEN STAFF

The 79 - 80 Norsemen staff is as follows: Deanna Pendry, Robert White, Dana Bauman, Steve Powell, Sheila Webster. Sitting down, as the Editor, is Heather Hash.

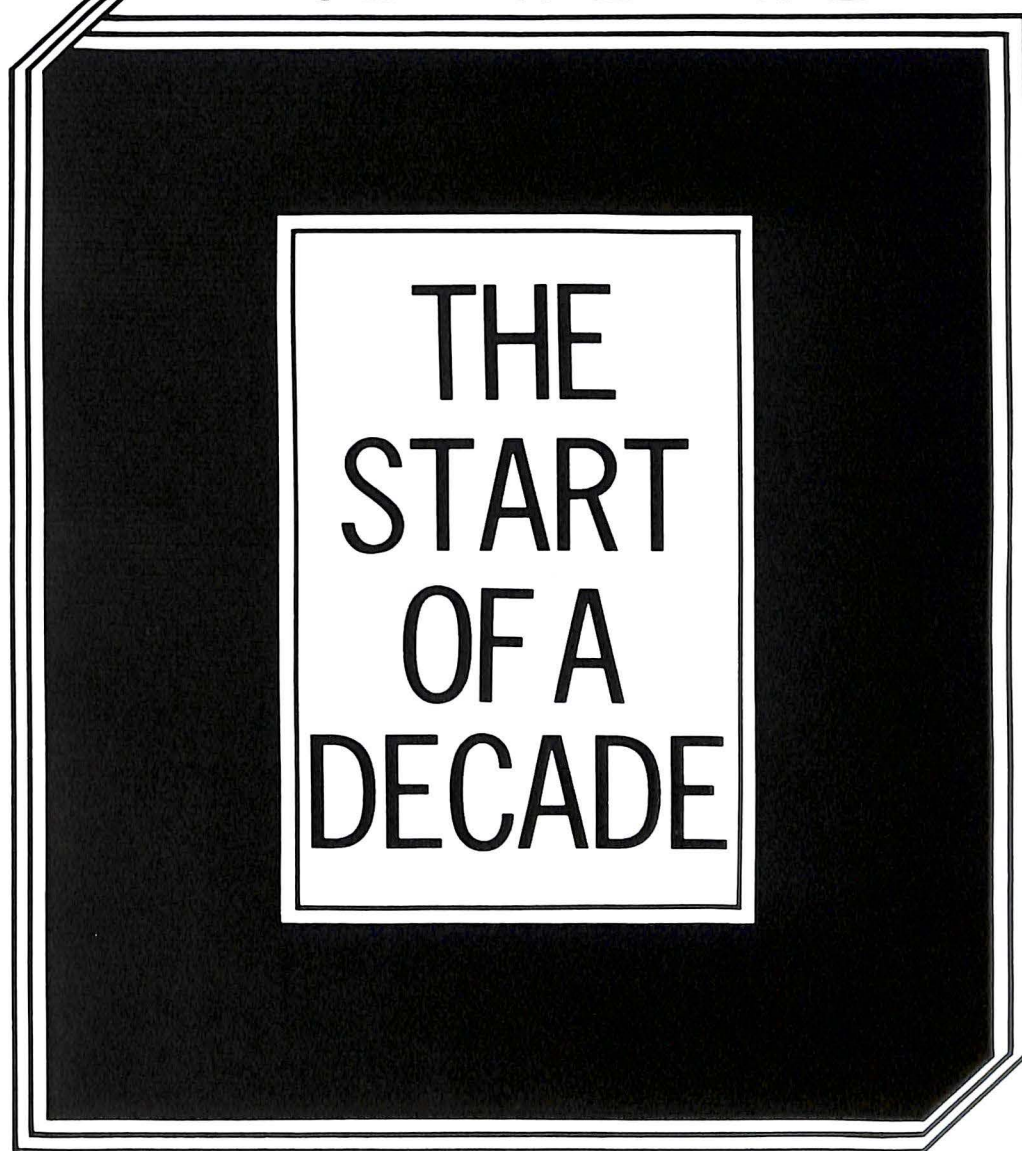

Miss Thompson (standing) and Mrs. Webb are the backbone to the Norsemen staff this year.

WITHOUT THESE LADIES AND

Mr. Caldwell makes an important phone call and finds time to rest during his hectic schedule. He is our Maintenance Superintendent.

Linda Laprad, our Finance Officer, has a smile on her face as she poses for the camera.

Mrs. Gallimore, the Attendance Officer for Northside, looks as if she caught someone skippin' again.

GENTLEMAN WE COULDN'T SURVIVE

Robin Rhoades, our School Secretary, is the look of efficiency.

Deanna Barnett, an Office Aide, says that a school day at Northside can certainly bring a lot of headaches.

Gail Jennings, the Guidance Secretary, is glad to hear there are no more schedule changes.

OUR LEADERS

Mr. Hal Johnston, Principal of NJHS 9th Grade, Principal

Mr. Don Dyer, 8th-Grade Principal

Mr. Dick Miley, 7th Grade Principal

THESE LADIES GUIDE US . . .

Miss Sue Martin, who is head counselor, spends much of her time scheduling classes — so September finds her extremely busy, but the job is well done, thus one big phase of making Northside Junior a number one school.

Loree Sizemore shows there is always a time to be serious with students who come to the counselor . . . Kim Hedge is talking with her.

Then, too, there is always a time to enjoy a laugh as Ann Journell shows.

NINTH GRADE CHOIR*

SEVENTH GRADE CHOIR

SINGING IN

EXCELLENCE

ALL COUNTY CHOIR

William Byrd High School will host The All-County Choir on February 22, 23, 24. This Honor's Choir members will be selected from the top 20-singers in each of the Jr. High, Intermediate Schools of Roanoke County. An out-of-state guest conductor will direct this choir Sunday afternoon, February 24th.

The 1979-80 NORTHSIDE JUNIOR HIGH CHOIR has taken on a "new look" with colorful dark green and white outfits. The 64-member choir has been quite busy and active this year performing for the elementary school feeders and video-taping for television. Christmas concerts were given at Burlington Elementary, Mason's Cove, The Roanoke County Occupational School, Mountain View, Glen Cove, and for our own student body at Northside Junior.

Two Christmas Program bonuses were the combined choir concert given at NORTHSIDE HIGH SCHOOL with the high school girls chorus, mixed choir, and chorale, of which the NJH choir performed five numbers.

The highlight of the holiday specials was the video-taping on WDBJ-TV, Channel 7, for "PANORAMA" in which the NORTHSIDE JUNIOR HIGH CHOIR shared the program with the Baptist Childrens Home Choir, The Roanoke College Chorale, and the Noel C. Taylor Community Choir. This program was later aired on Dec. 20th and 25th.

Mr. Spiers has enjoyed this year's choir members which has consisted of 7th, 8th and 9th graders. "They are an energetic group, quick to learn, and display good vocal production for junior high students. I think we're going to surprise a lot of people this year."

The choir plans several Spring Programs which will be highlighted by the Music Dept. Musicales for the final PTA Program of the year. For the first time, All-County Choir will be held at William Byrd High School in February. Twenty students from NJH will participate in this honors choir which will be directed by a guest conductor. This will be held in conjunction with the All-County High School Choir.

ADVANCED - INTERMEDIATE BAND

The members of the 1979 - 80 Advanced and Intermediate Band are from left to right; Marie Haynes, Rod Young, Heather Hash, Kim Sullivan, Sarah Taylor, Melissa Ohl, Rich Faery, Beth St. Cyr, Tanya Studabaker, Robbie Gattoni, Bruce Walker, Randall Neely, Jenny Beavers, Lisa Boone, Lisa McGraw, Teresa Simkins, Andy Garlington, Chris Newcomb, Mark Selkirk, John Henley, Tracy King, Ryan Boone, Cindy Gribbon, Dale Ragland, Jeff Miles, Mark Ellis, Anthony Keyton, John Steinman, Tim McCauley, Willie Paul, Harvey Howell, Tim Sherman, Lee Messimer, Jeff Lockhart, Chris Spradling, Mark Barnette, Jenny Hamlin, Mark Gobble.

The band program this year consists of 34 - beginners and 39 - students in the advanced band. The band has been busy this winter with Christmas concerts being given to all the elementary school feeders in the Northside area. Concerts were given at Burlington Elementary, Mason's Cove, Glen Cove, Mountain View elementary schools, and the Roanoke County Occupational School. This was climaxed with two assembly programs given to our own student body at **NORTHSIDE JUNIOR**.

Mr. Spiers is planning on a big Spring Concert for parents and the student body with a lot of special music in the making. The emphasis will be on a "Big Band Sound" with modern arrangements.

Robbie Gattoni, a 9th grader this year, made the **DISTRICT VI JUNIOR HIGH ALL - REGIONAL SYMPHONIC BAND** which was held at Radford University on January 4th - 6th. Robbie plays the Contra Bass Clarinet and made 2nd chair in the Symphonic Band.

The **ROANOKE ALL - COUNTY BAND** will be hosted this year at Salem High School in February. About 20 players from our band will participate in this 3 - day event.

BEGINNING BAND

The band this year has a lot of "good individual talent" and some outstanding players". Mr. Spiers is hoping to capitalize this into a good performing ensemble. Team effort is being stressed into making a good blending group. There will be a lot of good players coming up from the beginning band ranks.

Since Mr. Spiers is doing choir this year, band members are learning the art of accompanying singers, which is no easy task, even to the most professional of groups. Balance from both groups is always a problem which the musicians must constantly be aware of and takes a great deal of concentration to maintain. Mr. Spiers considers this to be good early training which will help each player better himself (herself) as a performer and use these skills in any performing group they would be involved in in later endeavors. Many bands in the Roanoke area (rock, country, pop, etc) use singers which adds a great deal to the group's effectiveness. Mr. Spiers feels this will be a valuable experience to our students.

The Beginning Band consists of Bridget Jordan, Dan Bauer, Beth Slusher, Karen Boyd, Joyce Johnson, Karen Totten, Misty Earls, David Caldwell, Kenny LaDuct, Tamara Gaultney, Toni Watts, Mike Porter, Connie Barton, Kelly Woolwine, Melissa Hairston, Glen Runions, Robbie Wilkerson, Jerry Baker, Wayne Hurley, Loren Powers, Eric Groves, David Alls, Chad Wright, Lee Sizemore, Mike Divers, Mark Brown, Marie Gobble, Jeff Wimmer, Mack Baker, Andy Harnsberger, David Garraghty.

BASKETBALL

The 1979 Girl's Basketball Team enjoyed it's most successful season ever at NJHS. The girls finished the regular season with a 12 - 0 record and then won both tournament games to finish the season with a 14 - 0 record - the first basketball team to go undefeated at NJHS.

The Norsewomen were led by Captain's Diana Beard and Jenny Murray as well as Center Jenny Hamlen. Because of their outstanding play during the season, these girls were selected to the Roanoke Valley District All - Star Team. Once again the Norsewomen had three players to break the 100 point mark in one season. Diana Beard had 191 points, Jenny Murray 142, and Jenny Hamlen 106 points. Jenny Hamlen led the team in rebounds with 115, with Jenny Murray adding 94 rebounds. Jenny Murray led the team in assists with Diana Beard second. Diana Beard led the team in steals with Jenny Murray close behind. Patricia Peroulas played her best game of the season in helping the Norsewomen win the tournament championship. Wendy Graham, an 8th grader, also made a solid contribution to the team.

Coach Marilyn Bussey made the following comments, "We were really surprised with our success this year. After practice started we felt like we had a good chance to made the play - offs as one of the top teams. But no one expected us to go undefeated."

"This team's success was due to team play. The girls really worked with each other to take the best shots they could. I was also very pleased with our defensive play. We held our opponents to 26.9 points a game which is very good considering how high our offensive average was (48.3)."

What about next year? "Obviously, you can not predict what kind of season you will have. But we have several girls returning who have playing experience so we are very optimistic about next year!"

Miss Graube congratulates Miss Bussey on her terrific coaching that brought the girls basketball season in with a straight win season.

You can see that the girls really work together.

TOURNAMENT CHAMPIONS

Patricia Perulus is pondering whether to cheer or meditate.

The team is really in action - Jenny Murray looks as if she is in control of the situation.

The 1979 Champions are Regan Bishop, Lisa McNutt, Jenny Murray, Diane Beard, Wendy Graham, Rachel Salyers, Angela Sweetenberg, Joyce Johnson, Danielle Mistele, Lori McNulty, Miss Bussey, Donald Goode, Jenny Hamlen, Patricia Perulus, Sherri Maycock and Mary Salyers.

Wendy Graham is really holding her own for the Norsewomen. Jenny Murray and Diane seem eager to help.

This year the Volleyball team had an average year, or so the record showed. But when you get down to the bare facts, one finds that Northside Jr. had a more than average team. We found this out when we interviewed Miss Graube, the coach of the team.

"They did great!" she said, "They exceeded my expectations. Towards the end of the year they really started to hustle and work together as a team. They were as good as any team I've coached even though the record doesn't show it."

This year the team had 14 members. There were 11 new members and only three veterans. Any one who saw this team in action could plainly see that the team showed talent, sportsmanship, and pride in being from Northside. A lot of the girls complained because of the hard work put to being part of the team, (who wouldn't?) but they knew it was necessary or else they wouldn't have come as far as they did.

When asked what she thought of the team's season, Miss Graube replied, "I thought they did extremely well for a team of mostly new members. They deserve real credit for them to have come this far."

Wendy Hoke does a double - take with a fantastic return.

Like all good teams, Northside warms up before each game. This is one of their practice warm - ups.

This years football team went undefeated for the fourth straight year. Coach Maynard commented "We had one of our better teams this year. The defense was outstanding this year giving up only 15 points. We had a very strong defense. We made a couple mistakes that the other team capitalized on."

The team worked very hard practicing 6 hours in the summer and 2 1/2 once school started. They ran "the hill" 74 times at once and ran 85 wind sprints.

The turn out this year was like it usually is, alot of them quit. "They just couldn't cut the mustard" quoted Coach Maynard. Seventy - five percent of the team really worked hard this year. Next year Coach Maynard wants more 7 - 8 graders.

We beat each team by at least 3 touchdowns. We have had 33 straight games without a loss.

..... UNDEFEATED FOR FIRST TEN

For the third consecutive year the Norsemen Basketball Team is at the top of the Roanoke Valley Junior High conference. This year's team is 13-1. They won the first 10 games before losing to Andrew Lewis. They also have extended an incredible home court record (as the sign says in the gym "welcome to the pit", 52, victims, 2 escapees). This team has been one of the most exciting teams in the NJHS 7-year history. They have been averaging 65 points offensively and on defense they have been allowing 45. Greg Otey and Danny Price has paced the Norsemen this year. They are the top two scorers in the league, Otey with a 19.3 average and Price 15.4. The fastbreak and pressing defenses have been the team's key to success. They also have had 4 different players to break the 20 point barrier this year, Otey (5), Price (3), Donald Goode 2 times and Scott Wallace once.

Jerry Richmond has done a tremendous job at point guard. As an eighth grader, he started every game. He is the first to do that since Eddie Otey, Jason Perdue and Andy Newson in 1974. Jeff Golden and Gary Wobensmith have done credible jobs starting and coming off the bench. Don Goode has had a fine season, avering 10 points a game. Scott Wallace has provided the spark off the bench, by being the 4th leading scorer on the team with a 7 point average. Coach English's record at NJHS is now 89-19.

"I have really enjoyed working with these guys this year. We have been through several hills and valleys this year, but we have always come back to the top. Considering all the presses (9) and all of our offenses (11) the guys had to learn, they have done an outstanding job. One of my greatest thrills in coaching was the 80-74 win over a much bigger Andrew Lewis team."

The 1979-80 wrestling team went through the season with a 3-4 record. This is one of our best records in the history of Northside Jr. wrestling.

Our captains this year were Chris Nininger, Billy Howard, and Jeff Wright who did an excellent job leading the team. Our sportsmanship this year was good except on a few occasions. All the wrestlers, from Coach Schuyler's viewpoint, went into every match with the intention of clobbering or at least beating the opponent.

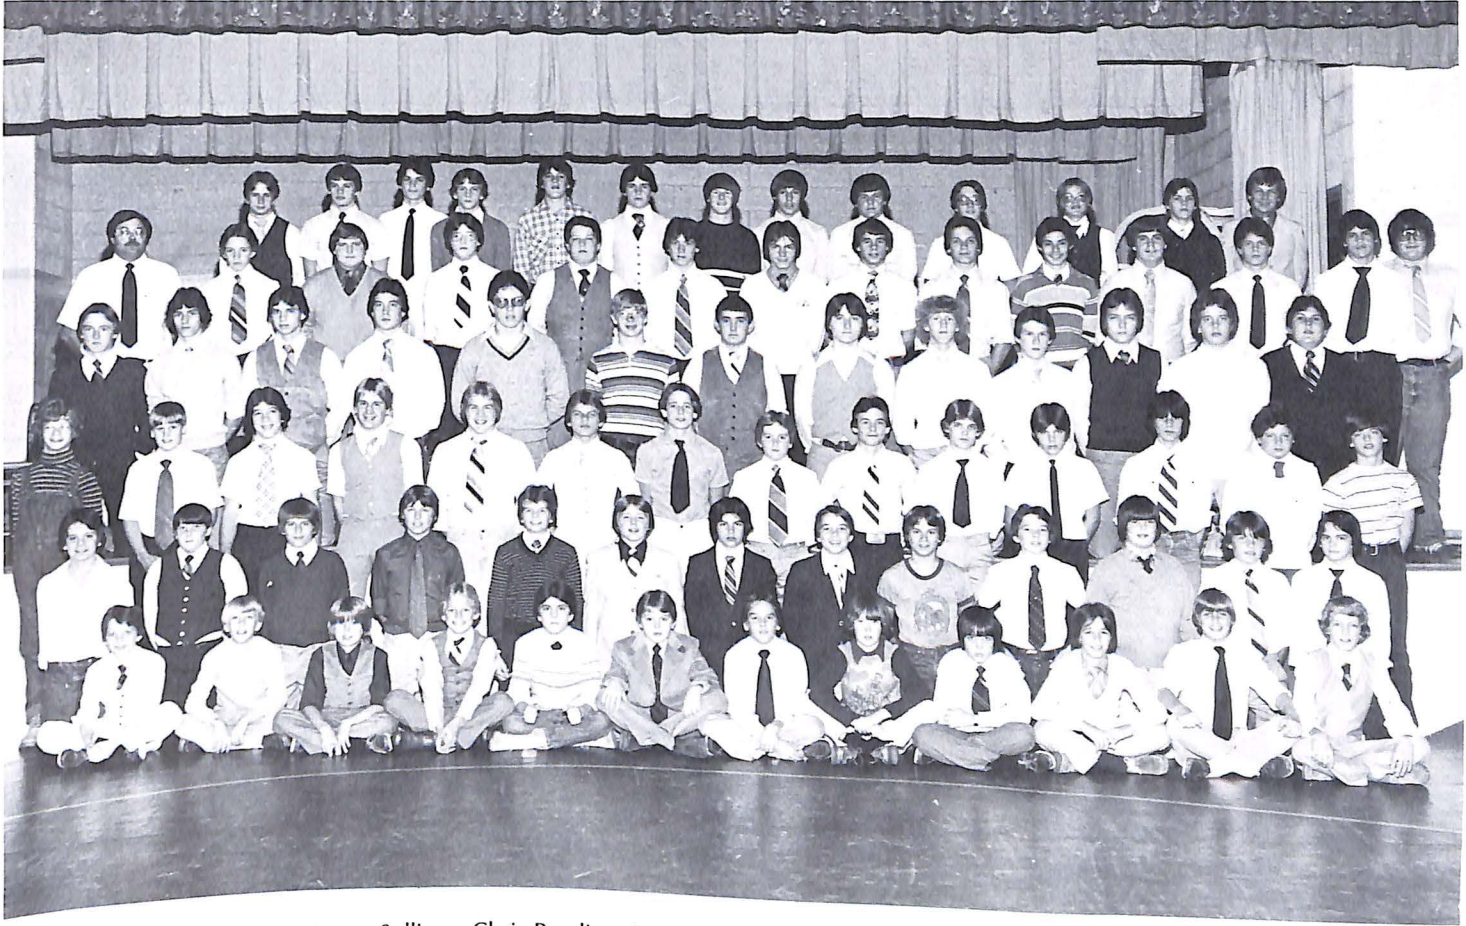

Our assistant, Coach Deacon, did a very superior job of showing the team members moves and also disciplining the team.

This was the largest wrestling team ever at NJHS as you can see from the team picture. Coach Schuyler, who is also a Civics teacher, hopes that there will be another large turnout next year and thanks everyone who came out for the team this year and wishes them lots of luck in their wrestling future.

Jeff Wright, Chris Nininger, and Billy Howard were chosen as captains of our wrestling team this year.

This year the Pep Club consisted of approximately 150 members.

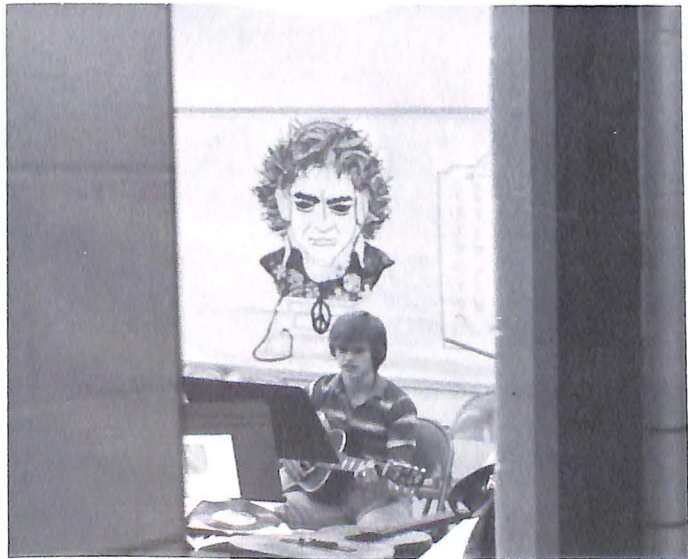

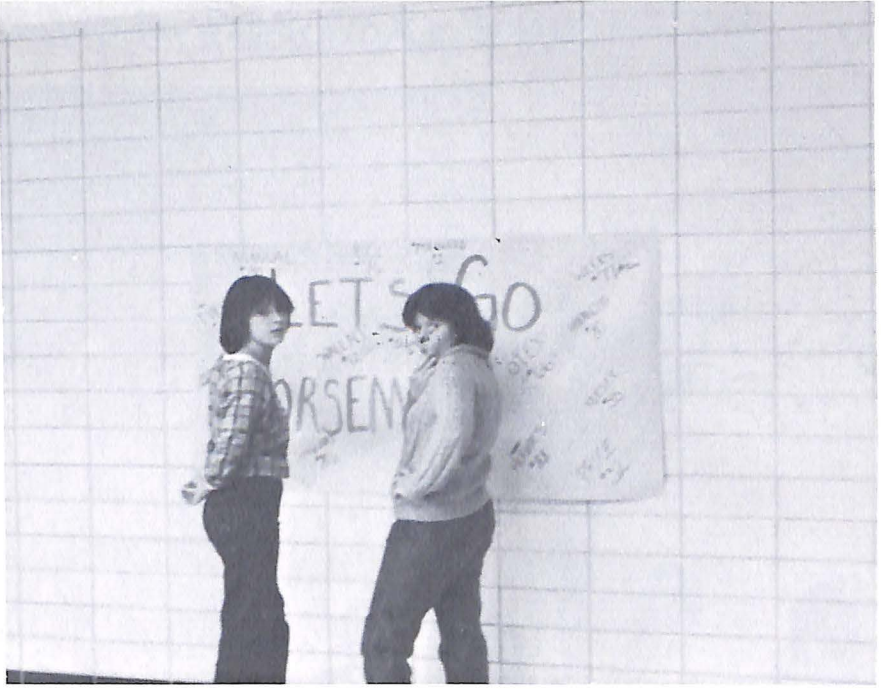

Among their responsibilities are buying oranges for the players in the home games and track meets. They also make posters for games and meets. The members are encouraged to go to all the games and show courtesy, sportsmanship and school spirit. The Club stresses the showing of courtesy to visiting teams.

So far this year the Pep Club entered a float in the homecoming parade at Northside High School. They also sold pom poms.

The Pep Club Officers for 1979 - 80 are;

President Michelle Weikel, Vice President Sonja Goode. Secretary Vicki Hicks, Treasurer Stephanie Morris, Seventh Grade Chairman Dawn Miller, Eighth Grade Chairman Patricia Hutcherson, and Ninth Grade Chairman Tammy Graham.

"THEY ALL DESERVE THE MOST IMPROVED AWARD"

The Northside gymnastics team consists of 20 members, with only four returning for their 3rd year. Thirteen of the girls are on the team for their 1st year.

They are in the top 3 teams in the district and they have worked very hard to get there. Miss Graube describes the girls as "a good group of girls", adding that the team shows a lot of enthusiasm and good sportsmanship. They practice every day for 2 hours and some Saturdays. Miss Graube says the entire team could win "most improved" award.

"The girls have really pulled together as a team," says Miss Graube, "and next year we will be a much stronger team because the 7th and 8th graders are 'lookin' good!"

The gymnastics team for 1979-80 is Kim Hedge, Vicki Hicks, Stephanie Starkey, Pam Carter, Greta Sanford, Renita McMillan, Wendy Basham, Lori Conner, Rhonda Robertson, Tracy Jobe, Miss Graube, Cindy Darnell, Lynn Anne Basham, Vicki Crosswhite, Beth Young, Debbie Chappelle, Beth Slocum, Julie Conner, Jennifer Hurt, Michelle Wikel, Cyndi Birmingham, Shawn Overstreet, Karen Lafferty, Sonya Forbes and Marie Gobble.

So the year has almost ended. Many things are the same. Again we're the undefeated champions in football and girl's basketball. The boys basketball team lost only one game and still we're the season champions.

Among some of the surprises was a somewhat milder winter as compared to last year. The snow did not come till late in January. Up until then the weather was relatively warm.

The gymnastics team has really done well again. Some surprising new talent came from some of the newer members. As few of the veteran members surprised us too.

Many students started packing their own lunches, something new to many of them. School lunches went up to sixty-five cents, so the students decided to save their money for better things.

Fewer students were enrolled here this year. This meant many of us lost some good friends, but in spite of this we all still made many new friends.

No matter what happened this year, it will always be remembered.

LOOK MA, NO HANDS! Mr. Summerville demonstrates (probably for the umpteenth time) to his gym class the correct way to hurdle a hurdle. Students were expected to master the secrets of track over a period of 2 to 3 weeks.

This is Mrs. Gill alone in her chair, trying to smile, for that man over there (the photographer).

Typical tenstive typists type tediously to tell their teacher that they too can type the teacher's tasks.

From the looks on some of our employees faces, life at Northside is not all work and no play. Right, Mr. "J"!

WE FINISH WITH A FLAIR

As you can tell by the students happy and excited faces, the lunch break is one of the favorite times of the day. Some are even taking time to study. Kent Swink seems to be solving the world's problems while Doug Kabler studies. Brian Barger glances the photographer's way.
